## PREFACE

The Mississippi Code of 1972, which became effective on November 1, 1973, is the culmination of nearly four years of effort on the part of the Legislature, the Attorney General's office and the publishers, which brings together provisions of general statutory law having a common subject matter into a more orderly and logical framework of code titles and chapters, and employing a modern and effective section numbering system. A major by-product of the code revision will be the state-owned magnetic computer tape containing the Mississippi Code of 1972, which will be of invaluable assistance to the Legislature and to the state.

The enabling act for the code was a recommendation of the Mississippi State Bar, which resulted in the consideration and passage of Senate Bill 1964, Chapter 465, Laws of 1970, signed into law by Governor John Bell Williams.

The Code Committee provided for in that act was comprised of A. F. Summer, Attorney General, Heber Ladner, Secretary of State, Representative Edgar J. Stephens, Jr., Chairman, House Appropriations Committee, Senator William G. Burgin, Jr., Chairman, Senate Appropriations Committee, Representative H. L. Meredith, Jr., Chairman, House Judiciary "A" and Judiciary en banc Committees, Senator E. K. Collins, Chairman, Senate Judiciary "A" and Judiciary en banc Committees, Representative Ney McKinley Gore, Jr., Chairman, House Judiciary "B" Committee, and Senator William E. Alexander, Chairman, Senate Judiciary "B" Committee. In 1972, Representative Marby Robert Penton and Senator Herman B. Decell, Chairman of House and Senate Judiciary "B" Committees, respectively, became members of the Committee, replacing Representative Gore and Senator Collins, Senator Alexander having been appointed Chairman of Senate Judiciary "A" and Judiciary en banc Committees. The Deputy Attorney General, Delos H. Burks, served the Code Committee as Secretary. Special Assistant Attorney General Fred J. Lotterhos, under the supervision of the Attorney General, was assigned the principal responsibility for the supervision of the recodification, including the consideration and treatment of some 16,000 sections of code manuscript.

Final legislative approval was given to the Mississippi Code of 1972 by passage of Senate Bill 2034, Laws of 1972, which was signed by Governor William L. Waller on April 26, 1972. A copy of that act is set out in Volume 1, following the Publisher's Foreword.

The Code Committee is of the opinion that the recodification has been thoroughly and well accomplished, and will result in a greatly improved repository of the general statutory law of the state.

A. F. SUMMER  
ATTORNEY GENERAL

## PUBLISHER'S FOREWORD

This 2009 Replacement Volume 11A of the Mississippi Code of 1972 Annotated represents material appearing in both the original 1973 bound volume, the 2000 Replacement Volume 11A, and the 2004 Replacement Volume 11A, as well as reflecting amendments, repeals, and new Code provisions enacted by the Mississippi Legislature through the 2009 Regular and 1st through 3rd Extraordinary Legislative Sessions.

This volume contains the text of Title 43, of the Mississippi Code of 1972 Annotated, as amended through the 2009 Regular and 1st through 3rd Extraordinary Legislative Sessions.

Case annotations are included based on decisions of the State and federal courts in cases arising in Mississippi. Many of these cases were decided under the former statutes in effect prior to the enactment of the Code of 1972. These earlier cases have been moved to pertinent sections of the Code where they may be useful in interpreting the current statutes. Annotations to collateral research references are also included.

To better serve our customers by making our annotations more current, LexisNexis has changed the sources that are read to create annotations for this publication. Rather than waiting for cases to appear in printed reporters, we now read court decisions as they are released by the courts. A consequence of this more current reading of cases, as they are posted online on LexisNexis, is that the most recent cases annotated may not yet have print reporter citations. These will be provided, as they become available, through later publications.

This publication contains annotations taken from decisions of the Mississippi Supreme Court and the Court of Appeals with decision dates up to February 10, 2009, and decisions of the appropriate federal courts with decision dates up to December 23, 2009. These cases will be printed in the following reporters:

- Southern Reporter, 2nd Series
- United States Supreme Court Reports
- Supreme Court Reporter
- United States Supreme Court Reports, Lawyers' Edition, 2nd Series
- Federal Reporter, 3rd Series
- Federal Supplement, 2nd Series
- Federal Rules Decisions
- Bankruptcy Reporter

Additionally, annotations have been taken from the following sources:

- American Law Reports, 6th Series
- American Law Reports, Federal Series
- Mississippi College Law Review
- Mississippi Law Journal

Finally, published Opinions of the Attorney General and opinions of the Ethics Commission have been examined for annotations.

### **ADVANCE CODE SERVICE**

Three times a year, at roughly quarterly intervals between delivery of Code supplement pocket parts, we publish the Mississippi Advance Code Service pamphlets. These pamphlets contain updated statutory material and annotations to Attorney General opinions, research and practice references, and recent court decisions construing the Code. Each pamphlet is cumulative, so that each is a "one-stop" source of case notes updating those in your Code bound volumes and pocket parts.

### **ADVANCE SHEETS**

The Advance Sheets consist of a series of pamphlets issued in the spring. The series reproduces the acts passed by the Mississippi Legislature and

## USER'S GUIDE

approved by the Governor during the legislative session. Features include tables showing the impact of legislation on sections of the Mississippi Code of 1972 Annotated, and a cumulative index. These pamphlets enable the user to receive a preview of approved legislation prior to supplement availability, and serve as an excellent source of legislative history.

## AMENDMENT NOTES

Every time a Code provision is amended, we prepare a note describing the effect of the amendment. By reading the note, you can ascertain the impact of the change without having to check the former statute itself.

Amendment notes are retained in the Supplement until the bound volume is replaced, at which time notes from all but the last two years are deleted.

Amendment notes are available online from 1991 until the present in the Mississippi Legislative Archive.

## ANALYSES

Each title, chapter, and article appearing in a bound volume or supplement is preceded by an analysis. The analysis details the scope of the title, chapter, and article and enables you to see at a glance the content of the title, chapter, and article without resorting to a page-by-page examination in the bound volume or supplement.

## ATTORNEY GENERAL OPINIONS

Opinions of the Attorney General for the State of Mississippi have been read for constructions of Mississippi law. Notes describing the subject matter of the opinions have been placed under relevant Code provisions under the heading "Attorney General Opinions." The citation at the end of each note refers to the person requesting the opinion, the date of the opinion, and the opinion number.

## CODE STATUS

The Mississippi Code of 1972 Annotated is Mississippi's official code and is considered evidence of the statute law of the State of Mississippi (see § 1-1-8). The Code was enacted by Chapter 394 of the Laws of 1972, which was signed by the Governor on April 26, 1972.

Title 1, Chapters 1 through 5 of the Code contain statutes governing the status and construction of the Code.

## COMPARABLE LEGISLATION FROM OTHER STATES

Notes to comparable legislation from other states appear for uniform laws, interstate compacts, statutory provisions pertaining to reciprocity and cooper-

## USER'S GUIDE

ation with other states, and various important statutes of general interest. Other states' statutes that are similar in subject matter and scope to those of Mississippi are cited, generally, under the first section of the chapter or article to which they pertain. Occasionally, comparable legislation pertains to only one section, in which case it is cited under that section rather than at the chapter or article level.

See also *Federal Aspects*.

## COURT RULES

The Mississippi Court Rules are published separately by LexisNexis in a fully annotated softcover volume which is replaced annually and supplemented semi-annually.

The Court Rules volume contains statewide rules of procedure of the state courts, the local rules of the United States district courts and bankruptcy courts for Mississippi, and the rules of the United States Court of Appeals for the Fifth Circuit. Rules are received from the courts and edited only for stylistic consistency. For further information, see the Preface to the Mississippi Court Rules volume.

## CROSS REFERENCES

Cross references refer you to notes under other Code sections, that may affect a law or place it in context. Cross references also are used under repealed provisions to refer you to an existing law on a similar subject. Cross references do not cite all related statutes, however, since these can be identified by using the General Index.

See also *Comparable Legislation from other States* and *Federal Aspects*.

## EDITOR'S NOTES

Editor's notes are notes prepared by the Publisher that contain information about important or unusual features of a law, or special circumstances surrounding passage of the law, that are not apparent from the law's text.

See also *Effective Dates*.

## EFFECTIVE DATES

Absent a specific effective date provision within an act, Mississippi laws generally take effect upon approval date, which is the date the act is signed into law by the Governor. Acts affecting voting rights and procedures take effect on the date the United States Attorney General interposes no objection under § 5 of the Voting Right Act of 1965.

## USER'S GUIDE

### FEDERAL ASPECTS

Notes to federal legislation that is similar in subject matter and scope to the laws of Mississippi are referenced throughout the Code. In addition, the Code contains the United States Code Service citation for any federal law that is referred to in a Mississippi statute by its popular name or by its session law designation.

See also *Comparable Legislation from other States*.

### INDEX

The Code is completely indexed in two softcover Index volumes, which are updated and replaced annually. In addition, each volume of the Code is followed by its own index. As accurate and thorough as the Index is, your best defense against index wild goose chases is familiarity with indexing techniques. To that end, an explanatory Foreword to the Index appears in the first Index volume.

### JOINT LEGISLATIVE COMMITTEE NOTES

Joint Legislative Committee notes are included in the Code to describe codification decisions made by the Mississippi Joint Legislative Committee on Compilation, Revision and Publication of Legislation. Examples of Committee actions that warrant the inclusion of a note are the integration of multiple amendments to a single Code section during the same legislative session, and the correction of typographical errors appearing in the Code.

### JUDICIAL DECISIONS

Every reported case from the Supreme Court of Mississippi, the Court of Appeals of Mississippi, federal district courts for Mississippi, the federal Fifth Circuit Court of Appeals and the United States Supreme Court has been read for constructions of Mississippi law. These constructions are noted under pertinent sections of the statutes or Mississippi Constitution provisions, under the heading "Judicial Decisions." Where a decision has been reviewed by a higher court, subsequent judicial history and disposition is noted in the case note if such disposition has any bearing on the annotated material. Where two or more decisions state the same rule of law, the case citations are cumulated under one case note.

Case notes are grouped together under headings called "catchlines." The catchlines identify the basic subject matter of the case notes and assist the user in locating pertinent notes. Catchlines are numbered and arranged thematically, with "In general" first. Where there are two or more catchlines, an analysis, listing all the catchlines, precedes the annotations.

Frequently, statutes carry notes to cases that arose under earlier laws on the same subject. Case notes are retained so long as the editor believes the note

## USER'S GUIDE

will have some relevance under current law, though of course the relevance may be diminished by later changes in the law. These case notes appear under the heading "Decisions under former law."

### ORGANIZATION AND NUMBERING SYSTEM

The Code is organized by titles, chapters, articles, subarticles, undesignated centered headings and sections. Analyses at the beginning of each title, chapter, article, and subarticle help you understand the internal arrangement of each Code unit (see *Analyses*).

Odd numbers are generally used for the numbering of titles, chapters and sections. Even numbers have been used for some chapters and sections so that a particular new chapter or section might be logically placed with other chapters and sections dealing with the same or similar subject matter. Similarly, the use of numbers with decimal points has been used for some sections in order that they may be inserted among other sections pertaining to the same subject.

The title, chapter, and section for each Code section is revealed by its section number. Thus, in the designation "§ 1-3-65," the first digit ("1") means the provision is in Title 1 ("Laws and Statutes"); the second ("3") indicates Chapter 3 ("Construction of Statutes"); and the last two digits ("65") mean the 65th section in that chapter ("Construction of terms generally").

Articles and subarticles are not reflected by section number designations.

Within sections, subsections and paragraphs usually are designated following this pattern: (1)(a)(i)1. or (1)(a)(i)A. A distinctive indentation scheme is applied to suggest the relative value of each unit within this hierarchy.

### PLACEMENT OF NOTES

Where a note pertains to a single statute section, it will of course be set out following that section. In many instances, however, a note applies equally to several statute sections or to an entire chapter or article. If the pertinent sections are scattered, or few in number, the note will be duplicated for each section. But where the note applies to all or most of the sections in a chapter or article, we prevent the space-consuming repetition of notes by placing the note at the very beginning of the chapter or article.

### REPLACEMENT VOLUMES

The Code is periodically updated and streamlined by the replacement of volumes. Although a current set of the Code contains all currently applicable statutes, we encourage you to retain replaced volumes and their supplement pockets parts for historical reference.

## RESEARCH AND PRACTICE REFERENCES

Citations to references in American Jurisprudence, American Jurisprudence Pleading and Practice, American Jurisprudence Proof of Facts, American Jurisprudence Trials, American Law Reports, First through Sixth Series, ALR Federal, Corpus Juris Secundum, various other treatises and practice guides, and Mississippi law journals are given under this heading, wherever the references appear to discuss the statute under which the citation appears, or a topic related to the statute. These citations are intended only to give you a starting point for your library research. The Mississippi law journals include Mississippi Law Journal and Mississippi College Law Review.

## SOURCE NOTES

Each section of the Code is followed by a brief note showing the acts of the legislature on which it is based, including the act that originally enacted the section and any subsequent amendments.

The source note follows the section text, preceding any other annotations for the section. Information in the source note is listed in chronological order, with the most recent information listed last. If a section has been renumbered, the former number will appear in the source note. :

The tables volume should also be consulted when researching the history of a statutory section, since it contains cross reference tables that provide a statutory citation for each section of the session laws and the date each act went into effect.

## STATUTE HEADINGS

Headings or “catchlines” for Code sections and subsections are generally created and maintained by the publisher. They are mere catchwords and are not to be deemed or taken as the official title of a section or as a part of the section. Your suggestions for the improvement of particular catchlines are invited.

## TABLES

The Mississippi Code of 1972 Annotated contains several tables that can assist you in your research. These are published in the Statutory Tables volume of the Code, and include the following:

- Sections of the Code of 1930 carried into the Code of 1942.
- Sections of the Code of 1942 carried into the Code of 1972.
- Allocation of Acts of Legislature, 1931 — 1972.
- Allocation of Acts of Legislature, 1972 — present.
- Consolidated Tables of amendments and repeals of 1942 Code sections.
- Consolidated Tables of amendments and repeals of 1972 Code sections.

(1) The Office of Family and Children's Services and the Division of Aging and Adult Services shall devise formal standards for employment as a family protection worker and as a family protection specialist within their respective offices and for service delivery designed to measure the quality of services delivered to clients, as well as the timeliness of services. Each family protection worker and family protection specialist shall be assessed annually by a supervisor who is a licensed social worker who is knowledgeable in the standards promulgated. The standards devised by each office shall be applicable to all family protection workers and family protection specialists working under that office.

(2) The Office of Family and Children's Services shall devise formal standards for family protection workers of the Department of Human Services who are not licensed social workers. Those standards shall require that:

(a) In order to be employed as a family protection worker, a person must have a bachelor's degree in either psychology, sociology, nursing, family studies, or a related field, or a graduate degree in either psychology, sociology, nursing, criminal justice, counseling, marriage and family therapy or a related field. The determination of what is a related field shall be made by certification of the State Personnel Board; and

(b) Before a person may provide services as a family protection worker, the person shall complete four (4) weeks of intensive training provided by the

training unit of the Office of Family and Children's Services, and shall take and receive a passing score on the certification test administered by the training unit upon completion of the four-week training. Upon receiving a passing score on the certification test, the person shall be certified as a family protection worker by the Department of Human Services. Any person who does not receive a passing score on the certification test shall not be employed or maintain employment as a family protection worker for the department. Further, a person, qualified as a family protection worker through the procedures set forth above, shall not conduct forensic interviews of children until the worker receives additional specialized training in child forensic interview protocols and techniques by a course or curriculum approved by the Department of Human Services to be not less than forty (40) hours.

(3) For the purpose of providing services in child abuse or neglect cases, youth court proceedings, vulnerable adults cases, and such other cases as designated by the Executive Director of Human Services, the caseworker or service provider shall be a family protection specialist or a family protection worker whose work is overseen by a family protection specialist who is a licensed social worker.

(4) The Department of Human Services and the Office of Family and Children's Services shall seek to employ and use family protection specialists to provide the services of the office, and may employ and use family protection workers to provide those services only in counties in which there is not a sufficient number of family protection specialists to adequately provide those services in the county.

(5)(a) There is created a Training and Testing Advisory Council to review the department's program of training and testing of family protection workers and to make recommendations pertaining to the program to the department. The advisory council shall be composed of the following ten (10) members: two (2) employees of the department appointed by the Executive Director of Human Services, including one (1) representative of the Office of Family and Children's Services and one (1) representative of the Division of Aging and Adult Services; the Chairman of the Consortium of Accredited Schools of Social Work in Mississippi; and the executive director or a board member of a professional association or licensing board for each field of study named in subsection (2)(a) of this section, as follows: the Mississippi Chapter of the National Association of Social Workers; a marriage and family therapist who is a member of the Board of Examiners for Social Workers and Marriage and Family Therapists, to be selected by the four (4) members of the board of examiners who are marriage and family therapists; the Mississippi Nurses' Association; the Mississippi Prosecutors Association; the Mississippi Counseling Association; the Mississippi Psychological Association; and an officer of the Alabama-Mississippi Sociological Association who is a Mississippi resident elected by the executive committee of the association. The executive director of each association (excluding the Alabama-Mississippi Sociological Association) and chairman of the consortium may

designate an alternate member to serve in his stead on the advisory council. Members of the advisory council shall serve without salary or per diem.

(b) A majority of the advisory council members shall select from their membership a chairperson to preside over meetings and a vice chairperson to preside in the absence of the chairperson or when the chairperson is excused. The advisory council shall adopt procedures governing the manner of conducting its business. A majority of the members shall constitute a quorum to do business.

(6) This section and Section 43-27-107, Mississippi Code of 1972, shall stand repealed on July 1, 2010.

**Joint Legislative Committee Note** — Section 2 of ch. 589, Laws of 2006, effective from and after July 1, 2006 (approved April 21, 2006), amended this section. Section 1 of ch. 600, Laws of 2006, effective from and after July 1, 2006 (approved April 24, 2006), also amended this section. **Editor’s Note** — Section 43-1-55(6) provides that this section shall stand repealed from and after July 1, 2009.

**Amendment Notes** — The 2009 amendment substituted “subsection (2)(a) of this section” for “paragraph (2)(a) of this section” in (5); and extended the date of the repealer in (6) by substituting “July 1, 2010” for “July 1, 2009.”

#### ARTICLE 7.

#### USE OF RESPECTFUL REFERENCES TO INDIVIDUALS WITH DISABILITIES.

##### SEC.

43-6-171. Legislative drafting offices and state agencies to use certain respectful references to individuals with disabilities in the preparation of legislation and rules.

#### **§ 43-6-171. Legislative drafting offices and state agencies to use certain respectful references to individuals with disabilities in the preparation of legislation and rules.**

(1) The Legislature recognizes that language used in reference to individuals with disabilities shapes and reflects society's attitudes towards people with disabilities. Many of the terms currently used diminish the humanity and natural condition of having a disability. Certain terms are demeaning and create an invisible barrier to inclusion as equal community members. The Legislature finds it necessary to clarify preferred language for new and revised laws and rules by requiring the use of terminology that puts the person before the disability.

(2) The legislative drafting offices of the House and Senate are directed to avoid all references to the terms "disabled," "developmentally disabled," "mentally disabled," "mentally ill," "mentally retarded," "handicapped," "cripple" and "crippled," in any new statute, memorial or resolution, and to change those references in any existing statute, memorial or resolution as sections including those references are otherwise amended by law. The drafting offices are directed to replace the terms referenced above as appropriate with the following revised terminology: "individuals with disabilities," "individuals with developmental disabilities," "individuals with mental illness" and "individuals with mental retardation."

(3) No statute, memorial or resolution is invalid because it does not comply with this section.

(4) All state agency orders creating new rules, or amending existing rules, shall be formulated in accordance with the requirements of subsection (1) of this section regarding the use of respectful language.

(5) No agency rule is invalid because it does not comply with this section.

### § 43-9-7. Eligibility for assistance to the needy aged.

Assistance shall be given under this chapter to any person who:

(a) Has attained the age of sixty-five (65) years;

(b) Has resided in the state for one (1) year immediately preceding his application and such residence shall not have been established solely or in

part for the purpose of enabling the applicant to come within the provisions of this chapter;

An inmate of a public institution may, however, make application for such assistance but the assistance if granted shall not begin until after he ceases to be an inmate;

(f) Has not made an assignment or transfer of property so as to render himself eligible for assistance under this chapter at any time within two (2) years immediately prior to the filing of an application for assistance pursuant to the provisions hereof.

## JUDICIAL DECISIONS

### 1. In general.

State statutes that deny welfare benefits to resident aliens or to aliens who have not resided in the United States for a specified number of years violated the equal protection clause of the Fourteenth Amendment and conflict with overriding national policies including the right of an

alien lawfully within the country to enter and abide in any state on an equality of legal privileges with all citizens under nondiscriminatory laws in areas which have been constitutionally entrusted to the federal government. *Graham v. Richardson*, 403 U.S. 365, 91 S. Ct. 1848, 29 L. Ed. 2d 534 (1971).

### § 43-9-9. Amount of assistance.

The amount of assistance for the needy aged which any recipient shall receive shall be determined by the county department with due regard to the resources, income, and necessary expenditures of the individual and the conditions existing in each case and in accordance with the rules and regulations made by the state department, and shall be sufficient when added to all other income and support of the recipient to provide him with a reasonable subsistence compatible with decency and health or special needs as permitted under the federal Social Security Act. However, the state department of public welfare may disregard the amount of monthly income of the recipient as specified by the federal Social Security Act.

### § 43-9-11. Application for assistance to the needy aged.

Application for assistance under this chapter shall be made to the county welfare agent of the county in which the applicant resides. The application shall be in writing or reduced to writing in the manner and upon the form prescribed by the state department. Such application shall contain such information as may be prescribed by the state department.

### § 43-9-13. Investigation of applications.

Whenever a county welfare agent receives an application for assistance under this chapter, an investigation and record shall promptly be made of the circumstances of the applicant to ascertain the facts supporting the application made under this chapter and such other information as may be required by the rules of the state board.

The county department and the state department shall have the power to conduct examinations, subpoena witnesses, require the attendance of witnesses, and the production of books, records and papers, and make application

to the circuit court of the county to compel the attendance of witnesses and the production of such books, records and papers. The county board and such officers and employees as are designated by the state commissioner may also administer oaths and affirmations.

### § 43-9-15. Granting of assistance.

Upon completion of the investigation, the county department shall determine in accordance with the rules and regulations of the state department, whether the applicant is eligible for assistance under the provisions of this chapter, the amount of assistance he shall receive, and the date upon which such assistance shall begin. All checks for such assistance shall be mailed by the state department or county welfare office to the recipients at their postoffice address. The director of the state department shall determine whether such checks shall be mailed by the state department or by the county welfare office.

It shall be the duty of the state department insofar as is practicable to provide assistance to eligible persons, who, due to limitations of available funds have not been placed upon the assistance rolls, as soon as practicable after additional funds become available to the department and prior to making a general increase in assistance grants to persons already on said assistance rolls. However, nothing in this section shall be construed to bar or limit any county department of public welfare from granting individual increases in the amount of assistance to recipients based upon their individual needs. The state department shall, as soon as made possible by the availability of additional funds, take steps to eliminate all waiting lists. The state department or the office of public welfare of the various counties shall notify each applicant concerning the action taken on his or her application for assistance, and if the application for assistance is denied, the applicant shall be notified and given the reasons for such denial, and the lack of money shall not constitute a reason for such denial.

The state department shall upon receipt of such an appeal give the applicant an opportunity for a fair hearing. The state department may also, upon its own motion, review any decision of a county department and may consider any application upon which a decision has not been made by the county department within a reasonable time.

The state department may make such additional investigation as it may deem necessary and shall make such decision as to the granting of assistance and the amount of assistance to be granted the applicant as in its opinion is justified and in conformity with the provisions of this chapter. The county department may at any time cancel and revoke assistance for cause and it may for cause suspend assistance for such period as it may deem proper. Whenever assistance is thus withdrawn, revoked, suspended or in any way changed, the county department shall at once report to the state department such decision together with the record of its investigation. #### § 43-11-1. Definitions.

**[Until July 1, 2011, this section shall read as follows:]**

When used in this chapter, the following words shall have the following meaning:

(a) "Institutions for the aged or infirm" means a place either governmental or private that provides group living arrangements for four (4) or more persons who are unrelated to the operator and who are being provided food, shelter and personal care, whether any such place is organized or operated for profit or not. The term "institution for aged or infirm" includes nursing homes, pediatric skilled nursing facilities, psychiatric residential

treatment facilities, convalescent homes, homes for the aged and adult foster care facilities, provided that these institutions fall within the scope of the definitions set forth above. The term "institution for the aged or infirm" does not include hospitals, clinics or mental institutions devoted primarily to providing medical service, and does not include any private residence in which the owner of the residence is providing personal care services to disabled or homeless veterans under an agreement with, and in compliance with the standards prescribed by, the United States Department of Veterans Affairs, if the owner of the residence also provided personal care services to disabled or homeless veterans at any time during calendar year 2008.

(b) "Person" means any individual, firm, partnership, corporation, company, association or joint stock association, or any licensee herein or the legal successor thereof.

(c) "Personal care" means assistance rendered by personnel of the home to aged or infirm residents in performing one or more of the activities of daily living, which includes, but is not limited to, the bathing, walking, excretory functions, feeding, personal grooming and dressing of such residents.

(d) "Psychiatric residential treatment facility" means any nonhospital establishment with permanent facilities which provides a twenty-four-hour program of care by qualified therapists, including, but not limited to, duly licensed mental health professionals, psychiatrists, psychologists, psychotherapists and licensed certified social workers, for emotionally disturbed children and adolescents referred to such facility by a court, local school district or by the Department of Human Services, who are not in an acute phase of illness requiring the services of a psychiatric hospital, and are in need of such restorative treatment services. For purposes of this paragraph, the term "emotionally disturbed" means a condition exhibiting one or more of the following characteristics over a long period of time and to a marked degree, which adversely affects educational performance:

1. An inability to learn which cannot be explained by intellectual, sensory or health factors;

2. An inability to build or maintain satisfactory relationships with peers and teachers;

3. Inappropriate types of behavior or feelings under normal circumstances;

4. A general pervasive mood of unhappiness or depression; or

5. A tendency to develop physical symptoms or fears associated with personal or school problems. An establishment furnishing primarily domiciliary care is not within this definition.

(e) "Pediatric skilled nursing facility" means an institution or a distinct part of an institution that is primarily engaged in providing to inpatients skilled nursing care and related services for persons under twenty-one (21) years of age who require medical or nursing care or rehabilitation services for the rehabilitation of injured, disabled or sick persons.

(f) "Licensing agency" means the State Department of Health.

(g) "Medical records" mean, without restriction, those medical histories, records, reports, summaries, diagnoses and prognoses, records of treatment

and medication ordered and given, notes, entries, x-rays and other written or graphic data prepared, kept, made or maintained in institutions for the aged or infirm that pertain to residency in, or services rendered to residents of, an institution for the aged or infirm.

(h) "Adult foster care facility" means a home setting for vulnerable adults in the community who are unable to live independently due to physical, emotional, developmental or mental impairments, or in need of emergency and continuing protective social services for purposes of preventing further abuse or neglect and for safeguarding and enhancing the welfare of the abused or neglected vulnerable adult. Adult foster care programs shall be designed to meet the needs of vulnerable adults with impairments through individual plans of care, which provide a variety of health, social and related support services in a protective setting, enabling participants to live in the community. Adult foster care programs may be (i) traditional, where the foster care provider lives in the residence and is the primary caregiver to clients in the home; (ii) corporate, where the foster care home is operated by a corporation with shift staff delivering services to clients; or (iii) shelter, where the foster care home accepts clients on an emergency short-term basis for up to thirty (30) days.

**Editor's Note** — At the direction of the co-counsel for the Joint Legislative Committee on Compilation, Revision and Publication of Legislation, a typographical error in (h)(ii) in both versions of the section was corrected by substituting “shift staff delivering services” for “shift staff delivery services.”

**Amendment Notes** — The 2009 amendment provided for two versions; in the version effective until July 1, 2011, added “and does not include...during calendar year 2008” at the end of (a); and made minor stylistic changes.

## ATTORNEY GENERAL OPINIONS

The definition of “care facility” in Section 43-47-5 applies for abuse, neglect, and exploitation reporting and investigating purposes regardless of whether a fa-

cility that is required to be licensed is so licensed. Brittain, May 2, 2003, A.G. Op. 03-0702.

## JUDICIAL DECISIONS

1. Liability.
2. Causal link.

### 1. Liability.

Neither Miss. Code Ann. § 43-11-1 et seq., nor Miss. Code Ann. § 73-17-1 et

seq., expressly created a duty by a licensee or an administrator to residents of a nursing home; nor did the Supreme Court of Mississippi hold that a breach of either licensing statute supported a negligence action filed by a third party. Howard v.

Estate of Harper, 947 So. 2d 854 (Miss. 2006).

## 2. Causal link.

Grant of summary judgment in favor of a nursing center's president and its former administrator in the decedent's representative's action for personal injuries and wrongful death was appropriate un-

der Miss. Code Ann. § 43-11-1 because the evidence failed to show a causal link between the president and the administrator and the decedent; under Miss. Code Ann. § 43-11-1 et seq., no language was included that created a specific legal duty for either a licensee or an administrator. Estate of Hazelton v. Cain, 950 So. 2d 231 (Miss. Ct. App. 2007).

## § 43-11-3. Purpose.

The purpose of this chapter is to protect and promote the public welfare by providing for the development, establishment and enforcement of certain standards in the maintenance and operation of institutions for the aged or infirm which will insure safe, sanitary and reasonably adequate care of individuals in such institutions.

No person, acting severally or jointly with any other person, shall establish, conduct, or maintain an institution for the aged or infirm in this state without a license under this chapter.

## JUDICIAL DECISIONS

### 1. In general.

Additional determinations needed to be made as to the licensure status pursuant to Miss. Code Ann. § 43-11-5 of a nursing home facility in a patient's negligency suit; the notice provision of Miss. Code Ann. § 15-1-36(15) did not apply to non-

licensed facilities. Saul v. Jenkins, 963 So. 2d 552 (Miss. 2007).

Notice requirements of Miss. Code Ann. § 15-1-36 apply only to licensed facilities. Saul v. Jenkins, 963 So. 2d 552 (Miss. 2007).

Each application for a license for an adult foster care facility shall be accompanied by a license fee of Ten Dollars (\$10.00) for each person or bed of licensed capacity, with a minimum fee per home or institution of Fifty Dollars (\$50.00), which shall be paid to the licensing agency.

**§ 43-11-11. Denial or revocation of license; hearings and review.**

The licensing agency after notice and opportunity for a hearing to the applicant or licensee is authorized to deny, suspend or revoke a license in any case in which it finds that there has been a substantial failure to comply with the requirements established under this chapter.

Such notice shall be effected by registered mail, or by personal service setting forth the particular reasons for the proposed action and fixing a date not less than thirty (30) days from the date of such mailing or such service, at which time the applicant or licensee, shall be given an opportunity for a prompt and fair hearing. On the basis of any such hearing, or upon default of the applicant or licensee, the licensing agency shall make a determination specifying its findings of fact and conclusions of law. A copy of such determination shall be sent by registered mail or served personally upon the applicant or licensee. The decision revoking, suspending or denying the license or application shall become final thirty (30) days after it is so mailed or served, unless the applicant or licensee, within such thirty (30) day period, appeals the decision to the chancery court pursuant to Section 43-11-23.

The procedure governing hearings authorized by this section shall be in accordance with rules promulgated by the licensing agency. A full and complete record shall be kept of all proceedings, and all testimony shall be recorded but need not be transcribed unless the decision is appealed pursuant to section 43-11-23. Witnesses may be subpoenaed by either party. Compensation shall be allowed to witnesses as in cases in the chancery court. Each party shall pay the expense of his own witnesses. The cost of the record shall be paid by the licensing agency provided any other party desiring a copy of the transcript shall pay therefor the reasonable cost of preparing the same.

**§ 43-11-13. Rules, regulations and standards; compliance and inspection with respect to fire prevention measures; scheduled drugs in personal care homes; resident may consent in writing to continue residing in personal care home regardless of determination by licensing agency that skilled nursing services appropriate; regulations regarding patient's personal deposit accounts and use of patient food and medicine records; criminal record checks for new employees at institutions or facilities; affidavit concerning criminal offenses required of current employees; penalty for perjury; civil immunity for health care facilities regarding employment decisions; rules, regulations and standards regarding operation of adult foster care facilities.**

(1) The licensing agency shall adopt, amend, promulgate and enforce such rules, regulations and standards, including classifications, with respect to all institutions for the aged or infirm to be licensed under this chapter as may be designed to further the accomplishment of the purpose of this chapter in promoting adequate care of individuals in those institutions in the interest of public health, safety and welfare. Those rules, regulations and standards shall be adopted and promulgated by the licensing agency and shall be recorded and indexed in a book to be maintained by the licensing agency in its main office in the State of Mississippi, entitled "Rules, Regulations and Minimum Standards for Institutions for the Aged or Infirm" and the book shall be open and available to all institutions for the aged or infirm and the public generally at all reasonable times. Upon the adoption of those rules, regulations and standards, the licensing agency shall mail copies thereof to all those institutions in the state that have filed with the agency their names and addresses for this purpose, but the failure to mail the same or the failure of the institutions to receive the same shall in no way affect the validity thereof. The rules, regulations and standards may be amended by the licensing agency, from time to time, as necessary to promote the health, safety and welfare of persons living in those institutions.

(2) The licensee shall keep posted in a conspicuous place on the licensed premises all current rules, regulations and minimum standards applicable to fire protection measures as adopted by the licensing agency. The licensee shall furnish to the licensing agency at least once each six (6) months a certificate of approval and inspection by state or local fire authorities. Failure to comply with state laws and/or municipal ordinances and current rules, regulations and minimum standards as adopted by the licensing agency, relative to fire prevention measures, shall be prima facie evidence for revocation of license.

(3) The State Board of Health shall promulgate rules and regulations restricting the storage, quantity and classes of drugs allowed in personal care homes and adult foster care facilities. Residents requiring administration of Schedule II Narcotics as defined in the Uniform Controlled Substances Law

may be admitted to a personal care home. Schedule drugs may only be allowed in a personal care home if they are administered or stored utilizing proper procedures under the direct supervision of a licensed physician or nurse.

(4)(a) Notwithstanding any determination by the licensing agency that skilled nursing services would be appropriate for a resident of a personal care home, that resident, the resident's guardian or the legally recognized responsible party for the resident may consent in writing for the resident to continue to reside in the personal care home, if approved in writing by a licensed physician. However, no personal care home shall allow more than two (2) residents, or ten percent (10%) of the total number of residents in the facility, whichever is greater, to remain in the personal care home under the provisions of this subsection (4). This consent shall be deemed to be appropriately informed consent as described in the regulations promulgated by the licensing agency. After that written consent has been obtained, the resident shall have the right to continue to reside in the personal care home for as long as the resident meets the other conditions for residing in the personal care home. A copy of the written consent and the physician's approval shall be forwarded by the personal care home to the licensing agency.

(b) The State Board of Health shall promulgate rules and regulations restricting the handling of a resident's personal deposits by the director of a personal care home. Any funds given or provided for the purpose of supplying extra comforts, conveniences or services to any resident in any personal care home, and any funds otherwise received and held from, for or on behalf of any such resident, shall be deposited by the director or other proper officer of the personal care home to the credit of that resident in an account that shall be known as the Resident's Personal Deposit Fund. No more than one (1) month's charge for the care, support, maintenance and medical attention of the resident shall be applied from the account at any one time. After the death, discharge or transfer of any resident for whose benefit any such fund has been provided, any unexpended balance remaining in his personal deposit fund shall be applied for the payment of care, cost of support, maintenance and medical attention that is accrued. If any unexpended balance remains in that resident's personal deposit fund after complete reimbursement has been made for payment of care, support, maintenance and medical attention, and the director or other proper officer of the personal care home has been or shall be unable to locate the person or persons entitled to the unexpended balance, the director or other proper officer may, after the lapse of one (1) year from the date of that death, discharge or transfer, deposit the unexpended balance to the credit of the personal care home's operating fund.

(c) The State Board of Health shall promulgate rules and regulations requiring personal care homes to maintain records relating to health condition, medicine dispensed and administered, and any reaction to that medicine. The director of the personal care home shall be responsible for explaining the availability of those records to the family of the resident at any time upon reasonable request.

(d) This subsection (4) shall stand repealed on June 30, 2011.

(5)(a) For the purposes of this subsection (5):

(i) "Licensed entity" means a hospital, nursing home, personal care home, home health agency, hospice or adult foster care facility;

(ii) "Covered entity" means a licensed entity or a health care professional staffing agency;

(iii) "Employee" means any individual employed by a covered entity, and also includes any individual who by contract provides to the patients, residents or clients being served by the covered entity direct, hands-on, medical patient care in a patient's, resident's or client's room or in treatment or recovery rooms. The term "employee" does not include health care professional/vocational technical students, as defined in Section 37-29-232, performing clinical training in a licensed entity under contracts between their schools and the licensed entity, and does not include students at high schools located in Mississippi who observe the treatment and care of patients in a licensed entity as part of the requirements of an allied-health course taught in the high school, if:

1. The student is under the supervision of a licensed health care provider; and

2. The student has signed an affidavit that is on file at the student's school stating that he or she has not been convicted of or pleaded guilty or nolo contendere to a felony listed in paragraph (d) of this subsection (5), or that any such conviction or plea was reversed on appeal or a pardon was granted for the conviction or plea. Before any student may sign such an affidavit, the student's school shall provide information to the student explaining what a felony is and the nature of the felonies listed in paragraph (d) of this subsection (5).

However, the health care professional/vocational technical academic program in which the student is enrolled may require the student to obtain criminal history record checks under the provisions of Section 37-29-232.

(b) Under regulations promulgated by the State Board of Health, the licensing agency shall require to be performed a criminal history record check on (i) every new employee of a covered entity who provides direct patient care or services and who is employed on or after July 1, 2003, and (ii) every employee of a covered entity employed before July 1, 2003, who has a documented disciplinary action by his or her present employer. In addition, the licensing agency shall require the covered entity to perform a disciplinary check with the professional licensing agency of each employee, if any, to determine if any disciplinary action has been taken against the employee by that agency.

Except as otherwise provided in paragraph (c) of this subsection (5), no such employee hired on or after July 1, 2003, shall be permitted to provide direct patient care until the results of the criminal history record check have revealed no disqualifying record or the employee has been granted a waiver. In order to determine the employee applicant's suitability for employment,

the applicant shall be fingerprinted. Fingerprints shall be submitted to the licensing agency from scanning, with the results processed through the Department of Public Safety's Criminal Information Center. If no disqualifying record is identified at the state level, the fingerprints shall be forwarded by the Department of Public Safety to the Federal Bureau of Investigation for a national criminal history record check. The licensing agency shall notify the covered entity of the results of an employee applicant's criminal history record check. If the criminal history record check discloses a felony conviction, guilty plea or plea of nolo contendere to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, sex offense listed in Section 45-33-23(g), child abuse, arson, grand larceny, burglary, gratification of lust or aggravated assault, or felonious abuse and/or battery of a vulnerable adult that has not been reversed on appeal or for which a pardon has not been granted, the employee applicant shall not be eligible to be employed by the covered entity.

(c) Any such new employee applicant may, however, be employed on a temporary basis pending the results of the criminal history record check, but any employment contract with the new employee shall be voidable if the new employee receives a disqualifying criminal history record check and no waiver is granted as provided in this subsection (5).

(d) Under regulations promulgated by the State Board of Health, the licensing agency shall require every employee of a covered entity employed before July 1, 2003, to sign an affidavit stating that he or she has not been convicted of or pleaded guilty or nolo contendere to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, any sex offense listed in Section 45-33-23(g), child abuse, arson, grand larceny, burglary, gratification of lust, aggravated assault, or felonious abuse and/or battery of a vulnerable adult, or that any such conviction or plea was reversed on appeal or a pardon was granted for the conviction or plea. No such employee of a covered entity hired before July 1, 2003, shall be permitted to provide direct patient care until the employee has signed the affidavit required by this paragraph (d). All such existing employees of covered entities must sign the affidavit required by this paragraph (d) within six (6) months of the final adoption of the regulations promulgated by the State Board of Health. If a person signs the affidavit required by this paragraph (d), and it is later determined that the person actually had been convicted of or pleaded guilty or nolo contendere to any of the offenses listed in this paragraph (d) and the conviction or plea has not been reversed on appeal or a pardon has not been granted for the conviction or plea, the person is guilty of perjury. If the offense that the person was convicted of or pleaded guilty or nolo contendere to was a violent offense, the person, upon a conviction of perjury under this paragraph, shall be punished as provided in Section 97-9-61. If the offense that the person was convicted of or pleaded guilty or nolo contendere to was a nonviolent offense, the person, upon a conviction of perjury under this paragraph, shall be punished by a fine of not more than Five Hundred Dollars (\$500.00), or by imprisonment in the

county jail for not more than six (6) months, or by both such fine and imprisonment.

(e) The covered entity may, in its discretion, allow any employee who is unable to sign the affidavit required by paragraph (d) of this subsection (5) or any employee applicant aggrieved by an employment decision under this subsection (5) to appear before the covered entity's hiring officer, or his or her designee, to show mitigating circumstances that may exist and allow the employee or employee applicant to be employed by the covered entity. The covered entity, upon report and recommendation of the hiring officer, may grant waivers for those mitigating circumstances, which shall include, but not be limited to: (i) age at which the crime was committed; (ii) circumstances surrounding the crime; (iii) length of time since the conviction and criminal history since the conviction; (iv) work history; (v) current employment and character references; and (vi) other evidence demonstrating the ability of the individual to perform the employment responsibilities competently and that the individual does not pose a threat to the health or safety of the patients of the covered entity.

(f) The licensing agency may charge the covered entity submitting the fingerprints a fee not to exceed Fifty Dollars (\$50.00), which covered entity may, in its discretion, charge the same fee, or a portion thereof, to the employee applicant. Any costs incurred by a covered entity implementing this subsection (5) shall be reimbursed as an allowable cost under Section 43-13-116.

(g) If the results of an employee applicant's criminal history record check reveals no disqualifying event, then the covered entity shall, within two (2) weeks of the notification of no disqualifying event, provide the employee applicant with a notarized letter signed by the chief executive officer of the covered entity, or his or her authorized designee, confirming the employee applicant's suitability for employment based on his or her criminal history record check. An employee applicant may use that letter for a period of two (2) years from the date of the letter to seek employment with any covered entity without the necessity of an additional criminal history record check. Any covered entity presented with the letter may rely on the letter with respect to an employee applicant's criminal background and is not required for a period of two (2) years from the date of the letter to conduct or have conducted a criminal history record check as required in this subsection (5).

(h) The licensing agency, the covered entity, and their agents, officers, employees, attorneys and representatives, shall be presumed to be acting in good faith for any employment decision or action taken under this subsection (5). The presumption of good faith may be overcome by a preponderance of the evidence in any civil action. No licensing agency, covered entity, nor their agents, officers, employees, attorneys and representatives shall be held liable in any employment decision or action based in whole or in part on compliance with or attempts to comply with the requirements of this subsection (5).

(i) The licensing agency shall promulgate regulations to implement this subsection (5).

(j) The provisions of this subsection (5) shall not apply to:

(i) Applicants and employees of the University of Mississippi Medical Center for whom criminal history record checks and fingerprinting are obtained in accordance with Section 37-115-41; or

(ii) Health care professional/vocational technical students for whom criminal history record checks and fingerprinting are obtained in accordance with Section 37-29-232.

(6) The State Board of Health shall promulgate rules, regulations and standards regarding the operation of adult foster care facilities.

**Joint Legislative Committee Note** — Section 1 of ch. 595, Laws of 2001, effective July 1, 2001, amended this section. Section 11 of ch. 603, Laws of 2001, effective July 1, 2001, also amended this section. As set out above, this section reflects the language of both amendments pursuant to Section 1-1-109, which gives the Joint Legislative Committee on Compilation, Revision and Publication of Legislation authority to integrate amendments so that all versions of the same code section enacted within the same legislative session may become effective. The Joint Committee on Compilation, Revision and Publication of Legislation ratified the integration of these amendments as consistent with the legislative intent pursuant to a letter to Committee members from the Committee Chairman proposing integration of the amendments, with no member objecting to the integration by June 4, 2001, the deadline set in the letter for objection.

Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected a typographical error in paragraph (g) of subsection (5). The word “with” was changed to “without”. The Joint Committee ratified the correction at its June 3, 2003 meeting.

Section 1 of ch. 317 Laws of 2004, effective from and after June 30, 2004 (approved April 12, 2004), amended this section. Section 3 of ch. 538, Laws of 2004, effective from and after July 1, 2004 (approved May 13, 2004), also amended this section. As set out above, this section reflects the language of Section 3 of ch. 538, Laws of 2004, pursuant to Section 1-3-79 which provides that whenever the same section of law is amended by different bills during the same legislative session, and the effective dates of the amendments are the same, the amendment with the latest approval date shall supersede all other amendments to the same section approved on an earlier date.

Section 1 of ch. 305, Laws of 2008, effective from and after June 30, 2008 (approved March 11, 2008), amended this section. Section 1 of ch. 423, Laws of 2008, effective from and after July 1, 2008 (approved April 3, 2008), also amended this section. The amendments to these sections do not conform and do not meet the Joint Committee’s criteria for integration. Pursuant to Section 1-3-79, which provides that whenever the same section of law is amended by different bills during the same legislative session, the amendment with the latest effective date shall supersede all other amendments to the same section taking effect earlier; therefore, as set out above, this section reflects the language of Section 1 of ch. 423, Laws of 2008.

**Amendment Notes** — The 2007 amendment inserted “and adult foster care facilities” in the first sentence in (3) and added (6).

The first 2008 amendment (ch. 305), in (4)(d), deleted the first two sentences, which related to a reporting requirement, and extended the date of the repealer for the subsection by substituting "June 30, 2011" for "June 30, 2008."

The second 2008 amendment (ch. 423), in (4)(d), deleted the former first two sentences, which related to a reporting requirement, and extended the date of the repealer for the subsection by substituting "June 30, 2011" for "June 30, 2008"; and in (5)(a)(i), added "or adult foster care facility" and made a minor stylistic change.

### ATTORNEY GENERAL OPINIONS

The Department of Health may not, in adopting regulations establishing a schedule for updated checks, provide an exemption to employees who change employers during the validity period from being subject to another background check as such an exemption would contradict the statutory language requiring a check "on every new employee of a licensed entity." Thompson, Jr., July 26, 2002, A.G. Op. #02-0360.

Until such time as the Board of Health adopts regulations covering guidelines, procedures and instructions for require criminal history checks, licensed entities cannot be required to comply with the terms of the law pertaining thereto. Steinberger, Sept. 20, 2002, A.G. Op. #02-0476.

Nursing and other allied-health students are "employees" under the definition of subdivision (5)(a) of this section to the extent that clinical training requires hands-on medical patient care and not just observation of care performed by others. Foxworth, Aug. 1, 2003, A.G. Op. 03-0381.

A licensed entity where the student nurse is receiving clinical training shall be notified by the Mississippi State Department of Health of the results of the criminal history record check. The statute does not address releasing the results of the criminal history record check to any other party or entity. Foxworth, Aug. 1, 2003, A.G. Op. 03-0381.

The Department of Health may, in its discretion, adopt a framework such as is

set forth in subsection (e) of this section to determine whether the facts and circumstances of a particular case would warrant granting an individual a waiver and permitting him or her to work in a child-care facility. Terney, Apr. 23, 2004, A.G. Op. 04-0124.

Law enforcement officers and employees of fire departments who provide emergency medical care during the course and scope of their official employment are not employees of health care facilities as defined in this section and therefore, do not have to undergo criminal history record checks. However, if a law enforcement officer or fire department employee is enrolled as a student in a health care professional/vocational technical academic program and performs clinical training in a licensed entity, he or she must comply with the law requiring which requires all such students to (a) be under the supervision of a licensed health care provider; and (b) sign affidavits to be on file at the school stating that they have not been convicted of or pleaded guilty or nolo contendere to a felony listed in subdivision (5)(d) of this section, or that any such conviction or plea was reversed on appeal or a pardon was granted for the conviction or plea. Ambulance personnel are subject to the criminal history record check as "employees" of licensed entities if they are employed by an ambulance service which is either (a) owned or operated by a licensed entity or (b) under contract with a licensed entity to transport patients, residents, or clients. Martin, Aug. 27, 2004, A.G. Op. 04-0297.

The Mississippi State Department of Health is the "licensing agency" for purposes of 43-11-13(5). Amy, July 29, 2005, A.G. Op. 05-0365.

Employees of EMS providers who can ever be expected to provide direct, hands-on, medical patient care in a patient's, resident's, or client's room or in a treatment or recovery room to patients, residents, or clients being served by hospitals, nursing homes, personal care homes,

home health agencies or hospices, either by virtue of being employed by one of those entities, or through a contract with same, must undergo a criminal history records background check under Section 43-11-13(5). An EMT working for an independent ambulance service that does not have a contract with a covered entity would not be subject to the statute. Amy, July 29, 2005, A.G. Op. 05-0365.

## JUDICIAL DECISIONS

### 1. Liability.

Supreme Court of Mississippi held that the "Rules, Regulations and Minimum Standards for Institutions for the Aged or Infirm," Miss. Code Ann. § 43-11-13, which serve as internal licensing regula-

tions, do not create a separate cause of action or establish a duty of care owed by nursing home administrators and licensees to nursing home patients. *Howard v. Estate of Harper*, 947 So. 2d 854 (Miss. 2006).

## § 43-11-15. Effective date of regulations.

Any institution for the aged or infirm which is in operation at the time of promulgation of any applicable rules or regulations or minimum standards under this chapter shall be given a reasonable time, under the particular circumstances not to exceed one (1) year from the date of such promulgation, within which to comply with such rules and regulations and minimum standards.

## § 43-11-16. Medical records not public documents but property of institutions for aged and infirm.

Medical records are and shall remain the property of the various institutions for the aged or infirm, subject, however, to reasonable access to the

information contained therein upon written request by the resident, his legally appointed representatives, his attending medical personnel and his duly authorized nominees, and upon payment of any reasonable charges for such service. Nothing in this section shall be construed to deny access to medical records by the Attorney General, the licensing agency, or his or its agents and investigators in the discharge of their official duties under this chapter. Except as otherwise provided by law, medical records shall not constitute public records and nothing in this section shall be deemed to impair any privilege of confidence conferred by law or the Mississippi Rules of Evidence on residents, their personal representatives or heirs by Section 13-1-21.

### § 43-11-19. Information confidential.

Information received by the licensing agency through filed reports, inspection, or as otherwise authorized under this chapter, shall not be disclosed publicly in such manner as to identify individuals, except in a proceeding involving the questions of licensure; however, the licensing agency may utilize statistical data concerning types of services and the utilization of those services for institutions for the aged or infirm in performing the statutory duties imposed upon it by Section 41-7-171, et seq. and by Section 43-11-21.

### § 43-11-23. Judicial review.

Any applicant or licensee aggrieved by the decision of the licensing agency after a hearing, may within thirty (30) days after the mailing or serving of notice of the decision as provided in Section 43-11-11, file a notice of appeal in the chancery court of the First Judicial District of Hinds County or the chancery court of the county in which the institution is located or to be located, and the chancery clerk thereof shall serve a copy of the notice of appeal upon the licensing agency. Thereupon the licensing agency shall, within sixty (60) days or such additional time as the court may allow from the service of such notice, certify and file with the court a copy of the record and decision, including the transcript of the hearings on which the decision is based. Findings of fact by the licensing agency shall be conclusive unless substantially contrary to the weight of the evidence but upon good cause shown, the court may remand the case to the licensing agency to take further evidence, and the licensing agency may thereupon affirm, reverse or modify its decision. The court may affirm, modify or reverse the decision of the licensing agency and either the applicant or licensee or the licensing agency may appeal from this decision to the Supreme Court as in other cases in the chancery court. Pending final disposition of the matter the status quo of the applicant or licensee shall be preserved, except as the court otherwise orders in the public interest. Rules with respect to court costs as in other cases in chancery shall apply equally to cases hereunder.

43-11-41. Freedom of choice of pharmacy providers for patients in long-term care facilities.

**§ 43-11-41. Freedom of choice of pharmacy providers for patients in long-term care facilities.**

(1) This section shall apply to patients in long-term care facilities, as defined in subsection (2) of this section. It is the intent of the Legislature that the State of Mississippi shall be a “right-to-choose” state for the purposes of Medicaid and Medicare benefits, excluding Medicare Part A, and that patients of long-term care facilities shall have the same rights and privileges concerning pharmacy providers as participants or beneficiaries of health benefit plans.

(2) “Long-term care facility” means any skilled nursing facility, extended care home, intermediate care facility, personal care home or boarding home that is subject to regulation or licensure by the State Department of Health.

(3) A patient in a long-term care facility shall not be limited in his choice of a pharmacy or pharmacist provider if that provider meets the same standards of dispensing guidelines required of long-term care facilities.

(4) A long-term care facility may require that a patient or the person who normally makes health care decisions on behalf of the patient sign a document that identifies his pharmacy or pharmacist provider of choice and that releases the facility of any liability for the dispensing of the prescription until the facility accepts control of the dispensed drug.

such care as may be authorized within the limits of available funds, provided that such medical or remedial care is rendered by or under the supervision of a licensed practitioner, and provided further that no regulation shall be promulgated which limits or abridges the recipient's free choice of the provider of medical and remedial care or service. - (3) Provide that, in the issuance of regulations, no enrollment fee, premium, or similar charge may be imposed as a condition of the individual's eligibility for such assistance;

(4) Provide for the furnishing of such assistance to residents of the state who are temporarily absent therefrom;

(5) Publish and make available a description of services to be provided to help recipients attain self-care including utilization of other agencies providing similar or related services;

(6) Provide safeguards which restrict the use or disclosure of information concerning applicants and recipients to purposes directly connected with the administration of the state program;

(7) Establish reasonable standards for determining eligibility for and the extent of such assistance;

(8) Provide that no lien will be imposed on the property of the recipient prior to his death and that there will be no recovery until after death from such a recipient and the surviving spouse, if any, for any medical assistance correctly paid on behalf of such recipient; and

(9) Promulgate no citizenship requirement for eligibility which excludes a citizen of the United States.

(1) The State Treasurer shall receive on behalf of the state, and execute all instruments incidental thereto, federal and other funds to be used for financing the medical assistance plan or program adopted pursuant to this article, and place all such funds in a special account to the credit of the Governor's Office-Division of Medicaid, which funds shall be expended by the division for the purposes and under the provisions of this article, and shall be paid out by the State Treasurer as funds appropriated to carry out the provisions of this article are paid out by him.

The length of indebtedness under this provision shall not carry past the end of the quarter following the loan origination. Loan proceeds shall be received by the State Treasurer and shall be placed in a Medicaid designated special fund account. Loan proceeds shall be expended only for health care services provided under the Medicaid program. Any such loans shall be repaid from the first available funds received by the division in the manner of and subject to the same terms provided in this section.

In the event the State Treasurer makes a determination that special source funds are not sufficient to cover a line of credit for the Division of Medicaid, the division is authorized to obtain a line of credit, in an amount not exceeding One Hundred Fifty Million Dollars (\$150,000,000.00), from a commercial lender or a consortium of lenders. The length of indebtedness under this provision shall not carry past the end of the quarter following the loan origination. The division shall obtain a minimum of two (2) written quotes that shall be presented to the State Fiscal Officer and State Treasurer, who shall jointly select a lender. Loan proceeds shall be received by the State Treasurer and shall be placed in a Medicaid designated special fund account. Loan proceeds shall be expended only for health care services provided under the Medicaid program. (4) The date of receipt is the date the fiscal agent receives the claim as indicated by its date stamp on the claim or, for those claims filed electronically, the date of receipt is the date of transmission.

(5) The date of payment is the date of the check or, for those claims paid by electronic funds transfer, the date of the transfer.

(6) The above specified time limitations do not apply in the following circumstances:

(a) Retroactive adjustments paid to providers reimbursed under a retrospective payment system;

(b) If a claim for payment under Medicare has been filed in a timely manner, the fiscal agent may pay a Medicaid claim relating to the same services within six (6) months after it, or the provider, receives notice of the disposition of the Medicare claim;

## JUDICIAL DECISIONS

### 1. In general.

To determine whether health care providers are entitled to bring private right of action under 42 USCS § 1983 to challenged adequacy of state's reimbursement rates for medical services provided under Medicaid program, court must look closely at precise statutory language, and examine what is required of state as a condition of receiving federal funds. Duties that are merely generalized are to be enforced by the Secretary, not by private individuals. The right must be unambiguously conferred by the statute. The two-prong test of *Golden State Transit Corp. v. Los Angeles* (1989) 493 U.S. 103, 107 L. Ed. 3d 420, 110 S. Ct. 444, still has force: (1) plaintiff must assert violation of a federal rights: the interest the plaintiff asserts must not be too vague and amorphous, and it must

be examined whether the provision was intended to benefit the putative plaintiff. (2) Even when plaintiff shows a federal right, defendant may show that Congress specifically foreclosed a remedy under section 1983 by providing a comprehensive enforcement mechanism for protection of a federal right, the burden to demonstrate that Congress had expressly withdrawn such a remedy being on the defendant. *Evelyn V. v. Kings County Hosp. Ctr.*, 819 F. Supp. 183 (E.D.N.Y. 1993).

Health care providers are entitled to sue under 42 USCS § 1983 to challenge adequacy of state's reimbursement rates for medical services provided under Medicaid program. *Wilder v. Virginia Hosp. Ass'n*, 496 U.S. 498, 110 S. Ct. 2510, 110 L. Ed. 2d 455 (1990).

Eligibility for Medicaid benefits is limited to...” The Joint Committee ratified the correction at its July 13, 2009, meeting.

## JUDICIAL DECISIONS

### 1. In general.

Congress intended to require, and did require, that Mississippi make available Medicaid benefits to all recipients of supplemental security income disability payments under the age of 18 who, except for the fact that they are receiving SSI payments, would qualify for Aid to Families with Dependent Children benefits under the AFDC standards in effect in Mississippi on January 1, 1972. *West v. Cole*, 390 F. Supp. 91 (N.D. Miss. 1975).

Section 1402(b) of the Social Security Act of 1935, as amended (42 USCS § 1352(b)), which provides that the secretary of health, education, and welfare shall approve any state plan for the distribution of funds under federally assisted disability welfare programs except, among others, plans which impose citizenship requirements which exclude any citizen of the United States, does not autho-

rize a state statutory provision denying general disability assistance to resident aliens who have not resided within the United States for a total of at least 15 years. *Graham v. Richardson*, 403 U.S. 365, 91 S. Ct. 1848, 29 L. Ed. 2d 534 (1971).

Relatives with whom dependent child is living are entitled to benefits under this section [Code 1942, § 7290-38], including reimbursement for medical expenses incurred due to the denial of these benefits to said relatives. *Triplett v. Cobb*, 331 F. Supp. 652 (N.D. Miss. 1971).

Welfare mothers and other caretaker relatives, whose needs were considered in the determination of AFDC grants, were qualified for AFDC payments, and the State of Mississippi could not limit eligibility for its medicaid program to children, excluding from aid parents and caretaker relatives. *Triplett v. Cobb*, 331 F. Supp. 652 (N.D. Miss. 1971).

### § 43-13-115.1. Repealed.

Repealed by Laws, 2003, ch. 543, § 7, eff from and after passage (approved April 21, 2003.)

[Laws, 2001, ch. 532, § 11, eff from and after June 30, 2001.]

**Editor's Note** — Former § 43-13-115.1 provided presumptive eligibility for certain participants in the Medicaid program.

**§ 43-13-116. Authority to determine Medicaid eligibility; agreements with state and federal agencies; administrative hearings; authority to hire employees.**

(1) It shall be the duty of the Division of Medicaid to fully implement and carry out the administrative functions of determining the eligibility of those persons who qualify for medical assistance under Section 43-13-115.

(2) In determining Medicaid eligibility, the Division of Medicaid is authorized to enter into an agreement with the Secretary of the Department of Health and Human Services for the purpose of securing the transfer of eligibility information from the Social Security Administration on those individuals receiving supplemental security income benefits under the federal Social Security Act and any other information necessary in determining Medicaid eligibility. The Division of Medicaid is further empowered to enter into contractual arrangements with its fiscal agent or with the State Department of Human Services in securing electronic data processing support as may be necessary.

(3) Administrative hearings shall be available to any applicant who requests it because his or her claim of eligibility for services is denied or is not acted upon with reasonable promptness or by any recipient who requests it because he or she believes the agency has erroneously taken action to deny, reduce, or terminate benefits. The agency need not grant a hearing if the sole issue is a federal or state law requiring an automatic change adversely affecting some or all recipients. Eligibility determinations that are made by other agencies and certified to the Division of Medicaid pursuant to Section 43-13-115 are not subject to the administrative hearing procedures of the Division of Medicaid but are subject to the administrative hearing procedures of the agency that determined eligibility.

(a) A request may be made either for a local regional office hearing or a state office hearing when the local regional office has made the initial decision that the claimant seeks to appeal or when the regional office has not acted with reasonable promptness in making a decision on a claim for eligibility or services. The only exception to requesting a local hearing is when the issue under appeal involves either (i) a disability or blindness denial, or termination, or (ii) a level of care denial or termination for a disabled child living at home. An appeal involving disability, blindness or level of care must be handled as a state level hearing. The decision from the local hearing may be appealed to the state office for a state hearing. A decision to deny, reduce or terminate benefits that is initially made at the state office may be appealed by requesting a state hearing.

(b) A request for a hearing, either state or local, must be made in writing by the claimant or claimant's legal representative. "Legal representative" includes the claimant's authorized representative, an attorney retained by the claimant or claimant's family to represent the claimant, a paralegal representative with a legal aid services, a parent of a minor child if the claimant is a child, a legal guardian or conservator or an individual

with power of attorney for the claimant. The claimant may also be represented by anyone that he or she so designates but must give the designation to the Medicaid regional office or state office in writing, if the person is not the legal representative, legal guardian, or authorized representative.

(c) The claimant may make a request for a hearing in person at the regional office but an oral request must be put into written form. Regional office staff will determine from the claimant if a local or state hearing is requested and assist the claimant in completing and signing the appropriate form. Regional office staff may forward a state hearing request to the appropriate division in the state office or the claimant may mail the form to the address listed on the form. The claimant may make a written request for a hearing by letter. A simple statement requesting a hearing that is signed by the claimant or legal representative is sufficient; however, if possible, the claimant should state the reason for the request. The letter may be mailed to the regional office or it may be mailed to the state office. If the letter does not specify the type of hearing desired, local or state, Medicaid staff will attempt to contact the claimant to determine the level of hearing desired. If contact cannot be made within three (3) days of receipt of the request, the request will be assumed to be for a local hearing and scheduled accordingly. A hearing will not be scheduled until either a letter or the appropriate form is received by the regional or state office.

(d) When both members of a couple wish to appeal an action or inaction by the agency that affects both applications or cases similarly and arose from the same issue, one or both may file the request for hearing, both may present evidence at the hearing, and the agency's decision will be applicable to both. If both file a request for hearing, two (2) hearings will be registered but they will be conducted on the same day and in the same place, either consecutively or jointly, as the couple wishes. If they so desire, only one of the couple need attend the hearing.

(e) The procedure for administrative hearings shall be as follows:

(i) The claimant has thirty (30) days from the date the agency mails the appropriate notice to the claimant of its decision regarding eligibility, services, or benefits to request either a state or local hearing. This time period may be extended if the claimant can show good cause for not filing within thirty (30) days. Good cause includes, but may not be limited to, illness, failure to receive the notice, being out of state, or some other reasonable explanation. If good cause can be shown, a late request may be accepted provided the facts in the case remain the same. If a claimant's circumstances have changed or if good cause for filing a request beyond thirty (30) days is not shown, a hearing request will not be accepted. If the claimant wishes to have eligibility reconsidered, he or she may reapply.

(ii) If a claimant or representative requests a hearing in writing during the advance notice period before benefits are reduced or terminated, benefits must be continued or reinstated to the benefit level in effect before the effective date of the adverse action. Benefits will continue at the original level until the final hearing decision is rendered. Any hearing

requested after the advance notice period will not be accepted as a timely request in order for continuation of benefits to apply.

(iii) Upon receipt of a written request for a hearing, the request will be acknowledged in writing within twenty (20) days and a hearing scheduled. The claimant or representative will be given at least five (5) days' advance notice of the hearing date. The local and/or state level hearings will be held by telephone unless, at the hearing officer's discretion, it is determined that an in-person hearing is necessary. If a local hearing is requested, the regional office will notify the claimant or representative in writing of the time of the local hearing. If a state hearing is requested, the state office will notify the claimant or representative in writing of the time of the state hearing. If an in-person hearing is necessary, local hearings will be held at the regional office and state hearings will be held at the state office unless other arrangements are necessitated by the claimant's inability to travel.

(iv) All persons attending a hearing will attend for the purpose of giving information on behalf of the claimant or rendering the claimant assistance in some other way, or for the purpose of representing the Division of Medicaid.

(v) A state or local hearing request may be withdrawn at any time before the scheduled hearing, or after the hearing is held but before a decision is rendered. The withdrawal must be in writing and signed by the claimant or representative. A hearing request will be considered abandoned if the claimant or representative fails to appear at a scheduled hearing without good cause. If no one appears for a hearing, the appropriate office will notify the claimant in writing that the hearing is dismissed unless good cause is shown for not attending. The proposed agency action will be taken on the case following failure to appear for a hearing if the action has not already been effected.

(vi) The claimant or his representative has the following rights in connection with a local or state hearing:

(A) The right to examine at a reasonable time before the date of the hearing and during the hearing the content of the claimant's case record;

(B) The right to have legal representation at the hearing and to bring witnesses;

(C) The right to produce documentary evidence and establish all facts and circumstances concerning eligibility, services, or benefits;

(D) The right to present an argument without undue interference;

(E) The right to question or refute any testimony or evidence including an opportunity to confront and cross-examine adverse witnesses.

(vii) When a request for a local hearing is received by the regional office or if the regional office is notified by the state office that a local hearing has been requested, the Medicaid specialist supervisor in the regional office will review the case record, reexamine the action taken on

the case, and determine if policy and procedures have been followed. If any adjustments or corrections should be made, the Medicaid specialist supervisor will ensure that corrective action is taken. If the request for hearing was timely made such that continuation of benefits applies, the Medicaid specialist supervisor will ensure that benefits continue at the level before the proposed adverse action that is the subject of the appeal. The Medicaid specialist supervisor will also ensure that all needed information, verification, and evidence is in the case record for the hearing.

(viii) When a state hearing is requested that appeals the action or inaction of a regional office, the regional office will prepare copies of the case record and forward it to the appropriate division in the state office no later than five (5) days after receipt of the request for a state hearing. The original case record will remain in the regional office. Either the original case record in the regional office or the copy forwarded to the state office will be available for inspection by the claimant or claimant's representative a reasonable time before the date of the hearing.

(ix) The Medicaid specialist supervisor will serve as the hearing officer for a local hearing unless the Medicaid specialist supervisor actually participated in the eligibility, benefits, or services decision under appeal, in which case the Medicaid specialist supervisor must appoint a Medicaid specialist in the regional office who did not actually participate in the decision under appeal to serve as hearing officer. The local hearing will be an informal proceeding in which the claimant or representative may present new or additional information, may question the action taken on the client's case, and will hear an explanation from agency staff as to the regulations and requirements that were applied to claimant's case in making the decision.

(x) After the hearing, the hearing officer will prepare a written summary of the hearing procedure and file it with the case record. The hearing officer will consider the facts presented at the local hearing in reaching a decision. The claimant will be notified of the local hearing decision on the appropriate form that will state clearly the reason for the decision, the policy that governs the decision, the claimant's right to appeal the decision to the state office, and, if the original adverse action is upheld, the new effective date of the reduction or termination of benefits or services if continuation of benefits applied during the hearing process. The new effective date of the reduction or termination of benefits or services must be at the end of the fifteen-day advance notice period from the mailing date of the notice of hearing decision. The notice to claimant will be made part of the case record.

(xi) The claimant has the right to appeal a local hearing decision by requesting a state hearing in writing within fifteen (15) days of the mailing date of the notice of local hearing decision. The state hearing request should be made to the regional office. If benefits have been continued pending the local hearing process, then benefits will continue

throughout the fifteen-day advance notice period for an adverse local hearing decision. If a state hearing is timely requested within the fifteen-day period, then benefits will continue pending the state hearing process. State hearings requested after the fifteen-day local hearing advance notice period will not be accepted unless the initial thirty-day period for filing a hearing request has not expired because the local hearing was held early, in which case a state hearing request will be accepted as timely within the number of days remaining of the unexpired initial thirty-day period in addition to the fifteen-day time period. Continuation of benefits during the state hearing process, however, will only apply if the state hearing request is received within the fifteen-day advance notice period.

(xii) When a request for a state hearing is received in the regional office, the request will be made part of the case record and the regional office will prepare the case record and forward it to the appropriate division in the state office within five (5) days of receipt of the state hearing request. A request for a state hearing received in the state office will be forwarded to the regional office for inclusion in the case record and the regional office will prepare the case record and forward it to the appropriate division in the state office within five (5) days of receipt of the state hearing request.

(xiii) Upon receipt of the hearing record, an impartial hearing officer will be assigned to hear the case either by the Executive Director of the Division of Medicaid or his or her designee. Hearing officers will be individuals with appropriate expertise employed by the division and who have not been involved in any way with the action or decision on appeal in the case. The hearing officer will review the case record and if the review shows that an error was made in the action of the agency or in the interpretation of policy, or that a change of policy has been made, the hearing officer will discuss these matters with the appropriate agency personnel and request that an appropriate adjustment be made. Appropriate agency personnel will discuss the matter with the claimant and if the claimant is agreeable to the adjustment of the claim, then agency personnel will request in writing dismissal of the hearing and the reason therefor, to be placed in the case record. If the hearing is to go forward, it shall be scheduled by the hearing officer in the manner set forth in subparagraph (iii) of this paragraph (e).

(xiv) In conducting the hearing, the state hearing officer will inform those present of the following:

(A) That the hearing will be recorded on tape and that a transcript of the proceedings will be typed for the record;

(B) The action taken by the agency which prompted the appeal;

(C) An explanation of the claimant's rights during the hearing as outlined in subparagraph (vi) of this paragraph (e);

(D) That the purpose of the hearing is for the claimant to express dissatisfaction and present additional information or evidence;

(E) That the case record is available for review by the claimant or representative during the hearing;

(F) That the final hearing decision will be rendered by the Executive Director of the Division of Medicaid on the basis of facts presented at the hearing and the case record and that the claimant will be notified by letter of the final decision.

(xv) During the hearing, the claimant and/or representative will be allowed an opportunity to make a full statement concerning the appeal and will be assisted, if necessary, in disclosing all information on which the claim is based. All persons representing the claimant and those representing the Division of Medicaid will have the opportunity to state all facts pertinent to the appeal. The hearing officer may recess or continue the hearing for a reasonable time should additional information or facts be required or if some change in the claimant's circumstances occurs during the hearing process which impacts the appeal. When all information has been presented, the hearing officer will close the hearing and stop the recorder.

(xvi) Immediately following the hearing the hearing tape will be transcribed and a copy of the transcription forwarded to the regional office for filing in the case record. As soon as possible, the hearing officer shall review the evidence and record of the proceedings, testimony, exhibits, and other supporting documents, prepare a written summary of the facts as the hearing officer finds them, and prepare a written recommendation of action to be taken by the agency, citing appropriate policy and regulations that govern the recommendation. The decision cannot be based on any material, oral or written, not available to the claimant before or during the hearing. The hearing officer's recommendation will become part of the case record which will be submitted to the Executive Director of the Division of Medicaid for further review and decision.

(xvii) The Executive Director of the Division of Medicaid, upon review of the recommendation, proceedings and the record, may sustain the recommendation of the hearing officer, reject the same, or remand the matter to the hearing officer to take additional testimony and evidence, in which case, the hearing officer thereafter shall submit to the executive director a new recommendation. The executive director shall prepare a written decision summarizing the facts and identifying policies and regulations that support the decision, which shall be mailed to the claimant and the representative, with a copy to the regional office if appropriate, as soon as possible after submission of a recommendation by the hearing officer. The decision notice will specify any action to be taken by the agency, specify any revised eligibility dates or, if continuation of benefits applies, will notify the claimant of the new effective date of reduction or termination of benefits or services, which will be fifteen (15) days from the mailing date of the notice of decision. The decision rendered by the Executive Director of the Division of Medicaid is final and binding. The claimant is entitled to seek judicial review in a court of proper jurisdiction.

(xviii) The Division of Medicaid must take final administrative action on a hearing, whether state or local, within ninety (90) days from the date of the initial request for a hearing.

(xix) A group hearing may be held for a number of claimants under the following circumstances:

(A) The Division of Medicaid may consolidate the cases and conduct a single group hearing when the only issue involved is one (1) of a single law or agency policy;

(B) The claimants may request a group hearing when there is one (1) issue of agency policy common to all of them.

In all group hearings, whether initiated by the Division of Medicaid or by the claimants, the policies governing fair hearings must be followed. Each claimant in a group hearing must be permitted to present his or her own case and be represented by his or her own representative, or to withdraw from the group hearing and have his or her appeal heard individually. As in individual hearings, the hearing will be conducted only on the issue being appealed, and each claimant will be expected to keep individual testimony within a reasonable time frame as a matter of consideration to the other claimants involved.

(xx) Any specific matter necessitating an administrative hearing not otherwise provided under this article or agency policy shall be afforded under the hearing procedures as outlined above. If the specific time frames of such a unique matter relating to requesting, granting, and concluding of the hearing is contrary to the time frames as set out in the hearing procedures above, the specific time frames will govern over the time frames as set out within these procedures.

(4) The Executive Director of the Division of Medicaid, with the approval of the Governor, shall be authorized to employ eligibility, technical, clerical and supportive staff as may be required in carrying out and fully implementing the determination of Medicaid eligibility, including conducting quality control reviews and the investigation of the improper receipt of medical assistance. Staffing needs will be set forth in the annual appropriation act for the division. Additional office space as needed in performing eligibility, quality control and investigative functions shall be obtained by the division.

### **§ 43-13-117. Types of care and services for which financial assistance furnished.**

[The following amendments to this section shall not become effective until the hospital assessment provided for in the 2009 amendments to Section 43-13-145 becomes effective. If the hospital assessment shall not take effect and/or shall cease to be imposed, the provisions of Section 43-13-117 shall remain in effect as existed on June 30, 2009.]

(A) Medicaid as authorized by this article shall include payment of part or all of the costs, at the discretion of the division, with approval of the Governor, of the following types of care and services rendered to eligible applicants who have been determined to be eligible for that care and services, within the limits of state appropriations and federal matching funds:

(1) Inpatient hospital services.

(a) The division shall allow thirty (30) days of inpatient hospital care annually for all Medicaid recipients. Medicaid recipients requiring transplants shall not have those days included in the transplant hospital stay count against the thirty-day limit for inpatient hospital care. Precertification of inpatient days must be obtained as required by the division.

(b) From and after July 1, 1994, the Executive Director of the Division of Medicaid shall amend the Mississippi Title XIX Inpatient Hospital Reimbursement Plan to remove the occupancy rate penalty from the calculation of the Medicaid Capital Cost Component utilized to determine total hospital costs allocated to the Medicaid program.

(c) Hospitals will receive an additional payment for the implantable programmable baclofen drug pump used to treat spasticity that is implanted on an inpatient basis. The payment pursuant to written invoice will be in addition to the facility's per diem reimbursement and will represent a reduction of costs on the facility's annual cost report, and shall not exceed Ten Thousand Dollars (\$10,000.00) per year per recipient.

(2) Outpatient hospital services.

(a) Emergency services. The division shall allow six (6) medically necessary emergency room visits per beneficiary per fiscal year.

(b) Other outpatient hospital services. The division shall allow benefits for other medically necessary outpatient hospital services (such as chemotherapy, radiation, surgery and therapy), including outpatient services in a clinic or other facility that is not located inside the hospital, but that has been designated as an outpatient facility by the hospital, and that was in operation or under construction on July 1, 2009, provided that the costs and charges associated with the operation of the hospital clinic are

included in the hospital's cost report. In addition, the Medicare thirty-five-mile rule will apply to those hospital clinics not located inside the hospital that are constructed after July 1, 2009. Where the same services are reimbursed as clinic services, the division may revise the rate or methodology of outpatient reimbursement to maintain consistency, efficiency, economy and quality of care.

(3) Laboratory and x-ray services.

(4) Nursing facility services.

(a) The division shall make full payment to nursing facilities for each day, not exceeding fifty-two (52) days per year, that a patient is absent from the facility on home leave. Payment may be made for the following home leave days in addition to the fifty-two-day limitation: Christmas, the day before Christmas, the day after Christmas, Thanksgiving, the day before Thanksgiving and the day after Thanksgiving.

(b) From and after July 1, 1997, the division shall implement the integrated case-mix payment and quality monitoring system, which includes the fair rental system for property costs and in which recapture of depreciation is eliminated. The division may reduce the payment for hospital leave and therapeutic home leave days to the lower of the case-mix category as computed for the resident on leave using the assessment being utilized for payment at that point in time, or a case-mix score of 1.000 for nursing facilities, and shall compute case-mix scores of residents so that only services provided at the nursing facility are considered in calculating a facility's per diem.

(c) From and after July 1, 1997, all state-owned nursing facilities shall be reimbursed on a full reasonable cost basis.

(d) When a facility of a category that does not require a certificate of need for construction and that could not be eligible for Medicaid reimbursement is constructed to nursing facility specifications for licensure and certification, and the facility is subsequently converted to a nursing facility under a certificate of need that authorizes conversion only and the applicant for the certificate of need was assessed an application review fee based on capital expenditures incurred in constructing the facility, the division shall allow reimbursement for capital expenditures necessary for construction of the facility that were incurred within the twenty-four (24) consecutive calendar months immediately preceding the date that the certificate of need authorizing the conversion was issued, to the same extent that reimbursement would be allowed for construction of a new nursing facility under a certificate of need that authorizes that construction. The reimbursement authorized in this subparagraph (d) may be made only to facilities the construction of which was completed after June 30, 1989. Before the division shall be authorized to make the reimbursement authorized in this subparagraph (d), the division first must have received approval from the Centers for Medicare and Medicaid Services (CMS) of the change in the state Medicaid plan providing for the reimbursement.

(e) The division shall develop and implement, not later than January 1, 2001, a case-mix payment add-on determined by time studies and other valid statistical data that will reimburse a nursing facility for the additional cost of caring for a resident who has a diagnosis of Alzheimer's or other related dementia and exhibits symptoms that require special care. Any such case-mix add-on payment shall be supported by a determination of additional cost. The division shall also develop and implement as part of the fair rental reimbursement system for nursing facility beds, an Alzheimer's resident bed depreciation enhanced reimbursement system that will provide an incentive to encourage nursing facilities to convert or construct beds for residents with Alzheimer's or other related dementia.

(f) The division shall develop and implement an assessment process for long-term care services. The division may provide the assessment and related functions directly or through contract with the area agencies on aging.

The division shall apply for necessary federal waivers to assure that additional services providing alternatives to nursing facility care are made available to applicants for nursing facility care.

(5) Periodic screening and diagnostic services for individuals under age twenty-one (21) years as are needed to identify physical and mental defects and to provide health care treatment and other measures designed to correct or ameliorate defects and physical and mental illness and conditions discovered by the screening services, regardless of whether these services are included in the state plan. The division may include in its periodic screening and diagnostic program those discretionary services authorized under the federal regulations adopted to implement Title XIX of the federal Social Security Act, as amended. The division, in obtaining physical therapy services, occupational therapy services, and services for individuals with speech, hearing and language disorders, may enter into a cooperative agreement with the State Department of Education for the provision of those services to handicapped students by public school districts using state funds that are provided from the appropriation to the Department of Education to obtain federal matching funds through the division. The division, in obtaining medical and mental health assessments for children who are in, or at risk of being put in, the custody of the Mississippi Department of Human Services may enter into a cooperative agreement with the Mississippi Department of Human Services for the provision of those services using state funds that are provided from the appropriation to the Department of Human Services to obtain federal matching funds through the division.

(6) Physician's services. The division shall allow twelve (12) physician visits annually. All fees for physicians' services that are covered only by Medicaid shall be reimbursed at ninety percent (90%) of the rate established on January 1, 1999, and as may be adjusted each July thereafter, under Medicare (Title XVIII of the federal Social Security Act, as amended). The division may develop and implement a different reimbursement model or schedule for physician's services provided by physicians based at an aca-

demic health care center and by physicians at rural health centers that are associated with an academic health care center. From and after January 1, 2010, all fees for physicians' services that are covered only by Medicaid shall be increased to ninety percent (90%) of the rate established on January 1, 2010, and as may be adjusted each July thereafter, under Medicare.

(7)(a) Home health services for eligible persons, not to exceed in cost the prevailing cost of nursing facility services, not to exceed twenty-five (25) visits per year. All home health visits must be precertified as required by the division.

(b) [Repealed]

(8) Emergency medical transportation services. On January 1, 1994, emergency medical transportation services shall be reimbursed at seventy percent (70%) of the rate established under Medicare (Title XVIII of the federal Social Security Act, as amended). "Emergency medical transportation services" shall mean, but shall not be limited to, the following services by a properly permitted ambulance operated by a properly licensed provider in accordance with the Emergency Medical Services Act of 1974 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced life support, (iii) mileage, (iv) oxygen, (v) intravenous fluids, (vi) disposable supplies, (vii) similar services.

(9)(a) Legend and other drugs as may be determined by the division.

The division shall establish a mandatory preferred drug list. Drugs not on the mandatory preferred drug list shall be made available by utilizing prior authorization procedures established by the division.

The division may seek to establish relationships with other states in order to lower acquisition costs of prescription drugs to include single source and innovator multiple source drugs or generic drugs. In addition, if allowed by federal law or regulation, the division may seek to establish relationships with and negotiate with other countries to facilitate the acquisition of prescription drugs to include single source and innovator multiple source drugs or generic drugs, if that will lower the acquisition costs of those prescription drugs.

The division shall allow for a combination of prescriptions for single source and innovator multiple source drugs and generic drugs to meet the needs of the beneficiaries, not to exceed five (5) prescriptions per month for each noninstitutionalized Medicaid beneficiary, with not more than two (2) of those prescriptions being for single source or innovator multiple source drugs.

The executive director may approve specific maintenance drugs for beneficiaries with certain medical conditions, which may be prescribed and dispensed in three-month supply increments.

Drugs prescribed for a resident of a psychiatric residential treatment facility must be provided in true unit doses when available. The division may require that drugs not covered by Medicare Part D for a resident of a long-term care facility be provided in true unit doses when available. Those drugs that were originally billed to the division but are not used by

a resident in any of those facilities shall be returned to the billing pharmacy for credit to the division, in accordance with the guidelines of the State Board of Pharmacy and any requirements of federal law and regulation. Drugs shall be dispensed to a recipient and only one (1) dispensing fee per month may be charged. The division shall develop a methodology for reimbursing for restocked drugs, which shall include a restock fee as determined by the division not exceeding Seven Dollars and Eighty-two Cents (\$7.82).

The voluntary preferred drug list shall be expanded to function in the interim in order to have a manageable prior authorization system, thereby minimizing disruption of service to beneficiaries.

The division shall develop and implement a program of payment for additional pharmacist services, with payment to be based on demonstrated savings, but in no case shall the total payment exceed twice the amount of the dispensing fee.

The division shall develop a pharmacy policy in which drugs in tamper-resistant packaging that are prescribed for a resident of a nursing facility but are not dispensed to the resident shall be returned to the pharmacy and not billed to Medicaid, in accordance with guidelines of the State Board of Pharmacy.

The division shall develop and implement a method or methods by which the division will provide on a regular basis to Medicaid providers who are authorized to prescribe drugs, information about the costs to the Medicaid program of single source drugs and innovator multiple source drugs, and information about other drugs that may be prescribed as alternatives to those single source drugs and innovator multiple source drugs and the costs to the Medicaid program of those alternative drugs.

Notwithstanding any law or regulation, information obtained or maintained by the division regarding the prescription drug program, including trade secrets and manufacturer or labeler pricing, is confidential and not subject to disclosure except to other state agencies.

The division shall annually determine the effect of this incentive by evaluating the number of dentists who are Medicaid providers, the number who and the degree to which they are actively billing Medicaid, the geographic trends of where dentists are offering what types of Medicaid services and other statistics pertinent to the goals of this legislative intent. This data shall be presented to the Chair of the Senate Public Health and Welfare Committee and the Chair of the House Medicaid Committee.

From and after January 1, 2010, the reduction in the reimbursement rates required by this subsection (B) shall not apply to physicians' services. In addition, the reduction in the reimbursement rates required by this subsection (B) shall not apply to case management services and home-delivered meals provided under the home- and community-based services program for the elderly and disabled by a planning and development district (PDD). (D) Notwithstanding any provision of this article, except as authorized in the following subsection and in Section 43-13-139, neither (a) the limitations on quantity or frequency of use of or the fees or charges for any of the care or services available to recipients under this section, nor (b) the payments, payment methodology as provided below in this subsection (D), or rates of reimbursement to providers rendering care or services authorized under this section to recipients, may be increased, decreased or otherwise changed from the levels in effect on July 1, 1999, unless they are authorized by an amendment to this section by the Legislature. However, the restriction in this subsection shall not prevent the division from changing the payments, payment methodology as provided below in this subsection (D), or rates of reimbursement to providers without an amendment to this section whenever those changes are required by federal law or regulation, or whenever those changes are necessary to correct administrative errors or omissions in calculating those payments or rates of reimbursement. The prohibition on any changes in payment methodology provided in this subsection (D) shall apply only to payment methodologies used for determining the rates of reimbursement for inpatient hospital services, outpatient hospital services and/or

nursing facility services, except as required by federal law, and the federally mandated rebasing of rates as required by the Centers for Medicare and Medicaid Services (CMS) shall not be considered payment methodology for purposes of this subsection (D).

(E) Notwithstanding any provision of this article, no new groups or categories of recipients and new types of care and services may be added without enabling legislation from the Mississippi Legislature, except that the division may authorize those changes without enabling legislation when the addition of recipients or services is ordered by a court of proper authority.

(F) The executive director shall keep the Governor advised on a timely basis of the funds available for expenditure and the projected expenditures. If current or projected expenditures of the division are reasonably anticipated to exceed the amount of funds appropriated to the division for any fiscal year, the Governor, after consultation with the executive director, shall discontinue any or all of the payment of the types of care and services as provided in this section that are deemed to be optional services under Title XIX of the federal Social Security Act, as amended, and when necessary, shall institute any other cost containment measures on any program or programs authorized under the article to the extent allowed under the federal law governing that program or programs. However, the Governor shall not be authorized to discontinue or eliminate any service under this section that is mandatory under federal law, or to discontinue or eliminate, or adjust income limits or resource limits for, any eligibility category or group under Section 43-13-115. Applicable in fiscal year 2010 only, no expenditure reductions or cost containments or increases in assessments recommended by the Executive Director of the Division of Medicaid shall be implemented before February 1, unless the division projects a shortfall so great that the entire Health Care Expendable Fund balance would be reduced to zero. Beginning in fiscal year 2010 and in fiscal years thereafter, when Medicaid expenditures are projected to exceed funds available for any quarter in the fiscal year, the division shall submit the expected shortfall information to the PEER Committee, which shall review the computations of the division and report its findings to the Legislative Budget Office within thirty (30) days of such notification by the division, and not later than January 7 in any year. If expenditure reductions or cost containments are implemented, the Governor may implement a maximum amount of state share expenditure reductions to providers, of which hospitals will be responsible for twenty-five percent (25%) of provider reductions as follows: in fiscal year 2010, the maximum amount shall be Twenty-four Million Dollars (\$24,000,000.00); in fiscal year 2011, the maximum amount shall be Thirty-two Million Dollars (\$32,000,000.00); and in fiscal year 2012 and thereafter, the maximum amount shall be Forty Million Dollars (\$40,000,000.00). However, instead of implementing cuts, the hospital share shall be in the form of an additional assessment not to exceed Ten Million Dollars (\$10,000,000.00) as provided in Section 43-13-145(4)(a)(ii). If Medicaid expenditures are projected to exceed the amount of funds appropriated to the division in any fiscal year in excess of the expenditure reductions to providers, then funds shall be transferred by the

State Fiscal Officer from the Health Care Trust Fund into the Health Care Expendable Fund and to the Governor's Office, Division of Medicaid, from the Health Care Expendable Fund, in the amount and at such time as requested by the Governor to reconcile the deficit. If the cost containment measures described above have been implemented and there are insufficient funds in the Health Care Trust Fund to reconcile any remaining deficit in any fiscal year, the Governor shall institute any other additional cost containment measures on any program or programs authorized under this article to the extent allowed under federal law. Hospitals shall be responsible for twenty-five percent (25%) of any additional imposed provider cuts. However, instead of implementing hospital expenditure reductions, the hospital reductions shall be in the form of an additional assessment not to exceed twenty-five percent (25%) of provider expenditure reductions as provided in Section 43-13-145(4)(a)(ii). It is the intent of the Legislature that the expenditures of the division during any fiscal year shall not exceed the amounts appropriated to the division for that fiscal year.

(G) Notwithstanding any other provision of this article, it shall be the duty of each nursing facility, intermediate care facility for the mentally retarded, psychiatric residential treatment facility, and nursing facility for the severely disabled that is participating in the Medicaid program to keep and maintain books, documents and other records as prescribed by the Division of Medicaid in substantiation of its cost reports for a period of three (3) years after the date of submission to the Division of Medicaid of an original cost report, or three (3) years after the date of submission to the Division of Medicaid of an amended cost report.

(H)(1) Notwithstanding any other provision of this article, the division shall not be authorized to implement any managed care program, coordinated care program, coordinated care organization, health maintenance organization or similar program in which services are paid for on a capitated basis, beyond the level, scope or location of the program as it existed on October 1, 2008, until on or after January 1, 2010. Any managed care program or coordinated care program implemented by the division under this section shall be limited to a maximum of fifteen percent (15%) of all Medicaid beneficiaries, and any Medicaid beneficiary who is enrolled in the program shall have an annual window of at least thirty (30) days in length during which the beneficiary may disenroll from the program. In addition, any payments made to providers by a managed care organization, coordinated care organization, health maintenance organization or other similar organization under a managed care program or coordinated care program implemented by the division under this section shall be considered to be regular Medicaid payments for the purposes of calculating Medicare Upper Payment Limits (UPL) payments and Disproportionate Share Hospital (DSH) payments to hospitals. The division shall apply for any federal waiver or waivers necessary to implement a managed care program or coordinated care program that meets all of the requirements in this paragraph. If the division does not receive a federal waiver or waivers that authorizes it to

implement a managed care program or coordinated care program that meets all of the requirements in this paragraph, then the division shall not be authorized to implement a managed care program or coordinated care program.

(2) All health maintenance organizations, coordinated care organizations or other organizations paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall reimburse all providers in those organizations at rates no lower than those provided under this section for beneficiaries who are not participating in those programs.

(3) No health maintenance organization, coordinated care organization or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall require its providers or beneficiaries to use any pharmacy that ships, mails or delivers prescription drugs or legend drugs or devices.

(4) After a managed care program or coordinated care program is implemented by the division under this section, the PEER Committee shall conduct a comprehensive performance evaluation of the managed care program or coordinated care program, which shall include, but not be limited to, a determination of any cost savings to the division, quality of care to the beneficiaries, and access to care by the beneficiaries. The PEER Committee shall provide regular reports on the status of the managed care program or coordinated care program to the members of the Senate Public Health and Welfare Committee and the House Medicaid Committee, and shall complete the performance evaluation and provide it to the members of those committees not later than December 15, 2011. As a condition of participation in a managed care program or coordinated care program implemented by the division under this section, a provider must agree to provide any information that the PEER Committee requests to conduct the performance evaluation of the program, and all those providers shall fully cooperate with the PEER Committee in any request to provide information to the committee.

(I) The division shall develop and publish reimbursement rates for each APR-DRG proposed by the division at least equal to the prevailing corresponding Medicare DRG rate or a closely related Medicare DRG rate, applying to each hospital, the applicable federal wage index being used by CMS for the hospital's geographic location, but the division shall not implement that rate schedule or APR-DRG methodology until after July 1, 2010. The PEER Committee shall study the benefits and liabilities of implementing an APR-DRG reimbursement rate schedule, and report its findings to the members of the Senate Public Health and Welfare Committee and the House Medicaid Committee on or before December 15, 2009.

(J) There shall be no cuts in inpatient and outpatient hospital payments, or allowable days or volumes, as long as the hospital assessment provided in Section 43-13-145 is in effect.

(K) This section shall stand repealed on July 1, 2012.

**[If the hospital assessment in the 2009 amendments to Section 43-13-145 does not take effect and/or shall cease to be imposed, the provisions of Section 43-13-117 shall remain in effect as existed on June 30, 2009, and this section shall read as follows:]**

Medicaid as authorized by this article shall include payment of part or all of the costs, at the discretion of the division, with approval of the Governor, of the following types of care and services rendered to eligible applicants who have been determined to be eligible for that care and services, within the limits of state appropriations and federal matching funds:

(1) Inpatient hospital services.

(a) The division shall allow thirty (30) days of inpatient hospital care annually for all Medicaid recipients. Medicaid recipients requiring transplants shall not have those days included in the transplant case rate count against the thirty-day limit for inpatient hospital care. Precertification of inpatient days must be obtained as required by the division. The division may allow unlimited days in disproportionate hospitals as defined by the division for eligible infants and children under the age of six (6) years if certified as medically necessary as required by the division.

(b) From and after July 1, 1994, the Executive Director of the Division of Medicaid shall amend the Mississippi Title XIX Inpatient Hospital Reimbursement Plan to remove the occupancy rate penalty from the calculation of the Medicaid Capital Cost Component utilized to determine total hospital costs allocated to the Medicaid program.

(c) Hospitals will receive an additional payment for the implantable programmable baclofen drug pump used to treat spasticity that is implanted on an inpatient basis. The payment pursuant to written invoice will be in addition to the facility's per diem reimbursement and will represent a reduction of costs on the facility's annual cost report, and shall not exceed Ten Thousand Dollars (\$10,000.00) per year per recipient.

(2) Outpatient hospital services.

(a) Emergency services. The division shall allow six (6) medically necessary emergency room visits per beneficiary per fiscal year.

(b) Other outpatient hospital services. The division shall allow benefits for other medically necessary outpatient hospital services (such as chemotherapy, radiation, surgery and therapy). Where the same services are reimbursed as clinic services, the division may revise the rate or methodology of outpatient reimbursement to maintain consistency, efficiency, economy and quality of care.

(3) Laboratory and x-ray services.

(4) Nursing facility services.

(a) The division shall make full payment to nursing facilities for each day, not exceeding fifty-two (52) days per year, that a patient is absent from the facility on home leave. Payment may be made for the following home leave days in addition to the fifty-two-day limitation: Christmas, the day before Christmas, the day after Christmas, Thanksgiving, the day before Thanksgiving and the day after Thanksgiving.

(b) From and after July 1, 1997, the division shall implement the integrated case-mix payment and quality monitoring system, which includes the fair rental system for property costs and in which recapture of depreciation is eliminated. The division may reduce the payment for hospital leave and therapeutic home leave days to the lower of the case-mix category as computed for the resident on leave using the assessment being utilized for payment at that point in time, or a case-mix score of 1.000 for nursing facilities, and shall compute case-mix scores of residents so that only services provided at the nursing facility are considered in calculating a facility's per diem.

(c) From and after July 1, 1997, all state-owned nursing facilities shall be reimbursed on a full reasonable cost basis.

(d) When a facility of a category that does not require a certificate of need for construction and that could not be eligible for Medicaid reimbursement is constructed to nursing facility specifications for licensure and certification, and the facility is subsequently converted to a nursing facility under a certificate of need that authorizes conversion only and the applicant for the certificate of need was assessed an application review fee based on capital expenditures incurred in constructing the facility, the division shall allow reimbursement for capital expenditures necessary for construction of the facility that were incurred within the twenty-four (24) consecutive calendar months immediately preceding the date that the certificate of need authorizing the conversion was issued, to the same extent that reimbursement would be allowed for construction of a new nursing facility under a certificate of need that authorizes that construction. The reimbursement authorized in this subparagraph (d) may be made only to facilities the construction of which was completed after June 30, 1989. Before the division shall be authorized to make the reimbursement authorized in this subparagraph (d), the division first must have received approval from the Centers for Medicare and Medicaid Services (CMS) of the change in the state Medicaid plan providing for the reimbursement.

(e) The division shall develop and implement, not later than January 1, 2001, a case-mix payment add-on determined by time studies and other valid statistical data that will reimburse a nursing facility for the additional cost of caring for a resident who has a diagnosis of Alzheimer's or other related dementia and exhibits symptoms that require special care. Any such case-mix add-on payment shall be supported by a determination of additional cost. The division shall also develop and implement as part of the fair rental reimbursement system for nursing facility beds, an Alzheimer's resident bed depreciation enhanced reimbursement system that will provide an incentive to encourage nursing facilities to convert or construct beds for residents with Alzheimer's or other related dementia.

(f) The division shall develop and implement an assessment process for long-term care services. The division may provide the assessment and related functions directly or through contract with the area agencies on aging.

The division shall apply for necessary federal waivers to assure that additional services providing alternatives to nursing facility care are made available to applicants for nursing facility care.

(5) Periodic screening and diagnostic services for individuals under age twenty-one (21) years as are needed to identify physical and mental defects and to provide health care treatment and other measures designed to correct or ameliorate defects and physical and mental illness and conditions discovered by the screening services, regardless of whether these services are included in the state plan. The division may include in its periodic screening and diagnostic program those discretionary services authorized under the federal regulations adopted to implement Title XIX of the federal Social Security Act, as amended. The division, in obtaining physical therapy services, occupational therapy services, and services for individuals with speech, hearing and language disorders, may enter into a cooperative agreement with the State Department of Education for the provision of those services to handicapped students by public school districts using state funds that are provided from the appropriation to the Department of Education to obtain federal matching funds through the division. The division, in obtaining medical and psychological evaluations for children in the custody of the Mississippi Department of Human Services may enter into a cooperative agreement with the Mississippi Department of Human Services for the provision of those services using state funds that are provided from the appropriation to the Department of Human Services to obtain federal matching funds through the division.

(6) Physician's services. The division shall allow twelve (12) physician visits annually. All fees for physicians' services that are covered only by Medicaid shall be reimbursed at ninety percent (90%) of the rate established on January 1, 1999, and as may be adjusted each July thereafter, under Medicare (Title XVIII of the federal Social Security Act, as amended). The division may develop and implement a different reimbursement model or schedule for physician's services provided by physicians based at an academic health care center and by physicians at rural health centers that are associated with an academic health care center.

(7)(a) Home health services for eligible persons, not to exceed in cost the prevailing cost of nursing facility services, not to exceed twenty-five (25) visits per year. All home health visits must be precertified as required by the division.

(b) [Repealed]

(8) Emergency medical transportation services. On January 1, 1994, emergency medical transportation services shall be reimbursed at seventy percent (70%) of the rate established under Medicare (Title XVIII of the federal Social Security Act, as amended). "Emergency medical transportation services" shall mean, but shall not be limited to, the following services by a properly permitted ambulance operated by a properly licensed provider in accordance with the Emergency Medical Services Act of 1974 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced life support, (iii) mileage,

(iv) oxygen, (v) intravenous fluids, (vi) disposable supplies, (vii) similar services.

(9)(a) Legend and other drugs as may be determined by the division.

The division shall establish a mandatory preferred drug list. Drugs not on the mandatory preferred drug list shall be made available by utilizing prior authorization procedures established by the division.

The division may seek to establish relationships with other states in order to lower acquisition costs of prescription drugs to include single source and innovator multiple source drugs or generic drugs. In addition, if allowed by federal law or regulation, the division may seek to establish relationships with and negotiate with other countries to facilitate the acquisition of prescription drugs to include single source and innovator multiple source drugs or generic drugs, if that will lower the acquisition costs of those prescription drugs.

The division shall allow for a combination of prescriptions for single source and innovator multiple source drugs and generic drugs to meet the needs of the beneficiaries, not to exceed five (5) prescriptions per month for each noninstitutionalized Medicaid beneficiary, with not more than two (2) of those prescriptions being for single source or innovator multiple source drugs.

The executive director may approve specific maintenance drugs for beneficiaries with certain medical conditions, which may be prescribed and dispensed in three-month supply increments.

Drugs prescribed for a resident of a psychiatric residential treatment facility must be provided in true unit doses when available. The division may require that drugs not covered by Medicare Part D for a resident of a long-term care facility be provided in true unit doses when available. Those drugs that were originally billed to the division but are not used by a resident in any of those facilities shall be returned to the billing pharmacy for credit to the division, in accordance with the guidelines of the State Board of Pharmacy and any requirements of federal law and regulation. Drugs shall be dispensed to a recipient and only one (1) dispensing fee per month may be charged. The division shall develop a methodology for reimbursing for restocked drugs, which shall include a restock fee as determined by the division not exceeding Seven Dollars and Eighty-two Cents (\$7.82).

The voluntary preferred drug list shall be expanded to function in the interim in order to have a manageable prior authorization system, thereby minimizing disruption of service to beneficiaries.

Except for those specific maintenance drugs approved by the executive director, the division shall not reimburse for any portion of a prescription that exceeds a thirty-one-day supply of the drug based on the daily dosage.

The division shall develop and implement a program of payment for additional pharmacist services, with payment to be based on demonstrated savings, but in no case shall the total payment exceed twice the amount of the dispensing fee.

All claims for drugs for dually eligible Medicare/Medicaid beneficiaries that are paid for by Medicare must be submitted to Medicare for payment before they may be processed by the division's online payment system.

The division shall develop a pharmacy policy in which drugs in tamper-resistant packaging that are prescribed for a resident of a nursing facility but are not dispensed to the resident shall be returned to the pharmacy and not billed to Medicaid, in accordance with guidelines of the State Board of Pharmacy.

The division shall develop and implement a method or methods by which the division will provide on a regular basis to Medicaid providers who are authorized to prescribe drugs, information about the costs to the Medicaid program of single source drugs and innovator multiple source drugs, and information about other drugs that may be prescribed as alternatives to those single source drugs and innovator multiple source drugs and the costs to the Medicaid program of those alternative drugs.

Notwithstanding any law or regulation, information obtained or maintained by the division regarding the prescription drug program, including trade secrets and manufacturer or labeler pricing, is confidential and not subject to disclosure except to other state agencies.

(b) Payment by the division for covered multisource drugs shall be limited to the lower of the upper limits established and published by the Centers for Medicare and Medicaid Services (CMS) plus a dispensing fee, or the estimated acquisition cost (EAC) as determined by the division, plus a dispensing fee, or the providers' usual and customary charge to the general public.

Payment for other covered drugs, other than multisource drugs with CMS upper limits, shall not exceed the lower of the estimated acquisition cost as determined by the division, plus a dispensing fee or the providers' usual and customary charge to the general public.

Payment for nonlegend or over-the-counter drugs covered by the division shall be reimbursed at the lower of the division's estimated shelf price or the providers' usual and customary charge to the general public.

The dispensing fee for each new or refill prescription, including nonlegend or over-the-counter drugs covered by the division, shall be not less than Three Dollars and Ninety-one Cents (\$3.91), as determined by the division.

The division shall not reimburse for single source or innovator multiple source drugs if there are equally effective generic equivalents available and if the generic equivalents are the least expensive.

It is the intent of the Legislature that the pharmacists providers be reimbursed for the reasonable costs of filling and dispensing prescriptions for Medicaid beneficiaries.

(10)(a) Dental care that is an adjunct to treatment of an acute medical or surgical condition; services of oral surgeons and dentists in connection with surgery related to the jaw or any structure contiguous to the jaw or

the reduction of any fracture of the jaw or any facial bone; and emergency dental extractions and treatment related thereto. On July 1, 2007, fees for dental care and surgery under authority of this paragraph (10) shall be reimbursed as provided in subparagraph (b). It is the intent of the Legislature that this rate revision for dental services will be an incentive designed to increase the number of dentists who actively provide Medicaid services. This dental services rate revision shall be known as the "James Russell Dumas Medicaid Dental Incentive Program."

The division shall annually determine the effect of this incentive by evaluating the number of dentists who are Medicaid providers, the number who and the degree to which they are actively billing Medicaid, the geographic trends of where dentists are offering what types of Medicaid services and other statistics pertinent to the goals of this legislative intent. This data shall be presented to the Chair of the Senate Public Health and Welfare Committee and the Chair of the House Medicaid Committee.

(b) The Division of Medicaid shall establish a fee schedule, to be effective from and after July 1, 2007, for dental services. The schedule shall provide for a fee for each dental service that is equal to a percentile of normal and customary private provider fees, as defined by the Ingenix Customized Fee Analyzer Report, which percentile shall be determined by the division. The schedule shall be reviewed annually by the division and dental fees shall be adjusted to reflect the percentile determined by the division.

(c) For fiscal year 2008, the amount of state funds appropriated for reimbursement for dental care and surgery shall be increased by ten percent (10%) of the amount of state fund expenditures for that purpose for fiscal year 2007. For each of fiscal years 2009 and 2010, the amount of state funds appropriated for reimbursement for dental care and surgery shall be increased by ten percent (10%) of the amount of state fund expenditures for that purpose for the preceding fiscal year.

(d) The division shall establish an annual benefit limit of Two Thousand Five Hundred Dollars (\$2,500.00) in dental expenditures per Medicaid-eligible recipient; however, a recipient may exceed the annual limit on dental expenditures provided in this paragraph with prior approval of the division.

In either instance, the eyeglasses must

On July 1, 1999, all fees for physicians' services reimbursed under authority of this paragraph (14) shall be reimbursed at ninety percent (90%) of the rate established on January 1, 1999, and as may be adjusted each July thereafter, under Medicare (Title XVIII of the federal Social Security Act, as amended). The division may develop and implement a different reimbursement model or schedule for physician's services provided by physicians based at an academic health care center and by physicians at rural health centers that are associated with an academic health care center.

(15) Home- and community-based services for the elderly and disabled, as provided under Title XIX of the federal Social Security Act, as amended, under waivers, subject to the availability of funds specifically appropriated for that purpose by the Legislature.

The assessment will remain in effect as long as the state participates in the Medicare Upper Payment Limits Program. The division shall make additional reimbursement to hospitals and, if the program is established for nursing facilities, shall make additional reimbursement to nursing facilities, for the Medicare Upper Payment Limits, as defined in Section 1902(a) (30) of the federal Social Security Act and any applicable federal regulations.

The State Department of Health shall certify annually in writing to the executive director of the division the dollar amount of state early intervention funds available that will be utilized as a certified match for Medicaid matching funds. (49) The division shall establish copayments and/or coinsurance for all Medicaid services for which copayments and/or coinsurance are allowable under federal law or regulation, and shall set the amount of the copayment and/or coinsurance for each of those services at the maximum amount allowable under federal law or regulation.

(50) Services provided by the State Department of Rehabilitation Services for the care and rehabilitation of persons who are deaf and blind, as allowed under waivers from the United States Department of Health and Human Services to provide home- and community-based services using state funds that are provided from the appropriation to the State Department of Rehabilitation Services or if funds are voluntarily provided by another agency.

(51) Upon determination of Medicaid eligibility and in association with annual redetermination of Medicaid eligibility, beneficiaries shall be encouraged to undertake a physical examination that will establish a base-line level of health and identification of a usual and customary source of care (a medical home) to aid utilization of disease management tools. This physical examination and utilization of these disease management tools shall be consistent with current United States Preventive Services Task Force or other recognized authority recommendations.

For persons who are determined ineligible for Medicaid, the division will provide information and direction for accessing medical care and services in the area of their residence.

(52) Notwithstanding any provisions of this article, the division may pay enhanced reimbursement fees related to trauma care, as determined by the division in conjunction with the State Department of Health, using funds appropriated to the State Department of Health for trauma care and services and used to match federal funds under a cooperative agreement between the division and the State Department of Health. The division, in conjunction with the State Department of Health, may use grants, waivers, demonstrations, or other projects as necessary in the development and implementation of this reimbursement program.

(53) Targeted case management services for high-cost beneficiaries shall be developed by the division for all services under this section.

(54) Adult foster care services pilot program. Social and protective services on a pilot program basis in an approved foster care facility for vulnerable adults who would otherwise need care in a long-term care facility, to be implemented in an area of the state with the greatest need for such program, under the Medicaid Waivers for the Elderly and Disabled program or an assisted living waiver. The division may use grants, waivers, demon-

strations or other projects as necessary in the development and implementation of this adult foster care services pilot program.

(55) Therapy services. The plan of care for therapy services may be developed to cover a period of treatment for up to six (6) months, but in no event shall the plan of care exceed a six-month period of treatment. The projected period of treatment must be indicated on the initial plan of care and must be updated with each subsequent revised plan of care. Based on medical necessity, the division shall approve certification periods for less than or up to six (6) months, but in no event shall the certification period exceed the period of treatment indicated on the plan of care. The appeal process for any reduction in therapy services shall be consistent with the appeal process in federal regulations.

Notwithstanding any other provision of this article to the contrary, the division shall reduce the rate of reimbursement to providers for any service provided under this section by five percent (5%) of the allowed amount for that service. However, the reduction in the reimbursement rates required by this paragraph shall not apply to inpatient hospital services, nursing facility services, intermediate care facility services, psychiatric residential treatment facility services, pharmacy services provided under paragraph (9) of this section, or any service provided by the University of Mississippi Medical Center or a state agency, a state facility or a public agency that either provides its own state match through intergovernmental transfer or certification of funds to the division, or a service for which the federal government sets the reimbursement methodology and rate. In addition, the reduction in the reimbursement rates required by this paragraph shall not apply to case management services and home-delivered meals provided under the home- and community-based services program for the elderly and disabled by a planning and development district (PDD). Planning and development districts participating in the home- and community-based services program for the elderly and disabled as case management providers shall be reimbursed for case management services at the maximum rate approved by the Centers for Medicare and Medicaid Services (CMS).

The division may pay to those providers who participate in and accept patient referrals from the division's emergency room redirection program a percentage, as determined by the division, of savings achieved according to the performance measures and reduction of costs required of that program. Federally qualified health centers may participate in the emergency room redirection program, and the division may pay those centers a percentage of any savings to the Medicaid program achieved by the centers' accepting patient referrals through the program, as provided in this paragraph.

Notwithstanding any provision of this article, except as authorized in the following paragraph and in Section 43-13-139, neither (a) the limitations on quantity or frequency of use of or the fees or charges for any of the care or services available to recipients under this section, nor (b) the payments or rates of reimbursement to providers rendering care or services authorized under this section to recipients, may be increased, decreased or otherwise

changed from the levels in effect on July 1, 1999, unless they are authorized by an amendment to this section by the Legislature. However, the restriction in this paragraph shall not prevent the division from changing the payments or rates of reimbursement to providers without an amendment to this section whenever those changes are required by federal law or regulation, or whenever those changes are necessary to correct administrative errors or omissions in calculating those payments or rates of reimbursement.

Notwithstanding any provision of this article, no new groups or categories of recipients and new types of care and services may be added without enabling legislation from the Mississippi Legislature, except that the division may authorize those changes without enabling legislation when the addition of recipients or services is ordered by a court of proper authority.

The executive director shall keep the Governor advised on a timely basis of the funds available for expenditure and the projected expenditures. If current or projected expenditures of the division are reasonably anticipated to exceed the amount of funds appropriated to the division for any fiscal year, the Governor, after consultation with the executive director, shall discontinue any or all of the payment of the types of care and services as provided in this section that are deemed to be optional services under Title XIX of the federal Social Security Act, as amended, and when necessary, shall institute any other cost containment measures on any program or programs authorized under the article to the extent allowed under the federal law governing that program or programs. However, the Governor shall not be authorized to discontinue or eliminate any service under this section that is mandatory under federal law, or to discontinue or eliminate, or adjust income limits or resource limits for, any eligibility category or group under Section 43-13-115. It is the intent of the Legislature that the expenditures of the division during any fiscal year shall not exceed the amounts appropriated to the division for that fiscal year.

Notwithstanding any other provision of this article, it shall be the duty of each nursing facility, intermediate care facility for the mentally retarded, psychiatric residential treatment facility, and nursing facility for the severely disabled that is participating in the Medicaid program to keep and maintain books, documents and other records as prescribed by the Division of Medicaid in substantiation of its cost reports for a period of three (3) years after the date of submission to the Division of Medicaid of an original cost report, or three (3) years after the date of submission to the Division of Medicaid of an amended cost report.

## JUDICIAL DECISIONS

### 1. In general.

Nursing home operator was not allowed to receive payment for corrected Medicaid billings after it discovered errors in its prior billings because the regulations allowing corrected patient assessments, required to be submitted to receive payment, only applied prospectively. *Beverly Enters. v. State Div. of Medicaid*, — So. 2d —, 2001 Miss. LEXIS 181 (Miss. July 19, 2001).

To determine whether health care providers are entitled to bring private right of action under 42 USCS § 1983 to challenge adequacy of state's reimbursement rates for medical services provided under Medicaid program, court must look closely at precise statutory language, and examine what is required of state as a condition of receiving federal funds. Duties that are merely generalized are to be enforced by the Secretary, not by private individuals. The right must be unambiguously conferred by the statute. The two-prong test of *Golden State Transit Corp. v. Los Ange-*

*les* (1989) 493 U.S. 103, 107 L. Ed. 3d 420, 110 S. Ct. 444, still has force: (1) plaintiff must assert violation of a federal right: the interest the plaintiff asserts must not be too vague and amorphous, and it must be examined whether the provision was intended to benefit the putative plaintiff. (2) Even when plaintiff shows a federal right, defendant may show that Congress specifically foreclosed a remedy under section 1983 by providing a comprehensive enforcement mechanism for protection of a federal right, the burden to demonstrate that Congress had expressly withdrawn such a remedy being on the defendant. *Evelyn V. v. Kings County Hosp. Ctr.*, 819 F. Supp. 183 (E.D.N.Y. 1993).

Health care providers are entitled to sue under 42 USCS § 1983 to challenge adequacy of state's reimbursement rates for medical services provided under Medicaid program. *Wilder v. Virginia Hosp. Ass'n*, 496 U.S. 498, 110 S. Ct. 2510, 110 L. Ed. 2d 455 (1990).

## ATTORNEY GENERAL OPINIONS

Adding providers of mental health services to State Medicaid Plan that are not specifically authorized in Section 43-13-117(16) could not be accomplished by relying on exception Section 43-13-117; such amendment would require statutory authority. *Wetherbee* Aug. 24, 1993, A.G. Op. #93-0536.

The language "any other cost containment measures on any program or programs authorized under the article to the extent allowed under federal law governing such program or programs," gives the

Division of Medicaid the authority to reduce and/or adjust the amount, duration, and scope of Medicaid services provided by state statute that are deemed mandatory under federal Medicaid law, to the extent allowed under federal law; further, the Division of Medicaid may adjust income limits and/or discontinue any or all Medicaid eligibility categories provided by state statute that are deemed to be optional under federal Medicaid law. *Lewis-Payton*, Apr. 24, 2002, A.G. Op. #02-0234.

It is the intent of the Legislature to expand access to Medicaid-funded home- and community-based services for eligible nursing facility residents who choose those services. The Executive Director of the Division of Medicaid is authorized to transfer funds allocated for nursing facility services for eligible residents to cover the cost of services available through the Independent Living Waiver, the Traumatic Brain Injury/Spinal Cord Injury Waiver, the Elderly and Disabled Waiver, and the Assisted Living Waiver programs when eligible residents choose those community services. The amount of funding transferred by the division shall be sufficient to cover the cost of home- and community-based waiver services for each eligible nursing facility residents who choose those services. The number of nursing facility residents who return to the community and home- and community-based waiver services shall not count against the total number of waiver slots for which the Legislature appropriates funding each year. (i) Establishing methods and procedures as may be necessary for the proper and efficient administration of this article;

(ii) Providing Medicaid to all qualified recipients under the provisions of this article as the division may determine and within the limits of appropriated funds;

(iii) Establishing reasonable fees, charges and rates for medical services and drugs; in doing so, the division shall fix all of those fees, charges and rates at the minimum levels absolutely necessary to provide the medical assistance authorized by this article, and shall not change any of those fees, charges or rates except as may be authorized in Section 43-13-117;

(iv) Providing for fair and impartial hearings;

(v) Providing safeguards for preserving the confidentiality of records; and

(vi) For detecting and processing fraudulent practices and abuses of the program;

(b) Receive and expend state, federal and other funds in accordance with court judgments or settlements and agreements between the State of Mississippi and the federal government, the rules and regulations promulgated by the division, with the approval of the Governor, and within the limitations and restrictions of this article and within the limits of funds available for that purpose;

(c) Subject to the limits imposed by this article, to submit a Medicaid plan to the United States Department of Health and Human Services for approval under the provisions of the federal Social Security Act, to act for the state in making negotiations relative to the submission and approval of that plan, to make such arrangements, not inconsistent with the law, as may be required by or under federal law to obtain and retain that approval and to secure for the state the benefits of the provisions of that law.

No agreements, specifically including the general plan for the operation of the Medicaid program in this state, shall be made by and between the division and the United States Department of Health and Human Services unless the Attorney General of the State of Mississippi has reviewed the agreements, specifically including the operational plan, and has certified in writing to the Governor and to the executive director of the division that the agreements, including the plan of operation, have been drawn strictly in accordance with the terms and requirements of this article;

(d) In accordance with the purposes and intent of this article and in compliance with its provisions, provide for aged persons otherwise eligible for the benefits provided under Title XVIII of the federal Social Security Act by expenditure of funds available for those purposes;

(e) To make reports to the United States Department of Health and Human Services as from time to time may be required by that federal department and to the Mississippi Legislature as provided in this section;

(f) Define and determine the scope, duration and amount of Medicaid that may be provided in accordance with this article and establish priorities therefor in conformity with this article;

(g) Cooperate and contract with other state agencies for the purpose of coordinating Medicaid provided under this article and eliminating duplication and inefficiency in the Medicaid program;

(h) Adopt and use an official seal of the division;

(i) Sue in its own name on behalf of the State of Mississippi and employ legal counsel on a contingency basis with the approval of the Attorney General;

(j) To recover any and all payments incorrectly made by the division to a recipient or provider from the recipient or provider receiving the payments. To recover those payments, the division may use the following methods, in addition to any other methods available to the division:

(i) The division shall report to the State Tax Commission the name of any current or former Medicaid recipient who has received medical services rendered during a period of established Medicaid ineligibility and who has not reimbursed the division for the related medical service payment(s). The State Tax Commission shall withhold from the state tax refund of the individual, and pay to the division, the amount of the payment(s) for medical services rendered to the ineligible individual that have not been reimbursed to the division for the related medical service payment(s).

(ii) The division shall report to the State Tax Commission the name of any Medicaid provider to whom payments were incorrectly made that the division has not been able to recover by other methods available to the division. The State Tax Commission shall withhold from the state tax refund of the provider, and pay to the division, the amount of the payments that were incorrectly made to the provider that have not been recovered by other available methods;

(k) To recover any and all payments by the division fraudulently obtained by a recipient or provider. Additionally, if recovery of any payments fraudulently obtained by a recipient or provider is made in any court, then, upon motion of the Governor, the judge of the court may award twice the payments recovered as damages;

(l) Have full, complete and plenary power and authority to conduct such investigations as it may deem necessary and requisite of alleged or suspected violations or abuses of the provisions of this article or of the regulations adopted under this article, including, but not limited to, fraudulent or unlawful act or deed by applicants for Medicaid or other benefits, or payments made to any person, firm or corporation under the terms, conditions and authority of this article, to suspend or disqualify any provider of services, applicant or recipient for gross abuse, fraudulent or unlawful acts for such periods, including permanently, and under such conditions as the division deems proper and just, including the imposition of a legal rate of interest on the amount improperly or incorrectly paid. Recipients who are found to have misused or abused Medicaid benefits may be locked into one (1) physician and/or one (1) pharmacy of the recipient's choice for a reasonable amount of time in order to educate and promote appropriate use of medical services, in accordance with federal regulations. If an administrative hearing becomes necessary, the division may, if the provider does not succeed in his or her defense, tax the costs of the administrative hearing, including the costs of the court reporter or stenographer and transcript, to

the provider. The convictions of a recipient or a provider in a state or federal court for abuse, fraudulent or unlawful acts under this chapter shall constitute an automatic disqualification of the recipient or automatic disqualification of the provider from participation under the Medicaid program.

A conviction, for the purposes of this chapter, shall include a judgment entered on a plea of *nolo contendere* or a nonadjudicated guilty plea and shall have the same force as a judgment entered pursuant to a guilty plea or a conviction following trial. A certified copy of the judgment of the court of competent jurisdiction of the conviction shall constitute *prima facie* evidence of the conviction for disqualification purposes;

(m) Establish and provide such methods of administration as may be necessary for the proper and efficient operation of the Medicaid program, fully utilizing computer equipment as may be necessary to oversee and control all current expenditures for purposes of this article, and to closely monitor and supervise all recipient payments and vendors rendering services under this article;

(n) To cooperate and contract with the federal government for the purpose of providing Medicaid to Vietnamese and Cambodian refugees, under the provisions of Public Law 94-23 and Public Law 94-24, including any amendments to those laws, only to the extent that the Medicaid assistance and the administrative cost related thereto are one hundred percent (100%) reimbursable by the federal government. For the purposes of Section 43-13-117, persons receiving Medicaid under Public Law 94-23 and Public Law 94-24, including any amendments to those laws, shall not be considered a new group or category of recipient; and

(o) The division shall impose penalties upon Medicaid only, Title XIX participating long-term care facilities found to be in noncompliance with division and certification standards in accordance with federal and state regulations, including interest at the same rate calculated by the United States Department of Health and Human Services and/or the Centers for Medicare and Medicaid Services (CMS) under federal regulations.

(2) The division also shall exercise such additional powers and perform such other duties as may be conferred upon the division by act of the Legislature.

(3) The division, and the State Department of Health as the agency for licensure of health care facilities and certification and inspection for the Medicaid and/or Medicare programs, shall contract for or otherwise provide for the consolidation of on-site inspections of health care facilities that are necessitated by the respective programs and functions of the division and the department.

(4) The division and its hearing officers shall have power to preserve and enforce order during hearings; to issue subpoenas for, to administer oaths to and to compel the attendance and testimony of witnesses, or the production of books, papers, documents and other evidence, or the taking of depositions before any designated individual competent to administer oaths; to examine witnesses; and to do all things conformable to law that may be necessary to

enable them effectively to discharge the duties of their office. In compelling the attendance and testimony of witnesses, or the production of books, papers, documents and other evidence, or the taking of depositions, as authorized by this section, the division or its hearing officers may designate an individual employed by the division or some other suitable person to execute and return that process, whose action in executing and returning that process shall be as lawful as if done by the sheriff or some other proper officer authorized to execute and return process in the county where the witness may reside. In carrying out the investigatory powers under the provisions of this article, the executive director or other designated person or persons may examine, obtain, copy or reproduce the books, papers, documents, medical charts, prescriptions and other records relating to medical care and services furnished by the provider to a recipient or designated recipients of Medicaid services under investigation. In the absence of the voluntary submission of the books, papers, documents, medical charts, prescriptions and other records, the Governor, the executive director, or other designated person may issue and serve subpoenas instantly upon the provider, his or her agent, servant or employee for the production of the books, papers, documents, medical charts, prescriptions or other records during an audit or investigation of the provider. If any provider or his or her agent, servant or employee refuses to produce the records after being duly subpoenaed, the executive director may certify those facts and institute contempt proceedings in the manner, time and place as authorized by law for administrative proceedings. As an additional remedy, the division may recover all amounts paid to the provider covering the period of the audit or investigation, inclusive of a legal rate of interest and a reasonable attorney's fee and costs of court if suit becomes necessary. Division staff shall have immediate access to the provider's physical location, facilities, records, documents, books, and any other records relating to medical care and services rendered to recipients during regular business hours.

(5) If any person in proceedings before the division disobeys or resists any lawful order or process, or misbehaves during a hearing or so near the place thereof as to obstruct the hearing, or neglects to produce, after having been ordered to do so, any pertinent book, paper or document, or refuses to appear after having been subpoenaed, or upon appearing refuses to take the oath as a witness, or after having taken the oath refuses to be examined according to law, the executive director shall certify the facts to any court having jurisdiction in the place in which it is sitting, and the court shall thereupon, in a summary manner, hear the evidence as to the acts complained of, and if the evidence so warrants, punish that person in the same manner and to the same extent as for a contempt committed before the court, or commit that person upon the same condition as if the doing of the forbidden act had occurred with reference to the process of, or in the presence of, the court.

(6) In suspending or terminating any provider from participation in the Medicaid program, the division shall preclude the provider from submitting claims for payment, either personally or through any clinic, group, corporation or other association to the division or its fiscal agents for any services or

supplies provided under the Medicaid program except for those services or supplies provided before the suspension or termination. No clinic, group, corporation or other association that is a provider of services shall submit claims for payment to the division or its fiscal agents for any services or supplies provided by a person within that organization who has been suspended or terminated from participation in the Medicaid program except for those services or supplies provided before the suspension or termination. When this provision is violated by a provider of services that is a clinic, group, corporation or other association, the division may suspend or terminate that organization from participation. Suspension may be applied by the division to all known affiliates of a provider, provided that each decision to include an affiliate is made on a case-by-case basis after giving due regard to all relevant facts and circumstances. The violation, failure or inadequacy of performance may be imputed to a person with whom the provider is affiliated where that conduct was accomplished within the course of his or her official duty or was effectuated by him or her with the knowledge or approval of that person.

(7) The division may deny or revoke enrollment in the Medicaid program to a provider if any of the following are found to be applicable to the provider, his or her agent, a managing employee or any person having an ownership interest equal to five percent (5%) or greater in the provider:

(a) Failure to truthfully or fully disclose any and all information required, or the concealment of any and all information required, on a claim, a provider application or a provider agreement, or the making of a false or misleading statement to the division relative to the Medicaid program.

(b) Previous or current exclusion, suspension, termination from or the involuntary withdrawing from participation in the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program. If the division ascertains that a provider has been convicted of a felony under federal or state law for an offense that the division determines is detrimental to the best interest of the program or of Medicaid beneficiaries, the division may refuse to enter into an agreement with that provider, or may terminate or refuse to renew an existing agreement.

(c) Conviction under federal or state law of a criminal offense relating to the delivery of any goods, services or supplies, including the performance of management or administrative services relating to the delivery of the goods, services or supplies, under the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program.

(d) Conviction under federal or state law of a criminal offense relating to the neglect or abuse of a patient in connection with the delivery of any goods, services or supplies.

(j) Revocation of license or certification.

(k) Failure to pay recovery properly assessed or pursuant to an approved repayment schedule under the Medicaid program.

(l) Failure to meet any condition of enrollment.

## JUDICIAL DECISIONS

### 1. In general.

To determine whether health care providers are entitled to bring private right of action under 42 USCS § 1983 to challenged adequacy of state's reimbursement rates for medical services provided under Medicaid program, court must look closely at precise statutory language, and examine what is required of state as a condition of receiving federal funds. Duties that are merely generalized are to be enforced by the Secretary, not by private individuals. The right must be unambiguously conferred by the statute. The two-prong test of *Golden State Transit Corp. v. Los Angeles* (1989) 493 U.S. 103, 107 L. Ed. 3d 420, 110 S. Ct. 444, still has force: (1) plaintiff must assert violation of a federal rights: the interest the plaintiff asserts must not be too vague and amorphous, and it must

be examined whether the provision was intended to benefit the putative plaintiff. (2) Even when plaintiff shows a federal right, defendant may show that Congress specifically foreclosed a remedy under section 1983 by providing a comprehensive enforcement mechanism for protection of a federal right, the burden to demonstrate that Congress had expressly withdrawn such a remedy being on the defendant. *Evelyn V. v. Kings County Hosp. Ctr.*, 819 F. Supp. 183 (E.D.N.Y. 1993).

Health care providers are entitled to sue under 42 USCS § 1983 to challenge adequacy of state's reimbursement rates for medical services provided under medicaid program. *Wilder v. Virginia Hosp. Ass'n*, 496 U.S. 498, 110 S. Ct. 2510, 110 L. Ed. 2d 455 (1990).

The Governor vetoed Senate Bill 2189 on April 9, 2002. The veto was overridden by both the House of Representatives and the Senate on April 12, 2002.

## JUDICIAL DECISIONS

### 1. In general.

To determine whether health care providers are entitled to bring private right of action under 42 USCS § 1983 to challenged adequacy of state's reimbursement rates for medical services provided under Medicaid program, court must look closely at precise statutory language, and examine what is required of state as a condition of receiving federal funds. Duties that are merely generalized are to be enforced by the Secretary, not by private individuals. Right must be unambiguously conferred by the statute. The two-prong test of *Golden State Transit Corp. v. Los Angeles* (1989) 493 U.S. 103, 107 L. Ed. 3d 420, 110 S. Ct. 444, still has force: (1) plaintiff must assert violation of a federal rights: the interest the plaintiff asserts must not be too vague and amorphous, and it must

be examined whether the provision was intended to benefit the putative plaintiff. (2) Even when plaintiff shows a federal right, defendant may show that Congress specifically foreclosed a remedy under section 1983 by providing a comprehensive enforcement mechanism for protection of a federal right, the burden to demonstrate that Congress had expressly withdrawn such a remedy being on the defendant. *Evelyn V. v. Kings County Hosp. Ctr.*, 819 F. Supp. 183 (E.D.N.Y. 1993).

Health care providers are entitled to sue under 42 USCS § 1983 to challenge adequacy of state's reimbursement rates for medical services provided under Medicaid program. *Wilder v. Virginia Hosp. Ass'n*, 496 U.S. 498, 110 S. Ct. 2510, 110 L. Ed. 2d 455 (1990).

## **§ 43-13-125. Recovery of Medicaid payments from third parties; compromise or settlement of claims; plaintiff's recovery of medical expenses as special damages; disposition of funds received.**

(1) If Medicaid is provided to a recipient under this article for injuries, disease or sickness caused under circumstances creating a cause of action in favor of the recipient against any person, firm or corporation, then the division shall be entitled to recover the proceeds that may result from the exercise of any rights of recovery that the recipient may have against any such person, firm or corporation to the extent of the Division of Medicaid's interest on behalf of the recipient. The recipient shall execute and deliver instruments and papers to do whatever is necessary to secure those rights and shall do nothing after Medicaid is provided to prejudice the subrogation rights of the division. Court orders or agreements for reimbursement of Medicaid's interest shall direct those payments to the Division of Medicaid, which shall be authorized to endorse any and all, including, but not limited to, multi-payee checks, drafts, money orders, or other negotiable instruments representing Medicaid pay-

ment recoveries that are received. In accordance with Section 43-13-305, endorsement of multi-payee checks, drafts, money orders or other negotiable instruments by the Division of Medicaid shall be deemed endorsed by the recipient.

The division, with the approval of the Governor, may compromise or settle any such claim and execute a release of any claim it has by virtue of this section.

(2) The acceptance of Medicaid under this article or the making of a claim under this article shall not affect the right of a recipient or his or her legal representative to recover Medicaid's interest as an element of damages in any action at law; however, a copy of the pleadings shall be certified to the division at the time of the institution of suit, and proof of that notice shall be filed of record in that action. The division may, at any time before the trial on the facts, join in that action or may intervene in that action. Any amount recovered by a recipient or his or her legal representative shall be applied as follows:

(a) The reasonable costs of the collection, including attorney's fees, as approved and allowed by the court in which that action is pending, or in case of settlement without suit, by the legal representative of the division;

(b) The amount of Medicaid's interest on behalf of the recipient; or such pro rata amount as may be arrived at by the legal representative of the division and the recipient's attorney, or as set by the court having jurisdiction; and

(c) Any excess shall be awarded to the recipient.

(3) No compromise of any claim by the recipient or his or her legal representative shall be binding upon or affect the rights of the division against the third party unless the division, with the approval of the Governor, has entered into the compromise. Any compromise effected by the recipient or his or her legal representative with the third party in the absence of advance notification to and approved by the division shall constitute conclusive evidence of the liability of the third party, and the division, in litigating its claim against the third party, shall be required only to prove the amount and correctness of its claim relating to the injury, disease or sickness. If the recipient or his or her legal representative fails to notify the division of the institution of legal proceedings against a third party for which the division has a cause of action, the facts relating to negligence and the liability of the third party, if judgment is rendered for the recipient, shall constitute conclusive evidence of liability in a subsequent action maintained by the division and only the amount and correctness of the division's claim relating to injuries, disease or sickness shall be tried before the court. The division shall be authorized in bringing that action against the third party and his or her insurer jointly or against the insurer alone.

(4) Nothing in this section shall be construed to diminish or otherwise restrict the subrogation rights of the Division of Medicaid against a third party for Medicaid provided by the Division of Medicaid to the recipient as a result of injuries, disease or sickness caused under circumstances creating a cause of action in favor of the recipient against such a third party.

(5) Any amounts recovered by the division under this section shall, by the division, be placed to the credit of the funds appropriated for benefits under this article proportionate to the amounts provided by the state and federal governments respectively.

“SECTION 341. Nothing in this act shall affect or defeat any claim, assessment, appeal, suit, right or cause of action which accrued prior to the date on which the applicable sections of this act become effective, whether such assessments, appeals, suits, claims or actions shall have been begun before the date on which the applicable sections of this act become effective or shall thereafter be begun.”

Chapter 301 of Laws of 2000, was Senate Bill 2143, 1999 Regular Session, and originally passed both Houses of the Legislature on March 30, 1999. ## JUDICIAL DECISIONS

### 1. In general.

Medicaid payments are subject to the collateral source rule; a defendant hospital did not get a break on damages when it caused permanent injuries to a poor person. *Brandon HMA, Inc. v. Bradshaw*, 809 So. 2d 611 (Miss. 2001).

Although Medicaid Commission is entitled to intervene in medical malpractice action to recover for payment of medical expenses, Commission is not entitled to participate in actual trial where defense

counsel has offered to stipulate amount due Commission in event of recovery. *Reikes v. Martin*, 471 So. 2d 385 (Miss. 1985).

Statute clearly gave Medicaid Commission the exclusive right to make claim for or bring suit for sums paid by it for recipient's injuries in an auto accident, and the recipient could not recover those sums in her suit for damages. *Adams v. Taylor*, 325 So. 2d 912 (Miss. 1976).

If the Congress or the United States Department of Health and Human Services ceases to provide federal matching funds for any group or category of recipients or any type of care and services, the division shall cease state funding for such group or category or such type of care and services, notwithstanding any provision of this article.

### § 43-13-143. Medical Care Fund.

There is created in the State Treasury a special fund to be known as the "Medical Care Fund," which shall be comprised of monies transferred by public or private health care providers, governing bodies of counties, municipalities, public or community hospitals and other political subdivisions of the state, individuals, corporations, associations and any other entities for the purpose of providing health care services. [If the hospital assessment provided in the following amendment to subsection (4) of this section is approved by the Centers for Medicare and Medicaid Services (CMS), this section shall read as follows. If the hospital assessment provided in subsection (4) of this section does not take effect or ceases to be imposed, the provisions of Section 43-13-145 shall remain in effect as existed on June 30, 2009.]

(1)(a) Upon each nursing facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A nursing facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

- (i) The United States Veterans Administration or other agency or department of the United States government;
- (ii) The State Veterans Affairs Board; or
- (iii) The University of Mississippi Medical Center.

(2)(a) Upon each intermediate care facility for the mentally retarded licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) An intermediate care facility for the mentally retarded is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

- (i) The United States Veterans Administration or other agency or department of the United States government;
- (ii) The State Veterans Affairs Board; or
- (iii) The University of Mississippi Medical Center.

(3)(a) Upon each psychiatric residential treatment facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A psychiatric residential treatment facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

- (i) The United States Veterans Administration or other agency or department of the United States government;
- (ii) The University of Mississippi Medical Center; or
- (iii) A state agency or a state facility that either provides its own state match through intergovernmental transfer or certification of funds to the division.

(4) Hospital assessment.

(a)(i) Subject to and upon fulfillment of the requirements and conditions of paragraph (f) below, and notwithstanding any other provisions of this

section, effective for state fiscal years 2010, 2011 and 2012, an annual assessment on each hospital licensed in the state is imposed on each non-Medicare hospital inpatient day as defined below at a rate that is determined by dividing the sum prescribed in this subparagraph (i), plus the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) and inpatient Medicare Upper Payment Limits (UPL) payments, by the total number of non-Medicare hospital inpatient days as defined below for all licensed Mississippi hospitals, except as provided in paragraph (d) below. If the state matching funds percentage for the Mississippi Medicaid program is sixteen percent (16%) or less, the sum used in the formula under this subparagraph (i) shall be Seventy-four Million Dollars (\$74,000,000.00). If the state matching funds percentage for the Mississippi Medicaid program is twenty-four percent (24%) or higher, the sum used in the formula under this subparagraph (i) shall be One Hundred Four Million Dollars (\$104,000,000.00). If the state matching funds percentage for the Mississippi Medicaid program is between sixteen percent (16%) and twenty-four percent (24%), the sum used in the formula under this subparagraph (i) shall be a pro rata amount determined as follows: the current state matching funds percentage rate minus sixteen percent (16%) divided by eight percent (8%) multiplied by Thirty Million Dollars (\$30,000,000.00) and add that amount to Seventy-four Million Dollars (\$74,000,000.00). However, no assessment in a quarter under this subparagraph (i) may exceed the assessment in the previous quarter by more than Three Million Seven Hundred Fifty Thousand Dollars (\$3,750,000.00) (which would be Fifteen Million Dollars (\$15,000,000.00) on an annualized basis). The division shall publish the state matching funds percentage rate applicable to the Mississippi Medicaid program on the tenth day of the first month of each quarter and the assessment determined under the formula prescribed above shall be applicable in the quarter following any adjustment in that state matching funds percentage rate. The division shall notify each hospital licensed in the state as to any projected increases or decreases in the assessment determined under this subparagraph (i). However, if the Centers for Medicare and Medicaid Services (CMS) does not approve the provision in Section 43-13-117(39) requiring the division to reimburse crossover claims for inpatient hospital services and crossover claims covered under Medicare Part B for dually eligible beneficiaries in the same manner that was in effect on January 1, 2008, the sum that otherwise would have been used in the formula under this subparagraph (i) shall be reduced by Seven Million Dollars (\$7,000,000.00).

(ii) In addition to the assessment provided under subparagraph (i), effective for state fiscal years 2010, 2011 and 2012 and thereafter, an additional annual assessment on each hospital licensed in the state is imposed on each non-Medicare hospital inpatient day as defined below at a rate that is determined by dividing twenty-five percent (25%) of any

provider reductions in the Medicaid program as authorized in Section 43-13-117(F) for that fiscal year up to the following maximum amount, plus the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) and inpatient Medicare Upper Payment Limits (UPL) payments, by the total number of non-Medicare hospital inpatient days as defined below for all licensed Mississippi hospitals: in fiscal year 2010, the maximum amount shall be Twenty-four Million Dollars (\$24,000,000.00); in fiscal year 2011, the maximum amount shall be Thirty-two Million Dollars (\$32,000,000.00); and in fiscal year 2012 and thereafter, the maximum amount shall be Forty Million Dollars (\$40,000,000.00). Any such deficit in the Medicaid program shall be reviewed by the PEER Committee as provided in Section 43-13-117(F).

(iii) In addition to the assessments provided in subparagraphs (i) and (ii), effective for state fiscal years 2010, 2011, 2012 and thereafter, an additional annual assessment on each hospital licensed in the state is imposed pursuant to the provisions of Section 43-13-117(F) if the cost containment measures described therein have been implemented and there are insufficient funds in the Health Care Trust Fund to reconcile any remaining deficit in any fiscal year. If the Governor institutes any other additional cost containment measures on any program or programs authorized under the Medicaid program pursuant to Section 43-13-117(F), hospitals shall be responsible for twenty-five percent (25%) of any such additional imposed provider cuts, which shall be in the form of an additional assessment not to exceed the twenty-five percent (25%) of provider expenditure reductions. Such additional assessment shall be imposed on each non-Medicare hospital inpatient day in the same manner as assessments are imposed under subparagraphs (i) and (ii).

(b) Payment and definitions.

(i) Payment. Upon approval of the State Plan Amendment for the division's DSH and inpatient UPL payment methodology by CMS, the assessment shall be paid in three (3) installments due no later than ten (10) days before the payment of the DSH and UPL payments required by Section 43-13-117(18), which shall be paid during the second, third and fourth quarters of the state fiscal year.

(ii) Definitions. For purposes of this subsection (4):

1. "Non-Medicare hospital inpatient day" means total hospital inpatient days including subcomponent days less Medicare inpatient days including subcomponent days from the hospital's Medicare cost report on file with CMS (for hospital fiscal year 2006) as of May 31, 2008.

a. Total hospital inpatient days shall be the sum of Worksheet S-3, Part 1, column 6 row 12, column 6 row 14.00, and column 6 row 14.01, excluding column 6 rows 3 and 4.

b. Hospital Medicare inpatient days shall be the sum of Worksheet S-3, Part 1, column 4 row 12, column 4 row 14.00, and column 4 row 14.01, excluding column 4 rows 3 and 4.

c. Inpatient days shall not include residential treatment or long-term care days.

2. "Subcomponent inpatient day" means the number of days of care charged to a beneficiary for inpatient hospital rehabilitation and psychiatric care services in units of full days. A day begins at midnight and ends twenty-four (24) hours later. A part of a day, including the day of admission and day on which a patient returns from leave of absence, counts as a full day. However, the day of discharge, death, or a day on which a patient begins a leave of absence is not counted as a day unless discharge or death occur on the day of admission. If admission and discharge or death occur on the same day, the day is considered a day of admission and counts as one (1) subcomponent inpatient day.

(c) The assessment provided in this subsection is intended to satisfy and not be in addition to the assessment and intergovernmental transfers provided in Section 43-13-117(18). Nothing in Chapter 118, Laws of 2009, Second Extraordinary Session shall be construed to authorize any state agency, division or department, or county, municipality or other local governmental unit to license for revenue, levy or impose any other tax, fee or assessment upon hospitals in this state not authorized by a specific statute.

(d) Hospitals operated by the United States Department of Veterans Affairs and state-operated facilities that provide only inpatient and outpatient psychiatric services shall not be subject to the hospital assessment provided in this subsection.

(e) Multihospital systems, closure, merger and new hospitals.

(i) If a hospital conducts, operates or maintains more than one (1) hospital licensed by the State Department of Health, the provider shall pay the hospital assessment for each hospital separately.

(ii) Notwithstanding any other provision in this section, if a hospital subject to this assessment operates or conducts business only for a portion of a fiscal year, the assessment for the state fiscal year shall be adjusted by multiplying the assessment by a fraction, the numerator of which is the number of days in the year during which the hospital operates, and the denominator of which is three hundred sixty-five (365). Immediately upon ceasing to operate, the hospital shall pay the assessment for the year as so adjusted (to the extent not previously paid).

(f) Applicability.

The hospital assessment imposed by this subsection shall not take effect and/or shall cease to be imposed if:

(i) The assessment is determined to be an impermissible tax under Title XIX of the Social Security Act; or,

(ii) CMS does not approve the division's 2009 Medicaid State Plan Amendment for its methodology for DSH and inpatient UPL payments to hospitals under Section 43-13-117(18).

This subsection (4) is repealed on July 1, 2012.

(5) Each health care facility that is subject to the provisions of this section

shall keep and preserve such suitable books and records as may be necessary to determine the amount of assessment for which it is liable under this section. The books and records shall be kept and preserved for a period of not less than five (5) years, during which time those books and records shall be open for examination during business hours by the division, the State Tax Commission, the Office of the Attorney General and the State Department of Health.

(6) Except as provided in subsection (4) of this section, the assessment levied under this section shall be collected by the division each month beginning on March 31, 2005.

(7) All assessments collected under this section shall be deposited in the Medical Care Fund created by Section 43-13-143.

(8) The assessment levied under this section shall be in addition to any other assessments, taxes or fees levied by law, and the assessment shall constitute a debt due the State of Mississippi from the time the assessment is due until it is paid.

(9)(a) If a health care facility that is liable for payment of an assessment levied by the division does not pay the assessment when it is due, the division shall give written notice to the health care facility by certified or registered mail demanding payment of the assessment within ten (10) days from the date of delivery of the notice. If the health care facility fails or refuses to pay the assessment after receiving the notice and demand from the division, the division shall withhold from any Medicaid reimbursement payments that are due to the health care facility the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. If the health care facility does not participate in the Medicaid program, the division shall turn over to the Office of the Attorney General the collection of the unpaid assessment by civil action. In any such civil action, the Office of the Attorney General shall collect the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full.

(b) As an additional or alternative method for collecting unpaid assessments levied by the division, if a health care facility fails or refuses to pay the assessment after receiving notice and demand from the division, the division may file a notice of a tax lien with the chancery clerk of the county in which the health care facility is located, for the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. Immediately upon receipt of notice of the tax lien for the assessment, the chancery clerk shall forward the notice to the circuit clerk who shall enter the notice of the tax lien as a judgment upon the judgment roll and show in the appropriate columns the name of the health care facility as judgment debtor, the name of the division as judgment creditor, the amount of the unpaid assessment, and the date and time of enrollment. The judgment shall be valid as against mortgagees, pledgees, entrusters, pur-

chasers, judgment creditors and other persons from the time of filing with the clerk. The amount of the judgment shall be a debt due the State of Mississippi and remain a lien upon the tangible property of the health care facility until the judgment is satisfied. The judgment shall be the equivalent of any enrolled judgment of a court of record and shall serve as authority for the issuance of writs of execution, writs of attachment or other remedial writs.

(10) As soon as possible after July 1, 2009, the Division of Medicaid shall submit to the Centers for Medicare and Medicaid Services (CMS) a state plan amendment or amendments (SPA) regarding the hospital assessment established under subsection (4) of this section. Before submission to CMS, the division shall transmit the SPA to the Medicaid Hospital Advisory Board created by Executive Order of the Governor, which shall review and make comment on the state plan amendment or amendments submitted to CMS, and if any of the amendments are rejected, the Medicaid Hospital Advisory Board shall recommend necessary revisions to secure approval, provided that the plan is substantially intact. In addition to defining the assessment established in subsection (4) of this section, the state plan amendment or amendments shall include any amendments necessitated by Chapter 118, Laws of 2009, Second Extraordinary Session, and shall further provide for the following additional annual Medicare Upper Payment Limits (UPL) and Disproportionate Share Hospital (DSH) payments to hospitals located in Mississippi that participate in the Medicaid program:

(a) Privately operated and nonstate government operated general acute care hospitals, within the meaning of 42 CFR Section 447.272, that have fifty (50) or fewer licensed beds as of January 1, 2009, shall receive an additional inpatient UPL payment equal to sixty-five percent (65%) of their fiscal year 2010 hospital specific inpatient UPL gap, before any payments under this subsection.

(b) General acute care hospitals licensed within the class of state hospitals shall receive an additional inpatient UPL payment equal to twenty-eight percent (28%) of their fiscal year 2007 inpatient payments, excluding DSH and UPL payments.

(c) General acute care hospitals licensed within the class of nonstate government hospitals shall receive:

(i) For fiscal year 2010, an additional inpatient UPL payment equal to fifty-six percent (56%) of their fiscal year 2007 inpatient payments, excluding DSH and UPL payments, and

(ii) For state fiscal year 2011 and after, an additional inpatient UPL payment determined by multiplying inpatient payments, excluding DSH and UPL, by the uniform percentage necessary to exhaust the maximum amount of inpatient UPL payments permissible under federal regulations. (For state fiscal year 2011, the state shall use 2008 inpatient payment data. For state fiscal year 2012, the state shall use 2009 inpatient payment data.)

(d) Free-standing psychiatric hospitals shall receive an additional inpatient UPL payment equal to Seven Hundred Sixty Dollars (\$760.00) for

fiscal years 2010 and 2011, and Seven Hundred Eighty Dollars (\$780.00), for fiscal year 2012 and thereafter, less the hospital's fiscal year 2007 average Medicaid inpatient per diem rate, multiplied by the hospital's fiscal year 2007 Medicaid inpatient days. Residential treatment days and payments shall be excluded from this calculation. The base rate for private free-standing psychiatric hospitals shall be that in use January 1, 2009, which shall not be revised or recalculated so long as the hospital assessment is in effect.

(e) If for any reason the 2009 Medicaid state plan amendment or amendments are not approved by CMS, not implemented, discontinued, or otherwise not in effect, the following reimbursement methodology for inpatient psychiatric services shall immediately become effective:

(i) If the services are provided by a nonpublic licensed acute care psychiatric facility, the services shall be reimbursed by the division using the prospective payment system used by CMS to reimburse inpatient psychiatric services, as set forth in Part 412, Subpart N of Title 42 of the Code of Federal Regulations.

(ii) If the services are provided by a nonpublic hospital (as defined in Section 41-9-3(a)) that has fifty (50) or more licensed psychiatric beds, the division shall allow the hospital to elect whether to be reimbursed for these services using the prospective payment system used by CMS to reimburse psychiatric services, as set forth in Part 412, Subpart N of Title 42 of the Code of Federal Regulations. If a hospital included in this subparagraph (ii) does not provide an affirmative election to the division, the division shall continue to reimburse the hospital under the principles outlined in Section 43-13-117.

(iii) If the services are provided by a provider other than those specified in subparagraphs (i) and (ii) of this paragraph, the division shall continue to reimburse the provider under the principles outlined in Section 43-13-117.

(f) In addition to other payments provided above, all hospitals licensed within the class of private hospitals, other than free-standing psychiatric hospitals, shall receive:

(i) For fiscal year 2010, an additional inpatient UPL payment equal to forty-nine and forty-five one-hundredths percent (49.45%) of their fiscal year 2007 inpatient payments, excluding DSH and UPL payments, and

(ii) For state fiscal year 2011 and after, an additional inpatient UPL payment determined by multiplying inpatient payments, excluding DSH and UPL, by the uniform percentage necessary to exhaust the maximum amount of UPL inpatient payments permissible under federal regulations. (For state fiscal year 2011, the state shall use 2008 inpatient payment data. For state fiscal year 2012, the state shall use 2009 inpatient payment data.)

(g) All hospitals satisfying the minimum federal DSH eligibility requirements (Section 1923(d) of the Social Security Act) shall, subject to OBRA 1993 payment limitations, receive an additional DSH payment. This

additional DSH payment shall expend the balance of the federal DSH allotment and associated state share not utilized in DSH payments to state-owned institutions for treatment of mental diseases. The payment to each hospital shall be calculated by applying a uniform percentage to the uninsured costs of each eligible hospital, excluding state-owned institutions for treatment of mental diseases; however, that percentage for a state-owned teaching hospital located in Hinds County shall be multiplied by a factor of two (2).

(h) Public hospitals permanently classified in (but not reclassified to) the Gulfport-Biloxi, MS Core-Based Statistical Area (CBSA) for hospital wage index purposes and eligible for Deficit Reduction Act Hurricane Katrina Related Stabilization Grants under Section 6201(a) (4) of the Deficit Reduction Act of 2005 shall qualify for DSH payments as follows: (i) critical access hospitals that were forced to cease operations for more than thirty (30) days as a direct result of Hurricane Katrina shall receive a multiple of two (2) times the DSH amount, and (ii) hospitals with more than four hundred (400) licensed beds and greater than thirty-five percent (35%) of total patient days during 2007 from Medicaid patients shall receive a multiple of one and one-half (1-½) times the DSH amount. This paragraph shall stand repealed on July 1, 2011.

(For state fiscal year 2010, the state shall use uninsured costs from the 2009 hospital survey. For state fiscal year 2011, the state shall use costs from the 2010 hospital survey.)

(11) The hospital assessment provided in subsection (4) of this section shall not be in effect or implemented until the SPA is approved by CMS.

(12) The division shall implement DSH and UPL calculation methodologies that result in the maximization of available federal funds.

(13) The DSH and inpatient UPL payments shall be paid on or before December 31, March 31, and June 30 of each fiscal year, in increments of one-third (⅓) of the total calculated DSH and inpatient UPL amounts.

(14) The hospital assessment as described in subsection (4) above shall be assessed and collected quarterly a maximum of ten (10) days before making the DSH and inpatient UPL payments; provided, however, that the first quarterly payment shall be assessed but not be collected until collection is made for the second quarterly payment.

(15) Hospitals shall receive the Medicare published market basket inflationary index payment increase annually.

(16) If for any reason any part of the plan for additional annual DSH and inpatient UPL payments to hospitals provided under subsection (10) of this section is not approved by CMS, the remainder of the plan shall remain in full force and effect.

(17) Subsections (10) through (16) of this section shall stand repealed on July 1, 2012.

**[If the hospital assessment provided in the above amendment to subsection (4) does not take effect or ceases to be imposed, the**

**provisions of Section 43-13-145 shall remain in effect as existed on June 30, 2009, and this section shall read as follows:]**

(1)(a) Upon each nursing facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, not exceeding the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A nursing facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government;

(ii) The State Veterans Affairs Board;

(iii) The University of Mississippi Medical Center; or

(iv) A state agency or a state facility that either provides its own state match through intergovernmental transfer or certification of funds to the division.

(2)(a) Upon each intermediate care facility for the mentally retarded licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, not exceeding the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) An intermediate care facility for the mentally retarded is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government;

(ii) The State Veterans Affairs Board; or

(iii) The University of Mississippi Medical Center.

(3)(a) Upon each psychiatric residential treatment facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, not exceeding the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A psychiatric residential treatment facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government;

(ii) The University of Mississippi Medical Center; or

(iii) A state agency or a state facility that either provides its own state match through intergovernmental transfer or certification of funds to the division.

(4)(a) Upon each hospital licensed by the State of Mississippi, there is levied an assessment in the amount of Three Dollars and Twenty-five Cents (\$3.25) per bed for each licensed inpatient acute care bed of the hospital.

(b) A hospital is exempt from the assessment levied under this subsection if the hospital is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government;

(ii) The University of Mississippi Medical Center; or

(iii) A state agency or a state facility that either provides its own state match through intergovernmental transfer or certification of funds to the division.

(5) Each health care facility that is subject to the provisions of this section shall keep and preserve such suitable books and records as may be necessary to determine the amount of assessment for which it is liable under this section. The books and records shall be kept and preserved for a period of not less than five (5) years, and those books and records shall be open for examination during business hours by the division, the State Tax Commission, the Office of the Attorney General and the State Department of Health.

(6) The assessment levied under this section shall be collected by the division each month beginning on March 31, 2005.

(7) All assessments collected under this section shall be deposited in the Medical Care Fund created by Section 43-13-143.

(8) The assessment levied under this section shall be in addition to any other assessments, taxes or fees levied by law, and the assessment shall constitute a debt due the State of Mississippi from the time the assessment is due until it is paid.

(9)(a) If a health care facility that is liable for payment of an assessment levied by the division does not pay the assessment when it is due, the division shall give written notice to the health care facility by certified or registered mail demanding payment of the assessment within ten (10) days from the date of delivery of the notice. If the health care facility fails or refuses to pay the assessment after receiving the notice and demand from the division, the division shall withhold from any Medicaid reimbursement payments that are due to the health care facility the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. If the health care facility does not participate in the Medicaid program, the division shall turn over to the Office of the Attorney General the collection of the unpaid assessment by civil action. In any such civil action, the Office of the Attorney General shall collect the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full.

(b) As an additional or alternative method for collecting unpaid assessments levied by the division, if a health care facility fails or refuses to pay the assessment after receiving notice and demand from the division, the division may file a notice of a tax lien with the circuit clerk of the county in which the health care facility is located, for the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. Immediately upon receipt of notice of the tax lien for the assessment, the circuit clerk shall enter the notice of the tax lien as a judgment upon the judgment roll and show in the appropriate columns the name of the health

care facility as judgment debtor, the name of the division as judgment creditor, the amount of the unpaid assessment, and the date and time of enrollment. The judgment shall be valid as against mortgagees, pledgees, entrusters, purchasers, judgment creditors and other persons from the time of filing with the clerk. The amount of the judgment shall be a debt due the State of Mississippi and remain a lien upon the tangible property of the health care facility until the judgment is satisfied. The judgment shall be the equivalent of any enrolled judgment of a court of record and shall serve as authority for the issuance of writs of execution, writs of attachment or other remedial writs.

Effective July 1, 2010, Section 27-3-4 provides that the terms “Mississippi State Tax Commission,” ‘State Tax Commission,’ ‘Tax Commission’ and ‘commission’ appearing in the laws of this state in connection with the performance of the duties and functions by the Mississippi State Tax Commission, the State Tax Commission or Tax Commission shall mean the Department of Revenue.”

**§ 43-13-147. Mississippi Medicaid Program and Children's Health Insurance Program to examine and improve hospital discharge and follow-up care procedures for certain premature infants and implement programs to improve newborn outcomes; reporting of data regarding rehospitalization of certain premature infants.**

(1) The Mississippi Medicaid Program and the Children's Health Insurance Program, in consultation with statewide organizations focused on premature infant healthcare, shall:

(a) Examine and improve hospital discharge and follow-up care procedures for premature infants born earlier than thirty-seven (37) weeks gestational age to ensure standardized and coordinated processes are followed as premature infants leave the hospital from either a Level 1 (well baby nursery), Level 2 (step down or transitional nursery) or Level 3 (neonatal intensive care unit) unit and transition to follow-up care by a health care provider in the community; and

(b) Use guidance from the Centers for Medicare and Medicaid Services' Neonatal Outcomes Improvement Project to implement programs to improve newborn outcomes, reduce newborn health costs and establish ongoing quality improvement for newborns.

(2) Data regarding the incidence and cause of rehospitalization in the first six (6) months of life for infants born premature at earlier than thirty-seven (37) weeks gestational age shall be reported to the Chairman of the House Public Health and Human Services Committee and the Chairman of the Senate Public Health and Welfare Committee by the Mississippi State Department of Health utilizing the mandated hospital discharge data system authorized in Section 41-63-4.

**SOURCES:** Laws, 2009, ch. 553, § 3, eff from and after July 1, 2009.

**Editor's Note** — Laws of 2009, ch. 553, §§ 1 and 2 provide:

"SECTION 1. It is the purpose of this act to:

"(a) Improve health care quality and outcomes for infants born preterm through enhanced hospital discharge, follow-up care and management processes and reduced rehospitalization; and

"(b) Reduce infant morbidity and mortality associated with prematurity."

"SECTION 2. The Legislature makes the following findings:

"(a) According to the Institute for Medicine, although there has been significant attention focused on neonatal intensive care for extremely preterm infants, little attention has been given to the majority of late-preterm infants born at thirty-four (34) through thirty-six (36) weeks gestational age. Even though these late-preterm infants may appear larger in size, are still more vulnerable to complications and disabilities than full-term infants. All babies born premature, including late-preterm infants, are at risk for a host of health and developmental issues that can last into and sometimes beyond childhood.

“(b) Premature births are rising in Mississippi: eighteen and eight-tenths percent (18.8%) of Mississippi births were preterm in 2005, and premature births increased twenty-two percent (22%) in Mississippi between 1995 and 2005.

“(c) In Mississippi, premature birth rates were highest in African Americans twenty-two and four-tenths percent (22.4%) followed by Whites fifteen percent (15%) and Hispanics thirteen and six-tenths percent (13.6%) in 2002-2004.

“(d) Mississippi Medicaid paid for fifty-five and eight-tenths percent (55.8%) of all births in 2002.

“(e) The direct employer health care cost for premature infants in their first year are fifteen (15) times greater than healthy full-term infants: Forty-one Thousand Six Hundred Ten Dollars (\$41,610.00) versus Two Thousand Eight Hundred Thirty Dollars (\$2,830.00).

“(f) There are no standardized procedures for hospital discharge and follow-up care of premature infants. As a result, babies born premature may leave the hospital after birth without adequate discharge and follow-up care plans in place to ensure they receive appropriate care to address their special health needs once they are home in their community.

“(g) Although there is growing evidence that late-preterm infants are at increased risk for morbidity and mortality compared to full-term infants, late-preterm infants may not be identified or managed any differently than full-term infants.

“(h) Without organized discharge care plans, premature babies are more likely to experience gaps in health care. These infants require diligent evaluation, monitoring, referral and early return appointments for both post-neonatal evaluation and also continued long-term follow-up care.

“(i) It is important to focus on the care and management of premature infants because the number of babies born premature at less than thirty-seven (37) weeks gestational age continues to grow in the United States with an increase of twenty percent (20%) since 1990 and nine percent (9%) since only 2000.

“(j) In 2005, twelve and seven-tenths (12.7%) of all births were premature at less than thirty-seven (37) weeks gestational age, or more than five hundred twenty-five thousand (525,000) infants.

“(k) The increase in premature birth rates in recent years is primarily associated with a rise in late-preterm births (thirty-four (34) through thirty-six (36) weeks gestational age), which has increased twenty-five percent (25%) since 1990 and account for seventy percent (70%) of all preterm births. Although multiple births have contributed to this rise, substantial increases in preterm birth rates, and especially late-preterm rates, have occurred because of singleton birth rates since 1990.

“(l) Several studies have found that late-preterm infants have greater morbidity and mortality than full-term infants.

“(m) Late-preterm infants have a mortality rate that is three (3) times greater than full-term infants, with the highest risk occurring during the neonatal period.

“(n) Late-preterm babies have significant differences in clinical outcomes than full-term infants during the birth hospitalization, including greater risk for temperature instability, hypoglycemia, respiratory distress, and jaundice.

“(o) Late-preterm infants have higher rates of rehospitalization during their first full year of life compared to full-term infants.

“(p) The costs of premature births are significant: For the initial hospitalization after birth, the average length of stay for full-term infants was two and two-tenths (2.2) days and the average cost was Two Thousand Eighty-seven Dollars (\$2,087.00), whereas late-preterm infants had a substantially longer average stay of eight and eight-tenths (8.8) days and cost of Twenty-six Thousand Fifty-four Dollars (\$26,054.00). The average cost for late-preterm infants in their first year of life was Thirty-eight Thousand Three Hundred One Dollars (\$38,301.00) versus Six Thousand One Hundred Fifty-six Dollars (\$6,156.00) for full-term infants. Late-preterm infants had higher costs across every type of medical service category compared to full-term infants, including inpatient

hospitalizations, well baby physician office visits, outpatient hospital services, home health care services and prescription drug use.

“(q) The most frequent causes of rehospitalization for late-preterm infants are RSV bronchiolitis, bronchiolitis (cause unspecified), pneumonia (cause unspecified), esophageal reflux and vascular implant complications.

“(r) Because all premature infants, and especially late-preterm infants born at thirty-four (34) through thirty-six (36) weeks gestational age, have higher risks for medical complications and rehospitalizations compared to full-term infants, stakeholders should examine and improve the discharge process, follow-up care and management of these infants to foster better health outcomes and lower risks for rehospitalizations and complications.”

**JUDICIAL DECISIONS**

**1. Sufficient evidence.**

There was sufficient evidence presented to convict defendant of Medicaid fraud, even though a patient admitted that he had lied in the past about seeing medical providers, because the documentation

provided by defendant falsely indicated that defendant had actually spoken to the providers; moreover, allowing the verdict to stand would not have sanctioned an unconscionable injustice. *Woods v. State*, 965 So. 2d 725 (Miss. Ct. App. 2007).

**§ 43-13-215. Penalties.**

A person who violates any provision of Sections 43-13-205 through 43-13-213 shall be guilty of a felony, and, upon conviction thereof, shall be punished by imprisonment for not more than five (5) years, or by a fine of not more than Fifty Thousand Dollars (\$50,000.00), or both. Sentences imposed for convictions of separate offenses under this article may run consecutively.

## JUDICIAL DECISIONS

### 1. In general.

Treble civil penalty of \$84,460.60 for Medicaid fraud, and imposition of prison sentence after defendant failed to pay penalty, did not constitute double jeopardy when considered with other punishment received when defendant pleaded

guilty, such as a fine for actual amount of fraud and two-year probation; all punishment was imposed in a single proceeding, and punishment was within statutory authority. *Jennings v. State*, 700 So. 2d 1326 (Miss. 1997).

### § 43-13-227. Injunction; appointment of receiver for residential health care facility.

(1) As a means of protecting the health, safety and welfare of patients in residential health care facilities, including hospitals and nursing homes, whenever there is probable cause that any acts or omissions in violation of this article have been committed by a person who is in control of assets purchased, in whole or in part, directly or indirectly, with funds from the Medicaid program and is likely to convert, destroy or remove those assets, the attorney general, acting through the director of the fraud control unit, shall be authorized to petition the chancery court of the county in which those assets may be found to enjoin the person in control of the assets from converting, destroying or removing those assets, and to appoint a receiver to manage those assets until the investigation and any litigation are completed.

(2) The chancery court shall, immediately upon receipt of the petition of the attorney general, acting through the director of the fraud control unit, enjoin the person in control of the assets from converting, destroying or removing those assets.

(3) The chancery court shall issue an order to show cause why a receiver should not be appointed, returnable within ten (10) days after filing of the petition.

(2) Reimbursement under the Medicaid program shall not be available for services furnished by a provider or vendor who is otherwise eligible for Medicaid benefits during any period when such provider or vendor has refused to provide the attorney general and the director of the fraud control unit such information as the unit may request in order to complete its investigation.

**§ 43-13-303. Inclusion of medical support in child support enforcement orders; procedures for health insurance enrollment in child support cases; duties of health insurers and employers; withholding of reimbursement amounts from parent's state tax refund.**

(1) The Department of Human Services, in administering its child support enforcement program on behalf of Medicaid and non-Medicaid recipients, or any other attorney representing a Medicaid recipient, shall include a prayer for medical support in complaints and other pleadings in obtaining a child support order whenever health-care coverage is available to the absent parent at a reasonable cost. Nothing in this section shall be construed to contradict the provisions of Section 43-19-101(6).

(2) Health insurance enrollment shall be on the form prescribed by the Department of Human Services unless a court or administrative order stipulates an alternative form of health-care coverage other than employer-based coverage. Employers must complete the employer response and return to the Department of Human Services within twenty (20) days. Employers must transfer the Medical Support Notice to Plan Administrator Part B to the appropriate group health plan providing any such health-care coverage for which the child(ren) is eligible within twenty (20) business days after the date of the notice. Employers must withhold any obligation of the employee for employee contributions necessary for coverage of the child(ren) and send any amount withheld directly to the plan. Employees may contest the withholding based on a mistake of fact. If the employee contests such withholding, the employer must initiate withholding until such time as the employer receives notice that the contest is resolved. Employers must notify the Department of Human Services promptly whenever the noncustodial parent's employment is terminated in the same manner as required for income withholding cases.

(3) Health insurers, including, but not limited to, ERISA plans, preferred provider organizations, and HMOs, shall not have contracts that limit or exclude payments if the individual is eligible for Medicaid, is not claimed as a dependent on the federal income tax return, or does not reside with the parent or in the insurer's service area.

Health insurers and employers shall honor court or administrative orders by permitting enrollment of a child or children at any time and by allowing enrollment by the custodial parent, the Division of Medicaid, or the Child Support Enforcement Agency if the absent parent fails to enroll the child(ren).

The health insurer and the employer shall not disenroll a child unless written documentation substantiates that the court order is no longer in effect, the child will be enrolled through another insurer, or the employer has eliminated family health coverage for all of its employees.

The employer shall allow payroll deduction for the insurance premium from the absent parent's wages and pay the insurer. The health insurer and the employer shall not impose requirements on the Medicaid recipient that are different from those applicable to any other individual. The health insurer

shall provide pertinent information to the custodial parent to allow the child to obtain benefits and shall permit custodial parents to submit claims to the insurer.

The health insurer and employer shall notify the Division of Medicaid and the Department of Human Services when lapses in coverage occur in court-ordered insurance. If the noncustodial parent has provided such coverage and has changed employment, and the new employer provides health-care coverage, the Department of Human Services shall transfer notice of the provision to the employer, which notice shall operate to enroll the child in the noncustodial parent's health plan, unless the noncustodial parent contests the notice. The health insurer and employer shall allow payments to the provider of medical services, shall honor the assignment of rights to third-party sources by the Medicaid recipient and the subrogation rights of the Division of Medicaid as set forth in Section 43-13-305, Mississippi Code of 1972, and shall permit payment to the custodial parent.

The employer shall allow the Division of Medicaid to garnish wages of the absent parent when such parent has received payment from the third party for medical services rendered to the insured child and such parent has failed to reimburse the Division of Medicaid to the extent of the medical service payment.

Any insurer or the employer who fails to comply with the provisions of this subsection shall be liable to the Division of Medicaid to the extent of payments made to the provider of medical services rendered to a recipient to which the third party or parties, is, are, or may be liable.

(4) The Division of Medicaid shall report to the Mississippi State Tax Commission an absent parent who has received third-party payment(s) for medical services rendered to the insured child and who has not reimbursed the Division of Medicaid for the related medical service payment(s). The Mississippi State Tax Commission shall withhold from the absent parent's state tax refund, and pay to the Division of Medicaid, the amount of the third-party payment(s) for medical services rendered to the insured child and not reimbursed to the Division of Medicaid for the related medical service payment(s).

**§ 43-13-305. Assignment of rights against third parties; appointment of Division as attorney-in-fact; direction of payments to Division.**

(1) By accepting Medicaid from the Division of Medicaid in the Office of the Governor, the recipient shall, to the extent of the payment of medical expenses by the Division of Medicaid, be deemed to have made an assignment to the Division of Medicaid of any and all rights and interests in any third-party benefits, hospitalization or indemnity contract or any cause of action, past, present or future, against any person, firm or corporation for Medicaid benefits provided to the recipient by the Division of Medicaid for injuries, disease or sickness caused or suffered under circumstances creating a cause of action in favor of the recipient against any such person, firm or corporation as set out in Section 43-13-125. The recipient shall be deemed, without the necessity of signing any document, to have appointed the Division of Medicaid as his or her true and lawful attorney-in-fact in his or her name, place and stead in collecting any and all amounts due and owing for medical expenses paid by the Division of Medicaid against such person, firm or corporation.

(2) Whenever a provider of medical services or the Division of Medicaid submits claims to an insurer on behalf of a Medicaid recipient for whom an assignment of rights has been received, or whose rights have been assigned by the operation of law, the insurer must respond within sixty (60) days of receipt of a claim by forwarding payment or issuing a notice of denial directly to the submitter of the claim. The failure of the insuring entity to comply with the provisions of this section shall subject the insuring entity to recourse by the Division of Medicaid in accordance with the provision of Section 43-13-315. The Division of Medicaid shall be authorized to endorse any and all, including, but not limited to, multi-payee checks, drafts, money orders or other negotiable instruments representing Medicaid payment recoveries that are received by the Division of Medicaid.

(3) Court orders or agreements for medical support shall direct such payments to the Division of Medicaid, which shall be authorized to endorse any and all checks, drafts, money orders or other negotiable instruments representing medical support payments which are received. Any designated medical support funds received by the State Department of Human Services or through its local county departments shall be paid over to the Division of Medicaid. When medical support for a Medicaid recipient is available through an absent parent or custodial parent, the insuring entity shall direct the medical support payment(s) to the provider of medical services or to the Division of Medicaid.

## § 43-13-401. Declaration of legislative intent.

It is declared by the Legislature that the funds received by the State of Mississippi from tobacco companies in settlement of a certain lawsuit brought against those companies by the State of Mississippi, or as a result of the settlement of any lawsuit brought against tobacco companies by another state, should be applied toward improving the health and health care of the citizens and residents of the state. It is the intent of the Legislature by this article to provide the manner and means necessary to carry out those purposes.

## JUDICIAL DECISIONS

### 1. Appropriation of funds.

Chancery court order of December 22, 2000, directing that \$20 million per year be given to the partnership, a non-profit organization created to reduce underage smoking, had to be vacated since it was void ab initio because it violated the state law and the tobacco settlement agreement; because the order was void ab initio, it necessarily followed that the subse-

quently-entered orders were likewise void, and accordingly the chancellor erred in failing to direct the partnership to pay over all remaining funds derived from the December 22, 2000, order and subsequent orders to the Mississippi Health Care Trust Fund. Hood ex rel. State Tobacco Litigation v. State, 958 So. 2d 790 (Miss. 2007).

## ATTORNEY GENERAL OPINIONS

Monies appropriated from the Health Care Expendable Fund to a state agency may not be transferred to the general fund under existing law since the proceeds of the settlement of a certain lawsuit brought against tobacco companies by the

state are to be held by the state in a fiduciary capacity for the benefit of the health care of the citizens of the state and monies in the expendable fund can only be spent for health care purposes. Moody, Feb. 15, 2001, A.G. Op. #2001-0120.

## § 43-13-403. Definitions.

When used in this article, the following definitions shall apply, unless the context requires otherwise:

(a) "Health Care Trust Fund" means the trust fund established by Section 43-13-405 for the deposit of the funds received by the State of

Mississippi as a result of the tobacco settlement, including income from the investment of those funds.

(b) "Health Care Expendable Fund" means the fund established by Section 43-13-407 for the annual transfer of certain funds from the Health Care Trust Fund that are available for appropriation by the Legislature.

(c) "Income" means all interest and dividends derived from the investment of any tobacco settlement funds and any capital gains from the sale or exchange of those investments.

(d) "Tobacco settlement" means the settlement of the case of Mike Moore, Attorney General ex rel. State of Mississippi v. The American Tobacco Company et al. (Chancery Court of Jackson County, Mississippi, Cause No. 94-1429) and the settlement of any case brought against tobacco companies by another state.

**§ 43-13-405. Establishment of Health Care Trust Fund; fund to remain inviolate [Repealed effective July 1, 2011].**

(1) In accordance with the purposes of this article, there is established in the State Treasury the Health Care Trust Fund, into which shall be deposited Two Hundred Eighty Million Dollars (\$280,000,000.00) of the funds received by the State of Mississippi as a result of the tobacco settlement as of the end of fiscal year 1999, and all tobacco settlement installment payments made in subsequent years for which the use or purpose for expenditure is not restricted by the terms of the settlement, except as otherwise provided in Section 43-13-407(2) and (3) and Section 41-113-11. All income from the investment of the funds in the Health Care Trust Fund shall be credited to the account of the Health Care Trust Fund. The funds in the Health Care Trust Fund at the end of a fiscal year shall not lapse into the State General Fund.

(2) The Health Care Trust Fund shall remain inviolate and shall never be expended, except as provided in this article. The Legislature shall appropriate from the Health Care Trust Fund such sums as are necessary to recoup any funds lost as a result of any of the following actions:

(a) The federal Centers for Medicare and Medicaid Services, or other agency of the federal government, is successful in recouping tobacco settlement funds from the State of Mississippi;

(b) The federal share of funds for the support of the Mississippi Medicaid Program is reduced directly or indirectly as a result of the tobacco settlement;

(c) Federal funding for any other program is reduced as a result of the tobacco settlement; or

(d) Tobacco cessation programs are mandated by the federal government or court order.

(3) This section shall stand repealed on July 1, 2011.

**Amendment Notes** — The 2007 amendment inserted "and Section 41-113-11" in (1).

The 2009 amendment extended the repeal date of the section by substituting "July 1, 2011" for "July 1, 2010" in (3).

## JUDICIAL DECISIONS

1. Legislative intent.
2. Appropriation of funds.

### 1. Legislative intent.

With regard to Miss. Code Ann. § 43-13-405(2)(d), the language of the statute is clear that the legislature shall appropriate from the Mississippi Health Care Trust Fund such sums as necessary to recoup any funds lost as a result of any tobacco cessation programs mandated by the federal government or court order, and does not grant any court authority to allocate those funds; the statute expressly states that the funds had to come from the Mississippi Health Care Trust Fund, not directly from the tobacco installment payments, and that the funds had to be appropriated by the legislature. *Hood ex rel. State Tobacco Litigation v. State*, 958 So. 2d 790 (Miss. 2007).

### 2. Appropriation of funds.

Twenty million dollars given annually to the partnership, a non-profit organization created to reduce under age smoking, was never appropriated, but instead the chancery court entered a December 2000 order on an ex parte motion by the Mississippi Attorney General; however, the chancery court was not authorized by law to make such a modification, and the tobacco installment payments were monies that unquestionably belonged to the state, and all of those payments, including the annual payments which were diverted to the partnership, should have been placed in the Mississippi Health Care Trust Fund until properly appropriated by the legislature. *Hood ex rel. State Tobacco*

*Litigation v. State*, 958 So. 2d 790 (Miss. 2007).

Chancery court order of December 22, 2000, directing that \$20 million per year be given to the partnership, a non-profit organization created to reduce underage smoking, had to be vacated since it was void ab initio because it violated the state law and the tobacco settlement agreement; because the order was void ab initio, it necessarily followed that the subsequently-entered orders were likewise void, and accordingly the chancellor erred in failing to direct the partnership to pay over all remaining funds derived from the December 22, 2000, order and subsequent orders to the Mississippi Health Care Trust Fund. *Hood ex rel. State Tobacco Litigation v. State*, 958 So. 2d 790 (Miss. 2007).

Miss. Code Ann. § 43-13-405(1) requires that all of the tobacco installment payments are to be made to the Mississippi Health Care Trust Fund unless restricted by the terms of the settlement agreement, but the settlement agreement never restricted \$20 million of the tobacco installment payments for a program which was currently run by the partnership; in addition, according to the very terms of the settlement agreement, the pilot program run by the partnership was set to last for a 24-month period, and the continued funding of the initial pilot program through the partnership occurred only after an ex parte proceeding attended by the chancellor and the state attorney general. *Hood ex rel. State Tobacco Litigation v. State*, 958 So. 2d 790 (Miss. 2007).

**§ 43-13-407. Establishment of Health Care Expendable Fund; annual transfers from Health Care Trust Fund; expenditures to be exclusively for health care purposes [Subsections (1), (2), (5) and (6) repealed effective July 1, 2012].**

(1) **[Repealed effective July 1, 2012]** — In accordance with the purposes of this article, there is established in the State Treasury the Health Care Expendable Fund, into which shall be transferred from the Health Care Trust Fund the following sums:

(a) In fiscal year 2005, Four Hundred Fifty-six Million Dollars (\$456,000,000.00);

(b) In fiscal year 2006, One Hundred Eighty-six Million Dollars (\$186,000,000.00);

(c) In fiscal year 2007, One Hundred Eighty-six Million Dollars (\$186,000,000.00);

(d) In fiscal year 2008, One Hundred Six Million Dollars (\$106,000,000.00);

(e) In fiscal year 2009, Ninety-two Million Two Hundred Fifty Thousand Dollars (\$92,250,000.00);

(f) In the fiscal year beginning after the calendar year in which none of the amount of the annual tobacco settlement installment payment will be deposited into the Health Care Expendable Fund as provided in subsection (3) (d) of this section, and in each fiscal year thereafter, a sum equal to the average annual amount of the dividends, interest and other income, including increases in value of the principal, earned on the funds in the Health Care Trust Fund during the preceding four (4) fiscal years.

(2) **[Repealed effective July 1, 2012]** — In any fiscal year in which interest, dividends and other income from the investment of the funds in the Health Care Trust Fund are not sufficient to fund the full amount of the annual transfer into the Health Care Expendable Fund as required in subsection (1)(f) of this section, the State Treasurer shall transfer from tobacco settlement installment payments an amount that is sufficient to fully fund the amount of the annual transfer.

(3) Beginning with calendar year 2009, at the time that the State of Mississippi receives the tobacco settlement installment payment for each calendar year, the State Treasurer shall deposit the following amounts of each of those installment payments into the Health Care Expendable Fund:

(a) In calendar years 2009 and 2010, the total amount of the installment payment;

(b) In calendar year 2011, the amount of the installment payment less Ten Million Dollars (\$10,000,000.00);

(c) In calendar year 2012, the amount of the installment payment less Twenty Million Dollars (\$20,000,000.00);

(d) In calendar year 2013, and each calendar year thereafter, the amount of the installment payment to be deposited into the Health Care Expendable Fund shall be reduced by an additional Ten Million Dollars

(\$10,000,000.00) each calendar year until the calendar year that the amount of the installment payment that otherwise would be deposited into the Health Care Expendable Fund is less than the average annual amount of the dividends, interest and other income, including increases in value of the principal, earned on the funds in the Health Care Trust Fund during the preceding four (4) fiscal years. Beginning with that calendar year and each calendar year thereafter, none of the amount of the installment payment shall be deposited into the Health Care Expendable Fund.

(4) The total sum of Two Hundred Forty Million Dollars (\$240,000,000.00) plus interest at the rate of five percent (5%) per annum shall be transferred into the Health Care Trust Fund from the State General Fund during fiscal years 2011 through 2018 to repay the trust fund for Two Hundred Forty Million Dollars (\$240,000,000.00) of the total sum that is transferred from the trust fund to the Health Care Expendable Fund during fiscal year 2005 under subsection (1)(a) of this section. The repayment shall be made according to the following schedule: During each of fiscal years 2011 through 2017, the State Fiscal Officer shall transfer from the General Fund to the Health Care Trust Fund the sum of Thirty-eight Million Dollars (\$38,000,000.00), and during fiscal year 2018 the State Fiscal Officer shall transfer from the State General Fund to the Health Care Trust Fund a sum in the amount certified by the State Treasurer as necessary to fully repay the balance of the Two Hundred Forty Million Dollars (\$240,000,000.00) plus interest at the rate of five percent (5%) per annum.

(5) **[Repealed effective July 1, 2012]** — If Medicaid expenditures are projected to exceed the amount of funds appropriated to the Division of Medicaid in any fiscal year in excess of the expenditure reductions to providers, funds shall be transferred by the State Fiscal Officer from the Health Care Trust Fund into the Health Care Expendable Fund and then to the Governor's Office, Division of Medicaid, in the amount and at such time as requested by the Governor to reconcile the deficit.

(6) **[Repealed effective July 1, 2012]** — All income from the investment of the funds in the Health Care Expendable Fund shall be credited to the account of the Health Care Expendable Fund. Any funds in the Health Care Expendable Fund at the end of a fiscal year shall not lapse into the State General Fund.

(7) **[Repealed effective July 1, 2012]** — The funds in the Health Care Expendable Fund shall be available for expenditure under specific appropriation by the Legislature beginning in fiscal year 2000, and shall be expended exclusively for health care purposes.

(8) The provisions of subsection (1) of this section may not be changed in any manner except upon amendment to that subsection by a bill enacted by the Legislature with a vote of not less than three-fifths (¾) of the members of each house present and voting.

(9) Subsections (1), (2), (5), (6) and (7) of this section shall stand repealed on July 1, 2012.

## ATTORNEY GENERAL OPINIONS

Monies appropriated from the Health Care Expendable Fund to a state agency may not be transferred to the general fund under existing law since the proceeds of the settlement of a certain lawsuit brought against tobacco companies by the

state are to be held by the state in a fiduciary capacity for the benefit of the health care of the citizens of the state and monies in the expendable fund can only be spent for health care purposes. Moody, Feb. 15, 2001, A.G. Op. #2001-0120.

## JUDICIAL DECISIONS

**1. Recoupment of funds.**

Motion to intervene filed by the Governor of Mississippi, the Mississippi Division of Medicaid, and the Mississippi Health Care Trust Fund could not be set aside for a perceived lack of statutory or legal authority because: (1) the Governor unquestionably had not only the statutory but also the constitutional authority to intervene since the Governor was under a solemn duty to act in order to assure faithful execution of Mississippi's laws; (2) the division had a compelling interest to

see that the annual payments of \$20 million were placed in the Mississippi Health Care Trust Fund because the suit was initially brought to recoup monies expended by the division; (3) the Mississippi Health Care Trust Fund was authorized to recoup funds paid to a partnership, a non-profit organization created to reduce under age smoking; and (4) the Mississippi Attorney General declined to take action. Hood ex rel. State Tobacco Litigation v. State, 958 So. 2d 790 (Miss. 2007).

## ATTORNEY GENERAL OPINIONS

**§ 43-14-1. Interagency Coordinating Council for Children and Youth established; purpose; System of Care program; composition and function of council; Interagency System of Care Council; Multidisciplinary Assessment and Planning Resource (MAP) teams; funds contributed by participating state agencies. [Repealed effective July 1, 2010].**

(1) The purpose of this chapter is to provide for the development and implementation of a coordinated interagency system of necessary services and care for children and youth up to age twenty-one (21) with serious emotional/behavioral disorders including, but not limited to, conduct disorders, or mental illness who require services from a multiple services and multiple programs system, and who can be successfully diverted from inappropriate institutional placement. This program is to be done in the most fiscally responsible (cost efficient) manner possible, based on an individualized plan of care which takes into account other available interagency programs, including, but not limited to, Early Intervention Act of Infants and Toddlers, Section 41-87-1 et seq., Early Periodic Screening Diagnosis and Treatment, Section 43-13-117(5), waived program for home- and community-based services for developmentally disabled people, Section 43-13-117(29), and waived program for targeted case management services for children with special needs, Section 43-13-117(31), those children identified through the federal Individuals with Disabilities Education Act of 1997 as having a serious emotional disorder (EMD), the Mississippi Children's Health Insurance Program Phase I and Phase II and waived programs for children with serious emotional disturbances, Section 43-13-117(46), and is tied to clinically appropriate outcomes. Some of the outcomes are to reduce the number of inappropriate out-of-home placements inclusive of those out-of-state and to reduce the number of inappropriate school suspensions and expulsions for this population of children. From and after July 1, 2001, this coordinated interagency system of necessary services and care shall be named the System of Care program. Children to be served by this chapter who are eligible for Medicaid shall be screened through the Medicaid Early Periodic Screening Diagnosis and Treatment (EPSDT) and their needs for medically necessary services shall be

certified through the EPSDT process. For purposes of this chapter, a "System of Care" is defined as a coordinated network of agencies and providers working as a team to make a full range of mental health and other necessary services available as needed by children with mental health problems and their families. The System of Care shall be:

- (a) Child centered, family focused and family driven;
- (b) Community based;
- (c) Culturally competent and responsive; and shall provide for:
  - (i) Service coordination or case management;
  - (ii) Prevention and early identification and intervention;
  - (iii) Smooth transitions among agencies, providers, and to the adult service system;
  - (iv) Human rights protection and advocacy;
  - (v) Nondiscrimination in access to services;
  - (vi) A comprehensive array of services;
  - (vii) Individualized service planning;
  - (viii) Services in the least restrictive environment;

The council shall meet before August 1, 2001, and shall organize for business by selecting a chairman, who shall serve for a one-year term and may not serve consecutive terms. The council shall adopt internal organizational procedures necessary for efficient operation of the council. Each member of the council shall designate necessary staff of their departments to assist the ICCCY in performing its duties and responsibilities. The ICCCY shall meet and conduct business at least twice annually. The chairman of the ICCCY shall notify all persons who request such notice as to the date, time and place of each meeting.

(3) The Interagency System of Care Council is created to serve as the state management team for the ICCCY, with the responsibility of collecting and analyzing data and funding strategies necessary to improve the operation of the System of Care programs, and to make recommendations to the ICCCY and to the Legislature concerning such strategies on or before December 31, 2002. The System of Care Council also has the responsibility of coordinating the local Multidisciplinary Assessment and Planning (MAP) teams and may

apply for grants from public and private sources necessary to carry out its responsibilities. The Interagency System of Care Council shall be comprised of one (1) member from each of the appropriate child-serving divisions or sections of the State Department of Health, the Department of Human Services, the State Department of Mental Health, the State Department of Education, the Division of Medicaid of the Governor's Office, the Department of Rehabilitation Services, a family member representing a family education and support 501(c)3 organization, a representative from the Council of Administrators for Special Education/Mississippi Organization of Special Education Supervisors (CASE/MOSES) and a family member designated by Mississippi Families as Allies for Children's Mental Health, Inc. Appointments to the Interagency System of Care Council shall be made within sixty (60) days after June 30, 2001. The council shall organize by selecting a chairman from its membership to serve on an annual basis, and the chairman may not serve consecutive terms.

(4)(a) There is established a statewide system of local Multidisciplinary Assessment and Planning Resource (MAP) teams. The MAP teams shall be comprised of one (1) representative each at the county level from the major child-serving public agencies for education, human services, health, mental health and rehabilitative services approved by respective state agencies of the Department of Education, the Department of Human Services, the Department of Health, the Department of Mental Health and the Department of Rehabilitation Services. Three (3) additional members may be added to each team, one (1) of which may be a representative of a family education/support 501(c)3 organization with statewide recognition and specifically established for the population of children defined in Section 43-14-1. The remaining members will be representatives of significant community-level stakeholders with resources that can benefit the population of children defined in Section 43-14-1.

(b) For each local existing MAP team that is established pursuant to paragraph (a) of this subsection, there shall also be established an "A" (Adolescent) team which shall work with a MAP team. The "A" teams shall provide System of Care services for nonviolent youthful offenders who have serious behavioral or emotional disorders. Each "A" team shall be comprised of, at a minimum, the following five (5) members:

- (ii) A community mental health professional;
- (iii) A social services/child welfare professional;
- (iv) A youth court counselor; and
- (v) A parent who had a child in the juvenile justice system who committed a nonviolent offense.

(5) The Interagency Coordinating Council for Children and Youth may provide input relative to how each agency utilizes its federal and state statutes, policy requirements and funding streams to identify and/or serve children and youth in the population defined in Section 43-14-1. The ICCCY shall support the implementation of the plans of the respective state agencies

for comprehensive multidisciplinary care, treatment and placement of these children.

(6) The ICCCY shall oversee a pool of state funds that may be contributed by each participating state agency and additional funds from the Mississippi Tobacco Health Care Expenditure Fund, subject to specific appropriation therefor by the Legislature. Part of this pool of funds shall be available for increasing the present funding levels by matching Medicaid funds in order to increase the existing resources available for necessary community-based services for Medicaid beneficiaries.

(7) The local coordinating care MAP team will facilitate the development of the individualized System of Care programs for the population targeted in Section 43-14-1.

(8) Each local MAP team shall serve as the single point of entry to ensure that comprehensive diagnosis and assessment occur and shall coordinate needed services through the local coordinating care entity for the children named in subsection (1). Local children in crisis shall have first priority for access to the MAP team processes and local System of Care programs.

(9) The Interagency Coordinating Council for Children and Youth shall facilitate monitoring of the performance of local MAP teams.

(10) Each state agency named in subsection (2) of this section shall enter into a binding interagency agreement to participate in the oversight of the statewide System of Care programs for the children and youth described in this section. The agreement shall be signed and in effect by July 1 of each year.

(11) This section shall stand repealed from and after July 1, 2010.

## JUDICIAL DECISIONS

### 1. In general.

Federal Law governing Aid to Families with Dependent Children (AFDC) program does not prohibit state from grouping all needy children living in same household under care of one relative into single unit for purposes of eligibility and

benefits determinations even where such grouping results in decreases in maximum per capita AFDC benefits to some families. *Anderson v. Edwards*, 514 U.S. 143, 115 S. Ct. 1291, 131 L. Ed. 2d 178 (1995).

**§ 43-15-5. Administration of child welfare services.**

(1) The Department of Human Services shall have authority and it shall be its duty to administer or supervise all public child welfare services, including those services, responsibilities, duties and powers with which the county departments of human services are charged and empowered in this article; administer and supervise the licensing and inspection of all private child placing agencies; provide for the care of dependent and neglected children in foster family homes or in institutions, supervise the care of such children and those of illegitimate birth; supervise the importation of children; and supervise the operation of all state institutions for children. The Department of Human Services shall be authorized to purchase hospital and medical insurance coverage for those children placed in foster care by the state or county departments of human services who are not otherwise eligible for medical assistance under the Mississippi Medicaid Law. The Department of Human Services shall be further authorized to purchase burial or life insurance not exceeding One Thousand Five Hundred Dollars (\$1,500.00) for those children placed in foster care by the state or county departments of human services. All insurance coverage authorized herein may be purchased with any funds other than state funds available to the Department of Human Services, including those funds available to the child which are administered by the department.

(2) Any person, partnership, group, corporation, organization or association desiring to operate a child residential home, as defined in Section 43-16-3, may make application for a license for such a facility to the Department of Human Services on the application forms furnished for this purpose by the department. If an applicant meets the published rules and regulations of the department regarding minimum standards for a child residential home, then the applicant shall be granted a license by the department.

**Joint Legislative Committee Note** — Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected errors in this section. The words “this chapter” in (1) have been changed to “this article.” The words “State Department of Public Welfare” appearing throughout this section have been changed to “Department of Human Services.” The words “county departments of public welfare” appearing throughout (1) have been changed to “county departments of human services.” The Joint Committee ratified these corrections at its June 29, 2000, meeting.

**Editor’s Note** — Laws of 1992, ch. 439, § 1, effective from and after July 1, 1992, provides as follows:

“SECTION 1. (1) The State Department of Human Services is hereby authorized and directed to compile all existing statutes and agency regulations relating to children’s matters, rights and programs and to publish same in a Compendium of Mississippi Children’s Laws and Regulations for the use of legal practitioners, agency personnel and the general public.

“(2) The Department of Human Services shall be responsible for implementing this section only to the extent that monies are appropriated by the Legislature for that purpose or made available through grants from the federal government or other sources.”

## JUDICIAL DECISIONS

### 1. Ministerial duties.

In a child's suit against the Mississippi Department of Human Services (DHS), failure to properly investigate a child's allegations of sexual abuse by an em-

ployee of a youth care facility was a ministerial act for which DHS could be held liable. *Miss. Dep't of Human Servs. v. S.W.*, 974 So. 2d 253 (Miss. Ct. App. 2007).

If no disqualifying record is identified at the state level, the fingerprints shall be forwarded by the Department of Public Safety to the FBI for a national criminal history record check.

(3) An owner, operator, employee, prospective employee, volunteer or prospective volunteer of the entity and/or any other that has or may have unsupervised access to a child who has a criminal history of conviction or pending indictment of a crime, whether a misdemeanor or a felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of children as set forth in this chapter may not provide child care or operate, or be licensed as, a residential child care program, foster parent, or foster home.

(4) All fees incurred in compliance with this section shall be borne by the individual or entity to which subsection (1) applies.

(5) The Department of Human Services shall have the authority to set fees, to exclude a particular crime or crimes or a substantiated finding of child abuse and/or neglect as disqualifying individuals or entities from providing foster care or residential child care, and adopt such other rules and regulations as may be required to carry out the provisions of this section.

(6) Any entity that violates the provisions of this section by failure to complete sex offense criminal history record information and felony conviction record information checks, as required under subsection (3) of this section, shall be subject to a penalty of up to Ten Thousand Dollars (\$10,000.00) for each such violation and may be enjoined from further operation until it complies with this section in actions maintained by the Attorney General.

(7) The Department of Human Services and/or its officers, employees, attorneys, agents and representatives shall not be held civilly liable for any findings, recommendations or actions taken pursuant to this section.

## JUDICIAL DECISIONS

### 1. In general.

In exercising the jurisdiction conferred by Code 1942, section 7361, on boards of supervisors to bind out as apprentices poor orphans and children whose parents are unable to support them, it is only necessary that the citation be served on the minor in person. *Moore v. Allen*, 72 Miss. 273, 16 So. 600 (1894).

The board of supervisors in each county has jurisdiction of poor orphans therein, and is authorized to direct the supervisors

of the district in which any such orphans are to bind them out. *Board of Supvrs. v. Leigh*, 69 Miss. 754, 13 So. 854 (1892).

Where a board makes an order directing one of its members to procure a home for certain poor orphans in the county, and the custody is withheld from him, he may obtain the custody of the children by habeas corpus that they may be dealt with according to law. *Board of Supvrs. v. Leigh*, 69 Miss. 754, 13 So. 854 (1892).

## ATTORNEY GENERAL OPINIONS

Under Section 43-1-12, the board of supervisors has the authority to make a contribution of county funds to the child care and placement services program ad-

ministered by the county department of human services. *Smith*, February 23, 1995, A.G. Op. #95-0048.

**§ 43-15-13. Foster care placement program; objectives; system of individualized plans and reviews; training program for persons who provide foster care and relative care; placement priorities and goals; changes in placement; notice to families; rights and responsibilities of persons who provide foster care and relative care.**

(1) For purposes of this section, “children” means persons found within the state who are under the age of twenty-one (21) years, and who were placed in the custody of the Department of Human Services by the youth court of the appropriate county.

(2) The Department of Human Services shall establish a foster care placement program for children whose custody lies with the department, with the following objectives:

(a) Protecting and promoting the health, safety and welfare of children;

(b) Preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems and preventing the breakup of the family where the prevention of child removal is desirable and possible when the child can be cared for at home without endangering the child’s health and safety;

(c) Remedying or assisting in the solution of problems that may result in the neglect, abuse, exploitation or delinquency of children;

(d) Restoring to their families children who have been removed, by the provision of services to the child and the families when the child can be cared for at home without endangering the child’s health and safety;

(e) Placing children in suitable adoptive homes approved by a licensed adoption agency or family protection specialist, in cases where restoration to the biological family is not safe, possible or appropriate;

(f) Assuring safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. At the time of placement, the department shall implement concurrent planning, as described in subsection (8) of this section, so that permanency may occur at the earliest opportunity. Consideration of possible failure or delay of reunification should be given, to the end that the placement made is the best available placement to provide permanency for the child; and

(g) Providing a family protection specialist or worker or team of such specialists or workers for a family and child throughout the implementation of their permanent living arrangement plan. Wherever feasible, the same family protection specialist or worker or team shall remain on the case until the child is no longer under the jurisdiction of the youth court.

(3) The Department of Human Services shall administer a system of individualized plans and reviews once every six (6) months for each child under

its custody within the State of Mississippi, each child who has been adjudged a neglected, abandoned or abused child and whose custody was changed by court order as a result of that adjudication, and each public or private facility licensed by the department. The Department of Human Services administrative review shall be completed on each child within the first three (3) months and a foster care review once every six (6) months after the child's initial forty-eight-hour shelter hearing. That system shall be for the purpose of enhancing potential family life for the child by the development of individual plans to return the child to its natural parent or parents, or to refer the child to the appropriate court for termination of parental rights and placement in a permanent relative's home, adoptive home or foster/adoptive home. The goal of the Department of Human Services shall be to return the child to its natural parent(s) or refer the child to the appropriate court for termination of parental rights and placement in a permanent relative's home, adoptive home or foster/adoptive home within the time periods specified in this subsection or in subsection (4) of this section. In furthering this goal, the department shall establish policy and procedures designed to appropriately place children in permanent homes, the policy to include a system of reviews for all children in foster care, as follows: foster care counselors in the department shall make all possible contact with the child's natural parent(s) and any interested relative for the first two (2) months following the child's entry into the foster care system. For any child who has been in foster care for fifteen (15) of the last twenty-two (22) months regardless of whether the foster care was continuous for all of those twenty-two (22) months, the department shall file a petition to terminate the parental rights of the child's parents. The time period starts to run from the date the court makes a finding of abuse and/or neglect or sixty (60) days from when the child was removed from his or her home, whichever is earlier. The department can choose not to file a termination of parental rights petition if the following apply:

(a) The child is being cared for by a relative; and/or

(b) The department has documented compelling and extraordinary reasons why termination of parental rights would not be in the best interests of the child. Before granting or denying a request by the department for an extension of time for filing a termination of parental rights action, the court shall receive a written report on the progress which a parent of the child has made in treatment, to be made to the court in writing by a mental health/substance abuse therapist or counselor.

(4) In the case of any child who is placed in foster care on or after July 1, 1998, except in cases of aggravated circumstances prescribed in Section 43-21-603(7) (c) or (d), the child's natural parent(s) will have a reasonable time to be determined by the court, which shall not exceed a six-month period of time, in which to meet the service agreement with the department for the benefit of the child unless the department has documented extraordinary and compelling reasons for extending the time period in the best interest of the child. If this agreement has not been satisfactorily met, simultaneously the child will be referred to the appropriate court for termination of parental rights

and placement in a permanent relative's home, adoptive home or a foster/adoptive home. For children under the age of three (3) years, termination of parental rights shall be initiated within six (6) months, unless the department has documented compelling and extraordinary circumstances, and placement in a permanent relative's home, adoptive home or foster/adoptive home within two (2) months. For children who have been abandoned under the provisions of Section 97-5-1, termination of parental rights shall be initiated within thirty (30) days and placement in an adoptive home shall be initiated without necessity for placement in a foster home. The department need not initiate termination of parental rights proceedings where the child has been placed in durable legal custody or long-term or formalized foster care by a court of competent jurisdiction.

(5) The foster care review once every six (6) months shall be conducted by the youth court or its designee(s), and/or by personnel within the Department of Human Services or by a designee or designees of the department and may include others appointed by the department, and the review shall include at a minimum an evaluation of the child based on the following:

(a) The extent of the care and support provided by the parents or parent, while the child is in temporary custody;

(b) The extent of communication with the child by parents, parent or guardian;

(c) The degree of compliance by the agency and the parents with the social service plan established;

(d) The methods of achieving the goal and the plan establishing a permanent home for the child;

(e) Social services offered and/or utilized to facilitate plans for establishing a permanent home for the child; and

(f) Relevant testimony and recommendations from the foster parent of the child, the grandparents of the child, the guardian ad litem of the child, representatives of any private care agency that has cared for the child, the family protection worker or family protection specialist assigned to the case, and any other relevant testimony pertaining to the case.

Each child's review plan once every six (6) months shall be filed with the court which awarded custody and shall be made available to natural parents or foster parents upon approval of the court. The court shall make a finding as to the degree of compliance by the agency and the parent(s) with the child's social service plan. The court also shall find that the child's health and safety are the paramount concern. In the interest of the child, the court shall, where appropriate, initiate proceedings on its own motion. The Department of Human Services shall report to the Legislature as to the number of those children, the findings of the foster care review board and relevant statistical information in foster care in a semiannual report to the Legislature to be submitted to the Joint Oversight Committee of the Department of Human Services. The report shall not refer to the specific name of any child in foster care.

(6) The Department of Human Services, with the cooperation and assistance of the State Department of Health, shall develop and implement a

training program for foster care parents to indoctrinate them as to their proper responsibilities upon a child's entry into their foster care. The program shall provide a minimum of twelve (12) clock hours of training. The foster care training program shall be satisfactorily completed by such foster care parents before or within ninety (90) days after child placement with the parent. Record of the foster care parent's training program participation shall be filed with the court as part of a foster care child's review plan once every six (6) months.

(7) When the Department of Human Services is considering placement of a child in a foster home and when the department deems it to be in the best interest of the child, the department shall give first priority to placing the child in the home of one (1) of the child's relatives within the third degree, as computed by the civil law rule. In placing the child in a relative's home, the department may waive any rule, regulation or policy applicable to placement in foster care that would otherwise require the child to have a separate bed or bedroom or have a bedroom of a certain size, if placing the child in a relative's home would be in the best interest of the child and those requirements cannot be met in the relative's home.

(8) The Legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practicably possible. To achieve this goal, the Department of Human Services is directed to conduct concurrent planning so that a permanent living arrangement may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status. When a child is placed in foster care or relative care, the department shall first ensure and document that reasonable efforts were made to prevent or eliminate the need to remove the child from the child's home. The department's first priority shall be to make reasonable efforts to reunify the family when temporary placement of the child occurs or shall request a finding from the court that reasonable efforts are not appropriate or have been unsuccessful. A decision to place a child in foster care or relative care shall be made with consideration of the child's health, safety and best interests. At the time of placement, consideration should also be given so that if reunification fails or is delayed, the placement made is the best available placement to provide a permanent living arrangement for the child. The department shall adopt rules addressing concurrent planning for reunification and a permanent living arrangement. The department shall consider the following factors when determining appropriateness of concurrent planning:

- (a) The likelihood of prompt reunification;
- (b) The past history of the family;
- (c) The barriers to reunification being addressed by the family;
- (d) The level of cooperation of the family;
- (e) The foster parents' willingness to work with the family to reunite;

(f) The willingness and ability of the foster family or relative placement to provide an adoptive home or long-term placement;

(g) The age of the child; and

(h) Placement of siblings.

(9) If the department has placed a child in foster care or relative care under a court order, the department may not change the child's placement unless the department specifically documents to the court that the current placement is unsafe or unsuitable or that another placement is in the child's best interests unless the new placement is in an adoptive home or other permanent placement. Except in emergency circumstances as determined by the department or where the court orders placement of the child under Section 43-21-303, the foster parents, grandparents or other relatives of the child shall be given an opportunity to contest the specific reasons documented by the department at least seventy-two (72) hours before any such departure, and the court may conduct a review of that placement unless the new placement is in an adoptive home or other permanent placement. When a child is returned to foster care or relative care, the former foster parents or relative placement shall be given the prior right of return placement in order to eliminate additional trauma to the child.

(10) The Department of Human Services shall provide the foster parents, grandparents or other relatives with at least a seventy-two-hour notice of departure for any child placed in their foster care or relative care, except in emergency circumstances as determined by the department or where the court orders placement of the child under Section 43-21-303. The parent/legal guardian, grandparents of the child, guardian ad litem and the court exercising jurisdiction shall be notified in writing when the child leaves foster care or relative care placement, regardless of whether the child's departure was planned or unplanned. The only exceptions to giving a written notice to the parent(s) are when a parent has voluntarily released the child for adoption or the parent's legal rights to the child have been terminated through the appropriate court with jurisdiction.

(11) The Department of Human Services shall extend the following rights to persons who provide foster care and relative care:

(a) A clear understanding of their role while providing care and the roles of the birth parent(s) and the placement agency in respect to the child in care;

(b) Respect, consideration, trust and value as a family who is making an important contribution to the agency's objectives;

(c) Involvement in all the agency's crucial decisions regarding the child as team members who have pertinent information based on their day-to-day knowledge of the child in care;

(d) Support from the family protection worker or the family protection specialist in efforts to do a better day-to-day job in caring for the child and in working to achieve the agency's objectives for the child and the birth family through provision of:

(i) Pertinent information about the child and the birth family;

- (ii) Help in using appropriate resources to meet the child's needs;
- (iii) Direct interviews between the family protection worker or specialist and the child, previously discussed and understood by the foster parents;
- (e) The opportunity to develop confidence in making day-to-day decisions in regard to the child;
- (f) The opportunity to learn and grow in their vocation through planned education in caring for the child;
- (g) The opportunity to be heard regarding agency practices that they may question;

## JUDICIAL DECISIONS

### 1. In general.

Mother, whose parental rights had been terminated, argued that the Department of Human Services (DHS) failed to implement a reasonable plan for family reunification; however, the appellate court noted that the lower court and DHS gave more time to comply with a service agreement than what Miss. Code Ann. § 43-15-13 allowed. In re S.T.M.M., 942 So. 2d 266 (Miss. Ct. App. 2006).

Termination of the mother’s parental rights was appropriate pursuant to Miss. Code Ann. § 43-15-13(3) and Miss. Code

Ann. § 93-15-105(1) because the Department of Human Services (DHS) had the statutory duty to file for termination of the mother’s parental rights even though the mother was still in the legal custody of the DHS. In the Interest of C.B.Y., 936 So. 2d 974 (Miss. Ct. App. 2006).

The statute does not provide for the court to be bound by the Department of Human Services’s consent or the lack thereof to the adoption of a child in its custody. L.W. v. C.W.B., 762 So. 2d 323 (Miss. 2000).

## § 43-15-15. Registry of children in custody of State Department of Public Welfare and public or private agencies.

The State Department of Public Welfare shall maintain a registry of children whose custody lies with them and private or public agencies licensed by the department. Said registry shall contain classifications of children as:

(a) Temporary custody for evaluation, not to exceed three (3) months;

- (b) Temporary custody not to exceed one (1) year with the plan to return custody to the natural parents;
- (c) Temporary custody, not to exceed two (2) years, with a plan to free for adoption;
- (d) Children freed for adoption;
- (e) Children ages fourteen (14) and above who have voluntarily chosen not to be adopted and cannot be returned to their own homes; and
- (f) Children who are institutionalized and for whom placement in an adoptive home is not feasible.

### **§ 43-15-17. Payments for supportive services; relative care payments.**

(1) The Department of Human Services is authorized to make such payments as may be appropriate for supportive services to facilitate either the return of children to their natural parents or their adoption, depending upon and contingent upon the availability of the Department of Human Services securing or having sufficient funds to render this supportive service. Upon court order, the parent(s) shall be responsible for reimbursing the department for any foster care or kinship care payments made on behalf of his or her child, based upon financial ability to pay, until such time as there is a termination of parental rights regarding the child, or the child is adopted.

(2) For those children placed in foster care by the state or county departments of human services, the department shall make monthly payments for the support of these children's room and board, clothing, allowance and personal needs. From and after July 1, 1998, and subject to the availability of funds specifically appropriated therefor, the Department of Human Services' foster care and therapeutic care monthly payment schedule in effect before that date shall be increased by One Hundred Dollars (\$100.00) per month, with that minimum payment not to preclude the department from increasing payments in later years as funds become available. From and after July 1, 1998, in order for foster parents to receive the monthly payments authorized under this subsection (2), the Department of Human Services shall require foster care placements to be licensed as foster care homes and shall require prospective foster parents to satisfactorily complete an appropriate training program that emphasizes the goal of the foster care program to provide stable foster placement until a permanency outcome is achieved.

(3) For a child placed in the care of the child's relative within the third degree by the state or county departments of human services, the department shall make monthly payments to defray the relative's expense of furnishing

room and board. The department's relative care payment shall be in an amount up to one hundred percent (100%) of the amount of the foster care board payment. The department may continue to make those payments to the relative after the department relinquishes legal custody of the child to the relative. Any such payments for relative care shall be subject to specific appropriation therefor by the Legislature.

**Amendment Notes** — The 2007 amendment inserted “or kinship care” following “any foster care” in the last sentence of (1); substituted “before that date” for “prior to that date” and “in later years” for “in subsequent years” in the second sentence of (2); added (3); and made minor stylistic changes.

The 2008 amendment deleted “State” preceding “Department of Human Services” two times in (1); and rewrote (3).

### § 43-15-19. Adoption resource exchange registry.

(1) The State Department of Public Welfare shall maintain a Mississippi Adoption Resource Exchange registry, which shall contain a total listing of all children freed for adoption as well as a listing of all persons who wish to adopt children and who are approved by a licensed adoption agency in the State of Mississippi. Said registry shall be distributed to all county welfare directors and licensed adoption agencies within the state and shall be updated at least quarterly. The State Department of Public Welfare shall establish regulations for listing descriptive characteristics while protecting the privacy of the children's names. Listed names shall be removed when adoption placement plans are made for a child or when a person withdraws an application for adoption.

(2) Adoptive parents shall be given the option of having their names placed in the registry. They shall be required to give written authority to the county welfare department to place their names in the registry and said authorization shall be forwarded to the state department of public welfare, division of social services, for approval.

(2) No person, agency, association, corporation, institution, society or other organization, except a child placement agency licensed by the Department of Public Welfare under Section 43-15-5, shall request, receive or accept any compensation or thing of value, directly or indirectly, for placing out of a child.

(3) No person shall pay or give any compensation or thing of value, directly or indirectly, for placing out of a child to any person, agency, association, corporation, institution, society or other organization except a child placement agency licensed by the Department of Public Welfare.

(4) The provisions of this section shall not be construed to (a) prevent the payment of salaries or other compensation by a child placement agency licensed by the Department of Public Welfare to the officers or employees thereof; (b) prevent the payment of legal fees, which have been approved by the chancery court, to an attorney for services performed in regard to adoption proceedings; (c) prevent the payment of reasonable and actual medical fees or hospital charges for services rendered in connection with the birth or medical treatment of such child to the physician or hospital which rendered the services; or (d) prevent the receipt of such payments by such attorney, physician or hospital.

(5) Any person, agency, association, corporation, institution, society or other organization violating the provisions of this section shall be guilty of illegal placement of children and shall be punished by a fine not to exceed Five Thousand Dollars (\$5,000.00) or by imprisonment not more than five (5) years, or both such fine and imprisonment.

1. Construction.

#### 1. Construction.

In the context of Miss. Code Ann. § 43-15-23, the word "arrange" means to place in proper, desired, or convenient order, to come to an agreement or understanding regarding, and to prepare or plan. *Balouch v. State*, 938 So. 2d 253 (Miss. 2006).

#### 2. Thing of value.

In order to prove defendant guilty of placing out a child, the state need only prove defendant directly or indirectly requested a thing of value, and Miss. Code Ann. § 43-15-23 does not require defendant actually receive anything of value. *Balouch v. State*, 938 So. 2d 253 (Miss. 2006).

#### 3. Conviction reversed.

Defendant's conviction of illegal placement of a child for compensation was reversed; based upon the testimony of the complainants, the State clearly failed to meet its burden of proving the requisite compensation element essential to a conviction under Miss. Code Ann. § 43-15-23. Each of the witnesses testified that defendant informed him/her that the \$ 5,000 would be used for an attorney's paperwork and plane fare, and defendant never at any time requested compensation for herself. *Balouch v. State*, 938 So. 2d 262 (Miss. Ct. App. 2005).

An elected official shall not be precluded from serving as a foster parent under this act [Chapter 516, Laws of 1998], and any payments on behalf of or for the benefit of a foster child shall not be considered a contract of interest or compensation or financial income to the elected official in violation of Section 109 of the Mississippi Constitution or any related statutes.

#### MULTIDISCIPLINARY CHILD PROTECTION TEAMS.

SEC.

43-15-51. Formation of multidisciplinary child protection teams to evaluate and

investigate reports of child abuse and neglect; membership; order of Youth Court prerequisite to formation of teams; participation by experts and child advocacy centers; disclosure of information obtained from task force meetings prohibited.

**§ 43-15-51. Formation of multidisciplinary child protection teams to evaluate and investigate reports of child abuse and neglect; membership; order of Youth Court prerequisite to formation of teams; participation by experts and child advocacy centers; disclosure of information obtained from task force meetings prohibited.**

(1) The district attorneys or the Department of Human Services may initiate formal cooperative agreements with the appropriate agencies to create multidisciplinary child protection teams in order to implement a coordinated multidisciplinary team approach to intervention in reports involving alleged severe or potential felony child physical or sexual abuse, exploitation, or maltreatment. The multidisciplinary team also may be known as a child abuse task force. The purpose of the team or task force shall be to assist in the evaluation and investigation of reports and to provide consultation and coordination for agencies involved in child protection cases. The agencies to be included as members of the multidisciplinary team are: the district attorney's office, city and county law enforcement agencies, county attorneys, youth court prosecutors, and other agencies as appropriate.

(2) To implement the multidisciplinary child abuse team, the team or task force must be authorized by court order from the appropriate Youth Court. The court order will designate which agencies will participate in the cooperative multidisciplinary team.

(3)(a) Teams created under this section may invite other persons to serve on the team who have knowledge of and experience in child abuse and neglect matters. These persons may include licensed mental and physical health practitioners and physicians, dentists, representatives of the district attorney's office and the Attorney General's office, experts in the assessment and treatment of substance abuse or sexual abuse, the victim assistance coordinator of the district attorney's office and staff members of a child advocacy center.

(b)(i) A child advocacy center means an agency that advocates on behalf of children alleged to have been abused and assists in the coordination of the investigation of child abuse by providing a location for forensic interviews and promoting the coordination of services for children alleged to have been abused. A child advocacy center provides services that include, but are not limited to, forensic medical examinations, mental health and related support services, court advocacy, consultation, training for social workers, law enforcement training, and child abuse multidisciplinary teams; and staffing of multidisciplinary teams.

(ii) Child advocacy centers may provide a video-taped forensic interview of the child in a child friendly environment or separate building. The

purpose of the video-taped forensic interview is to prevent further trauma to a child in the investigation and prosecution of child physical and sexual abuse cases. Child advocacy centers can also assist child victims by providing therapeutic counseling subsequent to the interview by a qualified therapist. Child advocacy centers can also assist law enforcement and prosecutors by acquainting child victim witnesses and their parents or guardians to the courtroom through child court school programs.

(4) A team or task force created under this section shall review records on cases referred to the team by the Department of Human Services or law enforcement or the district attorney's office. The team shall meet at least monthly.

(5) No person shall disclose information obtained from a meeting of the multidisciplinary team unless necessary to comply with Department of Human Services' regulations or conduct and proceeding in Youth Court or criminal court proceedings or as authorized by a court of competent jurisdiction.

**§ 43-15-117. General restrictions; advertising restrictions; no licensing requirement for attorney providing legal services in connection with adoption; regulation of fees; written disclosure of fees and charges.**

(1) Except as provided in this article, no person, agency, firm, corporation, association or group children's home may engage in child placing, or solicit money or other assistance for child placing, without a valid license issued by the division. No out-of-state child-placing agency that provides a full range of services, including, but not limited to, adoptions, foster family homes, adoption counseling services or financial aid, may operate in this state without a valid license issued by the division. No child-placing agency shall advertise in the media markets in Mississippi seeking birth mothers or their children for adoption purposes unless the agency holds a valid and current license issued either by the division or the authorized governmental licensing agency of another state that regulates child-placing agencies. Any child-placing agency, physician or attorney who advertises for child placing or adoption services in Mississippi shall be required by the division to show their principal office location on all media advertising for adoption services.

(2) An attorney who provides legal services to a client in connection with proceedings for the adoption of a child by the client, who does not receive, accept or provide custody or care for the child for the purposes specified in Section 43-15-103(c), shall not be required to have a license under this article to provide those legal services.

(3) An attorney, physician or other person may assist a parent in identifying or locating a person interested in adopting the parent's child, or in identifying or locating a child to be adopted. However, no payment, charge, fee, reimbursement of expense, or exchange of value of any kind, or promise or agreement to make the same, may be made for that assistance.

(4) Nothing in this section precludes payment of reasonable fees for medical, legal or other lawful services rendered in connection with the care of a mother, delivery and care of a child including, but not limited to, the mother's living expenses, or counseling for the parents and/or the child, and for the legal proceedings related to lawful adoption proceedings; and no provision of this section abrogates the right of procedures for independent adoption as provided by law.

(5) The division is specifically authorized to promulgate rules under the Administrative Procedures Law, Title 25, Chapter 43, Mississippi Code of 1972, to regulate fees charged by licensed child-placing agencies, if it determines that the practices of those licensed child-placing agencies demonstrates that the fees charged are excessive or that any of the agency's practices are

deceptive or misleading; however, those rules regarding fees shall take into account the use of any sliding fee by an agency that uses a sliding fee procedure to permit prospective adoptive parents of varying income levels to utilize the services of those agencies or persons.

(6) The division shall promulgate rules under the Administrative Procedures Law, Title 25, Chapter 43, Mississippi Code of 1972, to require that all licensed child-placing agencies provide written disclosures to all prospective adoptive parents of any fees or other charges for each service performed by the agency or person, and file an annual report with the division that states the fees and charges for those services, and to require them to inform the division in writing thirty (30) days in advance of any proposed changes to the fees or charges for those services.

(7) The division is specifically authorized to disclose to prospective adoptive parents or other interested persons any fees charged by any licensed child-placing agency, attorney or counseling service or counselor for all legal and counseling services provided by that licensed child-placing agency, attorney or counseling service or counselor.

(a) Deny, suspend or revoke a license or place the licensee on probation, if the division discovers that a licensee is not in compliance with the laws, standards or regulations governing its operation, and/or it finds evidence of aiding, abetting or permitting the commission of any illegal act; or

(b) Restrict or prohibit new admissions to the licensee's program or facility, if the division discovers that a licensee is not in compliance with the laws, standards or regulations governing its operation, and/or it finds evidence of aiding, abetting or permitting the commission of any illegal act.

(2) If placed on probation, the agency or licensee shall post a copy of the notice in a conspicuous place as directed by the division and with the agency's or individual's license, and the agency shall notify the custodians of each of the children in its care in writing of the agency's status and the basis for the probation.

The Child Residential Home Notification Act (§ 43-16-1 et seq.) applied to a children's home operated by a church congregation, even though the Act does not specifically provide that it applies to homes which are affiliated with churches,

since the Act's provision that it applies to any "organization" or "association" which operates a children's home is generic phraseology which encompasses a children's home operated by a church. *Fountain v. State ex rel. State Dep't of Health*, 608 So. 2d 705 (Miss. 1992).

#### § 43-17-1. Temporary Assistance to Needy Families Program.

(1) The State of Mississippi hereby accepts all of the mandatory provisions and benefits, with the exception of those provisions under which the state may exercise its options, of Title I of an act passed by the Senate and House of Representatives of the United States of America, in Congress assembled, entitled: "The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193)," and known as the Temporary Assistance to Needy Families (TANF) program.

(2) The Department of Human Services shall have all necessary authority to cooperate with the federal government in the administration of Public Law 104-193 and all subsequent federal amendments thereto, to administer any legislation pursuant thereto enacted by the State of Mississippi, and to administer the funds provided by the federal government and the State of Mississippi under the provisions of Section 43-17-1 et seq., for providing temporary assistance for needy families with minor children. The Department of Human Services shall have full authority to formulate state plans consistent with state law as necessary to administer and operate federal grant funds which provide temporary assistance for needy families with minor children under Title IV-A of the federal Social Security Act. The Department of Human Services shall identify in any state plan submitted to implement the TANF program those requirements or restrictions, including persons excluded from program participation which are required under federal law, and those program requirements or restrictions which the federal law authorizes but does not require.

(3) Any funds received by the State of Mississippi under the provisions of Public Law 104-193 shall be subject to appropriation by the Legislature and consistent with the terms and conditions required under such appropriation.

(4) The purpose of the Mississippi Temporary Assistance to Needy Families (TANF) program shall be to:

(a) Provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives when such care is beneficial and may be monitored on a random basis by the Department of Human Services or the State Department of Health;

(b) End the dependence of needy families on government benefits by promoting job preparation, work and marriage through, among other things, job placement, job training and job retention;

(c) Prevent and reduce the incidence of out-of-wedlock pregnancies and establish annual numerical goals for preventing and reducing the incidence of these pregnancies;

(d) Encourage the formation and maintenance of two-parent families; and

(e) Prevent program fraud and abuse.

(5) The Department of Human Services shall develop outcome and output indicators for each program established under the authority of this section. These measures shall provide legislators and administrators with information which measures the success or failure of the department in implementing the programs implemented under the authority of this section. The department shall annually report to the Legislature the outputs and outcomes of these programs, with the first report due by December 15, 1997. Such reports shall include recommendations for making programs more effective or efficient which can be effected in accordance with federal law.

(6) Assistance may be granted under this chapter to any dependent child and a caretaker relative who are living in a suitable family home meeting the standards of care and health and work requirements fixed by the laws of this state, and the rules and regulations of the State Department of Human Services.

(b) "County department" means the county department of human services and the county director of human services of each of the several counties in this state.

(c) "Dependent child" means a needy child under the age of eighteen (18), who has been deprived of parental support or care by reason of the death, continued absence from the home, or physical or mental incapacity of a parent, or the unemployment of the parent who is the principal earner, and who is living with his caretaker relative, in a place of residence maintained by one or more of such relatives as his or their own home, or who is placed in foster care pursuant to an order of a court of competent jurisdiction.

(d) "Caretaker relative" means a person who is providing care to a child qualified for and receiving assistance and who is the child's father, mother, grandfather, grandmother, brother, sister, uncle, aunt or any blood relative, including those of half-blood, and including first cousins or first cousins once removed, nephews, or nieces, and persons of preceding generations as denoted by the prefix of grand, great, or great-great, including great-great-grandparents, stepfather, stepmother, stepbrother and stepsister, persons who legally adopt a child or his parent, as well as the natural and other legally adopted children of such persons, and spouses of any persons named in the above groups. For the purposes of this chapter, all such relatives shall qualify as such whether the relationship be acquired by birth or adoption, and neither divorce nor death shall terminate any such relationship.

(e) "Assistance" means payment, including vendor or "in kind" payment to a TANF recipient, with respect to a dependent child or children paid to caretaker relatives or to other approved persons, agencies, associations, corporations or institutions providing medical or foster care, maintenance, work or training programs as authorized by the federal Social Security Act, as amended, to strengthen family life through services to children, foster care for children, work programs and services aimed at restoring individuals to independence and self-support; administrative costs, physical examinations, day care or child care arrangements essential to work programs.

(f) "Child's budget" means that mathematical computation used by county human service departments by which the Mississippi Standard of Need is compared to the income and resources of a family unit to determine the amount, if any, of assistance to which each family unit may be entitled, with full consideration given to the number of members in a family unit.

### **§ 43-17-5. Amount of assistance [Repealed effective July 1, 2010].**

(1) The amount of Temporary Assistance for Needy Families (TANF) benefits which may be granted for any dependent child and a needy caretaker relative shall be determined by the county department with due regard to the resources and necessary expenditures of the family and the conditions existing in each case, and in accordance with the rules and regulations made by the Department of Human Services which shall not be less than the Standard of Need in effect for 1988, and shall be sufficient when added to all other income (except that any income specified in the federal Social Security Act, as amended, may be disregarded) and support available to the child to provide such child with a reasonable subsistence compatible with decency and health. The first family member in the dependent child's budget may receive an amount not to exceed One Hundred Ten Dollars (\$110.00) per month; the second family member in the dependent child's budget may receive an amount not to exceed Thirty-six Dollars (\$36.00) per month; and each additional family member in the dependent child's budget an amount not to exceed Twenty-four Dollars (\$24.00) per month. The maximum for any individual family member in the dependent child's budget may be exceeded for foster or medical care or in cases of mentally retarded or physically handicapped children. TANF benefits granted shall be specifically limited only (a) to children existing or conceived at the time the caretaker relative initially applies and qualifies for such assistance, unless this limitation is specifically waived by the depart-

ment, or (b) to a child born following a twelve (12) consecutive month period of discontinued benefits by the caretaker relative.

(2) TANF benefits in Mississippi shall be provided to the recipient family by an online electronic benefits transfer system.

(3) The Department of Human Services shall deny TANF benefits to the following categories of individuals, except for individuals and families specifically exempt or excluded for good cause as allowed by federal statute or regulation:

(a) Families without a minor child residing with the custodial parent or other adult caretaker relative of the child;

(b) Families which include an adult who has received TANF assistance for sixty (60) months after the commencement of the Mississippi TANF program, whether or not such period of time is consecutive;

(c) Families not assigning to the state any rights a family member may have, on behalf of the family member or of any other person for whom the family member has applied for or is receiving such assistance, to support from any other person, as required by law;

(d) Families who fail to cooperate in establishing paternity or obtaining child support, as required by law;

(e) Any individual who has not attained eighteen (18) years of age, is not married to the head of household, has a minor child at least twelve (12) weeks of age in his or her care, and has not successfully completed a high school education or its equivalent, if such individual does not participate in educational activities directed toward the attainment of a high school diploma or its equivalent, or an alternative educational or training program approved by the department;

(f) Any individual who has not attained eighteen (18) years of age, is not married, has a minor child in his or her care, and does not reside in a place or residence maintained by a parent, legal guardian or other adult relative or the individual as such parent's, guardian's or adult relative's own home;

(g) Any minor child who has been, or is expected by a parent or other caretaker relative of the child to be, absent from the home for a period of more than thirty (30) days;

(h) Any individual who is a parent or other caretaker relative of a minor child who fails to notify the department of the absence of the minor child from the home for the thirty-day period specified in paragraph (g), by the end of the five-day period that begins with the date that it becomes clear to the individual that the minor child will be absent for the thirty-day period;

(i) Any individual who fails to comply with the provisions of the Employability Development Plan signed by the individual which prescribe those activities designed to help the individual become and remain employed, or to participate satisfactorily in the assigned work activity, as authorized under subsection (6) (c) and (d), or who does not engage in applicant job search activities within the thirty-day period for TANF application approval after receiving the advice and consultation of eligibility workers and/or caseworkers of the department providing a detailed descrip-

tion of available job search venues in the individual's county of residence or the surrounding counties;

(j) A parent or caretaker relative who has not engaged in an allowable work activity once the department determines the parent or caretaker relative is ready to engage in work, or once the parent or caretaker relative has received TANF assistance under the program for twenty-four (24) months, whether or not consecutive, whichever is earlier;

(k) Any individual who is fleeing to avoid prosecution, or custody or confinement after conviction, under the laws of the jurisdiction from which the individual flees, for a crime, or an attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or who is violating a condition of probation or parole imposed under federal or state law;

(l) Aliens who are not qualified under federal law;

(m) For a period of ten (10) years following conviction, individuals convicted in federal or state court of having made a fraudulent statement or representation with respect to the individual's place of residence in order to receive TANF, food stamps or Supplemental Security Income (SSI) assistance under Title XVI or Title XIX simultaneously from two (2) or more states; and

(n) Individuals who are recipients of federal Supplemental Security Income (SSI) assistance.

(4)(a) Any person who is otherwise eligible for TANF benefits, including custodial and noncustodial parents, shall be required to attend school and meet the monthly attendance requirement as provided in this subsection if all of the following apply:

(i) The person is under age twenty (20);

(ii) The person has not graduated from a public or private high school or obtained a GED equivalent;

(iii) The person is physically able to attend school and is not excused from attending school; and

(iv) If the person is a parent or caretaker relative with whom a dependent child is living, child care is available for the child.

The monthly attendance requirement under this subsection shall be attendance at the school in which the person is enrolled for each day during a month that the school conducts classes in which the person is enrolled, with not more than two (2) absences during the month for reasons other than the reasons listed in paragraph (e) (iv) of this subsection. Persons who fail to meet participation requirements in this subsection shall be subject to sanctions as provided in paragraph (f) of this subsection.

(b) As used in this subsection, "school" means any one (1) of the following:

(i) A school as defined in Section 37-13-91(2);

(ii) A vocational, technical and adult education program; or

(iii) A course of study meeting the standards established by the State Department of Education for the granting of a declaration of equivalency of high school graduation.

(c) If any compulsory-school-age child, as defined in Section 37-13-91(2), to which TANF eligibility requirements apply is not in compliance with the compulsory school attendance requirements of Section 37-13-91(6), the superintendent of schools of the school district in which the child is enrolled or eligible to attend shall notify the county department of human services of the child's noncompliance. The Department of Human Services shall review school attendance information as provided under this paragraph at all initial eligibility determinations and upon subsequent report of unsatisfactory attendance.

(d) The signature of a person on an application for TANF benefits constitutes permission for the release of school attendance records for that person or for any child residing with that person. The department shall request information from the child's school district about the child's attendance in the school district's most recently completed semester of attendance. If information about the child's previous school attendance is not available or cannot be verified, the department shall require the child to meet the monthly attendance requirement for one (1) semester or until the information is obtained. The department shall use the attendance information provided by a school district to verify attendance for a child. The department shall review with the parent or caretaker relative a child's claim that he or she has a good cause for not attending school.

A school district shall provide information to the department about the attendance of a child who is enrolled in a public school in the district within five (5) working days of the receipt of a written request for that information from the department. The school district shall define how many hours of attendance count as a full day and shall provide that information, upon request, to the department. In reporting attendance, the school district may add partial days' absence together to constitute a full day's absence.

If a school district fails to provide to the department the information about the school attendance of any child within fifteen (15) working days after a written request, the department shall notify the Department of Audit within three (3) working days of the school district's failure to comply with that requirement. The Department of Audit shall begin audit proceedings within five (5) working days of notification by the Department of Human Services to determine the school district's compliance with the requirements of this subsection (4). If the Department of Audit finds that the school district is not in compliance with the requirements of this subsection, the school district shall be penalized as follows: The Department of Audit shall notify the State Department of Education of the school district's noncompliance, and the Department of Education shall reduce the calculation of the school district's average daily attendance (ADA) that is used to determine the allocation of Mississippi Adequate Education Program funds by the number of children for which the district has failed to provide to the Department of Human Services the required information about the school attendance of those children. The reduction in the calculation of the school district's ADA under this paragraph shall be effective for a period of one (1) year.

(e) A child who is required to attend school to meet the requirements under this subsection shall comply except when there is good cause, which shall be demonstrated by any of the following circumstances:

(i) The minor parent is the caretaker of a child less than twelve (12) weeks old; or

(ii) The department determines that child care services are necessary for the minor parent to attend school and there is no child care available; or

(iii) The child is prohibited by the school district from attending school and an expulsion is pending. This exemption no longer applies once the teenager has been expelled; however, a teenager who has been expelled and is making satisfactory progress towards obtaining a GED equivalent shall be eligible for TANF benefits; or

(iv) The child failed to attend school for one or more of the following reasons:

1. Illness, injury or incapacity of the child or the minor parent's child;
2. Court-required appearances or temporary incarceration;
3. Medical or dental appointments for the child or minor parent's child;
4. Death of a close relative;
5. Observance of a religious holiday;
6. Family emergency;
7. Breakdown in transportation;
8. Suspension; or
9. Any other circumstance beyond the control of the child, as defined in regulations of the department.

(f) Upon determination that a child has failed without good cause to attend school as required, the department shall provide written notice to the parent or caretaker relative (whoever is the primary recipient of the TANF benefits) that specifies:

(i) That the family will be sanctioned in the next possible payment month because the child who is required to attend school has failed to meet the attendance requirement of this subsection;

(ii) The beginning date of the sanction, and the child to whom the sanction applies;

(iii) The right of the child's parents or caretaker relative (whoever is the primary recipient of the TANF benefits) to request a fair hearing under this subsection.

The child's parent or caretaker relative (whoever is the primary recipient of the TANF benefits) may request a fair hearing on the department's determination that the child has not been attending school. If the child's parents or caretaker relative does not request a fair hearing under this subsection, or if, after a fair hearing has been held, the hearing officer finds that the child without good cause has failed to meet the monthly attendance requirement, the department shall discontinue or

deny TANF benefits to the child thirteen (13) years old, or older, in the next possible payment month. The department shall discontinue or deny twenty-five percent (25%) of the family grant when a child six (6) through twelve (12) years of age without good cause has failed to meet the monthly attendance requirement. Both the child and family sanction may apply when children in both age groups fail to meet the attendance requirement without good cause. A sanction applied under this subsection shall be effective for one (1) month for each month that the child failed to meet the monthly attendance requirement. In the case of a dropout, the sanction shall remain in force until the parent or caretaker relative provides written proof from the school district that the child has reenrolled and met the monthly attendance requirement for one (1) calendar month. Any month in which school is in session for at least ten (10) days during the month may be used to meet the attendance requirement under this subsection. This includes attendance at summer school. The sanction shall be removed the next possible payment month.

(5) All parents or caretaker relatives shall have their dependent children receive vaccinations and booster vaccinations against those diseases specified by the State Health Officer pursuant to Section 41-23-37 in accordance with the vaccination and booster vaccination schedule prescribed by the State Health Officer for children of that age, in order for the parents or caretaker relatives to be eligible or remain eligible to receive TANF benefits. Proof of having received such vaccinations and booster vaccinations shall be given by presenting the certificates of vaccination issued by any health care provider licensed to administer vaccinations, and submitted on forms specified by the State Board of Health. If the parents without good cause do not have their dependent children receive the vaccinations and booster vaccinations as required by this subsection and they fail to comply after thirty (30) days' notice, the department shall sanction the family's TANF benefits by twenty-five percent (25%) for the next payment month and each subsequent payment month until the requirements of this subsection are met.

(6)(a) If the parent or caretaker relative applying for TANF assistance is work eligible, as determined by the Department of Human Services, the person shall be required to engage in an allowable work activity once the department determines the parent or caretaker relative is determined work eligible, or once the parent or caretaker relative has received TANF assistance under the program for twenty-four (24) months, whether or not consecutive, whichever is earlier. No TANF benefits shall be given to any person to whom this section applies who fails without good cause to comply with the Employability Development Plan prepared by the department for the person, or who has refused to accept a referral or offer of employment, training or education in which he or she is able to engage, subject to the penalties prescribed in subsection (6) (e). A person shall be deemed to have refused to accept a referral or offer of employment, training or education if he or she:

(i) Willfully fails to report for an interview with respect to employment when requested to do so by the department; or

(ii) Willfully fails to report to the department the result of a referral to employment; or

(iii) Willfully fails to report for allowable work activities as prescribed in subsection (6) (c) and (d).

(b) The Department of Human Services shall operate a statewide work program for TANF recipients to provide work activities and supportive services to enable families to become self-sufficient and improve their competitive position in the workforce in accordance with the requirements of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193), as amended, and the regulations promulgated thereunder, and the Deficit Reduction Act of 2005 (Public Law 109-171), as amended. Within sixty (60) days after the initial application for TANF benefits, the TANF recipient must participate in a job search skills training workshop or a job readiness program, which shall include resume writing, job search skills, employability skills and, if available at no charge, the General Aptitude Test Battery or its equivalent. All adults who are not specifically exempt shall be referred by the department for allowable work activities. An adult may be exempt from the mandatory work activity requirement for the following reasons:

(i) Incapacity;

(ii) Temporary illness or injury, verified by physician's certificate;

(iii) Is in the third trimester of pregnancy, and there are complications verified by the certificate of a physician, nurse practitioner, physician assistant, or any other licensed health care professional practicing under a protocol with a licensed physician;

(iv) Caretaker of a child under twelve (12) months, for not more than twelve (12) months of the sixty-month maximum benefit period;

(v) Caretaker of an ill or incapacitated person, as verified by physician's certificate;

(vi) Age, if over sixty (60) or under eighteen (18) years of age;

(vii) Receiving treatment for substance abuse, if the person is in compliance with the substance abuse treatment plan;

(viii) In a two-parent family, the caretaker of a severely disabled child, as verified by a physician's certificate; or

(ix) History of having been a victim of domestic violence, which has been reported as required by state law and is substantiated by police reports or court records, and being at risk of further domestic violence, shall be exempt for a period as deemed necessary by the department but not to exceed a total of twelve (12) months, which need not be consecutive, in the sixty-month maximum benefit period. For the purposes of this subparagraph (ix), "domestic violence" means that an individual has been subjected to:

1. Physical acts that resulted in, or threatened to result in, physical injury to the individual;

2. Sexual abuse;

3. Sexual activity involving a dependent child;

4. Being forced as the caretaker relative of a dependent child to engage in nonconsensual sexual acts or activities;
5. Threats of, or attempts at, physical or sexual abuse;
6. Mental abuse; or
7. Neglect or deprivation of medical care.

(c) For all families, all adults who are not specifically exempt shall be required to participate in work activities for at least the minimum average number of hours per week specified by federal law or regulation, not fewer than twenty (20) hours per week (thirty-five (35) hours per week for two-parent families) of which are attributable to the following allowable work activities:

- (i) Unsubsidized employment;
- (ii) Subsidized private employment;
- (iii) Subsidized public employment;
- (iv) Work experience (including work associated with the refurbishing of publicly assisted housing), if sufficient private employment is not available;
- (v) On-the-job training;
- (vi) Job search and job readiness assistance consistent with federal TANF regulations;
- (vii) Community service programs;
- (viii) Vocational educational training (not to exceed twelve (12) months with respect to any individual);
- (ix) The provision of child care services to an individual who is participating in a community service program;
- (x) Satisfactory attendance at high school or in a course of study leading to a high school equivalency certificate, for heads of household under age twenty (20) who have not completed high school or received such certificate;
- (xi) Education directly related to employment, for heads of household under age twenty (20) who have not completed high school or received such equivalency certificate.

(d) The following are allowable work activities which may be attributable to hours in excess of the minimum specified in subsection (6) (c):

- (i) Job skills training directly related to employment;
- (ii) Education directly related to employment for individuals who have not completed high school or received a high school equivalency certificate;
- (iii) Satisfactory attendance at high school or in a course of study leading to a high school equivalency, for individuals who have not completed high school or received such equivalency certificate;
- (iv) Job search and job readiness assistance consistent with federal TANF regulations.

(e) If any adult or caretaker relative refuses to participate in allowable work activity as required under this subsection (6), the following full family TANF benefit penalty will apply, subject to due process to include notification, conciliation and a hearing if requested by the recipient:

(i) For the first violation, the department shall terminate the TANF assistance otherwise payable to the family for a two-month period or until the person has complied with the required work activity, whichever is longer;

(ii) For the second violation, the department shall terminate the TANF assistance otherwise payable to the family for a six-month period or until the person has complied with the required work activity, whichever is longer;

(iii) For the third violation, the department shall terminate the TANF assistance otherwise payable to the family for a twelve-month period or until the person has complied with the required work activity, whichever is longer;

(iv) For the fourth violation, the person shall be permanently disqualified.

For a two-parent family, unless prohibited by state or federal law, Medicaid assistance shall be terminated only for the person whose failure to participate in allowable work activity caused the family's TANF assistance to be sanctioned under this subsection (6) (e), unless an individual is pregnant, but shall not be terminated for any other person in the family who is meeting that person's applicable work requirement or who is not required to work. Minor children shall continue to be eligible for Medicaid benefits regardless of the disqualification of their parent or caretaker relative for TANF assistance under this subsection (6), unless prohibited by state or federal law.

(f) Any person enrolled in a two-year or four-year college program who meets the eligibility requirements to receive TANF benefits, and who is meeting the applicable work requirements and all other applicable requirements of the TANF program, shall continue to be eligible for TANF benefits while enrolled in the college program for as long as the person meets the requirements of the TANF program, unless prohibited by federal law.

(g) No adult in a work activity required under this subsection (6) shall be employed or assigned (i) when any other individual is on layoff from the same or any substantially equivalent job within six (6) months before the date of the TANF recipient's employment or assignment; or (ii) if the employer has terminated the employment of any regular employee or otherwise caused an involuntary reduction of its workforce in order to fill the vacancy so created with an adult receiving TANF assistance. The Mississippi Department of Employment Security, established under Section 71-5-101, shall appoint one or more impartial hearing officers to hear and decide claims by employees of violations of this paragraph (g). The hearing officer shall hear all the evidence with respect to any claim made hereunder and such additional evidence as he may require and shall make a determination and the reason therefor. The claimant shall be promptly notified of the decision of the hearing officer and the reason therefor. Within ten (10) days after the decision of the hearing officer has become final, any party aggrieved thereby may secure judicial review thereof by commencing an action, in the

circuit court of the county in which the claimant resides, against the department for the review of such decision, in which action any other party to the proceeding before the hearing officer shall be made a defendant. Any such appeal shall be on the record which shall be certified to the court by the department in the manner provided in Section 71-5-531, and the jurisdiction of the court shall be confined to questions of law which shall render its decision as provided in that section.

(7) The Department of Human Services may provide child care for eligible participants who require such care so that they may accept employment or remain employed. The department may also provide child care for those participating in the TANF program when it is determined that they are satisfactorily involved in education, training or other allowable work activities. The department may contract with Head Start agencies to provide child care services to TANF recipients. The department may also arrange for child care by use of contract or vouchers, provide vouchers in advance to a caretaker relative, reimburse a child care provider, or use any other arrangement deemed appropriate by the department, and may establish different reimbursement rates for child care services depending on the category of the facility or home. Any center-based or group home child care facility under this subsection shall be licensed by the State Department of Health pursuant to law. When child care is being provided in the child's own home, in the home of a relative of the child, or in any other unlicensed setting, the provision of such child care may be monitored on a random basis by the Department of Human Services or the State Department of Health. Transitional child care assistance may be continued if it is necessary for parents to maintain employment once support has ended, unless prohibited under state or federal law. Transitional child care assistance may be provided for up to twenty-four (24) months after the last month during which the family was eligible for TANF assistance, if federal funds are available for such child care assistance.

(8) The Department of Human Services may provide transportation or provide reasonable reimbursement for transportation expenses that are necessary for individuals to be able to participate in allowable work activity under the TANF program.

(9) Medicaid assistance shall be provided to a family of TANF program participants for up to twenty-four (24) consecutive calendar months following the month in which the participating family would be ineligible for TANF benefits because of increased income, expiration of earned income disregards, or increased hours of employment of the caretaker relative; however, Medicaid assistance for more than twelve (12) months may be provided only if a federal waiver is obtained to provide such assistance for more than twelve (12) months and federal and state funds are available to provide such assistance.

(10) The department shall require applicants for and recipients of public assistance from the department to sign a personal responsibility contract that will require the applicant or recipient to acknowledge his or her responsibilities to the state.

(11) The department shall enter into an agreement with the State Personnel Board and other state agencies that will allow those TANF partici-

pants who qualify for vacant jobs within state agencies to be placed in state jobs. State agencies participating in the TANF work program shall receive any and all benefits received by employers in the private sector for hiring TANF recipients. This subsection (11) shall be effective only if the state obtains any necessary federal waiver or approval and if federal funds are available therefor.

(12) Any unspent TANF funds remaining from the prior fiscal year may be expended for any TANF allowable activities.

(13) The Mississippi Department of Human Services shall provide TANF applicants information and referral to programs that provide information about birth control, prenatal health care, abstinence education, marriage education, family preservation and fatherhood.

(14) No new TANF program requirement or restriction affecting a person's eligibility for TANF assistance, or allowable work activity, which is not mandated by federal law or regulation may be implemented by the Department of Human Services after July 1, 2004, unless such is specifically authorized by an amendment to this section by the Legislature.

(15) This section shall stand repealed on July 1, 2011.

**Joint Legislative Committee Note** — Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected an error in (3)(i). The word “an” was deleted preceding “applicant” so that “Any individual who ... does not engage in an applicant job search activities...” reads as “Any individual who ... does not engage in applicant job search activities ...” The Joint Committee ratified the correction at its August 5, 2008, meeting.

“SECTION 60. This act shall stand repealed July 1, 2010.”

**Amendment Notes** — The 2008 amendment rewrote (2); inserted “activities” following “applicant job search” in (3)(i); added the third undesignated paragraph in (4); in (6)(a), substituted “work eligible” for “an employable person” and “determined work eligible” for “ready to engage in work”; rewrote (6)(b)(iii); substituted “subsection” for “paragraph” in the fifth sentence of (7); added (12) and (13); redesignated former (12) as present (14); added (15); and made minor stylistic changes.

The TANF Implementation Council shall identify opportunities for entrepreneurial development for TANF recipients. In carrying out this program, the department shall work in conjunction with public, community and private sector entities including businesses, banks, and other institutions to develop strategies that provide training, technical assistance, planning, and research to TANF recipients in their efforts to own their own businesses. ### § 43-17-35. Establishment of task force on out-of-wedlock pregnancies.

(1) In the enactment of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193), the United States Congress made the following findings relating to out-of-wedlock pregnancies:

(a) The increase of out-of-wedlock pregnancies and births is well documented.

(b) An effective strategy to combat teenage pregnancy must address the issue of male responsibility, including statutory rape culpability and prevention. The increase of teenage pregnancies among the youngest girls is

particularly severe and is linked to predatory sexual practices by men who are significantly older.

(c) The negative consequences of an out-of-wedlock birth on the mother, the child, the family and society are well documented.

(d) Currently thirty-five percent (35%) of children in single-parent homes are born out of wedlock, nearly the same percentage as that of children in single-parent homes whose parents are divorced. While many parents find themselves, through divorce or tragic circumstances beyond their control, facing the difficult task of raising children alone, nevertheless, the negative consequences of raising children in single-parent homes are well documented.

(e) Therefore, in light of this demonstration of the crisis in our nation, it is the sense of the Congress that prevention of out-of-wedlock births are very important government interests and the policy contained in this legislation is intended to address the crisis.

(2) The Department of Human Services shall establish a task force in compliance with Public Law 104-193, consisting of public and private organizations and individuals to review the incidence and circumstances of out-of-wedlock pregnancies in Mississippi. Based on these findings, goals will be established by the task force and a specific program will be recommended to prevent and reduce the incidence of out-of-wedlock pregnancies in Mississippi, as well as the efficiency and cost effectiveness of the program, with special emphasis on teenage pregnancies. The task force will establish numerical goals for reducing the illegitimacy ratio of the state as defined by federal law through calendar year 2005. The task force shall publish its findings and recommendations with any proposed legislation in a report to the Governor and the Legislature to be made on or before January 1, 1998.

(3) The task force established under subsection (2) of this section shall continue in existence and shall study the effect that raising the statutory age of sexual consent to age sixteen (16) has on preventing and reducing the incidence of teenage out-of-wedlock pregnancies in Mississippi from July 1, 1998, to October 1, 2001. The task force shall consider whether raising the age of sexual consent to an age above age sixteen (16) would be more effective in preventing and reducing the incidence of teenage out-of-wedlock pregnancies in Mississippi. The task force shall publish its findings and recommendations, together with any proposed legislation, in a report to the Governor and the Legislature on or before January 1, 2002.

As used in this compact:

(a) "Child" means a person who, by reason of minority, is legally subject to parental, guardianship or similar control.

(b) "Sending agency" means a party state, officer or employee thereof; a subdivision of a party state, or officer or employee thereof; a court of a party state; a person, corporation, association, charitable agency or other entity which sends, brings or causes to be sent or brought any child to another party state.

(c) "Receiving state" means the state to which a child is sent, brought, or caused to be sent or brought, whether by public authorities or private persons or agencies and whether for placement with state or local public authorities or for placement with private agencies or persons.

(d) "Placement" means the arrangement for the care of a child in a family free or boarding home or in a child-caring agency or institution but does not include any institution caring for the mentally ill or mentally defective or any institution primarily educational in character, and any hospital or other medical facility.

### ARTICLE III.

(a) No sending agency shall send, bring or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring or place the child in the receiving state. The notice shall contain:

(1) The name, date and place of birth of the child.

(2) The identity and address or addresses of the parents or legal guardian.

(3) The name and address of the person, agency or institution to or with which the sending agency proposes to send, bring or place the child.

(4) A full statement of the reasons for such proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to paragraph (b) of this article may request of the sending agency, or any other appropriate officer or agency of or in the sending agency's state, and shall be entitled to receive therefrom, such supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this compact.

(d) The child shall not be sent, brought or caused to be sent or brought into the receiving state until the appropriate public authorities in the

receiving state shall notify the sending agency, in writing, to the effect that the proposed placement does not appear to be contrary to the interests of the child.

#### ARTICLE IV.

The sending, bringing or causing to be sent or brought into any receiving state of a child in violation of the terms of this compact shall constitute a violation of the laws respecting the placement of children of both in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit or other legal authorization held by the sending agency which empowers or allows it to place or care for children.

#### ARTICLE V.

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment and disposition of the child which it would have had if the child had remained in the sending agency's state, until the child is adopted, reaches majority, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

(c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.

#### ARTICLE VI.

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact but no such placement shall be

made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that:

(1) Equivalent facilities for the child are not available in the sending agency's jurisdiction; and

(2) Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

#### ARTICLE VII.

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in his jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

#### ARTICLE VIII.

This compact shall not apply to:

(a) The sending or bringing of a child into a receiving state by his parent, stepparent, grandparent, adult brother or sister, adult uncle or aunt, or his guardian and leaving the child with any such relative or nonagency guardian in the receiving state.

(b) Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

#### ARTICLE IX.

This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of Congress, the government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until written notice of the withdrawal has been given by the withdrawing state to the Governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

#### ARTICLE X.

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any

phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

## JUDICIAL DECISIONS

### 1. Jurisdiction.

Where a child was given into the care of relatives in North Carolina by the Department of Human Services (DHS) under the auspices of the compact, the DHS retained jurisdiction over the child as the "sending agency," and it was immaterial that the youth court judge "dismissed" the orders which originally gave custody to DHS. *Oktibbeha County Dep't of Human Servs. v. N.G.F.G.*, 782 So. 2d 1226 (Miss. 2001).

The authority of the Department of Human Services to return a child, who had

been sent to live with relatives in North Carolina, to Mississippi under the Interstate Compact on the Placement of Children was not diminished by the Uniform Child Custody Jurisdiction Act as the child's mother had not been discharged by the court and there was no decree in a Mississippi court removing permanent custody from her and granting it to the North Carolina relatives. *Oktibbeha County Dep't of Human Servs. v. N.G.F.G.*, 782 So. 2d 1226 (Miss. 2001).

## ATTORNEY GENERAL OPINIONS

Youth court judge can place delinquent child in out of state institution pursuant to Interstate Compact on the Placement of Children, Section 43-18-1 et seq. of the Code; but nothing in the Compact specifically authorizes law enforcement officers to maintain custody of persons outside

state. *Agin*, March 2, 1994, A.G. Op. #93-1011.

The Interstate Compact on the Placement of Children is applicable when a mother brings her child from another state to Mississippi and places the child with a private child placement agency,

signing all the necessary forms, as the natural mother is a sending agency who brought her child from another state to Mississippi and placed the child as a disposition preliminary to a possible adoption. Taylor, Dec. 21, 1999, A.G. Op. #99-0308.

The Interstate Compact on the Placement of Children is applicable when a pregnant woman comes to Mississippi and enters a program operated by a private child placement agency, the child is born and placed with the agency for adoption, and the mother returns to her home state. Taylor, Dec. 21, 1999, A.G. Op. #99-0308.

The Interstate Compact on the Placement of Children might apply when a child is located in Mississippi, an out-of-state adoptive couple travels to Mississippi and adopts the child in Mississippi, and having received a final decree of adoption, they return to their home state with the child, if the child was initially located in Mississippi from across state lines or placed in Mississippi by out-of-state parties. Taylor, Dec. 21, 1999, A.G. Op. #99-0308.

The Department of Human Services is hereby authorized and empowered to establish a single and separate Child Support Unit for the following purposes:

(a) To develop and implement a nonsupport and paternity program and institute proceedings in the name of the Department of Human Services or in the name of the recipient in any court of competent jurisdiction in any county where the mother of the child resides or is found, in the county where the father resides or is found, or in the county where the child resides or is found;

(b) To secure and collect support by any method authorized under state law and establish paternity for any child or children receiving aid from the department any form of public assistance, including, but not limited to, medical assistance, foster care, food stamps, TANF, or any other program under the federal Social Security Act, from a parent or any other person legally liable for such support who has either failed or refused to provide support, deserted, neglected or abandoned the child or children, including cooperating with other states in establishing paternity, locating absent parents and securing compliance with court orders for support of Temporary Assistance for Needy Families (TANF) children; the department may petition the court for the inclusion of health insurance as part of any child support order on behalf of any child receiving aid from the department unless good cause for noncooperation, as defined by the Social Security Act

or the Mississippi Department of Human Services, is established. Unless notified to the contrary, whenever a child or children for whom child support services have been provided ceases to receive public assistance, the department will continue to provide services and establish paternity, secure and collect such support payments from a parent or any other person legally liable for such support in accordance with the standards prescribed pursuant to the federal Social Security Act;

(c) To accept applications for child support enforcement services to establish paternity, secure and collect support from any proper party or person as defined by Title IV-D of the federal Social Security Act notwithstanding the fact that the child or children do not currently receive or have never received public assistance. The department shall have the authority to secure and collect support by any method authorized under state law and establish paternity for any child or children on behalf of a recipient of child support services, including individuals who do not currently receive or have never received public assistance from a parent or any other person legally liable for such support who has either failed or refused to provide support, deserted, neglected or abandoned the child or children, including cooperating with other states in establishing paternity, locating absent parents and securing compliance with court orders for support; the department may petition the court for the inclusion of health insurance as part of any child support order on behalf of such recipients of child support services. The proceeds of any collections resulting from such application shall be distributed in accordance with the standards prescribed in the federal Social Security Act;

(d) The department shall seek to recover from the individual who owes a support obligation to any individual who is a recipient of Title IV-D services as set forth in paragraph (b) or (c) on whose behalf the department is providing services, upon judicial proceedings conducted thereon after advance notice to such obligor, reasonable attorney's fees and court costs, in excess of any administrative fees collected and in excess of amounts of current support owed by the obligor, which the department incurs in recovering and collecting the support obligation, such costs and fees as the department recovers to be deposited in the Special Fund of the Mississippi Department of Human Services which is hereby established for the pursuit and collection of child support;

(e) To initiate contempt of court proceedings or any other remedial proceedings necessary to enforce (i) any order or decree of court relating to child support, and (ii) any order or decree of court relating to the maintenance and/or alimony of a parent where support collection services on his or her child's behalf are being provided by the department;

(f) To secure and collect by any method authorized under state law any maintenance and/or alimony on behalf of a parent whose child or children's support is being collected by the department. The department shall collect only such maintenance and/or alimony as is ordered or decreed by the court, and only in the event that the minor child and parent to whom such

maintenance and/or alimony has been ordered are living in the same household;

(g) To obtain restitution of monies expended for public assistance from a parent or any other person legally liable for the support of any child or children receiving aid from the department; said action for restitution shall arise from the payment of public assistance for the dependent child or children and shall be for the amount of the public assistance paid. Said action for restitution shall not arise against the parent or other person legally responsible who receives public assistance for the benefit of any dependent child or children. When a court order of support has been issued, the amount recoverable shall be limited to the amount of the court order;

(h) Setting off against a debtor's income tax refund or rebate any debt which is in the form of a liquidated sum due and owing for the care, support or maintenance of a child;

(i) To have full responsibility in the aforementioned cases for initiating actions under the Uniform Interstate Family Support Act and for responding to the actions of other jurisdictions under said law when Mississippi is the responding state; however, this shall not impair private litigants' rights to proceed under any applicable interstate enforcement mechanisms;

(j) To enter into contracts for the purpose of performing any test which the department may, from time to time, require;

(k) To maintain a Central Receipting and Disbursement Unit to which all payments required by withholding orders and orders for support in all actions to which the Department of Human Services is a party shall be forwarded, and from which child support payments ordered by the court in actions to which the Department of Human Services is a party shall be disbursed to the custodial parent or other such party as may be designated by the court order. The Central Receipting and Disbursement Unit shall be operated by the Department of Human Services or any financial institution having operations and qualified to do business in Mississippi, whose deposits are insured by the Federal Deposit Insurance Corporation. The department shall conduct cost-benefit analyses to determine and utilize the more cost efficient manner of operating the unit;

(l) To maintain a Mississippi Department of Human Services Case Registry containing records with respect to:

(i) Each case in which services are being provided by the department under this section; and

(ii) Each support order established or modified in Mississippi on or after October 1, 1998; and

(iii) The Administrative Office of Courts, as established by Section 9-21-1, Mississippi Code of 1972, in consultation with the Mississippi Department of Human Services, shall devise, promulgate and require the use of a Uniform Child Support Order Tracking System.

1. Information collected from case filing forms shall be furnished to the Mississippi Department of Human Services, Division of Child Support Enforcement, in order that compliance with court-ordered

obligations of support may be tracked with specificity throughout the duration of said obligations and any subsequent proceedings.

2. Such tracking system shall include: 1. the names, residential and mailing addresses, telephone numbers, Social Security numbers, driver's license numbers and dates of birth of each child and parent named in or subject to the court order; 2. the court cause number of the action; 3. name, address and telephone number of employer; 4. any restraining or protective order indicating domestic violence; and 5. any other information which may be used for the purpose of identifying any person named in or subject to the order or for the purposes of establishing, enforcing or modifying a child support order;

(m) To take administrative actions relating to genetic testing, determine paternity, establish child support orders, modification of child support orders, income withholding, liens and subpoenas without the necessity of obtaining an order from any judicial or other administrative tribunal with respect to cases initiated or enforced by the department pursuant to Title IV-D of the Social Security Act;

(n) To have the authority to use high-volume automated administrative enforcement in interstate cases to the same extent as used for intrastate cases, in response to a request made by another state to enforce support orders; and

(o) To provide any child support enforcement or other service as may be required by the United States of America, Department of Health and Human Services, Family Support Administration, Office of Child Support Enforcement or their successor pursuant to federal law or regulation.

## JUDICIAL DECISIONS

**1. In general.**

In simultaneous divorce and paternity actions, the biological father sought to have parental rights terminated, and the husband, who believed for years that the husband was the child's father, sought to be declared the child's legal father, but joinder of claims was not allowed, and with regard to the separate paternity action, the biological father was ordered to pay child support until some further order in the divorce proceedings supplanted that obligation. *Griffith v. Pell*, 881 So. 2d 227 (Miss. Ct. App. 2003), *aff'd*, 881 So. 2d 184 (Miss. 2004).

State human service agency was authorized to bring an action on behalf of the mother to secure and collect any child support that might be owed to her, and thus, had standing in court to pursue a child support claim. *Mississippi Dep't of Human Servs. v. Shelby*, 802 So. 2d 89 (Miss. 2001).

State human service agency was authorized by Miss. Code Ann. § 43-19-31(o) to provide any child support enforcement or other service as might be required by the Department of Health and Human Services pursuant to federal law or regulation, and thus, had standing in any state court to pursue claim for child support against the father. *Mississippi Dep't of Human Servs. v. Shelby*, 802 So. 2d 89 (Miss. 2001).

State human service agency was authorized to initiate support proceedings for mother pursuant to Miss. Code Ann. § 43-19-31(c) as the mother was not a part of the Temporary Assistance for Needy Families program, and thus, it had standing to pursue a child support claim against the father in state court. *Mississippi Dep't of Human Servs. v. Shelby*, 802 So. 2d 89 (Miss. 2001).

The Mississippi Department of Human Services is authorized to pursue child support obligations only for persons receiving aid from the department. *Miss. Dep't of Human Servs. v. Shelby*, — So. 2d —, 2001 Miss. LEXIS 209 (Miss. Aug. 23, 2001).

Putative father sued for support in both maternity proceeding under § 93-9-17 and support proceeding under § 43-19-33 has right to have cause heard in county in which he resides, if he is resident of state of Mississippi; defendant must timely assert right to venue in county of residence via Rule 12(b)(3) motion, and failure to do so amounts to waiver. *Belk v. State Dep't of Pub. Welfare*, 473 So. 2d 447 (Miss. 1985).

Under the terms of § 91-1-15, the Department of Welfare, which had the authority under §§ 43-19-31 and 43-19-35 to institute paternity proceedings to obtain repayment for support of a dependant child under the Aid to Dependent Children program (ADC) from the person legally obligated to pay that support, would be held to a standard of proof by preponderance of the evidence where the proceeding was brought prior to the death of the putative father, rather than the standard of clear and convincing evidence that applies to an adjudication after the death of the father to establish heirship. *Ivy v. State Dep't of Pub. Welfare*, 449 So. 2d 779 (Miss. 1984).

In a proceeding brought by the legal section of the department of public welfare, pursuant to Miss. Code Ann. §§ 43-19-31 and 93-9-9, to adjudicate paternity and responsibility for child support, the mother is not a necessary party; the only interest of the department of public welfare is in seeing that the taxpayers are relieved of some, or all of the burden in supporting an indigent child. *McCollum v. State Dep't of Pub. Welfare*, 447 So. 2d 650 (Miss. 1984).

Proper venue for an action involving determination of paternity would be the county where the father resides if he resides or is domiciled within the state, even though the action also involved a determination of child support, for which proper venue would be the county of the mother's residence, the county of the father's residence, or the county of the child's residence. *Metts v. State Dep't of Pub. Welfare*, 430 So. 2d 401 (Miss. 1983).

**§ 43-19-33. Force and effect of written stipulated agreement to support and written admission of paternity containing agreement of support.**

(1) In lieu of legal proceedings instituted to obtain support for a dependent child from the responsible parent, a written stipulated agreement to support said child by periodic payments executed by the responsible parent when acknowledged before a clerk of the court having jurisdiction over such matters or a notary public and filed with and approved by the judge of said court shall have the same force and effect, retroactively and prospectively, in accordance with the terms of said agreement as an order of support entered by the court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases.

(2) In lieu of legal proceedings instituted to establish paternity, a written admission of paternity containing a stipulated agreement of support executed by the putative father of the dependent child, when accompanied by a written affirmation of paternity executed and sworn to by the mother of the dependent child, when acknowledged by the putative father before a clerk of the court having jurisdiction over such matters or a notary public and filed with and approved by the judge of said court, shall have the same force and effect, retroactively and prospectively, in accordance with the terms of said agreement, as an order of filiation and support entered by the court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases.

(3) At any time after filing with the court having continuing jurisdiction of such matters of an acknowledgment of paternity in which a provision of support has not been entered, upon notice the defendant shall be required to appear in court at any time and place named therein, to show cause, if any he can, why the court should not enter an order for the support of the child by periodic payments. The order may include provisions for reimbursement for medical expenses incident to the pregnancy and the birth of the child, accrued maintenance and reasonable expenses of the action under this subsection on the acknowledgment of paternity previously filed with said court. Notice by the department to the defendant shall be given by certified mail, restricted delivery, return receipt requested at his last known mailing address and without the requirement of a summons being issued, and shall be deemed complete as of the date of delivery as evidenced by the return receipt. The

required notice may also be delivered by personal service in accordance with Rule 4 of the Mississippi Rules of Civil Procedure insofar as service of an administrative order or notice is concerned. Provided, that in the case of a child who, upon reaching the age of twenty-one (21) years, is mentally or physically incapable of self-support, the putative father shall not be relieved of the duty of support unless said child is a long-term patient in a facility owned or operated by the State of Mississippi. The prior judgment as to paternity shall be res judicata as to that issue and shall not be reconsidered by the court.

(4) Such agreements of support, acknowledgments and affirmations of paternity and support shall be sworn to and shall be binding on the person executing the same whether he be an adult or a minor and may include provisions for the reimbursement of medical expenses incident to the pregnancy and birth of the child, accrued maintenance and reasonable expenses of any action previously filed before the court.

(5) In lieu of legal proceedings instituted to enforce an order for support, a written stipulated agreement for the provision of periodic payments towards an arrearage executed by the defendant when acknowledged before a clerk of the court having jurisdiction over such matters or a notary public and filed with and approved by the judge of said court shall have the same force and effect, retroactively and prospectively, in accordance with the terms of said agreement as a judgment for overdue support entered by the court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases.

(6) All agreements entered into under the provisions as set forth hereinabove shall be filed by the clerk of the court having jurisdiction over such matters in the county in which they are entered and filing fees shall be taxed to the responsible parent.

### 1. In general.

Where proceedings involved determination of both paternity and child support, defendant would be entitled to a jury trial

on the issue of paternity, even though the child support statute did not require a jury trial. *Metts v. State Dep't of Pub. Welfare*, 430 So. 2d 401 (Miss. 1983).

Stipulated agreement for modification of support order; Child Support Unit authorized to send motion and notice of intent to modify; reviews for possible modification to be conducted on 3-year cycle; only upward adjustments to be ordered retroactively; noncustodial parent's arrearage not to bar review or downward modification [Repealed effective July 1, 2010].**

(1) In lieu of legal proceedings instituted to obtain a modification for an order for support, a written stipulated agreement for modification executed by the responsible parent when acknowledged before a clerk of the court having jurisdiction over those matters or a notary public and filed with and approved by the judge of that court shall have the same force and effect, retroactively and prospectively, in accordance with the terms of the agreement as an order for modification of support entered by the court, and shall be enforceable and subject to later modification in the same manner as is provided by law for orders of the court in those cases.

(2) With respect to a child support order in cases initiated or enforced by the Department of Human Services under Title IV-D of the Social Security Act, in which the department has determined that a modification is appropriate, the department shall send a motion and notice of intent to modify the order, together with the proposed modification of the order under this section to the last known mailing address of the defendant. The notice shall specify the date and time certain of the hearing and shall be sent by certified mail, restricted delivery, return receipt requested; notice shall be deemed complete as of the date of delivery as evidenced by the return receipt. The required notice may also be delivered by personal service in accordance with Rule 4 of the Mississippi Rules of Civil Procedure insofar as it may be applied to service of an administrative order or notice. The defendant may accept the proposed modification by signing and returning it to the department before the date of hearing for presentation to the court for approval. If the defendant does not sign and return the proposed modification, the court shall on the date and time previously set for hearing review the proposal and make a determination as to whether it should be approved in whole or in part.

(3) Every three (3) years, upon the request of either parent, or if there is

an assignment under Section 43-19-35, upon the request of the Department of Human Services or of either parent, the department, after a review and determination of appropriateness, or either parent may seek an adjustment to a support order being enforced under Section 43-19-31 in accordance with the guidelines established under Section 43-19-101, if the amount of the child support award under the order differs from the amount that would be awarded in accordance with the guidelines, taking into account the best interests of the child involved. No proof of a material change in circumstances is necessary in the three-year review for adjustment under this subsection (3). A preexisting arrearage in support payments shall not serve as a bar to the department's review and adjustment procedure. Proof of a material change in circumstances is necessary for modification outside the three-year cycle.

(4) Any order for the support of minor children, whether entered through the judicial system or through an expedited process, shall not be subject to a downward retroactive modification. An upward retroactive modification may be ordered back to the date of the event justifying the upward modification.

(5) If a downward modification is determined to be warranted under the guidelines contained in subsection (3), the noncustodial parent's arrearage, if any, shall not be a basis for contesting the downward modification in any later legal proceedings.

(6) This section shall stand repealed on July 1, 2010.

**Amendment Notes** — The 2007 amendment, in (3), substituted “after a review and determination of appropriateness, or either parent may seek an adjustment to a support order” for “the department shall review and, if appropriate, seek to adjust a support order,” and added the next-to-last sentence; added (5) and (6); and made minor stylistic changes throughout.

**§ 43-19-35. Acceptance of public assistance for child as assignment to department of recipient's rights against non-supporting parent; status of attorney initiating proceedings.**

(1) By currently or previously accepting public assistance or making application for child support services for and on behalf of a child or children, the recipient shall be deemed to have made an assignment to the State Department of Human Services of any and all rights and interests in any cause of action, past, present or future, that said recipient or the children may have against any parent failing to provide for the support and maintenance of said minor child or children; said department shall be subrogated to any and all rights, title and interest the recipient or the children may have against any and all property belonging to the absent or non-supporting parent in the enforcement of any claim for child or spousal support, whether liquidated

through court order or not. The recipient of Title IV-D services shall also be deemed, without the necessity of signing any document, to have appointed the State Department of Human Services to act in his or her, as well as the children's, name, place, and stead to perform the specific act of instituting suit to establish paternity or secure support, collecting any and all amounts due and owing for child or spousal support or any other service as required or permitted under Title IV-D of the federal Social Security Act, and endorsing any and all drafts, checks, money orders or other negotiable instruments representing child or spousal support payments which are received on behalf of the recipient or the children, and retaining any portion thereof permitted under federal and state statutes as reimbursement for public assistance monies previously paid to the recipient or children.

(2) Court orders of support for any child or children receiving services through Title IV-D of the federal Social Security Act shall be amended, by operation of law, and without the necessity of a motion by the Child Support Unit and a hearing thereon to provide that the payment of support shall be directed by the absent parent to the Mississippi Department of Human Services Central Receipting and Disbursement Unit as provided in Section 43-19-37 and not to the recipient. The absent parent shall be notified of such amendment prior to it taking effect.

(3) Any attorney authorized by the state to initiate any action pursuant to Title IV-D of the federal Social Security Act, including, but not limited to, any action initiated pursuant to Sections 43-19-31 et seq. and 93-25-1 et seq. shall be deemed to represent the interest of the State Department of Human Services exclusively; no attorney-client relationship shall exist between said attorney and any recipient of services pursuant to Title IV-D of the federal Social Security Act for and on behalf of a child or children, regardless of the name in which the legal proceedings are initiated. Said attorney representing the state in a Title IV-D case is only authorized to appear and prosecute and/or defend issues of support and cannot in a Title IV-D case address or provide representation to the Title IV-D recipient on any other ancillary issues raised or presented in that action.

(4) Said assignment to the State Department of Human Services shall be free of any legal or equitable defense to the payment of child support that may accrue to any person legally liable for the support of any child or children receiving aid from the State Department of Human Services, as a result of the conduct of the person who is accepting public assistance for and on behalf of said child or children.

## JUDICIAL DECISIONS

### 1. In general.

Where two earlier paternity actions had been dismissed due to the the mother's non-cooperation, the dismissal with prejudice of the third petition on collateral estoppel and res judicata grounds was error, as the interests of the mother and children were not "substantially identical," and the children could not be faulted for the mother's failure to cooperate with the genetic testing. *Miss. Dep't of Human Servs. ex rel. Allen v. Sanford*, 850 So. 2d 86 (Miss. 2003).

Department of Public Welfare has authority to sue to enforce support of indigent children by action against non-supporting parent, because Department of Public Welfare is subrogated to rights of custodial parent against non-supporting parent. Statute provides that by accepting public assistance, parent is deemed to have assigned to Department of Public Welfare any right she may have to child support from other parent. *Hull v. State Dep't of Pub. Welfare*, 515 So. 2d 1205 (Miss. 1987).

Mississippi Code § 93-9-9 combined with Mississippi Code § 43-19-35 grant the Department of Public Welfare the

right to petition the chancery court to have the paternity of a child born out of wedlock determined, and the departments right is independent of the mother's which is limited by the first indicated statute to one year from the birth of the child. *Minor v. State Dep't of Pub. Welfare*, 486 So. 2d 1253 (Miss. 1986).

Reimbursement for welfare expenditures for children receiving aid to dependent children is permitted under § 43-19-35. *Hailey v. Holden*, 457 So. 2d 947 (Miss. 1984).

Under the terms of § 91-1-15, the Department of Welfare, which had the authority under §§ 43-19-31 and 43-19-35 to institute paternity proceedings to obtain repayment for support of a dependant child under the Aid to Dependent Children program (ADC) from the person legally obligated to pay that support, would be held to a standard of proof by preponderance of the evidence where the proceeding was brought prior to the death of the putative father, rather than the standard of clear and convincing evidence that applies to an adjudication after the death of the father to establish heirship. *Ivy v. State Dep't of Pub. Welfare*, 449 So. 2d 779 (Miss. 1984).

## ATTORNEY GENERAL OPINIONS

Section 43-19-35 includes in class of persons for whom there no attorney-client relationship, any and all recipients of child support services, irrespective of their public assistance status, pursuant to Title IV-D of Federal Social Security Act. Phillips Aug. 20, 1993, A.G. Op. #93-0564.

Since Child Support Unit is mandated by Section 43-19-31 (c) and (d) to initiate child support actions and to collect child support for non-AFDC recipients, and

since Section 43-19-35 (3) mandates that any attorney initiating legal proceedings under Section 43-19-31 represents Department of Human Services exclusively with no attorney-client relationship existing between recipient of services and attorney, then there is no attorney-client relationship with recipients of either AFDC or non-AFDC services. Phillips Aug. 20, 1993, A.G. Op. #93-0564.

**§ 43-19-37. Court orders of support to direct payment of support, attorney's fees and court costs to child support unit and not recipient.**

(1) Court orders of support in all cases brought under the provisions of Sections 43-19-31 through 43-19-53 shall specify that the payment of court costs shall be directed by the absent parent to the Mississippi Department of Human Services Central Receipting and Disbursement Unit for further disbursement in the manner as prescribed by Title IV-D of the federal Social Security Act. The court shall assess attorney's fees to recover the costs associated with preparing and prosecuting the case, which shall be paid directly to the Mississippi Department of Human Services solely for the support of the legal division of the Child Support Unit, in a manner separate and distinct from the payment of child support. The court may allow the defendant to pay the attorney's fee over a period not to exceed four (4) months. The state portion of attorney's fees paid into the department shall be used to match federal funds for the support of the legal division of the Child Support Unit, in conjunction with the Office of Attorney General. Any payments made by the absent parent directly to the recipient or applicant in violation of the court order shall not be deemed to be a support payment or an attorney's fee and shall not be credited to the court-ordered obligation of said absent parent or to the court-ordered obligation for the payment of the attorney's fee. Failure of the absent parent to comply with an order of support or for payment of an attorney's fee for a period of thirty (30) days shall be directed to the court having jurisdiction of the matter for contempt proceedings or execution issued in the manner and form prescribed by statute. Should civil proceedings become ineffective in producing support or attorney's fees in any case involving a legitimate child or a child wherein paternity has been established by law or acknowledged in writing, the case shall promptly be referred to the district attorney for prosecution as a violation of Section 97-5-3.

(2) Each application, petition, order or filing made under this section shall include the social security number(s) of the applicant or father, mother and child(ren), as applicable, in accordance with Section 93-11-64, Mississippi Code of 1972.

## § 43-19-39. Distribution of child support payments; suits by child support unit; citation of noncooperating recipient parent; withholding payments for reimbursement of erroneous past payments.

(1) All child support payments collected by the child support unit pursuant to Section 43-19-35 shall be distributed in the manner as prescribed by the federal Social Security Act and any amendments adopted thereto. Nothing contained herein shall preclude the child support unit in processing a paternity or support action for and on behalf of a child or children receiving aid to dependent children grants wherein the applicant or recipient has refused cooperation. If a parent of any child receiving public assistance fails or refuses to cooperate with the local county department or child support unit in locating and securing support from the nonsupporting responsible parent, this parent may be cited to appear before the judge of any court having jurisdiction over such matter and compelled to disclose such information under oath. Any parent who, having been cited to appear before a judge of the court having jurisdiction over such matter, fails or refuses to appear or fails or refuses to provide the information requested may be found to be in contempt of said court and may be fined not more than One Hundred Dollars (\$100.00) or imprisoned not more than six (6) months or both.

(2) In a manner which is consistent with the federal Social Security Act, any amendments thereto and its implementing regulations, the child support unit is hereby authorized to withhold from distribution any payment or portion thereof which it may receive on behalf of a child or children for whom it is providing services if reimbursement is needed for any payments which may have been mistakenly or erroneously advanced on behalf of that child or children. The child support unit shall adopt policies that minimize any hardship that is caused by withholding from distribution any current support payments to reimburse past mistaken or erroneous advancements.

**1. Distribution of child support payments.**

Any distribution of child support collected under § 43-19-35 must be distributed in compliance with the federal Social Security Act and, therefore, the Depart-

ment of Human Services may not retain, and must pay to the custodial parent, any child support collected in excess of the amount paid in assistance to the custodial parent. *Brown v. Mississippi Dep't of Human Servs.*, 806 So. 2d 1004 (Miss. 2000).

Any applicant or recipient who refuses to provide reasonable assistance to the local county department or to the child support unit established by the state department of public welfare in identifying and locating the absent parent of a dependent child or otherwise refuses to cooperate with the department in securing support or in establishing paternity shall be ineligible for aid to dependent children, shall not be considered a needy relative and shall not be entitled to receive or use any part of the aid in grant nor shall be eligible for medical assistance under the Mississippi Medical Assistance Act; provided, however, that aid for the support of the child of such applicant or recipient shall not be denied or terminated as a result of such refusal to provide assistance or cooperation, but that the department may provide aid to said child in the form of protective vendor payments.

If a parent called for examination declines to answer upon the grounds that his testimony may incriminate him, the court may require him to answer, in which event he shall not thereafter be prosecuted for any criminal acts involved in the conception of

**§ 43-19-44. Safeguarding of personal data where evidence of risk of harm; definitions; petition for release of information.**

For purposes of this section, an “authorized person” shall mean:

(a) Any agent or attorney of any state having in effect a plan approved under federal law, who has the duty or authority under such plan to seek to recover any amounts owed as child and spousal support (including, when authorized under the state plan, any official of a political subdivision);

(b) The court which has authority to issue an order or to serve as the initiating court in an action to seek an order against a noncustodial parent of the support and maintenance of a child, or any agent of such court;

(c) The resident parent, legal guardian, attorney or agent of a child (other than a child receiving federal assistance as determined by federal regulation) without regard to the existence of a court order against a noncustodial parent who has a duty to support and maintain any such child;

(d) A state agency that is administering a program operated under a state plan approved under federal law;

(e) Any agent or attorney of any state having an agreement under this section, who has the duty or authority under the law of such state to enforce a child custody or visitation determination;

(f) Any court having jurisdiction to make or enforce such a child custody or visitation determination, or any agent of such court; and

(g) Any agent or attorney of the United States, or of a state having an agreement under this section, who has the duty or authority to investigate, enforce or bring a prosecution with respect to the unlawful taking or restraint of a child.

The department shall safeguard personal data if the department is provided with reasonable evidence of a risk of harm. A state agency, court, department of another state, obligor, obligee and such other persons or entities as the department may specify may provide the department with reasonable evidence of a risk of harm in such manner as the department may require. The department shall not be required to safeguard personal data in intrastate cases for longer than one (1) year unless the department is provided with reasonable evidence of a continued risk of harm in such manner as the department may require. The department shall notify individuals whose personal data is safeguarded under this section that in order for the safeguards to remain in effect, such individuals must provide the department annually

with reasonable evidence of a continued risk of harm. For the purposes of this section "reasonable evidence of a risk of harm" shall mean reasonable evidence that the release of information may result in physical harm to the parent or child, that the release of information may result in emotional harm to the parent or child which would significantly reduce the parent's capacity to care for the child, or would significantly reduce the parent or child's ability to function adequately, or that a protective order or restraining order has been issued on behalf of the parent or child.

If the department is provided with reasonable evidence of a risk of harm, the department, its employees and its contractors shall not disclose any personal data that could otherwise be disclosed about the location of a parent or child, including residential address, telephone number and name, address and telephone number of employer, and shall not disclose the Social Security number of a parent or child; provided, however, that such personal data may be shared by and between employees of the department and its contractors; provided further, that the department may disclose such personal data to the Federal Parent Locator Service, to the court, or agent of a court that is authorized to receive information from the Federal Parent Locator Service established pursuant to Title IV-D of the Social Security Act.

Provided further, that the department may disclose the Social Security number of a child receiving IV-D services for the purposes directly connected to obtaining health care coverage for such child to an employer or provider of health care coverage.

If the department is provided with reasonable evidence of a risk of harm pursuant to this section, the department shall notify the Federal Parent Locator Service established pursuant to Title IV-D of the Social Security Act that a risk of harm exists. Upon order of the court in an intrastate matter the department shall release personal data, which may include location information and Social Security numbers, to such court or agent, as required by said Title IV-D of the Social Security Act; provided, however, that if the department has been provided with reasonable evidence of a risk of harm, the department shall notify the court or agent that the department has received such information; before making any disclosure of such personal data, the court is required to determine whether such disclosure to any other person could be harmful to the parent or child. A person or agency seeking disclosure of personal data which the department is prohibited from disclosing because of a risk of harm, but which could otherwise be disclosed, may file a petition with the chancery court to request disclosure of such personal data.

Upon an order by the court in interstate cases to override nondisclosure procedures in cases dealing with domestic violence, the court shall order the department to release this information within thirty (30) days of the order. Whereupon, the department shall transmit said court order to the Federal Office of Child Support Enforcement (OCSE), Federal Parent Locator Service (FPLS), whereby OCSE will notify the department of its decision to remove the nondisclosure code. Upon notification from OCSE, the department shall release said information unto the court.

Any unauthorized disclosure or unauthorized willful inspection made in a good faith effort to comply with this section shall not be considered a violation of this section.

A person or agency, including the department, seeking personal data which the department is prohibited from disclosing because of a risk of harm, but which could otherwise be disclosed or which the Federal Parent Locator Service established pursuant to Title IV-D of the Social Security Act is prohibited from disclosing because the Secretary of the Federal Department of Health and Human Services has been notified that there is a reasonable evidence of domestic violence or child abuse, may file a petition with the court where the person resides to request disclosure of such personal data. The petition shall specify the purpose for which such personal data is required. When a petition is filed, or when the court receives notice from the department that the department has been notified of a risk of harm, the court shall determine whether disclosure of personal data could be harmful to the parent or child before releasing such data to any other person or agency. In making such determination, the court shall notify the parent that the court has received a request to release personal data and shall provide a specific date by which the parent must object to release of the information and provide the basis for objection. The parent may provide such information in writing and shall not be required to appear in person to contest the release of information. The court shall also notify the department of any petition filed pursuant to this section and the department shall release to the court any information which it has been provided regarding the risk of harm; however, the department shall not be made a party to the action. Further, the attorney for the Department of Human Services, in any proceeding herein, shall not be deemed to be appearing in a representative capacity for any party. The court may also request information directly from the Federal Parent Locator Service from the department of another state, and from any other source.

In determining whether disclosure of personal data could be harmful to the parent or child, the court shall consider any relevant information provided by the parent or child, any information provided by the department or by the department of another state, and any evidence provided by the person seeking the personal data. Documentary evidence transmitted to the court by facsimile, telecopier or other means that do not provide an original writing may not be excluded from evidence on an objection based on the means of transmission. The court may permit a party or witness to be deposed or to testify by telephone, audiovisual means, or other electronic means.

The court may enter an order (1) impounding the personal data and prohibiting any disclosure by the court or its agents, (2) permitting disclosure by the court or its agents to a specific person or persons, or (3) removing any restrictions on disclosure by the court and its agents. An order permitting disclosure of personal data may specify the purposes for which the data may be used and may prohibit a person to whom the data is disclosed from making further disclosures to any other person. The court shall notify the department of any order entered pursuant to this section. Any person or agency who

violates an order issued pursuant to this section may be held in contempt of court and subject to the penalties provided herein.

The court may disclose location information about a parent for the limited purpose of notifying the parent of a proceeding under this section or of any other proceeding in court, provided that such information shall not be disclosed to another party unless the court issues an order pursuant to this section permitting such disclosure.

State parent locator service; cooperation of state agencies and the like with Child Support Unit; confidentiality of records; authority to request employment verification, address and social security number of absent or non-supporting parent or alleged parent; confidentiality of records; penalties. [Repealed effective July 1, 2010].**

(1) The Child Support Unit shall establish a state parent locator service for the purpose of locating absent and nonsupporting parents and alleged parents, which will utilize all appropriate public and private locator sources. In order to carry out the responsibilities imposed under Sections 43-19-31 through 43-19-53, the Child Support Unit may secure by administrative subpoena from the customer records of public utilities and cable television companies the names and addresses of individuals and the names and addresses of employers of such individuals that would enable the location of parents or alleged parents who have a duty to provide support and maintenance for their children. The Child Support Unit may also administratively subpoena any and all financial information, including account numbers, names and social security numbers of record for assets, accounts, and account balances from any individual, financial institution, business or other entity, public or private, needed to establish, modify or enforce a support order. No entity complying with an administrative subpoena to supply the requested information of whatever nature shall be liable in any civil action or proceeding on account of such compliance. Full faith and credit shall be given to all uniform administrative subpoenas issued by other state child support units. The recipient of an administrative subpoena shall supply the Child Support Unit, other state and federal IV-D agencies, its attorneys, investigators, probation officers, county or district attorneys in this state, all information relative to the location, employment, employment related benefits including, but not limited to, availability of medical insurance, income and property of such parents and alleged parents and with all information on hand relative to the location and prosecution of any person who has, by means of a false statement or misrepresentation or by impersonation or other fraudulent device, obtained Temporary Assistance for Needy Families (TANF) to which he or she was not entitled, notwithstanding any provision of law making such

information confidential. The Mississippi Department of Information Technology Services and any other agency in this state using the facilities of the Mississippi Department of Information Technology Services are directed to permit the Child Support Unit access to their files, inclusive of those maintained for other state agencies, for the purpose of locating absent and nonsupporting parents and alleged parents, except to the extent that any such access would violate any valid federal statute or regulation issued pursuant thereto. The Child Support Unit, other state and federal IV-D agencies, its attorneys, investigators, probation officers, or county or district attorneys, shall use such information only for the purpose of investigating or enforcing the support liability of such absent parents or alleged parents or for the prosecution of other persons mentioned herein. Neither the Child Support Unit nor those authorities shall use the information, or disclose it, for any other purpose. All records maintained pursuant to the provisions of Sections 43-19-31 through 43-19-53 shall be confidential and shall be available only to the Child Support Unit, other state and federal IV-D agencies, the attorneys, investigators and other staff employed or under contract under Sections 43-19-31 through 43-19-53, district or county attorneys, probation departments, child support units in other states, and courts having jurisdiction in paternity, support or abandonment proceedings. The Child Support Unit may release to the public the name, photo, last known address, arrearage amount and other necessary information of a parent who has a judgment against him for child support and is currently in arrears in the payment of this support. Such release may be included in a "Most Wanted List" or other media in order to solicit assistance.

(2) The Child Support Unit shall have the authority to secure information from the records of the Mississippi Department of Employment Security that may be necessary to locate absent and nonsupporting parents and alleged parents under the provisions of Sections 43-19-31 through 43-19-53. Upon request of the Child Support Unit, all departments, boards, bureaus and agencies of the state shall provide to the Child Support Unit verification of employment or payment and the address and social security number of any person designated as an absent or nonsupporting parent or alleged parent. In addition, upon request of the Child Support Unit, the Mississippi Department of Employment Security, or any private employer or payor of any income to a person designated as an absent or nonsupporting parent or alleged parent, shall provide to the Child Support Unit verification of employment or payment and the address and social security number of the person so designated. Full faith and credit shall be given to such notices issued by child support units in other states. All such records and information shall be confidential and shall not be used for any purposes other than those specified by Sections 43-19-31 through 43-19-53. The violation of the provisions of this subsection shall be unlawful and any person convicted of violating the provisions of this subsection shall be guilty of a misdemeanor and shall pay a fine of not more than Two Hundred Dollars (\$200.00).

(3) Federal and state IV-D agencies shall have access to the state parent locator service and any system used by the Child Support Unit to locate an

individual for purposes relating to motor vehicles or law enforcement. No employer or other source of income who complies with this section shall be liable in any civil action or proceeding brought by the obligor or obligee on account of such compliance.

### **JUDICIAL DECISIONS**

#### **1. Eleventh Amendment bar.**

In a case in which a former state attorney sought a declaration that Mississippi officials had violated the federal Due Process and Equal Protection Clauses and Miss. Code Ann. § 43-19-47, the Ex Parte Young exception to Eleventh Amendment

immunity did not apply. Since the attorney was no longer employed by the state, he could not seek prospective relief. *Chayer v. Barbour*, 560 F. Supp. 2d 490 (S.D. Miss. May 9, 2008).

In a case in which a former state attorney sought a declaration that Mississippi

officials had violated the federal Due Process and Equal Protection Clauses and Miss. Code Ann. § 43-19-47, the Eleventh Amendment barred his claims. The claims

had been brought against the officials in their official capacities only. *Chayer v. Barbour*, 560 F. Supp. 2d 490 (S.D. Miss. May 9, 2008).

(b) Notice shall be delivered to the obligor at the current mailing address as recorded by the department. Such notice shall be sent by regular mail at the commencement of the action described herein.

(c) The financial institution shall not disclose to an account holder or the depositor that the name of such person has been received from or furnished to the department. ### § 43-19-58. Appeals process for imposition of civil penalties.

(1) Persons wishing to contest the imposition of an administrative civil penalty under the provisions of Laws, 1997, Chapter 588, shall be entitled to a hearing before the Director of the Department of Human Services or his designee by so requesting within twenty (20) days after receiving notice of the imposition of the administratively imposed civil penalty. The request shall identify the civil penalty contested and legibly state the contestant's name, mailing address and home and daytime phone numbers. The date, time and place for the hearing shall be made as convenient as possible for the contestant, who shall receive notice thereof not less than seven (7) days before the hearing. A hearing on whether to impose a civil penalty and to consider circumstances in mitigation shall be held on the time and the place specified in the notice. The contestant may appear in person, through his attorney or, prior to the date set for the hearing, submit written testimony and other evidence, subject to the penalty for false swearing, for entry in the hearing record.

(2) After the hearing, the director or his designee shall issue his order, which may be appealed to the chancery court of the county in which the contestant resides in the same manner as is provided by law for appeals originating from county courts.

(3) The director or his designee may file the order assessing the penalty, or a certified copy of the order, with the clerk of any chancery court in the state after expiration of the time in which an appeal may be taken, or final determination of the matter on appeal, whereupon the order assessing the penalty shall be enrolled on the judgment roll and may be enforced in the same manner as a judgment.

### **§ 43-19-59. Child Support Unit to use high-volume automated administrative enforcement to enforce out-of-state support orders.**

(1) The Department of Human Services, as the Title IV-D child support enforcement agency of this state, shall use high-volume automated administrative enforcement, to the same extent as used for intrastate cases, in response to a request made by another state to enforce support orders, and shall promptly report the results of such enforcement procedure to the requesting state.

(2) In this section, “high-volume, automated administrative enforcement” means the use of automatic data processing to search various available state data bases, including, but not limited to, license records, employment service data, and state new hire registries, to determine whether information is available regarding a parent who owes a child support obligation.

(3) The department may, by electronic or other means, transmit to another state or receive from another state a request for assistance in

enforcing support orders through high-volume, automated administrative enforcement, which request:

(a) Shall include such information as will enable the state to which the request is transmitted to compare the information about the cases to the information in the data bases of the state receiving the request; and

(b) Shall constitute a certification by the requesting state:

(i) Of the amount of support under an order the payment of which is in arrears; and

(ii) That the requesting state has complied with all procedural due process requirements applicable to each case.

(c) If the department provides assistance to another state with respect to a case, or if another state seeks assistance from the department pursuant to this section, neither state shall consider the case to be transferred to the caseload of such other state.

## CHILD SUPPORT AWARD GUIDELINES

SEC.

43-19-101. Child support award guidelines.

43-19-103. Criteria for overcoming presumption that guidelines are appropriate.

## § 43-19-101. Child support award guidelines.

(1) The following child support award guidelines shall be a rebuttable presumption in all judicial or administrative proceedings regarding the awarding or modifying of child support awards in this state:

Number Of Children Due Support	Percentage Of Adjusted Gross Income That Should Be Awarded For Support
1	14%
2	20%
3	22%
4	24%
5 or more	26%

(2) The guidelines provided for in subsection (1) of this section apply unless the judicial or administrative body awarding or modifying the child support award makes a written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case as determined under the criteria specified in Section 43-19-103.

(3) The amount of "adjusted gross income" as that term is used in subsection (1) of this section shall be calculated as follows:

(a) Determine gross income from all potential sources that may reasonably be expected to be available to the absent parent including, but not limited to, the following: wages and salary income; income from self employment; income from commissions; income from investments, including dividends, interest income and income on any trust account or property; absent parent's portion of any joint income of both parents; workers' compensation, disability, unemployment, annuity and retirement benefits, including an individual retirement account (IRA); any other payments made by any person, private entity, federal or state government or any unit of local government; alimony; any income earned from an interest in or from inherited property; any other form of earned income; and gross income shall exclude any monetary benefits derived from a second household, such as income of the absent parent's current spouse;

(b) Subtract the following legally mandated deductions:

(i) Federal, state and local taxes. Contributions to the payment of taxes over and beyond the actual liability for the taxable year shall not be considered a mandatory deduction;

(ii) Social security contributions;

(iii) Retirement and disability contributions except any voluntary retirement and disability contributions;

(c) If the absent parent is subject to an existing court order for another child or children, subtract the amount of that court-ordered support;

(d) If the absent parent is also the parent of another child or other children residing with him, then the court may subtract an amount that it deems appropriate to account for the needs of said child or children;

(e) Compute the total annual amount of adjusted gross income based on paragraphs (a) through (d), then divide this amount by twelve (12) to obtain the monthly amount of adjusted gross income.

Upon conclusion of the calculation of paragraphs (a) through (e), multiply the monthly amount of adjusted gross income by the appropriate percentage designated in subsection (1) to arrive at the amount of the monthly child support award.

(4) In cases in which the adjusted gross income as defined in this section is more than Fifty Thousand Dollars (\$50,000.00) or less than Five Thousand Dollars (\$5,000.00), the court shall make a written finding in the record as to whether or not the application of the guidelines established in this section is reasonable.

(5) The Department of Human Services shall review the appropriateness of these guidelines beginning January 1, 1994, and every four (4) years thereafter and report its findings to the Legislature no later than the first day of the regular legislative session of that year. The Legislature shall thereafter amend these guidelines when it finds that amendment is necessary to ensure that equitable support is being awarded in all cases involving the support of minor children.

(6) All orders involving support of minor children, as a matter of law, shall include reasonable medical support. Notice to the noncustodial parent's employer that medical support has been ordered shall be on a form as prescribed by the Department of Human Services. In any case in which the support of any child is involved, the court shall make the following findings either on the record or in the judgment:

(a) The availability to all parties of health insurance coverage for the child(ren);

(b) The cost of health insurance coverage to all parties.

The court shall then make appropriate provisions in the judgment for the provision of health insurance coverage for the child(ren) in the manner that is in the best interests of the child(ren). If the court requires the custodial parent to obtain the coverage then its cost shall be taken into account in establishing the child support award. If the court determines that health insurance coverage is not available to any party or that it is not available to either party at a cost that is reasonable as compared to the income of the parties, then the court shall make specific findings as to such either on the record or in the judgment. In that event, the court shall make appropriate provisions in the judgment for the payment of medical expenses of the child(ren) in the absence of health insurance coverage.

## JUDICIAL DECISIONS

1. In general.
2. Applicability.
3. Deviation from guidelines.
4. Findings of fact.
5. Needs of other children.
6. Modification of support.
7. Retroactivity of award.

**1. In general.**

Under Miss. Code Ann. § 43-19-101(3)(a), the father's workers' compensation benefits were income for child support assessment. *Chapman v. Ward*, — So. 2d —, 3 So. 3d 790, 2008 Miss. App. LEXIS 808 (Miss. Ct. App. 2008).

Award of \$2,000 per month in child support was not reversed on appeal where the evidence showed that this was almost twenty percent of a father's income, and he could have earned more since he was a physician. *Henderson v. Henderson*, 952 So. 2d 273 (Miss. Ct. App. 2006).

As the original divorce agreement between the parents did not include a provision for child support, the chancellor was required to treat the mother's motion as an initial award of child support, and both parents were obligated to provide financially for their child; the father, as the non-custodial parent, had to provide his child with 14 percent of his adjusted gross income. *Forrest v. McCoy*, 941 So. 2d 889 (Miss. Ct. App. 2006).

Chancellor's findings were sufficient to support an award of 22 percent of the husband's reported adjusted gross income plus one-half of the children's parochial school tuition where the husband earned in excess of \$50,000 per year when bonuses and cash income received from plumbing jobs were included, the order to pay \$800 per month in child support was based only on the husband's reported income from his business, the children had always attended parochial school, and the husband's mistress was a teacher at the public school where the twins would attend if they were taken out of parochial school. *Seymour v. Seymour*, 960 So. 2d 513 (Miss. Ct. App. 2006).

As to Miss. Code Ann. § 43-19-101(3)(d), even in those instances where an adjustment may be warranted, the

statute does not reference the percentages enumerated in the child support guidelines; rather, it is within the chancellor's discretion to determine an amount appropriate to the needs of the child or children. Further, § 43-19-101(3)(d) did not require the chancellor to make an adjustment to gross income for children living with the parent ordered to pay child support. *Magruder v. Magruder*, 881 So. 2d 365 (Miss. Ct. App. 2004).

Difference between the statutory guideline figure of \$ 559 and the \$ 500 awarded by the chancellor amounted to \$ 708 per year and could be considered a contribution to the health insurance coverage the father was required to provide for the three children. Since he was the custodial parent of two of the three children, the latter interpretation was consistent with the requirements of Miss. Code Ann. § 43-19-101. *Magruder v. Magruder*, 881 So. 2d 365 (Miss. Ct. App. 2004).

Chancellor's award of \$ 824 a month in child support to the wife in a divorce action was exactly the 20 percent of the husband's income called for by the child support guidelines set forth in Miss. Code Ann. § 43-19-101, and was not excessive; as the award was in accordance with the guidelines, the chancellor was not required to make specific findings justifying the award. *Gable v. Gable*, 846 So. 2d 296 (Miss. Ct. App. 2003).

Sufficient evidence supported the chancellor's child support award where the chancellor used the father's most recent paycheck to determine his gross income and made all the required statutory deductions to determine the father's gross adjusted income was \$1,600 a month; if multiplied by 14 percent, the correct percentage under Miss. Code Ann. § 43-19-101, the total monthly child support equaled \$224, which was the amount the father was ordered to pay. *McClee v. Simmons*, 834 So. 2d 61 (Miss. Ct. App. Dec. 17, 2002).

In a divorce proceeding, court-ordered medical and dental insurance for a child and the other means of support the father was ordered to provide for the child were not mandatory within the meaning of

§ 43-19-101; therefore, the chancellor did not commit error in declining to consider these payments when he made his statutory calculation of child support. *Wells v. Wells*, 800 So. 2d 1239 (Miss. Ct. App. 2001).

There is no provision in Miss. Code Ann. § 43-19-101(3) for the deduction of general monthly expenses; therefore, compliance with the child support guidelines mandated that the father's child support should have been calculated without the \$716 deduction for monthly expenses. *Laird v. Blackburn*, 788 So. 2d 844 (Miss. Ct. App. 2001).

In determining the adjusted gross income of the payor husband, who was a dentist, the court properly took into account that he attempted to divert income to his current wife, who was a registered nurse and who worked in his office as an office manager and medical director, by paying her a salary equal to his. *Stroud v. Stroud*, 758 So. 2d 502 (Miss. Ct. App. 2000).

The chancellor did not intentionally deviate from the statutory guidelines, notwithstanding that the award was greater than that required by the guidelines with respect to the income reported by the husband, where the chancellor attempted to follow the statutory guidelines and the husband hid assets and income. *Clark v. Clark*, 754 So. 2d 450 (Miss. 1999).

Health, transportation, and college expenses are not included in determining the amount of support under the guidelines, although such extra obligations could well be considered for a downward departure from the guidelines under § 43-19-103. *Kilgore v. Fuller*, 741 So. 2d 351 (Miss. Ct. App. 1999).

The disparity in the income of the parents and the age of the minor child, who was five years old at the time of the hearing, supported the chancellor awarding child support to the custodial father in an amount less than the statutory guideline of fourteen percent of the mother's adjusted gross income, especially as the mother testified that she was willing to pay the child's monthly tuition to attend a church kindergarten. *McGehee v. Upchurch*, 733 So. 2d 364 (Miss. Ct. App. 1999).

A chancellor's pronouncement of "broad discretion in setting the amount of child support" is true only to the extent that the award comports with the guidelines or if the deviation is supported by substantial evidence and buttressed by specific findings in the record. *Osborn v. Osborn*, 724 So. 2d 1121 (Ct. App. 1998).

While the statute allows the trial court to deduct the expenses of a child living in the non-custodial parent's home the deduction is purely discretionary. *Bailey v. Bailey*, 724 So. 2d 335 (Miss. 1998).

The court did not err in awarding child support to the wife and in ordering the husband to pay their child's private school tuition where (1) the total of the amount to be paid by the husband closely approximated 14 percent of his gross income, (2) the parties agreed that their child should continue in private school, and (3) the child's basic needs were still adequately provided for in light of the total amount ordered and the financial disclosures of the parties. *Collins v. Collins*, 722 So. 2d 596 (Miss. 1998).

The court remanded for a determination of the appropriate amount of child support under the statute since one party had income under \$5,000 and the chancellor's written findings were insufficient where he stated only that "There is no exact mathematical precision to this decision, but, considering all of the financial information available to the court and the circumstances of the parents, the circumstances of the child, this amount is fair and appropriate." *Delozier v. Delozier*, 724 So. 2d 984 (Ct. App. 1998).

The court would reverse and remand since the chancellor deviated from the statutory guidelines without specific written findings of fact where the child support award was based, not upon adjusted gross income, but upon the income which remained to the father after payment of his bills. *Osborn v. Osborn*, 724 So. 2d 1121 (Ct. App. 1998).

The chancellor properly deviated from the guidelines and set an award of child support on the basis of the unemployed husband's earning potential, which the court equated with the amount earned by the wife. *White v. White*, 722 So. 2d 731 (Ct. App. 1998).

Where temporary financial reverses create an unreliable measure for an award of child support, the chancellor may in his discretion deviate from the guidelines and predicate an award on reasonable earning capacity. *White v. White*, 722 So. 2d 731 (Ct. App. 1998).

The chancellor made written findings that were sufficient to rebut the presumption that the guidelines were appropriate and to justify a slight variance from them where the court found that the excess amount awarded was justified by the fact that the husband was being allowed to claim one of the children as a tax deduction and that the husband would have as much income after paying child support as the wife would have including child support. *Johnston v. Johnston*, 722 So. 2d 453 (Miss. 1998).

Although there was nothing inherently wrong with the conclusion of the court not to award child support based on the fact that the husband earned only \$180 per month, the matter was remanded since there was no written reference to the guidelines being bypassed and no explanation as to why. *Rakestraw v. Rakestraw*, 717 So. 2d 1284 (Ct. App. 1998).

Where the court did not relate in its decree or otherwise give proof of financial ability to the award in excess of that required by the guidelines and made no findings with regard to the needs of the children, the award was manifestly erroneous. *Clausel v. Clausel*, 714 So. 2d 265 (Miss. 1998).

The court erred when it calculated the father's monthly gross income without subtracting the legally mandated deductions for taxes, social security, and non-voluntary retirement and disability contributions; however, the father was not entitled to have paycheck deductions for medical insurance, 401K retirement fund, and credit union account deducted. *Lee v. Stewart ex rel. Summerville*, 724 So. 2d 1093 (Miss. Ct. App. 1998).

Chancellor was required to enter written findings in support of upward deviation from child support guidelines, and such findings had to be specific with regard to reasons that guideline amount would be unjust or inappropriate. *Knutson v. Knutson*, 704 So. 2d 1331 (Miss. 1997).

Father's and wife's children, who lived at home with father and wife, were not "children due support" from father for purposes of child support award guidelines, and thus father's other child, who was living with that child's mother, was entitled to 14% of father's adjusted gross income (AGI). *Grace v. Department of Human Servs.*, 687 So. 2d 1232 (Miss. 1997), overruled on other grounds, *Bailey v. Bailey*, 724 So. 2d 335 (Miss. 1998).

Guidelines are not mandatory as to specific need or support required, and chancellor is to make determination based on facts he hears, witnesses he views, and circumstances of the parties, especially the child. *Bruce v. Bruce*, 687 So. 2d 1199 (Miss. 1996), reh'g denied, 691 So. 2d 1026 (Miss. 1996).

A \$350 per month award to be paid by a father for the support of his 3 children was manifestly erroneous where the father's adjusted gross income based on his salary, which was his only significant and reliable source of income, was approximately \$2,350 per month, the guidelines set forth in § 99-19-101 suggested that he should pay \$495 per month in child support, and the chancellor failed to make a specific finding on the record that application of the statutory guidelines would be unjust or inappropriate. *Draper v. Draper*, 658 So. 2d 866 (Miss. 1995).

A chancellor did not err in deviating from the child support guidelines set forth in § 43-19-101 when determining the amount of support to be paid by a father where she stated her reasons for departing from the guidelines, including the fact that there was "considerable question as to the actual earnings" of the father. *Grogan v. Grogan*, 641 So. 2d 734 (Miss. 1994).

A chancellor did not abuse her discretion in ordering a father to pay \$600 per month for the support of 2 children, in spite of the father's argument that \$600 per month constituted 27.5 percent of his adjusted gross income which was 7.5 percent greater than the percentage suggested by the statutory guidelines, where the mother's monthly net income was \$1,168, her monthly expenses were \$2,225, the chancellor was skeptical as to the father's true earnings, and the evi-

dence suggested that the father had some alternative source of support that he had not disclosed. *Grogan v. Grogan*, 641 So. 2d 734 (Miss. 1994).

A chancellor did not abuse his discretion in ordering a father to pay \$300 in child support for his 14-year-old son, in spite of the father's argument that the amount was excessive because it exceeded 14 percent of his adjusted gross income which was above the statutory guidelines for one child set forth in § 43-19-101, where the record indicated that the father would be able to support himself as well as pay child support in the amount awarded. *Ferguson v. Ferguson*, 639 So. 2d 921 (Miss. 1994).

A chancellor erred in awarding child support to be paid by the father in the amount of \$1,000 per month where the father earned approximately \$8,000 per month, and it appeared that the chancellor had used \$4,155 as the figure for the father's. *Brennan v. Brennan*, 638 So. 2d 1320 (Miss. 1994).

A child support award to be paid by a mother for the support of one child was not excessive where the mother's income was almost triple that of the father's, and the chancellor followed the guidelines set out in § 43-19-101 and awarded the 14 percent of adjusted gross income suggested by the statute for the support of a single child. *Chamblee v. Chamblee*, 637 So. 2d 850 (Miss. 1994).

It was manifest error and an abuse of discretion for a chancellor to find that there had been no material or substantial change in circumstances warranting a modification of a father's child support payments where the father suffered a heart attack approximately one year after the original decree was entered which resulted in a precipitous decline in his income, the father would be required to pay over ½ of his income in child support payments if the original decree were not modified, and the statutory child support guidelines' suggestion and the actual child support ordered constituted a difference of nearly \$500.00 a month. *McEwen v. McEwen*, 631 So. 2d 821 (Miss. 1994).

A child support award would be reversed and remanded where the award was greater than the amount recom-

mended by the guidelines in § 43-19-101, the chancellor did not make a specific finding as to the father's income or make any reference to the statutory child support guidelines, and the final decree did not indicate the basis for the child support award. *Dufour v. Dufour*, 631 So. 2d 192 (Miss. 1994).

A chancellor abused his discretion in ordering a father to pay child support in the amount of \$520 per month where, pursuant to the guidelines set forth in § 43-19-101, the child support should have been \$362 per month, and the father's expenses exceeded his net income by almost \$250 a month. *Dunn v. Dunn*, 609 So. 2d 1277 (Miss. 1992).

Although a chancellor's award of child support to be paid by a father was not, standing alone, an abuse of discretion, the amount awarded for child support was an abuse of discretion when considered in conjunction with the alimony award and the income of the father. *McEachern v. McEachern*, 605 So. 2d 809 (Miss. 1992).

A chancellor's departure from the guidelines set forth in § 43-19-101 in determining an appropriate amount of child support was not error where the chancellor followed the statutory method of rebutting the presumption that 26 percent of the father's adjusted gross income was the appropriate amount of child support, and the record included a written finding, as required by § 43-19-103, that the guidelines were inappropriate in that particular case. *McEachern v. McEachern*, 605 So. 2d 809 (Miss. 1992).

An increase in a father's child support obligation from \$300 to \$750 per month was excessive and unsupported by the evidence in the record, even though the father's income and resources had increased over time, where the mother's income had also steadily increased, the child had not required any extraordinary or unexpected care or treatment, there was no evidence that any of the child's needs had gone unmet, the child's actual expenses averaged approximately \$260 per month, and utilization of the child support guidelines set forth in § 43-19-101 produced a monthly figure of approximately \$583. *Hammett v. Woods*, 602 So. 2d 825 (Miss. 1992).

A disabled child's receipt of Supplemental Security Income from the Social Security Administration does not reduce parental support obligations. *Hammett v. Woods*, 602 So. 2d 825 (Miss. 1992).

Section 43-19-101, which sets forth child support award guidelines, is only a guideline and may not determine the specific need or the specific support required; the determination of the amount of support needed must be made by a chancellor who hears all the facts, views the witnesses, and is informed at trial of the circumstances of the parties and particularly the circumstances of the child. *Gillespie v. Gillespie*, 594 So. 2d 620 (Miss. 1992).

The enactment of the child support award guidelines in § 43-19-101, which provides that child support payments for 2 children should be 20 percent of the parent's adjusted gross income, did not constitute a "material change in circumstances" warranting a modification of a father's child support obligation, even though the father's child support payments for 2 children were more than 20 percent of his adjusted gross income. *Gregg v. Montgomery*, 587 So. 2d 928 (Miss. 1991).

There was no error in a chancellor's decision to leave a father's child support obligation at \$250 per month where the father argued that his salary had declined drastically from that earned in previous years but there was an indication that this was a voluntary choice of the father's, the father argued that his monthly support burden should be at least \$80 less in accordance with the guidelines of § 43-19-101, and the wife argued that her monthly expenses outstripped her income by approximately \$600 each month but she had received an increase in monthly income since the final decree. *Caldwell v. Caldwell*, 579 So. 2d 543 (Miss. 1991).

A child support award of \$400 per month for one 6-year-old child was excessive where the father, who had custody of the child, only asked for \$100 per month in child support, the chancellor recognized that \$400 per month was not required at the time for child support, and both parents had approximately the same earnings. The chancellor should have consid-

ered the amount of money which reasonably should have been required in child support from each parent, but apparently considered only the guidelines developed by the Governor's Commission on Child Support. *Jellenc v. Jellenc*, 567 So. 2d 847 (Miss. 1990).

The guidelines for child support awards set forth in § 43-19-101 must not control a chancellor's award of child support. The national guideline must not dictate the amount of food, the need of clothing, the requirement of education or the standard of living of the children. Rather, this should be done by a chancellor who hears all the facts, views the witnesses, and is informed at trial of the circumstances of the parties and particularly the circumstances of the children. The guidelines may be received and considered in all support matters as relevant, but the guidelines may not determine the specific need or the specific support required; this is to be done by a chancellor at a time real, on a scene certain, and with a knowledge special to the actual circumstances and to the individual child or children. *Thurman v. Thurman*, 559 So. 2d 1014 (Miss. 1990).

## 2. Applicability.

Chancery court made sufficient findings in the record in accordance with Miss. Code Ann. § 43-19-101(4) where the chancellor stated in her findings of fact that the application of the statutory child support guidelines to the adjusted gross income of each of the parties was reasonable and detailed the income of each party, the number of children living in each party's home, and the amount that would equal in child support and further noted that each parent would pay his or her portion of child support to the other in accordance with the statutory guidelines. *Reid v. Reid*, 998 So. 2d 1032 (Miss. Ct. App. 2008).

Father argued that \$ 500 per month in child support was much more than 20 percent of his adjusted gross income, but the father did not produce the needed financial records to determine his adjusted gross income; at trial, the father only produced two pay stubs and admitted to having others at home in California. The father testified about having a college education and being qualified in numer-

ous fields related to the financial world, and he claimed to be an accomplished actor; therefore, the chancellor had evidence that he was able to contribute \$ 500 per month in child support. *Suber v. Suber*, 936 So. 2d 945 (Miss. Ct. App. 2006).

Where a father's adjusted gross income was \$9,370 per month, and the guidelines percentage for two children was 20%, the trial court did not abuse its discretion in ordering the father to pay \$2,000 per month in child support, and the court's written finding that the husband was capable of supporting himself while paying the amount of child support ordered was sufficient to support the finding. *Henderson v. Henderson*, — So. 2d —, 2006 Miss. App. LEXIS 162 (Miss. Ct. App. Mar. 7, 2006).

Where the husband's adjusted gross income exceeded \$ 50,000, the Mississippi child support guidelines contained in Miss. Code Ann. § 43-19-101 did not apply unless the Court determined that an application of the guidelines was reasonable, and the chancellor properly utilized the guidelines to shape his decision as to the amount of child support by taking into account the husband's income and also his paying for health insurance for the children. *Barnett v. Barnett*, 908 So. 2d 833 (Miss. Ct. App. 2005).

Where a father made significantly more income than a mother and the father had enrolled their child in private school before the divorce and wished the child to continue there, an award of child support exceeding the statutory guidelines was not in error. *Southerland v. Southerland*, 875 So. 2d 204 (Miss. 2004).

In his testimony, the husband agreed to the child support amount. A noncustodial parent may agree to pay child support in an amount greater than the guidelines. *Burcham v. Burcham*, 869 So. 2d 1058 (Miss. Ct. App. 2004).

Chancellor properly declined to apply the child support guidelines because the husband had no employment income due to his incarceration; but as he had other assets, including half the equity in the marital home, the chancellor properly ordered him to pay \$ 225 per month in child support, plus support retroactive to the

date of his incarceration, secured by a lien against his interest in the marital home. *Avery v. Avery*, 864 So. 2d 1054 (Miss. Ct. App. 2004).

Because the husband had an adjusted gross income of more than \$ 50,000, the child support guidelines did not apply; therefore, the trial court was not in error in deviating from the child support guidelines. *Holley v. Holley*, 892 So. 2d 240 (Miss. Ct. App. 2003).

Chancellor's findings that the husband should be responsible for the college expenses of the parties' college age daughter upon the divorce of the husband and wife, but that the husband should not otherwise pay child support to the wife, were not clearly erroneous and were, therefore, affirmed on appeal. *Lazarus v. Lazarus*, 841 So. 2d 181 (Miss. Ct. App. 2003).

Although the trial court's order that the parties split the child's tuition expenses 70/30 was above the statutory guidelines, such a split was appropriate under the circumstances when the husband was seemingly trying to avoid paying the child's tuition, despite the trial court's earlier order as part of the divorce decree that the children be provided with college educations. *Fancher v. Pell*, 831 So. 2d 1137 (Miss. 2002).

Husband's agreement prior to a divorce to send a child to private school was by itself an inadequate basis for an award of child support in excess of that allowed by the statutory child support award guidelines. *Southerland v. Southerland*, 816 So. 2d 1004 (Miss. 2002).

The trial court erred in deviating from the guidelines and awarding no child support on the basis that the father was awarded 50 percent visitation/custody where the court awarded the father 10 weeks in the summer, every other weekend, and alternating holidays as such award did not amount to 50 percent visitation. *Mitchell v. Mitchell*, 767 So. 2d 1037 (Miss. Ct. App. 2000).

The trial court did not err in deviating from the guidelines by awarding \$500 per month in child support, rather than the \$485 per month called for by the guidelines, where the court found that the upward deviation was appropriate because of unusual medical expenses for the chil-

dren at issue. *Grant v. Grant*, 765 So. 2d 1263 (Miss. 2000).

The court properly ordered the noncustodial father to pay \$500 per month in child support where that amount was somewhat less than required by the guidelines based on his recent income, but the court explained that he was reducing child support payments to give the father the opportunity to pay his bills and some outstanding debts. *James v. James*, 756 So. 2d 847 (Miss. Ct. App. 2000).

Where the chancellor awarded no child support in connection with an award of split custody, but did not cite the statute in reasoning its deviation from the guidelines, the matter would be remanded for the chancellor to specifically reference, in writing, why the statutory guidelines were inappropriate or unjust. *Brocato v. Brocato*, 731 So. 2d 1138 (Miss. 1999).

### 3. Deviation from guidelines.

Substantial evidence supported an upward adjustment of child support under Miss. Code Ann. § 93-5-23 based on a material change in circumstances because of the child's increased needs and expenses, inflation, and the father's improved financial condition and earning capacity, and the child was attending college and also had transportation costs; further, departure from the 14 percent guideline set forth in Miss. Code Ann. § 43-19-101 was proper because the father consistently earned more than \$50,000 per year and the chancellor's findings concerning the child's needs and circumstances supported the departure. *Wallace v. Wallace*, 965 So. 2d 737 (Miss. Ct. App. 2007).

In making the finding of the inapplicability of the statutory guidelines to the wife's child support award, the chancellor failed to fully comply with Miss. Code Ann. § 43-19-101(2) by making a written or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case as determined under the criteria specified in Miss. Code Ann. § 43-19-103; on remand, should the chancellor decide again to deviate from the statutory guidelines, the chancellor had to make a specific, on-the-record finding which would overcome the rebuttable presumption.

*Yelverton v. Yelverton*, 961 So. 2d 19 (Miss. 2007).

### 4. Findings of fact.

Although the chancery court did not make a written finding as to whether the application of the guidelines was reasonable pursuant to Miss. Code Ann. § 43-19-101(4), it was clear that the chancery court considered the twenty percent statutory guideline figure set forth in Miss. Code Ann. § 43-19-101(1) in setting a former husband's support obligation for his two children because the chancery court stated that it took into account its statutory discretion and the children's needs. Because the husband's child support obligation was less than the amount set forth by the guidelines and the husband did not contend that the amount of child support awarded was unreasonable, the chancery court's failure to make a written finding as to the reasonableness of the guidelines did not constitute reversible error. *Morris v. Morris*, — So. 2d —, 5 So. 3d 476, 2008 Miss. App. LEXIS 612 (Miss. Ct. App. 2008).

In a child custody case, if a second order entered by a chancellor was not a result of an agreement between the parents, then the chancellor should have made findings of fact as to why child support was less than the amount required by the guidelines. *Klein v. McIntyre*, 966 So. 2d 1252 (Miss. Ct. App. 2007).

Chancellor did not err by ordering a former husband to pay child support in the amount of \$2,500 for two minor children because the guidelines did not have to be followed since the husband earned more than \$50,000 per year. *Yelverton v. Yelverton*, 961 So. 2d 48 (Miss. Ct. App. 2006).

Monthly child support payment of \$ 300 per month was in line with 14 percent of an annual income of \$ 26,000 per year; that indicated that the trial court, evaluating all of the evidence presented, determined that the father's yearly income was \$ 26,000 and then based its statutory calculations on that figure. That was not manifest error as there was evidence to support the chancellor's award; the chancery court applied the guidelines in its determination of the amount of child support, and therefore under Miss. Code Ann.

§ 43-19-101, no written findings of fact were required, and the amount of \$ 300 was within the statutory guidelines. *Bryant v. Bryant*, 924 So. 2d 627 (Miss. Ct. App. 2006).

Findings of the chancellor in awarding child support to the wife were sufficient to comply with the requirements of Miss. Code Ann. § 43-19-101 where the husband's income was not greater than fifty thousand dollars per year; the chancellor's findings were not required to be in writing, and the husband's argument that the chancellor abused his discretion and committed manifest error was without merit. *Gray v. Gray*, 909 So. 2d 108 (Miss. Ct. App. 2005).

In the husband's appeal of the award of child support, the court rejected the husband's claim that the chancellor did not comply with Miss. Code Ann. § 43-19-101(4) requiring that the chancellor provide a written finding that the application of the statutory guidelines to income in excess of \$ 50,000 was reasonable because the chancellor declared in his written judgment, that although the husband's income exceeded \$ 50,000 he saw no reason to deviate from the statutory child support guideline of 20 percent of the adjusted gross income. While the chancellor's statement was rather succinct, it was nonetheless a written finding of reasonableness, especially when the statement was taken in the context of the chancellor's opinion as a whole in consideration of the facts and circumstances of the case. *Peters v. Peters*, 906 So. 2d 64 (Miss. Ct. App. 2004).

Finding in favor of the husband in the parties' divorce action was improper where the chancellor's specific findings were deficient because the husband's adjusted gross income exceeded \$50,000, Miss. Code Ann. 43-19-101(4), but the chancellor's opinion and judgment contained no written findings as to whether the statutory guidelines were reasonable or whether a departure was appropriate. Thus, the court had no guidance on how the chancellor arrived at child support in the amount of \$400 per month, per child. *Thompson v. Thompson*, 894 So. 2d 603 (Miss. Ct. App. 2004), cert. denied, 893 So. 2d 1061 (Miss. 2005).

The chancellor made sufficient findings of fact to support his decision to apply the suggested percentage for one child to the husband's full income even though that income was greater than \$50,000 where the chancellor explained the source of the husband's income, noted that the income was expected to continue, and found that the resulting child support award was necessary and reasonable to maintain a reasonable standard of living for the child. *Vaughn v. Vaughn*, 798 So. 2d 431 (Miss. 2001).

Under subsection (2) of this section, an on-the-record finding as to the applicability of the child support guidelines is required on both the initial award of child support and any subsequent modification of child support. *Turner v. Turner*, 744 So. 2d 332 (Miss. Ct. App. 1999).

## 5. Needs of other children.

Chancellor did not abuse his discretion in not giving the father a deduction for the child living in his home where the father did not mention any need that the custodial child might have which was greater than that of any of the other children; the father did not attempt to offer any proof of the expenses that child might have. *McClee v. Simmons*, 834 So. 2d 61 (Miss. Ct. App. Dec. 17, 2002).

As a chancellor in his discretion may reduce gross income by an amount sufficient to provide for children living with the parent required to pay support, it is logical to also allow a chancellor to consider other sources available for the support of those children, such as the income of the subsequent spouse of the obligor parent. *Shepherd v. Shepherd*, 769 So. 2d 242 (Miss. Ct. App. 2000).

Subsection (3)(d) of this section does not allow for a deduction for children of a noncustodial parent's subsequent spouse. *Kilgore v. Fuller*, 741 So. 2d 351 (Miss. Ct. App. 1999).

## 6. Modification of support.

Pursuant to Miss. Code Ann. § 43-19-101(3)(a), insurance benefits not needed for the father's treatment were considered in calculating child support, and there was no error in modification of monthly support. *Crayton v. Burley*, 952 So. 2d 957 (Miss. Ct. App. 2006).

Finding against the mother was proper in part where, since the father's gross income increased only slightly, his modest increase in adjusted gross income did not justify a 25 percent increase in child support payments, Miss. Code Ann. § 43-19-101. *Riddick v. Riddick*, 906 So. 2d 813 (Miss. Ct. App. 2004).

Chancery court did not err in finding the father to be in contempt for unpaid child support and in denying his petition to modify child custody and support, because the father had recovered from his injury and returned to work, had failed to promptly seek a modification after his injury and the support amount was within the guidelines of Miss. Code Ann. § 43-19-101 and presumed reasonable. No evidence overcame that presumption and nothing in the record indicated that the chancery court had committed manifest error in declining to modify the child support provisions. *Bosarge v. Bosarge*, 879 So. 2d 515 (Miss. Ct. App. 2004).

There was no basis on which to determine that the father was being required to pay more than the guidelines suggested as child support because (1) the appellate court was unable to determine from the record if the father was paying more than 22 percent of his adjusted gross income in child support, Miss. Code Ann. § 43-19-101; (2) the final divorce decree was not included in the record nor was any evidence of the father's income or the children's tuition expenses; and (3) the chancellor knew that the father's income had been reduced and still ordered him to make the tuition payments, which were apparently less than originally had been required because of the school's grant; thus, the father's petition to modify his child support and tuition payments was properly denied. *Halle v. Harper*, 869 So. 2d 439 (Miss. Ct. App. 2004).

Chancery court did not err in denying a husband's motion for modification of the amount of child support payable under an agreement entered into in connection with the parties' irreconcilable differences divorce where husband had paid less than 10 percent of the amount due and had voluntarily changed jobs resulting in a lowering of the husband's income; husband was ordered to not only continue

paying the agreed amount but the amount of the husband's monthly obligation was increased to pay the past due amount. *Seeley v. Stafford*, 840 So. 2d 111 (Miss. Ct. App. 2003).

When it is evident that a non-custodial parent was exempted from a child support obligation at the time of an earlier court order only because of being unemployed, there is no logic to requiring proof that the parent's later obtaining of employment is a material change in circumstances; in such a situation, it is justified to modify the earlier decree and require support consistent with the statute that sets out the support guidelines, Miss. Code Ann. § 43-19-101. *Lacey v. Lacey*, 822 So. 2d 1132 (Miss. Ct. App. 2002).

Although the divorce decree exempted the mother from paying child support, because the mother was a non-custodial parent who was now sober and employed, she was no longer exempted from paying child support and a modification of the decree requiring her to provide her two children with 20 percent of her adjusted gross income was proper. *Lacey v. Lacey*, 822 So. 2d 1132 (Miss. Ct. App. 2002).

Chancellor's modification of a parent's child support obligation to \$1,000 per month was remanded for reconsideration in light of the fact that the chancellor's calculation of the parent's annual income was more than \$300,000 below the parent's actual income. *Moulds v. Bradley*, 791 So. 2d 220 (Miss. 2001).

The statute addressed the issue of income and what was included when tabulating child support and included items in a person's salary package; father's housing allowance as part of his church salary constituted gross income and was included in the tabulation. *Bustin v. Bustin*, 806 So. 2d 1136 (Miss. Ct. App. 2001).

Downward modification denied where father's income was nearly unchanged, it had been only 15 months since he agreed to the current child support amount, and his considerable personal debt was newly accumulated through his willful and foreseeable acts. *Magee v. Magee*, 755 So. 2d 1057 (Miss. 2000).

The chancellor erred in not referencing the statutory guidelines in making his specific findings of fact regarding an in-

crease in child support. *Wallace v. Bond*, 745 So. 2d 844 (Miss. 1999).

The court erred in increasing the amount of child support to be paid by a father for his teenage daughter where the guidelines provided for an award of 14 percent of the father's adjusted gross income and the award was 22 percent of his adjusted gross income. *Kilgore v. Fuller*, 741 So. 2d 351 (Miss. Ct. App. 1999).

### 7. Retroactivity of award.

The court properly made a modification

of child support retroactive to the date that the petition was filed, rather than the date the order was entered, notwithstanding that the modification was based in part on an annual bonus received after the date that the petition was filed; the chancellor was justified in including the bonus received in July in the appellant's income for the whole year, not just for the latter half of the year. *Alderson v. Morgan ex rel. Champion*, 739 So. 2d 465 (Miss. Ct. App. 1999).

## § 43-19-103. Criteria for overcoming presumption that guidelines are appropriate.

The rebuttable presumption as to the justness or appropriateness of an award or modification of a child support award in this state, based upon the guidelines established by Section 43-19-101, may be overcome by a judicial or administrative body awarding or modifying the child support award by making a written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case as determined according to the following criteria:

(a) Extraordinary medical, psychological, educational or dental expenses.

(b) Independent income of the child.

(c) The payment of both child support and spousal support to the obligee.

(d) Seasonal variations in one or both parents' incomes or expenses.

(e) The age of the child, taking into account the greater needs of older children.

(f) Special needs that have traditionally been met within the family budget even though the fulfilling of those needs will cause the support to exceed the proposed guidelines.

(g) The particular shared parental arrangement, such as where the noncustodial parent spends a great deal of time with the children thereby reducing the financial expenditures incurred by the custodial parent, or the refusal of the noncustodial parent to become involved in the activities of the child, or giving due consideration to the custodial parent's homemaking services.

(h) Total available assets of the obligee, obligor and the child.

(i) Any other adjustment which is needed to achieve an equitable result which may include, but not be limited to, a reasonable and necessary existing expense or debt.

#### 1. In general.

In making the finding of the inapplicability of the statutory guidelines to the wife's child support award, the chancellor failed to fully comply with Miss. Code Ann. § 43-19-101(2) by making a written or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case as determined under the criteria specified in Miss. Code Ann. § 43-19-103; on remand, should the chancellor decide again to deviate from the statutory guidelines, the chancellor had to make a specific, on-the-record finding which would overcome the rebuttable presumption. *Yelverton v. Yelverton*, 961 So. 2d 19 (Miss. 2007).

Where a father's adjusted gross income was \$9,370 per month, and the guidelines percentage for two children was 20%, the trial court did not abuse its discretion in ordering the father to pay \$2,000 per month in child support. *Henderson v. Henderson*, — So. 2d —, 2006 Miss. App. LEXIS 162 (Miss. Ct. App. Mar. 7, 2006).

In a divorce case, a chancellor did not err in determining a husband's adjusted

gross income by using evidence from his financial statement, a tax return, and the testimony of witnesses; moreover, the chancellor correctly applied Miss. Code Ann. § 43-19-103 in determining the amount of child support. *Spahn v. Spahn*, 959 So. 2d 8 (Miss. Ct. App. 2006).

Where the record showed the parties had been married almost 20 years and that the wife had primarily worked at a few part-time jobs, in addition to raising two children, the appellate court held: (1) as to the husband's part ownership in the business, the chancellor was within his discretion in finding that there was no goodwill, because said air conditioning business had numerous skilled employees, the husband was not an essential, irreplaceable part of said business, and the business would have operated normally if the husband left the business; (2) even though the husband was granted primary physical custody of the parties' minor child, the award of child support to the wife was not improper based on the criteria for overcoming the presumption that the guidelines were appropriate; (3) the award of periodic alimony to the wife was proper given the length of the marriage, the fact that the parties had enjoyed a high standard of living, and that the wife had very little education or work

experience; and (4) the wife's acts of infidelity which occurred while the parties were separated was not a ground for denying alimony. *Rush v. Rush*, 932 So. 2d 800 (Miss. Ct. App. 2005).

Chancellor's award of \$ 824 a month in child support to the wife in a divorce action was exactly the 20 percent of the husband's income called for by the child support guidelines set forth in Miss. Code Ann. § 43-19-101, and was not excessive; as the award was in accordance with the guidelines, the chancellor was not required to make specific findings justifying the award. *Gable v. Gable*, 846 So. 2d 296 (Miss. Ct. App. 2003).

Because the husband had an adjusted gross income of more than \$ 50,000, the child support guidelines did not apply; therefore, the trial court was not in error by deviating from the child support guidelines. *Holley v. Holley*, 892 So. 2d 240 (Miss. Ct. App. 2003).

Because the husband was a doctor and had the ability to earn a substantial income, the wife had no source of income at that time other than the rehabilitative alimony, and the children had special needs which the chancellor deemed to include private school tuition, the supreme court found that those reasons meet the criteria set out in Miss. Code Ann. § 43-19-103(f), (h) and the chancellor properly found special circumstances existed that necessitated a variance from the statutory guidelines in setting the husband's obligation of child support. *Hensarling v. Hensarling*, 824 So. 2d 583 (Miss. 2002).

Where the court made no specific findings as to the husband's income and offered no reason as to why the child support award exceeded the amount suggested by the statutory guidelines based on what he reported as his adjusted gross income, the judgment would be vacated and remanded for specific findings as to the husband's income and expenses. *Gray v. Gray*, 745 So. 2d 234 (Miss. 1999).

Health, transportation, and college expenses are not included in determining the amount of support under the guidelines, although such extra obligations could well be considered for a downward departure from the guidelines under this

section. *Kilgore v. Fuller*, 741 So. 2d 351 (Miss. Ct. App. 1999).

A \$350 per month award to be paid by a father for the support of his 3 children was manifestly erroneous where the father's adjusted gross income based on his salary, which was his only significant and reliable source of income, was approximately \$2,350 per month, the guidelines set forth in § 99-19-101 suggested that he should pay \$495 per month in child support, and the chancellor failed to make a specific finding on the record that application of the statutory guidelines would be unjust or inappropriate. *Draper v. Draper*, 658 So. 2d 866 (Miss. 1995).

A chancellor did not abuse his discretion in ordering a wife to pay child support in the amount of \$224.00 per month for the support of her minor son, even if the award exceeded the statutory guideline for the support of one child, where the record showed that the wife would be able to support herself as well as to pay child support. *Smith v. Smith*, 614 So. 2d 394 (Miss. 1993).

A chancellor's departure from the guidelines set forth in § 43-19-101 in determining an appropriate amount of child support was not error where the chancellor followed the statutory method of rebutting the presumption that 26 percent of the father's adjusted gross income was the appropriate amount of child support, and the record included a written finding, as required by § 43-19-103, that the guidelines were inappropriate in that particular case. *McEachern v. McEachern*, 605 So. 2d 809 (Miss. 1992).

## 2. Medical expenses.

In the father's petition to clarify his child support obligations, the chancellor's finding that counseling for his sons was not medically necessary was appropriate pursuant to Miss. Code Ann. § 43-19-103(a) because the boys had only one session and the doctor did not order any follow up treatment. *Wilkerson v. Wilkerson*, 955 So. 2d 903 (Miss. Ct. App. 2007).

The trial court did not err in deviating from the guidelines by awarding \$500 per month in child support, rather than the \$485 per month called for by the guidelines, where the court found that the upward deviation was appropriate because

of unusual medical expenses for the children at issue. *Grant v. Grant*, 765 So. 2d 1263 (Miss. 2000).

### 3. Education expenses.

To modify a decreed support obligation already exceeding the statutory guidelines in order to award college expenses, a chancellor is required to take into consideration the criteria set forth in Miss. Code Ann. § 43-19-103, as well as the factors contained in *Brabham v. Brabham*. *Evans v. Evans*, 994 So. 2d 765 (Miss. 2008).

Where a father made significantly more income than a mother and the father had enrolled their child in private school before the divorce and wished the child to continue there, an award of child support exceeding the statutory guidelines was not in error. *Southerland v. Southerland*, 875 So. 2d 204 (Miss. 2004).

Although the trial court's order that the parties split the child's tuition expenses 70/30 was above the statutory guidelines,

such a split was appropriate under the circumstances when the husband was seemingly trying to avoid paying the child's tuition, despite the trial court's earlier order as part of the divorce decree that the children be provided with college educations. *Fancher v. Pell*, 831 So. 2d 1137 (Miss. 2002).

The chancellor did not abuse his discretion in awarding child support of \$1,000 per month, notwithstanding that the guidelines called for an award of \$715 per month, where, prior to the divorce proceeding, the parties had mutually agreed to enroll their child in a private school and it was clear from the record that the chancellor considered this an extraordinary expense not contemplated in the statutory guidelines. *Southerland v. Southerland*, — So. 2d —, 2001 Miss. App. LEXIS 208 (Miss. Ct. App. May 22, 2001).

#### § 43-20-3. Declaration of purpose.

The purpose of this chapter is to protect and promote the health and safety of the children of this state by providing for the licensing of child care facilities as defined herein so as to assure that certain minimum standards are maintained in such facilities. This policy is predicated upon the fact that a child is not capable of protecting himself, and when his parents for any reason have relinquished his care to others, there arises the probability of exposure of that child to certain risks to his health and safety which require the offsetting statutory protection of licensing.

### § 43-20-5. Definitions.

When used in this chapter, the following words shall have the following meanings:

(a) "Child care facility" means a place that provides shelter and personal care for six (6) or more children who are not related within the third degree computed according to the civil law to the operator and who are under thirteen (13) years of age, for any part of the twenty-four-hour day, whether that place is organized or operated for profit or not. The term "child care facility" includes day nurseries, day care centers and any other facility that falls within the scope of the definitions set forth in this paragraph, regardless of auspices. Exemptions from the provisions of this chapter include:

(i) Child care facilities that operate for no more than two (2) days a week, whose primary purpose is to provide respite for the caregiver or temporary care during other scheduled or related activities and organized programs that operate for three (3) or fewer weeks per year such as, but not limited to, Vacation Bible Schools and scout day camps.

(ii) Any child residential home as defined in, and in compliance with the provisions of, Section 43-16-3(b) et seq.

(iii)1. Any elementary, including kindergarten, and/or secondary school system, accredited by the Mississippi State Department of Education, the Southern Association of Colleges and Schools, the Mississippi Private School Education Association, the American Association of Christian Schools, the Association of Christian Schools International, a school affiliated with Accelerated Christian Education, Inc., and any Head Start program operating in conjunction with an elementary school system, whether it is public, private or parochial, whose primary purpose is a structured school or school readiness program.

2. Accreditation, for the purpose of exemption from the provisions of this chapter, means: a. receipt by any school or school system of full accreditation from an accrediting entity listed in item 1 of this subparagraph (iii), or b. proof of application by the school or school system for accreditation status from the accrediting entity. Proof of application for accreditation status shall include, but not be limited to, a copy of the applicant's completed application for accreditation filed with the licensing agency and a letter or other authenticating documentation from a signatory authority with the accrediting entity that the application for accreditation has been received and that the applicant is currently under consideration or review for full accreditation status by the

accrediting entity. An exemption for a nonaccredited applicant under this item 2 shall be for a maximum of one (1) year from the receipt date by the licensing agency of the completed documentation for proof of application for accreditation status. Failure to receive full accreditation by the end of the one-year exemption period for a nonaccredited applicant shall result in the nonaccredited applicant no longer remaining exempt from the provisions of this chapter at the end of the one-year period. However, if full accreditation is not received by the end of the one-year exemption period, the State Board of Health, in its discretion, may extend the exemption period for any nonaccredited applicant for periods of six (6) months, with the total extension not to exceed one (1) year. During any such extension periods, the board shall have the authority to enforce child care facility licensure provisions relating to the health and safety of the children in the school or school system. If a nonaccredited applicant fails to receive full accreditation by the end of all extended exemption periods, the applicant shall no longer remain exempt from the provisions of this chapter at the end of the extended exemption periods.

(iv) Any membership organization affiliated with a national organization that charges only a nominal annual membership fee, does not receive monthly, weekly or daily payments for services, and is certified by its national association as being in compliance with the association's minimum standards and procedures including, but not limited to, the Boys and Girls Club of America, and the YMCA.

(v) Any family child care home as defined in Section 43-20-53(a) et seq.

All other preschool child care programs and/or extended day school programs must meet requirements set forth in this chapter. Any entity exempt from the requirements to be licensed but voluntarily chooses to obtain a license is subject to all provisions of this chapter.

(b) "Health" means that condition of being sound in mind and body and encompasses an individual's physical, mental and emotional welfare.

(c) "Safety" means that condition of being protected from hurt, injury or loss.

(d) "Person" means any person, firm, partnership, corporation or association.

(e) "Operator" means any person, acting individually or jointly with another person or persons, who establishes, owns, operates, conducts or maintains a child care facility. The child care facility license shall be issued in the name of the operator, or, if there is more than one (1) operator, in the name of one (1) of the operators. If there is more than one (1) operator, all statutory and regulatory provisions concerning the background checks of operators shall be equally applied to all operators of a facility including, but not limited to, a spouse who jointly owns, operates or maintains the child care facility regardless of which particular person is named on the license.

(f) "Personal care" means assistance rendered by personnel of the child care facility in performing one or more of the activities of daily living which

includes, but is not limited to, the feeding, personal grooming, supervising and dressing of children placed in the child care facility.

(g) "Licensing agency" means the Mississippi State Department of Health.

(h) "Caregiver" means any person who provides direct care, supervision or guidance to children in a child care facility, regardless of title or occupation.

#### ATTORNEY GENERAL OPINIONS

"Extended preschool" programs serving 2, 3 and 4 year olds are not exempt from Child Care Licensure requirements. Herring, Oct. 16, 1990, A.G. Op. #90-0732.

Legislature did not intend to impose child care regulations on youth camps; passage of Youth Camp Safety and Health Law indicates desire by Legislature to regulate youth camps under Youth Camp Safety and Health Law and to impose more restrictive and inappropriate child

care regulations on youth camps would be unreasonable and illogical construction of statute. Herring Sept. 3, 1993, A.G. Op. #93-0479.

Certain youth camps could qualify as employers within meaning to Sex Offense Criminal History Record Information Act and record check could be required as prerequisite to licensure under Youth Camp Safety and Health Act. Herring Sept. 3, 1993, A.G. Op. #93-0479.

#### § 43-20-7. Advisory council.

(1) There is hereby created an advisory council which shall be appointed by the State Health Officer, who shall serve at the pleasure of the State Health Officer.

(2) The advisory council shall consist of twelve (12) persons, six (6) of whom shall be licensed child care providers, and six (6) of whom shall represent child care professional organizations, child advocacy groups, child care associations or state agencies which provide child care funding, education or services. No more than four (4) members shall be appointed from any one (1) state Supreme Court district.

(3) It shall be the duty of the advisory council to assist and advise the licensing agency in the development of regulations governing the licensure and regulation of child care facilities and to advise the licensing agency on matters relative to the administration and interpretation of the provisions of this chapter.

(4) Members of the advisory council shall be reimbursed for mileage and expenses as is authorized by law.

**Amendment Notes** — The 2008 amendment, in (2), substituted “twelve (12) persons, six (6)” for “eleven (11) persons, five (5),” and inserted “child care associations” and “education”; added the language following “child care facilities” at the end of (3); and made a minor stylistic change.

Powers and duties of licensing agency; parental access to facilities; obtaining criminal records and child abuse registry records of current and prospective caregivers; authority to exclude certain crimes or findings as disqualifying for licensure; immunity; fee for background check; immunization against invasive pneumococcal disease.**

(1) The licensing agency shall have powers and duties as set forth below, in addition to other duties prescribed under this chapter:

(a) Promulgate rules and regulations concerning the licensing and regulation of child care facilities as defined in Section 43-20-5;

(b) Have the authority to issue, deny, suspend, revoke, restrict or otherwise take disciplinary action against licensees as provided for in this chapter;

(c) Set and collect fees and penalties as provided for in this chapter; and

(d) Have such other powers as may be required to carry out the provisions of this chapter.

(2) Child care facilities shall assure that parents have welcome access to the child care facility at all times and shall comply with the provisions of Chapter 520, Laws of 2006.

(3) Each child care facility shall develop and maintain a current list of contact persons for each child provided care by that facility. An agreement may be made between the child care facility and the child’s parent, guardian or contact person at the time of registration to inform the parent, guardian or contact person if the child does not arrive at the facility within a reasonable time.

(4) Child care facilities shall require that, for any current or prospective caregiver, all criminal records, background and sex offender registry checks and current child abuse registry checks are obtained. In order to determine the applicant’s suitability for employment, the applicant shall be fingerprinted. If no disqualifying record is identified at the state level, the fingerprints shall be

forwarded by the Department of Public Safety to the FBI for a national criminal history record check.

(5) The licensing agency shall require to be performed a criminal records background check and a child abuse registry check for all operators of a child care facility and any person living in a residence used for child care. The Department of Human Services shall have the authority to disclose to the State Department of Health any potential applicant whose name is listed on the Child Abuse Central Registry or has a pending administrative review. That information shall remain confidential by all parties. In order to determine the applicant's suitability for employment, the applicant shall be fingerprinted. If no disqualifying record is identified at the state level, the fingerprints shall be forwarded by the Department of Public Safety to the FBI for a national criminal history record check.

(6) The licensing agency shall have the authority to exclude a particular crime or crimes or a substantiated finding of child abuse and/or neglect as disqualifying individuals or entities for prospective or current employment or licensure.

(7) The licensing agency and its agents, officers, employees, attorneys and representatives shall not be held civilly liable for any findings, recommendations or actions taken under this section.

(8) All fees incurred in compliance with this section shall be borne by the child care facility. The licensing agency is authorized to charge a fee that includes the amount required by the Federal Bureau of Investigation for the national criminal history record check in compliance with the Child Protection Act of 1993, as amended, and any necessary costs incurred by the licensing agency for the handling and administration of the criminal history background checks.

(9) From and after January 1, 2008, the State Board of Health shall develop regulations to ensure that all children enrolled or enrolling in a state licensed child care center receive age-appropriate immunization against invasive pneumococcal disease as recommended by the Advisory Committee on immunization practices of the Centers for Disease Control and Prevention. The State Board of Health shall include, within its regulations, protocols for children under the age of twenty-four (24) months to catch up on missed doses. If the State Board of Health has adopted regulations before January 1, 2008, that would otherwise meet the requirements of this subsection, then this subsection shall stand repealed on January 1, 2008.

### ATTORNEY GENERAL OPINIONS

Headstart programs, operating in conjunction with elementary schools, are exempt from licensure under the Mississippi Child Care Licensing Law and therefore from having to perform sex offense criminal history record checks and child abuse registry checks; headstart programs which are not operated in conjunction with an elementary school and those headstart programs which are operated in conjunction with elementary schools, but have chosen to be or are required to be licensed by federal entities, must make such checks. Herring, June 24, 1992, A.G. Op. #92-0457.

Information which may be relevant regarding an employee or prospective employee of a child care facility, such as the existence of a substantiated case of abuse or neglect listing that individual as a perpetrator, may be disclosed to the State Department of Health for determination of the appropriateness of the individual to be employed in a child care facility. Thompson, Jr., Feb. 13, 2002, A.G. Op. #01-0771.

The Department of Health may enact policies which allow the performance of alternative criminal background checks to comport with the intent of the statute, if, in fact, such alternative means exist and may be implemented by the Department. Thompson, Jr., May 3, 2002, A.G. Op. #02-0145.

The statute does not specifically require that the results of criminal history checks be received prior to the hiring of an individual as a child care giver at a child care facility, and no violation of the statute occurs when an individual is hired while the results of that criminal history check are pending. Thompson, Jr., May 3, 2002, A.G. Op. #02-0145.

Because the Mississippi State Department of Health is the licensing agency for child-care facilities, it has the authority to disqualify current and prospective employees from being caregivers in child-care facilities based on their criminal history. A licensed child-care facility would not have the power to override that decision by the Department. Terney, Apr. 23, 2004, A.G. Op. 04-0124.

### § 43-20-9. License required.

An application for a license under this chapter shall be made to the licensing agency upon forms provided by it, and shall contain such information as the licensing agency may reasonably require. Each application for a license shall be accompanied by a license fee not to exceed Four Hundred Dollars (\$400.00), which shall be paid to the licensing agency. Licenses shall be granted to applicants upon the filing of properly completed application forms, accompanied by payment of the said license fee, and a certificate of inspection and approval by the fire department of the municipality or other political subdivision in which the facility is located, and by a certificate of inspection and approval by the health department of the county in which the facility is located, and approval by the licensing agency; except that if no fire department exists where the facility is located, the State Fire Marshal shall certify as to the inspection for safety from fire hazards. Said fire, county health department and licensing agency inspections and approvals shall be based upon regulations promulgated by the licensing agency as approved by the State Board of Health.

Each license shall be issued only for the premises and person or persons named in the application and shall not be transferable or assignable except with the written approval of the licensing agency. Licenses shall be posted in a conspicuous place on the licensed premises.

No governmental entity or agency shall be required to pay the fee or fees set forth in this section.

### JUDICIAL DECISIONS

#### 1. In general.

Where a day care provider's dispute with the Mississippi State Department of Health, the Mississippi State Board of Health, various inspectors, and other officers, concerned minute details about the licensing inspection of the provider's facility and appeared to implicate no federal rights or laws, in light of Mississippi's

interest in ensuring safe day care centers, as well as the fact that the provider failed to pursue her state remedies, the federal district court abstained from hearing the provider's requests for injunctive relief. *Deborah Ellis & Landscapes in Learning, Inc. v. Miss. State Dep't of Health*, — F. Supp. 2d —, 2006 U.S. Dist. LEXIS 63681 (N.D. Miss. Aug. 5, 2006).

#### § 43-20-17. Information confidential; authority to release findings of investigations into allegations of abuse.

Information in the possession of the licensing agency concerning the license of individual child care facilities may be disclosed to the public, except such information shall not be disclosed in such manner as to identify children or families of children cared for at a child care facility. Nothing in this section shall affect the agency's authority to release findings of investigations into allegations of abuse pursuant to either Section 43-21-353(8) or Section 43-21-257.

## JUDICIAL DECISIONS

**1. In general.**

Nowhere did the Youth Court Act, Miss. Code Ann. § 43-21-101 et seq., provide for it taking jurisdiction over a case involving exclusively child support, contempt, and modification issues; thus, where the family court had adjudicated the father as the natural father of the mother's child, and set child support and visitation, but subsequently, the family court was abolished, in a later modification action, the appellate court reversed the youth court on the issue of jurisdiction, holding that the matter had to be transferred to the chancery court. *Helmert v. Biffany*, 842 So. 2d 1287 (Miss. 2003).

To extent defendant referee of Youth Court failed to have record made of Youth Court proceeding for allegations of abuse of child, allegedly abused child was deprived of property interest to which she was entitled under Fourteenth Amendment. In addition, while referee did appoint guardian ad litem for child, he failed to insure that her interests were adequately protected by such representation and thus effectively denied her right to present evidence on her behalf, as established under state law, and deprived her of a protected property interest in that respect as well. Appropriate remedy for vio-

lation was to enjoin referee to hold new hearing in full conformity with statutory and constitutional requirements. *Chrissy F. ex rel. Medley v. Mississippi Dep't of Pub. Welfare*, 780 F. Supp. 1104 (S.D. Miss. 1991), *aff'd in part, rev'd on other grounds*, 995 F.2d 595 (5th Cir. 1993), *reh'g denied*, 3 F.3d 441 (5th Cir. 1993), *cert. denied*, 510 U.S. 1214, 114 S. Ct. 1336, 127 L. Ed. 2d 684 (1994).

Defense counsel's failure to inform state trial court of sentencing alternatives under state Youth Court law (Miss Code Ann. §§ 43-21-101 et seq.) for minor convicted of murder, constituted ineffective assistance of counsel requiring grant of writ of habeas corpus for inmate's release unless inmate is resentenced, however, new trial to remedy trial counsel's failure to inform trial court of sentencing alternatives is not required. *Burley v. Cabana*, 818 F.2d 414 (5th Cir. 1987).

In a delinquency proceeding an error in citing the incorrect section of the Youth Court Act, § 43-21-1 [repealed], did not vitiate the order adjudicating a boy to be a delinquent child or deny the Youth Court jurisdiction of the matter, where § 43-21-1 [repealed] had been repealed and superseded by § 43-21-101 which set out and accomplished the same purpose. **§ 43-21-103. Construction and purpose.**

This chapter shall be liberally construed to the end that each child coming within the jurisdiction of the youth court shall become a responsible, accountable and productive citizen, and that each such child shall receive such care, guidance and control, preferably in such child's own home as is conducive

toward that end and is in the state's and the child's best interest. It is the public policy of this state that the parents of each child shall be primarily responsible for the care, support, education and welfare of such children; however, when it is necessary that a child be removed from the control of such child's parents, the youth court shall secure proper care for such child.

##### 1. In general.

Trial court properly granted a natural father's petition for custody modification, as the children's foster mother's unjustified refusal to allow the father visitation or telephone contact was a material change in circumstances adverse to the children. *Barnett v. Oathout*, 883 So. 2d 563 (Miss. 2004).

Contrary to a foster mother's claims, in changing custody from her to the children's natural father, the trial court did not rely on the natural parent presumption, but imposed the burden on the father to show a material change in circumstances, which was the appropriate standard. *Barnett v. Oathout*, 883 So. 2d 563 (Miss. 2004).

Nowhere did the Youth Court Act, Miss. Code Ann. § 43-21-101 et seq., provide for it taking jurisdiction over a case involving exclusively child support, contempt, and modification issues; thus, where the family court had adjudicated the father as the natural father of the mother's child, and set child support and visitation, but subsequently, the family court was abolished, in a later modification action, the appellate court reversed the youth court on the issue of jurisdiction, holding that the matter had to be transferred to the chancery

court. *Helmert v. Biffany*, 842 So. 2d 1287 (Miss. 2003).

In a hearing on a mother's petition to restore custody of her 2 children, who had been adjudicated neglected and placed in foster care, the applicable standard for the chancellor's consideration was whether there was "a material change in circumstances as to custody that would benefit and be for the best interest of the children"; the focus does not change in custody matters where it is not one parent vying against the other for custody of their child, but rather, the Department of Human Services seeking to retain custody of a neglected or abused child rather than have the child returned to a parent. *Copiah County Dep't of Human Servs. v. Linda D.*, 658 So. 2d 1378 (Miss. 1995).

The placement of minors in a detention center subjected the minors to the jurisdiction of the youth court pursuant to § 43-21-103, which provides that "when a child is removed from the control of his parents, the youth court shall secure proper care for him", and, therefore, it was incumbent upon the court to insure that the residents of the center received treatment in accordance with approval by the state. *In re M.I.*, 519 So. 2d 433 (Miss. 1988).

### I. Under Current Law.

#### 1. Jurisdiction — In general.

Where the family court had entered an order on paternity, child support, and custody, but the family court was abolished, and father later sought to modify the order, the appellate court held the original paternity action could not have been brought in youth court. No allegations of abuse, neglect, or delinquency had been asserted, thus the matter was not one for which the youth court had been granted jurisdiction, and the matter was remanded for transfer to the chancery court. *Helmert v. Biffany*, 842 So. 2d 1287 (Miss. 2003).

Jurisdiction for prosecution of 15 year old for rape, offense potentially punishable by life sentence, is in circuit court, to exclusion of youth court, notwithstanding

defendant's claim of interrogation in violation of Youth Court Act (§ 43-21-311). *Winters v. State*, 473 So. 2d 452 (Miss. 1985).

#### 2. —Married minors.

Under § 43-21-105(d), defining "child", and § 43-21-151, the youth court jurisdictional statute, the youth court has jurisdiction over married minors under the age of 18. *In re K.A.R.*, 441 So. 2d 108 (Miss. 1983).

#### 3. —Murder excepted.

Murder is a crime excepted from the jurisdiction of the youth court. Thus, the circuit court had exclusive jurisdiction over a juvenile charged with murder. *Boyd v. State*, 523 So. 2d 1037 (Miss. 1988).

Circuit court's jurisdiction was proper where juvenile was indicted for murder, offense carrying potential life sentence, although he was ultimately convicted for aggravated assault. *Johnson v. State*, 512 So. 2d 1246 (Miss. 1987), cert. denied, 484 U.S. 968, 108 S. Ct. 462, 98 L. Ed. 2d 402 (1987).

#### 4. In need of supervision.

County youth court did not err in transferring what was a child custody case to the county chancery court, as the mother's allegation that her 10-month-old child was in need of supervision was insufficient to show the child was in need of supervision under the relevant statute,

Miss. Code Ann. § 43-21-105(k), which required a child in need of supervision to have at least reached his seventh birthday; since there were also no allegations of abuse or neglect of the child, the case was a child custody case that fell under the jurisdiction of the county chancery court. In re L.D.M., 910 So. 2d 522 (Miss. 2005).

Children who habitually disobeyed the reasonable and lawful commands of their parents to attend school were children in need of supervision. In re M.R.L., 488 So. 2d 788 (Miss. 1986).

Record containing substantial evidence that each of three children had been habitually disobedient of reasonable and lawful commands of his or her parents and was ungovernable supported beyond a reasonable doubt the findings of the Youth Court that each was a child in need of treatment or rehabilitation. In re M.R.L., 488 So. 2d 788 (Miss. 1986).

A child may be adjudged “a child in need of supervision” and removed from parents only upon proof beyond a reasonable doubt. In re M.R.L., 488 So. 2d 788 (Miss. 1986).

### 5. Neglected.

Minor child could be found neglected, regardless of who the custodial parent was, if the non-custodial parent failed to remedy the situation when he or she was able to do so, and a non-custodial father, knowing that the children’s mother opposed taking one of the children to see a doctor, allowed the child to remain with the mother, untreated, for 10 additional days before taking the child back to see a doctor and because of that delay, the child’s bones began healing incorrectly. In addition to the medical neglect, the father was undoubtedly aware of the living conditions that his children were forced to endure, as he had lived at the very same residence in the past, he had undoubtedly witnessed the continuing nature of the living conditions when he came for his regular visits with the children, and according to the language of the “neglected child” statute, Miss. Code Ann. § 43-21-105(a), the children were neglected for purposes of Miss. Code Ann. § 93-15-103(3)(h) as much because of the father’s inaction as they were because of anything

the mother did or did not do. In re A.M.A., 986 So. 2d 999 (Miss. Ct. App. 2007).

“Neglect” is not a label that is placed upon a parent, but a label that is placed upon a child, and according to Miss. Code Ann. § 43-21-105(l), a child may be adjudicated neglected if that child’s parent, guardian or custodian or any person responsible for his care or support, neglects or refuses, when able so to do, to provide for him proper and necessary care or support, or medical, surgical, or other care necessary for his well-being or who, for any reason, lacks the care necessary for his health, morals or well-being; there is nothing in the language of Miss. Code Ann. § 93-15-103(3)(h), or in the language of Miss. Code Ann. § 43-21-105(l) that requires that an adjudication of neglect be made specifically with respect to the parent whose rights are being terminated. Indeed, the language of the neglect statute defines a “neglected child” — not a “neglecting parent” — and defines a “neglected child” in such a way that both parents have the responsibility to insure that a child is not being neglected, regardless of who the custodial parent is; in other words, if a child is being neglected by the custodial parent, that child is also being neglected by the non-custodial parent if that parent fails to remedy the situation when he or she is able to do so. In re A.M.A., 986 So. 2d 999 (Miss. Ct. App. 2007).

The siblings of a child who had been sexually abused by the children’s father were neglected and abused minor children within the meaning of the Youth Court Act by virtue of the fact that their sister was abused. An order enjoining the father from contact with the siblings until successful completion of a child sex abuse treatment program was justified by the potential harm those children would be subjected to in light of the fact that the father had already perpetrated sexual abuse upon one of his children. E.S. v. State, 567 So. 2d 848 (Miss. 1990).

Youth Court finding that each of three children was a neglected child required reversal where the petition filed against them charged expressly that each was a child in need of supervision, but in no way charged that they were neglected chil-

dren. In re M.R.L., 488 So. 2d 788 (Miss. 1986).

### 6. Delinquent.

Evidence supported a finding that defendant committed a delinquent act when she assaulted a teacher under Miss. Code Ann. § 97-3-7(1); defendant admitted to pushing a desk in front of the teacher, and she never claimed that this was an accident or that she did not intend to injure the teacher. In the Interest of K.G., 957 So. 2d 1050 (Miss. Ct. App. 2007).

Evidence was sufficient to adjudicate the juvenile as a delinquent, pursuant to Miss. Code Ann. § 43-21-105, when the juvenile's conduct at the high school he was attending would have been considered a breach of the peace in violation of Miss. Code Ann. § 97-53-3(1)(b) if the juvenile were an adult. In the Interest of L.C.A., 938 So. 2d 300 (Miss. Ct. App. 2006).

A high school student was properly adjudicated delinquent for having handguns on school grounds, where the guns were found in the student's locker, the student had exclusive possession of the locker and kept it under lock and key, and a second student testified that the first student had offered to sell him 2 handguns and had told him that he had the guns at school. S.C. v. State, 583 So. 2d 188 (Miss. 1991).

Defendant had been erroneously adjudicated delinquent child under Youth Court Act, for receipt of stolen property, where evidence offered by state showed only that defendant acquired possession of property from friend, and failed to prove either defendant's knowledge, or such circumstances that would constitute defendant's knowledge that property was stolen when defendant received it. In re W.B., 515 So. 2d 1175 (Miss. 1987).

### 7. Abused.

Judgment was properly entered for a school district in a case alleging negligence per se and other causes of action because an unsubstantiated rumor of an inappropriate relationship between a teacher and a student, without more, was insufficient to trigger a reporting duty under Miss. Code Ann. § 97-5-24; Miss. Code Ann. § 43-21-353 did not apply since the teacher was not a person responsible

for the student's care or support, and there was no evidence that the type of conduct applicable to § 43-21-353 had occurred. Brown v. Pontotoc County Sch. Dist. (In re Doe), 957 So. 2d 410 (Miss. Ct. App. 2007).

Defendant charged with felonious child abuse was entitled to instruction on lesser included offense of misdemeanor child abuse where evidence adduced at trial was such that jury could have found that defendant inflicted nonaccidental physical injury on victim rather than serious bodily harm; evidence indicated that victim, who was two-year-old child of defendant's live-in girlfriend, had superficial bruises and contusions on buttocks and right thigh and that defendant admitted spanking victim with belt on buttocks but denied bruising victim's thigh. Yates v. State, 685 So. 2d 715 (Miss. 1996).

Defendant's conviction for being an accessory after the fact to her husband's crime of statutory rape by assisting her daughter in obtaining an abortion was appropriate because defendant's proposed jury instruction was legally in error; defendant, the victim's mother, was told by her daughter of the sexual abuse committed upon the victim by defendant's husband while defendant worked at a school, Miss. Code Ann. § 43-21-105(m). Sherron v. State, 959 So. 2d 30 (Miss. Ct. App. 2006).

Evidence did not establish that defendant, who admittedly spanked his live-in girlfriend's two-year-old child three times with belt, inflicted serious bodily harm, rather than nonaccidental physical injury, and thus, evidence was such that reasonable jury could find defendant not guilty of child abuse but guilty of misdemeanor child abuse; evidence included examining physician's testimony that child's bruises were superficial and did not require medical treatment. Yates v. State, 685 So. 2d 715 (Miss. 1996).

Trial court's failure, in prosecution of defendant for felonious child abuse against his live-in girlfriend's two-year-old child, to give instruction on lesser included offense of misdemeanor child abuse, though error because evidence adduced at trial was such that reasonable jury could have found defendant guilty of

misdemeanor child abuse but not guilty of felonious child abuse, did not require new trial, but only required remand for resentencing, where Supreme Court found that the evidence sufficiently established defendant's guilt of misdemeanor child abuse, thus obviating need for child, his family, defendant, or state to be required to endure additional expense and draining of emotions of another trial. *Yates v. State*, 685 So. 2d 715 (Miss. 1996).

The evidence was insufficient to support a finding that 2 minor children, who had bruises on their buttocks from a spanking with a leather strap which resulted from conversations the children's mother had with their teachers regarding the children's behavior problem, were abused children within the meaning of the Youth Court Act, where the social worker did not interview the children's teacher who had reported the behavioral problems to the mother, she did not review the children's school records, she did not interview the children's mother or step-father or examine the home environment of the children, she did not talk to the medical doctor who examined the children for evidence of child abuse, she did not look at the strap used in the discipline of the children, she did not have the children tested or evaluated by experts, and the record did not contain any medical records showing evidence of physical abuse. *In re A.R.*, 579 So. 2d 1269 (Miss. 1991).

The evidence was sufficient to support a finding that a child had been sexually abused by her father, and was therefore an "abused child" under the Youth Court Act, where statements made by the child to a psychologist were offered into evidence, and the psychologist testified that it was his opinion that the child had been sexually abused by her father, even though the father denied engaging in any kind of sexual activity with the child and the child's mother was of the opinion that the father had not sexually abused the child. *E.S. v. State*, 567 So. 2d 848 (Miss. 1990).

#### 8. Corporal punishment.

The Youth Court Act was not intended to and does not prohibit the use of corporal punishment in disciplining a child. Injury is labeled abusive only when it constitutes

maltreatment. *In re A.R.*, 579 So. 2d 1269 (Miss. 1991).

Corporal punishment injury is labeled abusive only when it constitutes maltreatment. *In re A.R.*, 579 So. 2d 1269 (Miss. 1991).

The siblings of a child who had been sexually abused by the children's father were neglected and abused minor children within the meaning of the Youth Court Act by virtue of the fact that their sister was abused. An order enjoining the father from contact with the siblings until successful completion of a child sex abuse treatment program was justified by the potential harm those children would be subjected to in light of the fact that the father had already perpetrated sexual abuse upon one of his children. *E.S. v. State*, 567 So. 2d 848 (Miss. 1990).

#### 9. Miscellaneous.

Granting durable legal custody to a foster parent does not give her any greater rights than those of a foster parent. *Barnett v. Oathout*, 883 So. 2d 563 (Miss. 2004).

While a juvenile's intentional touching and squeezing of a pregnant woman's derriere, without permission, amounted to a physical offense, this conduct did not constitute simple assault under § 97-3-7(1)(c) where there was no proof of fear of imminent serious bodily harm. Thus, the juvenile's adjudication of delinquency would be reversed based on the failure to prove an essential element of the crime of simple assault. *S.B. v. State*, 566 So. 2d 1276 (Miss. 1990).

### II. Under Former Law.

#### 10. In general.

Being under the influence of marijuana is not a designated criminal offense under our statutes except in conjunction with the operation of a vehicle, but such conduct, when properly alleged and upon adequate proof, may be shown to endanger a child's health or to be a contributing factor to his incorrigibility or uncontrollability. *Murray v. State*, 310 So. 2d 919 (Miss. 1975).

A youth "who violates any state law or municipal ordinance," even though it be his first such offense, may be adjudicated

to be a "delinquent child" unless some violation is by some other applicable statute excluded from the purview of Code 1942 § 7185-02(g). In re Suratt, 273 So. 2d 178 (Miss. 1973).

Nothing in Code 1942, §§ 7185-02, 7185-09, or 7185-26 requires that any child upon being formally charged for the first time with a law violation or with being delinquent must be given a suspended sentence prior to commitment into the care and custody of a state supported training school. In re Suratt, 273 So. 2d 178 (Miss. 1973).

Youth court had no jurisdiction to award custody of a minor child to her maternal aunt, where the aunt's petition for custody showed on its face that the child was not neglected, as that term is defined by statute. Griffin v. Bell, 215 So. 2d 573 (Miss. 1968).

A petition alleging that a child has been charged as "delinquent-neglected" did not bring the child within this Act. Krebs v. Stephenson, 184 So. 2d 861 (Miss. 1966).

A child may not be committed as a delinquent upon a petition alleging only that she is neglected. In re Slay, 245 Miss. 294, 147 So. 2d 299 (1962).

An allegation in general terms of delinquency does not bring a child within the operation of this act; hence it is not sufficient to allege that the child "is fast becoming uncontrollable" by its parents and "is violating the laws of the state in various ways." Sharp v. State, 240 Miss. 629, 127 So. 2d 865, 90 A.L.R.2d 284 (1961), error overruled, 240 Miss. 646, 129 So. 2d 637 (1961).

The definition of "neglected child" is sufficiently broad to apply to a minor whose mother was dead and whose father did odd jobs in various cities throughout the state, residing with a paternal aunt and left uncared for at night while the

aunt was working. Walker v. State, 238 Miss. 532, 119 So. 2d 277 (1960).

Where defendant was convicted in justice court under an affidavit charging him with contributing to delinquency of his minor son by permitting and using the son to aid in loading and distributing intoxicating liquors, and defendant appealed to Circuit Court, amendment of affidavit charging defendant contributing to delinquency of son also by knowingly and intentionally permitting son to be present while defendant was loading intoxicating liquors was allowed, since the essential charge was the same in the affidavit and the amendment. Mays v. State, 216 Miss. 631, 63 So. 2d 110 (1953).

Circuit court was without jurisdiction at the time of indictment, trial, and conviction for the crime of grand larceny of a youth who was only 17 years old. Lee v. State, 214 Miss. 740, 59 So. 2d 338 (1952).

A minor child who is not supplied with necessary medical and surgical care is "neglected" so as to subject the parents to penalties imposed by law. Eggleston v. Landrum, 210 Miss. 645, 50 So. 2d 364, 23 A.L.R.2d 696 (1951).

It is not necessary that a delinquent, as defined herein, be actually convicted of a crime in order to confer jurisdiction upon the juvenile court to commit him to the proper state institution. Williams v. Bush, 199 Miss. 382, 24 So. 2d 863 (1946).

A 16-year-old boy indicted for murder is a delinquent within the meaning of this section [Code 1942, § 7193]. Parker v. State, 194 Miss. 895, 13 So. 2d 620 (1943), appeal dismissed, cert. denied, 320 U.S. 705, 64 S. Ct. 69, 88 L. Ed. 413 (1943).

Under statute providing for commitment to a state disciplinary school, "incorrigible child" is one who is incapable of being managed or corrected or disciplined in his present situation and under his present control. Mahaffey v. Mahaffey, 176 Miss. 733, 170 So. 289 (1936).

### ATTORNEY GENERAL OPINIONS

As general rule, municipality would relinquish financial liability for medical cost of youth at such time as municipality surrenders custody of youth to Youth Court and court issues custody order to county for incarceration of youth in county

jail. Landrum, March 1, 1990, A.G. Op. #90-0104.

A doctor's certificate is required in cases of physical discipline by a parent, guardian or custodian before a youth court judge or referee can adjudicate child

abuse in such a case, but the absence of such a certificate does not prevent a social worker from conducting a normal investigation pursuant to department policies, from bringing the matter to the attention of the youth court, from requesting shelter hearings or from taking the child to a physician for an examination. Taylor, July 14, 1997, A.G. Op. #97-0394.

A "designee" acting within the auspices of the Youth Court Act will enjoy judicial immunity. Storey, Oct. 27, 2000, A.G. Op. #2000-0595.

The developer of an established subdivision may subsequently dedicate the streets in the subdivision to the county

without complying with this section. However, for the streets to be considered public through dedication, the streets or dedication thereof must also be accepted by the county. Shepard, Sept. 3, 2003, A.G. Op. 03-0409.

Neither the possession of alcoholic beverages by a minor nor the possession of light wine or beer by a minor is a delinquent act as defined by subsection (j) of this section. Wiggins, Sept. 19, 2003, A.G. Op. 03-0424.

A police officer cannot be appointed to serve as a youth court designee. Thomas, May 14, 2004, A.G. Op. 04-0190.

### § 43-21-107. Establishment clause.

(1) A youth court division is hereby created as a division of the county court of each county now or hereafter having a county court, and the county judge shall be the judge of the youth court unless another judge is named by the county judge as provided by this chapter.

(2) A youth court division is hereby created as a division of the chancery court of each county in which no county court is maintained and any chancellor within a chancery court district shall be the judge of the youth court of that county within such chancery court district unless another judge is named by the senior chancellor of the county or chancery court district as provided by this chapter.

(3) In any county where there is no county court or family court on July 1, 1979, there may be created a youth court division as a division of the municipal court in any city if the governing authorities of such city adopt a resolution to that effect. The cost of the youth court division of the municipal court shall be paid from any funds available to the municipality excluding county funds. No additional municipal youth court shall be formed after January 1, 2007.

"SECTION 1. From and after the date Laws, 1999, ch. 432, is effectuated under Section 5 of the Voting Rights Act of 1965, all family courts are abolished. All matters pending in any family court abolished shall be transferred to the county court of the

county wherein the family court was located without the necessity for any motion or order of court for such transfer.”

On May 28, 1999, the United States Attorney General interposed no objection, under Section 5 of the Voting Rights Act of 1965, as amended and extended, to the repeal of Chapter 23, Family Courts, by Section 1 of Chapter 432, Laws of 1999.

**Amendment Notes** — The 2007 amendment deleted former (1), which provided for the creation of a youth court division as a division of the family court, and redesignated former (2) through (4) as present (1) through (3); deleted “and which does not have a family court” following “having a county court” in (1); deleted “or family court” following “in which no county court” in (2); and in (3), deleted “municipality for such purposes excluding state and” preceding “county funds” in the next-to-last sentence, and added the last sentence.

**Editor’s Note** — Family courts were abolished on May 28, 1999, under Section 1 of Chapter 432, Laws of 1999.

### I. Under Current Law.

#### 1. Constitutionality.

The youth court system does not unconstitutionally usurp jurisdiction committed exclusively to the chancery court by permitting the Supreme Court to hear a direct appeal without appeal to the chancery court, even though the Mississippi Constitution provides that the chancery court shall have full jurisdiction over “minor’s business.” Youth courts are neither superior, equal, or inferior to other “inferior” courts; they are special courts due to the special nature of their function. Thus, the legislature had authority to vest in the youth courts “exclusive original jurisdiction in all proceedings concerning ... an abused child,” and the social imperative for prompt disposition of matters affecting children is sufficiently within the police power that the legislature may streamline the appellate process. *In re T.L.C.*, 566 So. 2d 691 (Miss. 1990).

### 2.-5. [Reserved for future use].

### II. Under Former Law.

#### 6. Constitutionality.

The invalidity of the provision of Code 1942, § 7185-06 that a minor may waive issuance and service of process by voluntary appearance does not affect the rest of the statute. *Sharp v. State*, 240 Miss. 629, 127 So. 2d 865, 90 A.L.R.2d 284 (1961), error overruled, 240 Miss. 646, 129 So. 2d 637 (1961).

Where original and exclusive jurisdiction of all proceedings concerning delinquents or neglected children under eighteen years of age was vested in the youth court division of the chancery court or youth court division of county court, this was legitimate exercise of state’s police power and did not violate § 156 of the constitution which vests original jurisdiction of felonies in the circuit courts. *Wheeler v. Shoemaker*, 213 Miss. 374, 57 So. 2d 267 (1952).

The Youth Court Act of 1946 which vests original and exclusive jurisdiction of all proceedings concerning delinquents or neglected children under eighteen years of age in youth court division of chancery court or youth court division of county court is a reasonable classification, equal in its application to all those within the

stated age limit. *Wheeler v. Shoemake*, 213 Miss. 374, 57 So. 2d 267 (1952).

### 7. Construction and application.

Where the family court had entered an order on paternity, child support, and custody, but the family court was abolished, and father later sought to modify the order, the appellate court held the original paternity action could not have been brought in youth court. No allegations of abuse, neglect, or delinquency had been asserted, thus the matter was not one for

which the youth court had been granted jurisdiction, and the matter was remanded for transfer to the chancery court. *Helmert v. Biffany*, 842 So. 2d 1287 (Miss. 2003).

Doctrine of *parens patriae* does not authorize commitment of a minor to an institution except through the procedure prescribed by the Youth Act. *Sharp v. State*, 240 Miss. 629, 127 So. 2d 865, 90 A.L.R.2d 284 (1961), error overruled, 240 Miss. 646, 129 So. 2d 637 (1961).

## § 43-21-109. Youth court facilities.

Any county or municipality may separately or jointly establish and maintain detention facilities, shelter facilities, foster homes, or any other facility necessary to carry on the work of the youth court. For said purposes, the county or municipality may acquire necessary land by condemnation, by purchase or donation, may issue bonds as now provided by law for the purpose of purchasing, constructing, remodeling or maintaining such facilities; may expend necessary funds from the general fund to construct and maintain such facilities, and may employ architects to design or remodel such facilities. Such facilities may include a place for housing youth court facilities and personnel.

The Youth Court Judge may join with the board of supervisors and/or the county administrator, and the board of supervisors and county administrator may coop-

erate with the youth court, to provide for the administration of the youth court facilities, with the Youth Court Judge having ultimate and controlling authority over same. Yancey, November 25, 1998, A.G. Op. #98-0615.

A municipality may contribute funds to the operation of a youth court pursuant to

an approved interlocal agreement, which funds may then be utilized by the board of supervisors to cover the expense of employees of the youth court. Thomas, Mar. 4, 2002, A.G. Op. #02-0095.

### § 43-21-111. Referee.

(1) In any county not having a county court or family court the judge may appoint as provided in Section 43-21-123 regular or special referees who shall be attorneys at law and members of the bar in good standing to act in cases concerning children within the jurisdiction of the youth court, and a regular referee shall hold office until removed by the judge. The requirement that regular or special referees appointed pursuant to this subsection be attorneys shall apply only to regular or special referees who were not first appointed regular or special referees prior to July 1, 1991.

(2) Any referee appointed pursuant to subsection (1) of this section shall be required to receive judicial training approved by the Mississippi Judicial College and shall be required to receive regular annual continuing education in the field of juvenile justice. The amount of judicial training and annual continuing education which shall be satisfactory to fulfill the requirements of this section shall conform with the amount prescribed by the Rules and Regulations for Mandatory Continuing Judicial Education promulgated by the Supreme Court. The Administrative Office of Courts shall maintain a roll of referees appointed under this section, shall enforce the provisions of this subsection and shall maintain records on all such referees regarding such training. Should a referee miss two (2) consecutive training sessions sponsored or approved by the Mississippi Judicial College as required by this subsection or fail to attend one (1) such training session within six (6) months of their initial appointment as a referee, the referee shall be disqualified to serve and be immediately removed as a referee and another member of the bar shall be appointed as provided in this section.

(3) The judge may direct that hearings in any case or class of cases be conducted in the first instance by the referee. The judge may also delegate his own administrative responsibilities to the referee.

(4) All hearings authorized to be heard by a referee shall proceed in the same manner as hearings before the youth court judge. A referee shall possess all powers and perform all the duties of the youth court judge in the hearings authorized to be heard by the referee.

(5) An order entered by the referee shall be mailed immediately to all parties and their counsel. A rehearing by the judge shall be allowed if any party files a written motion for a rehearing or on the court's own motion within three (3) days after notice of referee's order. The youth court may enlarge the time for filing a motion for a rehearing for good cause shown. Any rehearing shall be upon the record of the hearing before the referee, but additional evidence may

be admitted in the discretion of the judge. A motion for a rehearing shall not act as a supersedeas of the referee's order, unless the judge shall so order.

(6) The salary for the referee shall be fixed on order of the judge as provided in Section 43-21-123 and shall be paid by the county out of any available funds budgeted for the youth court by the board of supervisors.

(7) Upon request of the boards of supervisors of two (2) or more counties, the judge of the chancery court may appoint a suitable person as referee to two (2) or more counties within his district, and the payment of salary may be divided in such ratio as may be agreed upon by the boards of supervisors.

**Joint Legislative Committee Note** — Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected a typographical error in the second sentence of subsection (2). The words "Rules and Regulation" were changed to "Rules and Regulations". The Joint Committee ratified the correction at its May 20, 1998, meeting.

**Editor's Note** — Laws of 1999, ch. 432, § 1, provides that:

"SECTION 1. From and after the date Laws, 1999, ch. 432, is effectuated under Section 5 of the Voting Rights Act of 1965, all family courts are abolished. All matters pending in any family court abolished shall be transferred to the county court of the county wherein the family court was located without the necessity for any motion or order of court for such transfer."

On May 28, 1999, the United States Attorney General interposed no objection, under Section 5 of the Voting Rights Act of 1965, as amended and extended, to the repeal of Chapter 23, Family Courts, by Section 1 of Chapter 432, Laws of 1999.

## JUDICIAL DECISIONS

1. Adjudication of defendant as a delinquent.
2. Failure to mail order.

### 1. Adjudication of defendant as a delinquent.

Trial court contended that a hearing was held before the youth court referee, not a youth court judge, and that pursuant to Miss. Code Ann. § 43-21-111(5), a rehearing by the judge could be allowed if any party filed a written motion for rehearing within three days after notice of the referee's order; what was clear was that the appellate record contradicted the position taken by the trial court where the issues raised by defendant had not been addressed, there was definitely an insufficient record, and neither the referee's

order nor the order of the trial court provided the appellate court with any support for the adjudication of defendant as a delinquent, and the appellate court could not say with any certainty that defendant was provided due process or that there was any evidence to support the charges against him. In the Interest of J. D. W., 881 So. 2d 929 (Miss. Ct. App. 2004).

### 2. Failure to mail order.

Judge's actions, involving the issuance of an ex parte temporary change of child custody order, not only constituted willful misconduct in violation of the state constitution and various canons of the code of judicial conduct, but also violated state laws and rules; the order did not conform to Miss. Code Ann. § 43-21-301(4), a need

for emergency medical care was insufficient reason to award temporary custody in light of Miss. Code Ann. § 41-41-3(1)(b), and the order was not mailed to all

parties as required by Miss. Code Ann. § 43-21-111(5). Miss. Comm'n on Judicial Performance v. Perdue, 853 So. 2d 85 (Miss. 2003).

### ATTORNEY GENERAL OPINIONS

An attorney appointed to serve as a designee for the limited purpose of conducting a specific type of hearing under the Youth Court Act is not a referee and, therefore, is not required to undergo judicial training. Storey, Oct. 27, 2000, A.G. Op. #2000-0595.

In a youth court proceeding involving abuse and neglect cases, the guardian ad litem would be appointed by the Chancellor or by the referee depending on the authority delegated to the referee by the Chancellor. Johnson, Apr. 15, 2005, A.G. Op. 05-0062.

If the person serving as the youth court intake unit is not already a salaried public employee, the salary for such person shall be fixed on order of the judge as provided in Section 43-21-123 and shall be paid by the county or municipality, as the case may be, out of any available funds budgeted for the youth court by the board of supervisors.

Employees of the Mississippi Department of Human Services are not prohibited from serving as the intake unit for abuse and neglect cases, but they must be

appointed by the youth court judge and, as salaried public employees, must not receive additional compensation from the municipality or county. Greenlee, January 21, 1998, A.G. Op. #97-0806.

### § 43-21-117. Youth court prosecutor.

(1) The youth court prosecutor shall represent the petitioner in all proceedings in the youth court.

(2) The county prosecuting attorney shall serve as the youth court prosecutor; however, if funds are available pursuant to Section 43-21-123, the court may designate, as provided in subsection (3) of this section, a prosecutor or prosecutors in lieu of or in addition to the county prosecuting attorney. Where there is a municipal youth court division, the city prosecutor shall serve as youth court prosecutor; provided that the district attorney may participate in transfer proceedings.

(3) The judge may designate as provided in Section 43-21-123 some suitable attorney or attorneys to serve as youth court prosecutor or prosecutors in lieu of or in conjunction with the youth court prosecutor provided in subsection (2) of this section. The designated youth court prosecutor or prosecutors shall be paid a fee or salary fixed on order of the judge as provided in Section 43-21-123 and shall be paid by the county out of any available funds budgeted for the youth court by the board of supervisors, unless the designated youth court prosecutor or prosecutors serves in a municipal youth court division, in which case he shall be paid a fee or salary fixed on order of the judge from the funds available to the municipality.

(4) All youth court prosecutors and county prosecuting attorneys who serve as youth court prosecutors shall be required to receive juvenile justice training approved by the Mississippi Attorney General's office and regular annual continuing education in the field of juvenile justice. The Mississippi Attorney General's office shall determine the amount of juvenile justice training and annual continuing education which shall be satisfactory to fulfill the requirements of this subsection. The Administrative Office of Courts shall maintain a roll of youth court prosecutors, shall enforce the provisions of this

subsection and shall maintain records on all such youth court prosecutors regarding such training. Should a youth court prosecutor miss two (2) consecutive training sessions sponsored by the Mississippi Attorney General's office as required by this subsection or fail to attend one (1) such training session within six (6) months of their designation as youth court prosecutor, the youth court prosecutor shall be disqualified to serve and be immediately removed from the office of youth court prosecutor and another youth court prosecutor shall be designated.

## JUDICIAL DECISIONS

### 1. In general.

Sections 43-21-119 and 43-21-123, which govern the development and implementation of the annual budget for a youth court in Mississippi, do not violate Mississippi's constitutional separation of

powers doctrine with respect to youth court judges' ability to participate in the development and implementation of the budget as approved by the board of supervisors. *Moore v. Board of Supvrs.*, 658 So. 2d 883 (Miss. 1995).

## ATTORNEY GENERAL OPINIONS

Positions of directors, houseparents, counselors, guards and other administrative personnel of detention and shelter facilities are not within scope of section, which is concerned with functioning of youth court itself. Mullins, Oct. 14, 1992, A.G. Op. #92-0661.

Paperwork necessary for the filing of a petition should be done by the prosecuting attorney of the youth court. Paperwork for an informal adjustment, an adjudicatory hearing, as well as paperwork necessary for taking a juvenile into custody and disposition of a case should be done by

youth court staff, hired by the judge and paid by the county, out of the court budget, as provided for in Section 43-21-119. Harkey, December 16, 1996, A.G. Op. #96-0829.

Since the duties of the school attendance officer, in addition to those required by Section 43-21-119, are assigned by the district attorney under Section 37-13-91(7), and the attendance officer is required by subsection (7) to cooperate with the court, the district attorney and the youth court judge should enter into agree-

ment on the role the school attendance officer is to play in getting truancy cases into and through the youth court. This agreement should also include guidelines for the counseling of truant juveniles after the case has been referred to the youth court. Harkey, December 16, 1996, A.G. Op. #96-0829.

Employment of persons by the city to work with the youth court must be approved by the youth court judge. Thomas, Mar. 4, 2002, A.G. Op. #02-0095.

### § 43-21-121. Guardian ad litem.

(1) The youth court shall appoint a guardian ad litem for the child:

- (a) When a child has no parent, guardian or custodian;
- (b) When the youth court cannot acquire personal jurisdiction over a parent, a guardian or a custodian;
- (c) When the parent is a minor or a person of unsound mind;
- (d) When the parent is indifferent to the interest of the child or if the interests of the child and the parent, considered in the context of the cause, appear to conflict;
- (e) In every case involving an abused or neglected child which results in a judicial proceeding; or
- (f) In any other instance where the youth court finds appointment of a guardian ad litem to be in the best interest of the child.

(2) The guardian ad litem shall be appointed by the court when custody is ordered or at the first judicial hearing regarding the case, whichever occurs first.

(3) In addition to all other duties required by law, a guardian ad litem shall have the duty to protect the interest of a child for whom he has been appointed guardian ad litem. The guardian ad litem shall investigate, make recommendations to the court or enter reports as necessary to hold paramount the child's best interest. The guardian ad litem is not an adversary party and the court shall insure that guardians ad litem perform their duties properly and in the best interest of their wards. The guardian ad litem shall be a competent person who has no adverse interest to the minor. The court shall insure that the guardian ad litem is adequately instructed on the proper performance of his duties.

(4) The court may appoint either a suitable attorney or a suitable layman as guardian ad litem. In cases where the court appoints a layman as guardian ad litem, the court shall also appoint an attorney to represent the child. From and after January 1, 1999, in order to be eligible for an appointment as a guardian ad litem, such attorney or lay person must have received child protection and juvenile justice training provided by or approved by the Mississippi Judicial College within the year immediately preceding such appointment. The Mississippi Judicial College shall determine the amount of

child protection and juvenile justice training which shall be satisfactory to fulfill the requirements of this section. The Administrative Office of Courts shall maintain a roll of all attorneys and laymen eligible to be appointed as a guardian ad litem under this section and shall enforce the provisions of this subsection.

(5) Upon appointment of a guardian ad litem, the youth court shall continue any pending proceedings for a reasonable time to allow the guardian ad litem to familiarize himself with the matter, consult with counsel and prepare his participation in the cause.

(6) Upon order of the youth court, the guardian ad litem shall be paid a reasonable fee as determined by the youth court judge or referee out of the county general fund as provided under Section 43-21-123. To be eligible for such fee, the guardian ad litem shall submit an accounting of the time spent in performance of his duties to the court.

(7) The court, in its sound discretion, may appoint a volunteer trained layperson to assist children subject to the provisions of this section in addition to the appointment of a guardian ad litem.

Section 9 of ch. 516, Laws of 1998, effective July 1, 1998 (approved March 31, 1998), also amended this section. As set out above, this section reflects the language of Section 9 of ch. 516, Laws of 1998, pursuant to Section 1-3-79 which provides that whenever the same section of law is amended by different bills during the same legislative session, and the effective dates of the amendments are the same, the amendment with the latest approval date shall supersede all other amendments to the same section approved on an earlier date.

## JUDICIAL DECISIONS

1. In general.
2. Compensation of guardian.

### 1. In general.

When appointing a guardian ad litem to represent a minor, a judge's duty to assure that the child's best interests are protected requires as a minimum that (1) he or she select a competent person to serve as guardian ad litem, (2) he or she select a person with no adverse interest to the minor, and (3) the person selected is ade-

quately instructed on the proper performance of his or her duties. *Copiah County Dep't of Human Servs. v. Linda D.*, 658 So. 2d 1378 (Miss. 1995).

In proceedings to determine custody of 2 children who had been adjudicated neglected and placed in foster care, the children were denied their due process right of representation where they were without the services of an attorney or guardian ad litem for approximately 3 years during the course of the custody proceedings.

Copiah County Dep't of Human Servs. v. Linda D., 658 So. 2d 1378 (Miss. 1995).

Judges have the obligation to appoint a guardian ad litem to represent every minor alleged to be abused or neglected, even if a request for a guardian ad litem is not made. Copiah County Dep't of Human Servs. v. Linda D., 658 So. 2d 1378 (Miss. 1995).

## 2. Compensation of guardian.

Fee paid to the guardian ad litem was

proper where the youth court recognized the complexity of the case and awarded the guardian a higher amount than what it considered reasonable for the usual case, Miss. Code Ann. § 43-21-121(6); further, the guardian failed to point to anything that indicated that the youth court's decision was unreasonable or that the court had abused its discretion as to the amount of compensation, Miss. R. Civ. P. 17(d). In the Interest of L.D.M., 872 So. 2d 655 (Miss. 2004).

## ATTORNEY GENERAL OPINIONS

If a county youth court has adopted a separate system of personnel administration, the countywide system is inapplicable to youth court employees, including employment practices; however, if the county youth court has not adopted a separate system, its employees are subject to the countywide system, including employment practices. Meadows, May 12, 2000, A.G. Op. #2000-0238.

In a youth court proceeding involving abuse and neglect cases, the guardian ad litem would be appointed by the Chancellor or by the referee depending on the authority delegated to the referee by the Chancellor. Johnson, Apr. 15, 2005, A.G. Op. 05-0062.

## § 43-21-123. Expenditures by the youth court.

Except for expenses provided by state funds and/or other monies, the board of supervisors, or the municipal governing board where there is a municipal youth court, shall adequately provide funds for the operation of the youth court division of the chancery court in conjunction with the regular chancery court budget, or the county or family courts where said courts are constituted. In preparation for said funding, on an annual basis at the time requested, the youth court judge or administrator shall prepare and submit to the board of supervisors, or the municipal governing board of the youth court wherever the youth court is a municipal court, an annual budget which will identify the number, staff position, title and amount of annual or monthly compensation of each position as well as provide for other expenditures necessary to the functioning and operation of the youth court. When the budget of the youth court or youth court judge is approved by the board of supervisors or the governing authority of the municipality, then the youth court or youth court judge may employ such persons as provided in the budget from time to time.

The board of supervisors of any county in which there is located a youth court, and the governing authority of any municipality in which there is located a municipal youth court, are each authorized to reimburse the youth court judges and other youth court employees or personnel for reasonable travel and expenses incurred in the performance of their duties and in attending educational meetings offering professional training to such persons as budgeted.

**Joint Legislative Committee Note** — Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected a typographical error in the last sentence of the first paragraph. The words “approved by the board of supervisors of the governing authority of the municipality” were changed to “approved by the board of supervisors or the governing authority of the municipality”. The Joint Committee ratified the correction at its May 20, 1998, meeting.

**Editor’s Note** — Laws of 1999, ch. 432, § 1, provides that:

“SECTION 1. From and after the date Laws, 1999, ch. 432, is effectuated under Section 5 of the Voting Rights Act of 1965, all family courts are abolished. All matters pending in any family court abolished shall be transferred to the county court of the county wherein the family court was located without the necessity for any motion or order of court for such transfer.”

On May 28, 1999, the United States Attorney General interposed no objection, under Section 5 of the Voting Rights Act of 1965, as amended and extended, to the repeal of Chapter 23, Family Courts, by Laws of 1999, ch. 432 § 2.

## JUDICIAL DECISIONS

### 1. In general.

Sections 43-21-119 and 43-21-123, which govern the development and implementation of the annual budget for a youth court in Mississippi, do not violate Mississippi’s constitutional separation of powers doctrine with respect to youth court judges’ ability to participate in the development and implementation of the budget as approved by the board of super-

visors. *Moore v. Board of Supvrs.*, 658 So. 2d 883 (Miss. 1995).

Section 9-17-1, combined with the approval of the Youth Court budget, as mandated by §§ 43-21-123 and 19-9-96, authorized a youth court judge’s hiring of a youth court administrator who performed non-judicial, administrative functions of the youth court. *Nelson v. State*, 656 So. 2d 318 (Miss. 1995).

## ATTORNEY GENERAL OPINIONS

Judge or administrator of youth court is to submit detailed budget to Board of Administrators and upon approval of budget youth court judge, or designee, is authorized to employ persons under budget; board does not have authority to approve individuals who are employed by youth

court and board of supervisors cannot appoint youth court administrator, but board can create and fund slot for youth court administrator, which can then be filled (or not filled) by appointment of youth court judge (or designee). *Mullins*, July 8, 1992, A.G. Op. #92-0458.

A county youth court administrator has the authority to set salaries of youth court employees that are not more than the salary for each position established in the youth court budget as approved by the county board of supervisors. Meadows, May 12, 2000, A.G. Op. #2000-0238.

Payment of an attorney legally appointed by a county youth court judge to hear all youth court cases of a contested

nature for a period of 30 days is authorized but must come within the youth court budget which has been approved by the county board of supervisors. Sherard, Jan. 18, 2002, A.G. Op. #02-0014.

Employment of persons by the city to work with the youth court must be approved by the youth court judge. Thomas, Mar. 4, 2002, A.G. Op. #02-0095.

### § 43-21-125. Council of youth court judges.

(1) There shall be a Mississippi Council of Youth Court Judges which shall be the official organization of the judges having youth court jurisdiction in this state. The membership of the council shall consist of all the judges and referees of youth courts in the State of Mississippi.

(2) The Mississippi Council of Youth Court Judges is authorized to adopt and, from time to time, amend such rules, regulations or bylaws as it considers necessary to the conduct of its affairs.

(3) The council may elect officers and provide for such meetings of the council as it deems necessary. The council shall meet at least annually for the consideration of:

(a) any and all matters pertaining to the discharge of the official duties and obligations of its members; and

(b) problems that have arisen in connection with the operation of the youth courts in any county or in all counties in order to improve the administration of juvenile justice in the state.

(4) The council shall publish and submit to the governor, the chief justice of the supreme court, and the Mississippi Judicial Council an annual report of the operations which shall include financial and statistical data and may include suggestions and recommendations for legislation.

(5) The council is authorized to receive and expend any funds which may become available from the federal government to carry out any of the purposes of this chapter, and to this end the council may meet any federal requirements not contrary to state law which may be conditions precedent to receiving such federal funds.

(6) The council may cooperate with the federal government in a program for training personnel employed or preparing for employment by the youth court and may receive and expend funds from federal or state sources or from private donations for such purposes. The council may contract with public or nonprofit institutions of higher learning for the training of such personnel, may conduct short-term training courses of its own, may hire experts on a temporary basis for such purpose and may cooperate with the department of youth services or other state departments or agencies in personnel training programs.

### § 43-21-127. Cooperation.

It is hereby made the duty of every public official or department to render all assistance and cooperation within his or its jurisdictional power which may further the objects of this chapter. The youth court is authorized to seek the cooperation of all societies, organizations or agencies having for their object the protection or aid of children.

| 43-21-159. | Transfer of cases from other courts.      |

### § 43-21-151. Jurisdiction.

(1) The youth court shall have exclusive original jurisdiction in all proceedings concerning a delinquent child, a child in need of supervision, a neglected child, an abused child or a dependent child except in the following circumstances:

(a) Any act attempted or committed by a child, which if committed by an adult would be punishable under state or federal law by life imprisonment or death, will be in the original jurisdiction of the circuit court;

(b) Any act attempted or committed by a child with the use of a deadly weapon, the carrying of which concealed is prohibited by Section 97-37-1, or a shotgun or a rifle, which would be a felony if committed by an adult, will be in the original jurisdiction of the circuit court; and

(c) When a charge of abuse of a child first arises in the course of a custody action between the parents of the child already pending in the chancery court and no notice of such abuse was provided prior to such chancery proceedings, the chancery court may proceed with the investigation, hearing and determination of such abuse charge as a part of its hearing and determination of the custody issue as between the parents, notwithstanding the other provisions of the Youth Court Law. The proceedings in

chancery court on the abuse charge shall be confidential in the same manner as provided in youth court proceedings.

When a child is expelled from the public schools, the youth court shall be notified of the act of expulsion and the act or acts constituting the basis for expulsion.

(2) Jurisdiction of the child in the cause shall attach at the time of the offense and shall continue thereafter for that offense until the child's twentieth birthday, unless sooner terminated by order of the youth court. The youth court shall not have jurisdiction over offenses committed by a child on or after his eighteenth birthday, or over offenses committed by a child on or after his seventeenth birthday where such offenses would be a felony if committed by an adult.

(3) No child who has not reached his thirteenth birthday shall be held criminally responsible or criminally prosecuted for a misdemeanor or felony; however, the parent, guardian or custodian of such child may be civilly liable for any criminal acts of such child. No child under the jurisdiction of the youth court shall be held criminally responsible or criminally prosecuted by any court for any act designated as a delinquent act, unless jurisdiction is transferred to another court under Section 43-21-157.

(4) The youth court shall also have jurisdiction of offenses committed by a child which have been transferred to the youth court by an order of a circuit court of this state having original jurisdiction of the offense, as provided by Section 43-21-159.

(5) The youth court shall regulate and approve the use of teen court as provided in Section 43-21-753.

### 1. In general.

Evidence was insufficient to show that the attorney's conduct was a willful or contumacious violation of the Youth Court Act beyond a reasonable doubt where the record indicated that the grandmother paid the attorney for her representation of the mother and the grandmother was the attorney's client and had a right to be informed of the outcome of the custody hearing. *In re Spencer*, 985 So. 2d 330 (Miss. 2008).

Youth court lacked jurisdiction over defendant, a minor, because he was charged with statutory rape, Miss. Code Ann. § 97-3-65, which if committed by an adult, carried the possibility of sentencing to life imprisonment; the actual sentence defendant might receive because of his age was irrelevant, and thus the youth court was without jurisdiction to proceed. *In the Interest of D.S.*, 943 So. 2d 1280 (Miss. 2006).

Defendant's claim that the youth court did not have the necessary jurisdiction to transfer the case to circuit court was without merit where the youth court found that jurisdiction existed; and after considering Miss. Code Ann. § 43-21-157 (a) through (k), the court found that no reasonable prospects of rehabilitation existed within the juvenile system. *Hicks v. State*, 870 So. 2d 1238 (Miss. Ct. App. 2004).

Once a minor becomes a suspect in a crime carrying a potential life sentence or death to the extent that it becomes necessary to detain him and inform him of his Miranda rights before interrogating him, Miss. Code Ann. § 43-21-151(1)(a) of the Youth Court Act is sufficiently invoked so as to remove that youthful suspect from the protections otherwise afforded him under the Act. *Moody v. State*, 838 So. 2d 324 (Miss. Ct. App. 2002).

Circuit court had original jurisdiction over a child who committed a crime, which if the same crime were committed by an adult would be punishable under either state or federal law by life imprisonment or death; a circuit court with original jurisdiction was not required to consider alternative sentencing. *Flowers v. State*, 805 So. 2d 654 (Miss. Ct. App. 2002).

Where defendant pled guilty to crimes that fell into the deadly weapon category of subsection (1)(B), the circuit court had original jurisdiction and had the authority to sentence defendant as an adult. *Smith v. State*, 806 So. 2d 299 (Miss. Ct. App. 2001).

Sentencing 17-year-old defendant to death was not prohibited merely because state statute did not explicitly state that 16 or 17-year-old defendant could be punished with execution for capital crime. *Holly v. State*, 671 So. 2d 32 (Miss. 1996), post-conviction relief denied, cert. denied, 518 U.S. 1025, 116 S. Ct. 2565, 135 L. Ed. 2d 1082 (1996), reh'g denied, 518 U.S. 1048, 117 S. Ct. 26, 135 L. Ed. 2d 1119 (1996).

Death penalty could be imposed on 17-year-old defendant without particularized findings as to his maturity and moral responsibility. *Holly v. State*, 671 So. 2d 32 (Miss. 1996), post-conviction relief denied, cert. denied, 518 U.S. 1025, 116 S. Ct. 2565, 135 L. Ed. 2d 1082 (1996), reh'g denied, 518 U.S. 1048, 117 S. Ct. 26, 135 L. Ed. 2d 1119 (1996).

The placement of minors in a detention center subjected the minors to the jurisdiction of the youth court pursuant to § 43-21-103, which provides that "when a child is removed from the control of his parents, the youth court shall secure proper care for him", and, therefore, it was incumbent upon the court to insure that the residents of the center received treatment in accordance with approval by the state. *In re M.I.*, 519 So. 2d 433 (Miss. 1988).

Circuit court's jurisdiction was proper where juvenile was indicted for murder, offense carrying potential life sentence, although he was ultimately convicted for aggravated assault. *Johnson v. State*, 512 So. 2d 1246 (Miss. 1987), cert. denied, 484 U.S. 968, 108 S. Ct. 462, 98 L. Ed. 2d 402 (1987).

### 2. Constitutionality.

Defendant could not assert that death penalty violated Eighth Amendment because statutes did not set a minimum age below which child may not be transferred from youth court to circuit court for crimes

punishable by death where defendant committed his crime at age 17, an age where it is sufficiently clear that no national consensus forbids imposition of capital punishment. *Blue v. State*, 674 So. 2d 1184 (Miss. 1996), cert. denied, 519 U.S. 1030, 117 S. Ct. 588, 136 L. Ed. 2d 517 (1996).

Mississippi procedure does not violate the constitutional prohibition against cruel and unusual punishment by vesting original jurisdiction in the circuit court when a person under 18 years of age is charged with a capital offense, rather than requiring a certification proceeding in youth court for transfer to the circuit court; Mississippi law allows a capital murder defendant who is under the age of 18 years to request a special hearing to consider his or her age, lack of prior offenses, likelihood of successful rehabilitation and other factors which favor sending the case to the youth court rather than continuing in circuit court. *Foster v. State*, 639 So. 2d 1263 (Miss. 1994), cert. denied, 514 U.S. 1019, 115 S. Ct. 1365, 131 L. Ed. 2d 221 (1995), reh'g denied, 514 U.S. 1123, 115 S. Ct. 1992, 131 L. Ed. 2d 878 (1995), post-conviction relief denied, 687 So. 2d 1124 (Miss. 1996), cert. denied, 521 U.S. 1108, 117 S. Ct. 2488, 138 L. Ed. 2d 996 (1997).

Mississippi procedure does not violate the constitutional prohibition against cruel and unusual punishment by its failure to explicitly state a minimum age that a person may be subject to the death penalty, since the age at which one may receive a death sentence for the crime of capital murder is implied; no one under 13 years of age may receive the death penalty because a child under the age of 13 cannot even be charged with a felony. *Foster v. State*, 639 So. 2d 1263 (Miss. 1994), cert. denied, 514 U.S. 1019, 115 S. Ct. 1365, 131 L. Ed. 2d 221 (1995), reh'g denied, 514 U.S. 1123, 115 S. Ct. 1992, 131 L. Ed. 2d 878 (1995), post-conviction relief denied, 687 So. 2d 1124 (Miss. 1996), cert. denied, 521 U.S. 1108, 117 S. Ct. 2488, 138 L. Ed. 2d 996 (1997).

The youth court system does not unconstitutionally usurp jurisdiction committed exclusively to the chancery court by permitting the Supreme Court to hear a di-

rect appeal without appeal to the chancery court, even though the Mississippi Constitution provides that the chancery court shall have full jurisdiction over "minor's business." Youth courts are neither superior, equal, or inferior to other "inferior" courts; they are special courts due to the special nature of their function. Thus, the legislature had authority to vest in the youth courts "exclusive original jurisdiction in all proceedings concerning ... an abused child," and the social imperative for prompt disposition of matters affecting children is sufficiently within the police power that the legislature may streamline the appellate process. In *re T.L.C.*, 566 So. 2d 691 (Miss. 1990).

### 3. Construction and application.

Circuit court did not commit reversible error when it admitted defendant's two statements, regarding his involvement in a murder under Miss. Code Ann. § 97-3-21, into evidence because despite defendant's being a minor at the time of his interrogation, protection of the Mississippi Youth Court pursuant to Miss. Code Ann. § 43-21-151(1)(a) was not afforded to defendant once he was arrested for an act, which, if committed by an adult, was punishable by life imprisonment or death. *Trotter v. State*, — So. 2d —, 9 So. 3d 402, 2008 Miss. App. LEXIS 570 (Miss. Ct. App. 2008).

Custody award in favor of a father was vacated on appeal because a youth court had given the maternal grandparents temporary custody earlier, as under Miss. Code Ann. § 43-21-151 and Miss. Code Ann. § 43-21-301(1), the youth court had exclusive jurisdiction to determine custody; however, the issues of child support and paternity were affirmed since the grandparents were not necessary parties to such. *Thomas v. Byars*, 947 So. 2d 375 (Miss. Ct. App. 2007).

Defendant's convictions for murder and aggravated assault were proper because Miss. Code Ann. § 43-21-151 and case law made it clear that juveniles in Mississippi were not afforded any additional protections during custodial interrogation. *Anthony v. State*, 936 So. 2d 471 (Miss. Ct. App. 2006).

Order for the Department of Human Services (MDHS) to return funds gar-

nished from the father for child support was improper under Miss. Const. Art. 6, § 159(b) because chancery courts have continuous and exclusive jurisdiction over custody proceedings. The MDHS collected the father's wages pursuant to a valid order and the youth court had no authority under Miss. Code Ann. § 43-21-151 to terminate the father's child support obligations. *Dep't of Human Servs. v. Blount*, 913 So. 2d 326 (Miss. Ct. App. 2005).

Although the youth court was granted exclusive jurisdiction in abuse proceedings, that jurisdiction may be retained by the chancery court if allegations of abuse are brought during the pendency of a custody hearing. *Helmert v. Biffany*, 842 So. 2d 1287 (Miss. 2003).

Paternity actions can never be brought in youth court. Under Miss. Code Ann. § 93-9-15, the county court, the circuit court, or the chancery court has jurisdiction of an action relating to paternity and support of illegitimate children; the youth court, however, does not have jurisdiction over those matters, and will be unable to act to establish the paternity of a child who is within its jurisdiction. *Helmert v. Biffany*, 842 So. 2d 1287 (Miss. 2003).

Nowhere did the Youth Court Act, Miss. Code Ann. § 43-21-101 et seq., provide for it taking jurisdiction over a case involving exclusively child support, contempt, and modification issues; thus, where the family court had adjudicated the father as the natural father of the mother's child, and set child support and visitation, but subsequently, the family court was abolished, in a later modification action, the appellate court reversed the youth court on the issue of jurisdiction, holding that the matter had to be transferred to the chancery court. *Helmert v. Biffany*, 842 So. 2d 1287 (Miss. 2003).

Counsel was not ineffective for failing to develop and present evidence in support of petitioner's motion to remand the matter to youth court, as petitioner was charged with capital murder and thus, under Miss. Code Ann. § 43-21-151, petitioner did not fall within the jurisdiction of the youth court. *McGilberry v. State*, 843 So. 2d 21 (Miss. 2003).

The youth court had no jurisdiction and the circuit court was the proper jurisdic-

tion where the defendant used a shotgun to commit a robbery and the maximum penalty for the crime was life imprisonment. *Bronson v. State*, 786 So. 2d 1083 (Miss. Ct. App. 2001).

The defendant was under the original jurisdiction of the circuit court where he was originally charged with two counts of armed robbery, which counts each merited a life sentence; the fact that those charges were reduced to the crimes of attempted robbery and accessory after the fact to robbery, which mandated less than a life sentence, did not remove original jurisdiction from the circuit court. *Young v. State*, 797 So. 2d 239 (Miss. Ct. App. 2001).

Because defendant was charged with murder, circuit court was court of "original jurisdiction" and provisions for having a parent present during interrogation and actions in the youth court were thus inapplicable. *Blue v. State*, 674 So. 2d 1184 (Miss. 1996), cert. denied, 519 U.S. 1030, 117 S. Ct. 588, 136 L. Ed. 2d 517 (1996).

Juveniles do not fall within jurisdiction of youth court if they commit offenses punishable by death or life imprisonment. *Holly v. State*, 671 So. 2d 32 (Miss. 1996), post-conviction relief denied, cert. denied, 518 U.S. 1025, 116 S. Ct. 2565, 135 L. Ed. 2d 1082 (1996), reh'g denied, 518 U.S. 1048, 117 S. Ct. 26, 135 L. Ed. 2d 1119 (1996).

Where police officer charged 14 year old boy who was driving his parents' car without a license, with offense of driving without license, and took boy to police station and issued him a ticket, and less than one hour after release boy committed suicide, officer did not violate Youth Court Law by taking boy into custody without order from Youth Court, since under § 43-21-159(1) Youth Court does not have "exclusive original jurisdiction" over traffic offenses; although subsection (1) of § 43-21-151 grants Youth Court "exclusive original jurisdiction in all proceedings concerning a delinquent child", § 43-21-159(1) creates an exception granting concurrent jurisdiction to appropriate criminal court in cases where child is charged with traffic violation; therefore if boy was taken into custody at all it was for a traffic violation and not for something over which Youth Court had exclusive or original jurisdic-

tion. *White v. Walker*, 950 F.2d 972 (5th Cir. 1991).

Continuing and exclusive nature of chancery court jurisdiction over issues involving child custody precludes Youth Court from having exclusive original jurisdiction over proceedings involving abused child, where allegations of abuse are raised in context of custody proceeding over which chancery court already exercises jurisdiction. Rights of minor child suspected of having been sexually abused by parent, to access to court, were not impaired by chancery court's considering allegations of sexual abuse without referring matter to Youth Court; and even though Youth Court statute provided for exercise of exclusive jurisdiction over child abuse cases, such provision was not applicable to charges raised in case over which chancery court had already assumed and was exercising jurisdiction. *Chrissy F. ex rel. Medley v. Mississippi Dep't of Pub. Welfare*, 780 F. Supp. 1104 (S.D. Miss. 1991), *aff'd in part, rev'd on other grounds*, 995 F.2d 595 (5th Cir. 1993), *reh'g denied*, 3 F.3d 441 (5th Cir. 1993), *cert. denied*, 510 U.S. 1214, 114 S. Ct. 1336, 127 L. Ed. 2d 684 (1994).

Defendant's birth certificate established that he was 18 years old at the time of committing burglary. *Henry v. State*, 486 So. 2d 1209 (Miss. 1986).

#### 4. Original jurisdiction.

In a case where a sixteen-year-old was charged with capital murder, defendant's trial counsel failed to raise an issue relating to whether he should have been tried in youth court instead; therefore, the issue was waived on appeal, and even if it had not been waived, the circuit court had original jurisdiction over the murder charge under Miss. Code Ann. § 43-21-151(1)(a). *Booker v. State*, — So. 2d —, 2006 Miss. App. LEXIS 635 (Miss. Ct. App. Aug. 29, 2006).

In a trial of defendant who was 13 at the time of the murder, the trial court properly retained jurisdiction in the circuit court under Miss. Code Ann. § 43-21-151(1) as opposed to transferring the case to the youth court under Miss. Code Ann. § 43-21-159(4), because the trial judge performed an extensive analysis of what would be in both defendant's best interest,

and the best interest of justice. After having done so, the trial judge found that the interests of justice necessitated that the case stay within the jurisdiction of the circuit court, rather than youth court. *Edmonds v. State*, — So. 2d —, 2006 Miss. App. LEXIS 88 (Miss. Ct. App. Jan. 31, 2006).

Youth court gained exclusive original jurisdiction of the mother's dealings with the Department of Human Services when the DHS obtained legal custody of the then 17-year-old mother; pursuant to Miss. Code Ann. § 43-21-151, the youth court retained its jurisdiction over the mother until her twentieth birthday. In the *Interest of C.B.Y.*, 936 So. 2d 974 (Miss. Ct. App. 2006).

Circuit court properly had jurisdiction over the inmate even though defendant was 15 years old when he pled guilty, because the inmate had been charged with armed robbery and under Miss. Code Ann. § 43-21-151, any act attempted or committed by a child with a deadly weapon, which if committed by an adult could result in a life sentence, such as armed robbery, gave original jurisdiction to the circuit court. *Ivy v. State*, 918 So. 2d 84 (Miss. Ct. App. 2006).

Defendant's argument that his plea was involuntarily and unintelligently entered because he was only 16 years of age at the time it was entered, his parents were not present at the court proceedings, and he had been misled as to the length of the sentence he would receive if he pled guilty, was rejected. The circuit court had original jurisdiction since defendant was charged with armed robbery, and being properly before the circuit court, his infancy did not prevent him from entering a valid plea of guilty without parental accompaniment; moreover, the record showed defendant had responded in the affirmative that he understood there was no minimum sentence, but that the maximum sentence for armed robbery was life in prison. *Haynes v. State*, 906 So. 2d 762 (Miss. Ct. App. 2004).

Defendant's convictions for burglary and armed robbery were both proper where he was 18-years-old at the time he gave his statement, Miss. Code Ann. § 43-21-303(3), and where, even had he only

been 17-years-old, he could have been questioned without his mother's presence pursuant to Miss. Code Ann. § 43-21-151(3) because the youth court did not have original jurisdiction concerning any act committed by a child that carried the possible criminal penalty of life imprisonment. *Brown v. State*, 839 So. 2d 597 (Miss. Ct. App. 2003).

## II. Under Former Law.

### 7. Constitutionality.

The juvenile laws were not of such "irrational disparity" in the treatment of offenders as to violate the Fourteenth Amendment, despite the defendant's argument that if he had been charged with assaulting his victim with the intent to rape, maim, or even murder her, rather than with rape, he would have been remitted to custody for rehabilitation as a juvenile offender rather than prosecuted as an adult. *Smith v. State*, 229 So. 2d 551 (Miss. 1969).

Where original and exclusive jurisdiction of all proceedings concerning delinquents or neglected children under eighteen years of age was vested in the youth court division of the chancery court or youth court division of county court, this was legitimate exercise of state's police power and did not violate § 156 of the constitution which vests original jurisdiction of felonies in the circuit courts. *Wheeler v. Shoemaker*, 213 Miss. 374, 57 So. 2d 267 (1952).

### 8. Construction and application.

The youth court had exclusive jurisdiction to determine custody and visitation rights with respect to an abused child even though the youth court order was in direct conflict with a chancery court order in the parents' divorce proceedings which were being conducted concurrently with the youth court proceedings. *DeLee v. Wilkinson County*, 606 So. 2d 1125 (Miss. 1992).

When a juvenile is charged with an offense carrying a potential life sentence, such as rape or murder, jurisdiction is vested exclusively in the circuit court and the Youth Court Act is inapplicable. *Smith v. State*, 534 So. 2d 194 (Miss. 1988).

Murder is a crime excepted from the jurisdiction of the youth court. Thus, the circuit court had exclusive jurisdiction over a juvenile charged with murder. *Boyd v. State*, 523 So. 2d 1037 (Miss. 1988).

The second sentence of Mississippi Code § 43-21-151(2) makes clear what was apparent in a common sense reading of former Mississippi code § 43-21-9 in effect at the time of the proceedings on an earlier offense in 1975. *Henry v. State*, 486 So. 2d 1209 (Miss. 1986).

While former statute conferred upon youth court authority to act with respect to offender's delinquency through and including his 20th birthday, it did not operate to deprive circuit court of jurisdiction to try offender for offenses committed beyond his 18th birthday. *Henry v. State*, 486 So. 2d 1209 (Miss. 1986).

Under § 43-21-151, the legislature provided that a child who had not reached his thirteenth birthday could not be held criminally responsible and could not be criminally prosecuted for a misdemeanor or a felony. *Cannaday v. State*, 455 So. 2d 713 (Miss. 1984), cert. denied, 469 U.S. 1221, 105 S. Ct. 1209, 84 L. Ed. 2d 351 (1985), cert. denied, 469 U.S. 1229, 105 S. Ct. 1229, 84 L. Ed. 2d 366 (1985).

Under § 43-21-105(d), defining "child", and § 43-21-151, the youth court jurisdictional statute, the youth court has jurisdiction over married minors under the age of 18. In re *K.A.R.*, 441 So. 2d 108 (Miss. 1983).

Proceedings involving juvenile offender could properly be brought either in the county where a crime was committed or, in discretion of that court, in the county where the juvenile resided, and it was not error for the youth court where the crime was committed to refuse to certify the juvenile to the youth court of his resident county. *Walls v. State*, 326 So. 2d 322 (Miss. 1976).

In view of the provisions of Code 1942, § 7185-03, the youth court does not have jurisdiction of a minor charged with disturbing the peace in violation of Code 1942, § 2089.5. *Boatright v. Yalobusha County Youth Court*, 223 So. 2d 303 (Miss. 1969).

The youth court has original jurisdiction in all proceedings concerning any

delinquent or neglected or battered child residing or being in the county. *Griffin v. Bell*, 215 So. 2d 573 (Miss. 1968).

Youth court had no jurisdiction to award custody of a minor child to her maternal aunt, where the aunt's petition for custody showed on its face that the child was not neglected, as that term is defined by statute. *Griffin v. Bell*, 215 So. 2d 573 (Miss. 1968).

The exceptions to the youth court's jurisdiction inserted in this section [Code 1942, § 7185-03] by the amendments of 1964 and 1966 do not apply where the youth court was already vested with jurisdiction over a minor which it had found to be a delinquent child, had imposed probationary conditions, and retained jurisdiction. In *re Green*, 203 So. 2d 470 (Miss. 1967), cert. denied, 392 U.S. 945, 88 S. Ct. 2297, 20 L. Ed. 2d 1407 (1968).

Where the youth court has continuing, retained jurisdiction over the case of a minor, it is the proper tribunal to determine any factual issues as to the minor's rehabilitation occurring subsequent to its order committing him to a training school; which order was affirmed by the supreme court. In *re Green*, 203 So. 2d 470 (Miss. 1967), cert. denied, 392 U.S. 945, 88 S. Ct. 2297, 20 L. Ed. 2d 1407 (1968).

Once the youth court has obtained jurisdiction in the case of any child, this section [Code 1942, § 7185-04] authorizes it to retain such jurisdiction until he becomes 20 years of age, and where the youth court found the minor to be a delinquent child over a year before the occurrence of the events upon which revocation of probation was based and it had specifically retained jurisdiction in its original order, the fact that the events upon which

revocation of probation was based constituted an exception to the youth court's jurisdiction as set forth in Code 1942, § 7185-03, the court was not divested of its originally retained jurisdiction. In *re Green*, 203 So. 2d 470 (Miss. 1967), cert. denied, 392 U.S. 945, 88 S. Ct. 2297, 20 L. Ed. 2d 1407 (1968).

The youth court is a court of statutory and limited jurisdiction, and the facts showing jurisdiction should appear in its orders. *Monk v. State*, 238 Miss. 658, 116 So. 2d 810 (1960).

A proceeding against an alleged delinquent child, while not criminal, is quasi-criminal. *Monk v. State*, 238 Miss. 658, 116 So. 2d 810 (1960).

Since a person convicted of a crime of rape is subject to suffer death or life imprisonment, rape cases are excepted from the provisions of the Youth Court Act, so that the circuit court did not err in proceeding to enter judgment against a minor, who was accused of rape, upon his plea of guilty without conducting a hearing in accordance with the requirement of the act. *Bullock v. Harpole*, 233 Miss. 486, 102 So. 2d 687 (1958).

Circuit court was without jurisdiction at the time of indictment, trial, and conviction for the crime of grand larceny of a youth who was only 17 years old. *Lee v. State*, 214 Miss. 740, 59 So. 2d 338 (1952).

Circuit court was not without jurisdiction over two defendants fourteen and fifteen years old, accused of larceny of \$1,100, merely because they were first brought into youth court and adjudged delinquent, since the latter court, as it was fully authorized to do, certified them to the circuit court for appropriate proceedings. *Gatlin v. State*, 207 Miss. 588, 42 So. 2d 774 (1949).

### ATTORNEY GENERAL OPINIONS

Penalty for crime of rape of child under fourteen, if committed by adult, is life imprisonment or death and jurisdiction is in circuit court; fact that different punishment is provided if convicted rapist is minor does not change jurisdiction. *Genin* Aug. 25, 1993, A.G. Op. #93-0611.

Circuit court, not youth court, has original jurisdiction over any violation of Sec-

tion 97-3-65, notwithstanding that consent has been raised as defense. *Genin* Aug. 25, 1993, A.G. Op. #93-0611.

Under Section 43-21-151(1), youth court has jurisdiction over subsequent grand larceny charges which are committed after a grand jury's refusal to indict, even though the court did not know of the grand jury's action at the time the second

offense was committed. Jones, February 16, 1995, A.G. Op. #95-0058.

If a gun is not utilized in the act of breaking and entering, the crime would still be in the jurisdiction of the youth court. See Section 97-37-14. Weissinger, October 4, 1995, A.G. Op. #95-0652.

Pursuant to Section 43-21-151 any person who possesses or carries a firearm or explosive device on educational property is committing a felony, but unless that firearm is used in the commission or attempt to commit a separate crime, the mere possession of the firearm or explo-

sive device by a juvenile below the age of 17 is in the jurisdiction of the youth court. Dawson, April 17, 1996, A.G. Op. #96-0218.

Although a case may commence as a felony, if it is reduced to a violation of a municipal ordinance, prior to the conclusion of a preliminary hearing, the committing court, if the municipal court, should in effect adjourn the preliminary hearing and the matter be concluded by the municipal court accepting the plea. Lee, Oct. 20, 2006, A.G. Op. 06-0506.

Reverend could not have been held in contempt for failing to appear at a hearing of which he did not have written notice because a youth court judge could not compel a non-party's attendance in court for a hearing to review a no-contact order in the absence of official written notification commanding his presence in court. In re Hines, 978 So. 2d 1275 (Miss. 2008).

## 2. Evidence.

Evidence was insufficient to show that the attorney's conduct was a willful or

contumacious violation of the Youth Court Act beyond a reasonable doubt where the record indicated that the grandmother paid the attorney for her representation of the mother, and the grandmother herself was the attorney's client and had a right to be informed of the outcome of the custody hearing. (1) If a child is alleged to be a delinquent child or a child in need of supervision, the proceedings shall be commenced in any county where any of the alleged acts are said to have occurred. After adjudication, the youth court may, in the best interest of the child, transfer the case at any stage of the proceeding for disposition to the county where the child resides or to a county where a youth court has previously acquired jurisdiction.

(2) If a child is alleged to be an abused or neglected child, the proceedings shall be commenced in the county where the child's custodian resides or in the county where the child is present when the report is made to the intake unit.

## JUDICIAL DECISIONS

### 1. In general.

Finding adjudicating the victim to be a sexually abused child was proper where venue was proper in the county court because the evidence determined that the victim was present in the county when the report was made to the youth court intake unit. Therefore, under the second part of Miss. Code Ann. § 43-21-155(2), there was sufficient evidence to determine that it was not reversible error for the youth court to decide that venue in the county

was proper. In the Interest of A. J. M., — So. 2d —, 2004 Miss. App. LEXIS 997 (Miss. Ct. App. Oct. 19, 2004).

Since each judicial district is to be treated as a separate county for purposes of jurisdiction and venue, § 41-21-155 permits a juvenile to be tried either in the district in which the offense was committed or in the district in which the minor resides. In re K.A.R., 441 So. 2d 108 (Miss. 1983).

## § 43-21-157. Transfer of jurisdiction to other courts.

(1) If a child who has reached his thirteenth birthday is charged by petition to be a delinquent child, the youth court, either on motion of the youth court prosecutor or on the youth court's own motion, after a hearing as hereinafter provided, may, in its discretion, transfer jurisdiction of the alleged offense described in the petition or a lesser included offense to the criminal court which would have trial jurisdiction of such offense if committed by an adult. The child shall be represented by counsel in transfer proceedings.

(2) A motion to transfer shall be filed on a day prior to the date set for the adjudicatory hearing but not more than ten (10) days after the filing of the petition. The youth court may order a transfer study at any time after the motion to transfer is filed. The transfer study and any other social record which the youth court will consider at the transfer hearing shall be made available to the child's counsel prior to the hearing. Summons shall be served in the same manner as other summons under this chapter with a copy of the motion to transfer and the petition attached thereto.

(3) The transfer hearing shall be bifurcated. At the transfer hearing, the youth court shall first determine whether probable cause exists to believe that the child committed the alleged offense. For the purpose of the transfer hearing only, the child may, with the assistance of counsel, waive the determination of probable cause.

(4) Upon such a finding of probable cause, the youth court may transfer jurisdiction of the alleged offense and the youth if the youth court finds by clear

and convincing evidence that there are no reasonable prospects of rehabilitation within the juvenile justice system.

(5) The factors which shall be considered by the youth court in determining the reasonable prospects of rehabilitation within the juvenile justice system are:

(a) Whether or not the alleged offense constituted a substantial danger to the public;

(b) The seriousness of the alleged offense;

(c) Whether or not the transfer is required to protect the community;

(d) Whether or not the alleged offense was committed in an aggressive, violent, premeditated or willful manner;

(e) Whether the alleged offense was against persons or against property, greater weight being given to the offense against persons, especially if personal injury resulted;

(f) The sophistication, maturity and educational background of the child;

(g) The child's home situation, emotional condition and life-style;

(h) The history of the child, including experience with the juvenile justice system, other courts, probation, commitments to juvenile institutions or other placements;

(i) Whether or not the child can be retained in the juvenile justice system long enough for effective treatment or rehabilitation;

(j) The dispositional resources available to the juvenile justice system;

(k) Dispositional resources available to the adult correctional system for the child if treated as an adult;

(l) Whether the alleged offense was committed on school property, public or private, or at any school-sponsored event, and constituted a substantial danger to other students;

(m) Any other factors deemed relevant by the youth court; and

(n) Nothing in this subsection shall prohibit the transfer of jurisdiction of an alleged offense and a child if that child, at the time of the transfer hearing, previously has not been placed in a juvenile institution.

(6) If the youth court transfers jurisdiction of the alleged offense to a criminal court, the youth court shall enter a transfer order containing:

(a) Facts showing that the youth court had jurisdiction of the cause and of the parties;

(b) Facts showing that the child was represented by counsel;

(c) Facts showing that the hearing was held in the presence of the child and his counsel;

(d) A recital of the findings of probable cause and the facts and reasons underlying the youth court's decision to transfer jurisdiction of the alleged offense;

(e) The conditions of custody or release of the child pending criminal court proceedings, including bail or recognizance as the case may justify, as well as a designation of the custodian for the time being; and

(f) A designation of the alleged offense transferred and of the court to which the transfer is made and a direction to the clerk to forward for filing in such court a certified copy of the transfer order of the youth court.

(7) The testimony of the child respondent at a transfer hearing conducted pursuant to this chapter shall not be admissible against the child in any proceeding other than the transfer hearing.

(8) When jurisdiction of an offense is transferred to the circuit court, or when a youth has committed an act which is in original circuit court jurisdiction pursuant to Section 43-21-151, the jurisdiction of the youth court over the youth for any future offenses is terminated, except that jurisdiction over future offenses is not terminated if the circuit court transfers or remands the transferred case to the youth court or if a child who has been transferred to the circuit court or is in the original jurisdiction of the circuit court is not convicted. However, when jurisdiction of an offense is transferred to the circuit court pursuant to this section or when an offense committed by a youth is in original circuit court jurisdiction pursuant to Section 43-21-151, the circuit court shall thereafter assume and retain jurisdiction of any felony offenses committed by such youth without any additional transfer proceedings. Any misdemeanor offenses committed by youth who are in circuit court jurisdiction pursuant to this section or Section 43-21-151 shall be prosecuted in the court which would have jurisdiction over that offense if committed by an adult without any additional transfer proceedings. The circuit court may review the transfer proceedings on motion of the transferred child. Such review shall be on the record of the hearing in the youth court. The circuit court shall remand the offense to the youth court if there is no substantial evidence to support the order of the youth court. The circuit court may also review the conditions of custody or release pending criminal court proceedings.

(9) When any youth has been the subject of a transfer to circuit court for an offense committed in any county of the state or has committed any act which is in the original jurisdiction of the circuit court pursuant to Section 43-21-151, that transfer or original jurisdiction shall be recognized by all other courts of the state and no subsequent offense committed by such youth in any county of the state shall be in the jurisdiction of the youth court unless transferred to the youth court pursuant to Section 43-21-159(3). Transfers from youth courts of other states shall be recognized by the courts of this state and no youth who has a pending charge or a conviction in the adult court system of any other state shall be in the jurisdiction of the youth courts of this state, but such youths shall be in the jurisdiction of the circuit court for any felony committed in this state or in the jurisdiction of the court of competent jurisdiction for any misdemeanor committed in this state.

### I. Under Current Law.

#### 1. In general.

Defendant's claim that the youth court did not have the necessary jurisdiction to transfer the case to circuit court was without merit where the youth court found that jurisdiction existed; and after considering Miss. Code Ann. § 43-21-157 (a) through (k), the court found that no reasonable prospects of rehabilitation existed within the juvenile system. *Hicks v. State*, 870 So. 2d 1238 (Miss. Ct. App. 2004).

Circuit court did not have jurisdiction over burglary charge against juvenile, where charge was not certified from youth court. *Ferguson v. State*, 688 So. 2d 760 (Miss. 1997).

Because defendant had previously been convicted of aggravated assault and certified as an adult, he would not have been entitled to a youth court hearing for his capital murder charge even if such a hearing would otherwise be required. *Blue v. State*, 674 So. 2d 1184 (Miss. 1996), cert. denied, 519 U.S. 1030, 117 S. Ct. 588, 136 L. Ed. 2d 157 (1996).

#### 2. Transfer held improper.

Drug offender's case was improperly transferred from youth court to the circuit

court; the youth court should not have transferred the case without making specific statutory findings and without conducting a bifurcated hearing. *Buck v. State*, 838 So. 2d 256 (Miss. 2003).

#### 3-5. [Reserved for future use].

### II. Under Former Law.

#### 6. In general.

In the trial of a juvenile for murder, when the circuit court directed the verdict in favor of the juvenile its jurisdiction ended, and it erred in not sustaining the motion of the juvenile to transfer the cause to the youth court of the county. *Grant v. State*, 305 So. 2d 351 (Miss. 1974).

Code 1942, § 7204 does not ipso facto deprive the circuit court of its jurisdiction in felony cases, it not being mandatory that such jurisdiction be surrendered thereunder, and it is not necessarily violative of any provision of the constitution. *McGinnis v. State*, 201 Miss. 239, 29 So. 2d 109 (1947).

Code 1942, § 7204, instead of § 7203, Code of 1942, is applicable to a prosecution charging a boy under eighteen years of age with felonious assault and battery with intent to kill and murder, as regards the petition to transfer the case to the juvenile court. *McGinnis v. State*, 201 Miss. 239, 29 So. 2d 109 (1947).

The disposition to be made of any child under eighteen years of age being prosecuted for a felony, whether to dismiss the prosecution and order the child committed to the juvenile court, or, after conviction, to suspend judgment and order the defendant released on good behavior, or such other order as in the judgment of the court would be for the best interest of the infant, is confined to the discretion of the criminal court. *Farr v. State*, 199 Miss. 637, 25 So. 2d 186 (1946).

Under this section [Code 1942, § 7204] the dismissal of a felony prosecution, and the committal of the defendant therein to the juvenile court rests in the sound discretion of the trial judge, subject only to review for abuse thereof. *Parker v. State*, 194 Miss. 895, 13 So. 2d 620 (1943), appeal dismissed, cert. denied, 320 U.S. 705, 64 S. Ct. 69, 88 L. Ed. 413 (1943).

Refusal of trial court to dismiss prosecution of 16-year-boy for murder and to commit him to the juvenile court was not error where there was no abuse of discretion apparent. *Parker v. State*, 194 Miss. 895, 13 So. 2d 620 (1943), appeal dismissed, cert. denied, 320 U.S. 705, 64 S. Ct. 69, 88 L. Ed. 413 (1943).

### 7. Constitutionality.

No jeopardy attached upon the impaneling and swearing in of the first jury, since the circuit court was without jurisdiction to try the minor defendant for manslaughter, and she was not placed in jeopardy for a second time by her subsequent trial for murder and conviction of manslaughter, after she had been certified by the youth court to the circuit court for trial as an adult. *Butler v. State*, 489 So. 2d 1093 (Miss. 1986).

The prosecution of a youth as an adult in a state court, upon the youth's transfer from the juvenile court system after an adjudicatory hearing finding that the youth had violated a state criminal statute, and after a dispositional hearing finding that the youth was unfit for treatment as a juvenile, violated the double jeopardy clause of the Fifth Amendment as applied to the states through the Fourteenth Amendment. *Breed v. Jones*, 421 U.S. 519, 95 S. Ct. 1779, 44 L. Ed. 2d 346 (1975), on remand, 519 F.2d 1314 (9th Cir. Cal. 1975).

That prosecutor makes the decision whether a juvenile will be charged with murder rather than manslaughter, thereby determining whether defendant will be tried as a juvenile or an adult, does not render this section unconstitutional, nor does section unconstitutionally violate a juvenile defendant's right to a presumption of innocence. *Jackson v. State*, 311 So. 2d 658 (Miss. 1975).

Code 1942, § 7204 does not ipso facto deprive the circuit court of its jurisdiction in felony cases, it not being mandatory that such jurisdiction be surrendered thereunder, and it is not necessarily violative of any provision of the constitution. *McGinnis v. State*, 201 Miss. 239, 29 So. 2d 109 (1947).

### 8. Age.

Code 1942, § 7204 applies to a person under the age of eighteen years at the time of trial and is not applicable to a person over the age of eighteen years at the time of trial, notwithstanding that he may have been under eighteen years of age at the time of commission of the offense. *Farr v. State*, 199 Miss. 637, 25 So. 2d 186 (1946).

### 9. Guilty plea.

Where delinquents under eighteen years of age had been arrested for the commission of a crime to which they pleaded guilty but the delinquents were not convicted therefor and no criminal sentence imposed upon them, Code 1942 § 7201 rather than Code 1942 § 6755 applies so that the court, acting as a juvenile court, had jurisdiction to commit them to the proper state institution even though there was no affirmative finding that it was for the best interests of the delinquents and of the public that they should be so committed. *Williams v. Bush*, 199 Miss. 382, 24 So. 2d 863 (1946).

### 10. Crime punishable by death or by life imprisonment.

A 15-year-old defendant was properly convicted of armed robbery in the circuit court, though there was no youth court certification order, since the maximum punishment possible for armed robbery is life imprisonment and the clause of § 43-21-31 [former law now repealed] giving exclusive jurisdiction to the circuit court of juveniles charged with crimes punishable by life imprisonment or death was not intended to apply only to offenses for which death was a possible punishment or to offenses for which the only possible alternative punishments were life imprisonment or death. *Carter v. State*, 334 So. 2d 376 (Miss. 1976).

In the trial of a juvenile for murder,

when the circuit court directed the verdict in favor of the juvenile its jurisdiction ended, and it erred in not sustaining the motion of the juvenile to transfer the cause to the youth court of the county. *Grant v. State*, 305 So. 2d 351 (Miss. 1974).

Since a person convicted of a crime of rape is subject to suffer death or life imprisonment, rape cases are excepted from the provisions of the Youth Court Act, so that the circuit court did not err in proceeding to enter judgment against a minor, who was accused of rape, upon his plea of guilty without conducting a hearing in accordance with the requirement of the Act. *Bullock v. Harpole*, 233 Miss. 486, 102 So. 2d 687 (1958).

This statute Code 1942, § 7204 does not apply to capital cases. *Lewis v. State*, 201 Miss. 48, 28 So. 2d 122 (1946), cert. denied, 331 U.S. 785, 67 S. Ct. 1305, 91 L. Ed. 1816 (1947).

### 11. Appeal.

Appeal to the supreme court does not lie from a youth court order that does no more than decline jurisdiction and certify the case to the circuit court. The adequacy of the youth court investigation may be challenged by a motion to quash an indictment returned pursuant to the transfer, and an adverse ruling of the circuit court on such a motion may be assigned as error on appeal if a conviction follows. In *re Watkins*, 324 So. 2d 232 (Miss. 1975).

### 12. Miscellaneous.

Although proper certification is necessary before the circuit court has jurisdiction to try a minor under 18 years of age, there is no requirement in § 41-21-31 [former law, now repealed] that an order of the youth court certifying an accused to the circuit court for trial must be filed in the circuit court before trial. *Hammons v. State*, 291 So. 2d 177 (Miss. 1974).

Since the circuit court did not have jurisdiction to try a 16-year-old for a felony until after indictment by the grand jury, the return of an indictment for man-

slaughter did not automatically confer exclusive jurisdiction on the circuit court and preclude the assumption of jurisdiction by the youth court, and the circuit court should have sustained the minor defendant's motion to transfer the case to the county youth court for a determination by that court whether it should retain jurisdiction or waive it, in view of the rehabilitative purposes of the Youth Court Act. *Walker v. State*, 235 So. 2d 714 (Miss. 1970).

Where a defendant, charged with rape, was a large young man, grown in all respects except age, the juvenile laws of the state of Mississippi were not applicable. *Smith v. State*, 229 So. 2d 551 (Miss. 1969).

An order waiving the youth court's jurisdiction over a 15-year-old minor charged with the offense of burglary which does not affirmatively show that a hearing was had in the presence of the minor and his parent or parents, that the minor was represented by counsel, or that the right to counsel was properly waived is fatally defective. *Hopkins v. State*, 209 So. 2d 841 (Miss. 1968).

Circuit court was not without jurisdiction over two defendants fourteen and fifteen years old, accused of larceny of \$1,100, merely because they were first brought into Youth Court and adjudged delinquent, since the latter court, as it was fully authorized to do, certified them to the circuit court for appropriate proceedings. *Gatlin v. State*, 207 Miss. 588, 42 So. 2d 774 (1949).

Where one accused of murder committed when he was sixteen years of age was over eighteen years of age at the time of trial, the trial court was correct in not referring the case to the juvenile court at the time of trial, and in overruling the motion to suspend sentence without a new hearing, since he had already heard the evidence, was fully informed of the act of delinquency involved and a further hearing of evidence would have served no useful purpose. *Farr v. State*, 199 Miss. 637, 25 So. 2d 186 (1946).

### § 43-21-159. Transfer of cases from other courts.

(1) When a person appears before a court other than the youth court, and it is determined that the person is a child under jurisdiction of the youth court, such court shall, unless the jurisdiction of the offense has been transferred to such court as provided in this chapter, or unless the child has previously been the subject of a transfer from the youth court to the circuit court for trial as an adult and was convicted, immediately dismiss the proceeding without prejudice and forward all documents pertaining to the cause to the youth court; and all entries in permanent records shall be expunged. The youth court shall have the power to order and supervise the expunction or the destruction of such records in accordance with Section 43-21-265. Upon petition therefor, the youth court shall expunge the record of any case within its jurisdiction in which an arrest was made, the person arrested was released and the case was dismissed or the charges were dropped or there was no disposition of such case. In cases where the child is charged with a hunting or fishing violation or a traffic violation whether it be any state or federal law, a violation of the Mississippi Implied Consent Law, or municipal ordinance or county resolution or where the child is charged with a violation of Section 67-3-70, the appropriate criminal court shall proceed to dispose of the same in the same manner as for other adult offenders and it shall not be necessary to transfer the case to the youth court of the county. Unless the cause has been transferred, or unless the child has previously been the subject of a transfer from the youth court to the circuit court for trial as an adult, except for violations under the Implied Consent Law, and was convicted, the youth court shall have power on its own motion to remove jurisdiction from any criminal court of any offense including a hunting or fishing violation, a traffic violation, or a violation of Section 67-3-70, committed by a child in a matter under the jurisdiction of the youth court and proceed therewith in accordance with the provisions of this chapter.

(2) After conviction and sentence of any child by any other court having original jurisdiction on a misdemeanor charge, and within the time allowed for an appeal of such conviction and sentence, the youth court of the county shall

have the full power to stay the execution of the sentence and to release the child on good behavior or on other order as the youth court may see fit to make unless the child has previously been the subject of a transfer from the youth court to the circuit court for trial as an adult and was convicted. When a child is convicted of a misdemeanor and is committed to, incarcerated in or imprisoned in a jail or other place of detention by a criminal court having proper jurisdiction of such charge, such court shall notify the youth court judge or the judge's designee of the conviction and sentence prior to the commencement of such incarceration. The youth court shall have the power to order and supervise the destruction of any records involving children maintained by the criminal court in accordance with Section 43-21-265. However, the youth court shall have the power to set aside a judgment of any other court rendered in any matter over which the youth court has exclusive original jurisdiction, to expunge or destroy the records thereof in accordance with Section 43-21-265, and to order a refund of fines and costs.

(3) Nothing in subsection (1) or (2) shall apply to a youth who has a pending charge or a conviction for any crime over which circuit court has original jurisdiction.

(4) In any case wherein the defendant is a child as defined in this chapter and of which the circuit court has original jurisdiction, the circuit judge, upon a finding that it would be in the best interest of such child and in the interest of justice, may at any stage of the proceedings prior to the attachment of jeopardy transfer such proceedings to the youth court for further proceedings unless the child has previously been the subject of a transfer from the youth court to the circuit court for trial as an adult and was convicted or has previously been convicted of a crime which was in original circuit court jurisdiction, and the youth court shall, upon acquiring jurisdiction, proceed as provided in this chapter for the adjudication and disposition of delinquent child proceeding proceedings. If the case is not transferred to the youth court and the youth is convicted of a crime by any circuit court, the trial judge shall sentence the youth as though such youth was an adult. The circuit court shall not have the authority to commit such child to the custody of the Department of Youth Services for placement in a state-supported training school.

(5) In no event shall a court sentence an offender over the age of eighteen (18) to the custody of the Division of Youth Services for placement in a state-supported training school.

(6) When a child's driver's license is suspended by the youth court for any reason, the clerk of the youth court shall report the suspension, without a court order under Section 43-21-261, to the Commissioner of Public Safety in the same manner as such suspensions are reported in cases involving adults.

(7) No offense involving the use or possession of a firearm by a child who has reached his fifteenth birthday and which, if committed by an adult would be a felony, shall be transferred to the youth court.

Although circuit court did not make any findings as to whether a transfer to youth court would be in the best interest of the minor and in the interest of justice; the error was harmless as there was no evidence which would support a finding that a transfer would be in defendant's best interest or in the interest of justice as it the acts of the perpetrators demonstrated a clear lack of conscience, and they needed to be dealt with harshly, no matter their ages. *Horne v. State*, 825 So. 2d 627 (Miss. 2002).

Circuit court with original jurisdiction was not required to consider alternative sentencing under the Youth Court Act, Miss. Code Ann. § 43-21-151 et seq. *Flowers v. State*, 805 So. 2d 654 (Miss. Ct. App. 2002).

The court remanded a case to the circuit court for consideration of alternative sentencing under the Youth Court Act where the circuit court stated that the defendant was only 17 and had no prior offenses, but

failed to state on the record whether it considered the provisions of the Youth Court Act before sentencing the defendant. *Gary v. State*, 760 So. 2d 743 (Miss. 2000).

Trial court adequately considered juvenile Sentencing Guidelines by considering guidelines in context of juvenile's motion for postconviction relief, even though court had made no notation in record of having considered guidelines at guilty plea hearing. *Ferguson v. State*, 688 So. 2d 760 (Miss. 1997).

Issue of whether capital case juvenile is transferred from circuit court back to youth court is within sound discretion of circuit court judge. *Foster v. State*, 687 So. 2d 1124 (Miss. 1996), cert. denied, 521 U.S. 1108, 117 S. Ct. 2488, 138 L. Ed. 2d 996 (1997).

Defendant's claim that youthful offender statute was unconstitutional was procedurally barred, since defendant did not cite any authority for his proposition or give any reasons as to why his position was correct reflection of the law. *Hoops v. State*, 681 So. 2d 521 (Miss. 1996).

When considering alternative sentencing under youthful offender statute, trial judge must consider presence or absence of facilities for care of offender in mitigation of the punishment and allow defendant's counsel the opportunity to introduce such evidence, and trial judge must also make specific findings as to basis for

his sentence and include those findings in the record along with mitigation evidence. *Hoops v. State*, 681 So. 2d 521 (Miss. 1996).

There are alternatives set out in the Youth Court Act which the circuit court judge should consider in imposing sentence on a child; the trial judge should see to it that the record clearly reflects the reason which prompted him or her to exercise his or her discretion in utilizing or not utilizing the alternatives afforded, and the trial court should let the record disclose the facts which prompted the exercise of discretion either way. *Erwin v. State*, 557 So. 2d 799 (Miss. 1990), but see *Strahan v. State*, 729 So. 2d 800 (Miss. 1998).

Alternatives under Youth Court Act are: (1) commit defendant to county jail for term not in excess of one year; (2) suspend sentence and release defendant on probation; (3) commit defendant to custody of Department of Corrections; and (4) impose fine as though defendant was adult under such terms and conditions as may be prescribed; however, Circuit Court shall not have authority to commit such child to custody of Department of Youth Services for placement in state supported training school. *Gardner v. State*, 514 So. 2d 292 (Miss. 1987).

Judge must consider alternative sentences available and in effect at time crime was committed, and not at time of sentencing, where subsequent amendment of statute limited alternatives available. *Gardner v. State*, 514 So. 2d 292 (Miss. 1987).

## 2. Particular applications.

In a trial of defendant who was 13 at the time of the murder, the trial court properly retained jurisdiction in the circuit court under Miss. Code Ann. § 43-21-151(1) as opposed to transferring the case to the youth court under Miss. Code Ann. § 43-21-159(4), because the trial judge performed an extensive analysis of what would be in both defendant's best interest, and the best interest of justice. After having done so, the trial judge found that the interests of justice necessitated that the case stay within the jurisdiction of the circuit court, rather than youth court.

*Edmonds v. State*, — So. 2d —, 2006 Miss. App. LEXIS 88 (Miss. Ct. App. Jan. 31, 2006).

Matter was remanded to the youth court for a new dispositional hearing because the youth court had placed the juvenile in a state-supported training school, and the placement was now prohibited, pursuant to Miss. Code Ann. § 43-21-159(5), because the juvenile had reached the age of 18; the youth court had other dispositional alternatives available to it, pursuant to Miss. Code Ann. § 43-21-605. In the Interest of L.C.A., 938 So. 2d 300 (Miss. Ct. App. 2006).

The Youth Court Law did not offer the defendant an additional sentencing alternative since, although he was 17 years of age at the time of the commission of the crimes, he was under the original jurisdiction of the circuit court under subsection (4). *Young v. State*, 797 So. 2d 239 (Miss. Ct. App. 2001).

Seventeen-year-old capital murder defendant was procedurally barred by res judicata from arguing in application for postconviction collateral relief that death penalty was unconstitutional due to lack of particularized finding by circuit court in retaining original jurisdiction over defendant and not transferring him to youth court, as issue had already been challenged on direct appeal, and defendant had merely camouflaged issue by couching claim as ineffective assistance of counsel. *Foster v. State*, 687 So. 2d 1124 (Miss. 1996), cert. denied, 521 U.S. 1108, 117 S. Ct. 2488, 138 L. Ed. 2d 996 (1997).

Defense counsel for 17-year-old capital murder defendant did not provide ineffective assistance of counsel by failing to request transfer proceeding from circuit court to youth court, as there was no prejudice to defendant; had counsel made request, trial judge would have found that defendant was on brink of 18 years of age and had violent, selfish nature, exhibited uncooperative tendencies, and had maturity to know right from wrong, and counsel would be hard-pressed to convince judge that defendant would not have committed subject types of acts once he was 18 years old and it was only because he had not yet turned 18 that he committed

crimes due to his immaturity. *Foster v. State*, 687 So. 2d 1124 (Miss. 1996), cert. denied, 521 U.S. 1108, 117 S. Ct. 2488, 138 L. Ed. 2d 996 (1997).

Defendant was not denied consideration of alternative sentencing under youthful offender statute, where trial judge told defendant's counsel during defendant's motion for new trial that he considered alternatives available when he sentenced defendant, youth services counselor recommended that defendant be tried in adult court system, and judge noted on the record the reasons for his sentence. *Hoops v. State*, 681 So. 2d 521 (Miss. 1996).

A trial judge in a murder prosecution was well within his discretion in sentencing the 14-year-old defendant to life imprisonment for aiding and abetting in the murder, in spite of the defendant's argument that the judge abused his discretion by not stating in the record his reasons for declining to utilize possible alternative criminal sanctions for juvenile offenders provided for in § 43-21-159 of the Youth Court Act, where the judge stated that he was very much aware of the requirements in *May v. State* (Miss. 1981) 398 So. 2d 1331 because of the many cases he had handled dealing with teenagers charged with capital offenses; although minimal, the trial court adequately addressed the reasons for not utilizing the alternatives afforded. *Swinford v. State*, 653 So. 2d 912 (Miss. 1995).

Police officer did not violate state youth court law by allegedly taking 14-year-old into custody for driving his parents' car without license, without order from youth court, as youth court did not have exclusive original jurisdiction over traffic offenses. *White v. Walker*, 950 F.2d 972 (5th Cir. 1991).

Where police officer charged 14 year old boy who was driving his parents' car without a license, with offense of driving without license, and took boy to police station and issued him a ticket, and less than one hour after release boy committed suicide, officer did not violate Youth Court Law by taking boy into custody without order from Youth Court, since under § 43-21-159(1) Youth Court does not have "exclusive original jurisdiction" over traffic of-

fenses; although subsection (1) of § 43-21-151 grants Youth Court "exclusive original jurisdiction in all proceedings concerning a delinquent child", § 43-21-159(1) creates an exception granting concurrent jurisdiction to appropriate criminal court in cases where child is charged with traffic violation; therefore if boy was taken into custody at all it was for a traffic violation and not for something over which Youth Court had exclusive or original jurisdiction. *White v. Walker*, 950 F.2d 972 (5th Cir. 1991).

Records of criminal offenses are kept pursuant to § 45-27-1. The legislature of Mississippi has specifically authorized expungement of criminal offender records in limited cases-youth court cases, §§ 43-21-159 and 43-21-265; first offense misdemeanor convictions occurring prior to age 23, § 99-19-71; drug possession convictions occurring prior to age 26, § 41-29-150; purchase of alcoholic beverages by one under age 21, § 67-3-70; and municipal court convictions, § 21-23-7. Expungement of felony convictions which arose pursuant to guilty pleas are governed by § 99-15-57 which provides that any person who pled guilty within 6 months prior to the effective date of § 99-15-26 may apply to the court for an order expunging his or her criminal records. Under §§ 99-15-57 and 99-15-26 a circuit court has the power to expunge a felony conviction pursuant to a guilty plea under certain conditions. Accordingly, a petitioner who pled guilty to the felony of burglary might have been eligible for relief pursuant to §§ 99-15-57 and 99-15-26 if his guilty plea had occurred on or after October 1, 1982, that being the earliest date to satisfy the "within 6 months prior to" March 31, 1983, requirement of § 99-15-57. However, the petitioner pleaded guilty to burglary on October 9, 1979, 3 years prior to October 1, 1982, and admitted that he did not fall within the criterion in any of the statutes authorizing expungement, and thus the trial court did not err in denying his petition for expungement. *Caldwell v. State*, 564 So. 2d 1371 (Miss. 1990).

Where it appeared that the trial court, in sentencing a 16-year-old defendant convicted of armed robbery to a term of 14

years in state prison, had been under the misapprehension that §§ 97-3-79 and 47-7-3, read together, mandated a sentence of at least 10 years in the state penitentiary, absent a jury verdict of life imprisonment, the case would be remanded to the court for a clarification of the sentencing since there was no way to ascertain whether the trial court had considered the statutory alternative for sentencing minor offenders under the provisions of § 43-21-159(3). *Bougon v. State*, 405 So. 2d 101 (Miss. 1981).

In a prosecution for armed robbery, a sentence of 12 years in prison, without eligibility of parole for 10 years, imposed upon a 14-year-old mentally retarded defendant did not constitute cruel and unusual punishment; however, the case would be remanded to the trial court for consideration of alternative sentencing under § 43-21-159 where the trial judge should have placed in the record the sources and facts of his sentence study and should have permitted the defendant's attorney to introduce evidence of the presence or absence of facilities at the Mississippi State Penitentiary for the care of the defendant, and the availability of other institutions or facilities which could be utilized by the defendant. *May v. State*, 398 So. 2d 1331 (Miss. 1981).

## II. Under Former Law.

### 7. In general.

Even though a defendant under eighteen years of age insists that he is not guilty of more than a misdemeanor, this section [Code 1942 § 7203] is not applicable where he is being prosecuted for a felony. *McGinnis v. State*, 201 Miss. 239, 29 So. 2d 109 (1947).

Code 1942 § 7204, instead of § 7203, Code of 1942, is applicable to a prosecution charging a boy under eighteen years of age with felonious assault and battery with intent to kill and murder, as regards the petition to transfer the case to the juvenile court. *McGinnis v. State*, 201 Miss. 239, 29 So. 2d 109 (1947).

Delinquents under eighteen years of age, by virtue of this section [Code 1942, § 7199], may be brought before the juvenile court when arrested on any charge "with or without warrant," and when this is done the court has full jurisdiction to make proper disposition of the delinquent, although a proceeding also may be instituted upon petition by some reputable person as provided in § 7188. *Williams v. Bush*, 199 Miss. 382, 24 So. 2d 863 (1946).

## ATTORNEY GENERAL OPINIONS

Based on Section 43-21-159, a justice court is authorized to order jail time for a minor convicted of a violation of the Implied Consent Law. However, if such a conviction is a misdemeanor, the justice court must notify the youth court judge or the judge's designee of the conviction and sentence prior to the commencement of such incarceration. *Perkins*, July 19, 1996, A.G. Op. #96-0465.

Pursuant to Section 43-21-159, a warrant may be issued by the justice court for a minor who fails to pay a fine imposed as a result of a DUI conviction. *Perkins*, July 19, 1996, A.G. Op. #96-0465.

Pursuant to Section 43-21-159, the court with original jurisdiction over the juvenile charged with a DUI should hold the juvenile in the adult jail. However, the juvenile should not be placed in a cell with

other adult inmates. *Palmer*, August 16, 1996, A.G. Op. #96-0525.

Pursuant to Section 43-21-159, the DUI arrest records of a juvenile are not confidential, however the youth court has the authority to order the destruction of such records. *Palmer*, August 16, 1996, A.G. Op. #96-0525.

Under Section 43-21-159, if a juvenile is charged with a misdemeanor and a DUI charge, the DUI charge should be handled by justice court and the misdemeanor should be handled by the youth court. *Palmer*, August 16, 1996, A.G. Op. #96-0525.

If a juvenile is convicted of DUI and sentenced by the justice court to serve time, under Section 43-21-159, the juvenile should be sentenced to the county jail. However, such court should notify the

youth court judge or the judge's designee of the conviction and sentence prior to the commencement of such incarceration. Palmer, August 16, 1996, A.G. Op. #96-0525.

Juveniles convicted of fish and game violations should be treated as adults and may be sentenced to work programs to pay their fines. James, March 13, 1998, A.G. Op. #98-0140.

A justice court may sentence a juvenile to serve time in jail for contempt of court when the juvenile has been convicted of a game and fish violation and failed to comply with the sentence imposed by the justice court, provided the juvenile is physically and mentally capable of complying. James, June 19, 1998, A.G. Op. #98-0353.

Jurisdiction over violations of city and county ordinances by persons under the age of 18 is in the appropriate criminal court. Regan, July 30, 1999, A.G. Op. #99-0355.

Mississippi Justice Information Center is not prohibited from entering the following crimes committed by individuals under 18 years of age into its database: (1) crimes punishable under state or federal law by life imprisonment or death; (2) offenses committed by a child on or after his seventeenth birthday where such offenses would be a felony if committed by an adult; (3) a hunting or fishing violation; (4) a traffic violation; (5) a violation of the Mississippi Implied Consent Law; or (6) a violation of Section 67-3-70. Spann, Jan. 24, 2000, A.G. Op. #99-0694.

Pursuant to this section, a youth court has the authority to remove jurisdiction from a criminal court for the offenses of possession of alcohol by a minor or possession of light wine or beer by a minor with certain limitations, i.e., the child has previously been the subject of a transfer from the youth court to the circuit court for trial as an adult. Such removals should be done on a case by case basis. Wiggins, Sept. 19, 2003, A.G. Op. 03-0424.

## PROVISIONS APPLICABLE TO ALL PROCEEDINGS

### SEC.

- 43-21-201. Representation by counsel; youth court-appointed attorneys required to receive juvenile justice training; exemption; duties of youth court counsel.
- 43-21-203. Conduct of proceedings.
- 43-21-205. Court costs and fees.

## § 43-21-201. Representation by counsel; youth court-appointed attorneys required to receive juvenile justice training; exemption; duties of youth court counsel.

(1) Each party shall have the right to be represented by counsel at all stages of the proceedings including, but not limited to, detention, adjudicatory and disposition hearings and parole or probation revocation proceedings. In

delinquency matters the court shall appoint legal defense counsel who is not also a guardian ad litem for the same child. If the party is a child, the child shall be represented by counsel at all critical stages: detention, adjudicatory and disposition hearings; parole or probation revocation proceedings; and post-disposition matters. If indigent, the child shall have the right to have counsel appointed for him by the youth court.

(2) When a party first appears before the youth court, the judge shall ascertain whether he is represented by counsel and, if not, inform him of his rights including his right to counsel.

(3) An attorney appointed to represent a delinquent child shall be required to complete annual juvenile justice training that is approved by the Mississippi Judicial College or the Mississippi Commission on Continuing Legal Education. The Mississippi Judicial College and the Mississippi Commission on Continuing Legal Education shall determine the amount of juvenile justice training and continuing education required to fulfill the requirements of this subsection. The Administrative Office of Courts shall maintain a roll of attorneys who have complied with the training requirements and shall enforce the provisions of this subsection. Should an attorney fail to complete the annual training requirement or fail to attend the required training within six (6) months of being appointed to a youth court case, the attorney shall be disqualified to serve and the youth court shall immediately terminate the representation and appoint another attorney. Attorneys appointed by a youth court to five (5) or fewer cases a year are exempt from the requirements of this subsection.

(4) The child's attorney shall owe the same duties of undivided loyalty, confidentiality and competent representation to the child or minor as is due an adult client pursuant to the Mississippi Rules of Professional Conduct.

(5) An attorney shall enter his appearance on behalf of a party in the proceeding by filing a written notice of appearance with the youth court, by filing a pleading, notice or motion signed by counsel or by appearing in open court and advising the youth court that he is representing a party. After counsel has entered his appearance, he shall be served with copies of all subsequent pleadings, motions and notices required to be served on the party he represents. An attorney who has entered his appearance shall not be permitted to withdraw from the case until a timely appeal if any has been decided, except by leave of the court then exercising jurisdiction of the cause after notice of his intended withdrawal is served by him on the party he represents.

(6) Each designee appointed by a youth court judge shall be subject to the Code of Judicial Conduct and shall govern himself or herself accordingly.

ch. 481, Laws of 2007, effective July 1, 2007 (approved March 27, 2007), also amended this section. As set out above, this section reflects the language of Section 1 of ch. 481, Laws of 2007, which contains language that specifically provides that it supersedes § 43-21-201 as amended by Laws of 2007, ch. 347.

**Amendment Notes** — The first 2007 amendment (ch. 347) made gender-neutralization changes throughout the section; and substituted “Mississippi Commission on Continuing Legal Education” for “Mississippi Bar Association” twice in (3).

The second 2007 amendment (ch. 481) inserted the second sentence of (1); and substituted “Mississippi Commission on Continuing Legal Education” for “Mississippi Bar Association” twice in (3).

The 2009 amendment inserted “detention...matters” at the end of the next-to-last sentence of (1); added (4); and redesignated former (4) and (5) as present (5) and (6).

In proceedings to determine custody of 2 children who had been adjudicated neglected and placed in foster care, the children were denied their due process right of representation where they were without the services of an attorney or guardian ad litem for approximately 3 years during the course of the custody proceedings. *Copiah County Dep’t of Human Servs. v. Linda D.*, 658 So. 2d 1378 (Miss. 1995).

When parents at educational neglect

## § 43-21-203. Conduct of proceedings.

(1) The youth court shall be in session at all times.

(2) All cases involving children shall be heard at any place the judge deems suitable but separately from the trial of cases involving adults.

(3) Hearings in all cases involving children shall be conducted without a jury and may be recessed from time to time.

(4) All hearings shall be conducted under such rules of evidence and rules of court as may comply with applicable constitutional standards.

(5) No proceeding by the youth court in cases involving children shall be a criminal proceeding but shall be entirely of a civil nature.

(6) The general public shall be excluded from the hearing, and only those persons shall be admitted who are found by the youth court to have a direct interest in the cause or work of the youth court. Any person found by the youth court to have a direct interest in the cause shall have the right to appear and be represented by legal counsel.

(7) In all hearings, except detention and shelter hearings under Section 43-21-309, a complete record of all evidence shall be taken by stenographic reporting, by mechanical or electronic device or by some combination thereof.

(8) The youth court may exclude the attendance of a child from a hearing in neglect and abuse cases with consent of the child's counsel. The youth court may exclude the attendance of a child from any portion of a disposition hearing that would be injurious to the best interest of the child in delinquency and children in need of supervision cases with consent of the child's counsel.

(9) All parties to a youth court cause shall have the right at any hearing in which an investigation, record or report is admitted in evidence:

(a) to subpoena, confront and examine the person who prepared or furnished data for the report; and

(b) to introduce evidence controverting the contents of the report.

(10) Except as provided by Section 43-21-561(5) or as otherwise provided by this chapter, the disposition of a child's cause or any evidence given in the youth court in any proceedings concerning the child shall not be admissible against the child in any case or proceeding in any court other than a youth court.

2. Constitutional rights.

### 1. In general.

Order dismissing the petition alleging that the child was an abused child was the product of prosecutorial discretion, and the guardian ad litem was responsible for presenting the youth court with the motion to dismiss; the motion and resulting

order, however, remained a product of prosecutorial discretion because the guardian ad litem was acting in accordance with his agreement with the prosecutor, and the order dismissing the petition did not render an adjudication as to the allegations in the petition as it simply abandoned the case, leaving all parties just as they were before the petition was

filed, such that the youth court did not deprive the mother of her right to notice and a hearing. In the Interest of C.R., 879 So. 2d 1119 (Miss. Ct. App. 2004).

In proceedings to determine custody of 2 children who had been adjudicated neglected and placed in foster care, the children were denied their due process right of representation where they were without the services of an attorney or guardian ad litem for approximately 3 years during the course of the custody proceedings. Copiah County Dep't of Human Servs. v. Linda D., 658 So. 2d 1378 (Miss. 1995).

The statutory requirements for an adjudicatory hearing under the Youth Court Act (§§ 43-21-101 et seq.) were met where the proceedings were recorded by a court reporter pursuant to § 43-21-203(7), the parties received notice of the hearing more than 3 days before it was scheduled to begin under § 43-21-507, and the hearing was held within 90 days of the filing of the petition under § 43-21-551; the fact that the proceeding was postponed for approximately three months was without consequence since § 43-21-551 provides that a hearing may be continued upon a showing of good cause, and therefore the hearing was held within the time provided by the Youth Court Act. In re C.R., 604 So. 2d 1079 (Miss. 1992).

A trial court committed error by failing to conduct a separate and distinct dispositional hearing as required by § 43-21-

601 of the Youth Court Act (§§ 43-21-101 et seq.) where the court determined, at the conclusion of the adjudicatory hearing which resulted in a finding that the child was educationally neglected, that the child should be placed in the Mississippi School for the Deaf. In re C.R., 604 So. 2d 1079 (Miss. 1992).

In noncriminal cases involving allegations of child abuse by the parent, the right of confrontation should be accorded to the accused parent. *Bailey v. Woodcock*, 574 So. 2d 1369 (Miss. 1990).

Where the testimony of a child is needed, it should not be declined except to avoid serious risk to the welfare of the child. To avoid this damage, the trial court must have considerable discretion as to the conduct of the examination and the appearance of the courtroom. *Bailey v. Woodcock*, 574 So. 2d 1369 (Miss. 1990).

## 2. Constitutional rights.

Where the circuit court ordered a sexual battery case filed against defendant juvenile to be transferred to youth court, the transfer was accepted and the youth court entered a final judgment adjudicating defendant a delinquent child. The State's appeal of the transfer order was barred by the Fifth Amendment's protection against double jeopardy; Miss. Code Ann. § 43-21-203(5) did not limit the application of the right against double jeopardy in a juvenile proceeding. *State v. J.L.M.*, 996 So. 2d 740 (Miss. 2008).

In proceedings under this chapter, no court costs shall be charged against any party to a petition, and no salaried officer of the state, county or any municipality, nor any youth court counselor, nor any witness other than an expert witness shall be entitled to receive any fee for any service rendered to the youth court or for attendance in the youth court in any proceedings under this chapter; but the fees of the circuit and chancery clerks in youth court cases originating by petition shall be paid as is provided by law for like services in other cases and shall be paid by the county on allowance of the board of supervisors on an itemized cost bill approved by the judge. These costs shall be paid out of the general fund. No clerk shall be allowed compensation for attendance in youth court.

**ATTORNEY GENERAL OPINIONS**

Youth court action is in nature of complaint other than ex parte matter carrying \$75 fee. Jones Nov. 10, 1993, A.G. Op. #93-0514.

When the Department of Human Services (DHS) calls an expert witness in a parental termination case, the expense incurred would be the responsibility of the department; however, if an expert witness is sought on the motion of the guardian ad litem or the court, and the court so orders, any expert witness fee or expense would be borne by the county, not by DHS. Ward, May 4, 1999, A.G. Op. #99-0175.

Where an order of the chancery court for filing intake records results in an order for no action, the chancery clerk may not charge a fee. Summers, August 27, 1999, A.G. Op. #99-0342.

The chancery clerk does not earn a fee where the Youth Court, without a hearing: (a) orders that no action be taken; (b) orders that an informal adjustment be made; (c) orders that the Department of Human Services, Division of Family and Children Services, monitor the child, family and other children in this same envi-

ronment; or (d) orders that the child is warned or counseled informally. Summers, August 27, 1999, A.G. Op. #99-0342.

Fees paid to clerks in Youth Court cases are paid from the general fund, but are statutorily required to be paid in the same manner as fees for "like services" in other cases pursuant to an itemized cost bill approved by the appropriate judge; there is no authority for officials who receive such fees to have those fees paid through the county payroll with the county matching social security and retirement contributions. Lee, Jr., March 10, 2000, A.G. Op. #2000-0101.

Although the amount of the chancery clerk's fee is calculated by reference to the laws "for like services in other cases," the compensation is by the county to the clerk for services performed for the county by the clerk and, further, the chancery clerk is required by law to provide these services to the county; this is similar to the fees paid by the county to the medical examiner for services the examiner is required by law to provide to the county and is a direct payment for services rendered

for which the board of supervisors is authorized to pay the matching employer's contributions out of general funds; however, the same does not apply in lunacy cases where the parties to the litigation

are liable for the costs and the county is only potentially liable in pauper's cases. Childers, Jan. 25, 2002, A.G. Op. #02-0024.

(a) A general docket in which the clerk of the youth court shall enter the names of the parties in each cause, the date of filing the petition, any other pleadings, all other papers in the cause, issuance and return of process, and a reference by the minute book and page to all orders made therein. The general docket shall be duly indexed in the alphabetical order of the names of the parties.

(b) All the papers and pleadings filed in a cause. The papers in every cause shall be marked with the style and number of the cause and the date when filed. All the papers filed in a cause shall be kept in the same file, and all the files shall be kept in numerical order.

(c) All social records of a youth court, which shall include all intake records, social summaries, medical examinations, mental health examinations, transfer studies and all other information obtained and prepared in the discharge of official duty for the youth court.

(i) A "social summary" is an investigation of the personal and family history and the environment of a child who is the subject of a youth court cause. The social summary should describe all reasonable appropriate alternative dispositions. (ii) A “medical examination” is an examination by a physician of a child who is the subject of a youth court cause or of his parent. The youth court may order a medical examination at any time after the intake unit has received a written complaint. Whenever possible, a medical examination shall be conducted on an outpatient basis. A medical examination of a parent of the child who is the subject of the cause shall not be ordered unless the physical or mental ability of the parent to care for the child is a relevant issue in the particular cause and the parent to be examined consents to the examination.

(iii) A “mental health examination” is an examination by a psychiatrist or psychologist of a child who is the subject of a youth court cause or of his parent. The youth court may order a mental health examination at any time after the intake unit has received a written complaint. Whenever possible, a mental health examination shall be conducted on an outpatient basis. A mental health examination of a parent of the child who is the subject of a cause shall not be ordered unless the physical or mental ability of the parent to care for the child is a relevant issue in the particular cause and the parent to be examined consents to the examination.

(iv) A “transfer study” is a social summary which addresses the factors set forth in Section 43-21-157(5). A transfer study shall not be admissible evidence nor shall it be considered by the court at any adjudicatory hearing. It shall be admissible evidence at a transfer or disposition hearing.

(d) A minute book in which the clerk shall record all the orders of the youth court.

(e) Proceedings of the youth court and evidence.

(f) All information obtained by the youth court from the Administrative Office of Courts pursuant to a request under Section 43-21-261(15).

(2) The records of the youth court and the contents thereof shall be kept confidential and shall not be disclosed except as provided in Section 43-21-261.

(3) The court records of the youth court may be kept on computer in the manner provided for storing circuit court records and dockets as provided in Section 9-7-171.

**ATTORNEY GENERAL OPINIONS**

Records set forth in Section 43-21-251 are to be in possession of clerk of youth court, which is chancery clerk in counties not having county court; these records include all papers and pleadings filed in cause and docket book and minute book of youth court. O'Neal Sept. 22, 1993, A.G. Op. #93-0604.

A general docket call each morning for all cases set for a hearing that day, with all parties and their attorneys present in the courtroom at the same time, would compromise the confidentiality provisions in this section and Section 43-21-261 and is therefore not legally permissible. **Editor's Note** — Former § 43-21-253 provided the definition of social records and required the confidentiality of those records. For current provisions defining social records, see § 43-21-251(c).

**§ 43-21-255. Law enforcement records.**

(1) Except as otherwise provided by this section, all records involving children made and retained by law enforcement officers and agencies or by the youth court prosecutor and the contents thereof shall be kept confidential and shall not be disclosed except as provided in Section 43-21-261.

(2) A child in the jurisdiction of the youth court and who has been taken into custody for an act, which if committed by an adult would be considered a felony or offenses involving possession or use of a dangerous weapon or any firearm, may be photographed or fingerprinted or both. Any law enforcement agency taking such photographs or fingerprints shall immediately report the existence and location of the photographs and fingerprints to the youth court. Copies of fingerprints known to be those of a child shall be maintained on a local basis only. Such copies of fingerprints may be forwarded to another local, state or federal bureau of criminal identification or regional depository for identification purposes only. Such copies of fingerprints shall be returned promptly and shall not be maintained by such agencies.

(3) Any law enforcement record involving children who have been taken into custody for an act, which if committed by an adult would be considered a felony and/or offenses involving possession or use of a dangerous weapon including photographs and fingerprints, may be released to a law enforcement agency supported by public funds, youth court officials and appropriate school

officials without a court order under Section 43-21-261. Law enforcement records shall be released to youth court officials and to appropriate school officials upon written request. Except as provided in subsection (4) of this section, any law enforcement agency releasing such records of children in the jurisdiction of the youth court shall immediately report the release and location of the records to the youth court. The law enforcement agencies, youth court officials and school officials receiving such records are prohibited from using the photographs and fingerprints for any purpose other than for criminal law enforcement and juvenile law enforcement. Each law enforcement officer or employee, each youth court official or employee and each school official or employee receiving the records shall submit to the sender a signed statement acknowledging his or her duty to maintain the confidentiality of the records. In no instance shall the fact that such records of children in the jurisdiction of the youth court exist be conveyed to any private individual, firm, association or corporation or to any public or quasi-public agency the duties of which do not include criminal law enforcement or juvenile law enforcement.

(4) When a child's driver's license is suspended for refusal to take a test provided under the Mississippi Implied Consent Law, the law enforcement agency shall report such refusal, without a court order under Section 43-21-261, to the Commissioner of Public Safety in the same manner as such suspensions are reported in cases involving adults.

(5) All records involving a child convicted as an adult or who has been twice adjudicated delinquent for a sex offense as defined by Section 45-33-23, Mississippi Code of 1972, shall be public and shall not be kept confidential.

## ATTORNEY GENERAL OPINIONS

There is no conflict between this section and § 37-11-29; the former section provides the procedure for information which may be released on students who are in the jurisdiction of the youth court, while the latter section provides for the release of information on students who are under the jurisdiction of the adult court system. Beckett, May 22, 1998, A.G. Op. #98-0257.

Mississippi Justice Information Center is not prohibited from entering the follow-

ing crimes committed by individuals under 18 years of age into its database: (1) crimes punishable under state or federal law by life imprisonment or death; (2) offenses committed by a child on or after his seventeenth birthday where such offenses would be a felony if committed by an adult; (3) a hunting or fishing violation; (4) a traffic violation; (5) a violation of the Mississippi Implied Consent Law; or (6) a violation of Section 67-3-70. Spann, Jan.

Release by law enforcement of the name and identifying information of a child re-

ported missing or abducted would not violate the provisions of § 43-21-261. Riley, Sept. 27, 2002, A.G. Op. #02-0561.

### § 43-21-257. Agency records.

(1) Unless otherwise provided in this section, any record involving children, including valid and invalid complaints, and the contents thereof maintained by the Department of Human Services, or any other state agency, shall be kept confidential and shall not be disclosed except as provided in Section 43-21-261.

(2) The Office of Youth Services shall maintain a state central registry containing the number and disposition of all cases together with such other useful information regarding those cases as may be requested and is obtainable from the records of the youth court. The Office of Youth Services shall annually publish a statistical record of the number and disposition of all cases, but the names or identity of any children shall not be disclosed in the reports or records. The Office of Youth Services shall adopt such rules as may be necessary to carry out this subsection. The central registry files and the contents thereof shall be confidential and shall not be open to public inspection. Any person who discloses or encourages the disclosure of any record involving children from the central registry shall be subject to the penalty in Section 43-21-267. The youth court shall furnish, upon forms provided by the Office of Youth Services, the necessary information, and these completed forms shall be forwarded to the Office of Youth Services.

(3) The Department of Human Services shall maintain a state central registry on neglect and abuse cases containing (a) the name, address and age of each child, (b) the nature of the harm reported, (c) the name and address of the person responsible for the care of the child, and (d) the name and address of the substantiated perpetrator of the harm reported. "Substantiated perpetrator" shall be defined as an individual who has committed an act(s) of sexual abuse or physical abuse that would otherwise be deemed as a felony or any child neglect that would be deemed as a threat to life, as determined upon investigation by the Office of Family and Children's Services. "Substantiation" for the purposes of the Mississippi Department of Human Services Central Registry shall require a criminal conviction or an adjudication by a youth court judge or court of competent jurisdiction, ordering that the name of the perpetrator be listed on the central registry, pending due process. The Department of Human Services shall adopt such rules and administrative procedures, especially those procedures to afford due process to individuals who have been named as substantiated perpetrators before the release of their name from the central registry, as may be necessary to carry out this subsection. The central registry shall be confidential and shall not be open to public inspection. Any person who discloses or encourages the disclosure of any record involving children from the central registry without following the rules and administrative procedures of the department shall be subject to the penalty in Section 43-21-267. The Department of Human Services and its

employees are exempt from any civil liability as a result of any action taken pursuant to the compilation and/or release of information on the central registry under this section and any other applicable section of the code, unless determined that an employee has willfully and maliciously violated the rules and administrative procedures of the department, pertaining to the central registry or any section of this code. If an employee is determined to have willfully and maliciously performed such a violation, said employee shall not be exempt from civil liability in this regard.

(4) The Mississippi State Department of Health may release the findings of investigations into allegations of abuse within licensed day care centers made under the provisions of Section 43-21-353(8) to any parent of a child who is enrolled in the day care center at the time of the alleged abuse or at the time the request for information is made. The findings of any such investigation may also be released to parents who are considering placing children in the day care center. No information concerning those investigations may contain the names or identifying information of individual children.

The Department of Health shall not be held civilly liable for the release of information on any findings, recommendations or actions taken pursuant to investigations of abuse that have been conducted under Section 43-21-353(8).

## ATTORNEY GENERAL OPINIONS

Registry of neglected and abused children should include name of person who was responsible for child at time abuse occurred; depending on facts, this person may also be perpetrator. Hathorn, Sept. 17, 1992, A.G. Op. #92-0679.

There are two hurdles which must be overcome in order for an individual to be a “substantiated perpetrator” of abuse: first, the investigation by the Department of Human Services must have revealed the commission of act(s) of either sexual abuse or physical abuse, or child neglect causing a threat to life; and, second, there must be an adjudication or conviction for child

neglect, or for sexual abuse or physical abuse which would otherwise be deemed a felony. Brooks, July 26, 2002, A.G. Op. #02-0401.

Placement of any name on the central registry must be supported by a court order, and not simply a determination by DHS staff. Whether a hearing is required prior to an adjudication is a question for the judge to determine. Brittain, Aug. 29, 2003, A.G. Op. 03-0397.

While the youth court judge may order that the individual’s name be placed on the registry, that individual must still be provided notice and an opportunity to be

heard regarding the findings of abuse and/or neglect. Brittain, Aug. 29, 2003, A.G. Op. 03-0397.

## § 43-21-259. Confidentiality of other records involving children.

All other records involving children and the contents thereof shall be kept confidential and shall not be disclosed except as provided in section 43-21-261.

### JUDICIAL DECISIONS

#### 1. In general.

A youth court judge did not abuse his discretion in holding that youth court records of a juvenile's adjudication of delinquency arising from a shoplifting incident could be released for the purposes of the juvenile's civil suit for slander, assault, and battery against a store employee arising from the same incident. *Daniels ex rel. Glass v. Wal-Mart Stores, Inc.*, 634 So. 2d 88 (Miss. 1993).

Youth court records of a juvenile's adjudication of delinquency arising from a shoplifting incident were admissible into evidence in the juvenile's slander suit

against a store employee arising from the same incident, since the truth is a total defense to a slander suit; the juvenile's action of initiating the slander suit "lifted the veil of confidentiality" of the youth court proceedings, thereby exposing him to the "harsh realities of litigation." *Daniels ex rel. Glass v. Wal-Mart Stores, Inc.*, 634 So. 2d 88 (Miss. 1993).

The right of "confidentiality" on behalf of the child in a youth court proceeding is a "qualified" and not an "absolute" privilege. *Daniels ex rel. Glass v. Wal-Mart Stores, Inc.*, 634 So. 2d 88 (Miss. 1993).

**§ 43-21-261. Disclosure of records.**

(1) Except as otherwise provided in this section, records involving children shall not be disclosed, other than to necessary staff of the youth court, except pursuant to an order of the youth court specifying the person or persons to whom the records may be disclosed, the extent of the records which may be disclosed and the purpose of the disclosure. Such court orders for disclosure shall be limited to those instances in which the youth court concludes, in its discretion, that disclosure is required for the best interests of the child, the public safety or the functioning of the youth court and then only to the following persons:

(a) The judge of another youth court or member of another youth court staff;

(b) The court of the parties in a child custody or adoption cause in another court;

(c) A judge of any other court or members of another court staff;

(d) Representatives of a public or private agency providing supervision or having custody of the child under order of the youth court;

(f) The Mississippi Department of Employment Security, or its duly authorized representatives, for the purpose of a child's enrollment into the Job Corps Training Program as authorized by Title IV of the Comprehensive Employment Training Act of 1973 (29 USCS Section 923 et seq.). However, no records, reports, investigations or information derived therefrom pertaining to child abuse or neglect shall be disclosed; and

(g) To any person pursuant to a finding by a judge of the youth court of compelling circumstances affecting the health or safety of a child and that such disclosure is in the best interests of the child.

Law enforcement agencies may disclose information to the public concerning the taking of a child into custody for the commission of a delinquent act without the necessity of an order from the youth court. The information released shall not identify the child or his address unless the information involves a child convicted as an adult.

(2) Any records involving children which are disclosed under an order of the youth court or pursuant to the terms of this section and the contents thereof shall be kept confidential by the person or agency to whom the record is disclosed unless otherwise provided in the order. Any further disclosure of any records involving children shall be made only under an order of the youth court as provided in this section.

(3) Upon request, the parent, guardian or custodian of the child who is the subject of a youth court cause or any attorney for such parent, guardian or custodian, shall have the right to inspect any record, report or investigation

which is to be considered by the youth court at a hearing, except that the identity of the reporter shall not be released, nor the name of any other person where the person or agency making the information available finds that disclosure of the information would be likely to endanger the life or safety of such person.

(4) Upon request, the child who is the subject of a youth court cause shall have the right to have his counsel inspect and copy any record, report or investigation which is filed with the youth court or which is to be considered by the youth court at a hearing.

(5)(a) The youth court prosecutor or prosecutors, the county attorney, the district attorney, the youth court defender or defenders, or any attorney representing a child shall have the right to inspect and copy any law enforcement record involving children.

(b) The Department of Human Services shall disclose to a county prosecuting attorney or district attorney any and all records resulting from an investigation into suspected child abuse or neglect when the case has been referred by the Department of Human Services to the county prosecuting attorney or district attorney for criminal prosecution.

(c) Agency records made confidential under the provisions of this section may be disclosed to a court of competent jurisdiction.

(d) Records involving children shall be disclosed to the Division of Victim Compensation of the Office of the Attorney General upon the division's request without order of the youth court for purposes of determination of eligibility for victim compensation benefits.

(6) Information concerning an investigation into a report of child abuse or child neglect may be disclosed by the Department of Human Services without order of the youth court to any attorney, physician, dentist, intern, resident, nurse, psychologist, social worker, family protection worker, family protection specialist, child caregiver, minister, law enforcement officer, public or private school employee making that report pursuant to Section 43-21-353(1) if the reporter has a continuing professional relationship with the child and a need for such information in order to protect or treat the child.

(7) Information concerning an investigation into a report of child abuse or child neglect may be disclosed without further order of the youth court to any interagency child abuse task force established in any county or municipality by order of the youth court of that county or municipality.

(8) Names and addresses of juveniles twice adjudicated as delinquent for an act which would be a felony if committed by an adult or for the unlawful possession of a firearm shall not be held confidential and shall be made available to the public.

(9) Names and addresses of juveniles adjudicated as delinquent for murder, manslaughter, burglary, arson, armed robbery, aggravated assault, any sex offense as defined in Section 45-33-23, for any violation of Section 41-29-139(a) (1) or for any violation of Section 63-11-30, shall not be held confidential and shall be made available to the public.

(10) The judges of the circuit and county courts, and presentence investigators for the circuit courts, as provided in Section 47-7-9, shall have the

right to inspect any youth court records of a person convicted of a crime for sentencing purposes only.

(11) The victim of an offense committed by a child who is the subject of a youth court cause shall have the right to be informed of the child's disposition by the youth court.

(12) A classification hearing officer of the State Department of Corrections, as provided in Section 47-5-103, shall have the right to inspect any youth court records, excluding abuse and neglect records, of any offender in the custody of the department who as a child or minor was a juvenile offender or was the subject of a youth court cause of action, and the State Parole Board, as provided in Section 47-7-17, shall have the right to inspect such records when the offender becomes eligible for parole.

(13) The youth court shall notify the Department of Public Safety of the name, and any other identifying information such department may require, of any child who is adjudicated delinquent as a result of a violation of the Uniform Controlled Substances Law.

(14) The Administrative Office of Courts shall have the right to inspect any youth court records in order that the number of youthful offenders, abused, neglected, truant and dependent children, as well as children in need of special care and children in need of supervision, may be tracked with specificity through the youth court and adult justice system, and to utilize tracking forms for such purpose.

(15) Upon a request by a youth court, the Administrative Office of Courts shall disclose all information at its disposal concerning any previous youth court intakes alleging that a child was a delinquent child, child in need of supervision, child in need of special care, truant child, abused child or neglected child, as well as any previous youth court adjudications for the same and all dispositional information concerning a child who at the time of such request comes under the jurisdiction of the youth court making such request.

(16) In every case where an abuse or neglect allegation has been made, the confidentiality provisions of this section shall not apply to prohibit access to a child's records by any state regulatory agency, any state or local prosecutorial agency or law enforcement agency; however, no identifying information concerning the child in question may be released to the public by such agency except as otherwise provided herein.

(17) In every case where there is any indication or suggestion of either abuse or neglect and a child's physical condition is medically labeled as medically "serious" or "critical" or a child dies, the confidentiality provisions of this section shall not apply. In cases of child deaths, the following information may be released by the Mississippi Department of Human Services: (a) child's name; (b) address or location; (c) verification from the Department of Human Services of case status (no case or involvement, case exists, open or active case, case closed); (d) if a case exists, the type of report or case (physical abuse, neglect, etc.), date of intake(s) and investigation(s), and case disposition (substantiated or unsubstantiated). Notwithstanding the aforesaid, the confidentiality provisions of this section shall continue if there is a pending or

planned investigation by any local, state or federal governmental agency or institution.

(18) Any member of a foster care review board designated by the Department of Human Services shall have the right to inspect youth court records relating to the abuse, neglect or child in need of supervision cases assigned to such member for review.

(19) Information concerning an investigation into a report of child abuse or child neglect may be disclosed without further order of the youth court in any administrative or due process hearing held, pursuant to Section 43-21-257, by the Department of Human Services for individuals whose names will be placed on the central registry as substantiated perpetrators.

## JUDICIAL DECISIONS

1. In general.

2. Impeachment purposes.

### 1. In general.

Chancellor erred by refusing to allow the mother and father to review their daughter’s records from the youth court and to conduct an interview with the social worker in camera because the chancellor denied the appellate court an opportunity to review the evidence he relied upon in making his decision; also Miss. Code Ann. § 43-21-261(3) granted parents the right to inspect the records which were to be considered by the youth court without the prerequisite of an order from the youth court. *Heffner v. Rensink*, 938 So. 2d 917 (Miss. Ct. App. 2006).

A youth court judge did not abuse his discretion in holding that youth court records of a juvenile’s adjudication of delinquency arising from a shoplifting incident could be released for the purposes of

the juvenile’s civil suit for slander, assault, and battery against a store employee arising from the same incident. *Daniels ex rel. Glass v. Wal-Mart Stores, Inc.*, 634 So. 2d 88 (Miss. 1993).

Youth court records of a juvenile’s adjudication of delinquency arising from a shoplifting incident were admissible into evidence in the juvenile’s slander suit against a store employee arising from the same incident, since the truth is a total defense to a slander suit; the juvenile’s action of initiating the slander suit “lifted the veil of confidentiality” of the youth court proceedings, thereby exposing him to the “harsh realities of litigation.” *Daniels ex rel. Glass v. Wal-Mart Stores, Inc.*, 634 So. 2d 88 (Miss. 1993).

The right of “confidentiality” on behalf of the child in a youth court proceeding is a “qualified” and not an “absolute” privilege. *Daniels ex rel. Glass v. Wal-Mart Stores, Inc.*, 634 So. 2d 88 (Miss. 1993).

Youth Court Act does not require prior approval of youth court before records may be used to impeach testimony of witness in criminal proceeding; youth court confidentiality is for protection of youth, and no rational reading of statutory scheme would give adult shield when object of proceedings is truth of charges against him, not youth. *Yarborough v. State*, 514 So. 2d 1215 (Miss. 1987).

## 2. Impeachment purposes.

Witness's juvenile court record was offered for general impeachment purposes,

which was not permitted, and the record was not offered to show bias or interest in testifying and thus the trial court properly refused to allow the witness to be cross-examined thereby; the witness's prior instances of violence were inadmissible under *Miss. R. Evid. 608(b)* and the evidence was also inadmissible under *Miss. R. Evid. 404(a)*, as it was offered to show that he was a violent person to create an inference that he acted in conformity with his propensity for violence. *Williams v. State*, 994 So. 2d 808 (Miss. Ct. App. 2008).

## ATTORNEY GENERAL OPINIONS

Youth court judge may authorize release of information to schools concerning juvenile records of any student when judge finds that such disclosure is required for public safety and finds that health or safety of that student or other students in school may be affected if information is not made available to school officials. *Bennett* Nov. 3, 1993, A.G. Op. #93-0779.

Restitution ordered to be made by the parents of the juvenile and by a juvenile who is adjudicated for an act which comes under Section 43-21-261(8) or (9) could be enrolled as a civil judgment. Any restitution ordered, since the youth court judge is empowered to order restitution from both the juvenile and the parents, guardians or caretakers, could be joint and several. *Floyd*, April 21, 1995, A.G. Op. #95-0219.

If a juvenile is adjudicated delinquent for one of the crimes listed in Section 43-21-261(9), the name and address of the juvenile should be made available to the public. *Hudson*, May 8, 1995, A.G. Op. #95-0185.

For acts which would be a felony if committed by an adult or for possession of a firearm, Section 43-21-261 requires two separate adjudications. *Hudson*, May 8, 1995, A.G. Op. #95-0185.

If two petitions are filed at the same time and two adjudications made, the name and address of the juvenile should be made available to the public. If only one adjudication is made on the first petition alleging delinquency, even where more than one offense is charged in that peti-

tion, the name and address should not be made available to the public, except for adjudication for offenses specified in Section 43-21-261(g)(9). *Hudson*, May 8, 1995, A.G. Op. #95-0185.

The justice court record of a juvenile who is arrested and charged with DUI is a public record until and unless a court orders the charge nonadjudicated. *Little*, Oct. 6, 2000, A.G. Op. #2000-0592.

The Department of Human Services has authority to share certain records regarding allegations of abuse and neglect, including central registry contents, with the Department of Health, and this disclosure may be made without the necessity of a Youth Court Order permitting the release of that information. *Thompson, Jr.*, Feb. 13, 2002, A.G. Op. #01-0771.

Release by law enforcement of the name and identifying information of a child reported missing or abducted would not violate the provisions of this section. *Riley*, Sept. 27, 2002, A.G. Op. #02-0561.

A general docket call each morning for all cases set for a hearing that day, with all parties and their attorneys present in the courtroom at the same time, would compromise the confidentiality provisions in Section 43-21-251 and this section and is therefore not legally permissible. *Signalas*, Dec. 20, 2002, A.G. Op. #02-0739.

The provisions of this section, which grant to a parent, guardian, custodian (or their attorney) or the attorney representing a child in a youth court action the right to inspect the records, allow disclosure of the records without the prerequi-

site of an order from the youth court.

### § 43-21-265. Destruction of records.

The youth court, in its discretion, may order the destruction of any records involving children except medical or mental health examinations as defined in Section 43-21-253. This order shall be directed to all persons maintaining the records, shall order their physical destruction by an appropriate means specified by the youth court and shall require the persons to file with the youth court a written report of compliance with the order. ## JUDICIAL DECISIONS

### 1. In general.

Records of criminal offenses are kept pursuant to § 45-27-1. The legislature of Mississippi has specifically authorized expungement of criminal offender records in limited cases-youth court cases, §§ 43-21-159 and 43-21-265; first offense misdemeanor convictions occurring prior to age 23, § 99-19-71; drug possession convictions occurring prior to age 26, § 41-29-150; purchase of alcoholic beverages by one under age 21, § 67-3-70; and municipal court convictions, § 21-23-7. Expungement of felony convictions which arose pursuant to guilty pleas are governed by § 99-15-57 which provides that any person who pled guilty within 6 months prior to the effective date of § 99-15-26 may apply to the court for an order expunging his or her criminal records. Under §§ 99-

15-57 and 99-15-26 a circuit court has the power to expunge a felony conviction pursuant to a guilty plea under certain conditions. Accordingly, a petitioner who pled guilty to the felony of burglary might have been eligible for relief pursuant to §§ 99-15-57 and 99-15-26 if his guilty plea had occurred on or after October 1, 1982, that being the earliest date to satisfy the "within 6 months prior to" March 31, 1983, requirement of § 99-15-57. However, the petitioner pleaded guilty to burglary on October 9, 1979, 3 years prior to October 1, 1982, and admitted that he did not fall within the criterion in any of the statutes authorizing expungement, and thus the trial court did not err in denying his petition for expungement. *Caldwell v. State*, 564 So. 2d 1371 (Miss. 1990).

### § 43-21-267. Penalty for violation.

(1) Any person who shall disclose or encourage the disclosure of any records involving children or the contents thereof without the proper authorization under this chapter shall be guilty of a misdemeanor and punished, upon conviction, by a fine of not more than one thousand dollars (\$1,000.00) or by imprisonment in the county jail of not more than one (1) year or by both such fine and imprisonment.

(2) Nothing herein shall prevent the youth court from finding in civil contempt, as provided in Section 43-21-153, any person who shall disclose any records involving children or the contents thereof without the proper authorization under this chapter.

## § 43-21-301. Custody orders.

(1) No court other than the youth court shall issue an arrest warrant or custody order for a child in a matter in which the youth court has exclusive original jurisdiction but shall refer the matter to the youth court.

(2) Except as otherwise provided, no child in a matter in which the youth court has exclusive original jurisdiction shall be taken into custody by a law enforcement officer, the Department of Human Services, or any other person unless the judge or his designee has issued a custody order to take the child into custody.

(3) The judge or his designee may issue an order to a law enforcement officer, the Department of Human Services, or any suitable person to take a child into custody for a period not longer than forty-eight (48) hours, excluding Saturdays, Sundays, and statutory state holidays if it appears that there is probable cause to believe that:

(a) The child is within the jurisdiction of the court; and

(b) Custody is necessary; custody shall be deemed necessary:

(i) When a child is endangered or any person would be endangered by the child; or

(ii) To insure the child's attendance in court at such time as required;  
or

(iii) When a parent, guardian or custodian is not available to provide for the care and supervision of the child; and

(c) There is no reasonable alternative to custody.

(4) The judge or his designee may order, orally or in writing, the immediate release of any child in the custody of any person or agency. Custody orders as provided by this chapter and authorizations of temporary custody may be written or oral, but, if oral, reduced to writing as soon as practicable. The written order shall:

(a) Specify the name and address of the child, or, if unknown, designate him or her by any name or description by which he or she can be identified with reasonable certainty;

(b) Specify the age of the child, or, if unknown, that he or she is believed to be of an age subject to the jurisdiction of the youth court;

(c) Except in cases where the child is alleged to be a delinquent child or a child in need of supervision, state that the effect of the continuation of the child's residing within his or her own home would be contrary to the welfare of the child, that the placement of the child in foster care is in the best interests of the child, and unless the reasonable efforts requirement is bypassed under Section 43-21-603(7)(c), also state that (i) reasonable efforts have been made to maintain the child within his or her own home, but that the circumstances warrant his removal and there is no reasonable alternative to custody; or (ii) the circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his own home, and that there is no reasonable alternative to custody. If the court makes a finding in accordance with (ii) of this paragraph, the court shall order that reasonable efforts be made towards the reunification of the child with his or her family.

(d) State that the child shall be brought immediately before the youth court or be taken to a place designated by the order to be held pending review of the order;

(e) State the date issued and the youth court by which the order is issued; and

(f) Be signed by the judge or his designee with the title of his office.

(5) The taking of a child into custody shall not be considered an arrest except for evidentiary purposes.

(6)(a) No child who has been accused or adjudicated of any offense that would not be a crime if committed by an adult shall be placed in an adult jail or lockup. An accused status offender shall not be held in secure detention longer than twenty-four (24) hours prior to and twenty-four (24) hours after an initial court appearance, excluding Saturdays, Sundays and statutory state holidays, except under the following circumstances: a status offender may be held in secure detention for violating a valid court order pursuant to the criteria as established by the federal Juvenile Justice and Delinquency Prevention Act of 2002, and any subsequent amendments thereto, and out-of-state runaways may be detained pending return to their home state.

(b) No accused or adjudicated juvenile offender, except for an accused or adjudicated juvenile offender in cases where jurisdiction is waived to the adult criminal court, shall be detained or placed into custody of any adult jail or lockup for a period in excess of six (6) hours.

(c) If any county violates the provisions of paragraph (a) or (b) of this subsection, the state agency authorized to allocate federal funds received pursuant to the Juvenile Justice and Delinquency Prevention Act of 1974, 88 Stat. 2750 (codified in scattered Sections of 5, 18, 42 USCS), shall withhold the county's share of such funds.

(d) Any county that does not have a facility in which to detain its juvenile offenders in compliance with the provisions of paragraphs (a) and (b) of this subsection may enter into a contractual agreement with any county or municipality that does have such a facility, or with the State of Mississippi, or with any private entity that maintains a juvenile correctional facility, or with the State of Mississippi, to detain or place into custody the juvenile offenders of the county not having such a facility.

(e) Notwithstanding the provisions of paragraphs (a), (b), (c) and (d) of this subsection, all counties shall be allowed a one-year grace period from March 27, 1993, to comply with the provisions of this subsection.

## JUDICIAL DECISIONS

1. In general.
2. Judge failed to conform order.

### 1. In general.

Custody award in favor of a father was vacated on appeal because a youth court had given the maternal grandparents temporary custody earlier, as under Miss. Code Ann. § 43-21-151 and Miss. Code Ann. § 43-21-301(1), the youth court had exclusive jurisdiction to determine custody; however, the issues of child support and paternity were affirmed since the grandparents were not necessary parties to such. *Thomas v. Byars*, 947 So. 2d 375 (Miss. Ct. App. 2007).

Police officer did not violate state youth court law by allegedly taking 14-year-old

into custody for driving his parents' car without license, without order from youth court, as youth court did not have exclusive original jurisdiction over traffic offenses. *White v. Walker*, 950 F.2d 972 (5th Cir. 1991).

### 2. Judge failed to conform order.

Judge's actions, involving the issuance of an ex parte temporary change of child custody order, not only constituted willful misconduct in violation of the state constitution and various canons of the code of judicial conduct, but also violated state laws and rules; the order did not conform to Miss. Code Ann. § 43-21-301(4), a need for emergency medical care was insufficient reason to award temporary custody

in light of Miss. Code Ann. § 41-41-3(1)(b), and the order was not mailed to all parties as required by Miss. Code Ann.

### § 43-21-303. Taking into custody without a custody order.

(1) No child in a matter in which the youth court has original exclusive jurisdiction shall be taken in custody by any person without a custody order except that:

(a) a law enforcement officer may take a child in custody if:

(i) grounds exist for the arrest of an adult in identical circumstances; and

(ii) such law enforcement officer has probable cause to believe that custody is necessary as defined in Section 43-21-301(3)(b); and

(iii) such law enforcement officer can find no reasonable alternative to custody; or

(b) a law enforcement officer or an agent of the department of public welfare may take a child into custody if:

(i) there is probable cause to believe that the child is in immediate danger of personal harm; and

(ii) such law enforcement officer or agent has probable cause to believe that immediate custody is necessary as defined in Section 43-21-301(3)(b); and

(iii) such law enforcement officer or agent can find no reasonable alternative to custody.

(c) Any other person may take a child in custody if grounds exist for the arrest of an adult in identical circumstances. Such other person shall immediately surrender custody of the child to the proper law enforcement officer who shall thereupon continue custody only as provided in subsection (1)(a) of this section.

(2) When it is necessary to take a child into custody, the least restrictive custody should be selected.

(3) Unless the child is immediately released, the person taking the child into custody shall immediately notify the judge or his designee. A person

taking a child into custody shall also make continuing reasonable efforts to notify the child's parent, guardian or custodian and invite the parent, guardian or custodian to be present during any questioning.

(4) A child taken into custody shall not be held in custody for a period longer than reasonably necessary, but not to exceed twenty-four (24) hours, and shall be released to his parent, guardian or custodian unless the judge or his designee authorizes temporary custody.

#### 1. In general.

Juvenile's argument on appeal that the deputy did not have probable cause to arrest the juvenile for creating a disturbance at an alternative school was without merit because the deputy was making the arrest pursuant to a custody order that had been issued to the school by a youth court after the school had called and reported the disturbance. In the Interest of L.C.A., 938 So. 2d 300 (Miss. Ct. App. 2006).

Defendant's convictions for burglary and armed robbery were both proper where he was 18-years-old at the time he gave his statement, Miss. Code Ann. § 43-21-303(3), and where, even had he only been 17-years-old, he could have been questioned without his mother's presence pursuant to Miss. Code Ann. § 43-21-151(3) because the youth court did not have original jurisdiction concerning any act committed by a child that carried the possible criminal penalty of life imprison-

ment. *Brown v. State*, 839 So. 2d 597 (Miss. Ct. App. 2003).

Youth court does not have exclusive original jurisdiction over traffic offenses. *White v. Walker*, 950 F.2d 972 (5th Cir. 1991).

#### 2. Particular applications.

Defendant's age, 17 years, did not require that he have parent present during interrogation in view of fact that he was charged with murder and had been certified to circuit court on another crime. *Blue v. State*, 674 So. 2d 1184 (Miss. 1996), cert. denied, 519 U.S. 1030, 117 S. Ct. 588, 136 L. Ed. 2d 517 (1996).

Because defendant was charged with murder, circuit court was court of "original jurisdiction" and provisions for having a parent present during interrogation and actions in the youth court were thus inapplicable. *Blue v. State*, 674 So. 2d 1184 (Miss. 1996), cert. denied, 519 U.S. 1030, 117 S. Ct. 588, 136 L. Ed. 2d 517 (1996).

Police officer did not violate state youth court law by allegedly taking 14-year-old into custody for driving his parents' car without license, without order from youth court, as youth court did not have exclusive original jurisdiction over traffic offenses. *White v. Walker*, 950 F.2d 972 (5th Cir. 1991).

A police department's refusal of a mother's request to be present during the interrogation of her 17-year-old son was a violation of § 43-21-303(3) which necessi-

tated reversal of the son's conviction. *M.A.C. v. Harrison County Family Court*, 566 So. 2d 472 (Miss. 1990).

### 3. Interrogation of child.

Subsection (3) of this section does not apply when a minor is charged with an offense over which the circuit court has jurisdiction. *Hill v. State*, 749 So. 2d 1143 (Miss. Ct. App. 1999).

### 4.-5. [Reserved for future use].

## II. Under Former Law.

### 6. In general.

The failure of police officers to obtain

prior authorization from the county youth court before incarcerating a juvenile as required by this section [Code 1972, § 43-21-13] did not reach constitutional proportions, and was therefore insufficient to constitute a violation of a right cognizable under 42 USCS § 1983. *Hamilton v. Chaffin*, 506 F.2d 904 (5th Cir. 1975).

This section is not of general applicability, but is limited to children whose cases are in youth court. *Nelson v. Tullos*, 323 So. 2d 539 (Miss. 1975).

## § 43-21-305. Noncustodial interrogation.

A law enforcement officer may stop any child abroad in a public place whom the officer has probable cause to believe is within the jurisdiction of the youth court and may question the child as to his name, address and explanation of his actions.

## § 43-21-307. Temporary custody.

The judge or his designee may authorize the temporary custody of a child taken into custody for a period of not longer than forty-eight (48) hours, excluding Saturdays, Sundays, and statutory state holidays if the judge or his designee finds there are grounds to issue a custody order as defined in Section 43-21-301 and such custody order complies with the detention requirements provided in Section 43-21-301(6).

**§ 43-21-309. Detention and shelter hearings.**

(1) A child who has been ordered or taken into custody may be held in custody for longer than temporary custody if:

(a) A written complaint or petition has been filed; and

(b) A court order has been entered for continued custody following a review of that custody at a detention hearing in delinquency and child in need of supervision cases and at a shelter hearing in abuse and neglect cases.

(2) Reasonable oral or written notice of the time, place and purpose of the hearing shall be given to the child; to his or her parent, guardian or custodian; to his or her guardian ad litem, if any; and to his or her counsel. If the parent, guardian or custodian cannot be found, the youth court may hold the hearing in the absence of the child's parent, guardian or custodian.

(3) At the detention or shelter hearing, all parties present shall have the right to present evidence and cross-examine witnesses produced by others. The youth court may, in its discretion, limit the extent but not the right or presentation of evidence and cross-examination of witnesses. The youth court may receive any testimony and other evidence relevant to the necessity for the continued custody of the child without regard to the formal rules of evidence, including hearsay and opinion evidence. All testimony shall be made under oath and may be in narrative form.

(4)(a) At the conclusion of the detention or shelter hearing, the youth court shall order that the child be released to the custody of the child's parent, guardian or custodian unless the youth court finds and the detention or shelter hearing order recites that:

(i) There is probable cause that the youth court has jurisdiction; and

(ii) Custody is necessary as defined in Section 43-21-301(3)(b).

(b) In the case of a shelter hearing, the shelter hearing order shall further recite that the effect of the continuation of the child's residing within his or her own home would be contrary to the welfare of the child, that the placement of the child in foster care is in the best interest of the child, and, unless the reasonable efforts requirement is bypassed under Section 43-21-603(7)(c), the order also must state:

(i) Reasonable efforts have been made to maintain the child within his own home, but that the circumstances warrant his removal and there is no reasonable alternative to custody; or

(ii) The circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his own home, and there is no reasonable alternative to custody.

(c) In the event that the court makes a finding in accordance with subparagraph (ii), the court shall order that reasonable efforts be made towards the reunification of the child with his or her family.

(5) The child with advice of counsel may waive in writing the time of the detention hearing or the detention hearing itself. The child's guardian ad litem, and parent, guardian or custodian, and child may waive in writing the time of the shelter hearing or the shelter hearing itself. If the child has not reached his tenth birthday, the child's consent shall not be required.

(6) Any order placing a child into custody shall comply with the requirements provided in Section 43-21-301.

### § 43-21-311. Rights in custody.

(1) When a child is taken into custody, he shall immediately be informed of:

- (a) The reason for his custody;
- (b) The time within which review of the custody shall be held;
- (c) His rights during custody including his right to counsel;
- (d) All rules and regulations of the place at which he is held;
- (e) The time and place of the detention hearing when the time and place is set; and
- (f) The conditions of his custody which shall be in compliance with the detention requirements provided in Section 43-21-301(6).

These rights shall be posted where the child may read them, and such rights must be read to the child when he or she is taken into custody.

(2) When a child is taken into custody, the child may immediately telephone his parent, guardian or custodian; his counsel; and personnel of the youth court. Thereafter, he shall be allowed to telephone his counsel or any personnel of the youth court at reasonable intervals. Unless the judge or his designee finds that it is against the best interest of the child, he may telephone his parent, guardian or custodian at reasonable intervals.

(3) When a child is taken into custody, the child may be visited by his counsel and authorized personnel of the youth court at any time. Unless the judge or his designee finds it to be against the best interest of the child, he may be visited by his parent, guardian or custodian during visiting hours which shall be regularly scheduled at least three (3) days per week. The youth court may establish rules permitting visits by other persons.

(4) Except for the child's counsel, guardian ad litem and authorized personnel of the youth court, no person shall interview or interrogate a child held in a detention or shelter facility unless approval therefor has first been obtained from the judge or his designee. When a child in a detention or shelter facility is represented by counsel or has a guardian ad litem, no person may interview or interrogate the child concerning the violation of a state or federal law, or municipal or county ordinance by the child unless in the presence of his counsel or guardian ad litem or with their consent.

## JUDICIAL DECISIONS

### 1. In general.

Interrogation of a juvenile in the presence only of the juvenile's parents, notwithstanding the interrogating officer's knowledge that the juvenile had counsel, did not violate § 43-21-311(4) where neither the juvenile nor his mother informed the officer of the fact that the juvenile had been represented by counsel earlier in the day or asked that counsel be present. However, where no guardian ad litem has been appointed, the better practice is to secure either the presence or the consent of the juvenile's counsel before interrogation. *Smith v. State*, 534 So. 2d 194 (Miss. 1988).

Under totality of circumstances, confession by juvenile is freely and voluntarily given, and is free of taint of prior improper confession, where juvenile has been warned of rights under *Miranda*, juvenile has verbally waived rights and agreed to talk, juvenile's mother has been called to

police station before interrogation begins, has been advised of nature of charges, is given opportunity to consult with juvenile prior to questioning, and thereafter gives permission to interrogation, and juvenile then signs acknowledgment of right and waiver. *In re W.R.A.*, 481 So. 2d 280 (Miss. 1985).

Police interrogation of child in absence of counsel representing child on unrelated charges does not violate § 43-21-311 where police conducting interrogation are unaware of representation. *In re W.R.A.*, 481 So. 2d 280 (Miss. 1985).

Jurisdiction for prosecution of 15 year old for rape, offense potentially punishable by life sentence, is in circuit court, to exclusion of youth court, notwithstanding defendant's claim of interrogation in violation of Youth Court Act (§ 43-21-311). *Winters v. State*, 473 So. 2d 452 (Miss. 1985).

### § 43-21-313. Release from custody upon change of circumstances.

(1) A child held in custody under order of the youth court shall be released upon a finding that a change of circumstances makes continued custody unnecessary.

(2) A written request for the release of the child from custody, setting forth the changed circumstances, may be filed by the child; by the child's parent, guardian or custodian; by the child's counsel; or by the child's guardian ad litem, if any.

(3) Based upon the facts stated in the request, the judge may direct that a hearing be held at a date, time and place as fixed by the youth court. Reasonable notice of the hearing shall be given to the child; his parent, guardian or custodian; his counsel; and his guardian ad litem, if any, prior to

the hearing. At the hearing, upon receiving evidence, the youth court may grant or deny the request.

(4) A child held in custody in violation of Section 43-21-301(6) shall be immediately transferred to a proper juvenile facility.

### § 43-21-315. Designation of facilities.

(1) The youth court shall, by general order or rule of court, designate the available detention or shelter facilities to which children shall be delivered when taken into custody. Copies of the order or rule shall be made available to the Department of Human Services and all law enforcement agencies within the territorial jurisdiction of the youth court.

(2) Except as otherwise provided in this chapter, unless jurisdiction is transferred, no child shall be placed in any jail or place of detention of adults by any person or court unless the child shall be physically segregated from other persons not subject to the jurisdiction of the youth court and the physical arrangement of such jail or place of detention of adults prevents such child from having substantial contact with and substantial view of such other persons; but in any event, the child shall not be confined anywhere in the same cell with persons not subject to the jurisdiction of the youth court. Any order placing a child into custody shall comply with the detention requirements provided in Section 43-21-301(6). This subsection shall not be construed to apply to commitments to the training school under Section 43-21-605(1)(g)(iii).

(3) Any child who is charged with a hunting or fishing violation, a traffic violation, or any other criminal offense for which the youth court shall have power on its own motion to remove jurisdiction from any criminal court, may be detained only in the same facilities designated by the youth court for children within the jurisdiction of the youth court.

(4) After a child is ordered into custody, the youth court may arrange for the custody of the child with any private institution or agency caring for children, may commit the child to the Department of Mental Health pursuant to Section 41-21-61 et seq., or may order the Department of Human Services or any other public agency to provide for the custody, care and maintenance of such child. Provided, however, that the care, custody and maintenance of such child shall be within the statutory authorization and the budgetary means of such institution or facility.

A medical history of all detainees shall be completed by the intake staff of the detention center immediately after arrival at the facility by using a medical history form which shall include, but not be limited to, the following:

(i) Any medical, dental and mental health treatments and medications the juvenile is taking;

Upon the written request of the youth court judge for the county in which the detention center is located, a local school district in the county in which the detention center is located, or a private provider agreed upon by the youth court judge and sponsoring school district, shall provide a certified teacher to provide educational services to detainees. The youth court judge shall designate said school district which shall be defined as the sponsoring school district. The local home school district shall be defined as the school district where the detainee last attended prior to detention.

The detainee's parent or guardian shall participate on the team unless excused by the youth court judge. Failure of any party to participate shall not delay implementation of this education program; and

(7) Programs and services shall be initiated for all juveniles once they have completed the admissions process.

**Joint Legislative Committee Note** — Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected an error in the last sentence of (6)(o) by substituting “as provided under this section” for “as provided under this act.” The Joint Committee ratified the correction at its July 13, 2009, meeting.

If sufficient funds are available to the task force for that purpose, members of the task force may receive a per diem in the amount provided in Section 25-3-69 for each day engaged in the business of the task force, and members of the task force other than the legislative members may receive reimbursement for travel expenses incurred while engaged in official business of the task force in accordance with Section 25-3-41.

“(4) Before December 1, 2002, the task force shall make a report of its work and recommendations, and it shall submit a copy of the report to the Legislature and the Governor.

“(5) The task force shall be assigned to the Division of Public Safety Planning of the Department of Public Safety for administrative purposes only, and the Division of Public Safety Planning shall designate staff to assist the task force. The task force may solicit grants, donations and other funds, and may accept and expend any funds that

are made available to the task force to carry out its purpose. However, no state general funds may be used to pay any expenses of the task force.

“(6) All agencies, departments, offices and institutions of the state, including the state universities and the community and junior colleges, shall cooperate with the task force with such assistance as requested by the task force.

“(7) After the presentation of its report to the Legislature and the Governor, the task force shall be dissolved.”

**Amendment Notes** — The 2007 amendment added (5); redesignated former (5) through (9) as present (6) through (10); in (6), added the last five sentences in (o), added (p) through (s) and redesignated former (p) through (t) as present (t) through (x), and inserted “the transition team will ... implementation of this education program” in (w).

The 2008 amendment, in (5), substituted “If a student’s detention will cause him or her to miss one or more days of school” for “Upon a student’s detention in a juvenile detention center,” and added the last sentence.

**Joint Legislative Committee Note** — Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected a typographical error in (6)(o). The word “this act” was changed to “this section”. The Joint Committee ratified the correction at its July 13, 2009, meeting.

(1) Any attorney, physician, dentist, intern, resident, nurse, psychologist, social worker, family protection worker, family protection specialist, child caregiver, minister, law enforcement officer, public or private school employee or any other person having reasonable cause to suspect that a child is a neglected child or an abused child, shall cause an oral report to be made immediately by telephone or otherwise and followed as soon thereafter as possible by a report in writing to the Department of Human Services, and immediately a referral shall be made by the Department of Human Services to the youth court intake unit, which unit shall promptly comply with Section 43-21-357. In the course of an investigation, at the initial time of contact with the individual(s) about whom a report has been made under this Youth Court Act or with the individual(s) responsible for the health or welfare of a child about whom a report has been made under this chapter, the Department of Human Services shall inform the individual of the specific complaints or allegations made against the individual. Consistent with subsection (4), the identity of the person who reported his or her suspicion shall not be disclosed. Where appropriate, the Department of Human Services shall additionally make a referral to the youth court prosecutor.

Upon receiving a report that a child has been sexually abused, or burned, tortured, mutilated or otherwise physically abused in such a manner as to cause serious bodily harm, or upon receiving any report of abuse that would be a felony under state or federal law, the Department of Human Services shall immediately notify the law enforcement agency in whose jurisdiction the abuse occurred and shall notify the appropriate prosecutor within forty-eight (48) hours, and the Department of Human Services shall have the duty to provide the law enforcement agency all the names and facts known at the time of the report; this duty shall be of a continuing nature. The law enforcement agency and the Department of Human Services shall investigate the reported abuse immediately and shall file a preliminary report with the appropriate prosecutor's office within twenty-four (24) hours and shall make additional reports as new or additional information or evidence becomes available. The Department of Human Services shall advise the clerk of the youth court and the youth court

prosecutor of all cases of abuse reported to the department within seventy-two (72) hours and shall update such report as information becomes available.

(2) Any report to the Department of Human Services shall contain the names and addresses of the child and his parents or other persons responsible for his care, if known, the child's age, the nature and extent of the child's injuries, including any evidence of previous injuries and any other information that might be helpful in establishing the cause of the injury and the identity of the perpetrator.

(3) The Department of Human Services shall maintain a statewide incoming wide-area telephone service or similar service for the purpose of receiving reports of suspected cases of child abuse; provided that any attorney, physician, dentist, intern, resident, nurse, psychologist, social worker, family protection worker, family protection specialist, child caregiver, minister, law enforcement officer or public or private school employee who is required to report under subsection (1) of this section shall report in the manner required in subsection (1).

(4) Reports of abuse and neglect made under this chapter and the identity of the reporter are confidential except when the court in which the investigation report is filed, in its discretion, determines the testimony of the person reporting to be material to a judicial proceeding or when the identity of the reporter is released to law enforcement agencies and the appropriate prosecutor pursuant to subsection (1). Reports made under this section to any law enforcement agency or prosecutorial officer are for the purpose of criminal investigation and prosecution only and no information from these reports may be released to the public except as provided by Section 43-21-261. Disclosure of any information by the prosecutor shall be according to the Mississippi Uniform Rules of Circuit and County Court Procedure. The identity of the reporting party shall not be disclosed to anyone other than law enforcement officers or prosecutors without an order from the appropriate youth court. Any person disclosing any reports made under this section in a manner not expressly provided for in this section or Section 43-21-261, shall be guilty of a misdemeanor and subject to the penalties prescribed by Section 43-21-267.

(5) All final dispositions of law enforcement investigations described in subsection (1) of this section shall be determined only by the appropriate prosecutor or court. All final dispositions of investigations by the Department of Human Services as described in subsection (1) of this section shall be determined only by the youth court. Reports made under subsection (1) of this section by the Department of Human Services to the law enforcement agency and to the district attorney's office shall include the following, if known to the department:

- (a) The name and address of the child;
- (b) The names and addresses of the parents;
- (c) The name and address of the suspected perpetrator;
- (d) The names and addresses of all witnesses, including the reporting party if a material witness to the abuse;
- (e) A brief statement of the facts indicating that the child has been abused and any other information from the agency files or known to the

family protection worker or family protection specialist making the investigation, including medical records or other records, which may assist law enforcement or the district attorney in investigating and/or prosecuting the case; and

(f) What, if any, action is being taken by the Department of Human Services.

(6) In any investigation of a report made under this chapter of the abuse or neglect of a child as defined in Section 43-21-105(m), the Department of Human Services may request the appropriate law enforcement officer with jurisdiction to accompany the department in its investigation, and in such cases the law enforcement officer shall comply with such request.

(7) Anyone who willfully violates any provision of this section shall be, upon being found guilty, punished by a fine not to exceed Five Thousand Dollars (\$5,000.00), or by imprisonment in jail not to exceed one (1) year, or both.

(8) If a report is made directly to the Department of Human Services that a child has been abused or neglected in an out-of-home setting, a referral shall be made immediately to the law enforcement agency in whose jurisdiction the abuse occurred and the department shall notify the district attorney's office within forty-eight (48) hours of such report. The Department of Human Services shall investigate the out-of-home setting report of abuse or neglect to determine whether the child who is the subject of the report, or other children in the same environment, comes within the jurisdiction of the youth court and shall report to the youth court the department's findings and recommendation as to whether the child who is the subject of the report or other children in the same environment require the protection of the youth court. The law enforcement agency shall investigate the reported abuse immediately and shall file a preliminary report with the district attorney's office within forty-eight (48) hours and shall make additional reports as new information or evidence becomes available. If the out-of-home setting is a licensed facility, an additional referral shall be made by the Department of Human Services to the licensing agency. The licensing agency shall investigate the report and shall provide the Department of Human Services, the law enforcement agency and the district attorney's office with their written findings from such investigation as well as that licensing agency's recommendations and actions taken.

## JUDICIAL DECISIONS

1. In general.
2. Miranda rights.

### 1. In general.

Judgment was properly entered for a school district in a case alleging negligence per se and other causes of action because an unsubstantiated rumor of an inappropriate relationship between a teacher and a student, without more, was insufficient to trigger a reporting duty under Miss. Code Ann. § 97-5-24; Miss. Code Ann. § 43-21-353 did not apply since the teacher was not a person responsible for the student's care or support, and there was no evidence that the type of conduct applicable to § 43-21-353 had occurred. *Brown v. Pontotoc County Sch. Dist. (In re Doe)*, 957 So. 2d 410 (Miss. Ct. App. 2007).

Defendant's conviction for being an accessory after the fact to her husband's crime of statutory rape by assisting her daughter in obtaining an abortion was appropriate because defendant's proposed jury instruction was legally in error; defendant, the victim's mother, was told by her daughter of the sexual abuse while defendant worked at a school, and thus she had a reporting requirement under Miss. Code Ann. § 43-21-353(1). *Sherron v. State*, 959 So. 2d 30 (Miss. Ct. App. 2006).

Miss. Code Ann. §§ 43-21-353, 43-21-357 did not give plaintiff children a constitutionally protected liberty interest in

having all reports of abuse or neglect reported to the youth court for judicial review of the children's situation and a court order requiring the Division of Family and Children Services to take necessary steps to protect them from further abuse and neglect because the statutes did not guarantee a specific substantive outcome. *Olivia Y. v. Barbour*, 351 F. Supp. 2d 543 (S.D. Miss. 2004).

Where two parents were unable to produce evidence to rebut the presumption that a principal acted in good faith by reporting suspected child abuse, a trial court properly granted a motion to dismiss for failure to state a claim since the principal had immunity in an action alleging defamation, slander, libel, intentional infliction of emotional distress, and false light. *Howe v. Andereck*, 882 So. 2d 240 (Miss. Ct. App. 2004), cert. denied, 882 So. 2d 772 (Miss. 2004).

For purposes of governmental immunity, the statutory framework for reporting cases of suspected child abuse includes elements of both ministerial and discretionary conduct; § 43-21-353 first requires a person to make a determination of whether "reasonable cause" exists as a foundation for an incident report, which involves a duty to investigate a ministerial duty and a decision as to whether reasonable cause exists a decision involving the exercise of personal judgment and discretion; if a determination is made that there is reasonable cause to report the

incident, the statute then mandates that an immediate oral report be issued to the Department of Human Services an action involving no discretion. *T.M. v. Noblitt*, 650 So. 2d 1340 (Miss. 1995).

Section 43-21-353 does not create a child abuse exception to the psychologist-patient privilege set forth in § 73-31-29. Section 43-21-353 pertains to situations where a child is presented to a physician for treatment. It does not pertain to a situation where the offender seeks treatment from a physician; if such were the case, persons with abnormal behaviors

would be forestalled from seeking treatment. *Everett v. State*, 572 So. 2d 838 (Miss. 1990).

## 2. Miranda rights.

Licensed social worker employed by state was not required to inform defendant of his Miranda rights before interview to investigate allegations of sexual battery; social worker was not law enforcement official, lacked authority to arrest defendant, and had duty to report any suspected abuse. *Hennington v. State*, 702 So. 2d 403 (Miss. 1997).

## ATTORNEY GENERAL OPINIONS

Employees of the Mississippi Department of Human Services are not prohibited from serving as the intake unit for abuse and neglect cases, but they must be appointed by the youth court judge and, as salaried public employees, must not receive additional compensation from the municipality or county. *Greenlee*, January 21, 1998, A.G. Op. #97-0806.

The update to the youth court prosecutor referred to in subsection (1) would consist of any information which becomes available to the department which would be pertinent to the youth court prosecu-

tor's decision of whether or not to file a petition in the youth court. *Taylor*, June 19, 1998, A.G. Op. #98-0318.

The responsibility of the Department of Human Services under subsection (8) requires only a determination of whether the reported abuse or neglect was done by a parent, guardian, or custodian or any person responsible for a child's care or support; once this question has been answered in the negative, any investigation of the abuse or neglect is solely the responsibility of law enforcement agencies. *Taylor*, June 19, 1998, A.G. Op. #98-0318.

## JUDICIAL DECISIONS

**1. Failure to rebut presumption.**

Where two parents were unable to produce evidence to rebut the presumption that a principal acted in good faith by reporting suspected child abuse, a trial

court properly granted a motion to dismiss for failure to state a claim since the principal had immunity in an action alleging defamation, slander, libel, intentional infliction of emotional distress, and false

light. *Howe v. Andereck*, 882 So. 2d 240 (Miss. Ct. App. 2004), cert. denied, 882 So. 2d 772 (Miss. 2004).

### § 43-21-357. Intake procedure.

(1) After receiving a report, the youth court intake unit shall promptly make a preliminary inquiry to determine whether the interest of the child, other children in the same environment or the public requires the youth court to take further action. As part of the preliminary inquiry, the youth court intake unit may request or the youth court may order the Department of Human Services, the Department of Youth Services, any successor agency or any other qualified public employee to make an investigation or report concerning the child and any other children in the same environment, and present the findings thereof to the youth court intake unit. If the youth court intake unit receives a neglect or abuse report, the youth court intake unit shall immediately forward the complaint to the Department of Human Services to promptly make an investigation or report concerning the child and any other children in the same environment and promptly present the findings thereof to the youth court intake unit. If it appears from the preliminary inquiry that the child or other children in the same environment are within the jurisdiction of the court, the youth court intake unit shall recommend to the youth court:

- (a) That the youth court take no action;
  - (b) That an informal adjustment be made;
  - (c) The Department of Human Services, Division of Family and Children Services, monitor the child, family and other children in the same environment;
  - (d) That the child is warned or counseled informally; or
  - (e) That a petition be filed.
- (2) The youth court shall then, without a hearing:
- (a) Order that no action be taken;
  - (b) Order that an informal adjustment be made;
  - (c) Order that the Department of Human Services, Division of Family and Children Services, monitor the child, family and other children in the same environment;
  - (d) Order that the child is warned or counseled informally; or
  - (e) Order that a petition be filed.

(3) If the preliminary inquiry discloses that a child needs emergency medical treatment, the judge may order the necessary treatment.

## JUDICIAL DECISIONS

### 1. In general.

Miss. Code Ann. §§ 43-21-353, 43-21-357 did not give plaintiff children a constitutionally protected liberty interest in having all reports of abuse or neglect reported to the youth court for judicial review of the children's situation and a

court order requiring the Division of Family and Children Services to take necessary steps to protect them from further abuse and neglect because the statutes did not guarantee a specific substantive outcome. *Olivia Y. v. Barbour*, 351 F. Supp. 2d 543 (S.D. Miss. 2004).

## ATTORNEY GENERAL OPINIONS

Under Section 43-21-357, in the investigation of suspected abuse or neglect by the Department of Human Services, the Department does not have to go through or obtain permission from the parent(s) or an attorney selected by the parent(s) before speaking to either the alleged victims or witnesses to the alleged incident(s) of abuse or neglect. *Harper*, February 9, 1996, A.G. (3) If the child and his parent, guardian or custodian agree to participate in an informal adjustment process, the defense of a failure to provide a speedy trial is waived and a petition may be filed if the informal adjustment process is unsuccessfully terminated under Section 43-21-407.

**§ 43-21-405. Informal adjustment process.**

(1) The informal adjustment process shall be initiated with an informal adjustment conference conducted by an informal adjustment counselor appointed by the judge or his designee.

(2) If the child and his parent, guardian or custodian appear at the informal adjustment conference without counsel, the informal adjustment counselor shall, at the commencement of the conference, inform them of their right to counsel, the child's right to appointment of counsel and the right of the child to remain silent. If either the child or his parent, guardian or custodian indicates a desire to be represented by counsel, the informal adjustment counselor shall adjourn the conference to afford an opportunity to secure counsel.

(3) At the beginning of the informal adjustment conference, the informal adjustment counselor shall inform the child and his parent, guardian or custodian:

(a) That information has been received concerning the child which appears to establish jurisdiction of the youth court;

(b) The purpose of the informal adjustment conference;

(c) That during the informal adjustment process no petition will be filed;

(d) That the informal adjustment process is voluntary with the child and his parent, guardian or custodian and that they may withdraw from the informal adjustment at any time; and

(e) The circumstances under which the informal adjustment process can be terminated under Section 43-21-407.

(4) The informal adjustment counselor shall then discuss with the child and his parent, guardian or custodian:

(a) Recommendations for actions or conduct in the interest of the child to correct the conditions of behavior or environment which may exist;

(b) Continuing conferences and contacts with the child and his parent, guardian or custodian by the informal adjustment counselor or other authorized persons; and

(c) The child's general behavior, his home and school environment and other factors bearing upon the proposed informal adjustment.

(5) After the parties have agreed upon the appropriate terms and conditions of informal adjustment, the informal adjustment counselor and the child and his parent, guardian or custodian shall sign a written informal adjustment agreement setting forth the terms and conditions of the informal adjustment. The informal adjustment agreement may be modified at any time upon the consent of all parties to the informal adjustment conference.

(6) The informal adjustment process shall not continue beyond a period of six (6) months from its commencement unless extended by the youth court for an additional period not to exceed six (6) months by court authorization prior to the expiration of the original six-month period. In no event shall the custody or supervision of a child which has been placed with the Department of Public Welfare be continued or extended except upon a written finding by the youth court judge or referee that reasonable efforts have been made to maintain the child within his own home, but that the circumstances warrant his removal and there is no reasonable alternative to custody, and that reasonable efforts will continue to be made towards reunification of the family.

### § 43-21-407. Termination of informal adjustment.

(1) If it appears to the informal adjustment counselor that the child and his parent, guardian or custodian:

(a) have complied with the terms and conditions of the informal adjustment agreement; and

(b) have received the maximum benefit from the informal adjustment process, the informal adjustment counselor shall terminate the informal adjustment process and dismiss the child without further proceedings. The informal adjustment counselor shall notify the child and his parent, guardian or custodian in writing of the satisfactory completion of the informal adjustment and report such action to the youth court.

(2) If it appears to the informal adjustment counselor that further efforts at informal adjustment would not be in the best interests of the child or the community, or that the child or his parent, guardian or custodian:

(a) denies the jurisdiction of the youth court;

(b) declines to participate in the informal adjustment process;

(c) expresses a desire that the facts be determined by the youth court;

(d) fails without reasonable excuse to attend scheduled meetings;

(e) appears unable or unwilling to benefit from the informal adjustment process, the informal adjustment counselor shall terminate the informal adjustment process. If the informal adjustment process is so terminated, the

intake unit shall reinitiate the intake procedure under Section 43-21-357. Even if the informal adjustment process has been so terminated, the intake unit shall not be precluded from reinitiating the informal adjustment process.

### § 43-21-451. Commencement of formal proceedings.

All proceedings seeking an adjudication that a child is a delinquent child, a child in need of supervision, a neglected child or an abused child shall be initiated by the filing of a petition. Upon authorization of the youth court, the petition shall be drafted and filed by the youth court prosecutor unless the youth court has designated some other person to draft and file the petition. The petition shall be filed within five (5) days from the date of a detention hearing or shelter hearing continuing custody. Unless another period of time is authorized by the youth court or its designee, in noncustody cases the petition shall be filed within ten (10) days of the court order authorizing the filing of a petition. The court may, in its discretion, dismiss the petition for failure to comply with the time schedule contained herein.

## 1. In general.

While the 90-day requirement set forth in § 43-21-551 is stated in the mandatory "shall," dismissal by the youth court for failure to file within the required period after authorization to file the petition is discretionary under § 43-21-451. A youth court did not abuse its discretion in not dismissing a petition, seeking to have a child adjudged an abused child, for failure to comply with § 43-21-451's 10-day time limit where the reasons given by the youth court for not dismissing the petition were that it would not be in the best interest of the child and the tremendous case load of the youth court, and the child's father failed to demonstrate any

prejudice that resulted from the 26-day delay and failed to make any inquiry concerning the case until approximately 2 months after the date of the shelter hearing. *In re T.L.C.*, 566 So. 2d 691 (Miss. 1990).

The youth court judge's verbal authorization to the county attorney, for the filing of a petition alleging delinquency, was sufficient. *In re Evans*, 350 So. 2d 52 (Miss. 1977).

Delinquents under eighteen years of age, by virtue of Code 1942 § 7199, may be brought before the juvenile court when arrested on any charge "with or without warrant," and when this is done the court has full jurisdiction to make proper disposition of the delinquent, although a proceeding may also be instituted upon petition by some reputable person as provided in this section. *Williams v. Bush*, 199 Miss. 382, 24 So. 2d 863 (1946).

## ATTORNEY GENERAL OPINIONS

Youth Court Prosecutor is not required to swear to Petition. *McLemore*, August 5, 1993, A.G. Op. #93-0387.

Alternative school programs are integral part of school district; programs are operated in connection with regular programs of district and are subject to accreditation standards established by State Department of Education; therefore,

assignment to alternative program is not expulsion or suspension from school district and would not require full due process hearing; informal conference with student during which he or she is allowed to explain his or her side is sufficient process in such cases. *Lowery* Sept. 23, 1993, A.G. ### § 43-21-455. Content of petition.

(1) The petition shall set forth plainly and concisely with particularity:

(a) identification of the child, including his full name, birth date, age, sex and residence;

(b) identification of the parent, guardian or custodian including the name and residence of the child's parents, the name and residence of the child's legal guardian, if there be one, any person or agency in whose custody the child may be and the child's nearest relative if no parent or guardian be known;

(c) a statement of the facts, including the facts which bring the child within the jurisdiction of the youth court and which show the child is a delinquent child, a child in need of supervision, a neglected child or an abused child;

(d) in petitions alleging delinquency, a citation of the statute or ordinance which the child is alleged to have violated. Error in or omission of the citation shall not be grounds for dismissing the petition or for a reversal of the adjudication based thereon if the error or omission did not mislead the child to his prejudice.

(e) a prayer for the type of adjudicatory relief sought; and

(f) if any of the facts herein required are not known by the petitioner.

(2) Two (2) or more offenses may, in the discretion of the youth court, be alleged in the same petition in a separate count for each offense.

(3) Two (2) or more children may be the subject of the same petition if:

(a) they are siblings; and

(b) they are alleged to be neglected or abused from a common source of mistreatment or neglect.

(4) Where the child is alleged to be a delinquent child, the petition must recite factual allegations with the same particularity required in a criminal indictment but need not have the technical form of a criminal indictment.

(5) The petition may contain a motion to transfer.

### II. Under Former Law.

### I. Under Current Law.

#### 1. In general.

The fact that a youth court petition failed to state the statute or ordinance which the juvenile was alleged to have violated was not fatal where the juvenile and his attorney were well aware of the nature of the charges; however, Youth Court prosecutors and Youth Courts should take seriously the statutory directive of § 43-21-455(1)(d), which governs Youth Court proceedings, and include in their petitions "a citation of the statute or ordinance which the child is alleged to have violated." In re R.T., 520 So. 2d 136 (Miss. 1988).

- 2.-5. [Reserved for future use].

### II. Under Former Law.

#### 6. In general.

The petition could not support a finding that appellant was a delinquent under the Youth Court Law where, in attempting to charge offenses of grand larceny and burglary, it omitted any allegations as to ownership of the articles allegedly stolen and any description of the property allegedly burglarized, or even the ownership or right of ownership of that property. In re Earles, 294 So. 2d 171 (Miss. 1974).

A petition which institutes a youth court proceeding must recite factual allegations specific and definite enough to fairly apprise juvenile, his parents, custodians or guardians of particular act or acts of misconduct or the particular circumstances which will be inquired into at adjudicatory proceedings, and in those cases where a charge of delinquency is based upon violation of a criminal law, petition must charge offense with the same particularity required in a criminal indictment. In re Dennis, 291 So. 2d 731 (Miss. 1974).

The youth court is a court of statutory and limited jurisdiction, and the facts vesting jurisdiction should be shown affirmatively. Griffin v. Bell, 215 So. 2d 573 (Miss. 1968).

A petition alleging merely that a child is neglected, without setting forth the facts supporting the assertion, is insufficient. In re Slay, 245 Miss. 294, 147 So. 2d 299 (1962).

An allegation in general terms of delinquency does not bring a child within the operation of this act; hence it is not sufficient to allege that the child "is fast becoming uncontrollable" by its parents and "is violating the laws of the state in various ways." Sharp v. State, 240 Miss. 629, 127 So. 2d 865, 90 A.L.R.2d 284 (1961), error overruled, 240 Miss. 646, 129 So. 2d 637 (1961).

Where petition to commit minor to training school did not set forth names of parents or guardian or state they were unknown, as required, commitment was unlawful. Yarborough v. Coulter, 162 Miss. 50, 138 So. 591 (1932).

A petition for commitment of child must show existence of conditions specified in the statute. *Holden v. Smith*, 135 Miss. 322, 100 So. 27 (1924).

*Hopkins v. Youth Court*, 227 So. 2d 282 (Miss. 1969).

**7. Necessity of notice.**

A minor cannot waive process required by this section [Code 1972, § 43-21-13], and the youth court has no jurisdiction of the person until process has been served upon the minor and his parents, or persons standing in loco parentis; notice to the parents may be waived by them, but not process on the minor. *In re Edwards*, 298 So. 2d 703 (Miss. 1974).

The youth court is without jurisdiction unless the parents or guardian, if available, be summoned as required by this section [Code 1942, § 7185-06]. *Hopkins v. Youth Court*, 227 So. 2d 282 (Miss. 1969).

It is invalid to conduct a hearing without summoning the parent or parents of the minor, and it is invalid to conduct a hearing when the parent, when present, is excluded from the courtroom. *Hopkins v. Youth Court*, 227 So. 2d 282 (Miss. 1969).

Although the minor was a neglected child, since the only person who appeared on his behalf at the hearing in the youth court was the minor's aunt, and the proof disclosed that the father of the minor resided within the state, and no attempt was made to get process upon him, the youth court was without authority to send

the minor to the state hospital for examination, observation and treatment. *Walker v. State*, 238 Miss. 532, 119 So. 2d 277 (1960).

The court is without jurisdiction to make a committal order where it is not shown that the parents were given personal notice of the hearing or that the appearance of the minor with the parents in court was voluntary. *Monk v. State*, 238 Miss. 658, 116 So. 2d 810 (1960).

A decree of committal of a minor to a state industrial school was void, and the minor was entitled to discharge in habeas corpus proceedings, where it appeared that, while process was issued for and was served on his father, and also on his grandfather and grandmother, the minor being in the custody of the grandparents at the time, service of process was not made upon him, and it was not shown that he was present at the committal hearing, no judgment, order or decree being valid or binding upon a party who has no notice of the proceedings against him. *Maddox v. Bush*, 191 Miss. 748, 4 So. 2d 302 (1941).

#### 8. Effect of voluntary appearance; waiver.

Jurisdiction cannot be conferred by the voluntary appearance of the minor, without service of process. *Sharp v. State*, 240

Miss. 629, 127 So. 2d 865, 90 A.L.R.2d 284 (1961), error overruled, 240 Miss. 646, 129 So. 2d 637 (1961).

The invalidity of the provision of Code 1942 § 7185-06 that a minor may waive issuance and service of process by voluntary appearance does not affect the rest of the statute. *Sharp v. State*, 240 Miss. 629, 127 So. 2d 865, 90 A.L.R.2d 284 (1961), error overruled, 240 Miss. 646, 129 So. 2d 637 (1961).

The notice to parents required by the statute may be waived by their voluntary appearance. *Sharp v. State*, 240 Miss. 629, 127 So. 2d 865, 90 A.L.R.2d 284 (1961), error overruled, 240 Miss. 646, 129 So. 2d 637 (1961).

#### 9. Sufficiency of notice.

Where the presence of a previously declared delinquent minor and his mother was the third time that they had appeared before the court in connection with a petition to revoke the minor's probation, and his court appointed counsel had been appointed 15 days before the hearing, and the record left no doubt that such counsel gave the minor vigorous, conscientious and capable representation throughout, under the circumstances there was no denial of due process because of inadequate notice of the hearing. *McLeod v. Boone*, 232 So. 2d 733 (Miss. 1970).

**§ 43-21-505. Method of service.**

(1) Unless otherwise provided in this chapter, service of summons shall be made personally by delivery of a copy of the summons with a copy of the petition in a sealed envelope attached to the summons. A child may be served in the same manner as an adult.

(3) If any parent or guardian does not reside within the state or cannot be located therein, the clerk shall issue summons to the guardian ad litem. If the name and post office address of the parent or guardian who does not reside within the state or cannot be located therein can be ascertained, the clerk shall mail by "certified mail" ten (10) days before the date set for the hearing a copy of the summons with a copy of the petition attached to the summons to such parent or guardian. ### § 43-21-507. Time of service.

(1) Summons shall be served not less than three (3) days before the date set for the adjudicatory hearing of proceedings concerning the child.

(2) A party other than the child may waive service of summons on himself by written stipulation or by voluntary appearance at the hearing and in the case of written stipulation or voluntary appearance, the youth court may, in its discretion, proceed to a hearing regardless of the date set for the hearing if all other parties are properly before the youth court. At the time of the waiver, a copy of the petition shall be given to the party.

(3) If a child is served with process, the child may waive the three (3) days' time before the hearing, and the youth court may, in its discretion, proceed to a hearing regardless of the date set for the hearing if all other parties are properly before the youth court and the youth court finds all of the following:

- (a) the child fully understands his rights and fully understands the potential consequences of the hearing;
- (b) the child voluntarily, intelligently, and knowingly waives his rights to three (3) days' time before the hearing;
- (c) the child is effectively represented by counsel; and
- (d) the child has had in fact sufficient time to prepare.

### § 43-21-551. Scheduling of adjudicatory hearings.

(1) Unless the hearing is continued upon a showing of good cause or the person who is a subject to the cause has admitted the allegations of the petition, an adjudicatory hearing shall be held within ninety (90) days after the filing of the petition to determine whether there is legally sufficient evidence to find that the child is a delinquent child, a child in need of supervision, a neglected child or an abused child. If the adjudicatory hearing is not held within the ninety (90) days, the petition shall be dismissed with prejudice.

(2) If the child is in detention, the hearing shall be held as soon as possible but not later than twenty-one (21) days after the child is first detained by the youth court unless the hearing be postponed:

- (a) upon motion of the child;
- (b) where process cannot be completed; or

(c) upon a judicial finding that a material witness is not presently available. If the adjudicatory hearing is not held or postponed for the aforesaid reasons, the child may be released from detention.

(3) If the child is held in shelter, the hearing shall be held as soon as possible but not later than thirty (30) days after the child is first taken into custody unless the hearing is postponed:

- (a) upon motion of the child;
- (b) where process cannot be completed; or

(c) upon a judicial finding that a material witness is not presently available. If the adjudicatory hearing is not held or postponed for the aforesaid reasons, the child may be released from shelter.

#### 1. In general.

The statutory requirements for an adjudicatory hearing under the Youth Court Act (§§ 43-21-101 et seq.) were met where the proceedings were recorded by a court reporter pursuant to § 43-21-203(7), the parties received notice of the hearing more than 3 days before it was scheduled to begin under § 43-21-507, and the hearing was held within 90 days of the filing of the petition under § 43-21-551; the fact that the proceeding was postponed for approximately three months was without consequence since § 43-21-551 provides that a hearing may be continued upon a showing of good cause, and therefore the hearing was held within the time provided by the Youth Court Act. In re C.R., 604 So. 2d 1079 (Miss. 1992).

While the 90-day requirement set forth in § 43-21-551 is stated in the mandatory "shall," dismissal by the youth court for failure to file within the required period after authorization to file the petition is discretionary under § 43-21-451. A youth court did not abuse its discretion in not dismissing a petition, seeking to have a child adjudged an abused child, for failure to comply with § 43-21-451's 10-day time limit where the reasons given by the youth court for not dismissing the petition were that it would not be in the best interest of the child and the tremendous case load of the youth court, and the

child's father failed to demonstrate any prejudice that resulted from the 26-day delay and failed to make any inquiry concerning the case until approximately 2 months after the date of the shelter hearing. In re T.L.C., 566 So. 2d 691 (Miss. 1990).

The Youth Court Act contemplates the existence of a youth court clerk, and a petition is deemed "filed" when delivered to that office with no necessity of filing in the circuit clerk's office. The youth court clerk is the clerk of the youth court, and therefore a petition was "filed" on the date it was delivered to the clerk of the youth court. Thus, the 90-day requirement of § 43-21-551 was complied with where the adjudicatory hearing commenced 87 days after the petition was delivered to the youth court clerk. In re T.L.C., 566 So. 2d 691 (Miss. 1990).

If adjudicatory hearing is not held within 21 days, child may be released from detention, but petition under which child is being held need not be dismissed so long as 90 day limitation period is not exceeded. In re W.R.A., 481 So. 2d 280 (Miss. 1985).

#### 2. Time limitations.

In a case where a full evidentiary hearing was not held until 126 days after the charging petition was filed, dismissal of the juvenile proceeding was not mandated under Miss. Code Ann. § 43-21-551(1), because an initial hearing was held 13 days after the petition was filed, and even though not titled as such, it was an adjudicatory hearing which was continued until the later full evidentiary hearing; the continuance was for good cause, namely, full evidentiary disclosure. D.D.B. v. Jackson County Youth Court, 816 So. 2d 380 (Miss. 2002).

**3.-5. [Reserved for future use].**

**6. In general.**

The court should exercise care to assure that an admission or confession was voluntary in the sense, not only that it was not coerced or suggested, but also that it was not the product of ignorance of rights, or of adolescent fantasy, fright, or despair; the youth charged has the same right to testify for the limited purpose of testing the admissibility of a confession as an

adult under a criminal charge; and any confessions or admissions which are self-incriminating must meet the constitutional standard of due process in order to be admissible at any hearing. *In re Dennis*, 291 So. 2d 731 (Miss. 1974).

Trial by jury in the adjudicative phase of a state juvenile court delinquency proceeding is not required under the due process clause of the Fourteenth Amendment, even though a public trial is denied. *McKeiver v. Pennsylvania*, 403 U.S. 528, 91 S. Ct. 1976, 29 L. Ed. 2d 647 (1971).

**§ 43-21-553. Uncontested adjudications.**

At any time after the petition has been filed, all parties to the cause may appear before the judge and admit the allegations of the petition. The judge may accept this admission as proof of the allegations if the judge finds that:

- (a) the parties making the admission fully understand their rights and fully understand the potential consequences of their admission to the allegations;
- (b) the parties making the admission voluntarily, intelligently and knowingly admit to all facts necessary to constitute a basis for court action under this chapter;
- (c) the parties making the admission have not in the reported admission to the allegation set forth facts that, if found to be true, constitute a defense to the allegation; and
- (d) the child making the admission is effectively represented by counsel.

(1) At the beginning of each adjudicatory hearing, the youth court shall:

(a) verify the name, age and residence of the child who is the subject of the cause and ascertain the relationship of the parties, each to the other;

(b) ascertain whether all necessary parties are present and identify all persons participating in the hearing;

(c) ascertain whether the notice requirements have been complied with and, if not, whether the affected parties intelligently waived compliance in accordance with Section 43-21-507;

(d) explain to the parties the purpose of the hearing and the possible dispositional alternatives thereof; and

(e) explain to the parties:

(i) the right to counsel;

(ii) the right to remain silent;

(iii) the right to subpoena witnesses;

(iv) the right to cross-examine witnesses testifying against him; and

(v) the right to appeal.

(2) The youth court should then ascertain whether the parties before the youth court are represented by counsel. If a party before the youth court is not represented by counsel, the youth court shall ascertain whether the party understands his right to counsel. If the party wishes to retain counsel, the youth court shall continue the hearing for a reasonable time to allow the party to obtain and consult with counsel of his choosing. If an indigent child does not have counsel, the youth court shall appoint counsel to represent the child and shall continue the hearing for a reasonable time to allow the child to consult with his appointed counsel.

(3) The youth court may then inquire whether the parties admit or deny the allegations in the petition as provided in Section 43-21-553.

(4) The youth court may at any time terminate the proceedings and dismiss the petition if the youth court finds such action to be conducive to the welfare of the child and in the best interest of the state.

Although a youth court failed to follow the procedures in Miss. Code Ann. § 43-21-557, the error was harmless because there was no resulting prejudice or unfairness shown; defendant was allowed to cross-examine witnesses, witnesses were called to testify on her behalf, and defendant was served with a summons outlining her right to counsel and to subpoena witnesses. In the Interest of K.G., 957 So. 2d 1050 (Miss. Ct. App. 2007).

Although the youth court did not fully advise the juvenile and his parent of their rights as required by Miss. Code Ann. § 43-21-557 the error was harmless when the juvenile was at all times represented by appointed counsel with knowledge of juvenile law. In the Interest of L.C.A., 938 So. 2d 300 (Miss. Ct. App. 2006).

Appellate court reversed an order that adjudicated a minor a child in need of supervision and remanded for further proceedings as the judge failed to advise the minor or his parents that the child had certain procedural rights available to him under Miss. Code Ann. § 43-21-557. In the Interest of J.N., 915 So. 2d 1076 (Miss. Ct. App. 2005).

Miss. Code Ann. § 43-21-557(4) was entirely inapplicable to mother's argument

that she did not receive notice of the dismissal of the petition to determine whether her child was an abused child because the court could dismiss a petition on its own volition without the prosecutor moving for dismissal, and secondly, the resulting order was with prejudice based on the requirement that the court make a finding that balanced the child's welfare with the State's interest. In the Interest of C.R., 879 So. 2d 1119 (Miss. Ct. App. 2004).

A youth court's failure to advise a child's father, prior to adjudicatory and dispositional hearings to determine whether the child should be adjudged an abused child, of certain rights pursuant to §§ 43-21-557 and 43-21-603 was harmless where the father was ably represented by counsel during both the adjudicatory and dispositional hearings, the father's counsel vigorously cross-examined the witnesses called by the youth court prosecutor and gave closing argument, the father, through his counsel, was heard on all pretrial objections to jurisdiction and other points, and the father could point to no denial of any right that would make the hearings any less than fair. In re T.L.C., 566 So. 2d 691 (Miss. 1990).

When youth court combines neglect adjudication hearing with contempt hearing arising from neglect proceedings, court must so inform parties at outset of combined hearing. In re I.G., 467 So. 2d 920 (Miss. 1985).

When parents at educational neglect hearing are not informed of right to counsel and right to appeal, parents may file untimely appeal and neglect order will be reversed; in addition, where order upon

which subsequent citation of contempt is founded directly results from interrogation during which parents are not informed of any of rights enumerated at § 43-21-557, citation for contempt must also be reversed. In re I.G., 467 So. 2d 920 (Miss. 1985).

## 2. Notice.

Youth court judge failed to comply with the provisions of Miss. Code Ann. § 43-21-557 prior to the commencement of an adjudicatory hearing because there was nothing in the record which contradicted a father's assertions that he never received notice for the various hearings affecting the custody of his minor son, and there was nothing in the record to even infer that the father waived notice. In the Interest of N.W., 978 So. 2d 649 (Miss. 2008).

## 3.-5. [Reserved for future use].

### II. Under Former Law.

## 6. In general.

Where the youth court provided competent counsel for the delinquent youth, it was not necessary under this section that the youth court provide counsel for the parents of the youth. In re Evans, 350 So. 2d 52 (Miss. 1977).

An order of the youth court adjudging two minors as delinquent was reversed and the case was remanded for further proceedings where the record failed to show that the minors were informed of their right to counsel or that they waived that right. Copeland v. State, 292 So. 2d 171 (Miss. 1974).

In proceedings to adjudge juvenile a delinquent, service of process 11 days before hearing afforded minor, his parents, and his attorney full time for preparation; record supported finding that youth court had venue and jurisdiction; minor fully

understood his rights and his statement was freely and voluntarily made after his constitutional rights were explained to him; and minor waived his right to confrontation by the accusing witness, a young girl, by making no mention or request for her personal appearance at the hearing. In re Wise, 291 So. 2d 727 (Miss. 1974).

It is well settled in our jurisprudence that a juvenile is entitled to many of the constitutional rights afforded an adult where "critically important actions determining vitally important statutory rights of the juvenile are concerned", the juvenile is entitled to a hearing upon constitutional principles relating to due process with the assistance of counsel. Patterson v. Hopkins, 350 F. Supp. 676 (N.D. Miss. 1972), aff'd, 481 F.2d 640 (5th Cir. 1973).

Although trial by jury in the juvenile court's adjudicative stage is not a constitutional requirement it is an inescapable conclusion that while all of the constitutional guarantees accorded an adult are not required in juvenile proceedings, the applicable due process standard in juvenile proceedings is "fundamental fairness". Patterson v. Hopkins, 350 F. Supp. 676 (N.D. Miss. 1972), aff'd, 481 F.2d 640 (5th Cir. 1973).

A juvenile has the same right to due process as an adult has under the Constitution of the United States and the state Bill of Rights. Dependents of Roberts v. Holiday Parks, 221 So. 2d 92 (Miss. 1969).

This section [Code 1942, § 7185-08] recognizes that matters brought under this act may be adversary proceedings, and it is only fitting and proper that the minor and his parents be advised that they are entitled to legal representation, and the court in delinquency proceedings should so advise them. Krebs v. Stephenson, 184 So. 2d 861 (Miss. 1966).

## § 43-21-559. Evidence admissible.

(1) In arriving at its adjudicatory decision, the youth court shall consider only evidence which has been formally admitted at the adjudicatory hearing. All testimony shall be under oath and may be in narrative form. In proceedings to determine whether a child is a delinquent child or a child in need of supervision, the youth court shall admit any evidence that would be admissible in a criminal proceeding. In proceedings to determine whether a child is a neglected child or an abused child, the youth court shall admit any evidence that would be admissible in a civil proceeding.

(2) An out-of-court admission by the child, even if otherwise admissible, shall be insufficient to support an adjudication that the child is a delinquent child unless the admission is corroborated in whole or in part by other competent evidence.

(3) Members of the youth court staff may appear as witnesses except that no member of the youth court staff may testify as to an admission or confession made to him.

(4) At the conclusion of the evidence, the youth court shall give the parties an opportunity to present oral argument.

As to defendant's alleged possession of a controlled substance, several students either testified or submitted written statements implicating defendant in drug activity at the subject school, but none of

those students could testify to dates, and no tangible evidence of a chemically analyzed controlled substance was offered by the State at any time during the hearing. An agent for the State simply testified that the youth's descriptions of the various pills corresponded with the descriptions of several Schedule II drugs; secondly, although a number of the youths stated that defendant told them he was stealing pills and selling them, standing alone, those statements (out-of-court admissions by a child defendant), were insufficient to support an adjudication of delinquency, and the evidence failed to

meet the required proof beyond a reasonable doubt standard, which was applicable to adult proceedings as well as juvenile proceedings. In the Interest of T.B., 909 So. 2d 131 (Miss. Ct. App. 2005).

An adjudication of delinquency cannot be based solely on the unsubstantiated incriminating statement of the juvenile. J.P.C. v. State, 783 So. 2d 778 (Miss. Ct. App. 2000).

This section did not bar admission into evidence in defendant's trial for armed robbery of known fingerprints that had been taken when defendant was a youth, particularly since § 99-15-13 [repealed] permits law enforcement officers to take the fingerprints of those charged with crime for identification purposes, where there was no evidence that the known fingerprints had been given in evidence in a youth court proceeding. Nixon v. State, 336 So. 2d 742 (Miss. 1976).

Where no evidence was offered as to the ownership of places allegedly burglarized except passing references by state wit-

nesses to "Mrs. Edmond's Fruit Stand" and "Johnny Cleveland's Trailer Park," this was hearsay on the part of the witnesses and consequently inadmissible, and inasmuch as there was no proof of ownership of the premises allegedly burglarized or the name of the person entitled to possession thereof, the judgment of the youth court adjudging a child to be a delinquent child would be reversed, the child discharged and the proceedings against him dismissed. In re Jenkins, 274 So. 2d 143 (Miss. 1973).

It was reversible error to permit the youth court referee to testify on the trial of the defendant in circuit court as to his recollection of what the defendant, a 14-year-old boy, had said on his trial in youth court when placed by his attorney upon the witness stand; for this section [Code 1942, § 7185-09] specifically prohibits the admissibility in any other court of evidence given in youth courts. Rankin v. State, 214 So. 2d 811 (Miss. 1968).

One testifying that she had been in a juvenile orphanage may not be asked why, and whether she was committed. Statham v. Blaine, 234 Miss. 649, 107 So. 2d 93 (1958), motion granted, 234 Miss. 669, 108 So. 2d 213 (1959).

## § 43-21-561. Adjudication of status, standard of proof, and findings.

(1) If the youth court finds on proof beyond a reasonable doubt that a child is a delinquent child or a child in need of supervision, the youth court shall

enter an order adjudicating the child to be a delinquent child or a child in need of supervision.

(2) Where the petition alleges that the child is a delinquent child, the youth court may enter an order that the child is a child in need of supervision on proof beyond a reasonable doubt that the child is a child in need of supervision.

(3) If the court finds from a preponderance of the evidence that the child is a neglected child or an abused child, the youth court shall enter an order adjudicating the child to be a neglected child or an abused child.

(4) No decree or order of adjudication concerning any child shall recite that a child has been found guilty; but it shall recite that a child is found to be a delinquent child or a child in need of supervision or a neglected child or an abused child or a sexually abused child or a dependent child. Upon a written motion by a party, the youth court shall make written findings of fact and conclusions of law upon which it relies for the adjudication that the child is a delinquent child or a child in need of supervision or a neglected child or an abused child.

(5) No adjudication upon the status of any child shall operate to impose any of the civil disabilities ordinarily imposed on an adult because of a criminal conviction, nor shall any child be deemed a criminal by reason of adjudication, nor shall that adjudication be deemed a conviction. A person in whose interest proceedings have been brought in the youth court may deny, without any penalty, the existence of those proceedings and any adjudication made in those proceedings. Except for the right of a defendant or prosecutor in criminal proceedings and a respondent or a youth court prosecutor in youth court proceedings to cross-examine a witness, including a defendant or respondent, to show bias or interest, no adjudication shall be used for impeachment purposes in any court.

##### 1. In general.

The Youth Court Act was not intended to and does not prohibit the use of corporal punishment in disciplining a child. Injury is labeled abusive only when it constitutes

maltreatment. *In re A.R.*, 579 So. 2d 1269 (Miss. 1991).

## 2. Burden of proof.

A child may be adjudged "a child in need of supervision" and removed from parents only upon proof beyond a reasonable doubt. *In re M.R.L.*, 488 So. 2d 788 (Miss. 1986).

There is no merit to contention that burden of proof in neglect proceeding should be clear and convincing evidence. *In re I.G.*, 467 So. 2d 920 (Miss. 1985).

## 3. Evidence; examination of witnesses.

Defendant sought to attack the victim's credibility and show that she had a motive to lie for ill will by introducing evidence at trial regarding a juvenile adjudication of a shoplifting charge, and notwithstanding the prohibition on the use of a juvenile adjudication for the purpose of impeachment, the crime of shoplifting could not be used for impeachment purposes because it was not a crime categorized as *crimen falsi*; thus, the trial court did not err in excluding defendant's questioning regarding the victim's juvenile shoplifting adjudication. *Evans v. State*, 984 So. 2d 308 (Miss. Ct. App. 2007).

In a capital murder trial, defense counsel was able to adequately question an eyewitness to the crime about his relevant juvenile record, even though the questioning was limited; the trial court permitted questioning about two instances: one was relating to where the eyewitness met defendant and the other was relating to a conviction for auto theft, which showed a propensity for dishonesty and a motive to steal a murder victim's vehicle. *Ramsey v. State*, 959 So. 2d 15 (Miss. Ct. App. 2006).

The right to cross-examine a witness as to prior convictions in order to show bias or interest is guaranteed an accused under the Sixth Amendment and should be interpreted liberally to favor the accused; however, an accused does not have an absolute right under § 13-1-13 or case law prior to adoption of the Mississippi Rules of Evidence to require a witness to disclose any prior convictions in order to attack his or her credibility simply because the witness had been convicted of a

criminal offense. *Bass v. State*, 597 So. 2d 182 (Miss. 1992).

Section 43-21-561(5) and Rule 609(d), Miss. R. Ev. serve the same purpose, have the same objective, and, though worded differently, provide the same general criterion for a trial judge in exercising his or her discretion to determine whether a previous youth court adjudication should be admissible in the cross-examination of a minor witness; the only difference is that under the Rule a criminal defendant may not be cross-examined as to his or her prior youth court adjudications, so that, in a criminal case, the court's discretion extends only to witnesses other than the accused. *Bass v. State*, 597 So. 2d 182 (Miss. 1992).

Criminal defendants were properly precluded from cross-examining the State's juvenile witness as to his juvenile record where the trial court told the defense attorneys that they could cross-examine the witness to show special treatment, offers or concessions, or to show any bias or interest, but could not just ask him about his juvenile court record, the defense attorneys did not make any proffer of what they expected to show by cross-examining the witness as to his youth court record except a general statement to show "bias or interest," and the defense attorneys did not attempt before the jury to explore the witness' state of mind when he was questioned by the police or the State. *Bass v. State*, 597 So. 2d 182 (Miss. 1992).

## 4. Notification and other parental rights.

When parents at educational neglect hearing are not informed of right to counsel and right to appeal, parents may file untimely appeal and neglect order will be reversed; in addition, where order upon which subsequent citation of contempt is founded directly results from interrogation during which parents are not informed of any of rights enumerated at § 43-21-557, citation for contempt must also be reversed. *In re I.G.*, 467 So. 2d 920 (Miss. 1985).

## 5. Particular applications.

The evidence was insufficient to support a finding that a deaf child was "education-

ally neglected" within the meaning of the Youth Court Act (§§ 43-21-101 et seq.) where the child was enrolled in the best public school situation available to her in her local community, and therefore the court erred in ruling that the child should be removed from her home and placed in the Mississippi School for the Deaf; a court cannot remove a child from her home and family simply because a more desirable setting is available elsewhere, as the court must first find a failure of the child's environment and then take steps to protect the child's interests. *In re C.R.*, 604 So. 2d 1079 (Miss. 1992).

A high school student was properly adjudicated delinquent for having handguns on school grounds, where the guns were found in the student's locker, the student had exclusive possession of the locker and kept it under lock and key, and a second student testified that the first student had offered to sell him 2 handguns and had told him that he had the guns at school. *S.C. v. State*, 583 So. 2d 188 (Miss. 1991).

The evidence was insufficient to support a finding that 2 minor children, who had bruises on their buttocks from a spanking with a leather strap which resulted from conversations the children's mother had with their teachers regarding the children's behavior problem, were abused children within the meaning of the Youth Court Act, where the social worker did not interview the children's teacher who had reported the behavioral problems to the mother, she did not review the children's school records, she did not interview the children's mother or step-father or examine the home environment of the children, she did not talk to the medical doctor who examined the children for evidence of child abuse, she did not look at the strap used in the discipline of the children, she did not have the children tested or evaluated by experts, and the record did not contain any medical records showing evidence of physical abuse. *In re A.R.*, 579 So. 2d 1269 (Miss. 1991).

The siblings of a child who had been sexually abused by the children's father were neglected and abused minor children within the meaning of the Youth Court Act by virtue of the fact that their sister was abused. An order enjoining the father

from contact with the siblings until successful completion of a child sex abuse treatment program was justified by the potential harm those children would be subjected to in light of the fact that the father had already perpetrated sexual abuse upon one of his children. *E.S. v. State*, 567 So. 2d 848 (Miss. 1990).

The evidence was sufficient to support a finding that a child had been sexually abused by her father, and was therefore an "abused child" under the Youth Court Act, where statements made by the child to a psychologist were offered into evidence, and the psychologist testified that it was his opinion that the child had been sexually abused by her father, even though the father denied engaging in any kind of sexual activity with the child and the child's mother was of the opinion that the father had not sexually abused the child. *E.S. v. State*, 567 So. 2d 848 (Miss. 1990).

While a juvenile's intentional touching and squeezing of a pregnant woman's derriere, without permission, amounted to a physical offense, this conduct did not constitute simple assault under § 97-3-7(1)(c) where there was no proof of fear of imminent serious bodily harm. Thus, the juvenile's adjudication of delinquency would be reversed based on the failure to prove an essential element of the crime of simple assault. *S.B. v. State*, 566 So. 2d 1276 (Miss. 1990).

Record containing substantial evidence that each of three children had been habitually disobedient of reasonable and lawful commands of his or her parents and was ungovernable supported beyond a reasonable doubt the findings of the Youth Court that each was a child in need of treatment or rehabilitation. *In re M.R.L.*, 488 So. 2d 788 (Miss. 1986).

## 6. Miscellaneous.

Juvenile who has been adjudicated delinquent in youth court may not subsequently be tried as adult on same charges. *In re W.R.A.*, 481 So. 2d 280 (Miss. 1985).

## 7-10. [Reserved for future use].

### II. Under Former Law.

#### 11. In general.

It is well settled in our jurisprudence that a juvenile is entitled to many of the

constitutional rights afforded an adult where "critically important actions determining vitally important statutory rights of the juvenile are concerned", the juvenile is entitled to a hearing upon constitutional principles relating to due process with the assistance of counsel. *Patterson v. Hopkins*, 350 F. Supp. 676 (N.D. Miss. 1972), *aff'd*, 481 F.2d 640 (5th Cir. 1973).

Although trial by jury in the juvenile court's adjudicative stage is not a constitutional requirement it is an inescapable conclusion that while all of the constitutional guarantees accorded an adult are not required in juvenile proceedings, the applicable due process standard in juvenile proceedings is "fundamental fairness". *Patterson v. Hopkins*, 350 F. Supp. 676 (N.D. Miss. 1972), *aff'd*, 481 F.2d 640 (5th Cir. 1973).

In youth court cases involving a child's possible loss of freedom, the proof must establish each and every essential element of the charges against him beyond a reasonable doubt. *In re Napp*, 273 So. 2d 502 (Miss. 1973).

A youth "who violates any state law or municipal ordinance," even though it be

his first such offense, may be adjudicated to be a "delinquent child" unless some violation is by some other applicable statute excluded from the purview of Code 1942 § 7185-02(g). *In re Suratt*, 273 So. 2d 178 (Miss. 1973).

The right of an accused to confront and cross-examine his accuser is so broad and fundamental as to transcend the right of a juvenile accuser to keep secret his former delinquent activity, and the refusal to permit a full cross-examination of a juvenile whose testimony implicated one defendant with possession of LSD, and who had been adjudged a juvenile delinquent, and was afraid of being returned to the training school, was error. *Hamburg v. State*, 248 So. 2d 430 (Miss. 1971).

Although the law presumes that the welfare of a child is best promoted by parental custody as against the advantages of a better culture or more lavish provision elsewhere, this presumption may be negated by parental abandonment or unfitness. *Reynolds v. Davidow*, 200 Miss. 480, 27 So. 2d 691 (1946).

(1) If the child has been adjudicated a delinquent child, a child in need of supervision, a neglected child or an abused child, the youth court shall immediately set a time and place for a disposition hearing which shall be separate, distinct and subsequent to the adjudicatory hearing. The disposition hearing, however, may be held immediately following the adjudicatory hearing unless a continuance is necessary to allow the parties to prepare for their participation in the proceedings.

(2) If the child has been taken into custody, a disposition hearing shall be held within fourteen (14) days after the adjudicatory hearing unless good cause be shown for postponement.

## JUDICIAL DECISIONS

### 1. In general.

A trial court committed error by failing to conduct a separate and distinct dispositional hearing as required by § 43-21-601 of the Youth Court Act (§§ 43-21-101 et seq.) where the court determined, at the conclusion of the adjudicatory hearing which resulted in a finding that the child was educationally neglected, that the child should be placed in the Mississippi School for the Deaf. In re C.R., 604 So. 2d 1079 (Miss. 1992).

It was not error for the youth court to conduct a disposition hearing immedi-

ately after adjudicating the juvenile as a delinquent when there was no indication that a continuance was necessary. In the Interest of L.C.A., 938 So. 2d 300 (Miss. Ct. App. 2006).

In a delinquency proceeding the lower court improperly entered a disposition order after entering an order adjudicating a boy to be a delinquent child, where such action constituted a combination of the adjudicatory hearing and the disposition hearing in violation of § 43-21-601. In re J.E.J., 419 So. 2d 1032 (Miss. 1982).

### § 43-21-603. Disposition hearing procedure.

(1) At the beginning of each disposition hearing, the judge shall inform the parties of the purpose of the hearing.

(2) All testimony shall be under oath unless waived by all parties and may be in narrative form. The court may consider any evidence that is material and relevant to the disposition of the cause, including hearsay and opinion evidence. At the conclusion of the evidence, the youth court shall give the parties an opportunity to present oral argument.

(3) If the child has been adjudicated a delinquent child, before entering a disposition order, the youth court should consider, among others, the following relevant factors:

- (a) The nature of the offense;
- (b) The manner in which the offense was committed;
- (c) The nature and number of a child's prior adjudicated offenses;
- (d) The child's need for care and assistance;
- (e) The child's current medical history, including medication and diagnosis;
- (f) The child's mental health history, which may include, but not be limited to, the Massachusetts Youth Screening Instrument version 2 (MAYSI-2);
- (g) Copies of the child's cumulative record from the last school of record, including special education records, if applicable;
- (h) Recommendation from the school of record based on areas of remediation needed;
- (i) Disciplinary records from the school of record; and
- (j) Records of disciplinary actions outside of the school setting.

(4) If the child has been adjudicated a child in need of supervision, before entering a disposition order, the youth court should consider, among others, the following relevant factors:

- (a) The nature and history of the child's conduct;
- (b) The family and home situation; and
- (c) The child's need of care and assistance.

(5) If the child has been adjudicated a neglected child or an abused child, before entering a disposition order, the youth court shall consider, among others, the following relevant factors:

- (a) The child's physical and mental conditions;
- (b) The child's need of assistance;
- (c) The manner in which the parent, guardian or custodian participated in, tolerated or condoned the abuse, neglect or abandonment of the child;

(d) The ability of a child's parent, guardian or custodian to provide proper supervision and care of a child; and

(e) Relevant testimony and recommendations, where available, from the foster parent of the child, the grandparents of the child, the guardian ad litem of the child, representatives of any private care agency that has cared for the child, the family protection worker or family protection specialist assigned to the case, and any other relevant testimony pertaining to the case.

(6) After consideration of all the evidence and the relevant factors, the youth court shall enter a disposition order that shall not recite any of the facts or circumstances upon which the disposition is based, nor shall it recite that a child has been found guilty; but it shall recite that a child is found to be a delinquent child, a child in need of supervision, a neglected child or an abused child.

(7) If the youth court orders that the custody or supervision of a child who has been adjudicated abused or neglected be placed with the Department of Human Services or any other person or public or private agency, other than the child's parent, guardian or custodian, the youth court shall find and the disposition order shall recite that:

(a)(i) Reasonable efforts have been made to maintain the child within his own home, but that the circumstances warrant his removal and there is no reasonable alternative to custody; or (ii) The circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his own home, and that there is no reasonable alternative to custody; and

(ii) The circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his own home, and that there is no reasonable alternative to custody; and

(b) That the effect of the continuation of the child's residence within his own home would be contrary to the welfare of the child and that the placement of the child in foster care is in the best interests of the child; or

(c) Reasonable efforts to maintain the child within his home shall not be required if the court determines that:

(i) The parent has subjected the child to aggravated circumstances, including, but not limited to, abandonment, torture, chronic abuse and sexual abuse; or

(ii) The parent has been convicted of murder of another child of that parent, voluntary manslaughter of another child of that parent, aided or abetted, attempted, conspired or solicited to commit that murder or voluntary manslaughter, or a felony assault that results in the serious bodily injury to the surviving child or another child of that parent; or

(iii) The parental rights of the parent to a sibling have been terminated involuntarily; and

(iv) That the effect of the continuation of the child's residence within his own home would be contrary to the welfare of the child and that placement of the child in foster care is in the best interests of the child.

Once the reasonable efforts requirement is bypassed, the court shall have a permanency hearing under Section 43-21-613 within thirty (30) days of the finding.

(8) Upon a written motion by a party, the youth court shall make written findings of fact and conclusions of law upon which it relies for the disposition order. If the disposition ordered by the youth court includes placing the child in the custody of a training school, an admission packet shall be prepared for the child that contains the following information:

(a) The child's current medical history, including medications and diagnosis;

(b) The child's mental health history;

(c) Copies of the child's cumulative record from the last school of record, including special education records, if reasonably available;

(d) Recommendation from the school of record based on areas of remediation needed;

(e) Disciplinary records from the school of record; and

(f) Records of disciplinary actions outside of the school setting, if reasonably available.

Only individuals who are permitted under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) shall have access to a child's medical records which are contained in an admission packet. The youth court shall provide the admission packet to the training school at or before the child's arrival at the training school. The admittance of any child to a training school shall take place between the hours of 8:00 a.m. and 3:00 p.m. on designated admission days.

(9) When a child in the jurisdiction of the Youth Court is committed to the custody of the Mississippi Department of Human Services and is believed to be in need of treatment for a mental or emotional disability or infirmity, the Department of Human Services shall file an affidavit alleging that the child is in need of mental health services with the Youth Court. The Youth Court shall refer the child to the appropriate community mental health center for evaluation pursuant to Section 41-21-67. If the prescreening evaluation recommends residential care, the Youth Court shall proceed with civil commitment pursuant to Sections 41-21-61 et seq., 43-21-315 and 43-21-611, and the Department of Mental Health, once commitment is ordered, shall provide appropriate care, treatment and services for at least as many adolescents as were provided services in fiscal year 2004 in its facilities.

Youth court took into consideration the factors in Miss. Code Ann. § 43-21-603 when it committed defendant to a training school and placed her on probation until her 18th birthday in a case where defendant assaulted a teacher; the youth court clearly found that defendant's therapy and medications were not working. In the Interest of K.G., 957 So. 2d 1050 (Miss. Ct. App. 2007).

Youth court did not err in ordering that it was in the best interest of the child to grant durable legal custody to the foster parents, based on the child's situation of chronic abuse and long-term physical placement with the same foster family, as opposed to reunification with the mother. In re S.A.M., 826 So. 2d 1266 (Miss. 2002).

Youth court erred in directing that physical custody of infant be given to relatives as consideration of the five-factor test in Miss. Code Ann. § 43-21-603(5) and the testimony of government agencies, the infant's guardian ad litem, various doctors, and family members compelled the conclusion that the infant's relatives were unable to provide proper care and supervision for the infant and that her best interests dictated that she be placed in foster care. In re E.M., 810 So. 2d 596 (Miss. 2002).

The evidence was insufficient to support a finding that a deaf child was "education-

ally neglected" within the meaning of the Youth Court Act (§§ 43-21-101 et seq.) where the child was enrolled in the best public school situation available to her in her local community, and therefore the court erred in ruling that the child should be removed from her home and placed in the Mississippi School for the Deaf; a court cannot remove a child from her home and family simply because a more desirable setting is available elsewhere, as the court must first find a failure of the child's environment and then take steps to protect the child's interests. In re C.R., 604 So. 2d 1079 (Miss. 1992).

Where the testimony of a child is needed, it should not be declined except to avoid serious risk to the welfare of the child. To avoid this damage, the trial court must have considerable discretion as to the conduct of the examination and the appearance of the courtroom. Bailey v. Woodcock, 574 So. 2d 1369 (Miss. 1990).

A youth court's failure to advise a child's father, prior to adjudicatory and dispositional hearings to determine whether the child should be adjudged an abused child, of certain rights pursuant to §§ 43-21-557 and 43-21-603 was harmless where the father was ably represented by counsel during both the adjudicatory and dispositional hearings, the father's counsel vigorously cross-examined the witnesses called by the youth court prosecutor and gave closing argument, the father, through his counsel, was heard on all pretrial objections to jurisdiction and other points, and the father could point to no denial of any right that would make the hearings any less than fair. In re T.L.C., 566 So. 2d 691 (Miss. 1990).

#### 2. Evidence.

Youth court had authority pursuant to Miss. Code Ann. § 43-21-603(3)(c) to con-

sider in a disposition proceeding all relevant factors, including the fact that the juvenile had been previously adjudicated as a child in need of services. In the Interest of L.C.A., 938 So. 2d 300 (Miss. Ct. App. 2006).

As to defendant's alleged possession of a controlled substance, several students either testified or submitted written statements implicating defendant in drug activity at the subject school, but none of those students could testify to dates, and no tangible evidence of a chemically analyzed controlled substance was offered by the State at any time during the hearing. An agent for the State simply testified that the youth's descriptions of the various pills corresponded with the descriptions of several Schedule II drugs; secondly, although a number of the youths stated that defendant told them he was stealing pills and selling them, standing alone, those statements (out-of-court admissions by a child defendant), were insufficient to support an adjudication of delinquency, and the evidence failed to meet the required proof beyond a reasonable doubt standard, which was applicable to adult proceedings as well as juvenile proceedings. In the Interest of T.B., 909 So. 2d 131 (Miss. Ct. App. 2005).

The lower court could have bypassed the "reasonable efforts" to reunite the children with the parents and could have expedited the matter as a preference case for termination of parental rights where both parents refused to acknowledge the father's sexual abuse of the children at issue, the father failed to obtain counseling though the court-ordered program, and the mother failed to establish her own home independent of the father and work with the department of human services for the return of the children. S.R.B.R. v.

Harrison County Dep't of Human Servs., 798 So. 2d 437 (Miss. 2001).

Sections 43-21-603 and 43-21-613 clearly contemplate that strict adherence to the rules of evidence will not be required, and "concerns over hearsay evidence and the like are basically dismissed." Copiah County Dep't of Human Servs. v. Linda D., 658 So. 2d 1378 (Miss. 1995).

This section [Code 1942, § 7201] does not require that an order of committal to a proper state institution affirmatively recite that it is to the best interest of the child and the public that the child be so committed. Williams v. Bush, 199 Miss. 382, 24 So. 2d 863 (1946).

Where delinquents under eighteen years of age had been arrested for the commission of a crime to which they pleaded guilty but the delinquents were not convicted therefor and no criminal sentence imposed upon them, this section [Code 1942, § 7201] rather than Code 1942, § 6755 applies so that the court, acting as a juvenile court, had jurisdiction to commit them to the proper state institution even though there was no affirmative finding that it was for the best interests of the delinquents and of the public that they should be so committed. Williams v. Bush, 199 Miss. 382, 24 So. 2d 863 (1946).

Proceeding to commit minor for delinquency or violation of law involving moral turpitude is civil and not criminal; jury trial is not required in such proceeding. Bryant v. Brown, 151 Miss. 398, 118 So. 184, 60 A.L.R. 1325 (1928).

**§ 43-21-605. Disposition alternatives in delinquency cases.**

(1) In delinquency cases, the disposition order may include any of the following alternatives:

- (a) Release the child without further action;
- (b) Place the child in the custody of the parents, a relative or other persons subject to any conditions and limitations, including restitution, as the youth court may prescribe;
- (c) Place the child on probation subject to any reasonable and appropriate conditions and limitations, including restitution, as the youth court may prescribe;
- (d) Order terms of treatment calculated to assist the child and the child's parents or guardian which are within the ability of the parent or guardian to perform;
- (e) Order terms of supervision which may include participation in a constructive program of service or education or civil fines not in excess of Five Hundred Dollars (\$500.00), or restitution not in excess of actual damages caused by the child to be paid out of his own assets or by performance of services acceptable to the victims and approved by the youth court and reasonably capable of performance within one (1) year;
- (f) Suspend the child's driver's license by taking and keeping it in custody of the court for not more than one (1) year;
- (g) Give legal custody of the child to any of the following:
  - (i) The Department of Human Services for appropriate placement; or
  - (ii) Any public or private organization, preferably community-based, able to assume the education, care and maintenance of the child, which has been found suitable by the court; or
  - (iii) The Division of Youth Services for placement in the state-supported training school, except that no child under the age of ten (10) years shall be committed to the state training school, and no first-time nonviolent youth offenders shall be committed to the state training school until all other options provided for in this section have been considered and the court makes a specific finding of fact by a preponderance of the evidence by assessing what is in the best rehabilitative interest of the child and the public safety of communities and that there is no reasonable alternative to a nonsecure setting and therefore secure commitment is appropriate.

The training school may retain custody of the child until the child's twentieth birthday but for no longer. When the child is committed to the training school, the child shall remain in the legal custody of the training school until the child has made sufficient progress in treatment and rehabilitation and it is in the best interest of the child to release the child. However, the superintendent of the state training school, in consultation with the treatment team, may parole a child at any time he or she may deem it in the best interest and welfare of such child. Twenty (20) days prior to such parole, the training school shall notify the committing court

of the pending release. The youth court may then arrange subsequent placement after a reconvened disposition hearing, except that the youth court may not recommit the child to the training school or any other secure facility without an adjudication of a new offense or probation or parole violation. The Department of Human Services shall ensure that staffs create transition planning for youth leaving the facilities. Plans shall include providing the youth and his or her parents or guardian with copies of the youth's training school education and health records, information regarding the youth's home community, referrals to mental and counseling services when appropriate, and providing assistance in making initial appointments with community service providers. Prior to assigning the custody of any child to any private institution or agency, the youth court through its designee shall first inspect the physical facilities to determine that they provide a reasonable standard of health and safety for the child. No child shall be placed in the custody of the state training school for a status offense or for contempt of or revocation of a status offense adjudication unless the child is contemporaneously adjudicated for having committed an act of delinquency that is not a status offense. A disposition order rendered under this subparagraph shall meet the following requirements:

1. The disposition is the least restrictive alternative appropriate to the best interest of the child and the community;

2. The disposition allows the child to be in reasonable proximity to the family home community of each child given the dispositional alternatives available and the best interest of the child and the state; and

3. The disposition order provides that the court has considered the medical, educational, vocational, social and psychological guidance, training, social education, counseling, substance abuse treatment and other rehabilitative services required by that child as determined by the court;

(h) Recommend to the child and the child's parents or guardian that the child attend and participate in the Youth Challenge Program under the Mississippi National Guard, as created in Section 43-27-203, subject to the selection of the child for the program by the National Guard; however, the child must volunteer to participate in the program. The youth court shall not order any child to apply for or attend the program;

- (i)(i) Adjudicate the juvenile to the Statewide Juvenile Work Program if the program is established in the court's jurisdiction. The juvenile and his or her parents or guardians must sign a waiver of liability in order to participate in the work program. The judge will coordinate with the youth services counselors as to placing participants in the work program;

- (ii) The severity of the crime, whether or not the juvenile is a repeat offender or is a felony offender will be taken into consideration by the judge when adjudicating a juvenile to the work program. The juveniles adjudicated to the work program will be supervised by police officers or

reserve officers. The term of service will be from twenty-four (24) to one hundred twenty (120) hours of community service. A juvenile will work the hours to which he or she was adjudicated on the weekends during school and weekdays during the summer. Parents are responsible for a juvenile reporting for work. Noncompliance with an order to perform community service will result in a heavier adjudication. A juvenile may be adjudicated to the community service program only two (2) times;

(iii) The judge shall assess an additional fine on the juvenile which will be used to pay the costs of implementation of the program and to pay for supervision by police officers and reserve officers. The amount of the fine will be based on the number of hours to which the juvenile has been adjudicated;

(j) Order the child to participate in a youth court work program as provided in Section 43-21-627;

(k) Order the child into a juvenile detention center operated by the county or into a juvenile detention center operated by any county with which the county in which the court is located has entered into a contract for the purpose of housing delinquents. The time period for detention cannot exceed ninety (90) days, and any detention exceeding forty-five (45) days shall be administratively reviewed by the youth court no later than forty-five (45) days after the entry of the order. At that time the youth court counselor shall review the status of the youth in detention and shall report any concerns to the court. The youth court judge may order that the number of days specified in the detention order be served either throughout the week or on weekends only. No first-time nonviolent youth offender shall be committed to a detention center for a period in excess of ninety (90) days until all other options provided for in this section have been considered and the court makes a specific finding of fact by a preponderance of the evidence by assessing what is in the best rehabilitative interest of the child and the public safety of communities and that there is no reasonable alternative to a nonsecure setting and therefore commitment to a detention center is appropriate.

If a child is committed to a detention center for ninety (90) days, the disposition order shall meet the following requirements:

(i) The disposition order is the least restrictive alternative appropriate to the best interest of the child and the community;

(ii) The disposition order allows the child to be in reasonable proximity to the family home community of each child given the dispositional alternatives available and the best interest of the child and the state; and

(iii) The disposition order provides that the court has considered the medical, educational, vocational, social and psychological guidance, training, social education, counseling, substance abuse treatment and other rehabilitative services required by that child as determined by the court;

(l) The judge may consider house arrest in an intensive supervision program as a reasonable prospect of rehabilitation within the juvenile justice system. The Department of Human Services shall promulgate rules

regarding the supervision of juveniles placed in the intensive supervision program; or

(m) Referral to A-team provided system of care services.

(2) If a disposition order requires that a child miss school due to other placement, the youth court shall notify a child's school while maintaining the confidentiality of the youth court process. If a disposition order requires placement of a child in a juvenile detention facility, the facility shall comply with the educational services and notification requirements of Section 43-21-321.

(3) In addition to any of the disposition alternatives authorized under subsection (1) of this section, the disposition order in any case in which the child is adjudicated delinquent for an offense under Section 63-11-30 shall include an order denying the driver's license and driving privileges of the child as required under Section 63-11-30(9).

(4) If the youth court places a child in a state-supported training school, the court may order the parents or guardians of the child and other persons living in the child's household to receive counseling and parenting classes for rehabilitative purposes while the child is in the legal custody of the training school. A youth court entering an order under this subsection (4) shall utilize appropriate services offered either at no cost or for a fee calculated on a sliding scale according to income unless the person ordered to participate elects to receive other counseling and classes acceptable to the court at the person's sole expense.

(5) Fines levied under this chapter shall be paid into the general fund of the county but, in those counties wherein the youth court is a branch of the municipal government, it shall be paid into the municipal treasury.

(6) Any institution or agency to which a child has been committed shall give to the youth court any information concerning the child as the youth court may at any time require.

(7) The youth court shall not place a child in another school district who has been expelled from a school district for the commission of a violent act. For the purpose of this subsection, "violent act" means any action which results in death or physical harm to another or an attempt to cause death or physical harm to another.

(8) The youth court may require drug testing as part of a disposition order. If a child tests positive, the court may require treatment, counseling and random testing, as it deems appropriate. The costs of such tests shall be paid by the parent, guardian or custodian of the child unless the court specifically finds that the parent, guardian or custodian is unable to pay.

(9) The Mississippi Department of Human Services, Division of Youth Services, shall operate and maintain services for youth adjudicated delinquent at Oakley Training School. The program shall be designed for children committed to the training schools by the youth courts. The purpose of the program is to promote good citizenship, self-reliance, leadership and respect for constituted authority, teamwork, cognitive abilities and appreciation of our national heritage. The program must use evidenced-based practices and

gender-specific programming and must develop an individualized and specific treatment plan for each female youth. The Division of Youth Services shall issue credit towards academic promotions and high school completion. The Division of Youth Services may award credits to each student who meets the requirements for a general education development certification. The Division of Youth Services must also provide to each special education eligible youth the services required by that youth's individualized education plan.

**Joint Legislative Committee Note** — Section 6 of ch. 471, Laws of 2005, effective from and after July 1, 2005 (approved April 1, 2005), amended this section. Section 2 of ch. 535, Laws of 2005, effective July 1, 2005 (approved April 21, 2005), also amended this section. As set out above, this section reflects the language of Section 2 of ch. 535, Laws of 2005, pursuant to Section 1-3-79 which provides that whenever the same section of law is amended by different bills during the same legislative session, and the effective dates of the amendments are the same, the amendment with the latest approval date shall supersede all other amendments to the same section approved on an earlier date.

Section 2 of ch. 481, Laws of 2008, effective from and after July 1, 2008 (approved April 3, 2008), amended this section. Section 2 of ch. 555, Laws of 2008, effective from and after July 1, 2008 (approved May 10, 2008), also amended this section. As set out above, this section reflects the language of Section 2 of ch. 555, Laws of 2008, which contains language that specifically provides that it supersedes § 43-21-605 as amended by Laws of 2008, ch. 481.

**Amendment Notes** — The 2007 amendment added the last sentence of (2); and deleted former (10), which created a study committee to determine what entity should be responsible for providing educational services within detention centers.

The first 2008 amendment (ch. 481), inserted “and notification” following “educational services” in the second sentence of (2); and made a minor stylistic change.

The second 2008 amendment (ch. 555), in (1), deleted “The Department of Human Services for placement in a wilderness training program or” from the beginning of (g)(iii), substituted “center for ninety (90) days” for “center ninety (90) consecutive days” near the end of the introductory paragraph of (k), added (l), and redesignated former (l) as present (m); and in (9), deleted “Columbia and” preceding “Oakley Training” and substituted “School” for “Schools” thereafter, and added the fourth sentence.

The 2009 amendment rewrote (1)(g)(iii) and (k); and made minor stylistic changes.

Matter was remanded to the youth court for a new dispositional hearing because the youth court had placed the juvenile in a state-supported training school, and the placement was now prohibited, pursuant to Miss. Code Ann. § 43-21-159(5), because the juvenile had reached the age of 18; the youth court had other dispositional alternatives available to it, pursuant to Miss. Code Ann. § 43-21-605. In the Interest of L.C.A., 938 So. 2d 300 (Miss. Ct. App. 2006).

A youth court order violated § 43-21-605 where it stated that it would be inappropriate for the minor to be released from custody in less than one year, and required the superintendent of the state training school to provide the court with "conclusive proof" that parole would be in the minor's best interest, since the statute indicates that decisions regarding parole of youths are to be decided by the superintendent of the training facility. State Dep't of Human Servs. v. Forrest County Youth Court, 663 So. 2d 580 (Miss. 1995).

It was within the judge's discretion to impose a life sentence on a 17-year-old murder defendant despite the discretion

afforded by the Youth Court Act. Reed v. State, 526 So. 2d 538 (Miss. 1988).

The trial judge erred in ordering a minor child, who had been adjudicated delinquent on the basis of a violation of § 97-17-3, to be confined in a training school for a minimum period of six months, under the impression that § 97-17-3(3) required him to do so, since the Youth Court Law, enacted in 1979 and amended in 1980, clearly supersedes § 97-17-3(3), so that the lower court was authorized to proceed under § 43-21-605 of the Act, which sets forth disposition alternatives in delinquency cases. Where delinquents under eighteen years of age had been arrested for the commission of a crime to which they pleaded guilty but the delinquents were not convicted therefor and no criminal sentence imposed upon them, Code 1942, § 7201 rather than Code 1942, § 6755 applies so that the court, acting as a juvenile court, had jurisdiction to commit them to the proper state institution even though there was no affirmative finding that it was for the best interests of the delinquents and of the public that they should be so committed. Williams v. Bush, 199 Miss. 382, 24 So. 2d 863 (1946).

Juvenile court possesses large discretion as to what should be done with delinquents. Williams v. Bush, 199 Miss. 382, 24 So. 2d 863 (1946).

(1) In children in need of supervision cases, the disposition order may include any of the following alternatives or combination of the following alternatives, giving precedence in the following sequence:

- (a) Release the child without further action;
- (b) Place the child in the custody of the parent, a relative or other person subject to any conditions and limitations as the youth court may prescribe;
- (c) Place the child under youth court supervision subject to any conditions and limitations the youth court may prescribe;
- (d) Order terms of treatment calculated to assist the child and the child's parent, guardian or custodian which are within the ability of the parent, guardian or custodian to perform;
- (e) Order terms of supervision which may include participation in a constructive program of service or education or restitution not in excess of actual damages caused by the child to be paid out of his own assets or by performance of services acceptable to the parties and reasonably capable of performance within one (1) year;
- (f) Give legal custody of the child to any of the following but in no event to any state training school;
  - (i) The Department of Human Services for appropriate placement which may include a wilderness training program; or
  - (ii) Any private or public organization, preferably community-based, able to assume the education, care and maintenance of the child, which has been found suitable by the court. Prior to assigning the custody of any child to any private institution or agency, the youth court through its designee shall first inspect the physical facilities to determine that they provide a reasonable standard of health and safety for the child; or
- (g) Order the child to participate in a youth court work program as provided in Section 43-21-627.

(2) The court may order drug testing as provided in Section 43-21-605(6).

Upon finding that children are in need of supervision, the Youth Court is vested by law with broad dispositional discretion, to be exercised in the best interest of the children, and the placement of children in a church operated children's home was

## § 43-21-609. Dispositional alternatives in neglect and abuse cases.

In neglect and abuse cases, the disposition order may include any of the following alternatives, giving precedence in the following sequence:

- (a) Release the child without further action;
- (b) Place the child in the custody of his parents, a relative or other person subject to any conditions and limitations as the court may prescribe. If the court finds that temporary relative placement, adoption or foster care placement is inappropriate, unavailable or otherwise not in the best interest

of the child, durable legal custody may be granted by the court to any person subject to any limitations and conditions the court may prescribe; such durable legal custody will not take effect unless the child or children have been in the physical custody of the proposed durable custodians for at least one (1) year under the supervision of the Department of Human Services. The requirements of Section 43-21-613 as to disposition review hearings does not apply to those matters in which the court has granted durable legal custody. In such cases, the Department of Human Services shall be released from any oversight or monitoring responsibilities;

(c) Order terms of treatment calculated to assist the child and the child's parent, guardian or custodian which are within the ability of the parent, guardian or custodian to perform;

(d) Order youth court personnel, the Department of Human Services or child care agencies to assist the child and the child's parent, guardian or custodian to secure social or medical services to provide proper supervision and care of the child;

(e) Give legal custody of the child to any of the following but in no event to any state training school:

(i) The Department of Human Services for appropriate placement; or

(ii) Any private or public organization, preferably community-based, able to assume the education, care and maintenance of the child, which has been found suitable by the court. Prior to assigning the custody of any child to any private institution or agency, the youth court through its designee shall first inspect the physical facilities to determine that they provide a reasonable standard of health and safety for the child;

(f) If the court makes a finding that custody is necessary as defined in Section 43-21-301(3)(b), and that the child, in the action pending before the youth court had not previously been taken into custody, the disposition order shall recite that the effect of the continuation of the child's residing within his or her own home would be contrary to the welfare of the child, that the placement of the child in foster care is in the best interests of the child, and unless the reasonable efforts requirement is bypassed under Section 43-21-603(7)(c), the order also must state:

(i) That reasonable efforts have been made to maintain the child within his or her own home, but that the circumstances warrant his or her removal, and there is no reasonable alternative to custody; or

(ii) The circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his or her own home, and there is no reasonable alternative to custody; or

(iii) If the court makes a finding in accordance with (ii) of this paragraph, the court shall order that reasonable efforts be made towards the reunification of the child with his or her family.

(g) If the court had, before the disposition hearing in the action pending before the court, taken the child into custody, the judge or referee shall determine, and the youth court order shall recite that reasonable efforts were made by the Department of Human Services to finalize the child's permanency plan that was in effect on the date of the disposition hearing.

#### I. Under Current Law.

##### 1. In general.

Where the mother's children were removed from her home after her husband was charged with raping their 11-year-old daughter, the trial court did not err in refusing durable legal custody and terminating her parental rights. The mother did not qualify for durable legal custody, because she had not had custody of her children for at least one year prior to the proceeding. *May v. Harrison County Dep't of Human Servs.*, 883 So. 2d 74 (Miss. 2004).

Trial court erred in granting a father's motion for modification of child custody pursuant to Miss. Code Ann. § 93-5-23; the trial court placed too much emphasis on the natural parent presumption, and it was in the best interests of the children that they remain with a foster mother who had been granted durable legal custody under Miss. Code Ann. § 43-21-609. *Barnett v. Oathout*, — So. 2d —, 2003 Miss. LEXIS 583 (Miss. Oct. 30, 2003).

Youth court did not err in ordering that it was in the best interest of the child to grant durable legal custody to the foster parents, based on the child's situation of chronic abuse and long-term physical placement with the same foster family, but the youth court erred in relieving the Mississippi Department of Human Services in the case, as the intent of durable legal custody was merely to avoid the

required annual dispositional reviews, not a complete preclusion of further involvement. *In re S.A.M.*, 826 So. 2d 1266 (Miss. 2002).

While preference in custody matters was first given to parents, then relatives, and lastly to other people or agencies, relatives did not always have a preferential right to custody, especially where, as in the instant case, the infant or her brother incurred unexplained injuries consistent with those found in cases involving child abuse when with the parents or relatives, and, thus, the best interests of the infant did not involve placing her with those people. *In re E.M.*, 810 So. 2d 596 (Miss. 2002).

The evidence was insufficient to support the youth court's action of dissolving a no-contact order previously issued by the circuit court to prohibit a criminal defendant from being alone with his step-daughter, who was the victim of a gratification of lust charge to which the defendant pled guilty, where the circuit court order remained intact, no evidence or strategy was presented to assure the court that the step-daughter would not be alone and unsupervised while in the defendant's presence, and there was conflicting testimony as to whether the defendant received adequate treatment for sexual abuse as required by the circuit court order. *Loggans v. Hall*, 652 So. 2d 184 (Miss. 1995).

The evidence was insufficient to support a finding that a deaf child was "educationally neglected" within the meaning of the Youth Court Act (§§ 43-21-101 et seq.) where the child was enrolled in the best public school situation available to her in her local community, and therefore the court erred in ruling that the child should be removed from her home and placed in

the Mississippi School for the Deaf; a court cannot remove a child from her home and family simply because a more desirable setting is available elsewhere, as the court must first find a failure of the child's environment and then take steps to protect the child's interests. *In re C.R.*, 604 So. 2d 1079 (Miss. 1992).

Under § 43-21-609, which provides that in neglect and abuse cases a child may be placed in the custody of "his parents, a relative or other person," a non-relative may be considered equally with a relative in determining custody. *Prante v. Beggiani*, 519 So. 2d 1208 (Miss. 1988).

Despite the fact the record indicated that there was a substantial compliance with requirements of the trial court, the trial court properly directed that proceedings to terminate parental rights be instituted, where from all the evidence the court was apparently was of the opinion that the best interest of the child required the institution of such proceedings. *In re T.T.*, 427 So. 2d 1382 (Miss. 1983).

## 2. Durable legal custody.

Durable legal custody was not a mandatory option for the youth court and ultimately the paramount concern in determining proper disposition continued to be the best interest of the child, not reunification of the family; thus, the youth court did not err by not considering alternatives to termination of parental rights, specifically, durable legal custody under Miss. Code Ann. § 43-21-609. *B.S.G. v. J.E.H.*, 958 So. 2d 259 (Miss. Ct. App. 2007).

Fact that under durable legal custody the parent retains some form of residual rights and responsibilities is a vital and obvious distinction to termination of parental rights. Another distinction is that a decision to grant durable legal custody is not permanent and is, therefore, subject to further review and modification by the courts. *May v. Harrison County Dep't of Human Servs.*, 883 So. 2d 74 (Miss. 2004).

Durable legal custody was enacted by the Legislature to serve as an alternative to termination of parental rights. *May v. Harrison County Dep't of Human Servs.*, 883 So. 2d 74 (Miss. 2004).

## 6. In general.

A decree of the chancery court, affirming a youth court order, which adjudged an infant to be a neglected and battered child, which withdrew the custody of the child from both of its parents and awarded custody to the county welfare department must be reversed as to the child's father who was absent from the United States at the time the alleged neglect and battery took place and who had consistently provided for the support of his wife and child during his absence; and the child's custody should be awarded to its father. *Lee v. State*, 210 So. 2d 878 (Miss. 1968).

This section [Code 1942, § 7185-09] does not authorize the commitment of neglected children to a state training school. *In re Slay*, 245 Miss. 294, 147 So. 2d 299 (1962).

## § 43-21-611. Dispositional alternatives for children in need of special care.

If the youth court finds at the disposition hearing that a delinquent child, a child in need of supervision, a neglected child, an abused child or a dependent child is also a child in need of special care, the youth court may, in its discretion, make any appropriate additional disposition designed for the treatment of the disability or infirmity, which may include civil commitment to a state institution providing care for that disability or infirmity. Any commitment, including one to a Department of Mental Health facility, ordered pursuant to this section shall be in compliance with the requirements for civil commitment as set forth in Section 41-21-61 et seq. Discharge from a Department of Mental Health facility shall be made pursuant to the provisions of Section 41-21-87. Nothing contained in this section shall require any state institution, department or agency to provide any service, treatment or facility if said service, treatment or facility is not available, nor shall this section be construed to authorize the youth court to overrule an expulsion or suspension decision of appropriate school authorities.

## ATTORNEY GENERAL OPINIONS

Under Section 43-21-611, the youth court would have original jurisdiction over commitment of a mentally ill juvenile only where that juvenile is already in youth court jurisdiction as abused, neglected, delinquent, in need of supervision or de-

pendent. Jurisdiction over commitment proceedings for adults and for all other juveniles would be in chancery court pursuant to Section 41-21-63. Floyd, March 29, 1996, A.G. Op. #96-0148.

### **§ 43-21-613. Modification of disposition orders, probation or parole.**

(1) If the youth court finds, after a hearing which complies with the sections governing adjudicatory hearings, that the terms of a delinquency or child in need of supervision disposition order, probation or parole have been violated, the youth court may, in its discretion, revoke the original disposition and make any disposition which it could have originally ordered. The hearing shall be initiated by the filing of a petition that complies with the sections governing petitions in this chapter and that includes a statement of the youth court's original disposition order, probation or parole, the alleged violation of that order, probation or parole, and the facts which show the violation of that order, probation or parole. Summons shall be served in the same manner as summons for an adjudicatory hearing.

(2) On motion of a child or a child's parent, guardian or custodian, the youth court may, in its discretion, conduct an informal hearing to review the disposition order. If the youth court finds a material change of circumstances relating to the disposition of the child, the youth court may modify the disposition order to any appropriate disposition of equal or greater precedence which the youth court could have originally ordered.

(3)(a) Unless the youth court's jurisdiction has been terminated, all disposition orders for supervision, probation or placement of a child with an individual or an agency shall be reviewed by the youth court judge or referee at least annually to determine if continued placement, probation or supervision is in the best interest of the child or the public. For children who have been adjudicated abused or neglected, the youth court shall conduct a permanency hearing within twelve (12) months after the earlier of:

(i) An adjudication that the child has been abused or neglected; or

(ii) The date of the child's removal from the allegedly abusive or neglectful custodian/parent. Notice of such hearing shall be given in accordance with the provisions of Section 43-21-505(5). In conducting the hearing, the judge or referee shall require a written report and may require information or statements from the child's youth court counselor, parent, guardian or custodian, which includes, but is not limited to, an evaluation of the child's progress and recommendations for further supervision or treatment. The judge or referee shall, at the permanency hearing

determine the future status of the child, including, but not limited to, whether the child should be returned to the parent(s) or placed with suitable relatives, placed for adoption, placed for the purpose of establishing durable legal custody or should, because of the child's special needs or circumstances, be continued in foster care on a permanent or long-term basis. If the child is in an out-of-state placement, the hearing shall determine whether the out-of-state placement continues to be appropriate and in the best interest of the child. At the permanency hearing the judge or referee shall determine, and the youth court order shall recite that reasonable efforts were made by the Department of Human Services to finalize the child's permanency plan that was in effect on the date of the permanency hearing. The judge or referee may find that reasonable efforts to maintain the child within his home shall not be required in accordance with Section 43-21-603(7)(c), and that the youth court shall continue to conduct permanency hearings for a child who has been adjudicated abused or neglected, at least annually thereafter, for as long as the child remains in the custody of the Mississippi Department of Human Services.

(b) The court may find that the filing of a termination of parental rights petition is not in the child's best interest if:

(i) The child is being cared for by a relative; and/or

(ii) The Department of Human Services has documented compelling and extraordinary reasons why termination of parental rights would not be in the best interests of the child.

(c) The provisions of this subsection shall also apply to review of cases involving a dependent child; however, such reviews shall take place not less frequently than once each one hundred eighty (180) days. A dependent child shall be ordered by the youth court judge or referee to be returned to the custody and home of the child's parent, guardian or custodian unless the judge or referee, upon such review, makes a written finding that the return of the child to the home would be contrary to the child's best interests.

(d) Reviews are not to be conducted unless explicitly ordered by the youth court concerning those cases in which the court has granted durable legal custody. In such cases, the Department of Human Services shall be released from any oversight or monitoring responsibilities, and relieved of physical and legal custody and supervision of the child.

Contrary to a foster mother's claims, in changing custody from her to the children's natural father, the trial court did not rely on the natural parent presumption, but imposed the burden on the father to show a material change in circumstances, which was the appropriate standard. *Barnett v. Oathout*, 883 So. 2d 563 (Miss. 2004).

Youth court did not err in ordering that it was in the best interest of the child to grant durable legal custody to the foster parents, based on the child's situation of chronic abuse and long-term physical placement with the same foster family, but the youth court erred in relieving the Mississippi Department of Human Services in the case, as the intent of durable legal custody was merely to avoid the required annual dispositional reviews, not a complete preclusion of further involvement. *In re S.A.M.*, 826 So. 2d 1266 (Miss. 2002).

In a hearing on a mother's petition to restore custody of her 2 children, who had been adjudicated neglected and placed in foster care, the applicable standard for the chancellor's consideration was whether there was "a material change in circumstances as to custody that would benefit and be for the best interest of the children"; the focus does not change in custody matters where it is not one parent vying against the other for custody of their child, but rather, the Department of Human Services seeking to retain custody of a neglected or abused child rather than have the child returned to a parent. *Copiah County Dep't of Human Servs. v. Linda D.*, 658 So. 2d 1378 (Miss. 1995).

In a proceeding to determine custody of 2 children who had been adjudicated ne-

glected and placed in foster care, the chancellor erred by deciding to return custody of the children to their natural mother, even though she had substantially complied with the requirements in the "service agreement" submitted to her by the Department of Human Services, where almost nothing had changed about the mother's situation or her attitude toward caring for her children since she lost custody, and the children were afraid of her and did not want to return to her home. *Copiah County Dep't of Human Servs. v. Linda D.*, 658 So. 2d 1378 (Miss. 1995).

## 2. Evidence.

Trial court properly granted a natural father's petition for custody modification, as the children's foster mother's unjustified refusal to allow the father visitation or telephone contact was a material change in circumstances adverse to the children. *Barnett v. Oathout*, 883 So. 2d 563 (Miss. 2004).

The lower court could have bypassed the "reasonable efforts" to reunite the children with the parents and could have expedited the matter as a preference case for termination of parental rights where both parents refused to acknowledge the father's sexual abuse of the children at issue, the father failed to obtain counseling though the court-ordered program, and the mother failed to establish her own home independent of the father and work with the department of human services for the return of the children. *S.R.B.R. v. Harrison County Dep't of Human Servs.*, 798 So. 2d 437 (Miss. 2001).

Sections 43-21-603 and 43-21-613 clearly contemplate that strict adherence to the rules of evidence will not be required, and "concerns over hearsay evidence and the like are basically dismissed." *Copiah County Dep't of Human Servs. v. Linda D.*, 658 So. 2d 1378 (Miss. 1995).

Under § 43-21-613(3), testimony regarding a child's progress from those best able to comment is encouraged; thus, in a hearing on a mother's petition to restore custody of her 2 children, who had previously been adjudicated neglected and

placed in foster care, the testimony of the social workers assigned to their cases should have been allowed. *Copiah County Dep't of Human Servs. v. Linda D.*, 658 So. 2d 1378 (Miss. 1995).

## II. Under Former Law.

### 6. In general.

The youth court's jurisdiction of youth adjudged to be delinquent is a continuing one, with a continuing power to alter the terms of probation if, in the interests of the child, the original arrangement proves inadequate or ill advised, since without such flexibility the court would no longer be in an advantageous position to give a delinquent youth "another chance" as an initial measure, at least, by granting probation upon terms of the least possible

restraint and mild supervision. *McLeod v. Boone*, 232 So. 2d 733 (Miss. 1970).

At a minor's probation revocation hearing, the fact that the acts of misconduct charged to the minor did not violate any express condition of his probation did not mean that the youth court was without power to revoke probation or to change its conditions, in view of the fact that it was shown that the minor, during his probation, had been taken into custody on numerous occasions by law officers in connection with various acts of misconduct, which included "car prowling", shoplifting, incidents of assault and battery, and creating a public disturbance, it being an implicit condition of every order of probation that the probationer refrain from engaging in any criminal activity. *McLeod v. Boone*, 232 So. 2d 733 (Miss. 1970).

## § 43-21-615. Costs of conveying and treatment.

(1) The costs of conveying any child committed to any institution or agency shall be paid by the county or municipality from which the child is committed out of the general treasury of the county or municipality upon approval of the court. No compensation shall be allowed beyond the actual and necessary expenses of the child and the person actually conveying the child. In the case of a female child, the youth court shall designate some suitable woman to accompany her to the institution or agency.

(2) Whenever a child is committed by the youth court to the custody of any person or agency other than the custody of a state training school, the youth court, after giving the responsible parent or guardian a reasonable opportunity to be heard, may order that the parent or guardian pay, upon such terms or conditions as the youth court may direct, such sum or sums as will cover, in whole or in part, the support of the child including any necessary medical treatment. If the parent or guardian shall wilfully fail or refuse to pay such sum, he may be proceeded against for contempt of court as provided in this chapter.

### § 43-21-619. Power to order parents to pay child's expenses and restitution or to participate in counseling or family treatment program; orders to constitute civil judgment.

(1) The youth court may order financially able parents to pay for court ordered medical and other examinations and treatment of a child; for reasonable attorney's fees and court costs; and for other expenses found necessary or appropriate in the best interest of the child as determined by the youth court.

The youth court is authorized to enforce payments ordered under this subsection.

(2) The youth court may order the parents, guardians or custodians who exercise parental custody and control of a child who is under the jurisdiction of the youth court and who has willfully or maliciously caused personal injury or damaged or destroyed property, to pay such damages or restitution through the court to the victim in an amount not to exceed the actual loss and to enforce payment thereof. Restitution ordered by the youth court under this section shall not preclude recovery of damages by the victim from such child or parent, guardian or custodian or other person who would otherwise be liable. The youth court also may order the parents, guardians or custodians of a child who is under the jurisdiction of the youth court and who willfully or maliciously has caused personal injury or damaged or destroyed property to participate in a counseling program or other suitable family treatment program for the purpose of preventing future occurrences of malicious destruction of property or personal injury.

(3) Such orders under this section shall constitute a civil judgment and may be enrolled on the judgment rolls in the office of the circuit clerk of the county where such order was entered, and further, such order may be enforced in any manner provided by law for civil judgments.

## § 43-21-621. Power to order public school to enroll child; placement in alternative school program; school-related conditions of probation; notification of principal.

(1) The youth court may, in compliance with the laws governing education of children, order any state-supported public school in its jurisdiction after notice and hearing to enroll or reenroll any compulsory-school-age child in school, and further order appropriate educational services. Provided, however,

that the youth court shall not order the enrollment or reenrollment of a student that has been suspended or expelled by a public school pursuant to Section 37-9-71 or 37-7-301 for possession of a weapon on school grounds, for an offense involving a threat to the safety of other persons or for the commission of a violent act. For the purpose of this section "violent act" means any action which results in death or physical harm to another or an attempt to cause death or physical harm to another. The superintendent of the school district to which such child is ordered may, in his discretion, assign such child to the alternative school program of such school established pursuant to Section 37-13-92, Mississippi Code of 1972. The court shall have jurisdiction to enforce school and education laws. Nothing in this section shall be construed to affect the attendance of a child in a legitimate home instruction program.

(2) The youth court may specify the following conditions of probation related to any juvenile ordered to enroll or reenroll in school: That the juvenile maintain passing grades in up to four (4) courses during each grading period and meet with the court counselor and a representative of the school to make a plan for how to maintain those passing grades.

(3) If the adjudication of delinquency was for an offense involving a threat to the safety of the juvenile or others and school attendance is a condition of probation, the youth court judge shall make a finding that the principal of the juvenile's school should be notified. If the judge orders that the principal be notified, the youth court counselor shall within five (5) days or before the juvenile begins to attend school, whichever occurs first, notify the principal of the juvenile's school in writing of the nature of the offense and the probation requirements related to school attendance. A principal notified by a juvenile court counselor shall handle the report according to the guidelines and rules adopted by the State Board of Education.

(4) The Administrative Office of the Courts shall report to the Legislature on the number of juveniles reported to principals in accordance with this section no later than January 1, 1996.

## JUDICIAL DECISIONS

### 1. In general.

While Miss. Code Ann. § 43-21-621(1) empowers a youth court to order a state-supported public school within its jurisdiction to enroll or reenroll any compulsory-school-age child in school, the statute does not grant to the youth court the power to designate the specific school in which the child is to be enrolled. *R.D.W. v. Natchez-Adams Sch. Dist.*, 987 So. 2d 1038 (Miss. Ct. App. 2008).

Issue of a minor child's school placement was moot and a youth court lacked

jurisdiction to order the child's transfer to a high school from an alternative school, under Miss. Code Ann. § 43-21-621(1), because the child was assigned to the alternative school and was attending that school at the time he filed his motion in the youth court, seeking placement in the high school. *R.D.W. v. Natchez-Adams Sch. Dist.*, 987 So. 2d 1038 (Miss. Ct. App. 2008).

Youth court had jurisdiction to order reenrollment of student suspended for violation of school district's alcohol policy.

Board of Trustees v. T.H. ex rel. T.H., 681 So. 2d 110 (Miss. 1996).

### **§ 43-21-623. Testing of juvenile delinquents under the jurisdiction of the youth court for HIV and AIDS.**

Any juvenile who is adjudicated a delinquent on or after July 1, 1994, as a result of committing a sex offense as defined in Section 45-33-23 or any offense involving the crime of rape and placed in the custody of the Mississippi Department of Human Services, Office of Youth Services, shall be tested for HIV and AIDS. Such tests shall be conducted by the State Department of Health in conjunction with the Office of Youth Services, Mississippi Department of Human Services at the request of the victim or the victim's parents or guardian if the victim is a juvenile. The results of any positive HIV or AIDS tests shall be reported to the victim or the victim's parents or guardian if the victim is a juvenile as well as to the adjudicated offender. The State Department of Health shall provide counseling and referral to appropriate treatment for victims of a sex offense when the adjudicated offender tested positive for HIV or AIDS if the victim so requests.

### **§ 43-21-625. Wilderness training program for certain juvenile offenders.**

(1) The Department of Human Services shall develop and implement a wilderness training program for first time youth offenders sentenced or classified as delinquency cases or as children in need of supervision.

(2) The program shall include supervised camping trips, calisthenics, manual labor assignments, physical training with obstacle courses, training in decision-making and personal development and drug counseling and rehabilitation programs.

(3) The department shall adopt rules requiring that wilderness training participants complete a structured disciplinary program and allowing for a restriction on general inmate population privileges.

(4) Upon receipt of youth offenders, the department shall screen offenders for the wilderness training program. To participate, an offender must have no physical limitations which would preclude participation in strenuous activity,

must not be impaired and must not have been previously incarcerated in a state or federal correctional facility. In screening offenders for the wilderness training program, the department shall consider the offender's criminal history and the possible rehabilitative benefits of the program. If an offender meets the specified criteria and space is available, the department shall request in writing from the sentencing court, approval to participate in the wilderness training program. If the person is classified by the court as a delinquent or child in need of supervision and the department is requesting approval from the sentencing court for placement in the program, the department shall, at the same time, notify the prosecuting attorney that the offender is being considered for placement in the wilderness training program. The notice shall explain that the purpose of such placement is diversion from lengthy incarceration when a wilderness training program could produce the same deterrent effect, and that the person given notice may, within fourteen (14) days of the mailing of the notice, notify the sentencing court in writing of objections, if any, to the placement of the offender in the wilderness training program. The sentencing court shall notify the department in writing of placement approval no later than twenty-one (21) days after receipt of the department's request for placement of the youthful offender in the wilderness training program. Failure to notify the department within twenty-one (21) days shall be considered an approval by the sentencing court for placing the youthful offender in the wilderness training program. The offices of the prosecuting attorneys may develop procedures for notifying each victim that the offender is being considered for placement in the wilderness training program.

(5) The program shall provide a period of rigorous training to offenders who require a greater degree of supervision than community control or probation provides. Wilderness training programs may be operated in secure areas in or adjacent to adult institutions or in any area approved by the department. The program is not intended to divert offenders away from probation or community control but to divert them from long periods of incarceration when a wilderness training program could produce the same deterrent effect.

(6) If an offender in the wilderness training program becomes unmanageable, the department may place him in an appropriate facility to complete the remainder of his sentence. Any period of time in which the offender is unable to participate in the wilderness training program activities may be excluded from the specified time requirements in the program. The portion of the sentence served prior to placement in the wilderness training program shall not be counted toward program completion. Upon the offender's completion of the wilderness training program, the department shall submit a report to the court that describes the offender's performance. If the offender's performance has been satisfactory, the court shall issue an order modifying the sentence imposed and placing the offender on probation. If the offender violates the conditions of probation, the court may revoke probation and impose any sentence which it might have originally imposed.

(7) The department shall provide a special training program for staff selected for the wilderness training program.

(8) The department is authorized to contract with any private or public nonprofit organization or entity to carry out the purpose of this section.

### **§ 43-21-627. Alternative work program; qualified offenders; volunteers; supervision; removal from program.**

Each youth court is authorized to establish a youth court work program as an alternative disposition for nonviolent offenders. The youth court work program shall be used only for first time nonviolent youth offenders. The court shall solicit and approve the assistance of volunteers from the area served by the youth court, including business and community volunteers. The court may require a nonviolent youth offender to work for a minimum of six (6) months with a court approved volunteer as part or all of a sentence imposed by the court. The volunteers shall provide a working environment as mentors to provide guidance and support and to teach the youth offender job skills. Each youth offender and volunteer shall be under the supervision of the court and shall make regular reports to the court as required by order of the court. If a youth offender violates the terms and conditions imposed by the court while participating in the youth court work program, the court is authorized to remove the offender from the program and impose any other disposition authorized by law.

### APPEALS

**SEC.**  
43-21-651. Appeals to Supreme Court.

### **§ 43-21-651. Appeals to Supreme Court.**

(1) The court to which appeals may be taken from final orders or decrees of the youth court shall be the Supreme Court of Mississippi. In any case wherein an appeal is desired, written notice of intention to appeal shall be filed with the youth court clerk within ten (10) days after the rendition of the final order or decree to be appealed from, and costs in the youth court and the filing fee in the Supreme Court shall be paid as is otherwise required by law for appeals to the Supreme Court. If the appellant shall make affidavit that he is unable to pay such costs and filing fee, he shall have an appeal without

prepayment of court costs and filing fee. Only the initials of the child shall appear on the record on appeal.

(2) The pendency of an appeal shall not suspend the order or decree of the youth court regarding a child, nor shall it discharge the child from the custody of that court or of the person, institution or agency to whose care such child shall have been committed, unless the youth court or supreme court shall so order. If appellant desires to appeal with supersedeas, the matter first shall be presented to the youth court. If refused, the youth court shall forthwith issue a written order stating the reasons for the denial, which order shall be subject to review by the supreme court. If the supreme court does not dismiss the proceedings and discharge the child, it shall affirm or modify or reverse the order of the youth court and remand the child to the jurisdiction of the youth court for placement and supervision in accordance with its order, and thereafter the child shall be and remain under the jurisdiction of the youth court in the same manner as if the youth court had made the order without an appeal having been taken.

(3) Appeals from the youth court shall be preference cases in the Supreme Court.

#### 1. In general.

Finding that the juvenile was a delinquent child after having been charged with simple assault was proper where he was required to immediately appeal the decision of the trial court which refused his motion to appeal supersedeas to the Supreme Court before proceeding with his appeal on the merits, Miss. Code Ann. § 43-21-651(2); the Supreme Court could then have reviewed the order of the youth court and determined whether the judge had abused his discretion, but, since the juvenile failed to appeal, his claim on that issue was procedurally barred. *In re G. L. H.*, 843 So. 2d 109 (Miss. Ct. App. 2003).

There was no evidence in the record of any appeal taken from the judgment of the youth court, much less any appeal taken within the requisite 10 days; as the father's proper method of seeking relief from the youth court's determination would have been to file an appeal with the appellate court within 10 days, the filing of an original circuit court complaint against the Department of Human Services a year and a half later was not the appropriate remedy for seeking relief. *Little v. Miss. Dep't of Human Servs.*, 835 So. 2d 9 (Miss. 2002), cert. denied, 540 U.S. 878, 124 S. Ct. 296, 157 L. Ed. 2d 142 (2003).

Though separate hearings are required for the two phases of a youth court determination, they are both part of the same proceeding for an appeal, and there is no final appealable order in a delinquency proceeding until the youth court has entered its order of disposition. *J.P.C. v. State*, 783 So. 2d 778 (Miss. Ct. App. 2000).

The youth court system does not unconstitutionally usurp jurisdiction committed exclusively to the chancery court by permitting the Supreme Court to hear a direct appeal without appeal to the chancery court, even though the Mississippi Constitution provides that the chancery court shall have full jurisdiction over "minor's business." Youth courts are neither superior, equal, or inferior to other "inferior" courts; they are special courts due to the special nature of their function. Thus, the legislature had authority to vest in the youth courts "exclusive original jurisdiction in all proceedings concerning ...an abused child," and the social imperative for prompt disposition of matters affecting children is sufficiently within the police power that the legislature may streamline the appellate process. In re T.L.C., 566 So. 2d 691 (Miss. 1990).

In the youth court, as elsewhere, requests for continuance are addressed to the sound discretion of the court, except that in youth court more so than almost any other there is an imperative that the Court proceed with the matter as promptly as may fairly be done. The Supreme Court will not reverse the youth court in exercising its discretion in these cases unless the youth court abused its discretion and the Supreme Court is convinced that injustice would result therefrom. In re T.L.C., 566 So. 2d 691 (Miss. 1990).

Section 9-13-33 [repealed] does not in any way limit its application such that appeals from the youth court would be outside its coverage. Thus, a court reporter was required to refund to a father any sums that the father had deposited or paid in excess of the fees allowable under § 9-13-33 [repealed] for a transcript of proceedings in the youth court in which his daughter had been adjudged an abused child. In re T.L.C., 566 So. 2d 691 (Miss. 1990).

A person colorably claiming to be a natural parent, even if a non-custodial one, has standing to appeal an order of a youth court adjudging custody or other matters regarding his or her child. Several sections of the Youth Court Act recognize the parent or guardian of the child as a party to the proceedings by requiring

that they be provided with notice; while these statutes do not grant a right of appeal, they do recognize the substantial interest a parent has in the outcome of the proceedings, whatever their nature-the continued custody of their child. Thus, a father had standing to appeal a youth court's order placing his child in the custody of her mother, even though the father was not and had never been married to the child's mother. In re T.L.C., 566 So. 2d 691 (Miss. 1990).

Where a statutory appeal is taken from a youth court, the statute is mandatory that nowhere on the records of the Supreme Court or the appellate records or briefs or other proceedings should the minor's name appear, only his or her initials; however, failure to submit the appellate record showing only initials is not reversible error. In re R.R.B., 394 So. 2d 907 (Miss. 1981).

## 2.-5. [Reserved for future use].

## II. Under Former Law.

### 6. In general.

A juvenile was entitled to present evidence to the Supreme Court on appeal for its determination as to whether an attorney appointed by the youth court effectively aided the juvenile and whether the constitutional rights of the juvenile were violated, the trial judge not being the final judge as to such questions. Dependents of Roberts v. Holiday Parks, 221 So. 2d 92 (Miss. 1969).

Where the youth court has continuing, retained jurisdiction over the case of a minor, it is the proper tribunal to determine any factual issues as to the minor's rehabilitation occurring subsequent to its order committing him to a training school; which order was affirmed by the Supreme Court. In re Green, 203 So. 2d 470 (Miss. 1967), cert. denied, 392 U.S. 945, 88 S. Ct. 2297, 20 L. Ed. 2d 1407 (1968).

A youth court order finding a minor to be a delinquent child and that it would be for his best interest that he be placed in a training school is reviewable by the Supreme Court. In re Green, 203 So. 2d 470 (Miss. 1967), cert. denied, 392 U.S. 945, 88 S. Ct. 2297, 20 L. Ed. 2d 1407 (1968).

Where a minor and his parents contend they were denied their full right of appeal

from a decision of a youth court in that no transcript of the testimony introduced there was provided them, the fact that they did not request the transcript, even

assuming they were entitled to one, did not constitute a denial of their rights. In re Simpson, 199 So. 2d 833 (Miss. 1967).

The youth court of any county in the state may establish a teen court program for the diversion of certain offenders who have waived all right of confidentiality and privilege against self-incrimination. The youth court of Rankin County may extend its teen court program within the city limits of Pearl. The offenders eligible to participate shall be those offenders who in the

discretion of the youth court are suitable and compulsory-school-age children who have come into the jurisdiction of the youth court as a result of not attending school. The teen court shall be a preventive program for juveniles comprised of youth who are not less than thirteen (13) nor more than seventeen (17) years of age, which students shall serve as prosecutor, defense counsel, bailiff, court clerk and jurors. The program is to administer the "sentencing" or disposition phase of the proceedings against offenders who elect to participate, shall be under the guidance of the local youth court, and shall be approved by the local youth court. The youth court judge, or his designee who is a licensed attorney, shall preside. The teen court is authorized to require eligible offenders who choose to go to teen court in lieu of youth court to perform up to one hundred twelve (112) hours of community service, require offenders to make a personal apology to a victim, require offenders to submit a research paper on any relevant subject, attend counseling and make restitution or any other disposition authorized by the youth court. The youth court shall establish rules and regulations, including sentencing guidelines, for the operation of a teen court. The teen court is authorized to accept monies from any available public or private source, including public or private donations, grants, gifts and appropriated funds for funding expenses of operating the court.

Teen court may be held at whatever location the youth court selects at whatever time or times. Eligible offenders shall be only those children who agree to participate in the teen court and to abide by the teen court's rulings, whose parents or legal guardian shall also so agree, and who are otherwise qualified to participate.

The youth court judge may require an offender who elects to participate in the teen court to pay a fee not to exceed Five Dollars (\$5.00); any such fees shall be used in administering this article, and the fee shall not be refunded, regardless of whether the child successfully completes the teen court program.

SEC.

43-21-801. Youth Court Support Fund established; purpose; eligibility for funding; appropriation of funds; annual continuing juvenile justice education requirement.

43-21-803. Tony Gobar Individualized Assessment and Comprehensive Community

Intervention Initiative (IACCII) Program established; purposes; eligibility for grants; programs and services; application for assistance; Tony Gobar "IACCII" Fund created [Repealed effective July 1, 2012].

**§ 43-21-801. Youth Court Support Fund established; purpose; eligibility for funding; appropriation of funds; annual continuing juvenile justice education requirement.**

(1) There is established the Youth Court Support Program. The purpose of the program shall be to ensure that all youth courts have sufficient support funds to carry on the business of the youth court. The Administrative Office of Courts shall establish a formula consistent with this section for providing state support payable from the Youth Court Support Fund for the support of the youth courts.

(a)(i) Each regular youth court referee is eligible for youth court support funds so long as the senior chancellor does not elect to employ a youth court administrator as set forth in paragraph (b); a municipal youth court judge is also eligible. The Administrative Office of Courts shall direct any funds to the appropriate county or municipality, but each regular youth court referee or municipal youth court judge shall have the sole individual discretion to appropriate those funds as expense monies to assist in hiring secretarial staff and acquiring materials and equipment incidental to carrying on the business of the court within the private practice of law of the referee or judge, or may direct the use of those funds through the county or municipal budget for court support supplies or services. The regular youth court referee and municipal youth court judge shall be accountable for assuring through private, county or municipal employees the proper preparation and filing of all necessary tracking and other documentation attendant to the administration of the youth court.

(ii) Title to all tangible property, excepting stamps, stationery and minor expendable office supplies, procured with funds authorized by this section, shall be and forever remain in the county or municipality to be used by the judge or referee during the term of his office and thereafter by his successors.

(b)(i) When permitted by the Administrative Office of Courts and as funds are available, the senior chancellor for Chancery Districts One, Two, Three, Four, Six, Seven, Nine, Ten, Thirteen, Fourteen, Fifteen and Eighteen may appoint a youth court administrator for the district whose responsibility will be to perform all reporting, tracking and other duties of a court administrator for all youth courts in the district that are under the chancery court system. Any chancery district listed in this paragraph in which a chancellor appoints a referee or special master to hear any youth court matter is ineligible for funding under this paragraph (b). The Administrative Office of Courts may allocate to an eligible chancery district a sum not to exceed Thirty Thousand Dollars (\$30,000.00) per year for the salary, fringe benefits and equipment of the youth court administrator, and an additional sum not to exceed One Thousand Nine Hundred Dollars (\$1,900.00) for the administrator's travel expenses.

(ii) The appointment of a youth court administrator shall be evidenced by the entry of an order on the minutes of the court. The person appointed shall serve at the will and pleasure of the senior chancellor but shall be an employee of the Administrative Office of Courts.

(iii) The Administrative Office of Courts must approve the position, job description and salary before the position can be filled. The Administrative Office of Courts shall not approve any plan that does not first require the expenditure of the funds from the Youth Court Support Fund before expenditure of county funds is authorized for that purpose.

(iv) Title to any tangible property procured with funds authorized under this paragraph shall be and forever remain in the State of Mississippi.

(c)(i) Each county court is eligible for youth court support funds, and the senior county court judge shall have discretion to direct the expenditure of those funds in hiring support staff to carry on the business of the court.

(ii) For the purposes of this paragraph, "support staff" means court administrators, law clerks, legal research assistants, secretaries, resource administrators or case managers appointed by a youth court judge, or any combination thereof, but shall not mean school attendance officers.

(iii) The appointment of support staff shall be evidenced by the entry of an order on the minutes of the court. The support staff so appointed shall serve at the will and pleasure of the senior county court judge but shall be an employee of the county.

(iv) The Administrative Office of Courts must approve the positions, job descriptions and salaries before the positions may be filled. The Administrative Office of Courts shall not approve any plan that does not first require the expenditure of funds from the Youth Court Support Fund before expenditure of county funds is authorized for that purpose.

(v) The Administrative Office of Courts may approve expenditure from the fund for additional equipment for support staff appointed pursuant to this paragraph if the additional expenditure falls within the formula. Title to any tangible property procured with funds authorized under this paragraph shall be and forever remain in the county to be used by the youth court and support staff.

(2)(a)(i) The formula developed by the Administrative Office of Courts for providing youth court support funds shall be devised so as to distribute appropriated funds proportional to caseload and other appropriate factors as set forth in regulations promulgated by the Administrative Office of Courts. The formula will determine a reasonable maximum amount per judge or referee per annum that will not be exceeded in allocating funds under this section.

(ii) The formula shall be reviewed by the Administrative Office of Courts every two (2) years to ensure that the youth court support funds provided herein are proportional to each youth court's caseload and other specified factors.

(iii) The Administrative Office of Courts shall have wide latitude in the first two-year cycle to implement a formula designed to maximize caseload data collection.

(b) Application to receive funds under this section shall be submitted in accordance with procedures established by the Administrative Office of Courts.

(c) Approval of the use of any of the youth court support funds distributed under this section shall be made by the Administrative Office of Courts in accordance with procedures established by the Administrative Office of Courts.

(3)(a) There is created in the State Treasury a special fund to be designated as the "Youth Court Support Fund," which shall consist of funds appropriated or otherwise made available by the Legislature in any manner and funds from any other source designated for deposit into such fund. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund. Monies in the fund shall be distributed to the youth courts by the Administrative Office of Courts for the purposes described in this section.

(b)(i) During the regular legislative session held in calendar year 2007, the Legislature may appropriate an amount not to exceed Two Million Five Hundred Thousand Dollars (\$2,500,000.00) to the Youth Court Support Fund.

(ii) During each regular legislative session subsequent to the 2007 Regular Session, the Legislature shall appropriate Two Million Five Hundred Thousand Dollars (\$2,500,000.00) to the Youth Court Support Fund.

(c) No youth court judge or youth court referee shall be eligible to receive funding from the Youth Court Support Fund who has not received annual continuing education in the field of juvenile justice in an amount to conform with the requirements of the Rules and Regulations for Mandatory Continuing Judicial Education promulgated by the Supreme Court. The Administrative Office of Courts shall maintain records of all referees and youth court judges regarding such training and shall not disburse funds to any county or municipality for the budget of a youth court judge or referee who is not in compliance with the judicial training requirements.

(4) Any recipient of funds from the Youth Court Support Fund shall not be eligible for continuing disbursement of funds if the recipient is not in compliance with the terms, conditions and reporting requirements set forth in the procedures promulgated by the Administrative Office of Courts.

(1) There is established the Tony Gobar Individualized Assessment and Comprehensive Community Intervention Initiative (IACCII) Program for the purposes of:

(a)(i) Providing comprehensive strength-based needs assessments, individualized treatment plans and community-based services for certain youth who would otherwise be committed to the training schools. The IACCII ensures that youth and their families can access necessary services available in their home communities; and

(ii) Providing grants to faith-based organizations and nonprofit 501(c)(3) organizations that develop and operate community-based alternatives to the training schools and detention centers. In order to be eligible for a grant under this paragraph, a faith-based or nonprofit 501(c)(3) organization in cooperation with a youth court must develop and operate a juvenile justice alternative sanction designed for delinquent youths. The program must be designed to decrease reliance on commitment in juvenile detention facilities and training schools.

(b) Programs established pursuant to this subsection must not duplicate existing programs or services and must incorporate best practices principles and positive behavioral interventions. The Department of Human Services shall have sole authority and power to determine the programs to be funded pursuant to this section.

(2) A faith-based or nonprofit 501(c)(3) must submit an application to the Department of Human Services. The application must include a description of the purpose for which assistance is requested, the amount of assistance requested and any other information required by the Department of Human Services.

(3) The Department of Human Services shall have all powers necessary to implement and administer the program established under this section, and the department shall promulgate rules and regulations, in accordance with the Mississippi Administrative Procedures Law, necessary for the implementation of this section.

(4)(a) There is created in the State Treasury a special fund to be designated as the “Tony Gobar ‘IACCII’ Fund,” which shall consist of funds appropriated or otherwise made available by the Legislature in any manner and funds from any other source designated for deposit into such fund. Unexpended amounts remaining in the fund at the end of a fiscal year shall

The Governor, on behalf of this state, may execute a compact in substantially the following form, and the Legislature signifies in advance its approval and ratification of the compact:

### THE INTERSTATE COMPACT FOR JUVENILES

#### ARTICLE I

#### PURPOSE

The compacting states to this Interstate Compact recognize that each state is responsible for the proper supervision or return of juveniles, delinquents and status offenders who are on probation or parole and who have absconded, escaped or run away from supervision and control and in so doing have endangered their own safety and the safety of others. The compacting states also recognize that each state is responsible for the safe return of juveniles who have run away from home and in doing so have left their state of residence. The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 USCS Section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

It is the purpose of this compact, through means of joint and cooperative action among the compacting states to:

(a) Ensure that the adjudicated juveniles and status offenders subject to this compact are provided adequate supervision and services in the receiving state as ordered by the adjudicating judge or parole authority in the sending state;

(b) Ensure that the public safety interests of the citizens, including the victims of juvenile offenders, in both the sending and receiving states are adequately protected.

(c) Return juveniles who have run away, absconded or escaped from supervision or control or have been accused of an offense to the state requesting their return;

(d) Make contracts for the cooperative institutionalization in public facilities in member states for delinquent youth needing special services;

(e) Provide for the effective tracking and supervision of juveniles;

(f) Equitably allocate the costs, benefits and obligations of the compacting states;

(g) Establish procedures to manage the movement between states of juvenile offenders released to the community under the jurisdiction of courts, juvenile departments, or any other criminal or juvenile justice agency that has jurisdiction over juvenile offenders;

(h) Ensure immediate notice to jurisdictions where defined offenders are authorized to travel or to relocate across state lines;

(i) Establish procedures to resolve pending charges (detainers) against juvenile offenders before transfer or release to the community under the terms of this compact.

(j) Establish a system of uniform data collection on information pertaining to juveniles subject to this compact that allows access by authorized juvenile justice and criminal justice officials, and regular reporting of compact activities to heads of state, executive, judicial, and legislative branches and juvenile and criminal justice administrators;

(k) Monitor compliance with rules governing interstate movement of juveniles and initiate interventions to address and correct noncompliance;

(l) Coordinate training and education regarding the regulation of interstate movement of juveniles for officials involved in that activity; and

(m) Coordinate the implementation and operation of the compact with the Interstate Compact for the Placement of Children, the Interstate Compact for Adult Offender Supervision and other compacts affecting juveniles particularly in those cases where concurrent or overlapping supervision issues arise.

It is the policy of the compacting states that the activities conducted by the Interstate Commission created by this compact are the formation of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the purposes and policies of the compact.

The commission shall have all the responsibilities, powers and duties set forth in this compact, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

(2) The Interstate Commission shall consist of commissioners appointed by the appropriate appointing authority in each state pursuant to the rules and requirements of each compacting state and in consultation with the State Council for Interstate Juvenile Supervision created under this compact. The commissioner shall be the compact administrator, deputy compact administrator or designee from that state who shall serve on the Interstate Commission in such capacity under the applicable law of the compacting state.

(3) In addition to the commissioners who are the voting representatives of each state, the Interstate Commission shall include individuals who are not commissioners, but who are members of interested organizations. Those noncommissioner members must include a member of the national organizations of governors, legislators, state chief justices, attorneys general, Interstate Compact for Adult Offender for Adult Offender Supervision, Interstate Compact for the Placement of Children, juvenile justice and juvenile corrections officials and crime victims. All noncommissioner members of the Interstate Commission shall be ex officio nonvoting members. The Interstate Commission may provide in its bylaws for additional ex officio nonvoting members, including members of other national organizations, in such numbers as determined by the commission.

(4) Each compacting state represented at any meeting of the commission is entitled to one (1) vote. A majority of the compacting states shall constitute a quorum for the transaction of business, unless a larger quorum is required by the bylaws of the Interstate Commission.

(5) The commission shall meet at least once each calendar year. The chairperson may call additional meetings and, upon the request of a simple majority of the compacting states, shall call additional meetings. Public notice shall be given of all meetings and meetings shall be open to the public.

(6) The Interstate Commission shall establish an executive committee, which shall include commission officers, members and others as determined by the bylaws. A member shall vote in person and shall not delegate a vote to another compacting state. However, a commissioner, in consultation with the State Council, shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the compacting state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication.

(i) Specifically relate to the Interstate Commission's issuance of a subpoena, or its participation in a civil action or other legal proceeding.

(10) For every meeting closed under this provision, the Interstate Commission's legal counsel shall publicly certify that, in the legal counsel's

opinion, the meeting may be closed to the public, and shall reference each relevant exemptive provision. The Interstate Commission shall keep minutes that shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in the minutes.

(11) The Interstate Commission shall collect standardized data concerning the interstate movement of juveniles as directed through its rules, which shall specify the data to be collected, the means of collection, data exchange and reporting requirements. Those methods of data collection, exchange and reporting shall, insofar as is reasonably possible, conform to up-to-date technology and coordinate its information functions with the appropriate repository of records.

#### ARTICLE IV POWERS AND DUTIES OF THE INTERSTATE COMMISSION

The commission shall have the following powers and duties:

- (a) To provide for dispute resolution among compacting states.

The executive director shall serve as secretary to the Interstate Commission, but shall not be a member and shall hire and supervise such other staff as may be authorized by the Interstate Commission.

**(3) Qualified Immunity, Defense and Indemnification.** (a) The commission's executive director and employees shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property, personal injury or other civil liability caused or arising out of or relating to any actual or alleged act, error, or omission that occurred, or that the person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; however, any such person shall not be protected from suit or liability for any damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of any such person.

(4) Allow not later than sixty (60) days after a rule is promulgated, any interested person to file a petition in the United States District Court for the District of Columbia or in the Federal District Court where the Interstate Commission's principal office is located for judicial review of the rule. substantial evidence in the rule-making record, the court shall hold the rule unlawful and set it aside. For purposes of this subsection, evidence is substantial if it would be considered substantial evidence under the Model State Administrative Procedures Act.

(5) If a majority of the legislatures of the compacting states rejects a rule, those states may, by enactment of a statute or resolution in the same manner used to adopt the compact, cause that the rule shall have no further force and effect in any compacting state.

The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, taking into consideration the population of each compacting state and the volume of interstate movement of juveniles in each compacting state, and shall promulgate a rule binding upon all compacting states which governs the assessment.

(3) The Interstate Commission shall not incur any obligations of any kind before securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(4) The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. Each compacting state retains the right to determine the qualifications of the compact administrator or deputy compact administrator. The initial effective date shall be the later of July 1, 2004, or upon enactment into law by the thirty-fifth jurisdiction. Thereafter, it shall become effective and binding as to any other compacting state upon enactment of the compact into law by that state. The governors of nonmember states or their designees shall be invited to participate in the activities of the Interstate Commission on a nonvoting basis before adoption of the compact by all states and territories of the United States.

(3) The Interstate Commission may propose amendments to the compact for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

#### ARTICLE XI WITHDRAWAL, DEFAULT, TERMINATION AND JUDICIAL ENFORCEMENT

(1) **Withdrawal.** (a) Once effective, the compact shall continue in force and remain binding upon each and every compacting state; however, a compacting state may withdraw from the compact by specifically repealing the statute that enacted the compact into law.

(b) The effective date of withdrawal is the effective date of the repeal.

(c) The withdrawing state shall immediately notify the chairperson of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within sixty (60) days of its receipt thereof.

(d) The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

(e) Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the Interstate Commission.

(2) **Technical Assistance, Fines, Suspension, Termination and Default.** (a) If the Interstate Commission determines that any compact-

(i) Remedial training and technical assistance as directed by the Interstate Commission;

(ii) Alternative dispute resolution;

(iii) Fines, fees and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission; and

(iv) Suspension or termination of membership in the compact, which shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted and the Interstate Commission has therefore determined that the offending state is in default. Immediate notice of suspension shall be given by the Interstate Commission to the governor, the chief justice or the chief judicial officer of the state, the majority and minority leaders of the defaulting state's legislature and the State Council. The grounds for default include, but are not limited to, failure of a compacting state to perform the obligations or responsibilities imposed upon it by this compact, the bylaws or duly promulgated rules and any other grounds designated in commission bylaws and rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the Interstate Commission and of the default pending a cure of the default. The commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the commission, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of termination.

(b) Within sixty (60) days of the effective date of termination of a defaulting state, the commission shall notify the governor, the chief justice or the chief judicial officer, the majority and minority leaders of the defaulting state's legislature, and the State Council of that termination.

(c) The defaulting state is responsible for all assessments, obligations and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

(d) The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon in writing between the Interstate Commission and the defaulting state.

(e) Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

(3) **Judicial Enforcement.** The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District

Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district court where the Interstate Commission has its offices, to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws, against any compacting state in default. If judicial enforcement is necessary, the prevailing party shall be awarded all costs of the litigation, including reasonable attorney's fees.

(4) **Dissolution of Compact.** (a) The compact dissolves effective upon the date of the withdrawal or default of the compacting state, which reduces membership in the compact to one (1) compacting state.

(b) Upon the dissolution of the compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be concluded and any surplus funds shall be distributed in accordance with the bylaws.

## ARTICLE XII SEVERABILITY AND CONSTRUCTION

(1) **Other Laws.** (a) Nothing in this compact prevents the enforcement of any other law of a compacting state that is not inconsistent with this compact.

(b) All compacting states' laws other than state constitutions and other interstate compacts conflicting with this compact are superseded to the extent of the conflict.

(2) **Binding Effect of the Compact.** (a) All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the compacting states.

(d) If any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers or jurisdiction sought to be conferred by that provision upon the Interstate Commission shall be ineffective and those obligations, duties, powers or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which those obligations, duties, powers or jurisdiction are delegated by law in effect at the time this compact becomes effective.

Bureau of Building, Grounds and Real Property Management to construct and equip certain juvenile correctional facilities; referendum on site location; adolescent offender pilot program; operation and maintenance of certain forestry camp; establishment of transitional ten-bed facility for training school juveniles.**

(1) The purpose of this section is to outline and structure a long-range proposal in addition to certain immediate objectives for improvements in the

juvenile correctional facilities of the Division of Youth Services of the Mississippi Department of Human Services in order to provide modern and efficient correctional and rehabilitation facilities for juvenile offenders in Mississippi, who are committing an increasing percentage of serious and violent crimes.

(2) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, using funds from bonds issued under this chapter, monies appropriated by the Legislature for such purposes, federal matching or other federal funds, federal grants or other available funds from whatever source, shall provide for, by construction, lease, lease-purchase or otherwise, and equip the following juvenile correctional facilities under the jurisdiction and responsibility of the Division of Youth Services of the Department of Human Services:

(a) Construct an additional one-hundred-fifty-bed, stand-alone, medium security juvenile correctional facility for habitual violent male offenders, which complies with American Correctional Association Accreditation standards and applicable building and fire safety codes. The medium security, male juvenile facility location shall be on property owned by the Division of Youth Services, or its successor, or at a site selected by the Bureau of Building, Grounds and Real Property Management on land which is hereafter donated to the state specifically for the location of such facility.

(b) Construct an additional one-hundred-bed minimum security juvenile correctional facility for female offenders, and an additional stand-alone, fifteen-bed maximum security juvenile correctional facility for female offenders, which complies with American Correctional Association Accreditation standards and applicable building and fire safety codes. The minimum security and maximum security female juvenile facilities location shall be on property owned by the Division of Youth Services, or its successor, or at a site selected by the Bureau of Building, Grounds and Real Property Management on land which is hereafter donated to the state specifically for the location of such facility.

(3) Upon the selection of a proposed site for a correctional facility for juveniles authorized under subsection (2), the Bureau of Building, Grounds and Real Property Management of the Department of Finance and Administration shall notify the board of supervisors of the county in which such facility is proposed to be located and shall publish a notice as hereinafter set forth in a newspaper having general circulation in such county. Such notice shall include a description of the tract of land in the county whereon the facility is proposed to be located, the nature and size of the facility and the date on which the determination of the Bureau of Building, Grounds and Real Property Management shall be final as to the location of such facility, which date shall not be less than forty-five (45) days following the first publication of such notice. Such notice shall include a brief summary of the provisions of this section pertaining to the petition for an election on the question of the location of the juvenile housing facility in such county. Such notice shall be published not less than one (1) time each week for at least three (3) consecutive weeks in at least one (1) newspaper published in such county.

If no petition requesting an election is filed before the date of final determination stated in such notice, then the bureau shall give final approval to the location of such facility.

If at any time before the aforesaid date a petition signed by twenty percent (20%), or fifteen hundred (1,500), whichever is less, of the qualified electors of the county involved shall be filed with the board of supervisors requesting that an election be called on the question of locating such facility, then the board of supervisors shall adopt a resolution calling an election to be held within such county upon the question of the location of such facility. Such election shall be held, as far as practicable, in the same manner as other elections are held in counties. At such election, all qualified electors of the county may vote, and the ballots used at such election shall have printed thereon a brief statement of the facility to be constructed and the words "For the construction of the facility in (here insert county name) County" and "Against the construction of the facility in (here insert county name) County." The voter shall vote by placing a cross (X) or check mark (✓) opposite his choice on the proposition. When the results of the election on the question of the construction of the facility shall have been canvassed by the election commissioners of the county and certified by them to the board of supervisors, it shall be the duty of the board of supervisors to determine and adjudicate whether or not a majority of the qualified electors who voted thereon in such election voted in favor of the construction of the facilities in such county. Unless a majority of the qualified electors who voted in such election shall have voted in favor of the construction of the facilities in such county, then such facility shall not be constructed in such county.

(4) The Division of Youth Services shall establish, maintain and operate an Adolescent Offender Program (AOP), which may include non-Medicaid assistance eligible juveniles. Beginning July 1, 2006, subject to availability of funds appropriated therefor by the Legislature, the Division of Youth Services shall phase in AOPs in every county of the state over a period of four (4) years. The phase-in of the AOPs shall be as follows:

(d) As of July 1, 2010, all eighty-two (82) counties shall be served by at least one (1) AOP.

AOP professional services, salaries, facility offices, meeting rooms and related supplies and equipment may be provided through contract with local mental health or other nonprofit community organizations. Each AOP must incorporate evidence-based practices and positive behavioral intervention that includes two (2) or more of the following elements: academic, tutoring, literacy, mentoring, vocational training, substance abuse treatment, family counseling and anger management. Programs may include, but shall not be limited to, after school and weekend programs, job readiness programs, home detention

programs, community service conflict resolution programs, restitution and community service.

(5) The Division of Youth Services shall operate and maintain the Forestry Camp Number 43 at the Columbia Training School, originally authorized and constructed in 1973, to consist of a twenty-bed dormitory, four (4) offices, a classroom, kitchen, dining room, day room and apartment. The purpose of this camp shall be to train juvenile detention residents for community college and other forestry training programs.

(6) The Division of Youth Services shall establish a ten-bed transitional living facility for the temporary holding of training school adolescents who have reached their majority, have completed the GED requirement, and are willing to be rehabilitated until they are placed in jobs, job training or postsecondary programs. (3) Participation in the Youth Challenge Program shall be on a voluntary basis. No child may be sentenced by any court to participate in the program; however, a youth court judge may refer the program to a child when, under his determination, such program would be sufficient to meet the needs of the child.

(4) The Mississippi National Guard, under the auspices of the Challenge Academy, may award an adult high school diploma to each participant who

meets the requirements for a general educational development (GED) equivalent under the policies and guidelines of the GED Testing Service of the American Council on Education and any other minimum academic requirements prescribed by the National Guard and Challenge Academy for graduation from the Youth Challenge Program. ## JUDICIAL DECISIONS

### 1. In general.

A county home for paupers, for which poverty was the indispensable prerequisite for admission and from which the non-indigent aged or ill were excluded, was not an institution "primarily engaged in the care of the sick, the aged, the mentally ill or defective" within the meaning of federal legislation extending minimum wage legislation to the employees of such institutions, even though many of the residents of said home were old or ill. *Brennan v. Harrison County*, 505 F.2d 901 (5th Cir. 1975).

A contract by a county to pay the superintendent of its poorhouse a certain sum for each pauper there cared for, does not bind the county to require all indigent persons maintained by it to become inmates of the poorhouse, nor is the county liable to the superintendent for money paid for such maintenance elsewhere, nor for breach of contract in that it so aided the pauper. *Polk v. Covington County*, 77 Miss. 803, 27 So. 598 (1900).

Under the provisions of ch. 12, Code of 1880, it is the duty of the board of supervisors of any county when in session, to provide for the relief of paupers in the county, whether the paupers have a settlement or not; and during the recess of the board each member is a commissioner of the poor within his district and may act alone, and report his action at the next meeting of the board. *Jones v. De Soto County Supvrs.*, 60 Miss. 409 (1882).

Compensation cannot be recovered from the county by a person who, without application to the district supervisor, or board of supervisors, supports a pauper who is a proper subject for public relief and can be removed to the poorhouse. *Reynolds v. Board of Supvrs.*, 59 Miss. 132 (1881).

The board of supervisors has jurisdiction to hear application for compensation in such case and to decide upon it. *Reynolds v. Board of Supvrs.*, 59 Miss. 132 (1881).

## ATTORNEY GENERAL OPINIONS

Quitman County may acquire property from a school district that it will in turn convey to an economic development district which will lease the property to a private assisted living facility because the conveyance will promote the general welfare goals of the statute. *Scripper*, March 20, 1998, A.G. Op. #98-0129.

A county board of supervisors may create a nonprofit corporation and serve as the sole member thereof and may fund such corporation from the surplus pro-

ceeds of a sale or lease of a community hospital owned by the county, when the funds are expended by the corporation to improve the quality of health care provided to citizens and residents of the county, and providing instruction on the improvement of personal health. *Griffith*, July 23, 1999, A.G. Op. #99-0370.

A county has a duty to provide for its destitute aged citizens. *Shepard*, Aug. 23, 2004, A.G. Op. 04-0322.

## JUDICIAL DECISIONS

### 1. In general.

The board of supervisors under this section [Code 1942, § 7351] has no power to allow a physician's claim for medical services rendered by authority of a member of the board to an indigent sick person when it does not appear that the person was ever declared to be a pauper by the board, nor that he so desired to be so declared and be provided for by the county. *Tallahatchie County v. Harrison*, 75 Miss. 744, 23 So. 291 (1898).

A county is liable for surgical services to a poor person in an emergency though no steps had been taken to have him declared a pauper and removed to the poorhouse. *Board of Supvrs. v. Gilbert*, 70 Miss. 791, 12 So. 593 (1893).

In case of a pauper not being able to be removed to the poorhouse without cruelty, the supervisor of the district may make provision for such pauper, and the board of supervisors should allow for the person

who cared for the pauper proper compensation for her support during the period after notice to the supervisor. *Board of Supvrs. v. Watson*, 70 Miss. 85, 11 So. 632 (1892).

Compensation cannot be recovered from the county by a person who, without application to the district supervisor, or board of supervisors, supports a pauper who is a proper subject for public relief and can be removed to the poorhouse. *Reynolds v. Board of Supvrs.*, 59 Miss. 132 (1881).

The board of supervisors has jurisdiction to hear application for compensation in such case and to decide upon it. *Reynolds v. Board of Supvrs.*, 59 Miss. 132 (1881).

The person having the claim may present it to the board. It need not be presented by the supervisor. *Cotton v. Board of Police*, 27 Miss. 367 (1854).

**JUDICIAL DECISIONS****1. In general.**

Where county undertook to levy tax "for food stamp plan and pauper maintenance," without separately stating what portion of the tax was for each item thereof in violation of statute, and the tax exceeded tax anticipation loan notes executed by county, taxpayer paying tax under protest was entitled to recover such tax and also tax paid pursuant to levy "for food stamp loan warrants." *Chickasaw County v. Gulf, M. & O.R. Co.*, 195 Miss. 754, 15 So. 2d 348 (1943).

As to the contention that this section [Code 1942, § 7352] imposes no limitations upon the amount that may be levied for the support of the poor of the county, it is a sufficient answer that in the absence of an express limitation it is to be implied that the taxing authorities should levy only such an amount as might be reasonably necessary for the support of the poor

of the county who are within the class contemplated by this chapter (chap 4, title 26, Code of 1942). *Chickasaw County v. Gulf, M. & O.R. Co.*, 195 Miss. 754, 15 So. 2d 348 (1943).

This provision for a tax levy for a special purpose and not for the benefit of the general public was not repealed by Laws 1932, chap. 104, providing for a limitation of taxes for general purposes. *Board of Supvrs. v. Illinois Cent. R. Co.*, 186 Miss. 294, 190 So. 241 (1939).

Under Code of 1857, art. 2 p. 210, authorizing the board of police of the several counties to raise revenue for the support of the poor, and the act p. 416 art. 16, authorizing the board to raise revenue for general county purposes, are distinct and independent statutes, and the tax contemplated by the former may still be levied and collected. *Coulson v. Harris*, 43 Miss. 728 (1871).

**§ 43-31-17. Obligations not incurred except by authority of the board.**

Money shall not be disbursed from the county treasury for the relief or support of paupers, except on the order of the board of supervisors; nor shall any obligations be incurred by the county, except by its authority.

**§ 43-31-19. Settlement of paupers.**

To entitle any pauper to be supported by the county, he must have been a bona fide resident thereof for six (6) months prior to his application for support; and the settlement of the parent or parents shall entitle the children to a settlement.

## JUDICIAL DECISIONS

### 1. In general.

Absent a compelling state interest, provisions of Connecticut and Pennsylvania statutes conditioning welfare assistance on one year's residence violated the equal protection clause of the 14th Amendment to the federal constitution by imposing a classification on welfare applicants which impinged on their constitutional right to travel freely from state to state, and similarly that absent a compelling govern-

mental interest a like congressionally enacted provision of the District of Columbia code violated the due process clause of the 5th Amendment by imposing a discrimination which impinged on the constitutional right to travel. *Shapiro v. Thompson*, 394 U.S. 618, 89 S. Ct. 1322, 22 L. Ed. 2d 600 (1969), overruled on other grounds, *Edleman v. Jordan*, 415 U.S. 651, 94 S. Ct. 1347, 39 L. Ed. 2d 662 (1974).

### § 43-31-21. Duty of each supervisor.

Whenever any member of the board of supervisors shall ascertain that there is a pauper in his district probably entitled to relief, it shall be his duty to examine into the pauper's right to support; and if he be satisfied that such pauper has a settlement in his county, and is unable to support himself, or is entitled to be supported, or provided for by the county, he shall report the facts to the board of supervisors for its action; and in case of emergency, he may give his written order to the superintendent of the county home to receive such pauper; and may cause the pauper to be removed to the county home.

**§ 43-31-25. Certain relatives bound to support pauper; liability of deceased pauper's estate.**

The father and grandfather, the mother and grandmother, and brothers and sisters, and the descendants of any pauper not able to work, as the board of supervisors shall direct, shall, at their own charge, relieve and maintain such pauper; and, in case of refusal, shall forfeit and pay the county the sum of One Hundred Fifty Dollars (\$150.00) per month, for each month they may so refuse, to be recovered in the name of the county; and shall be liable to any governmental entity who supplies such poor relative, if abandoned, with necessities, not exceeding said sum per month; and if any such relative be a nonresident he may be proceeded against by attachment, as in cases of attachment against debtors.

The estate of any pauper, who before his death was being maintained by the county at a county home for paupers, shall be liable to the county in a sum equal to not more than One Hundred Fifty Dollars (\$150.00) for each month or any part of a month for which the county maintained the pauper in a county home for paupers, such sum to be recovered in the name of the county in the same manner as provided by law for the recovery of claims of general creditors against the estate of a decedent.

**§ 43-31-27. Strolling paupers removed and, if sick, relieved.**

The members of the board of supervisors shall prevent the poor from strolling from one district to another; and in case any pauper shall leave the county in which he may have a settlement, and remove to another county, any member of the board of supervisors may make an order to remove the pauper back to the county from which he came, directed to any constable to execute. But if the pauper be sick or disabled so that he cannot be removed, he shall be provided for in the county in which he may be found until he can be removed; and the county in which he had a legal settlement shall pay all charges occasioned by the support of the pauper and for removal, or burial in case of death, which shall constitute a charge against the county, and may be recoverable by action before the proper court. And it shall be the duty of the board of supervisors of the county to which any pauper belongs, to receive him, on his removal, and provide for him as in other cases.

The board of supervisors of any county shall also relieve, support or employ paupers found or being in the county, though not entitled to a settlement therein, and, in case of their decease, shall decently bury them; and all expenses shall be chargeable to and recoverable from the county in which such pauper had a settlement; and the board shall decently bury all strangers dying in the county. The board shall establish an indigent burial policy which shall be spread upon the minutes of the board. The policy shall establish standards and eligibility criteria for the administration of indigent burials. The board may be able to establish the status of someone as a pauper, either before or after his death, based upon available records of recent public assistance and any other available evidence. After review of the records, the board may adjudicate a person as a pauper and shall spread upon its minutes the adjudication. The board, in its discretion, may then pay the full cost of burial or may contribute funds to assist in the cost of the burial.

and buried by sheriff at request of railroad company. *Marshall County v. Rivers*, 88 Miss. 45, 40 So. 1007 (1906).

## ATTORNEY GENERAL OPINIONS

A board of supervisors has the authority to bury unclaimed bodies, identified paupers, and unknown strangers after an order has been spread on their official board minutes; however, these laws do not

contemplate the county supplementing or reimbursing persons merely claiming to be or have been paupers solely to gain funeral assistance for the family. *Chamberlin*, May 9, 2003, A.G. Op. #03-0214.

### § 43-31-31. Certain dead to be buried by corporate authorities.

The municipal authorities of every city, town, and village shall bury all strangers found dead within their limits, or found floating in any waters at a point adjoining their limits, and all expenses or charges shall be chargeable to the county; and an accurate account thereof shall be reported to the board of supervisors, who shall allow the same, and order it to be paid out of the county treasury; but the boards of supervisors may fix maximum charges for such burials.

Any captain, master, or commander failing or refusing to give the bond required shall forfeit and pay to the county the sum of Two Hundred Dollars (\$200.00) for each infant, person with mental illness, maimed, aged, or infirm person or vagrant so brought into the state, to be recovered by action.

When any ship, vessel, or steamboat shall arrive at any port or harbor with alien passengers on board, who are to be landed or left, and who may become a charge as paupers, the master or commanding officer of the vessel shall, before such passengers, or any of them, leave the ship, vessel or steamboat, deposit with the supervisor of the district where the passengers are to be landed or left, a list of their names, and shall forthwith enter into bond, with sufficient sureties, payable to the county, in a sufficient penalty, with condition to indemnify the county from all expenses which may arise from supporting or maintaining such aliens; and in default of such bond, the captain, master, or commander may be committed by any justice of the peace, or mayor of any city, town, or village, until the bond be executed; and, moreover, the captain, master, or commander shall be liable to be indicted, and, on conviction, shall be fined in the sum of one hundred dollars (\$100.00) for

each person landed in violation of this section; but the board of supervisors, on investigation of the matter, may dispense with the bond.

## JUDICIAL DECISIONS

### 1. In general.

The Housing Authority Act (§§ 7295-7600-06, inclusive, Code of 1942) neither violates § 112 nor § 182 of the Constitution. *Biloxi-Pascagoula Real Estate Bd., Inc. v. Mississippi Regional Hous. Auth.* No. VIII, 231 Miss. 89, 93 So. 2d 856 (1957).

While § 182 of the Constitution prohib-

its the surrender or abridgment of the power to tax corporations and their property, it has no reference to the property of public bodies, corporate and politic. *Quinn v. City of McComb*, 212 Miss. 730, 55 So. 2d 479 (1951).

The failure to publish a resolution declaring the need for a housing authority in the city and setting up the same, does not

invalidate the housing acts. *Quinn v. City of McComb*, 212 Miss. 730, 55 So. 2d 479 (1951).

The Housing Authorities Act does not

exclude municipalities operating under special charter. *Quinn v. City of McComb*, 212 Miss. 730, 55 So. 2d 479 (1951).

### ATTORNEY GENERAL OPINIONS

Based on very broad definition of "housing project" under Miss. Code Section 43-33-1(j), housing authority may fix rentals at rate necessary to meet the costs of, and to provide for, maintaining and operating activities of authority involving acquisition of property, demolition of existing structures, construction of improvements, etc. *Alexander*, Apr. 7, 1993, A.G. Op. #93-0158.

The Mississippi Regional Housing Authority No. VI may contract with a non-profit corporation established by the Authority pursuant to Section 43-33-11(i) to perform such work as collecting rents, cutting grass, repairing housing units,

etc., for the corporation; however, any contract for the performance of such duties by employees of the authority and at the authority's expense may not include action that would result in a donation or gratuity being made to a third party in contravention of the express provisions of Section 66 of the Mississippi Constitution of 1890. *McArty*, April 9, 1999, A.G. Op. #99-0150.

A regional housing authority is not an "agency" for purposes of the Administrative Procedures Law and is thus exempt from the requirements thereof, including the filing of rules. May 5, 2006, A.G. Op. 06-0152.

### § 43-33-3. Finding and declaration of necessity.

It is hereby declared (a) that the providing of safe and sanitary dwelling accommodations for persons of low income are public uses and purposes for which public money may be spent and private property acquired and are governmental functions of state concern and (b) that it is in the public interest that work on projects for such purposes be commenced as soon as possible in order to relieve unemployment which now constitutes an emergency; and the necessity in the public interest for the provisions hereinafter enacted, is hereby declared as a matter of legislative determination.

**SOURCES:** Codes, 1942, § 7296; Laws, 1938, ch. 338, § 2.

### § 43-33-5. Housing authorities created.

In each town or city and in each county of the state there is hereby created a public body corporate and politic to be known as the "housing authority" of the town or city or county. However, such authority shall not transact any business or exercise its powers hereunder until or unless the governing body of the town or city or the county, as the case may be, by proper resolution shall declare at any time hereafter that there is need for an authority to function in such town or city or county. The determination as to whether there is such need

for an authority to function (a) may be made by the governing body on its own motion or (b) shall be made by the governing body upon the filing of a petition signed by twenty-five (25) residents of the town or city or county, as the case may be, asserting that there is need for an authority to function in such town or city or county and requesting that the governing body so declare.

The governing body shall adopt a resolution declaring that there is need for a housing authority in the town or city or county, as the case may be, if it shall find (a) that unsanitary or unsafe inhabited dwelling accommodations exist in such town or city or county or (b) that there is a shortage of safe or sanitary dwelling accommodations in such town or city or county available to persons of low income at rentals they can afford. In determining whether dwelling accommodations are unsafe or unsanitary said governing body may take into consideration the degree of overcrowding, the percentage of land coverage, the light, air, space and access available to the inhabitants of such dwelling accommodations, the size and arrangement of the rooms, the sanitary facilities, and the extent to which conditions exist in such buildings which endanger life or property by fire or other causes.

In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of the authority, the authority shall be conclusively deemed to have become established and authorized to transact business and exercise its powers hereunder upon proof of the adoption of a resolution by the governing body declaring the need for the authority. Such resolution or resolutions shall be deemed sufficient if it declares that there is such need for an authority and finds in substantially the foregoing terms (no further detail being necessary) that either or both of the above enumerated conditions exist in the town or city or county, as the case may be. A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding.

## JUDICIAL DECISIONS

1. In general.
2. Proceedings establishing housing authority.

### 1. In general.

The Housing Authority Act (§§ 7295-7322-06, inclusive, Code of 1942) neither violates § 112 nor § 182 of the Constitution. *Biloxi-Pascagoula Real Estate Bd., Inc. v. Mississippi Regional Hous. Auth.*

No. VIII, 231 Miss. 89, 93 So. 2d 856 (1957).

The failure to publish a resolution declaring the need for a housing authority in the city and setting up the same, does not invalidate the housing acts. *Quinn v. City of McComb*, 212 Miss. 730, 55 So. 2d 479 (1951).

The Housing Authorities Act does not exclude municipalities operating under

special charter. *Quinn v. City of McComb*, 212 Miss. 730, 55 So. 2d 479 (1951).

## 2. Proceedings establishing housing authority.

Where it was alleged that when it became publicly known that the board of supervisors and the housing authority were attempting to apply for loans, the complainant appeared before the board and asked it to rescind its prior action declaring the need for the authority and its approval of the application for preliminary loans, all without avail, but no appeal from the board's action was taken to the circuit court, the board's action was not subject to a collateral attack by an action to enjoin it from proceeding under the Housing Authority Act. *Biloxi-Pascagoula Real Estate Bd., Inc. v. Mississippi Regional Hous. Auth. No. VIII*, 231 Miss. 89, 93 So. 2d 856 (1957).

Where after published notice of a hearing at which no one appeared and protested against the action, the board of supervisors adopted a resolution finding a need for the housing authority to function, and no appeal was taken from the board's adopted resolution, which was legal on its face, a collateral attack upon the resolution in the form of a proceeding to enjoin the board of supervisors from acting un-

der the Housing Authority Act was not maintainable. *Biloxi-Pascagoula Real Estate Bd., Inc. v. Mississippi Regional Hous. Auth. No. VIII*, 231 Miss. 89, 93 So. 2d 856 (1957).

Where the board of supervisors had determined the need for the functioning of a housing authority, and the authority had been set up, it was not necessary that the board should again call for a hearing and determination before it could seek preliminary loans for the Public Housing Administration. *Biloxi-Pascagoula Real Estate Bd., Inc. v. Mississippi Regional Hous. Auth. No. VIII*, 231 Miss. 89, 93 So. 2d 856 (1957).

Under this section [Code 1942, § 7297] the governing body of the city was authorized to adopt a resolution declaring the need for a housing authority, if it should find that unsanitary, unsafe dwelling accommodations exist and that there is a shortage of safe and sanitary dwelling accommodations available to families of low incomes at rentals they can afford, and when this need has been declared and the authority has been set up there is no requirement in the act that like adjudications shall be made from time to time hereafter as new units are constructed. *Quinn v. City of McComb*, 212 Miss. 730, 55 So. 2d 479 (1951).

## ATTORNEY GENERAL OPINIONS

The Tort Claims Act is not a "law with respect to the acquisition, operation or disposition of property," and therefore a housing authority is not excluded from the

requirements of the Tort Claims Act. See Sections 11-46-1(i) and 43-33-11. *Hardy*, March 29, 1996, A.G. Op. #96-0157.

## § 43-33-7. Appointment, qualifications and tenure of commissioners.

When the governing body of a city adopts a resolution as provided in Section 43-33-5, such governing body shall forthwith appoint five (5) persons as commissioners of the authority created for said city. When the governing body of a county adopts a resolution as provided in Section 43-33-5, said governing body shall appoint five (5) commissioners for said board created for

said county. The commissioners who are first appointed shall be designated to serve for terms of one (1), two (2), three (3), four (4) and five (5) years, respectively, from the date of their appointment, and thereafter when a vacancy shall occur either by the expiration of term of office or otherwise, the vacancy shall be filled by the governing body of the city or county, as the case may be, either to fill an unexpired term where a commissioner shall die or resign or shall become disqualified during his term, or for a full term of five (5) years where the term of a commissioner expires. No commissioner of an authority may be an officer or employee of the city or county for which the authority is created. However, at least one (1) commissioner must be a person who is directly assisted by the authority if required under applicable federal law. A commissioner shall hold office until his successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk of the city or county as the case may be and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive compensation for his services in the manner and amount authorized in Section 25-3-69 for up to fifteen (15) days during the fiscal year of the authority, and he shall also be entitled to necessary expenses, including traveling expenses, incurred in the discharge of his duties.

The powers of each authority shall be vested in the commissioners thereof in office from time to time. Three (3) commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The board of commissioners shall elect which member shall be chairman and thereafter fill any vacancy by like election. An authority shall select from among its commissioners a vice chairman, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. For such legal services as it may require, an authority may call upon the chief law officer of the city or the county or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper.

In the event that a directly assisted commissioner ceases to be directly assisted by the authority for which he/she serves as commissioner, said person shall then become disqualified to serve that authority as a directly assisted commissioner and shall be replaced as commissioner by a person who is directly assisted by the authority if federal law then requires that authority to have a directly assisted commissioner.

## ATTORNEY GENERAL OPINIONS

It is apparent that “reappointments” which occurred in years past, without action of town board of aldermen, were not in conformity with law, and every commissioner so “reappointed” was holdover, or de facto, officer, holding office until his or her successor was validly appointed and qualified; while acts of holdover or de facto officer are legally binding, individual so acting is in no way entitled to complete term of that office when successor has been appointed. Richardson, Oct. 26, 1990, A.G. Op. #90-0521.

City housing authority commissioners must reside within the geographical boundaries of the housing authority. Patten, Feb. 14, 1992, A.G. Op. #92-0048.

Under Section 43-33-7, a commissioner of the housing authority is prohibited from acting as a city employee, or performing services normally performed by a city employee, through a third party contract or otherwise, so long as he or she continues to serve as commissioner. Romeo, May 10, 1995, A.G. Op. #95-0213.

The council in a mayor/council municipality does not have authority to provide by ordinance that a person may not serve simultaneously on more than one commission, board or authority in situations where state law does not set forth that restriction. Doty, March 22, 1996, A.G. Op. #96-0145.

Regional housing authority commissioners are entitled to such per diem compensation as is provided to city and county housing authority commissioners pursuant to this section. Trapp, May 6, 1999, A.G. Op. #99-0223.

If a housing authority has hired an executive director or other employee and has set the salary of that individual in an employment agreement or contract, the authority is precluded from paying any additional compensation to that individual, regardless of extra duties which may be performed by that individual; the proper mechanism for addressing this would be to renegotiate the terms of the employment/contract of that individual to take these duties into consideration. McGriggs, Apr. 27, 2001, A.G. Op. #01-0243.

There is nothing that would prohibit a “holdover” housing authority commissioner from holding an office on the commission such as chairman or vice-chairman during the period he or she is legitimately “holding over” as a commissioner. Johnson, Mar. 7, 2003, A.G. Op. #03-0101.

Employees of recreation authority are not municipal employees and service as a housing authority commissioner is not prohibited by simultaneous employment by the recreation authority. Turnage, Dec. 27, 2005, A.G. Op. 05-0623.

### § 43-33-9. Repealed.

Repealed by Laws, 1983, ch. 469, § 10, eff from and after July 1, 1983.

[Codes, 1942, § 7299; Laws, 1938, ch. 338, § 5; Laws, 1952, ch. 369, § 1]

**Editor’s Note** — Former § 43-33-9 prohibited the commissioner or any employees of the authority from having any interest in any projects or property associated with the work of the authority.

(f) Within its area of operation: to investigate into living, dwelling and housing conditions and into the means and methods of improving such conditions; to determine where slum areas exist or where there is a shortage of decent, safe and sanitary dwelling accommodations for persons of low income; to make studies and recommendations relating to the problem of clearing, replanning and reconstructing of slum areas, and the problem of providing dwelling accommodations for persons of low income, and to cooperate with the city, the county, the state or any political subdivision thereof in action taken in connection with such problems; and to engage in research, studies and experimentation on the subject of housing.

(g) Acting through one or more commissioners or other person or persons designated by the authority: to conduct examinations and investigations and to hear testimony and take proof under oath at public or private hearings on any matter material to its information; to administer oaths, issue subpoenas requiring the attendance of witnesses or the production of books and papers and to issue commissions for the examination of witnesses who are outside of the state or unable to attend before the authority, or excused from attendance; to make available to appropriate agencies (including those charged with the duty of abating or requiring the correction of nuisances or like conditions, or of demolishing unsafe or unsanitary structures within its area of operation) its findings and recommendations with regard to any building or property where conditions exist which are dangerous to the public health, morals, safety or welfare.

(h) To make payments to public bodies in the state in such amounts as it finds desirable, notwithstanding any statutory limitation on the amount of such payments.

(i) To establish and operate a nonprofit corporation for housing and community development purposes.

(j) To exercise all or any part or combination of powers herein granted.

No provisions of law with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to an authority unless the Legislature shall specifically so state.

Mississippi Regional Housing Authority was entitled to a stay pending appeal and was not required to post a supersedeas bond under Fed. R. Civ. P. 62(f), Miss. R.

Civ. P. 62(f), and Miss. Code Ann. § 11-51-101 because: (1) Miss. Code Ann. 43-33-11, which provided that an authority constituted a public body corporate and politic, that exercised public and essential governmental functions, and had all the powers necessary or convenient to carry out and effectuate its purposes, supported the conclusion that the housing authority was entitled to the exemptions; (2) the housing authority and its functions were "integral parts" of Mississippi government; and (3) the Mississippi Supreme Court recognized that a housing authority was a "governmental entity" in another context. *Urban Developers, Inc. v. City of Jackson*, 227 F.R.D. 464 (S.D. Miss. 2005).

In proceedings to enjoin the city and a

private party from proceeding with plans for the construction of dwelling units, and an agreement to lease the 184 units on completion of their construction to a municipal housing authority to be operated as low income rental projects subsidized by an agency of the federal government, was neither a form of "development" nor of "construction" within the meaning of Code 1942, § 7300.5 restricting the power of housing authorities, and was not within Code 1942, §§ 7322-21, 7322-22, and 7322-23, requiring among other things that such matter be submitted to the electors of the city and approved by a three-fifths vote of such electors. *Muirhead v. Pilot Properties, Inc.*, 258 So. 2d 232 (Miss. 1972).

### ATTORNEY GENERAL OPINIONS

Nonprofit corporation formed by Authority before repeal of law technically may not be dissolved by repeal of statute and consequent removal of Authority's power; however, Authority would no longer have power to operate nonprofit corporation. *Alexander*, Sept. 6, 1990, A.G. Op. #90-0663.

Because the Legislature has not specifically stated that the Residential Landlord Tenant Act applies to public housing authorities, it does not so apply, and public housing authorities may make by-laws, rules, and regulations as to the eviction of tenants, which regulations will have the force of law. *Johnson*, June 24, 1992, A.G. Op. #92-0438.

Regional housing authority may sell housing project to limited partnership and manage project under contract with limited partnership. *Alexander*, Sept. 10, 1992, A.G. Op. #92-0597.

Public Housing Authority created pursuant to Miss. Code Sections 43-33-1 et seq. is "a public body corporate and politic" within Miss. Code Section 43-33-11; therefore, when property is conveyed to Housing Authority, tax lien against prop-

erty was extinguished; personal liability of prior owner of property for full year's taxes, however, may continue. *Monroe*, Apr. 7, 1993, A.G. Op. #93-0055.

The Commissioners of a Housing Authority have authority to contract with a nonprofit corporation to manage properties of the Housing Authority, i.e., to lease, rent, rehabilitate, and maintain the properties pursuant to § 43-33-11. A Housing Authority may not delegate discretionary, policymaking decisions or governmental powers such as eminent domain and the authority to issue bonds. *Ellis*, February 16, 1996, A.G. Op. #96-0080.

The Tort Claims Act is not a "law with respect to the acquisition, operation or disposition of property," and therefore a housing authority is not excluded from the requirements of the Tort Claims Act. See Sections 11-46-1(i) and 43-33-5. *Hardy*, March 29, 1996, A.G. Op. #96-0157.

Sections 43-33-11 and 43-33-23 authorize a Town Housing Authority to issue tax exempt multifamily housing revenue bonds in accordance with the Housing Authorities law, Section 43-33-1 et seq., in order to finance the acquisition, develop-

ment, construction, equipping and furnishing of a 192 unit multi-family housing development. Woods, August 22, 1996, A.G. Op. #96-0555.

Employees of the Mississippi Regional Housing Authority No. VI may perform duties for a non profit corporation established pursuant to subsection (i) of this section while being paid with authority funds, so long as those duties are in furtherance of the statutory purpose and function of the Regional Housing Authority. McArty, April 9, 1999, A.G. Op. #99-0150.

The Mississippi Regional Housing Authority No. VI may contract with a non-profit corporation established by the Authority pursuant to subsection (i) of this section to perform such work as collecting rents, cutting grass, repairing housing units, etc., for the corporation; however, any contract for the performance of such duties by employees of the authority and at the authority's expense may not include action that would result in a donation or gratuity being made to a third party in contravention of the express provisions of Section 66 of the Mississippi Constitution of 1890. McArty, April 9, 1999, A.G. Op. #99-0150.

There is no regulation of the amount of time that Mississippi Regional Housing Authority employees may devote to operating a nonprofit corporation established by the authority pursuant to subsection (i) of this section. McArty, April 9, 1999, A.G. Op. #99-0150.

The Mississippi Regional Housing Authority No. VI may provide funds for the establishment, including incorporation, and operation of a nonprofit corporation. McArty, April 9, 1999, A.G. Op. #99-0150.

A nonprofit corporation established by a regional housing authority pursuant to subsection (i) of this section is excluded from the provisions of the Mississippi Tort Claims Act. McArty, April 9, 1999, A.G. Op. #99-0150.

A for-profit corporation established by a nonprofit corporation that has been established by a regional housing authority pursuant to subsection (i) of this section is excluded from the provisions of the Mississippi Tort Claims Act. McArty, April 9, 1999, A.G. Op. #99-0150.

Property of a nonprofit corporation established by a regional housing authority pursuant to subsection (i) of this section is not owned by a housing authority and, therefore, can not be exempt pursuant to § 43-33-37. McArty, April 9, 1999, A.G. Op. #99-0150.

Debt of a nonprofit corporation established by a regional housing authority pursuant to subsection (i) of this section is not "bonds of an authority" and, therefore, neither the debt nor the interest thereon can be exempt from taxes pursuant to § 43-33-23. McArty, April 9, 1999, A.G. Op. #99-0150.

Pursuant to subsection (a) of this section, it is within the authority of a public housing authority to determine that a violation of state law affecting the safety of residents may be considered cause for termination of tenancy in public housing, and to so provide in its lease agreements. ### § 43-33-13. Operation not for profit.

It is hereby declared to be the policy of this state that each housing authority shall manage and operate its housing projects in an efficient manner so as to enable it to fix the rentals for dwelling accommodations at the lowest possible rates consistent with its providing decent, safe and sanitary dwelling accommodations, and that no housing authority shall construct or operate any such project for profit, or as a source of revenue to the city or the county. To this end an authority shall fix the rentals for dwellings in its projects at no higher rates than it shall find to be necessary in order to produce revenues which (together with all other available moneys, revenues, income and receipts of the authority from whatever sources derived) will be sufficient (a) to pay, as the same become due, the principal and interest on the bonds of the authority; (b) to meet the cost of, and to provide for, maintaining and operating the projects (including the cost of any insurance) and the administrative expenses of the authority; and (c) to create (during not less than six (6) years immediately succeeding its issuance of any bonds) a reserve sufficient to meet the largest principal and interest payments which will be due on such bonds in any one year thereafter and to maintain such reserve.

### ATTORNEY GENERAL OPINIONS

Miss. Code Section 43-33-13 requires that Housing Authority fix rentals at no higher rate than necessary, "to meet the costs of, and to provide for, maintaining

and operating the projects (including the costs of any insurance) and the administrative expenses of the Authority". Alexander, Apr. 7, 1993, A.G. Op. #93-0158.

**§ 43-33-15. Rentals and tenant selection.**

In the operation or management of housing projects an authority shall at all times observe the following duties with respect to rentals and tenant selection:

(a) It may rent or lease the dwelling accommodations therein only to persons of low income and at rentals within the financial reach of such persons of low income;

(b) It may rent or lease to a tenant dwelling accommodations consisting of the number of rooms (but no greater number) which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding;

(c) The dwellings in low-rent housing as defined in this article shall be available solely for families whose net annual income at the time of admission, less an exemption of one hundred dollars (\$100.00) for each minor member of the family other than the head of the family and his spouse, does not exceed five (5) times the annual rental (including the value or cost to them of water, electricity, gas, other heating and cooking fuels, and other utilities) of the dwellings to be furnished such families. For the purpose of determining eligibility for continued occupancy, a public housing agency shall allow, from the net income of any family, an exemption for each minor member of the family (other than the head of the family and his spouse) of either (a) one hundred dollars (\$100.00), or (b) all or any part of the annual income of such minor. For the purpose of this subparagraph, a minor shall mean a person less than twenty-one (21) years of age.

Nothing contained in this section or Section 43-33-13 shall be construed as limiting the power of an authority to vest in an obligee the right, in the event of a default by the authority, to take possession of a housing project or cause the appointment of a receiver thereof, free from all the restrictions imposed by this section or Section 43-33-13.

### **§ 43-33-16. Prohibition against use of fraudulent means to obtain public housing.**

(1) Any person who obtains or attempts to obtain, or who establishes or attempts to establish, eligibility for, and any person who knowingly or intentionally aids or abets such person in obtaining or attempting to obtain, or in establishing or attempting to establish eligibility for, any public housing, or a reduction in public housing rental charges, or any rent subsidy, to which such person would not otherwise be entitled, by means of a false statement, failure to disclose information, impersonation, or other fraudulent scheme or device shall be guilty of a misdemeanor and, upon conviction, shall be punished as for a misdemeanor. As used in this section "public housing" shall mean housing which is constructed, operated or maintained by the state, a county, a municipal corporation, a housing authority, or by any other political subdivision or public corporation of the state or its subdivisions.

(2) Notice of this section shall be printed on the application forms for public housing in the state, and it shall be displayed in the office where such application is made.

### **§ 43-33-17. Cooperation of authorities.**

Any two (2) or more authorities may join or cooperate with one another in the exercise, either jointly or otherwise, of any or all of their powers for the purpose of financing (including the issuance of bonds, notes or other obligations and giving security therefor), planning, undertaking, owning, constructing, operating or contracting with respect to a housing project or projects located within the area of operation of any one (1) or more of said authorities. For such purpose an authority may by resolution prescribe and authorize any other housing authority or authorities, so joining or cooperating with it, to act on its behalf with respect to any or all of such powers. Any authorities joining or cooperating with one another may by resolutions appoint from among the commissioners of such authorities an executive committee with full power to act on behalf of such authorities with respect to any or all of their powers, as prescribed by resolutions of such authorities.

## § 43-33-19. Eminent domain.

An authority shall have the right to acquire by the exercise of the power of eminent domain any real property which it may deem necessary for its purposes under this article after the adoption by it of a resolution declaring that the acquisition of the real property described therein is necessary for such purposes. An authority may exercise the power of eminent domain in the manner provided in Chapter 27, Title 11, of the Mississippi Code of 1972; or it may exercise the power of eminent domain in the manner provided by any other applicable statutory provisions for the exercise of the power of eminent domain. ### JUDICIAL DECISIONS

#### 1. Construction with other law.

Because a developer had not been denied compensation for an alleged taking of lease contracts, principally because it had not sought such compensation through Mississippi procedures, its federal takings claims against a regional housing authority and the housing authority's interim executive director were not ripe for review; since the housing authority clearly

wielded the power of eminent domain through Miss. Code Ann. § 43-33-19, Mississippi had long provided for actions in inverse condemnation, and Mississippi courts provided plaintiffs with a cause of action for regulatory takings, there was nothing to suggest that Mississippi law unquestionably afforded the developer no remedy. *Urban Developers LLC v. City of Jackson*, 468 F.3d 281 (5th Cir. 2006).

## § 43-33-21. Planning, zoning and building laws.

All housing projects of an authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the housing project is situated. In the planning and location of any housing project, an authority shall take into consideration the relationship of the project to any larger plan or long-range program for the development of the area in which the housing authority functions.

A building permit to construct a bulk oil and gas distribution plant was improperly revoked after the adoption of an urban renewal plan which prohibited such use, where the adoption of the plan did not ipso facto amend or change the zoning laws, to

which all housing projects were subject, and where the housing authority failed to comply with the statutory provisions for effecting a change in the zoning laws. *Key Petro., Inc. v. Housing Auth.*, 357 So. 2d 920 (Miss. 1977).

**§ 43-33-23. Bonds.**

An authority shall have power to issue bonds from time to time, in its discretion, for any of its corporate purposes. An authority shall also have power to issue refunding bonds for the purpose of paying or retiring bonds previously issued by it. An authority may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds on which the principal and interest are payable: (a) exclusively from the income and revenues of the housing project financed with the proceeds of such bonds; (b) exclusively from the income and revenues of certain designated housing projects whether or not they are financed in whole or in part with the proceeds of such bonds; or (c) from its revenues generally. Any such bonds may be additionally secured by a pledge of any grant or contributions from the federal government or other source, or a pledge of any income or revenues of the authority, or a mortgage of any housing project, projects or other property of the authority.

Neither the commissioners of an authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of an authority (and such bonds and obligations shall so state on their face) shall not be a debt of the city, the county, the state or any political subdivision thereof and neither the city or the county, nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds or obligations be payable out of any funds or properties other than those of said authority. The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Bonds of an authority are declared to be issued for an essential public and governmental purpose and to be public instrumentalities and, together with interest thereon and income therefrom, shall be exempt from taxes.

The petitioners were not entitled to a

writ of mandamus to require a city to call an election under Code 1942, § 7322-23, pursuant to the issuance of bonds for the purpose of carrying out an urban renewal project, where in their petition for the writ they did not allege and claim that they had an interest separate from or in excess of that of the general public or that they would suffer any special legal injury or personal damages apart from the body of citizens of the city as a whole. *Wilson v. City of Laurel*, 249 So. 2d 801 (Miss. 1971).

## ATTORNEY GENERAL OPINIONS

Sections 43-33-11 and 43-33-23 authorize a Town Housing Authority to issue tax exempt multifamily housing revenue bonds in accordance with the Housing Authorities law, Section 43-33-1 et seq., in order to finance the acquisition, development, construction, equipping and furnishing of a 192 unit multi-family housing development. Woods, August 22, 1996, A.G. Op. #96-0555.

Debt of a nonprofit corporation established by a regional housing authority pursuant to § 43-33-11(i) is not "bonds of an authority" and, therefore, neither the debt nor the interest thereon can be exempt from taxes pursuant to this section. McArty, April 9, 1999, A.G. Op. #99-0150.

## § 43-33-25. Form and sale of bonds.

Bonds of an authority shall be authorized by its resolution and may be issued in one or more series and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates, not to exceed that allowed in Section 75-17-103, Mississippi Code of 1972, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium) as such resolution, its trust indenture or mortgage may provide. No bond shall bear more than one (1) rate of interest; each bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all bonds of the same maturity shall bear the same rate of interest from date to maturity; all interest accruing on such bonds so issued shall be payable semiannually or annually, except that the first interest coupon attached to any such bond may be for any period not exceeding one (1) year.

No interest payment shall be evidenced by more than one (1) coupon and neither cancelled nor supplemental coupons shall be permitted; the lowest

interest rate specified for any bonds issued shall not be less than seventy percent (70%) of the highest interest rate specified for the same bond issued. The interest rate of any one (1) interest coupon shall not exceed the maximum interest rate allowed on such bonds.

Each interest rate specified in any bid must be in multiples of one-eighth of one percent ( $\frac{1}{8}$  of 1%) or in multiples of one-tenth of one percent ( $\frac{1}{10}$  of 1%). The denomination, form, and place, or places, of payment of such bonds shall be fixed in the resolution or ordinance of the governing authorities issuing such bonds. Such bonds shall be executed by the manual or facsimile signature of the chairman and secretary of such authority, with the seal of the authority impressed, imprinted or reproduced thereon. At least one (1) signature on each bond shall be a manual signature, as specified in the resolution. The coupons may bear only the facsimile signatures of such chairman and secretary. No bonds shall be issued and sold under the provisions of this article for less than par and accrued interest.

The bonds may be sold at not less than par at public sale held after notice published once at least five (5) days prior to such sale in a newspaper having a general circulation in the area of operation and in a financial newspaper published in the City of Jackson, Mississippi, or in the City of New York, New York. Such bonds may be sold at not less than par to the federal government or to a federally chartered corporation at private sale without any public advertisement.

In case any of the commissioners or officers of the authority whose signatures appear on any bonds or coupons shall cease to be such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such commissioners or officers had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this article shall be fully negotiable.

In any suit, action or proceedings, involving the validity or enforceability of any bond of an authority or the security therefor, any such bond reciting in substance that it has been issued by the authority to aid in financing a housing project to provide dwelling accommodations for persons of low income shall be conclusively deemed to have been issued for a housing project of such character, and said project shall be conclusively deemed to have been planned, located and constructed in accordance with the purposes and provisions of this article.

bonds. The proceeds of any such refunding bonds shall be deposited with the trustee named in the bonds to be refunded, and pending the application thereof to the payment of the principal of and interest on and redemption premium on the bonds to be refunded shall be invested and reinvested only in (a) obligations of, or obligations the principal of and interest on which is guaranteed by, the United States of America; (b) obligations of any agency or instrumentality of the United States of America; or (c) in certificates of deposit issued by either a state or national bank which is a qualified depository of the State of Mississippi bearing interest at any rate which may be agreed upon, which certificates of deposit shall be secured by a pledge of any of the obligations authorized by law for the securing of public deposits and having at all times an aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured.

All interest or other increment received on or on account of all such investments shall be deposited in and become a part of the fund held by the trustee for the payment and redemption of the bonds to be refunded. Provided that the trustee may, after making due provisions for the payment and redemption of the Series 1970 bonds, disburse any portion of the principal proceeds in excess of sixteen million dollars (\$16,000,000.00) for payment of obligations and expenses of the authority necessary for the completion of the low-rent dwelling units and for payment of expenses incurred by the issuance of the bonds herein authorized; provided, that attorney's fees shall not exceed those set forth in Section 57-1-31, Mississippi Code of 1972.

The bonds herein authorized shall be authorized by a resolution adopted by the board of commissioners of the authority; may bear such date; may be of such denomination; may mature at such time or times, not exceeding twenty (20) years after the date thereof; and may be redeemable on such terms; all as may be determined by such resolution and in compliance with the provisions of Section 43-33-25. Such bonds shall not bear a greater overall maximum interest rate to maturity than six percent (6%) per annum. No bond shall bear more than one (1) rate of interest; each bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all bonds of the same maturity shall bear the same rate of interest from date to maturity; all interest accruing on such bonds so issued shall be payable semiannually or annually, except that the first interest coupon attached to any such bond may be for any period not exceeding one (1) year.

No interest payment shall be evidenced by more than one (1) coupon and neither cancelled nor supplemental coupons shall be permitted; the lowest interest rate specified for any bonds issued shall not be less than seventy percent (70%) of the highest interest rate specified for the same bond issue. The interest rate of any one (1) interest coupon shall not exceed seven percent (7%).

Each interest rate specified in any bid must be in multiples of one-eighth of one percent ( $\frac{1}{8}$  of 1%) or in multiples of one-tenth of one percent ( $\frac{1}{10}$  of 1%), and a zero rate of interest cannot be named. No bonds shall be issued and sold under the provisions of this section for less than par and accrued interest.

The bonds herein authorized shall be payable solely from certain revenues derived by the authority in connection with the low-rent housing project for

which the Series 1970 bonds were issued, including annual contributions from the United States of America, income from notes and mortgages purchased from the proceeds of the Series 1970 bonds and the bonds herein authorized, and surplus money available after the Series 1970 bonds shall have been retired from the trust created pursuant to this section and may be secured by a trust indenture. The bonds herein authorized shall not be obligations of the State of Mississippi or of any county or municipality therein, but shall be solely the obligations of the authority.

Employees of a regional housing authority are employees of a public body corporate and politic that is responsible for governmental functions in a geographic area smaller than the state; thus, employees of a regional housing authority are

simply considered public employees. Dawkins, Feb. 7, 2003, A.G. Op. #02-0715.

**§ 43-33-103. Creation of regional housing authority.**

If the board of supervisors of each of two (2) or more contiguous counties by resolution declares that there is a need for one (1) housing authority to be created for all of such counties to exercise in such counties powers and other functions prescribed for a regional housing authority, a public body corporate and politic to be known as a regional housing authority shall thereupon exist for all of such counties and exercise its powers and other functions in such counties; and thereupon each county housing authority created for each of such counties shall cease to exist except for the purpose of winding up its affairs and executing a deed to the regional housing authority as hereinafter provided. The board of supervisors of a county shall not adopt a resolution as aforesaid if there is a county housing authority created for such county which has any bonds, notes or other evidences of indebtedness outstanding unless, first, all holders of such evidences of indebtedness consent in writing to the substitution of such regional housing authority in lieu of such county housing authority on all such evidences of indebtedness, and second, the commissioners of such county housing authority adopt a resolution consenting to the transfer of all the rights, contracts, obligations, and property, real and personal, of such county housing authority to such regional housing authority as hereinafter provided. When the above two (2) conditions are complied with and such regional housing authority is created and authorized to exercise its powers and other functions, all rights, contracts, agreements, obligations, and property of such county housing authority shall be in the name of and vest in such regional housing authority, and all obligations of such county housing authority shall be the obligations of such regional housing authority and all rights and remedies of any person against such county housing authority may be asserted, enforced, and prosecuted against such regional housing authority to the same extent as they might have asserted, enforced, and prosecuted against such county housing authority.

When any real property of a county housing authority vests in a regional housing authority as provided above, the county housing authority shall execute a deed of such property to the regional housing authority which thereupon shall file such deed in the office provided for the filing of deeds; nothing contained in this sentence shall affect the vesting of property in the regional housing authority as provided above.

The board of supervisors of each of two (2) or more contiguous counties shall by resolution declare that there is a need for one (1) regional housing authority to be created for all of such counties to exercise in such counties powers and other functions prescribed for a regional housing authority, if such board of supervisors finds (and only if it finds) (a) that unsanitary or unsafe

inhabited dwelling accommodations exist in such county or there is a shortage of safe or sanitary dwelling accommodations in such county available to persons of low income at rentals they can afford and (b) that a regional housing authority would be a more efficient or economical administrative unit than the housing authority of such county to carry out the purposes of this article and the Housing Authorities Law in such county.

In any suit, action, or proceeding involving the validity or enforcement of or relating to any contract of the regional housing authority, the regional housing authority shall be conclusively deemed to have become created as a public body corporate and politic and to have become established and authorized to transact business and exercise its powers hereunder upon proof of the adoption of a resolution by the board of supervisors of each of the counties creating the regional housing authority declaring the need for the regional housing authority. Each such resolution shall be deemed sufficient if it declares that there is need for the regional housing authority and finds in substantially the foregoing terms (no further detail being necessary) that the conditions enumerated above in (a) and (b) exist. A copy of such resolution of the board of supervisors of a county, duly certified by the county clerk of such county, shall be admissible in evidence in any suit, action, or proceeding.

### § 43-33-105. Area of operation of county and regional housing authorities.

The area of operation of a housing authority created for a county shall include all of the county for which it is created and the area of operation of a regional housing authority shall include (except as otherwise provided elsewhere in this article) all of the counties for which such regional housing authority is created and established. A county or regional housing authority shall not undertake any housing project or projects within the boundaries of any city unless a resolution shall have been adopted by the governing body of such city (and also by any housing authority which shall have been theretofore established and authorized to exercise its powers in such city) declaring that there is a need for the county or regional housing authority to exercise its powers within such city.

### ATTORNEY GENERAL OPINIONS

Because administration of a Section 8 rental assistance program does not fit within the definition of a “housing project or projects” as that term is defined in Section 43-33-1, a regional housing authority was not required to obtain the permission of the housing authority of a city and the governing authorities of the

city to administer a Section 8 program; thus, whether resolutions are rescinded would have no bearing on the continued administration of a Section 8 program by the regional housing Authority within the limits of the city. Barry, Feb. 14, 2003, A.G. Op. #03-0065.

### § 43-33-107. Increasing area of operation of regional housing authority.

The area of operation of a regional housing authority shall be increased from time to time to include one (1) or more additional contiguous counties not already within a regional housing authority if the board of supervisors of each of the counties then included in the area of operation of such regional housing authority, the commissioners of the regional housing authority and the board of supervisors of each such additional county or counties each adopt a resolution declaring that there is a need for the inclusion of such additional county or counties in the area of operation of such regional housing authority. Upon the adoption of such resolutions, the county housing authority created for each such additional county shall cease to exist except for the purpose of winding up its affairs and executing a deed to the regional housing authority as hereinafter provided. However, such resolutions shall not be adopted if there is a county housing authority created for any such additional county which has any bonds, notes or other evidences of indebtedness outstanding unless first, all holders of such evidences of indebtedness consent in writing to the substitution of such regional housing authority in lieu of such county housing authority on all such evidences of indebtedness, and second, the commissioners of such county housing authority adopt a resolution consenting to the transfer of all the rights, contracts, obligations, and property, real and personal, of such county housing authority to such regional housing authority as hereinafter provided. When the above conditions are complied with and the area of operation of such regional housing authority is increased to include such additional county, as hereinabove provided, all rights, contracts, agreements, obligations, and property of such county housing authority shall be in the name of and vest in such regional housing authority, all obligations of such

county housing authority shall be the obligations of such regional housing authority and all rights and remedies of any person against such county housing authority may be asserted, enforced, and prosecuted against such regional housing authority to the same extent as they might have been asserted, enforced, and prosecuted against such county housing authority.

When any real property of a county housing authority vests in a regional housing authority as provided above, the county housing authority shall execute a deed of such property to the regional housing authority which thereupon shall file such deed in the office provided for the filing of deeds; nothing contained in this sentence shall affect the vesting of property in the regional housing authority as provided above.

The board of supervisors of each of the counties in the regional housing authority, the commissioners of the regional housing authority and the board of supervisors of each such additional county or counties shall by resolution declare that there is a need for the inclusion of such county or counties in the area of operation of the regional housing authority, if (a) the board of supervisors of each such additional county or counties finds that unsanitary or unsafe inhabited dwelling accommodations exist in such county or there is a shortage of safe or sanitary dwelling accommodations in such county available to persons of low income at rentals they can afford and (b) the board of supervisors of each of the counties then included in the area of operation of the regional housing authority, the commissioners of the regional housing authority and the board of supervisors of each such additional county or counties find that the regional housing authority would be a more efficient or economical administrative unit to carry out the purposes of this article and the Housing Authorities Law if the area of operation of the regional housing authority is increased to include such additional county or counties.

#### ATTORNEY GENERAL OPINIONS

In the event that both findings under subsections (a) and (b) of this section were made following public hearings, a contiguous county could become a member of a regional housing authority. Schmidt III, August 6, 1999, A.G. Op. #99-0326.

### § 43-33-109. Decreasing area of operation of regional housing authority.

The area of operation of a regional housing authority shall be decreased from time to time to exclude one (1) or more counties from such area if the board of supervisors of each of the counties in such area and the commissioners of the regional housing authority each adopt a resolution declaring that there is a need for excluding such county or counties from such area. No action may

be taken pursuant to this section if the regional housing authority has outstanding any bonds, notes or other evidences of indebtedness, unless first, all holders of such evidences of indebtedness consent in writing to such action. If such action decreases the area of operation of the regional housing authority to only one (1) county, such authority shall thereupon constitute and become a housing authority for such county, in the same manner as though such authority were created by and authorized to transact business and exercise its powers pursuant to Section 43-33-5 of the Housing Authorities Law, and the commissioners of such authority shall be thereupon appointed as provided for the appointment of commissioners of a housing authority created for a county.

The board of supervisors of each of the counties in the area of operation of the regional housing authority and the commissioners of the regional housing authority shall adopt a resolution declaring that there is a need for excluding a county or counties from such area if: (a) each such board of supervisors of the counties to remain in the area of operation of the regional housing authority and the commissioners of the regional housing authority find that (because of facts arising or determined subsequent to the time when such area first included the county or counties to be excluded) the regional housing authority would be a more efficient or economical administrative unit to carry out the purposes of this article and the Housing Authorities Law if such county or counties were excluded from such area, and (b) the board of supervisors of each such county or counties to be excluded and the commissioners of the regional housing authority each also find that (because of the aforesaid changed facts) the purposes of this article and the Housing Authorities Law could be carried out more efficiently or economically in such county or counties if the area of operation of the regional housing authority did not include such county or counties.

Any property held by a regional housing authority within a county or counties excluded from the area of operation of such authority, as herein provided, shall (as soon as practicable after the exclusion of said county or counties respectively) be disposed of by such authority in the public interest.

**Cross References** — Requirement that public hearing be held before county board of supervisors adopts resolution authorized by this section, see § 43-33-113.

### **§ 43-33-111. Housing authority for county excluded from regional authority.**

At any time after a county or counties is excluded from the area of operation of a regional housing authority as provided in Section 43-33-109, the board of supervisors of any such county may adopt a resolution declaring that there is a need for a housing authority in the county, if the board shall find such need according to the provisions of Section 43-33-5 of the Housing Authorities Law. Thereupon a public body corporate and politic to be known as the housing authority of the county shall exist for such county and may transact business

and exercise its powers in the same manner as though created by said Section 43-33-5. Nothing contained herein shall be construed as preventing such county from thereafter being included within the area of operation of a regional housing authority as provided in Sections 43-33-103 or 43-33-107 of this article.

**SOURCES:** Codes, 1942, § 7327; Laws, 1942, ch. 233, § 8.

**§ 43-33-113. Public hearing to create regional authority or change its area of operation.**

The board of supervisors of a county shall not adopt any resolution authorized by Sections 43-33-103, 43-33-107 or 43-33-109 of this article unless a public hearing has first been held. The clerk of such county shall give notice of the time, place, and purpose of the public hearing at least ten (10) days prior to the day on which the hearing is to be held, in a newspaper published in such county, or if there is no newspaper published in such county, then in a newspaper published in the state and having a general circulation in such county. Upon the date fixed for such public hearing an opportunity to be heard shall be granted to all residents of such county and to all other interested persons.

In determining whether dwelling accommodations are unsafe or unsanitary the board of supervisors of a county shall take into consideration the safety and sanitation of dwellings, the light and air space available to the inhabitants of such dwellings, the degree of overcrowding, the size and arrangement of the rooms and the extent to which conditions exist in such dwellings which endanger life or property by fire or other causes.

In connection with the issuance of bonds or the incurring of other obligations, a regional housing authority may covenant as to limitations on its right to adopt resolutions relating to the increase or decrease of its area of operation.

**SOURCES:** Codes, 1942, § 7328; Laws, 1942, ch. 233, § 9.

**§ 43-33-115. Commissioners of regional housing authority.**

The board of supervisors of each county included in a regional housing authority shall appoint one (1) person as a commissioner of such authority, and each such commissioner to be first appointed by the board of supervisors of a county may be appointed at or after the time of the adoption of the resolution declaring the need for such regional housing authority or declaring the need for the inclusion of such county in the area of operation of such regional housing authority. When the area of operation of a regional housing authority is increased to include an additional county or counties as provided above, the board of supervisors of each such county shall thereupon appoint one (1) additional person as a commissioner of the regional housing authority. The board of supervisors of each county shall appoint the successor of the commissioner appointed by it. A certificate of the appointment of any such

commissioner shall be filed with the clerk of the county, and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. If any county is excluded from the area of operation of a regional housing authority, the office of the commissioner of such regional housing authority appointed by the board of supervisors of such county shall be thereupon abolished.

If the area of operation of a regional housing authority consists at any time of an even number of counties, the commissioners of the regional housing authority appointed by the boards of supervisors of such counties shall appoint one (1) additional commissioner whose term of office shall be as herein provided for a commissioner of a regional housing authority except that such term shall end at any earlier time that the area of operation of the regional housing authority shall be changed to consist of an odd number of counties. The commissioners of such authority appointed by the boards of supervisors of such counties shall likewise appoint each person to succeed such additional commissioner; the term of office of such person begins during the terms of office of the commissioner appointing him. A certificate of the appointment of any such additional commissioner of such regional housing authority shall be filed with the other records of the regional housing authority and shall be conclusive evidence of the due and proper appointment of such additional commissioner.

At least one (1) commissioner of a regional housing authority must be a person who is directly assisted by the authority if required under applicable federal law.

The commissioners of a regional housing authority shall be appointed for terms of five (5) years except that all vacancies shall be filled for the unexpired terms. Each commissioner shall hold office until his successor has been appointed and has qualified, except as otherwise provided herein.

The commissioners shall constitute the regional housing authority, and the powers of such authority shall be vested in such commissioners in office from time to time.

The commissioners of a regional housing authority shall elect a chairman from among the commissioners and shall have power to select or employ such other officers and employees as the regional housing authority may require. A majority of the commissioners of a regional housing authority shall constitute a quorum of such authority for the purpose of conducting its business and exercising its powers and for all other purposes. In the event that a directly assisted commissioner ceases to be directly assisted by the authority for which he/she serves as commissioner, said person shall then become disqualified to serve that authority as a directly assisted commissioner and shall be replaced as commissioner by a person who is directly assisted by the authority if federal law then requires that authority to have a directly assisted commissioner.

**§ 43-33-117. Powers of regional housing authority.**

Except as otherwise provided herein, a regional housing authority and the commissioners thereof shall, within the area of operation of such regional housing authority, have the same functions, rights, powers, duties, privileges, immunities and limitations provided for housing authorities created for cities or counties and the commissioners of such housing authorities, and all the provisions of law applicable to housing authorities created for cities or counties and the commissioners of such authorities shall be applicable to regional housing authorities and the commissioners thereof. For such purposes, the term "mayor" or "governing body" as used in the Housing Authorities Law shall be construed as meaning "board of supervisors," unless a different meaning clearly appears from the context. A regional housing authority shall have power to select any appropriate corporate name.

**§ 43-33-119. Rural housing projects.**

County housing authorities and regional housing authorities are specifically empowered and authorized to borrow money, accept grants and exercise their other powers to provide housing on farms or in other areas outside of cities. With respect to such housing, county and regional housing authorities

shall not be subject to the limitations provided in clause (c) of Section 43-33-15 of the Housing Authorities Law. Any such housing authority may rent, sell, or make loans to finance the cost of such housing, and make or accept such conveyances, purchase agreements or leases as it deems necessary to assure the achievement of the objectives of this article and the Housing Authorities Law. Such leases, agreements or conveyances may include such covenants as the housing authority deems appropriate regarding the housing and the tracts of land described in any such instrument, which covenants shall be deemed to run with the land where the housing authority deems it necessary and the parties to such instrument so stipulate. Nothing contained in this section shall be construed as limiting any other powers of any housing authority.

Until a purchaser makes full payment for a dwelling which is constructed by an authority on a farm, such dwelling shall continue to be the property of the authority regardless of the title to the land on which it is constructed, and such dwelling shall be exempt from taxation in the same manner as other property of the authority. Any document making land available for use by an authority shall be admitted to record, and accordingly constitute notice, in the same manner as a deed or other instrument relating to real estate.

When an authority provides a dwelling on a farm hereunder, the owner of the farm living in the dwelling under a lease or purchase agreement shall be entitled to receive the same homestead exemption as if he had title to the dwelling.

### **§ 43-33-121. Housing applications by farmers.**

The owner of any farm operated, or worked upon, by farmers of low income in need of safe and sanitary housing may file an application with a county housing authority or a regional housing authority requesting that it provide for a safe and sanitary dwelling or dwellings for occupancy by such farmers of low income. Such applications shall be received and examined by housing authorities in connection with the formulation of projects or programs to provide housing for farmers of low income.

### **§ 43-33-123. “Farmers of low income” defined.**

“Farmers of low income” as used in this article shall mean persons or families who (1) derive their principal income from operating or working upon a farm; (2) whose average net income is less than the amount which is necessary (as determined by the authority operating in that area) to enable them, without financial assistance, to obtain or provide themselves with decent, safe and sanitary housing.

### § 43-33-125. Consolidated housing authority.

If the governing body of each of two (2) or more municipalities (whether or not contiguous) by resolution declares that there is a need for one (1) housing authority to be created for all of such municipalities to exercise in such municipalities the powers and other functions prescribed for a housing authority, a public body corporate and politic to be known as a consolidated housing authority (with such corporate name as it selects) shall thereupon exist for all of such municipalities and exercise its powers and other functions within its area of operation (as herein defined), including the power to undertake projects therein; and thereupon each housing authority (if any) created for each of such municipalities shall cease to exist except for the purpose of winding up its affairs and executing a deed of its real property to the consolidated housing authority. The creation of a consolidated housing authority and the finding of need therefor shall be subject to the same provisions and limitations of this article as are applicable to the creation of a regional housing authority and that all of the provisions of this article applicable to regional housing authorities and the commissioners thereof shall be applicable to consolidated housing authorities and the commissioners thereof. The area of operation of a consolidated housing authority shall include all of the territory within the boundaries of each municipality joining in the creation of such authority together with the territory within five (5) miles of the boundaries of each such municipality, except that such area of operation may be changed to include or exclude any municipality or municipalities (with its aforesaid surrounding territory) in the same manner and under the same provisions as provided in this article for changing the area of operation of a regional housing authority by including or excluding a county or counties. For all such purposes the term "board of supervisors" shall be construed as meaning "governing body", except in Section 43-33-115 of this article where it shall be construed as meaning "mayor" or other executive head of the municipality, the term "county" shall be construed as meaning "municipality", and the terms "county housing authority" and "regional housing authority" shall be construed as meaning "housing authority of the city" and "consolidated housing authority," respectively, unless a different meaning clearly appears from the context.

The governing body of a municipality for which a housing authority has not been created shall not adopt the above resolution unless it first declares that there is a need for a housing authority to function in said municipality, which declaration shall be made in the same manner and subject to the same conditions as the declaration of the governing body of a city required by Section 43-33-5 of the Housing Authorities Law for the purpose of authorizing a housing authority created for a city to transact business and exercise its powers.

Except as otherwise provided herein, a consolidated housing authority and the commissioners thereof shall, within the area of operation of such consolidated housing authority, have the same functions, rights, powers, duties,

privileges, immunities and limitations as those provided for housing authorities created for cities, counties, or groups of counties and the commissioners of such housing authorities, in the same manner as though all the provisions of law applicable to housing authorities created for cities, counties, or groups of counties were applicable to consolidated housing authorities.

The term "municipality" as used in this article shall mean any city, town, village or other municipality in the state.

### **§ 43-33-127. Housing authority operations in other municipalities.**

In addition to its other powers, a housing authority created for a city may exercise any or all of its powers within the territorial boundaries of any other municipality not included in the area of operation of such housing authority, for the purpose of planning, undertaking, financing, constructing and operating a housing project or projects within such municipality, provided that a resolution shall have been adopted (a) by the governing body of such municipality in which the authority is to exercise its powers and (b) by the housing authority of such municipality (if one has been theretofore established by such municipality and authorized to exercise its powers therein) declaring that there is a need for the housing authority of the aforesaid city to exercise its powers within such municipality. A municipality shall have the same powers to furnish financial and other assistance to a housing authority exercising its powers within such municipality under this section as though the municipality were within the area of operation of such authority.

### **§ 43-33-129. Findings required for authority to operate in municipality.**

No governing body of a city or other municipality shall adopt a resolution as provided in Sections 43-33-105 or 43-33-127 declaring that there is a need for a housing authority (other than a housing authority established by such municipality) to exercise its powers within such municipality, unless a public hearing has first been held by such governing body and unless such governing body shall have found in substantially the following terms: (a) that unsanitary or unsafe inhabited dwelling accommodations exist in such municipality or that there is a shortage of safe or sanitary dwelling accommodations in such

municipality available to persons of low income at rentals they can afford; and (b) that these conditions can be best remedied through the exercise of the aforesaid housing authority's powers within the territorial boundaries of such municipality. Such findings shall not have the effect of establishing a housing authority for any such municipality under the Housing Authorities Law nor of thereafter preventing such municipality from establishing a housing authority or joining in the creation of a consolidated housing authority or the increase of the area of operation of a consolidated housing authority. The clerk of the city or other municipality shall give notice of the time, place and purpose of the public hearing at least ten (10) days prior to the date on which the hearing is to be held, in a newspaper published in such municipality, or if there is no newspaper published in such municipality, then in a newspaper published in the state and having a general circulation in such municipality. Upon the date fixed for such public hearing an opportunity to be heard shall be granted to all residents of such municipality and to all other interested persons.

During the time that, pursuant to these findings, a housing authority has outstanding (or is under contract to issue) any evidences of indebtedness for a project within the city or other municipality, no other housing authority may undertake a project within such municipality without the consent of said housing authority which has such outstanding indebtedness or obligation.

### **§ 43-33-131. Meetings and residence of commissioners.**

Nothing contained in this article or the Housing Authorities Law shall be construed to prevent meetings of the commissioners of a housing authority anywhere within the perimeter boundaries of the area of operation of the authority or within any additional area where the housing authority is authorized to undertake a housing project, nor to prevent the appointment of any person as a commissioner of the authority who resides within such boundaries or such additional area, and who is otherwise eligible for such appointment under this article or the Housing Authorities Law.

### **§ 43-33-133. Agreement to sell as security for obligations to federal government.**

In any contract or amendatory or superseding contract for a loan and annual contributions heretofore or hereafter entered into between a housing authority (as defined in the Housing Authorities Law) and the federal government, or any agency thereof, with respect to any housing project undertaken by said housing authority, any such housing authority is authorized to make such covenants (including covenants with holders of obligations of said authority issued for purposes of the project involved), and to confer upon the federal government, or any agency thereof, such rights and remedies, as said housing authority deems necessary to assure the fulfillment of the

purposes for which the project was undertaken. In any such contract, the housing authority may, notwithstanding any other provisions of law, agree to sell and convey the project (including all lands appertaining thereto) to which such contract relates to the federal government, or any agency thereof, upon the occurrence of such conditions, or upon such defaults on obligations for which any of the annual contributions provided in said contract are pledged, as may be prescribed in such contract, and at a price (which may include the assumption by the federal government, or any agency thereof, of the payment, when due, of the principal of and interest on outstanding obligations of the housing authority issued for purposes of the project involved) determined as prescribed therein and upon such other terms and conditions as are therein provided. Any such housing authority is hereby authorized to enter into such supplementary contracts, and to execute such conveyances, as may be necessary to carry out the provisions hereof. Notwithstanding any other provisions of law, any contracts or supplementary contracts or conveyances made or executed pursuant to the provisions of this section shall not be or constitute a mortgage within the meaning or for the purposes of any of the laws of this state.

This article shall be known and may be cited as the "Mississippi Home Corporation Act."

**§ 43-33-702. Legislative findings.**

The Legislature hereby finds and declares:

(a) That there exists in the State of Mississippi a severe shortage of adequate, safe and sanitary residential and rental housing available at prices or rentals within the financial means of persons of low or moderate income; that this shortage has contributed to and will contribute to the creation and persistence of substandard living conditions and is damaging to the health, welfare and prosperity of the residents of this state.

(b) That private enterprise and investment have been unable, without assistance, to produce the needed construction or rehabilitation of adequate, safe and sanitary housing at prices or rentals which persons of low or moderate income can afford and to provide sufficient long-term mortgage financing for residential or rental housing for occupancy by such persons;

(c) That the shortage of adequate and affordable housing can best be addressed through a strong, unified organization which can develop creative approaches to housing production and assistance through active cooperation of public and private entities, including federal, state and local government, private nonprofit and for profit entities, community and citizens groups, charitable organizations, and private citizens; that this organization should stimulate private development, construction and rehabilitation, develop a wide range of state housing assistance programs, engage in comprehensive planning, study, research and statewide coordination with respect to low and moderate housing, provide technical, educational and consultative services, and promote governmental and community interest in the provision of housing for low and moderate income persons in the state; that this organization should receive appropriations of public funds, should be authorized to obtain funding for its programs by issuing its bonds and notes; and that this organization should be authorized to administer available federal,

state or local programs and monies and to retain for its corporate purposes all such fees and income generated thereby;

(d) To aid in remedying these conditions and to accomplish these public purposes, effective September 1, 1989, there is created a public body corporate and politic, separate and apart from the state, constituting a governmental instrumentality, to be known as the Mississippi Home Corporation, for the performance of essential public functions. The corporation shall be constituted and shall have such powers as provided in this article.

(m) "Real property" shall include all lands, including improvements and fixtures thereon, and property of any nature appurtenant thereto, or used in connection therewith, and every estate, interest, right and use, legal or equitable, therein, including terms for years and liens by way of judgment, mortgage or otherwise.

### ATTORNEY GENERAL OPINIONS

A county may not issue bonds or use bond proceeds to equip or retrofit equipment for a facility located in another county. Clements, Apr. 6, 2001, A.G. Op. #01-0160.

When subsection (b) of this section and

§§ 43-35-5 and 43-5-15 are read in pari materia, a county has the authority to expend general funds in furtherance of the exercise of lawful powers in an urban renewal project. Hollimon, June 4, 2004, A.G. Op. 03-0616.

### § 43-35-5. Findings and declarations of necessity.

It is hereby found and declared that there exist in municipalities of the state slum and blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime, constitutes an economic and social liability imposing onerous municipal burdens which decrease the tax base and reduce tax revenues, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of slums and blight is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, and consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services and facilities.

It is further found and declared that certain slum or blighted areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this article, since the prevailing condition of decay may make impracticable the reclamation of the area by conservation or rehabilitation; that other areas or portions thereof may, through the means provided in this article, be susceptible of conservation or rehabilitation in such a manner that the conditions and evils hereinbefore enumerated may be eliminated, remedied or prevented; and that salvable slum and blighted areas can be conserved and rehabilitated through appropriate public action as authorized in this article, and the cooperation and voluntary action of the owners and tenants of property in such areas.

It is further found and declared that the powers conferred by this article are for public uses and purposes for which public money may be expended and the power of eminent domain and police power exercised. The necessity in the

public interest for the provisions enacted as this article is hereby declared as a matter of legislative determination.

## JUDICIAL DECISIONS

### 1. In general.

The burden of proof on the issue of necessity is on the landowner who seeks to show lack of necessity, and whether the taking is necessary is within the discretion of the condemnor, and the courts will interfere with the exercise of such discre-

tion only when abuse of discretion or fraud is shown, and in the absence of such proof a housing authority's declaration of necessity will not be overturned. *Paulk v. Housing Auth.*, 195 So. 2d 488 (Miss. 1967).

## § 43-35-7. Encouragement of private enterprise.

A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this article, shall afford maximum opportunity, consistent with the sound needs of the municipality as a whole, to the rehabilitation or redevelopment of the urban renewal area by private enterprise. A municipality shall give consideration to this objective in exercising its powers under this article, including the formulation of a workable program, the approval of urban renewal plans (consistent with the general plan of the municipality), the exercise of its zoning powers, the enforcement of other laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements, the disposition of any property acquired, and the provision of necessary public improvements.

### § 43-35-9. Workable program.

A municipality for the purposes of this article may formulate for the municipality a workable program for utilizing appropriate private and public resources to eliminate and prevent the development or spread of slums and urban blight, to encourage needed urban rehabilitation, to provide for the redevelopment of slum and blighted areas, or to undertake such of the aforesaid activities or other feasible municipal activities as may be suitably employed to achieve the objectives of such workable program. Such workable program may include, without limitation, provision for: the prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning and occupancy controls and standards; the rehabilitation or conservation of slum and blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of slum and blighted areas or portions thereof.

### § 43-35-11. Finding of necessity by local governing body.

No municipalities shall exercise the authority hereafter conferred upon municipalities by this article until after its local governing body shall have adopted a resolution finding that: (1) one or more slum or blighted areas exist in such municipality; and (2) the rehabilitation, conservation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals or welfare of the residents of such municipality.

**Cross References** — Provision that the urban renewal agency shall not transact any business or exercise its powers until or unless the local governing body has made the finding prescribed in § 43-35-11, see § 43-35-33.

### **§ 43-35-13. Preparation and approval of urban renewal projects and urban renewal plans.**

(a) A municipality shall not approve an urban renewal project for an urban renewal area unless the governing body has, by resolution, determined such area to be a slum area or a blighted area or a combination thereof and designated such area as appropriate for an urban renewal project. The local governing body shall not approve an urban renewal plan until a general plan for the municipality has been prepared. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt and to revise from time to time, a general plan for the physical development of the municipality as a whole (giving due regard to the environs and metropolitan surroundings), to establish and maintain a planning commission for such purpose and related municipal planning activities, and to make available and to appropriate necessary funds therefor. A municipality shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal project in accordance with subsection (d) hereof.

(b) The municipality may itself prepare or cause to be prepared an urban renewal plan, or any person or agency, public or private, may submit such a plan to a municipality. Prior to its approval of an urban renewal project, the local governing body shall submit such plan to the planning commission of the municipality, if any, for review and recommendations as to its conformity with the general plan for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed urban renewal plan to the local governing body within thirty (30) days after receipt of the plan for review. Upon receipt of the recommendations of the planning commission, or if no recommendations are received within said thirty (30) days, then without such recommendations, the local governing body may proceed with the hearing on the proposed urban renewal project prescribed by subsection (c) hereof.

(c) The local governing body shall hold a public hearing on an urban renewal project, after public notice thereof by publication in a newspaper having a general circulation in the area of operation of the municipality. The notice shall describe the time, date, place and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration.

(d) Following such hearing, the local governing body may approve an urban renewal project if it finds that (1) a feasible method exists for the location of families who will be displaced from the urban renewal area in decent, safe and sanitary dwelling accommodations within their means and

without undue hardship to such families; (2) the urban renewal plan conforms to the general plan of the municipality as a whole; and (3) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise. If the urban renewal area consists of an area of open land to be acquired by the municipality, such area shall not be so acquired unless (1) if it is to be developed for residential uses, the local governing body shall determine that a shortage of housing of sound standards and design which is decent, safe and sanitary exists in the municipality; that the need for housing accommodations has been or will be increased as a result of the clearance of slums in other areas (including other portions of the urban renewal area); that the conditions of blight in the area and the shortage of decent, safe and sanitary housing cause or contribute to an increase in and spread of disease and crime and constitute a menace to the public health, safety, morals, or welfare; and that the acquisition of the area for residential uses is an integral part of and essential to the program of the municipality, or (2) if it is to be developed for nonresidential uses, the local governing body shall determine that such nonresidential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives, which acquisition may require the exercise of governmental action, as provided in this article, because of defective or unusual conditions of title, diversity of ownership, tax delinquency, improper subdivisions, outmoded street patterns, deterioration of site, economic disuse, unsuitable topography or faulty lot layouts, the need for the correlation of the area with other areas of a municipality by streets and modern traffic requirements, or any combination of such factors or other conditions which retard development of the area.

(e) An urban renewal plan may be modified at any time, provided that if modified after the lease or sale by the municipality of real property in the urban renewal project area, such modification may be conditioned upon such approval of the owner, lessee or successor in interest as the municipality may deem advisable and in any event shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert.

(f) Upon the approval by a municipality of an urban renewal plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective urban renewal area and the municipality may then cause such plan or modification to be carried out in accordance with its terms.

(g) Notwithstanding any other provisions of this article, where the local governing body certifies that an area is in need of redevelopment or rehabilitation as a result of a flood, fire, hurricane, earthquake, storm, or other catastrophe respecting which the governor of the state has certified the need for disaster assistance under Public Law 875, Eighty-first Congress, or other federal law, the local governing body may approve an urban renewal plan and an urban renewal project with respect to such area without regard to the

provisions of subsection (d) of this section and the provisions of this section requiring a general plan for the municipality and a public hearing on the urban renewal project.

### JUDICIAL DECISIONS

#### 1. In general.

Where at the time of a municipal housing authority's resolution declaring the necessity for taking certain properties as a blighted area, such area was populated and had houses and commercial buildings constructed thereon, the fact that at the time eminent domain proceedings were commenced there was nothing standing in

the area except grass and trees, such proceedings were not violative of the statute prohibiting condemnation of "open land," since the condition of the area was otherwise at the time that the declaration of necessity for taking was adopted. *Paulk v. Housing Auth.*, 195 So. 2d 488 (Miss. 1967).

## § 43-35-15. Powers.

Every municipality shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this article, including the following powers in addition to others herein granted:

(a) To undertake and carry out urban renewal projects within its area of operation; and to make and execute contracts and other instruments necessary or convenient to the exercise of its powers under this article, and to disseminate slum clearance and urban renewal information;

(b) To provide or to arrange or contract for the furnishing or repair by any person or agency, public or private, of services, privileges, works, streets, roads, public utilities or other facilities for or in connection with an urban renewal project; to install, construct, and reconstruct streets, utilities, parks, playgrounds, and other public improvements; and to agree to any conditions that it may deem reasonable and appropriate attached to federal financial assistance and imposed pursuant to federal law relating to the determination of prevailing salaries or wages or compliance with labor standards, in the undertaking or carrying out of an urban renewal project, and to include in any contract let in connection with such a project, provisions to fulfill such of said conditions as it may deem reasonable and appropriate;

(c) Within its area of operation, to enter into any building or property in any urban renewal area in order to make inspections, surveys, appraisals, soundings or test borings, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; to acquire by purchase, lease, option, gift, grant, bequest, devise, eminent domain or otherwise, any real property (or personal property for its administrative purposes), together with any improvements thereon. However, before condemning property of a corporation itself possessing the power of eminent domain, the condemnor must have obtained from the Mississippi Public Service Commission findings of fact as follows: (i) that there was no other property reasonably available for the contemplated public use, and (ii) that the property sought to be taken was not reasonably necessary to the performance of the function of the public service corporation owning, or holding such property. Moreover, such municipality shall have the power to hold, improve, clear or prepare for redevelopment any such property; to mortgage, pledge, hypothecate or otherwise encumber or dispose of any real property; to insure or provide for the insurance of any real or personal property or operations of the municipality against any risks or hazards, including the power to pay premiums on any such insurance; and to enter into any contracts necessary to effectuate the purposes of this article. However, no statutory provision with respect to the acquisition, clearance or disposition of property by public bodies shall restrict a municipality or other public body exercising the powers hereunder, in the exercise of such functions with respect to an urban renewal project, unless the legislature shall specifically so state;

(d) To invest any urban renewal project funds held in reserves or sinking funds or any such funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control; to redeem such bonds as have been issued pursuant to Section 43-35-21 at the redemption price established therein or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be cancelled;

(e) To borrow money and to apply for and accept advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this article, and to give such security as may be required and to enter into and carry out contracts in connection therewith. A municipality may include in any contract for financial assistance with the federal government for an urban renewal project such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of this article.

(f) To accept funds under the provisions of the Housing and Community Development Act of 1974, P. L. 93-383, or amendments thereto, and to make grants or loans to individuals who own property in the designated area and who qualify according to the provisions of the act, such grants or loans to be

made from funds accepted under the provisions of said P. L. 93-383, as amended, or from the grants and contributions derived under the provisions of subsection (e) of this section; and to make loans from funds derived from subsection (e) of this section or from the proceeds of revenue bonds issued pursuant to the authority of Section 43-35-21, Mississippi Code of 1972.

(g) Within its area of operation, to make or have made all surveys and plans necessary to the carrying out of the purposes of this article and to contract with any person, public or private, in making and carrying out such plans and to adopt or approve, modify and amend such plans. Such plans may include, without limitation: (i) a general plan for the locality as a whole, (ii) urban renewal plans, (iii) preliminary plans outlining urban renewal activities for neighborhoods to embrace two (2) or more urban renewal areas, (iv) plans for carrying out a program of voluntary or compulsory repair and rehabilitation of buildings and improvements, (v) plans for the enforcement of state and local laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements, and (vi) appraisals, title searches, surveys, studies, and other plans and work necessary to prepare for the undertaking of urban renewal projects. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of slums and urban blight and to apply for, accept and utilize grants of funds from the federal government for such purposes;

(h) To prepare plans for the relocation of persons (including families, business concerns and others) displaced by an urban renewal project, and to make relocation payments to or with respect to such persons for moving expenses and losses of property for which reimbursement or compensation is not otherwise made, including the making of payments financed by the federal government;

(i) To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this article and to levy taxes and assessments for such purposes; to zone or rezone any part of the municipality or make exceptions from building regulations; and to enter into agreements with a housing authority or an urban renewal agency vested with urban renewal project powers under Section 43-35-31 (which agreements may extend over any period, notwithstanding any provision or rule of law to the contrary), respecting action to be taken by such municipality pursuant to any of the powers granted by this article;

(j) To close, vacate, plan or replan streets, roads, sidewalks, ways or other places; and to plan or replan any part of the municipality;

(k) Within its area of operation, to organize, coordinate and direct the administration of the provisions of this article as they apply to such municipality in order that the objective of remedying slum and blighted areas and preventing the causes thereof within such municipality may be most effectively promoted and achieved, and to establish such new office or

offices of the municipality or to reorganize existing offices in order to carry out such purpose most effectively; and

(l) To exercise all or any part or combination of powers herein granted.

### § 43-35-17. Eminent domain.

(a) A municipality shall have the right to acquire by condemnation any interest in real property, including a fee simple title thereto, which it may deem necessary for or in connection with an urban renewal project under this article. A municipality may exercise the power of eminent domain in the manner provided in Chapter 27, Title 11, Mississippi Code of 1972, or it may exercise the power of eminent domain in the manner now or which may be hereafter provided by any other statutory provisions for the exercise of the power of eminent domain. Property already devoted to a public use may be acquired in like manner, provided that no real property belonging to the state, or any political subdivision thereof, may be acquired without its consent.

(b) In any proceeding to fix or assess compensation for damages for the taking or damaging of property, or any interest therein, through the exercise of the power of eminent domain or condemnation, evidence or testimony bearing upon the following matters shall be admissible and shall be considered in fixing such compensation or damages, in addition to evidence or testimony otherwise admissible:

(1) Any use, condition, occupancy, or operation of such property, which is unlawful or violative of, or subject to elimination, abatement, prohibition,

or correction under, any law or any ordinance or regulatory measure of the state, county, municipality, other political subdivision, or any agency thereof, in which such property is located, as being unsafe, substandard, unsanitary or otherwise contrary to the public health, safety, or welfare; and

(2) The effect on the value of such property of any such use, condition, occupancy, or operation, or of the elimination, abatement, prohibition, or correction of any such use, condition, occupancy, or operation.

(c) The foregoing testimony and evidence shall be admissible notwithstanding that no action has been taken by any public body or public officer toward the abatement, prohibition, elimination or correction of any such use, condition, occupancy, or operation. Testimony or evidence that any public body or public officer charged with the duty or authority so to do has rendered, made or issued any judgment, decree, determination or order for the abatement, prohibition, elimination or correction of any such use, condition, occupancy, or operation shall be admissible and shall be prima facie evidence of the existence and character of such use, condition or operation.

## JUDICIAL DECISIONS

### 1. In general.

In an action by heirs against a city alleging violations of the reservations and restrictions of a deed whereby the grantor conveyed certain property to the city, for no consideration, but with the main restriction and reservation that the property be used as a park, the city's motions to dismiss, or for summary judgment under Fed. R. Civ. P. 56(c), were granted where the city did not materially violate its duty as trustee with regard to the park because the city had continuously expended money to achieve and maintain a

park which was unquestionably of the type envisioned by the grantor, and, as to the objected to highway extension, the city entered into a temporary construction agreement, not subject to restrictions under Miss. Code Ann. § 43-35-17, whereby the state improved the existing street in order to maximize the public's use and enjoyment of activities both on the deeded property and similar private and public development adjacent thereto. *Shawnee Partners, LLC. v. ### § 43-35-19. Disposal of property in urban renewal area.

(a) A municipality may sell, lease or otherwise transfer real property or any interest therein acquired by it, and may enter into contracts with respect thereto, in an urban renewal area for residential, recreational, commercial, industrial or other uses or for public use, or may retain such property or interest for public use, in accordance with the urban renewal plan, subject to such covenants, conditions and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of future slums or blighted areas or to otherwise carry out the purposes of this article. Such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the urban renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin within a reasonable time any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a municipality shall take into account and give consideration to the uses provided in such plan; the restrictions upon, and the covenants, conditions and obligations assumed by the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease, or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any or all improvements which he has obligated himself to construct thereon. Real property

acquired by a municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible in the public interest consistent with the carrying out of the provisions of the urban renewal plan. Each contract for such transfer and the urban renewal plan shall be recorded in the land records of the county in such manner as to afford actual or constructive notice thereof.

(b) A municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe or as hereinafter provided in this subsection. A municipality may, by public notice by publication in a newspaper having a general circulation in the community (thirty (30) days prior to the execution of any contract to sell, lease or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section), invite proposals from and make available all pertinent information to private redevelopers or any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof, and shall state that proposals shall be made by those interested within thirty (30) days after the date of publication of said notice, and that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all such redevelopment or rehabilitation proposals and the financial and legal ability of the persons making such proposals to carry them out, and may negotiate with any persons for proposals for the purchase, lease or other transfer of any real property acquired by the municipality in the urban renewal area. The municipality may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this article. A notification of intention to accept such proposal shall be filed with the governing body not less than thirty (30) days prior to any such acceptance. Thereafter, the municipality may execute such contract in accordance with the provisions of subsection (a) and deliver deeds, leases and other instruments and take all steps necessary to effectuate such contract.

(c) A municipality may temporarily operate and maintain real property acquired in an urban renewal area pending the disposition of the property as authorized in this article, without regard to the provisions of subsection (a) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan.

## JUDICIAL DECISIONS

### 1. In general.

The evidence was sufficient to support a trial court's dismissal of a city's condemnation petition based on a finding of no public use where the city's contract with a gaming corporation for use of the land for the alleged purpose of urban renewal did

not comply with § 43-35-19(b)'s competitive bidding requirement, and the city failed to provide conditions, restrictions, or covenants in its contract with the gaming corporation to ensure that the property would be used for the purpose of gaming enterprise or other related estab-

lishments. Mayor of Vicksburg v. Thomas, 645 So. 2d 940 (Miss. 1994).

### § 43-35-21. Issuance of bonds.

(a) A municipality shall have power to issue bonds from time to time, in its discretion, to finance the undertaking of any urban renewal project under this article, including, without limiting the generality thereof, the payment of principal and interest upon any advances for surveys and plans, and shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from or held in connection with its undertaking and carrying out of urban renewal projects under this article. Payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant or contribution from the federal government or other source, in aid of any urban renewal projects of the municipality under this article, and by a mortgage of any such urban renewal projects, or any part thereof title to which is in the municipality.

(b) Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance or sale of bonds. Bonds issued under the provisions of this article are declared to be issued for an essential public and governmental purpose and, together with interest thereon and income therefrom, shall be exempted from all taxes.

(c) Bonds issued under this section shall be authorized by resolution or ordinance of the local governing body and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, not to exceed thirty (30) years from date of issue, bear interest at such rate or rates, not exceeding that allowed in Section 75-17-103, Mississippi Code of 1972, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto. Any bond issue to be awarded and sold to the United States of America or any agency thereof shall

mature at such time or times, not to exceed thirty-five (35) years, as shall be prescribed in the ordinance authorizing their issuance.

(d) Such bonds may be sold at not less than par at public sales held after notice published prior to such sale in a newspaper having a general circulation in the area of operation and in such other medium of publication as the municipality may determine or may be exchanged for other bonds on the basis of par. Such bonds may be sold to the federal government at private sale at not less than par, and, in the event less than all of the authorized principal amount of such bonds is sold to the federal government, the balance may be sold at private sale at not less than par at an interest cost to the municipality of not to exceed the interest cost to the municipality of the portion of the bonds sold to the federal government.

(e) In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this article shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this article shall be fully negotiable.

(f) In any suit, action or proceeding involving the validity or enforceability of any bond issued under this article, or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located and carried out in accordance with the provisions of this article.

## § 43-35-23. Bonds as legal investments.

All banks, trust companies, bankers, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking or investment business; all insurance companies, insurance associations, and other persons carrying on an

insurance business; and all executors, administrators, curators, trustees, and other fiduciaries, may legally invest any sinking funds, moneys, or other funds belonging to them or within their control in any bonds or other obligations issued by a municipality pursuant to this article or by any urban renewal agency or housing authority vested with urban renewal project powers under Section 43-35-31. Such bonds and other obligations shall be secured by an agreement between the issuer and the federal government in which the issuer agrees to borrow from the federal government and the federal government agrees to lend to the issuer, prior to the maturity of such bonds or other obligations, moneys in an amount which (together with any other moneys irrevocably committed to the payment of interest on such bonds or other obligations) will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which moneys, under the terms of said agreement, are required to be used for the purpose of paying the principal of and the interest on such bonds or other obligations at their maturity. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities.

### **§ 43-35-25. Property exempt from taxes and from levy and sale by virtue of an execution.**

(a) All property of a municipality including funds, owned or held by it for the purposes of this article shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against the same nor shall judgment against a municipality be a charge or lien upon such property. The provisions of this section shall not apply to or limit the right of obligees to pursue any remedies for the enforcement of any pledge or lien given pursuant to this article by a municipality on its rents, fees, grants or revenues from urban renewal projects.

(b) The property of a municipality, acquired or held for the purposes of this article, is declared to be public property used for essential public and governmental purposes and such property shall be exempt from all taxes of the municipality, the county, the state or any political subdivision thereof. Such tax

exemption shall terminate when the municipality sells, leases or otherwise disposes of such property in an urban renewal area to a purchaser or lessee which is not a public body entitled to tax exemption with respect to such property.

## § 43-35-27. Cooperation by public bodies.

(a) For the purpose of aiding in the planning, undertaking or carrying out of an urban renewal project located within the area in which it is authorized to act, any public body may, upon such terms, with or without consideration, as it may determine: (1) dedicate, sell, convey or lease any of its interest in any property or grant easements, licenses or other rights or privileges therein to a municipality; (2) incur the entire expense of any public improvements made by such public body in exercising the powers granted in this section; (3) do any and all things necessary to aid or cooperate in the planning or carrying out of an urban renewal plan; (4) lend, grant or contribute funds to a municipality; (5) enter into agreements (which may extend over any period, notwithstanding any provision or rule of law to the contrary) with a municipality or other public body respecting action to be taken pursuant to any of the powers granted by this article, including the furnishing of funds or other assistance in connection with an urban renewal project; and (6) cause public buildings and public facilities, including parks, playgrounds, recreational, community, educational, water, sewer or drainage facilities, or any other works which it is otherwise empowered to undertake to be furnished; furnish, dedicate, close, vacate, pave, install, grade, regrade, plan or replan streets, roads, sidewalks, ways or other places; plan or replan, zone or rezone any part of the public body or make exceptions from building regulations; and cause administrative and other services to be furnished to the municipality. If at any time title to or possession of any urban renewal project is held by any public body or governmental agency, other than the municipality, which is authorized by law to engage in the undertaking, carrying out, or administration of urban renewal projects (including any agency or instrumentality of the United States of America), the provisions of the agreements referred to in this section shall inure to the benefit of and may be enforced by such public body or governmental agency. As used in this subsection, the term "municipality" shall also include an urban renewal agency or a housing authority vested with all of the urban renewal project powers pursuant to the provisions of Section 43-35-31.

(b) Any sale, conveyance, lease or agreement provided for in this section may be made by a public body without appraisal, public notice, advertisement or public bidding.

(c) For the purpose of aiding in the planning, undertaking or carrying out of an urban renewal project of an urban renewal agency or a housing authority hereunder, a municipality may (in addition to its other powers and upon such terms, with or without consideration, as it may determine) do and perform any or all of the actions or things which, by the provisions of subsection (a) of this section, a public body is authorized to do or perform, including the furnishing of financial and other assistance.

(d) For the purposes of this section, or for the purpose of aiding in the planning, undertaking or carrying out of an urban renewal project of a municipality, such municipality may (in addition to any authority to issue bonds pursuant to Section 43-35-21) issue and sell its general obligation bonds. Any bonds issued by a municipality pursuant to this section shall be issued in the manner and within the limitations prescribed by the laws of this state for the issuance and authorization of bonds by such municipality for public purposes generally.

#### § 43-35-29. Title of purchaser.

Any instrument executed by a municipality and purporting to convey any right, title or interest in any property under this article shall be conclusively presumed to have been executed in compliance with the provisions of this article in so far as title or other interest of any bona fide purchasers, lessees or transferees of such property is concerned.

### § 43-35-31. Exercise of powers in carrying out urban renewal project.

(a) A municipality may itself exercise its urban renewal project powers (as herein defined) or may, if the local governing body by resolution determines such action to be in the public interest, elect to have such powers exercised by the urban renewal agency (created by Section 43-35-33) or by the housing authority, if one exists or is subsequently established in the community. In the event the local governing body makes such determination, the urban renewal agency or the housing authority, as the case may be, shall be vested with all of the urban renewal project powers in the same manner as though all such powers were conferred on such agency or authority instead of the municipality. If the local governing body does not elect to make such determination, the municipality, in its discretion, may exercise its urban renewal project powers through a board or commissioner or through such officers of the municipality as the local governing body may by resolution determine.

(b) As used in this section, the term "urban renewal project powers" shall include the rights, powers, functions and duties of a municipality under this article, except the following: the power to determine an area to be a slum or blighted area or combination thereof and to designate such area as appropriate for an urban renewal project and to hold any public hearings required with respect thereto; the power to approve urban renewal plans and modifications thereof; the power to establish a general plan for the locality as a whole; the power to formulate a workable program under Section 43-35-9; the power to make the determinations and findings provided for in Section 43-35-7, Section 43-35-11, and subsection (d) of Section 43-35-13; the power to issue general obligation bonds; and the power to appropriate funds, to levy taxes and assessments, and to exercise other powers provided for in subsection (h) of Section 43-35-15.

**§ 43-35-33. Urban renewal agency.**

(a) There is hereby created in each municipality a public body corporate and politic to be known as the "urban renewal agency" of the municipality. Such agency shall not transact any business or exercise its powers hereunder until or unless the local governing body has made the finding prescribed in Section 43-35-11, and has elected to have the urban renewal project powers exercised by an urban renewal agency as provided in Section 43-35-31.

(b) If the urban renewal agency is authorized to transact business and exercise powers hereunder, the mayor, by and with the advice and consent of the local governing body, shall appoint a board of commissioners of the urban renewal agency which shall consist of five (5) commissioners. The term of office of each such commissioner shall be for five (5) years. The commissioners who are appointed in 1973 shall be designated to serve for terms of one (1), two (2), three (3), four (4) and five (5) years, respectively, from the date of their appointment, and thereafter when a vacancy shall occur either by the expiration of term of office or otherwise, the vacancy shall be filled by the governing body of the city either to fill an unexpired term where a commissioner shall die or resign or shall become disqualified during his term, or for a full term of five (5) years where the term of a commissioner expires.

(c) A commissioner shall receive no compensation for his services but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties. Each commissioner shall hold office until his successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk of the municipality and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner.

The powers of an urban renewal agency shall be exercised by the commissioners thereof. A majority of the commissioners shall constitute a quorum for the purpose of conducting business and exercising the powers of the agency and for all other purposes. Action may be taken by the agency upon a vote of a majority of the commissioners present, unless in any case the bylaws shall require a larger number. Any persons may be appointed as commissioners if they reside within the area of operation of the agency, which shall be coterminous with the area of operation of the municipality, and are otherwise eligible for such appointments under this article.

An agency may employ an executive director, technical experts and such other agents and employees, permanent and temporary, as it may require, and determine their qualifications, duties and compensation. For such legal service as it may require, an agency may employ or retain its own counsel and legal staff. An agency authorized to transact business and exercise powers under this article shall file with the local governing body, on or before March 31 of each year, a report of its activities for its preceding fiscal year, which report shall include a complete financial statement setting forth its assets, liabilities, income and operating expenses as of the end of such fiscal year. At the time of filing the report, the agency shall publish a true and correct copy of such report in a newspaper of general circulation in the community.

(d) For inefficiency or neglect of duty or misconduct in office, a commissioner may be removed only after a hearing and after he shall have been given a copy of the charges at least ten (10) days prior to such hearing and have had an opportunity to be heard in person or by counsel.

## JUDICIAL DECISIONS

### 1. In general.

The Jackson Redevelopment Agency was a legal entity entitled to exercise the power of eminent domain, even though it had failed to file the required annual reports; the fact that two of the seven commissioners of the redevelopment agency were not qualified to serve on the board of directors because they did not meet the statutory residence requirements did not invalidate the agency's exercise of its eminent domain powers where, under § 25-1-37, their right to office could not be impeached in a collat-

eral proceeding; nor could a collateral proceeding be used to raise a claim that two of the commissioners had improperly failed to file statements regarding conflicts of interest and that three other commissioners were not qualified because they held other public office; however, the agency's action in condemning the property at issue was invalid under § 43-35-33 since a quorum of the commissioners was not present when the resolution to exercise the power of eminent domain was adopted. *Jackson Redevelopment Auth. v. King, Inc.*, 364 So. 2d 1104 (Miss. 1978).

### § 43-35-35. Interested public officials, commissioners or employees.

No public official or employee of a municipality, or of any board or commission thereof who exercises any authority with respect to urban renewal projects undertaken pursuant to this article, and no commissioner or employee of a housing authority or urban renewal agency which has been vested by a municipality with urban renewal project powers under Section 43-35-31 shall voluntarily acquire any personal interest, direct or indirect, in any urban renewal project, or in any property included or planned to be included in any urban renewal project of such municipality or in any contract or proposed contract in connection with such urban renewal project. Where such acquisi-

tion is not voluntary, the interest acquired shall be immediately disclosed in writing to the local governing body and such disclosure shall be entered upon the minutes of the governing body. If any such official, commissioner or employee presently owns or controls, or owned or controlled within the preceding two (2) years, any interest, direct or indirect, in any property which he knows is included or planned to be included in an urban renewal project, he shall immediately disclose this fact in writing to the local governing body, and such disclosure shall be entered upon the minutes of the governing body, and any such official, commissioner or employee shall not participate in any action by the municipality, or board or commission thereof, housing authority, or urban renewal agency affecting such property. Any disclosure required to be made by this section to the local governing body shall concurrently be made to a housing authority or urban renewal agency which has been vested with urban renewal project powers by the municipality pursuant to the provisions of Section 43-35-31. No commissioner or other officer of any housing authority, urban renewal agency, board or commission exercising powers pursuant to this article shall hold any other public office under the municipality other than his commissionership or office with respect to such housing authority, urban renewal agency, board or commission. Any violation of the provisions of this section shall constitute misconduct in office.

### **§ 43-35-105. Ordinances; administrative officer; condemnation proceedings.**

Upon the adoption of an ordinance finding that building conditions of the character described in Section 43-35-103 exist within a municipality, the governing body of such municipality is hereby authorized to adopt ordinances relating to the buildings within such municipality which are unfit for human habitation, use or occupancy. Such ordinances shall include the following provisions:

(a) That a public officer be designated or appointed to exercise the powers prescribed by the ordinances.

(b) That whenever a petition is filed with the public officer by a public authority or by at least five (5) residents of the municipality, charging that any building is unfit for human habitation, use or occupancy, or whenever it appears to the public officer, on his own motion, that any building is unfit for human habitation, use or occupancy, the public officer shall, if his preliminary investigation discloses a basis for such charges, issue and cause to be served upon the owner of and parties in interest in such premises a complaint, stating the charges in that respect and containing a notice that a hearing will be held before the public officer, or his designated agent, at a place therein fixed not less than ten (10) days nor more than thirty (30) days after the serving of said complaint; and that the owner and parties in interest shall be given the right to file an answer to the complaint and to appear in person, or otherwise, and give testimony at the place and time fixed in the complaint.

(c) That if, after such notice and hearing, the public officer determines that the building under consideration is unfit for human habitation, use or occupancy, he shall state in writing his findings of fact in support of such determination and shall issue and cause to be served upon the owner thereof an order requiring him, to the extent and within the time specified in the order, to repair, alter or improve the said building to render it fit for human habitation, use or occupancy or, at the option of the owner, to vacate and close the building as a human habitation, or for human use or occupancy.

(d) That, if the owner fails to comply with such order within the time prescribed, the public officer may cause the building to be vacated and closed; that the public officer may cause to be posted on the main entrance of any building so closed a placard with the following words:

"This building is unfit for human habitation, use or occupancy; the use or occupation of this building by humans is prohibited and unlawful."

Any person who shall rent, lease or occupy, or who shall permit any person to rent, lease or occupy such building for a human habitation, use or occupancy, shall be liable for such fine as may be prescribed by the ordinances of the municipality.

(e) That if, after notice and hearing, the public officer determines that a building is in such condition, because of dilapidation, disrepair, structural defects, or otherwise, that it is dangerous or injurious to the health or safety of the public or the occupants of buildings or the occupants of neighboring buildings, said public officer shall issue and cause to be served upon the owner an order requiring him to repair, alter or improve the said building to the extent and within the time specified in such order, or, at the option of the owner, to remove or demolish such building; that if the owner fails to comply with such order within the time prescribed, the public officer may cause such building to be repaired, altered or improved in accordance with the order. If such repairs, alterations or improvements cannot be made at a reasonable cost in relation to the value of the building, said public officer may cause such building to be removed or demolished; the ordinance of the municipality may fix a certain percentage of such cost in relation to the value of a building as being reasonable for such purpose; and the cost of such repairs, alterations, improvements or removal, or demolition, in addition to a penalty not to exceed twenty percent (20%) of the actual costs which may be imposed by the municipality, shall be a lien against such real estate, and assessed and collected as a special tax. The governing authorities of any municipality ordering such assessment shall fix a day for the hearing of objections to such assessment and shall cause the municipal clerk to give to the property owner ten (10) days' written notice, by mail, if the post-office address of the owner be known, but if the post-office address of the owner be unknown, notice shall be given by posting notice for at least ten (10) days in five (5) public places in the municipality, of the time and place for the hearing of objections to such assessment; one of such public places for posting notice as aforesaid shall be on the land which is the subject matter of such assessment. If the amount of said special tax is not paid in full within six (6) months from and after the date the assessment becomes final, the tax collector shall proceed to advertise and sell the said real estate, or a sufficient amount thereof to recover said special tax and all costs of the sale, after having given notice of the time and place of such sale as is required by law for the sale of land for delinquent ad valorem taxes. From the proceeds of said sale, the tax collector shall first pay the cost of the sale, after which he shall pay the cost of such repairs, alterations, improvement, removal or demolition and any penalty imposed by the municipality; and any amount remaining over shall be deposited by him with the clerk of the circuit court as hereinafter provided. If the building is removed or demolished by the public officer, he may sell the materials of such building and shall credit the proceeds of such sale against the cost of the removal or demolition; and any balance remaining shall be deposited in the circuit court by the public officer, shall be secured in such manner as may be directed by such court, and shall be disbursed by such court to the persons found to be entitled thereto by the final award or judgment of such court. Nothing in this subsection shall be construed to impair or limit in any way the power of the municipality to define and declare nuisances and to cause their removal or abatement by summary proceedings or otherwise.

Any person affected by an order issued by the public officer may apply to the circuit court for an injunction restraining the public officer from carrying out the provisions of the order, and the court, or any judge thereof, may, upon such application, issue an order restraining the public officer pending final disposition of the cause. ## JUDICIAL DECISIONS

### 1. In general.

Section 43-35-201 is not a local, private and special law granting the power to exercise the right of eminent domain contrary to the Mississippi Constitution, Art. 4, § 90(r), insofar as its application to municipalities of 100,000 population or

more is a general classification based solely on population and is not tied to a particular census; under this statute, a redevelopment agency could properly build a mall in its proposed public parking facility. *Jackson Redevelopment Auth. v. King, Inc.*, 364 So. 2d 1104 (Miss. 1978).

### § 43-35-202. Special parking facility taxing districts.

(1) The governing authorities of any municipality having a population of one hundred thousand (100,000) or more, and the governing authorities of any municipality having a population of more than eleven thousand (11,000) but less than eleven thousand two hundred (11,200) according to the 1980 decennial census located in any county adjacent to a county having a municipality of one hundred thousand (100,000) or more, which have elected, or hereafter may elect, to exercise or delegate the power and authority to establish and construct municipal parking facilities for motor vehicles belonging to members of the general public, as provided in Section 43-35-201, are hereby authorized and empowered to establish one or more special parking facility taxing districts and to levy, collect and make an annual special tax not to exceed six (6) mills against all property in each such special parking facility taxing district, provided that such special taxes shall not be levied, collected or made unless the governing authorities shall have adopted a resolution (i) designating an area a special parking facility taxing district; (ii) specifying the maximum millage to be levied on property in such area pursuant to this subsection; and (iii) if such area shall not be within one (1) or more urban renewal areas as defined in Article 1, Chapter 35, Title 43, Mississippi Code of 1972, declaring such area to be a slum area or a blighted area or a combination thereof within the meaning of Article 1, Chapter 35, Title 43, Mississippi Code of 1972. Such special tax levy shall be excluded from the limitations imposed under Section 27-39-321. Prior to adopting such resolution, the governing authorities shall hold a public hearing with respect thereto after public notice by publication at least twice, once a week for two (2) consecutive weeks, with the first publication being not less than fourteen (14) calendar days prior to the date specified for such hearing, such notice to include the date, time and place of such hearing, the proposed boundaries of such special parking facility taxing district and the maximum special tax to be levied on property in such district pursuant to this subsection. The boundaries of such special parking facility taxing district shall not be modified and special taxes shall not be levied in excess of the maximum set forth in such resolution, unless the governing

authorities shall have amended such resolution after a public hearing and notice as described above. The proceeds of any special tax levied on property in a special parking facility taxing district pursuant to this subsection (1) shall be used solely to pay principal of and interest on bonds issued by such municipality under Section 43-35-203 with respect to parking facilities located within such special parking facility taxing district or shall be paid to the urban renewal agency or redevelopment authority to which the power and authority to establish to construct municipal parking facilities shall have been delegated and used by such urban renewal agency or redevelopment authority to pay principal of and interest on bonds issued by such urban renewal agency or redevelopment authority under Section 43-35-203 with respect to parking facilities located within such special parking facility taxing district. The governing authorities of such municipality shall levy such tax at the maximum rate specified in such resolution against all property in such special parking facility taxing district for so long as any bonds issued pursuant to Section 43-35-203 with respect to parking facilities located within such special parking facility taxing district shall be outstanding unless the governing body of the urban renewal agency or redevelopment authority shall certify that a lesser rate will provide revenues sufficient to pay debt service on all bonds payable from such tax and to pay costs of owning, operating and managing parking facilities located in such special parking facility taxing district, in which event such governing authorities shall levy such tax at such lesser rate. The governing authorities of a municipality may also enter into agreements for the benefit of holders of bonds issued by an urban renewal agency or redevelopment authority pursuant to Section 43-35-203 limiting or restricting issuance of bonds by such municipality which would be payable from such special tax to the extent that such governing authorities shall determine that such agreements are necessary or desirable in connection with the issuance of bonds by an urban renewal agency or redevelopment authority pursuant to Section 43-35-203. Such tax shall cease to be levied after all principal of and interest on bonds issued under Section 43-35-203 with respect to parking facilities located within such special parking facility taxing district shall have been paid in full.

(2) The governing authorities of any municipality having a population of one hundred thousand (100,000) or more, and the governing authorities of any municipality having a population of more than eleven thousand (11,000) but less than eleven thousand two hundred (11,200) according to the 1980 decennial census located in any county adjacent to a county having a municipality of one hundred thousand (100,000) or more, which have elected, or hereafter may elect, to exercise or delegate the power and authority to establish and construct municipal parking facilities for motor vehicles belonging to members of the general public, as provided in Section 43-35-201, are hereby authorized to adopt and carry out one or more parking facility tax increment financing plans and to enter into agreements, which may extend over any period of time, any other rule of law to the contrary notwithstanding, with any urban renewal agency or redevelopment authority to which such

power and authority shall have been delegated to pay to such urban renewal agency or redevelopment authority an amount equal to the parking facility tax increment financing revenues received by such municipality and allocated to parking facilities pursuant to such parking facility tax increment financing plan. Such agreements may also include such reasonable provisions as the governing body shall determine to be appropriate to provide security for the holders of bonds issued or to be issued by such urban renewal agency or redevelopment authority which are payable in whole or in part from payments pursuant to such agreements.

In the event that a municipality or urban renewal agency or redevelopment authority shall have entered into an agreement with a private person, firm or partnership under which such private person, firm or partnership shall have agreed to construct specific buildings or other facilities or improvements, to pay all real property taxes due on such buildings or other facilities or improvements in a timely manner and to maintain and operate such buildings or other facilities or improvements in such a manner as to preserve property values, such agreement may specify a minimum payment to be made by such municipality based on the governing body's determination of the expected ad valorem taxes to be received from such buildings or other facilities or improvements, in which event such municipality shall be unconditionally obligated to make such payments from its general fund or other available funds, regardless of whether actual ad valorem taxes shall have been less than such amount.

(3) The governing authorities of any county in which a municipality is located which has adopted, or hereafter may adopt, a parking facility tax increment financing plan as provided in this Section 43-35-202, are hereby authorized to become a party to such parking facility tax increment financing plan and enter into agreements, which may extend over any period of time notwithstanding any rule of law to the contrary, to pay to such municipality, or any urban renewal agency or redevelopment authority to which power and authority to establish and construct municipal parking facilities for motor vehicles belonging to members of the general public shall have been delegated, an amount equal to the parking facility tax increment financing revenues received by such county and allocated to parking facilities pursuant to such tax increment financing plan. Such agreements may also include such reasonable provisions as the governing body shall determine to be appropriate to provide security for the holders of bonds issued or to be issued by such urban renewal agency or redevelopment authority which are payable in whole or in part from payments pursuant to such agreements.

In the event that a county, municipality or urban renewal agency or redevelopment authority shall have entered into an agreement with a private person, firm or partnership under which such private person, firm or partnership shall have agreed to construct specific buildings or other facilities or improvements, to pay all real property taxes due on such buildings or other facilities or improvements in a timely manner and to maintain and operate such buildings or other facilities or improvements in such a manner as to

preserve property values, such agreement may specify a minimum payment to be made by such county based on the governing body's determination of the expected ad valorem taxes to be received from such buildings or other facilities or improvements, in which event such county shall be unconditionally obligated to make such payments from its general fund or other available sources regardless of whether actual ad valorem taxes shall have been less than such amount.

**§ 43-35-209. Disposition of proceeds; additional bonds to provide for deficit; disposition of surplus.**

The principal proceeds of such bonds shall be paid into a special fund in a bank or banks qualified as depositories for the municipality or for the urban renewal agency or redevelopment authority to which the municipality has delegated its power and authority with respect to such parking facilities. The accrued interest and premium, if any, shall be paid into the fund established for the payment of the principal of and interest on such bonds. The principal proceeds shall be used solely for the purposes for which such bonds were issued, except as hereinafter provided, and shall be disbursed upon order of the board of commissioners of the urban renewal agency or redevelopment authority having jurisdiction of said parking facilities, or upon order of the governing authorities of such municipality, as the case may be. If the proceeds of such bonds, by error of calculation or otherwise, shall be less than the cost of the project for which such bonds were issued and the redeeming of any outstanding bonds, then and in such event, unless otherwise provided in the resolution authorizing the issuance of such bonds, additional bonds may in like manner, be issued to provide the amount of such deficit. Unless otherwise provided in the resolution authorizing the issuance of bonds, such additional bonds shall be deemed to be of the same issue as the original bonds and shall be entitled to payment from the same funds without preference or priority to the bonds first issued for the same purpose. If the proceeds of the bonds of any issue shall exceed the amount required for the project for which the bonds were issued, such surplus shall be paid into the fund established for the payment of the principal of and interest on such bonds.

**§ 43-35-211. Bonds payable out of net revenues; payments in lieu of taxes.**

Bonds issued under the provisions of this article shall be payable, both principal and interest, solely out of such (i) special taxes levied pursuant to subsection (1) of Section 43-35-202, (ii) parking facility tax increment financing revenues as provided in subsection (2) of Section 43-35-202, (iii) payments to be made to any redevelopment authority or urban renewal agency or municipality authorized pursuant to subsections (1), (2) or (3) of Section 43-35-202, or (iv) net revenues to accrue from the operation of the parking facilities and related structures for which such bonds were issued or any combination thereof, as shall be specified in the resolution authorizing issuance of such bonds, and the full faith and credit of the issuing authority shall not be pledged therefor, and such fact shall be recited on the face of each bond. "Revenues" as used herein with respect to parking facilities shall mean all charges, rentals, tolls, rents, gifts, grants, contributions, and all other funds accruing from the operation, lease, or sale of parking facilities and related structures; "net revenues" as

used herein, shall mean the revenues remaining after payment of costs and expenses of operation and maintenance of the parking facilities and related structures. The commissioners of an urban renewal agency or redevelopment authority may, in their discretion, make payments to the municipality and county within which such parking facilities are located, in lieu of taxes, and such payments may be deducted in determining net revenues to the extent permitted in the resolution under which such bonds are issued.

### **§ 43-35-213. Covenants affecting security of bonds; bondholders' lien.**

(a) A resolution issuing bonds in compliance with this article may include any covenants with the bondholders deemed necessary to make such bonds secure and marketable, including, but without limitation, covenants regarding the application of the bond proceeds; the pledging, application and securing of special taxes, parking facility tax increment financing revenues, payments from municipalities and counties, other revenues and the revenues of the parking facilities; the creation and maintenance of reserves; covenants to levy special taxes and other taxes; covenants to enforce agreements; the investment of funds; the issuance of additional bonds; the maintenance of minimum fees, charges and rentals; the operation and maintenance of facilities; insurance and insurance proceeds; accounts and audits; the sale of properties; remedies of bondholders; the vesting in a trustee or trustees such powers and rights as may be necessary to secure the bonds and the revenues and funds from which they are payable; the terms and conditions upon which bondholders may exercise their rights and remedies; the replacement of lost, destroyed or mutilated bonds; the definition, consequences and remedies of an event of default; and the appointment of a receiver in the event of a default.

(b) All taxes and revenues pledged to the payment of such bonds shall be subject to a lien in favor of the holders of such bonds, and all such taxes and revenues received by the issuing authority shall be immediately subject to such lien without any physical delivery thereof or further act by the issuing authority, and such lien shall be effective as against all parties asserting claims against the issuing authority, whether by way of tort, contract or otherwise, whether or not such parties may have had notice of such lien. Such pledge or trust agreement creating the same need not be filed or recorded except in the official minutes of the issuing authority.

(c) The state does hereby covenant with the holders of any such bonds that it will not, while any such bonds shall be outstanding, limit or diminish the right and power of any county, municipality or urban renewal agency or redevelopment authority to establish, maintain and collect rates, fees, rentals

### § 43-35-215. Trust agreements.

In the discretion of the issuing authority, all bonds may be further secured by a trust agreement between the issuing authority and a corporate trustee, which may be any trust company or bank having powers of a trust company within or without the state. Any such trust agreement or any resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as are reasonable and proper and not in violation of law. The trust agreement may contain provisions for the issuance of additional bonds under the procedures established by this article for any of the purposes authorized by this law which shall be secured by the revenues pledged thereunder for such bonds to the extent provided therein.

The trust agreement may include provisions to the effect that, if there is any default in the payment of principal or interest on any of said bonds, any court of competent jurisdiction may appoint a receiver to administer the properties and facilities of the authority described in the trust agreement on behalf of the municipality or urban renewal agency or redevelopment authority, including authority to sell or make contracts for the sale of any services, facilities or commodities of the authority or to renew such contracts, subject to the approval of the court appointing the said receiver; and with power to provide for the payment of such bonds outstanding, or the payment of operating expenses, and to apply the income and revenues to the payment of the said bonds and interest thereon in accordance with the resolution of the authority authorizing the issuance of such bonds and the said trust agreement. The fee for the services of any corporate trustee shall not exceed the normal charges for acting as paying agent, plus any additional amount or amounts allowed by the court as the reasonable value of services rendered by the corporate trustee.

The powers herein granted may be exercised whether or not a trust agreement is entered into and, if no trust agreement is entered into, such provisions as are above authorized may be set out in the resolution authorizing the bonds.

### **§ 43-35-237. Definitions.**

For the purposes of this article the following terms shall have the meanings given in this section unless a different meaning is clearly indicated by the context:

(a) "Base year value" shall mean the appraised value of a property used in assessing ad valorem taxes for the year in which a parking facility tax increment financing plan covering such property shall have been adopted or, if later, the year in which such property was included in a parking facility tax increment financing plan; provided that, if any property shall have been exempt from ad valorem taxation for the year in which a parking facility tax

increment financing plan shall have been adopted or, if later, the year in which such property was included in a parking facility tax increment financing plan, and shall thereafter become subject to ad valorem taxation, the base year value shall be the appraised value of such property used in assessing taxes during the first year that such property shall be subject to ad valorem taxation or, if lesser, the appraised value, as certified by the applicable tax assessor, which would have been used in assessing taxes during the preceding year if the property had been subject to ad valorem taxation.

(b) "Issuing authority" means any city or town incorporated under the laws of the State of Mississippi or any urban renewal agency or redevelopment authority within such city or town having authority to issue bonds pursuant to Section 43-35-203.

(c) "Municipality" means any city or town incorporated under the laws of the State of Mississippi.

(d) "Parking facility tax increment financing plan" means a plan for allocating all or a part of any increases in general fund ad valorem taxes arising as a result of increases in the value of specific properties or properties in designated areas (or any combination thereof) to defray costs relating to parking facilities. Such plan shall be sufficiently complete to indicate the anticipated increases in general fund ad valorem taxes, the percentage or dollar amount of such taxes to be allocated to defray costs relating to parking facilities and the specific properties or specific area (or combination) covered by such plan.

(e) "Parking facility tax increment financing revenues" means the increases in general fund ad valorem taxes received as a result of increases in the values of specific properties or properties located in a designated area. Such increases, with respect to specific properties during a year, shall be the amount by which general fund ad valorem taxes received during such year as a result of levies on such property exceed the general fund ad valorem taxes which would have been received if such property were assessed based on its base year value. Such increases, with respect to properties located in specific areas during a year, shall be the amount by which general fund ad valorem taxes received during such year as a result of levies on all nonexempt properties in such area exceed the general fund ad valorem taxes which would have been received if such nonexempt properties were assessed based on the base year value of each such property.

The recommendation of the State Health Officer and the Executive Director of the Public Utilities Staff shall be based on information received from the Mississippi Development Authority and any other information available to the State Department of Health or Public Utilities Staff, as applicable. The State Department of Health and the Public Utilities Staff shall assist the Mississippi Development Authority in developing appropriate forms as required for implementation of this section.

(b) Within five (5) days following a preliminary determination that a public water system is not viable by the Executive Director of the Mississippi Development Authority, the executive director shall provide written notice by certified mail, return receipt requested to the owner or president of the board of the system and the governing authority of the applicant. The notice shall contain the reasons for the determination of nonviability. The owner or

president of the board of the system may appeal the preliminary determination to the Executive Director of the Mississippi Development Authority, who shall make a final determination.

(2) The Executive Director of the Mississippi Development Authority may award a community development block grant to any county or municipality for the purpose of making improvements, including expansions, rehabilitation or repair, to an existing public water system, if after receipt of a written recommendation from the State Health Officer and the Executive Director of the Public Utilities Staff, the Executive Director of the Mississippi Development Authority makes a final determination that the public water system may become viable as the result of the grant award. The Executive Director of the Mississippi Development Authority may also award a grant if an extreme emergency exists. In making a grant award, the Executive Director of the Mississippi Development Authority may impose any conditions on the grant deemed necessary after consultation with the State Health Officer and the Executive Director of the Public Utilities Staff, including, but not limited to, interconnection with another existing system or satellite or contract management.

### JUDICIAL DECISIONS

#### 1. In general.

Requiring a landowner to connect to the sewer system and to pay for the connection did not result in a violation of the Real Property Acquisition Policies Law, Miss. Code Ann. §§ 43-37-1 to 43-37-13, because no property was actually acquired from the owner. *Croke v. Southgate Sewer Dist.*, 857 So. 2d 774 (Miss. 2003).

This chapter governs any acquisition of real property for use in any project in which federal funds are used, regardless of whether the funds are used in the actual acquisition of the needed property. *Branaman v. Long Beach Water Mgmt. Dist.*, 730 So. 2d 1146 (Miss. 1999).

### ATTORNEY GENERAL OPINIONS

A county must follow Sections 43-37-1 and 43-37-3 in the purchase of a lot located across from the county jail to be used to store county maintenance equip-

ment and as an impound lot for the sheriff's department, and the county must have the property appraised. *Fortier*, May 9, 2003, A.G. Op. 03-0196.

**§ 43-37-3. Acquisition of real property in publicly funded projects.**

Any person, agency or other entity acquiring real property for any project or program in which public funds are used shall comply with the following policies:

(a) Every reasonable effort shall be made to acquire expeditiously real property by negotiation.

(b) Real property shall be appraised before the initiation of negotiations, except that the acquiring person, agency or other entity may adopt a procedure in compliance with federal regulations to waive the appraisal in cases involving the acquisition by sale or donation of property with a low fair market value. For the purposes of this chapter, property with a low fair market value is property with a fair market value of Ten Thousand Dollars (\$10,000.00) or less. The owner or his designated representative shall be given an opportunity to accompany the appraiser during his inspection of the property.

(c)(i) Except as otherwise provided in subparagraph (ii) of this paragraph, the price that shall be paid for real property shall be the lesser of the best negotiated price or the approved appraisal of the fair market value or the price at which the property is offered for sale. Any decrease or increase in the fair market value of real property prior to the date of valuation caused by the public improvement for which the property is acquired or by the likelihood that the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable control of the owner, will be disregarded in determining the compensation for the property. The owner of the real property to be acquired shall be provided with a written statement of, and summary of the basis for, the amount established as just compensation. Where appropriate, the just compensation for the real property acquired and for damages to remaining real property shall be separately stated.

(ii) The purchase price for real property may exceed the amount offered as just compensation for the property when reasonable efforts to negotiate an agreement at that amount have failed, and the person, agency or other entity seeking to acquire the property approves an administrative settlement as reasonable, prudent and in the best interests of the public. When state funds pay for all or a portion of the acquisition, the purchasing person, agency or other entity shall prepare a written

statement explaining the reasons that justified the purchase price exceeding the amount offered as just compensation, including any anticipated trial risks, and any available information supporting an administrative settlement.

(d) No owner shall be required to surrender possession of real property before the agreed purchase price is paid or there is deposited with the state court, in accordance with applicable law, for the benefit of the owner an amount not less than the approved appraisal of the fair market value of such property, or the amount of the award of compensation in the condemnation proceeding of such property.

(e) The construction or development of a public improvement shall be so scheduled that, to the greatest extent practicable, no person lawfully occupying real property shall be required to move from a dwelling (assuming a replacement dwelling will be available) or to move his business or farm operation without at least ninety (90) days' written notice from the date by which such move is required.

(f) If an owner or tenant is permitted to occupy the real property acquired on a rental basis for a short term or for a period subject to termination by the acquiring authority on short notice, the amount of rent required shall not exceed the fair rental value of the property to a short-term occupier.

(g) In no event shall the time of condemnation be advanced, or negotiations or condemnation and the deposit of funds in court for the use of the owner be deferred, or any other coercive action be taken to compel an agreement on the price to be paid for the property.

(h) If an interest in real property is to be acquired by exercise of power of eminent domain, formal condemnation proceedings shall be instituted. The acquiring authority shall not intentionally make it necessary for an owner to institute legal proceedings to prove the fact of the taking of his real property.

(i) If the acquisition of only part of the property would leave its owner with an uneconomic remnant, an offer to acquire that remnant shall be made. For the purposes of this chapter, an uneconomic remnant is a parcel of real property in which the owner is left with an interest after the partial acquisition of the owner's property and which the person, agency or other entity acquiring the property determines has little or no value or utility to the owner.

(j) A person whose real property is being acquired in accordance with this chapter may, after the person has been fully informed of his right to receive just compensation for such property, donate such property, any part thereof, any interest therein or any compensation paid therefor to the person, agency or other entity acquiring the property in such manner as he so determines.

**Amendment Notes** — The 2008 amendment rewrote (c).

The 2009 amendment designated the former provisions of (c) as (c)(i); added “Except as otherwise provided in subparagraph (ii) of this paragraph” at the beginning of (c)(i); added (c)(ii); and made a minor stylistic change.

## JUDICIAL DECISIONS

### 1. In general.

A water management district satisfied the requirement that “every reasonable effort shall be made to acquire expeditiously real property by negotiation” where (1) the district made written offers to the landowners, including a full disclosure and breakdown of each component of the just compensation figure, (2) one land-

owner did not respond to this offer, thereby foreclosing any further negotiation, and (3) although the other landowner was only given five days to even consider this offer before a formal suit was filed, the landowner rejected the offer within that time period. *Branaman v. Long Beach Water Mgmt. Dist.*, 730 So. 2d 1146 (Miss. 1999).

## ATTORNEY GENERAL OPINIONS

A city may inquire as to the interest of the potential seller in selling the subject property before initiating actual negotiations as to a price for the subject property without violating the requirement of Section 43-37-3(b) that the subject real property be appraised before the initiation of negotiations. *Dorrill*, November 1, 1996, A.G. Op. #96-0636.

Section 4-37-3(b) does require that the owner of the subject property or his designated representative be given an opportunity to accompany the appraiser during the appraiser’s inspection of the subject property if the property is worth more than \$10,000.00. *Dorrill*, November 1, 1996, A.G. Op. #96-0636.

Section 43-37-3(c) does require that the amount of money offered for the subject property by the municipality may not be less than the approved appraisal of the fair market value of such property. *Dorrill*, November 1, 1996, A.G. Op. #96-0636.

Section 43-37-3(c) requires that the owner of the real property, on all occasions, must be provided with a written statement of, and summary of the basis for, the amount established as just compensation to be paid by the municipality for the subject property. *Dorrill*, November 1, 1996, A.G. Op. #96-0636.

Section 43-37-3(c) prohibits a municipality from offering an amount less than the approved appraisal of the fair market value of the subject property to the owner.

This statute does not specifically state that the city may or may not pay more than the appraised fair market value of the subject real property. However, the negotiated price paid by a municipality for real property is a matter left to the sound discretion of the governing authorities of the municipality, but must be reasonable and consistent with the property’s appraised fair market value. *Dorrill*, November 1, 1996, A.G. Op. #96-0636.

A property owner may not waive either the appraisal requirement or any other procedures set forth in the statute; however, a property owner may forego receipt of fair market value for the property. *Mitchell*, Oct. 20, 2000, A.G. Op. #2000-0597.

The process for acquisition of property is set forth in the statute, which states that every reasonable effort must be made to negotiate for the purchase of real property, but only after the county has an appraisal performed. *Wolfe*, Feb. 2, 2001, A.G. Op. #2001-0018.

A county must follow Sections 43-37-1 and 43-37-3 in the purchase of a lot located across from the county jail to be used to store county maintenance equipment and as an impound lot for the sheriff’s department, and the county must have the property appraised. *Fortier*, May 9, 2003, A.G. Op. 03-0196.

There may be circumstances where a county may pay more than an amount

contained in an appraisal for the purchase of property; however, while the final amount paid is to be determined within the discretion of the board of supervisors, and while it may exceed a specific appraisal value, it must be commensurate with the fair market value. Fortier, May 9, 2003, A.G. Op. 03-0196.

A county must offer just compensation in an amount no less than the appraisal for the purchase of property; if the seller then offers to accept less than that

amount, the county can pay less. Fortier, May 9, 2003, A.G. Op. 03-0196.

When acquiring real property, a governing authority must comply with the provisions of Section 43-37-3 and may, within its discretion, establish a purchase price which exceeds the appraised value of the property when the determined purchase price is commensurate with the fair market value of the property. Shoemake, Nov. 17, 2006, A.G. Op. 06-0570.

### § 43-37-5. Reimbursement of owner for expenses.

Any person, agency or other entity acquiring real property for such use shall as soon as practicable after the date of payment of the purchase price or the date of deposit into court of funds to satisfy the award of compensation in a condemnation proceeding to acquire real property, whichever is the earlier, reimburse the owner, to the extent that the state deems fair and reasonable, for expenses he necessarily incurred for (a) recording fees, transfer taxes and similar expenses incidental to conveying such real property to the state; (b) penalty costs for prepayment for any preexisting recorded mortgage entered into in good faith encumbering such real property; and (c) the pro rata portion of real property taxes paid which are allocable to a period subsequent to the date of vesting title in the state, or the effective date of possession of such real property by the state, whichever is the earlier.

### § 43-37-7. Reimbursement of fees where condemnation not completed.

Where a condemnation proceeding is instituted by the state, or a subdivision thereof, for a project which is funded in whole or in part by federal funds to acquire real property for such use and (a) the final judgment is that the real property cannot be acquired by condemnation or (b) the proceeding is abandoned, the owner of any right, title or interest in such real property shall be paid such sum as will, in the opinion of the state or the subdivision thereof, reimburse such owner for his reasonable attorney, appraisal and engineering fees, actually incurred because of the condemnation proceedings. The award of

such sums will be paid by the person, agency or other entity which sought to condemn the property.

Where an inverse condemnation proceeding is instituted by the owner of any right, title or interest in real property because of use of his property in any program or project in which federal and/or federal-aid funds are used, the court, rendering a judgment for the plaintiff in such proceeding and awarding compensation for the taking of property, or the state's attorney effecting a settlement of any such proceeding, shall determine and award or allow to such plaintiff, as a part of such judgment or settlement, such sum as will, in the opinion of the court or the state's attorney, reimburse such plaintiff for his reasonable costs, disbursements and expenses, including reasonable attorney, appraisal and engineering fees, actually incurred because of such proceeding.

## § 43-37-11. Buildings, structures and improvements to be acquired with land.

(1) Where any interest in real property is acquired, an equal interest in all buildings, structures, or other improvements located upon the real property so acquired and which are required to be removed from such real property or which are determined to be adversely affected by the use to which such real property will be put shall be acquired.

(2) For the purpose of determining the just compensation to be paid for any building, structure or other improvement required to be acquired as above set forth, such building, structure or other improvement shall be deemed to be a part of the real property to be acquired notwithstanding the right or

obligation of a tenant, as against the owner of any other interest in the real property, to remove such building or improvement at the expiration of his term. The fair market value which such building, structure or improvement contributes to the fair market value of the real property to be acquired, or the fair market value of such building, structure or improvement for removal from the real property, whichever is the greater, shall be paid to the tenant therefor.

(3) Payment for such buildings, structures or improvements as set forth above shall not result in duplication of any payments otherwise authorized by state law. No such payment shall be made unless the owner of the land involved disclaims all interest in the improvements of the tenant. In consideration for any such payment, the tenant shall assign, transfer and release all his right, title and interest in and to such improvements. Nothing with regard to the above-mentioned acquisition of buildings, structures or other improvements shall be construed to deprive the tenant of any rights to reject payment and to obtain payment for such property interests in accordance with the laws of the state.

## JUDICIAL DECISIONS

### 1. In general.

Because appellant billboard company's billboard was clearly a structure within the meaning of Miss. Code Ann. § 43-37-11, the special court erred when it found that the company did not have a compensable interest in the eminent domain proceedings. *Eller Media Co. v. Miss. Transp. Comm'n*, 900 So. 2d 1156 (Miss. 2005).

Company, which was leasing the property that was taken by the Mississippi Transportation Commission, was not entitled to any of the condemnation award of the lessor because it had no leasehold interest as its leases had terminated. Thus, the special court properly granted the Commission's motion for partial summary judgment finding that (1) the company was only entitled to compensation for the value of the billboards on the property that was taken and (2) compensation could only be calculated using the cost analysis, which would provide the company with the new cost of its signs, less depreciation. *Eller Media Co. v. Miss. Transp. Comm'n*, 882 So. 2d 198 (Miss. 2004).

In an eminent domain case, the special court properly granted the Mississippi Transportation Commission's motion for summary judgment awarding the company, which was leasing the property that was taken and on which it had placed three billboard signs, \$ 57,700 for each billboard sign because the parties had entered into and filed a stipulation that the cost new, less depreciation, for each billboard on the property was \$ 57,700. *Eller Media Co. v. Miss. Transp. Comm'n*, 882 So. 2d 198 (Miss. 2004).

Highway billboard located on property condemned for highway expansion was "structure," entitling owner to compensation in eminent domain proceedings, regardless of whether billboard was personal or real property and regardless of whether owner was entitled to receive relocation expenses; billboard owner had statutory right as against owner of property for removal of billboard. *Lamar Corp. v. State Hwy. Comm'n*, 684 So. 2d 601 (Miss. 1996).

**§ 43-37-13. Payments as additives to compensation otherwise provided by law.**

Nothing contained in this chapter shall be construed as creating in any condemnation proceedings brought under the power of eminent domain any element of value or damages not in existence immediately prior to July 1, 1972, but such payments shall be considered only as additives to due compensation otherwise provided by law.

## § 43-39-5. Definitions.

As used in this chapter:

(a) "Agency" means any department, agency or instrumentality of the state or of a political subdivision of the state, or any department, agency or instrumentality of two (2) or more political subdivisions of the state, or any person who has the authority to acquire property by eminent domain under

the laws of this state, that implements a project financed in whole or in part by public funds.

(b) "Person" means any individual, partnership, corporation, or association.

(c) "Displaced person" means, except as otherwise provided in this paragraph (c), any person who moves from real property, or moves his personal property from real property, as a direct result of a written notice of intent to acquire or the acquisition of other real property in whole or in part for a program or project undertaken by an agency with public financial assistance; or real property on which such person is a residential tenant or conducts a small business, a farm operation or a business as defined in this section, as a direct result of rehabilitation, demolition or such other displacing activity as the displacing agency may prescribe, under a program or project undertaken by a displacing agency with public financial assistance in any case in which the head of the displacing agency determines that such displacement is permanent; and solely for the purposes of Sections 43-39-7 and 43-39-13, Mississippi Code of 1972, any person who moves from real property or moves his personal property from real property as a direct result of a written notice of intent to acquire or the acquisition of other real property, in whole or in part, on which such person conducts a business or farm operation, for a program or project undertaken by a displacing agency with public financial assistance; or as a result of rehabilitation, demolition or such other displacing activity as the displacing agency may prescribe, of other real property on which such person conducts a business or a farm operation, under a program or project undertaken by a displacing agency with public financial assistance where the displacing agency determines that such displacement is permanent. In the case of a partial acquisition, the displacing agency shall make the determination whether the person is displaced.

The term "displaced person" does not include a person who has been determined, according to criteria established by the head of the agency, to be either in unlawful occupancy of the displacement dwelling or to have occupied such dwelling for the purpose of obtaining assistance under this title, nor, in any case in which the displacing agency acquired property for a program or project, any person (other than a person who was an occupant of such property at the time it was acquired) who occupies such property on a rental basis for a short term or a period subject to termination when the property is needed for the program or project.

(d) "Business" means any lawful activity, excepting a farm operation, conducted primarily:

(i) For the purchase, sale, lease and rental of personal and real property, and for the manufacture, processing or marketing of products, commodities or any other personal property;

(ii) For the sale of services to the public;

(iii) By a nonprofit organization; or

**§ 43-39-7. Relocation payments; moving expense and dislocation allowances; fixed payments.**

(1) If a displacing agency acquires real property for public use, it shall make fair and reasonable relocation payments to displaced persons and businesses as required by this chapter for:

(a) Actual reasonable expenses in moving himself, his family, business, farm operation or other personal property;

(b) Actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation, but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property, as determined by the agency;

(c) Actual reasonable expenses in searching for a replacement business or farm; and

(d) Actual reasonable expenses necessary to reestablish a displaced farm, nonprofit organization or small business at its new site in accordance with criteria to be established by the displacing agency, but not to exceed Ten Thousand Dollars (\$10,000.00).

(2) Any displaced person eligible for payments under subsection (1) of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection (1) of this section may receive an expense and dislocation allowance which shall be determined according to a schedule established by the displacing agency.

(3) Any displaced person eligible for payments under subsection (1) of this section, who is displaced from his place of business or from his farm operation and who is eligible under criteria established by the displacing agency may also qualify for the payment authorized by this subsection. Such payment shall consist of a fixed payment in an amount to be determined by the agency, except that such payment shall not be less than One Thousand Dollars (\$1,000.00) nor more than Twenty Thousand Dollars (\$20,000.00). A person whose sole business at the displacement dwelling is the rental of such property to others shall not qualify for a payment under this subsection.

Although the claimants did not waive and were entitled to relocation expenses in connection with the relocation of their home from property condemned by the

defendant agency, they were not entitled to such expenses at the late date that they sought them where they failed to follow the procedures required by § 43-39-17. *Brown v. Mississippi Transp. Comm'n*, 749 So. 2d 948 (Miss. 1999).

Where the Department of Transportation acquired property on which a two pole billboard was located, the owner of the billboard was entitled to payment for a new monopole billboard as the two pole billboard could not be relocated due to a zoning ordinance which required all new billboards to be monopole and the zoning board would not allow the billboard to be "grandfathered" in. *Mississippi DOT v. B & G Outdoor*, 722 So. 2d 1273 (Miss. Ct. App. 1998).

Highway billboard located on property condemned for highway expansion was "structure," entitling owner to compensation in eminent domain proceedings, regardless of whether billboard was personal or real property and regardless of whether owner was entitled to receive relocation expenses; billboard owner had statutory right as against owner of property for removal of billboard. *Lamar Corp. v. State Hwy. Comm'n*, 684 So. 2d 601 (Miss. 1996).

Statute providing for award of relocation expenses in eminent domain proceeding applies in situations where condemned personal property is not also a structure which cannot be moved without destruction. *Lamar Corp. v. State Hwy. Comm'n*, 684 So. 2d 601 (Miss. 1996).

Highway billboard owner's right to remove billboard did not deprive owner of right to have billboard acquired by state or to be compensated when its interest would adversely affected by acquisition of land for highway expansion. *Lamar Corp. v. State Hwy. Comm'n*, 684 So. 2d 601 (Miss. 1996).

## § 43-39-9. Additional payments; elements thereof; eligibility therefor.

(1) In addition to payments otherwise authorized by this chapter, such displacing agency shall make an additional payment not in excess of Twenty-two Thousand Five Hundred Dollars (\$22,500.00) to any displaced person who is displaced from a dwelling actually owned and occupied by the displaced person for not less than one hundred eighty (180) days prior to the initiation of negotiations for the acquisition of the property. The additional payment shall include the following elements:

(a) The amount, if any, which when added to the acquisition cost of the dwelling acquired, equals the reasonable cost of a comparable replacement dwelling which is a decent, safe and sanitary dwelling adequate to accommodate such displaced person, reasonably accessible to public services and places of employment, and available on the private market. All determina-

tions required to carry out this paragraph shall be determined by regulations issued pursuant to Section 43-39-17;

(b) The amount, if any, which will compensate the displaced person for any increased interest costs and other debt service costs which the person is required to pay for financing the acquisition of any such comparable replacement dwelling. The amount shall be paid only if the dwelling acquired by the displacing agency was encumbered by a bona fide mortgage which was a valid lien on the dwelling for not less than one hundred eighty (180) days prior to the initiation of negotiations for the acquisition of the dwelling. Payment determinations shall be in accordance with regulations issued pursuant to Section 43-39-17; and

(c) Reasonable expenses incurred by the displaced person for evidence of title, recording fees and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

(2) The additional payment authorized by this section shall be made only to a displaced person who purchases and occupies a decent, safe and sanitary replacement dwelling within one (1) year after the date on which he receives final payment from the displacing agency for the acquired dwelling, or the date on which the displacing agency's obligation under Section 43-39-13, is met, whichever is the later date, except that the displacing agency may extend such period for good cause. If such period is extended, the payment under this section shall be based on the costs of relocating the person to a comparable replacement dwelling within one (1) year of such date.

## § 43-39-11. Additional payments to person not eligible under § 43-39-9.

(1) In addition to amounts otherwise authorized by this chapter, the head of a displacing agency shall make a payment to or for any displaced person displaced from any dwelling not eligible to receive a payment under Section 43-39-9, which dwelling was actually and lawfully occupied by the displaced person for not less than ninety (90) days immediately prior to the initiation of negotiations for acquisition of such dwelling, or in any case in which displace-

ment is not a direct result of acquisition, such other event as the head of the agency shall prescribe. Such payment shall consist of the amount necessary to enable such person to lease or rent for a period not to exceed forty-two (42) months, a comparable replacement dwelling, but not to exceed Five Thousand Two Hundred Fifty Dollars (\$5,250.00). At the discretion of the head of the displacing agency, a payment under this subsection may be made in periodic installments. Computation of a payment under this subsection to a low-income displaced person for a comparable replacement dwelling shall take into account such person's income.

(2) Any person eligible for a payment under subsection (1) of this section may elect to apply such payment to a down payment on, and other incidental expenses pursuant to, the purchase of a decent, safe and sanitary replacement dwelling. Any such person may, at the discretion of the head of the displacing agency, be eligible under this subsection for the maximum payment allowed under subsection (1), except that, in the case of a displaced homeowner who has owned and occupied the displacement dwelling for at least ninety (90) days but not more than one hundred eighty (180) days immediately prior to the initiation of negotiations for the acquisition of such dwelling, the payment shall not exceed the payment such person would otherwise have received under Section 43-39-9, had the person owned and occupied the displacement dwelling one hundred eighty (180) days immediately prior to the initiation of such negotiations.

## **§ 43-39-12. Illegal aliens ineligible to receive relocation assistance; exception for extremely unusual hardship; adoption of rules and regulations.**

(1) Except as provided in subsection (2) of this section, a displaced person shall not be eligible to receive relocation payments or any other assistance under this chapter if the displaced person is an alien not lawfully present in the United States.

(2) If a displacing agency determines by clear and convincing evidence that a determination of the ineligibility of a displaced person under subsection (1) of this section would result in exceptional and extremely unusual hardship

to an individual who is the displaced person's spouse, parent, or child and who is a citizen of the United States or an alien lawfully admitted for permanent residence in the United States, the displacing agency shall provide relocation payments and other assistance to the displaced person under this chapter if the displaced person would be eligible for the assistance but for subsection (1) of this section.

(3) The Mississippi Transportation Commission shall adopt such rules and regulations as may be necessary to carry out the provisions of this section and in order to comply with federal law.

### **§ 43-39-13. Relocation assistance advisory programs.**

(1) Programs or projects undertaken by a displacing agency with public financial assistance shall be planned in a manner that recognizes, at an early stage in the planning of such programs or projects and before the commencement of any actions which will cause displacements, the problems associated with the displacement of individuals, families, businesses and farm operations, and which provides for the resolution of such problems in order to minimize adverse impacts on displaced persons and to expedite program or project advancement and completion.

(2) The head of any displacing agency shall ensure that the relocation assistance advisory services described in subsection (3) of this section are made available to all persons displaced by such agency. If such agency head determines that any person occupying property immediately adjacent to the property where the displacing activity occurs is caused substantial economic injury as a result thereof, the agency head may make advisory services available to such person.

(3) Each relocation assistance advisory program required by subsection (2) of this section shall include such measures, facilities or services as may be necessary or appropriate in order to determine and make timely recommendations on the needs and preferences, if any, of displaced persons for relocation assistance; provide current and continuing information on the availability, sales prices and rental charges of comparable replacement dwellings for displaced homeowners and tenants and suitable locations for businesses and farm operations; assure that a person shall not be required to move from a dwelling unless the person has had a reasonable opportunity to relocate to a comparable replacement dwelling, except in the case of a major disaster as defined in Section 102(2) of the Disaster Relief Act of 1974, a national emergency declared by the President or any other emergency which requires the person to move immediately from the dwelling because continued occupancy of such dwelling by the person constitutes a substantial danger to the health or safety of the person; assist a person displaced from a business or farm operation in obtaining and becoming established in a suitable replacement

location; supply information concerning other federal and state programs which may be of assistance to displaced persons; supply technical assistance to such persons in applying for assistance under such programs; and provide other advisory services to displaced persons in order to minimize hardships to such persons in adjusting to relocation.

(4) The head of a displacing agency shall coordinate the relocation activities performed by such agency with other federal, state or local governmental actions in the community which could affect the efficient and effective delivery of relocation assistance and related services.

(5) In any case in which a displacing agency acquires property for a program or project, any person who occupies such property on a rental basis for a short term or a period subject to termination when the property is needed for the program or project shall be eligible for advisory services to the extent determined by the displacing agency.

Whenever the acquisition of real property for a program or project will result in the displacement of any person on or after July 1, 1972, the displacing agency shall assure that within a reasonable period of time prior to displacement, there will be available comparable, decent, safe and sanitary replacement housing which is within the financial means of such displaced persons. (1) If a program or project undertaken by an agency with public financial assistance cannot proceed on a timely basis because comparable replacement dwellings are not available, and the head of the displacing agency determines that such dwellings cannot otherwise be made available, the head of the displacing agency may take such action as is necessary or appropriate to provide such dwellings by use of funds authorized for such project. The head of the displacing agency may use this section to exceed the maximum amounts which may be paid under Sections 43-39-9 and 43-39-11, on a case-by-case basis for good cause as determined in accordance with such regulations as the head of the agency issues.

## JUDICIAL DECISIONS

### 1. In general.

Although the claimants did not waive and were entitled to relocation expenses in connection with the relocation of their home from property condemned by the defendant agency, they were not entitled to such expenses at the late date that they sought them where they failed to follow the procedures required by this section. *Brown v. 43-43-7.	Purchase of service budget request; contents.

#### § 43-43-1. Legislative intent.

It is the intent of the Mississippi Legislature to strengthen legislative oversight over the administration of federal funds provided under Title XX of the Social Security Act of 1935, as amended, originally enacted as Public Law 93-647.

**SOURCES:** Laws, 1979, ch. 505, § 1, eff from and after Jan 1, 1980.

#### § 43-43-3. Appropriations of Title XX monies.

No state agency shall make expenditures of any federal Title XX monies, unless such expenditures are made pursuant to specific appropriations by the Legislature. In appropriating expenditures for social services as provided under Title XX, the Legislature shall specify the maximum amounts of funds to be expended by source of funds. To the extent not precluded by the terms and conditions under which financial aid is made available by the federal government, the Legislature may establish priorities for the activity being assisted and shall specify the major categories of services to be provided and the maximum amount to be expended in each category.

**Federal Aspects** — Title XX of the Social Security Act of 1935, as amended, see 42 USCS §§ 1397 et seq.

#### § 43-43-5. Purchase of service contracts; advance of portion of cost of services.

All purchase of service contracts between the State Department of Public Welfare and individuals, associations or corporations other than state agencies shall be for the reimbursement of actual costs incurred in providing services. However, the State Department of Public Welfare in accordance with policy established by the State Board of Public Welfare may advance one-twelfth ( $\frac{1}{12}$ ) of the total estimated cost for providing services under the twelve-month contractual agreement, upon written request of a contractor, to give the

contractor a better cash flow. Any funds so advanced shall be withheld from the contract reimbursement payments and in no case shall the final reimbursement payment to the contractor exceed the actual cost incurred in providing services. Any contractor receiving such advance payments shall be strictly liable to ensure that same is adjusted to actual cost, including repayment of excess cash advances if necessary, prior to the final closeout of the purchase of service contract.

### § 43-43-7. Purchase of service budget request; contents.

The State Department of Public Welfare in its purchase of service budget request shall accurately reflect the comprehensive annual services program required under Section 2004 of Title XX. In submitting its annual budget recommendations to the Legislature, the legislative budget office shall include all federal Title XX monies received or anticipated by agencies as a part of the budget request in order to indicate for each budget category the amount of state monies requested, the amount of federal monies anticipated or due, the amount of other nonstate monies requested or anticipated and the total anticipated expenditure from all sources for each respective category. A similar breakdown of funding sources shall be shown for current and preceding fiscal periods. All Title XX purchase of service contracts shall be subject to such auditing procedures by the state department of audit as are applicable to all state agencies. Upon the direction of the Legislative Budget Office, additional evaluation of the Title XX system may be performed by an independent group with expertise in cost analysis and the evaluation of human service programs.

No state agency shall assess any charges for services provided by such agency under Title XX to any entity or individual, whether the services be administrative in nature or otherwise, unless such charges be specifically authorized both in principle and amount by the Legislature or, when the Legislature is out of session, by the state fiscal management board. All such charges, whether termed administrative charges, license fees, certification fees, user fees or by whatever name denominated, shall be included in the state budget report as prepared by the legislative budget office and shall be identified by source, purpose, amount and authorization. It is the intent of the Legislature that all such charges by an agency shall be reviewed annually by the Legislature to determine the necessity or continuing necessity for such charges and, if such charges are deemed appropriate and necessary, to include such charges in the agency's appropriation bill.

(h) "Essential services" means those social work, medical, psychiatric or legal services necessary to safeguard a vulnerable adult's rights and resources and to maintain the physical or mental well-being of the person. These services shall include, but not be limited to, the provision of medical care for physical and mental health needs, assistance in personal hygiene, food, clothing, adequately heated and ventilated shelter, protection from health and safety hazards, protection from physical mistreatment and protection from exploitation. The words "essential services" shall not include taking a vulnerable adult into physical custody without his consent except as provided for in Section 43-47-15 and as otherwise provided by the general laws of the state.

(i) "Exploitation" means the illegal or improper use of a vulnerable adult or his resources for another's profit or advantage, with or without the consent of the vulnerable adult, and includes acts committed pursuant to a power of attorney. "Exploitation" includes, but is not limited to, a single incident.

(j) “Lacks the capacity to consent” means that a vulnerable adult, because of physical or mental incapacity, lacks sufficient understanding or capacity to make or communicate responsible decisions concerning his person, including, but not limited to, provisions for health care, food, clothing or shelter. This may be reasonably determined by the department in emergency situations; in all other instances, the court shall make the determination following the procedures in Sections 43-47-13 and 43-47-15 or as otherwise provided by the general laws of the state.

(k) “Neglect” means either the inability of a vulnerable adult who is living alone to provide for himself the food, clothing, shelter, health care or other services which are necessary to maintain his mental and physical health, or failure of a caretaker to supply the vulnerable adult with the food, clothing, shelter, health care, supervision or other services which a reasonably prudent person would do to maintain the vulnerable adult’s mental and physical health. “Neglect” includes, but is not limited to, a single incident.

(l) “Protective services” means services provided by the state or other government or private organizations, agencies or individuals which are necessary to protect a vulnerable adult from abuse, neglect or exploitation. They shall include, but not be limited to, investigation, evaluation of the need for services and provision of essential services on behalf of a vulnerable adult.

(m) “Sexual penetration” shall have the meaning ascribed in Section 97-3-97.

(n) “Vulnerable adult” means a person, whether a minor or adult, whose ability to perform the normal activities of daily living or to provide for his or her own care or protection from abuse, neglect, exploitation or improper sexual contact is impaired due to a mental, emotional, physical or developmental disability or dysfunction, or brain damage or the infirmities of aging. The term “vulnerable adult” also includes all residents or patients, regardless of age, in a care facility for the purposes of Sections 43-47-19 and 43-47-37 only. The department shall not be prohibited from investigating, and shall have the authority and responsibility to fully investigate, in accordance with the provisions of this chapter, any allegation of abuse, neglect, or exploitation regarding a patient in a care facility, if the alleged abuse, neglect or exploitation occurred at a private residence.

### JUDICIAL DECISIONS

The definition of “neglect” does not include willfulness, and the court erred in not administering the agency’s interpretation of the statute and in implying willfulness. *Ricks v. Mississippi State Dep’t of Health*, 719 So. 2d 173 (Miss. 1998).

#### 1.5. Credibility of witnesses.

Court did not agree with the contention that defendant’s conviction of abuse of a vulnerable adult was against the weight

of the evidence; a nursing assistant testified to having witnessed defendant abuse the adult, other witnesses found the adult in a frightened state and with a bruise on the hand, and although defendant argued that certain testimony was contradicted, the trial court was in the position to determine the credibility of the witnesses. *Walker v. State*, 913 So. 2d 411 (Miss. Ct. App. 2005).

### ATTORNEY GENERAL OPINIONS

The statute does not prohibit the Department of Human Services from conducting an Adult Protective Service investigation into alleged abuse or neglect of a patient in a care facility if the alleged abuse or neglect occurred at a private residence prior to the patient entering the care facility. *Taylor*, April 24, 1998, A.G. Op. #98-0232.

The definition of “care facility” in Section 43-47-5 applies for abuse, neglect, and exploitation reporting and investigating purposes regardless of whether a facility that is required to be licensed is so licensed. *Brittain*, May 2, 2003, A.G. Op. 03-0702.

(i) Name, age, race, sex, physical description and location of each vulnerable adult alleged to have been abused, neglected or exploited.

(ii) Names, addresses and telephone numbers of the vulnerable adult's family members.

(iv) Name, address and telephone number of the caregiver of the vulnerable adult, if different from the alleged perpetrator.

(v) Description of the neglect, exploitation, physical or psychological injuries sustained.

(vi) Actions taken by the reporter, if any, such as notification of the criminal justice agency.

(vii) Any other information available to the reporting person which may establish the cause of abuse, neglect or exploitation that occurred or is occurring.

In addition to the above, any person or entity holding or required to hold a license as specified in Title 73, Professions and Vocations, Mississippi Code of 1972, shall be required to give his, her or its name, address and telephone number in the report of the alleged abuse, neglect or exploitation.

(c) The department, or its designees, shall report to an appropriate criminal investigative or prosecutive authority any person required by this section to report or who fails to comply with this section. A person who fails to make a report as required under this subsection or who, because of the circumstances, should have known or suspected beyond a reasonable doubt that a vulnerable adult suffers from exploitation, abuse, neglect or self-neglect but who knowingly fails to comply with this section shall, upon conviction, be guilty of a misdemeanor and shall be punished by a fine not exceeding Five Thousand Dollars (\$5,000.00), or by imprisonment in the county jail for not more than six (6) months, or both such fine and imprisonment. However, for purposes of this subsection (1), any recognized legal financial transaction shall not be considered cause to report the knowledge or suspicion of the financial exploitation of a vulnerable adult. If a person convicted under this section is a member of a profession or occupation that is licensed, certified or regulated by the state, the court shall

notify the appropriate licensing, certifying or regulating entity of the conviction.

(2) Reports received by law enforcement authorities or other agencies shall be forwarded immediately to the Department of Human Services or the county department of human services. The Department of Human Services shall investigate the reported abuse, neglect or exploitation immediately and shall file a preliminary report of its findings with the Office of the Attorney General within forty-eight (48) hours if immediate attention is needed, or seventy-two (72) hours if the vulnerable adult is not in immediate danger and shall make additional reports as new information or evidence becomes available. The Department of Human Services, upon request, shall forward a statement to the person making the initial report required by this section as to what action is being taken, if any.

(3) The report may be made orally or in writing, but where made orally, it shall be followed up by a written report. A person who fails to report or to otherwise comply with this section, as provided herein, shall have no civil or criminal liability, other than that expressly provided for in this section, to any person or entity in connection with any failure to report or to otherwise comply with the requirements of this section.

(4) Anyone who makes a report required by this section or who testifies or participates in any judicial proceedings arising from the report or who participates in a required investigation or evaluation shall be presumed to be acting in good faith and in so doing shall be immune from liability, civil or criminal, that might otherwise be incurred or imposed. However, the immunity provided under this subsection shall not apply to any suspect or perpetrator of any abuse, neglect or exploitation.

(5) A person who intentionally makes a false report under the provisions of this section may be found liable in a civil suit for any actual damages suffered by the person or persons so reported and for any punitive damages set by the court or jury.

(6) The Executive Director of the Department of Human Services shall establish a statewide central register of reports made pursuant to this section. The central register shall be capable of receiving reports of vulnerable adults in need of protective services seven (7) days a week, twenty-four (24) hours a day. To effectuate this purpose, the executive director shall establish a single toll-free statewide phone number that all persons may use to report vulnerable adults in need of protective services, and that all persons authorized by subsection (7) of this section may use for determining the existence of prior reports in order to evaluate the condition or circumstances of the vulnerable adult before them. Such oral reports and evidence of previous reports shall be transmitted to the appropriate county department of human services. The central register shall include, but not be limited to, the following information: the name and identifying information of the individual reported, the county department of human services responsible for the investigation of each such report, the names, affiliations and purposes of any person requesting or receiving information which the executive director believes might be helpful in

the furtherance of the purposes of this chapter, the name, address, birth date, social security number of the perpetrator of abuse, neglect and/or exploitation, and the type of abuse, neglect and/or exploitation of which there was substantial evidence upon investigation of the report. The central register shall inform the person making reports required under this section of his or her right to request statements from the department as to what action is being taken, if any.

Each person, business, organization or other entity, whether public or private, operated for profit, operated for nonprofit or a voluntary unit of government not responsible for law enforcement providing care, supervision or treatment of vulnerable adults shall conduct criminal history records checks on each new employee of the entity who provides, and/or would provide direct patient care or services to adults or vulnerable persons, as provided in Section 43-11-13.

The department shall not release data that would be harmful or detrimental to the vulnerable adult or that would identify or locate a person who, in good faith, made a report or cooperated in a subsequent investigation unless ordered to do so by a court of competent jurisdiction.

(7) Reports made pursuant to this section, reports written or photographs taken concerning such reports in the possession of the Department of Human Services or the county department of human services shall be confidential and shall only be made available to:

(a) A physician who has before him a vulnerable adult whom he reasonably suspects may be abused, neglected or exploited, as defined in Section 43-47-5;

(b) A duly authorized agency having the responsibility for the care or supervision of a subject of the report;

(c) A grand jury or a court of competent jurisdiction, upon finding that the information in the record is necessary for the determination of charges before the grand jury;

(d) A district attorney or other law enforcement official.

Notwithstanding the provisions of paragraph (b) of this subsection, the department may not disclose a report of the abandonment, exploitation, abuse, neglect or self-neglect of a vulnerable adult to the vulnerable adult's guardian, attorney-in-fact, surrogate decision maker, or caregiver who is a perpetrator or alleged perpetrator of the abandonment, exploitation, abuse or neglect of the vulnerable adult.

Any person given access to the names or other information identifying the subject of the report, except the subject of the report, shall not divulge or make public such identifying information unless he is a district attorney or other law enforcement official and the purpose is to initiate court action. Any person who willfully permits the release of any data or information obtained pursuant to this section to persons or agencies not permitted to such access by this section shall be guilty of a misdemeanor.

(8) Upon reasonable cause to believe that a caretaker or other person has abused, neglected or exploited a vulnerable adult, the department shall

promptly notify the district attorney of the county in which the vulnerable adult is located and the Office of the Attorney General, except as provided in Section 43-47-37(2).

## § 43-47-8. Reporting of money, gift, or valuable received or accepted by care facility employees; record maintenance; penalties.

(1) Any person employed by a care facility or having a professional relationship with a care facility who receives or accepts a gift, money or thing of value in excess of Twenty-five Dollars (\$25.00) from a patient or resident of the care facility shall make a written report of the acceptance or receipt of the gift, money or thing of value to the administrator, director or other named highest ranking management employee at the care facility. The report shall be delivered within twenty-four (24) hours of the receipt or acceptance and shall contain the following information:

- (a) Name of the person receiving or accepting the money, gift or thing of value;
- (b) Name of the patient or resident who gave the money, gift or thing of value;
- (c) A detailed description of the gift or thing of value or the amount of money accepted or received; and
- (d) Any other information required by the care facility.

(2) The written report shall be maintained by the care facility as part of the permanent record of the patient or resident, and a copy of the report shall be delivered by the administrator, director or other named highest ranking management employee to the patient's or resident's responsible party, or to the next of kin or other contact person identified in the patient's or resident's file if no responsible party has been designated.

(3) Any person who fails to make or deliver a report as required under subsection (1) of this section; or fails to retain a report as part of the patient's or resident's permanent record as required by subsection (2) of this section; or fails to deliver a copy of the report to the patient's or resident's responsible party or other person as required by subsection (2) of this section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed Five Hundred Dollars (\$500.00) or by imprisonment in the county jail not to exceed six (6) months, or by both such fine and imprisonment.

(4) Nothing in this section shall preclude legal proceedings against any person who steals, embezzles or misappropriates the property of a patient or resident or who otherwise exploits such patient or resident.

**§ 43-47-9. Investigations and evaluations; cooperation of physicians and other health and welfare personnel; contracts with agencies and private physicians.**

(1) Upon receipt of a report pursuant to Section 43-47-7 that a vulnerable adult is in need of protective services, the department shall initiate an investigation and/or evaluation within forty-eight (48) hours to determine whether the vulnerable adult is in need of protective services and what services are needed. The evaluation shall include any necessary visits and interviews with the adult, and if appropriate, with the alleged perpetrator of the vulnerable adult abuse and with any person believed to have knowledge of the circumstances of the case. When a caretaker of a vulnerable adult refuses to allow the department reasonable access to conduct an investigation to determine if the vulnerable adult is in need of protective services, the department may petition the court for an order for injunctive relief enjoining the caretaker from interfering with the investigation.

(2) The staff and physicians of local health departments, mental health clinics and other public or private agencies, including law enforcement agencies, shall cooperate fully with the department in the performance of its duties. These duties include immediate, in-residence evaluations and medical examinations and treatment where the department deems it necessary. However, upon receipt of a report of abuse, neglect or exploitation of a vulnerable adult confined in a licensed hospital or licensed nursing home facility in the state, the department shall immediately refer this report to the

proper authority at the State Department of Health for investigation under Section 43-47-37.

Upon a showing of probable cause that a vulnerable adult has been abused, a court may authorize a qualified third party to make an evaluation to enter the residence of, and to examine the vulnerable adult. Upon a showing of probable cause that a vulnerable adult has been financially exploited, a court may authorize a qualified third party, also authorized by the department, to make an evaluation, and to gain access to the financial records of the vulnerable adult.

(3) The department may contract with an agency or private physician for the purpose of providing immediate, accessible evaluations in the location that the department deems most appropriate.

### § 43-47-11. Protective services plans; interference by caretaker; effect of lack of consent by vulnerable adult.

(1) If, pursuant to an investigation instituted pursuant to Section 43-47-7, the department determines that a vulnerable adult is in need of protective services, it shall prepare a plan of services, reviewing that plan with the vulnerable adult and obtaining his consent in writing.

(2) When a caretaker of a vulnerable adult who consents to the receipt of protective services refuses to allow the provision of such services to the vulnerable adult, the department may petition the court for an order for injunctive relief enjoining the caretaker from interfering with the provision of protective services to the vulnerable adult.

(3) If a vulnerable adult does not consent to the receipt of protective services, or if he withdraws his consent, the services shall not be provided, except as indicated in Section 43-47-13.

**§ 43-47-13. Provision of services to vulnerable adult lacking capacity to consent; petition for injunctive relief, hearing, and order; appointment of guardian or conservator.**

(1) Every reasonable effort shall be made to secure the consent and participation of the vulnerable adult in an evaluation and resolution of the need for protective services. If those efforts fail and if the department has reasonable cause to believe that a vulnerable adult is being abused, neglected or exploited and lacks the capacity to consent to protective services, then the department may petition the court for an order for injunctive relief authorizing the provision of protective services. The petition must allege specific facts sufficient to show that the vulnerable adult is in need of protective services and lacks the capacity to consent to them.

(2) The court shall set the case for hearing within fourteen (14) days after the filing of the petition. The vulnerable adult must receive at least five (5) days notice of the hearing. Where good cause is shown, the court may direct that a shorter notice be given. The vulnerable adult has the right to be present and represented by counsel at the hearing. If the person, in the determination of the court, lacks the capacity to waive the right to counsel, then the court shall appoint a guardian ad litem. If the person is indigent, the cost of representation shall be borne by the department or by the court.

(3) If, at the hearing, the court finds by clear and convincing evidence that the vulnerable adult is in need of protective services and lacks the capacity to consent to those services, the court may issue an order relative thereto. This order may include the designation of an individual, organization or agency to be responsible for the performing or obtaining of essential services on behalf of the vulnerable adult or otherwise consenting to protective services in his behalf. The order may provide for protective services for a period not to exceed eighteen (18) months, at which time the vulnerable adult's need for protective services may be reviewed by the department filing a petition requesting such review with the court. Should the court determine that the vulnerable adult is in further need of protective services, it may order the provision of such protective services as provided herein.

(4) The court may appoint a guardian or conservator for the vulnerable adult, but the court shall not appoint the department as a guardian of the vulnerable adult. No vulnerable adult may be committed to a mental health facility under this chapter. However, nothing contained herein shall prohibit the filing of petitions under other applicable provisions of the laws of this state.

### § 43-47-15. Provision of services to alleviate an imminent danger; entry upon premises pursuant to court order; immunity from liability of petitioner acting in good faith.

(1) The department shall have the authority to provide immediate medical care, food, clothing, heat, shelter, supervision or other essential services in the absence of consent if it is determined that:

(a) The vulnerable adult is in imminent danger of death or irreparable harm;

(b) Provision of emergency and/or protective services will alleviate the endangerment; and

(c) No other statutory or otherwise appropriate remedy is immediately available.

(2) Within forty-eight (48) hours, excluding Saturdays, Sundays and legal holidays, the department shall petition the court for an order for injunctive relief authorizing the provision of emergency services.

(3) Upon petition of the Commissioner of Public Welfare, the court may order the provision of emergency services to a vulnerable adult after finding that there is reasonable cause to believe that:

(a) The vulnerable adult lacks the capacity to consent and that he is in need of protective services;

(b) An emergency exists; and

(c) No other person authorized by law or order to give consent is available and willing to arrange for emergency services.

If there is reasonable cause to believe that the conditions listed above exist and no other custodian is available, then upon a written petition for emergency services filed by the department, the court may issue an order for injunctive relief for the department to provide emergency services to a vulnerable adult.

(4) The petition for emergency services shall set forth the name, address and authority of the petitioners; the name, age and residence of the vulnerable adult; the nature of the emergency; the proposed emergency services; the petitioner's reasonable belief as to the existence of the conditions set forth in subsection (1) of this section; and facts showing petitioner's attempts to obtain the vulnerable adult's consent to the services.

(5) If the provision of emergency and/or protective services alleviates the imminent danger of death or irreparable harm and the department has reasonable cause to believe that the vulnerable adult remains in need of protective services, the department shall proceed according to Sections 43-47-11 and 43-47-13.

(6) Where it is necessary to enter a premises without the vulnerable adult's consent after obtaining a court order in compliance with subsection (3) of this section, the representative of the petitioner shall do so.

(7) No petitioner shall be held liable in any action brought by the vulnerable adult if the petitioner acted in good faith.

(2)(a) Any person who, for the purpose of gratifying the person's lust, or indulging the person's depraved licentious sexual desires, shall handle, touch or rub with hands or any part of the person's body or any member thereof, any vulnerable adult, with or without the vulnerable adult's consent, when the person is a volunteer at, or an employee of, or contracted to work for, a health care facility in which the vulnerable adult is a patient or resident, shall be guilty of a felony and, upon conviction thereof, shall be fined in a sum not less than One Thousand Dollars (\$1,000.00) nor more than Five Thousand Dollars (\$5,000.00), or be committed to the custody of the Department of Corrections not less than two (2) nor more than fifteen (15) years, or be punished by both fine and imprisonment, at the discretion of the court.

(2)(a) Any person who willfully commits an act or willfully omits the performance of any duty, which act or omission contributes to, tends to contribute to, or results in physical pain, injury, mental anguish, unreasonable confinement or deprivation of services which are necessary to maintain the mental and physical health of a vulnerable adult, or neglect, shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed One Thousand Dollars (\$1,000.00) or by imprisonment not to exceed one (1) year in the county jail, or by both such fine and imprisonment. ## JUDICIAL DECISIONS

1. In general.
2. Constitutionality.
3. Jury instruction.

### 1. In general.

Because the Mississippi Vulnerable Adults Act addresses only willful acts or omissions that injure vulnerable adults, they cannot be employed to establish the standard of care applicable in a negligence suit. *Mariner Health Care, Inc. v. Estate of Edwards*, 964 So. 2d 1138 (Miss. 2007).

Investigator's report did not mention whether defendant's elderly mother was in pain, however, in defendant's sworn guilty plea petition, defendant stated that defendant's acts did constitute willfully inflicting pain and injury upon defendant's mother, "by binding and gagging" the victim and then leaving the victim restrained in the house, and that sufficed for defendant's felony conviction under former Miss. Code Ann. § 43-47-19(3) (Rev. 2000). *Ward v. State*, 879 So. 2d 452 (Miss. Ct. App. 2003), cert. denied, 882 So. 2d 234 (Miss. 2004).

The evidence established that the defendant willfully committed an act of abuse against a vulnerable adult where

(1) two witnesses testified to seeing the defendant physically abuse the victim, (2) three additional witnesses testified that they saw fresh bruises on the victim's arm immediately subsequent to the report of abuse, and (3) the only evidence adduced at trial that would support the defendant's theory of the incident came through her own testimony. *Ivy v. State*, 736 So. 2d 1050 (Miss. Ct. App. 1999).

### 2. Constitutionality.

The statute is not unconstitutional on the grounds of vagueness and ambiguity as it gives sufficient guidance as to the meaning of the terms "abuse", "neglect," and "exploitation." *Boatner v. State*, 754 So. 2d 1184 (Miss. 2000).

### 3. Jury instruction.

In defendant's trial for kidnapping, trial court properly refused a jury instruction for the offense of unreasonable confinement of vulnerable adult because defendant was required to present evidence that he did not commit kidnapping, and defendant failed to present evidence to negate an element of kidnapping. *Hager v. State*, 996 So. 2d 94 (Miss. Ct. App. 2008).

## § 43-47-21. Payment for services; orders to provide custody, care, and maintenance.

At the time the department makes an evaluation of the case reported, in accordance with the provisions of Section 43-47-9, it shall be determined, according to the regulations set by the department, whether the vulnerable adult is financially capable of paying for the essential services. If he is, he shall make reimbursement for the costs of providing the needed essential services. If it is determined that he is not financially capable of paying for such services, they shall be provided at no cost to the recipient of the services. The court may order the department or any public agency to provide for the custody, care and

maintenance of such vulnerable adult. Provided, however, that the care, custody and maintenance of any vulnerable adult shall be within statutory authorization and budgetary means of such institution, facility, agency or department. Notwithstanding any provision to the contrary, it is not the intent of the Legislature through the adoption of this chapter to authorize any court exercising jurisdiction over a vulnerable adult to enlarge or bring about the addition of new groups or categories of recipients or to increase the types of care and services for such adults under the Mississippi Medicaid Law, and any court exercising jurisdiction over a vulnerable adult shall not, in any way, enter an order against the Division of Medicaid to provide for the custody, care, or maintenance of a vulnerable adult who is not otherwise eligible for medical assistance under Section 43-13-115 or services under Section 43-13-117.

### § 43-47-37. Reporting of abuse and exploitation of patients and residents of care facilities.

(1) Any person who, within the scope of his employment at a care facility as defined in Section 43-47-5(b), or in his professional or personal capacity, has knowledge of or reasonable cause to believe that any patient or resident of a care facility has been the victim of abuse, neglect or exploitation shall report immediately the abuse, neglect or exploitation.

(2) The reporting of conduct as required by subsection (1) of this section shall be made:

(a) By any employee of any home health agency, orally or telephonically, within twenty-four (24) hours of discovery, excluding Saturdays, Sundays and legal holidays, to the department and the Medicaid Fraud Control Unit of the Attorney General's office.

(b) By a home health agency, in writing within seventy-two (72) hours of discovery to the department and the Medicaid Fraud Control Unit. Upon initial review, the Medicaid Fraud Control Unit shall make a determination whether or not the person suspected of committing the reported abuse, neglect or exploitation was an employee of the home health agency. If so, the Medicaid Fraud Control Unit shall determine whether there is substantial potential for criminal prosecution, and upon a positive determination, shall investigate and prosecute the complaint or refer it to an appropriate criminal investigative or prosecutive authority. If the alleged perpetrator is not an employee of the home health agency, the department shall investigate and process the complaint or refer it to an appropriate investigative or prosecutive authority.

(c) By all other care facilities, orally or telephonically, within twenty-four (24) hours of discovery, excluding Saturdays, Sundays and legal holidays, to the State Department of Health and the Medicaid Fraud Control Unit of the Attorney General's office.

(d) By all other care facilities, in writing, within seventy-two (72) hours of the discovery, to the State Department of Health and the Medicaid Fraud Control Unit. If, upon initial review by the State Department of Health and the Medicaid Fraud Control Unit, a determination is made that there is substantial potential for criminal prosecution, the unit will investigate and prosecute the complaint or refer it to an appropriate criminal investigative or prosecutive authority.

(3) The contents of the reports required by subsections (1) and (2) of this section shall contain the following information unless the information is unobtainable by the person reporting:

(a) The name, address, telephone number, occupation and employer's address and telephone number of the person reporting;

(b) The name and address of the patient or resident who is believed to be the victim of abuse or exploitation;

(c) The details, observations and beliefs concerning the incident;

(d) Any statements relating to incident made by the patient or resident;

(e) The date, time and place of the incident;

(f) The name of any individual(s) believed to have knowledge of the incident;

(g) The name of the individual(s) believed to be responsible for the incident and their connection to the patient or resident; and

(h) Such other information that may be required by the State Department of Health and/or the Medicaid Fraud Control Unit, as requested.

(4) Any other individual who has knowledge of or reasonable cause to believe that any patient or resident of a care facility has been the victim of abuse, exploitation or any other criminal offense may make a report to the State Department of Health and the Medicaid Fraud Control Unit.

(5)(a) Any individual who, in good faith, makes a report as provided in this section or who testifies in an official proceeding regarding matters arising out of this section shall be immune from all criminal and civil liability. The immunity granted under this subsection shall not apply to any suspect or perpetrator of abuse, neglect or exploitation of any vulnerable adult, or of any other criminal act under any statute of this state or municipal ordinance defining any act as a crime or misdemeanor.

(b) No person shall terminate from employment, demote, reject for promotion or otherwise sanction, punish or retaliate against any individual who, in good faith, makes a report as provided in this section or who testifies in any official proceeding regarding matters arising out of this section.

(6) Any care facility that complies in good faith with the requirements of this section to report the abuse or exploitation of a patient or resident in the care facility shall not be sanctioned by the State Department of Health for the occurrence of such abuse or exploitation if the care facility demonstrates that it adequately trained its employees and that the abuse or exploitation was caused by factors beyond the control of the care facility.

(7) Every person who knowingly fails to make the report as required by subsections (1), (2) and (3) of this section or attempts to induce another, by threat or otherwise, to fail to make a report as required by subsections (1), (2) and (3) of this section shall, upon conviction, be guilty of a misdemeanor and shall be punished by a fine of not exceeding Five Hundred Dollars (\$500.00), or by imprisonment in the county jail for not more than six (6) months, or both such fine and imprisonment.

(8) Copies of Sections 43-47-7 and 43-47-37 shall be posted prominently in every health care facility.

(9) If, after initial inquiry or investigation, the Medicaid Fraud Control Unit determines that there is reasonable cause to believe that an employee of a home health agency has abused, neglected or exploited a vulnerable adult, the unit shall notify the Mississippi State Department of Health of the alleged abuse, neglect or exploitation.

(10) Upon a judicial determination of evidence that an employee of a care facility has abused, neglected or exploited a vulnerable adult, the appropriate investigative agency shall immediately provide the following information to the central registry: name, address, birth date, social security number of perpetrator; type of abuse, neglect and or exploitation; name, address, birth date, social security number of victim; and date of incident and report.

## JUDICIAL DECISIONS

### 1. Employee termination.

Employee was not terminated for a criminal violation under the Vulnerable Adults Act because there was no reference that was made within the termination notices regarding the employee's conduct

in reference to the Act; an employee's acquittal in a criminal case under the act did not provide the basis for a motion for reconsideration. *Payne v. Miss. Dep't of Mental Health*, 964 So. 2d 582 (Miss. Ct. App. 2007).

## ATTORNEY GENERAL OPINIONS

The definition of "care facility" in Section 43-47-5 applies for abuse, neglect, and exploitation reporting and investigating purposes regardless of whether a facility that is required to be licensed is so licensed. *Brittain*, May 2, 2003, A.G. Op. 03-0702.

Although there is no statutory obligation on the part of the Department of Human Services (DHS) to investigate abuse, neglect and exploitation in a facil-

ity that operates as a personal care home but is not licensed by the State Department of Health to operate as such, in limited circumstances, where the alleged perpetrator is not an employee of the home health agency, the DHS has a statutory obligation to investigate and process complaints of abuse, neglect or exploitation or refer same to an appropriate authority. *Brittain*, May 2, 2003, A.G. Op. 03-0702.

(1) There is created in the State Treasury a special fund to be known as the Vulnerable Adults Training, Investigation and Prosecution Trust Fund. The purpose of the fund shall be to provide funding for the Vulnerable Adults Unit in the Office of the Attorney General to assist in the training of law enforcement officers, judges, district attorneys, state agencies and investigators at the Department of Human Services with regard to issues arising under the Vulnerable Adults Act, and to provide funding for the Vulnerable Adults Unit in the Office of the Attorney General to assist in the investigation and prosecution of statewide offenders who abuse, neglect or exploit vulnerable adults. **SOURCES:** Laws, 1994, ch. 607, § 22, eff from and after July 2, 1994.

#### § 43-51-3. Definitions.

As used in this chapter, unless the context clearly requires otherwise, the following words and phrases shall have the meanings respectively ascribed to them in this section:

(a) “Child at imminent risk of placement” means a minor who may be reasonably expected to face, in the near future, commitment to the care or custody of the state as a result of:

- (i) Dependency, abuse or neglect;
- (ii) Emotional disturbance;
- (iii) Family conflict so extensive that reasonable control of the child is not exercised; or
- (iv) Delinquency adjudication.

(b) “Home Ties Program” means a program under the State Department of Human Services of family preservation and family support services.

(c) “Family preservation services” means services designed to help families alleviate risks or crises that might lead to out-of-home placement of children. The services may include procedures to maintain the safety of children in their own homes, support to families preparing to reunify or adopt and assistance to families in obtaining services and other sources of support necessary to address their multiple needs in a culturally sensitive environment.

(d) “Family support services” means preventive community-based activities designed to alleviate stress and to promote parental competencies and behaviors that will increase the ability of families to successfully nurture their children and will enable families to use other resources and opportunities available in the community. These services may include supportive networks designed to enhance child-rearing abilities of parents and to help compensate for the increased social isolation and vulnerability of families. Examples of these services and activities include: respite care for parents and other caregivers; early developmental screening of children to

assess the needs of these children and assistance in obtaining specific services to meet their needs; mentoring, tutoring and health education for youth; and a range of center-based activities, such as informal interactions in drop-in centers and parent support groups, and home visiting programs.

**SOURCES:** Laws, 1994, ch. 607, § 23, eff from and after July 2, 1994.

### **§ 43-51-5. Home Ties Program; planning.**

(1) The State Department of Human Services in conjunction with the State Department of Education shall engage in a comprehensive planning process for the Home Ties Program to develop, coordinate and implement a meaningful and responsive program of family support and family preservation services. The scope of planning shall address child welfare, housing, mental health, primary health, education, juvenile justice, community-based programs providing family support and family preservation services and other social programs that service children at imminent risk of placement and their families. In developing the plan, the department, in its discretion, may invite active participation from local consumers, practitioners, researchers, foundations, mayors, members of the Legislature and any available federal regional staff.

(2) The Home Ties Program shall be developed as a pilot program for a period of five (5) years in accordance with federal guidelines promulgated by the United States Department of Health and Human Services. #### § 43-53-1. Legislative findings.

The Legislature hereby finds and declares that there are many efforts currently under way that seek to forge partnerships to coordinate criminal justice and social services approaches to victimization of senior citizens. The TRIAD program, sponsored by the National Sheriffs' Association (NSA), the International Association of Chiefs of Police (IACP) and the American Association of Retired Persons (AARP), is one such effort. This effort recognizes that senior citizens have the same fundamental desire as other members of our society to live freely, without fear or restriction due to the criminal element, and that the state should seek to expand efforts to reduce crime against this growing and uniquely vulnerable segment of our population.

It is the intent of the Legislature, therefore, to promote a coordinated effort among law enforcement and social services agencies to stem the tide of violence against senior citizens and to support media and non-media strategies aimed at increasing both public understanding of the problem and the senior citizens' skills in preventing crime against themselves and their property, and to address the problem of crime against senior citizens in a systematic and effective manner by promoting and expanding collaborative crime prevention programs, such as the TRIAD model, that assist law enforcement agencies and senior citizens in implementing specific strategies for crime prevention, victim assistance, citizen involvement and public education.
